

THE CONFIDENTIAL WEEKLY OF THE COIN MACHINE INDUSTRY

Vol. 9 No. 49 SEPT. 4, 1948

Talented Ziggy Talent is the uncomfortable recipient of an earful from his boss, maestro Vaughn Monroc. Under less trying conditions, Ziggy gives out with the novelty tunes for the band and also doubles on the sax and clarinet. Ziggy is the lad who offers the zany vocal rendition on the current juke box winner, "The Maharajah of Magador." A consistent music machine favorite, the Monroe ork clicked heavily recently with "Ballerina," "Matinee," "Blue Shadows On The Trail" and the current favorite "Cool Water." The Vaughn Monroe orchestra is exclusively featured on RCA-Victor Records. Heard on the air every Saturday evening for Camel Cigarettes, 9:30 P. M., CBS. Direction: Marshard Music. Management: Willard Alexander, Inc.

#### **Talking It Over**

The "Volume Play Plan" for juke boxes is definitely past the "test-tube" stage. The time is now at hand when the average juke box operator must decide for himself whether he does, or does not, want to increase his earnings by using every possible means of exploitation at his disposal. Leading juke box ops agree that the "Volume Play Plan" is most meritorious of all plans which have been presented.

The "bargain" feature of the "Volume Play Plan," offering 6 plays for 25c, not only meets with what the public demands of the entertainment world today, but, it opens the way for the automatic phono operators to definitely increase earnings while, at the same time, giving the public just what it wants.

The record manufacturers are producing more and still more two minute recordings, in keeping with the suggestion made by *The Cash Box* sometime ago. This publication pointed out, during its campaign urging the cutting of two minute disks, that these meant 50 per cent more income to the juke box operator. In short, during peak play hours his machines could handle 30 two minute disks for a total of \$1.50 per hour, where formerly they could only handle 20 three minute platters at only \$1 per hour revenue.

Now that the record manufacturers have started to come thru with two minute records this, too, adds up to the appeal of the "Volume Play Plan." It means that the average juke box operator can sell the 6 disks for 25c in much faster time than he formerly sold four of the three minute recordings.

At the same time, and as all juke box operators know, the "overplay" which results from 25c phono action, also cuts down playing time. In short, player following player, depositing quarters, to take advantage of the six play bargain will, in almost every case, duplicate two, three and even four of the same tunes, the tunes most popular at the moment and, thereby, cut playing time down to a low point so that the operator enjoys greater profit.

Manufacturers, distributors and leading juke box operators all agree that the "Volume Play Plan"—the 6 plays for 25c —is one of the best merchandising plans the trade can use at this time to increase interest in the juke box and to also increase earnings.

The "test-tube" period is over.

Bill Gensh.

# TRADE GIRDS Forboom Biz As Summer Ends

Page 4

With the toughest summer season in all the history of the coin machine industry at last drawing to a close, coinmen are girding for the forthcoming Fall boom.

The Cash Box

There is no use hiding from the facts. Many an op is now out of the business. Many a distributor is out. There are fewer men left in the industry. But, the readjustment period is over.

Like purges in every other line of business endeavor, the purge which came to the coin machine business has been helpful, rather than harmful.

It has put many a man back into his business. It has brought him closer to the actual facts of what was happening in the business he had worked so hard to build up.

Like owners of taverns who have once again donned aprons and are back of the bar themselves serving customers, coinmen are out on the route once again serving their various locations and learning, to their amazement, that they can, and do, earn bigger profits than they ever did before, because they have taken over the business themselves.

This was bound to come. It was a great, grand spree all during the war period and for sometime afterwards. But, the big party's over. The men are now back at work. And slowly, very slowly, as they once again get their bearings and learn the things they forgot about their businesses, they are increasing take and doing a better job of it than the many employees who were haphazard and lackadaisical about their jobs, ever did for them.

These same men, now that they have settled down to their jobs once again, now that they have cleared away much of the chaff from the wheat, and now that they KNOW what their locations want and need—are the ones who will, once again, zoom this industry to the very top.

