- Free - Main Theme of "SONIC FREE RIDERS"

I'm falling free in the wind, in the wind
Free to be me in the wind, in the wind

What would it feel like to be speed of light and rule the night and day
Watch as it passes by you as the masses try you but they just can't keep up
Into the free, into the me, into the ever knowing
Felt so refrained, felt so constrained
But now I'm breaking out and Free...

I'm falling free in the wind, in the wind
Free to be me in the wind, in the wind

Beg, borrow, steal, you've made your deal and with no hesitation
Crawl, walk or run you've had your fun of which is very certain
Into the free, into the me, into the ever knowing
Felt so constrained, felt so to blame
But now I'm breaking out and Free...

I'm falling into the Free, into the Free
Free to be me, I am Free... I am Free

What would it take for you to make a simple speed transition
Into the known from the unknown and feed this wild temptation
Into the free, been starving me, into the ever knowing
Felt so constrained, felt so ashamed
But now I'm breaking out and Free

I'm living in, In the Free, in the Free
Free to be me, I am Free I am Free
I'm falling free in the wind, in the wind
Free to be me in the wind, in the wind