These men are looking forward to a boom business this forthcoming Fall season. They realize that the time has arrived when they must bring back all those great and grand promotional angles which placed this business in the forefront of the amusement and entertainment industries.

September 4, 1948

They are, once more, featuring angles which only they themselves knew. They are buying up small routes. They are making "capital" of what their former employees made "loss."

This economic shakedown, this purge of the industry, wasn't at all bad for all concerned with this business. It has left the most solid factors alive. The men who can be depended on to build from here on to a greater business.

These are the men, then, who look to this Fall season as one of the best in the history of the coin machine industry. These are the men who weathered many a storm, who have just come out of a good, grand time, and are now back working harder than ever. The men upon whom all can depend to make this business bigger than ever.

These men rank from the very top of the manufacturers right down to the operators. They disregarded the many, many smaller functions and duties which made their businesses so profitable.

These men are thinking. They're doing. They're building. They were just given a breathing spell. And that breathing spell was this past summer season when they, because of the sudden slump, stepped back into their businesses, once again took over, once again put on harness, and are now ready to lead their individual businesses back to profits which means that as a whole, thruout the nation, the entire industry can look forward to a new and better future.

That future begins with this Fall, 1948, season.

"Makin' Love Mountain Style" (2:45)

"You're A Character, Dear" (2:54) DINNING SISTERS

(Capitol 15173)

(Copitol 15173) • The three charming Dinning Sis-ters, Ginger, Jean and Jayne, come thru with a brand new hunk of wax that's got lots of "c-o-i-n" pressed into it, as they get together and in perfect harmony give out with "Makin' Love Mountain Style," from the MGM pic, "Merry-Go-Round," with the Art Van Damme Quintet to give them beautiful backing. Tho it's done in "folk-tune" style, it's got enough "pop" in it to make it one of the best sides the three charming gals have cut in many a moon. On the flip, "You're A Char-acter, Dear," from the gals' grand album, they again "sell" a number that will bring lots of nickels into juke boxes. This is one platter you can order. It's good.

#### "You Call Everybody Darling" (2:27)

"Turkish Delight" (2:40)

VARSITY ORCH. (Varsity 103)

• Another platter featuring one of the nation's most popular tunes, "You Call Everybody Darling," presents Frank and The Boys warbling the lyrics to the backgrounding of the Varsity Orchestra. It's a good side of wax that has lots of moolah slapped all over it. On the flip, "Turkish De-light," with vocalizing by Frank and the chorus, and the Varsity Orchestra once again to the front to handle the instrumental, here is a disk that has that beat many like. All in all, a very fine platter.

#### "Floatin' " (2:58)

"A Woman Always Understands" (3:15)

#### LES BROWN ORCH. (Columbia 38292)

(Columbia 38292) • This platter opens with an instru-mental deck which shows off the tal-ents of Les Brown and his ork. Maes-tro Brown has always captured plenty of fans among the younger set with his grand instrumentals and this is one more time when he's sure to win their approval and, without doubt, gain many more followers. He sells the song right over the top. His fin-gering of the 88's and the way the rest of the crew bring in the beat, "A Woman Always Understands," Maestro Brown beautifully back-grounds his thrush, Eileen Wilson, in slow, romantic and sentimental style to make this side one of those swoon-ing hunks of wax for the dim lit spots where the romantic couples like to gather 'round. It's a good platter and

#### "'S Wonderful" (2:30)

"Let's Do It" (2:54) DINAH SHORE-BUDDY CLARK (Columbia 38253)

• That George and Ira Gershwin oldie which has always brought coin to juke boxes as rendered by one of

OF E W

> "October Twilight" (3:07) "A New Kind Of Song" (3:14) FRANKIE CARLE ORCH. (Columbia 38291)

Here's wax that's a natural for • Here's wax that's a natural for the Fall season. It has nickels, dimes and quarters pressed right into it. The gorgeous piano playing of Frankie Carle, the beautiful backgrounding of the Maestro's ork, and the chirping of thrush Nan Wright to the lyrics of the topside, "October Twilight," turns this side of shellac into one of the grandest heard in many a moon.

a 38291) The gal sings her way right into the hearts of the listeners while Maestro Carle and his ork back-ground her beautifully and, at the same time, featuring Frankie's grand fingering of the 88's. It's wax that has every sign of big success written all over it. On the flip, "A New Kind Of Song," Maestro Carle once again cuts a side of wax that's gonna be heard for months to come. It's got just about everything anyone can ask from a disk. In slow, romantic and sentimental tempo, Nan Wright spoons the lyrics to all those coup-les who have the lovelight in their eyes, and with Maestro Carle's gor-geous piano artistry to back her, while the ork do a grand job of supporting the chirp, the side proves itself one of the best yet heard. Here's wax that will stick in location after location for a long time to come. It's a surefire money getting hunk of shellac. the greatest teams in the biz, Dinah Shore and Buddy Clark, with Harry Zimmerman directing the ork, turns into one of the very best platters yet heard. We're choosing, "'S Wonderful," for the topside, the either side's a winner. Yet, the way Dinah and Buddy go into this top deck and spoon the lyrics of this hunk of wax, is something everyone who plunks nickels into juke boxes will want to hear again and again. On the backing, "Let's Do It," a Cole Porter tune that has cap-

tured coin for y'ars and y'ars, the team of Dinah Shore and Buddy Clark prove terrific. Wherever you place this platter, it's gonna grab lots of play action.

"Ain't Doin' Bad Doin' Nothin'" (3:13)"Ida | Do" (3:07) **BING CROSBY** (Decco 24476)

• It's practically tradition to be sure it's "moneymaking wax" when Bing Crosby cuts it. Either side of this great platter is sure to please the listeners and either side is a winner. With, "Ain't Doin' Bad Doin' Nothin'," Der Bingle absolutely sells the tune to a fare-thee-well. It's terrific the way Bingo pipes the lyrics and the manner in which he croons the melody. He's like money in the bank for juke box ops everywhere. On the flip, "Ida I Do," Bingo once again cuts shellac with rhythm and beat, tho in slower tempo, that has all the action and all the vocal any op could ever ask for. Just grab a boxful and spread 'em around.

#### "Hair Of Gold" (2:53) "Cool Water" (2:58) JIM SMITH & THE BUCCANEERS (Varsity 109)

• With instrumental backgrounding of The Buccaneers to help him, Jim Smith spills the wordage to the top side, "Hair Of Gold," in fine manner. He sure does know how to handle and carry the beat thru to the very finish. It's good wax. On the flip, "Cool Water," which has zoomed in the pop field, once again Jim Smith and The Buccaneers give this tune just about all that's in it. Both sides are on a par. Suffice it to say that here's wax featuring two popular tunes that has every possibility of helping juke box ops.

#### "Woody Woodpecker" (2:22) "My Happiness" (2:48) VARSITY ORCH .- TYLER DUO (Varsity 101)

• With very little other description than the fact that Varsity orchestra is doing the background job for the well known, "Woody Woodpecker," and that Frank (no last name) is doing the vocal, here is a side of wax that is lively in tempo that has plenty of meat in it and that will react with much favor wherever played. It's a fine cutting of a tune which has captured the fancy of many juke box ops. On the flip, "My Happiness," the Tyler Duo take over and sell this favorite over the line. It's good wax with two well known tunes back to back.

#### "At The Flying 'W' " (2:48)

"A Hundred And Sixty Acres" (2:36)

BING CROSBY-ANDREWS SISTERS (Decca 24481)

(Decce 24481) • Nothing much further need ever be said than Bing Crosby and the Andrews Sisters have just put out another swell platter. One that's sure to cull coin on any location. The way that boy can sing and the way those Andrews Sisters chirp along with him, with Vic Schoen and his ork to background them, "At The Flying "W," becomes one of the surefire tunes for juke boxes. The gals and Bing do one of their very best vocalizing jobs here. On the flip, "A Hundred And Sixty Acres," continues the western tang of the topside with the gals and Bing. It's grand wax, and it's got plenty of nickels, dimes and yourself a boxful and spread 'em around your spots—they'll bring in the moolah.

#### "You Call Everybody Darling" (2:19) "Underneath The Arches" (2:48) ANDREWS SISTERS

#### (Decca 24490)

• With the disk spinning in speedy time, the well liked Andrews Sisters cut a side of wax that's among their very best. "You Call Everybody Darlcut a side of wax that's among their very best. "You Call Everybody Darl-ing." The way the gals chirp this tune makes it worthwhile popping nickels into phonos. It's grand har-mony all the way to the very last note. On the flip, with another tune that's meeting approval everywhere in the country, "Underneath The Arches," the gals go into slower tem-po, but, with grand and gorgeous har-mony sell this side right over the top. It's difficult here to choose which side is topside. Best bet is to simply spread 'em around your spots.

#### "Never Underestimate The Power Of A Woman" (2:24)

"Little Darlin'" (2:47)

#### MOREY AMSTERDAM (Apollo 1127)

• That grand comedian, Morey Amsterdam, turns his talents to cutting wax and produces two sides here that folks will chuckle over wherever they ride the turntables. You can just picture Morey selling, "Never Underes-timate The Power Of A Woman," and doing it with a twist to the lyrics that's sure to get a laugh. The guy knows how to handle wax to the pub-lic's delight. Sammy Fidler and his ork must be given a big hand for the way he handles the backgrounding to Amsterdam's warbling of the novel lyrics. On the backing, "Little Darlin'," Morey takes off on a parody of the folk tunes that makes this side sparkle. Actually the title is, "I'm Sick And Tired Of You Little Darlin'," which gives you some idea of what the wax is all about. So just listen in to Morey Amsterdam doing two grand sides of shellac that have every possibility of catching many a laugh wherever they're placed.

"Blue Bird Of Happiness" (2:38) BARBARA BROWN-JIMMY VALENTINE

(Varsity 108)

(Varsity 108) • Barbara Brown proves herself among the top thrush ranks with her vocal on the well known topside of this platter, "A Tree In The Meadow." Spoons the lyrics in slow, soft, senti-mental tempo and gets grand backing from the Jimmy Valentine ork to turn the side into a very fine hunk of shel-lac. There's no doubt that many an op is going for this one. On the flip, "Blue Bird Of Happiness," an oldie that's clicking about the countryside, Jimmy Valentine with his Quintet, backed by the orchestra, again pro-duce a neat side of wax. For this platter, we choose Barbara Brown and the topside. Listen in and decide for yourself.

#### "Family Polka" (2:54)

"Surefire Polka" (2:43) MILTON G. OLEKSON

(Amuke 524)

(Amuke 524) • Want the real, old fashioned kind of polkas accepted as the "McCoy" in all the spots where the people who know polkas gather 'round? Then latch onto this biscuit, brother, for of below on the biscuit, brother, for of the spots of the polka to little bits with, "Family Polka," and Milton adds plenty of zest, actually talking right out of the wax to the listeners to come on in and dance to the tune. He calls, "Hey, Mike," "Hey, Joe," "Hey, John," and adds a bit of lyric to the name that's bound to get many a polka lover up from his chair and whiling about the floor. It's a great hunk of wax for the real polka spots where the people know their polkas, no the fip, "Surefire Polka," Milton and his crew once again tear into poly at time and, in between the instru-mental, give it that come-on shouting around. This is a lively biscuit with plenty on the ball. A surefire money-maker if you've got the spots where the foreign element gather 'round and like polkas as is polkas.

#### "Willow Weep For Me" (3:07)

#### "Bongo Riff" (2:02)

STAN KENTON ORCH. (Capitol 15179)

(Capitol 15179) • Here's that "Progressive Jazz" you want and that is makin' the kids sit up and shout all over the nation as Stan Kenton and his ork play concert after concert. But, starting off this disk is one of Stan's oldies, "Willow Weep For Me," with thrush June Christie to spoon the lyrics in roman-tic mood which is sure to grab coin in many and many a spot. June does a grand job and Maestro Kenton's backgrounding is about all that any-one can ask for for any hunk of wax. On the flip, with Jack Costanzo to do the bongo solo, Kenton cuts loose with a speedy spinning disk to sell "Bongo Riff" right down the line. A surefire side of shellac for junior and his pals and one that's going to get lots of play 'round the schools as the Fall term opens. It's the Kenton wax that there's been so much talk about. Latch on if you've got the spots.

#### F

"On The Waterfall" (2:52) "The Moon Is Back In Business" (2:31) GUY LOMBARDO AND HIS ROYAL CANADIANS (Deccg 24470)

GUY LOMBARDO

• Grand, grand orchestral artis-try by that noted ork pilot, Guy Lombardo, presenting a side of wax that is sure to click big in juke boxes clear across the nation, "When The Moonlight Falls On The Waterfall," comes in for the "Sleeper" spot this week. With Don Rodney to warble the lyrics, and with Maestro Lombardo back-grounding him in smooth, soft, ro-mantic tempo, the side turns into

"How Could I know" (2:44)

"Bella Bella Marie" (3:03) JAN GARBER ORCH. (Capitol 15181)

• A platter that has plenty of c-o-i-n pressed right into it from Jan Garber and his ork with an Irish tenor doing the vocals. Opening with, "How

and his ork with an Irish tenor doing the vocals. Opening with, "How Could I Know," Maestro Garber cuts a very beautiful ballad in medium slow tempo marvelously background-ing the Irish tenor, Tim Reardon, who does a very fine warbling job. Watch this boy, he's got stuff on the ball. The side spins a natural moneymaker for those soft lit spots where the ro-mantic couples like to gather 'round. On the backing, "Bella Bella Marie," a tune that's been clicking very well on the other side of the ocean, crooner Reardon once again takes over, and

on the other side of the ocean, crooner Reardon once again takes over, and with the ork's crew chorusing behind him, and Maestro Garber to support him, cuts another grand, grand side of shellac. Here's wax that has every possibility of pleasing the customers clear 'cross the country. Latch on. This is a moneymaker.

"You Live In My Heart" (2:19)

"Don't Be Cross" (2:42)

FITZ HERBERT

(Spiro 9511)

24470) one of the very best Lombardo has yet turned out for the nation's juke boxes. Here's wax that's simply bound to go over in location after location. It's grand. On the back-ing, "The Moon Is Back In Busi-ness," Maestro Guy Lombardo again puts his Royal Canadians thru the paces to produce a side of restful, relaxing, romantic wax that will click with couples from sixteen to sixty anywhere. With Kenny Gardner to tonsil the word-age, and with the Maestro's grand backgrounding showing off to tre-mendous advantage his orchestral wizardry, this hunk of wax is bound to take over on any location. It's got that certain something that has made Guy Lombardo one of the outstanding figures in the mu-sic world. And that means it's a coin culler—from any side—plus the fact that it's a platter that's bound to tremendously please wherever it's heard.

an organ instrumental that has lots of lilt and melody. It's a good side for the locations that like organ music. All in all, the total spells good wax.

"Rambling Rose" (2:15)

"It Only Happens When I Dance With You" (2:32)

#### JOHNNY FRANK ORCH. (Varsity 105)

• With the side spinning in speedy time of two minutes and fifteen sec-onds, Johnny Frank and his ork turn "Rambling Rose," which is climbing in popularity everywhere in the coun-try, into one neat side of shellac. Johnny's to be given a pat on the back here for his grand rendition of the tune and his piping of the lyrics. It's one of those sides that has all the possibilities pressed right into it. On the flip, from the MGM picture, "Easter Parade," comes another re-cording of, "It Only Happens When I Dance With You." Done in slow, sentimental mood and with romantic tempo, the side has lots on the ball. Maestro Frank cuts neat wax here. Just listen in. Just listen in.

"Parade Of The Wooden Soldiers" (2:37)

"By the Waters Of Minnetonka" (2:32)

#### ETHEL SMITH (Decca 24477)

• Some weeks ago one of the nation's • Some weeks ago one of the nation's leading juke box ops wrote in to ad-vise that he has been using organ music to good effect in some of his spots. Well, here's one platter that should meet with his approval, as well as the acclaim of all other juke box ops who have found organ music profitable. Ethel Smith cuts organ wax here that's grand. With the top-side, "Parade Of The Wooden Sol-diers," as well as with the flip, "By The Waters Of Minnetonka," Ethel brings two great standards to the field which are sure to relax and please many a listener. If you've got the spots for organ music this platter ranks away up on top of the heap.

#### "Tico Tico" (2:01) "I Don't Care" (2:40) LIBERACE (Signature 15233)

(Signature 15233) • A platter that spins in speedy time featuring Liberace of whom they write, "The Priceless Piano of Liber-ace," to do the instrumental, makes this well liked and popular tune of the hip swivelers turn into something that's got lots on the ball. Here's fingering of the 88's that's art. Liber-ace tears his piano apart to cut a fine instrumental. On the flip, with Liber-ace doing the vocal, and in slow, ro-mantic tempo, "I Don't Care," turns into a sentimental tune. It's good. Listen in.

#### "Muchachita" (3:01)

#### "Loch Lomond" (3:03)

#### BARCLAY ALLEN (Capitol 15168)

(Capitol 15168) • Barclay Allen and his Rhythm Four produce a truly artistic hunk of wax here that's sure to grab atten-tion. The way this crew presents the very well known and well liked, "Muchachita," with Barclay's piano heard thruout and some very tricky guitar work in the background means fine instrumental wax for those ops who can use it. On the backing, "Loch Lomond," another tricky instrumental with bagpipes opening the side and Allen at the piano doing a grand job. It's instrumental wax that has lots of possibilities.

"Take Me Out To The Ball Game" (2:27)

#### "You're A Grand Old Flag" (2:53)

#### THE JESTERS (20th Century 20-62)

(20th Century 20-62) Shades of George M. Cohan. Here's two of the oldies that are re-membered by one and all. "Take Me Out To The Ball Game," can be turned into a moneymakin' wax in every town where the Big League teams have the fans in hysteria and espe-cially in those locations where they gather 'round after the ball game to discuss the day's results. On the flip, another oldie, "You're A Grand Old Flag," with lots of fine harmony by The Jesters. Here's shellac that has possibilities if you've got the spots.

#### "Fall Rain Fall" (2:36) "Hearts Win, You Lose" (2:30) DON GRADY (Signature 15219)

(Signature 15219) • A slow and sentimental side of shellac that's a natural for those dim lit spots where the couples think about love that's, "Fall Rain Fall," as done by Don Grady and the Aristo-crats. The side should win many a follower among the romantic listen-ers. On the flip, "Hearts Win, You Lose," organ opens the disk in mel-low, and sentimental tempo and the piper comes in softly spooning the lyrics to this well known tune. It's a platter that will go if you've got the spots.

• A very sentimental and romantic ballad in slow tempo featuring Walter Scheff who does a fine vocal job thru-out, with the well known Fitz Her-bert and his organ for support, offers a side of shellac that has lots of possi-bilities in the dim lit spots where the romantic couples like to gather 'round. It's a tune that has "tear jerker" written all over it, but, with a glass of beer, a romantic partner and a soft lit spot for props, this side of shellac can bring in the moolah. On the flip, "Don't Be Cross," Fitz Herbert cuts Only Records Considered Best Suited To The Requirements Of The Trade Are Reviewed On These Pages.

#### Gottlieb Ships New Five-Ball

CHICAGO—A new five-ball "Barnacle Bill' was introduced to the trade this week by D. Gottlieb & Company, this city.

The motif of this game follows the famous legend of "Barnacle Bill The Sailor." Playing field and backboard illustrate the sailor "knocking on the door" of his lady love. In the background is colorful illustrations of ships and docks.

"This new game follows the playing principle of all our fomer successes" states Dave Gottlieb, "plus 2 scoring sequences to increase bumper values; new type bonus with rapid fire build-up and high speed take-off; and 100,000 bumpers. Naturally, in this game as with our others, we are continuing on our policy of gauged production and controlled distribution."

"Barnacle Bill" is now in the hands of Gottlieb distributors for delivery to the operators.

Cuba. Sales are being handled thru the export division of AMI.

"It's a great pleasure to announce our acquisition of the AMI line for Florida" stated Taran. "AMI music machines are a top favorite among music machine operators, and we know we'll sell plenty of this fine equipment in our territory. Our first two carloads of model "B" are on the way and should be on hand this week."

Taran Distributing is also one of the foremost distributor of games, have the exclusive in the state for: Genco, Chicago Coin, United, Williams and Exhibit.

Altho New York City operators cannot participate in the current Damon Runyon Cancer Memorial Fund drive, tie-ing up with United Artists and CMI's exploitation program of the James Cagney movie "The Time Of Your Life," they are very much interested in the reaction thruout the rest of the country. They recognize that the program will result in unlimited favorable publicity for the games, and anything that assists in overcoming prejudices of officials elsewhere, eventually will react in their favor. Cities upstate, Rochester and Syracuse, where the giant pinballs were displayed, are receiving much favorable comment.

George Ponzer releases a small bit of information regarding his new "Hoop-A-Roll." "All I want to say at present is that the game can be operated in all territories," states Ponser. "It's something new in play appeal—and location tests have proven it'll take in plenty of money." . . Ben Palastrant, regional sales representative for Aireon Manufacturing Corporation, visits our hot and sticky city this week. Ben tells us that he's closed a deal with Fred Stumm Company of Philadelphia, Pa., who will distribute the phono in Southern New Jersey and Eastern Pennsylvania. Plans are now being formulated for a showing in the Quaker City . . . Catch up with the ever smiling Willie Levey, of Supreme of Brooklyn. Understand Willie is running Skee Balls.

The firm of Vendors, Inc., is organized with headquarters at 585 Tenth Avenue, and will act as national distributors for U-Need-A-Vendors' products. Officials of the company are Murray Wiener, Bill Wiener, Leo Willens and Eddie Dierick. Uneeda's new electric vendor will be coming along this week, according to Bill Wiener. It is a 9 column machine with a capacity of 612 packs, plus 612 matches. The major feature of the machine is a "replacement unit" which makes it possible to carry a spare, which can be set into the machine within seconds, thus saving the mechanic considerable time on service calls. The machine also has a change maker, which the operator can regulate to suit his needs.

Lou Koren drops into town for a few days, then back to Miami . . . Dave Lowy, Dave Lowy & Company, tells us he may become a distributor for a music line any day now . . . Reports reaching this desk insist that Joe Hanna's quiet, but determined efforts for a state-wide operator's association is slowly but surely gathering strength in upper New York State . . . Dave Bond, the genial head of Trimount Coin Machine Corporation, Boston, Mass. celebrated a birthday on Friday, August 27 . . . Dominic Ambrose, L. I. music op, seen in close confab with Dan Kipnis of Young Distributing, Inc. (Wurlitzer distrib). Both men smiling—so the outcome must have been pleasing to both . . . A midwest operator, visiting here, tells us he's operating a certain game on a 10c coin chute and doing wonderfully well. He tells us he tried to sell the idea to ops running the same equipment in other territories, but was unsuccessful.

Barney (Shugy) Sugerman, Runyon Sales Company, running what's probably the busiest distributing office on the street at the moment. AMI's model "B" get shipped out as quickly as they arrive from the factory. In addition, the firm is doing a fine job with used music, and amusement machines that can be operated here. Irving (Kempy) Kempler, Runyon's roadman, just back from Connecticut and reports business "great." . . . No sooner do we place DeWitt (Doc) Eaton down in Miami, Fla. (he's Willie Blatt's partner in Supreme Distributors, Inc.) than we meet up with him on coinrow. Doc's planning on dividing his time between Florida and New York City, where he has some business interests.

Joe Beck, Telequiz Corporation, Chicago, in town for a few days. Joe tells us that his quizz machine is doing plenty of business wherever it has been placed on location. The factory will soon be rolling on full production, Joe reports. ... Ben Becker, Ben Becker Sales Corporation (Bally regional sales representative), traveling thru his territory in the company of that "Gin" master, Art Garvey. We know that when Ben returns to the office, he'll tell us that he "beat the pants" off Art. Then Art will get in touch with us to refute the statement, claiming that he was the winner ... Charlie Bernoff, Regal Music Co. and Nat Goros, Commercial Music Company, pick this week to vacation in the cool Catskill mountains—lucky stiffs.

Al Blendow, Blendow & Meyers, Inc., distributors for Allite's '48 Bowling Alley, tells us of an operator who practically paid for half of the machine the first week of operation—"and during the summer's hottest week" states Blendow . . . Harold Berenbaum of Philadelphia, Pa., just returns from a vacation at Wildwood, where he did nothing at all but rest. Harold tells us that Charlie Hannum, manager of the music operators association in Philly, just returned from a fishing trip thru Maine. "He painted such a marvelous picture" relates Harold "that I'm planning on taking another week or so before the summer ends, and run up for some of those fish Charlie says are dying to be caught." While upstate New York last month, Berenbaum stopped off to visit with Max Roth, who has a summer home at Harvey's Lake. Roth reported that his arcades are doing very well . . . Exclusive Records will be opening their new offices on coinrow any day now . . . All coinmen looking forward to Labor Day, when the summer officially ends, and they can once again start some fast action . . . Friends of Dave and Harry Rosen of Philadelphia, were expressing their condolences over the death of their father, who died Tuesday, August 24.

CHICAGO-Probably one of the most outstanding teaser advertising campaigns to appear this year was Genco's "Yes-No Bumpers" which was noted for the first time in the August 28, 1948 issue of The Cash Box.

According to officials at the Genco plant, inquiries have been received from all over the country asking, "What kind of a game have you got that has no bumpers?"

This has inspired many imaginative ideas, according to Genco execs, with some of those who phoned asking, "Is the playing board all empty with just rollover buttons featured?"

Others were inspired to visualize various types of five-ball machines with nothing on the board.

The truth of the matter, as released by Genco this past week, is that the game features the new rubber bands which were first seen on "Merry Widow" at the top of the "Merry Widow" game.

Widow" game. There are ten of these on the board and they act with the same sharp action as do bumpers. The player can light up these ten with five balls and, after he gets number seven, he starts accumulating free plays. Seven starts him off and when he reaches ten he has been awarded ten free plays for his skill.

But, to add even greater thrill to the game, Genco reports, they have also placed a skill hole in the center of the board, featuring a kicker which kicks the ball into this hole, and which counts for an additional ten free plays,

after the ten have been lit.

The live action of the rubber bands can also kick the ball into this hole and also bring up the number of free plays. In short, with just one ball, if the player is sufficiently skillful, he can hit all ten bands and also get into the skill hole in the center of the board and, perhaps, have the kicker continue to kick the ball into this hole time after time running up an amazing score.

Other features of the game are just as interesting. And because the game has this screwey ball action, the Genco execs decided to name it, "Screw Ball," Certainly a fitting name and certainly one that will bring much attention to the game from all players.

Tests of the game conducted in one city, Trenton, N. J., to be specific, have proved "Screw Ball" one of the greatest five ball free play games ever yet presented. The Pearl brothers, owners of the game here claim, "This is the greatest moneymaking five-ball free play game we've ever yet oper-ated."

ated." Result of all this has been to jam the Genco plant with more orders for "Screw Ball" than for any game ever previously presented. As one official stated, "We're work-ing harder trying to just take care of the initial orders than we ever worked before on any other game we pre-sented this year. If these advance orders are any indication at all," he continued, "our new game, "Screw Ball,' is going to prove itself the big-gest hit ever yet produced."

CHICAGO — Joe Beck, Telequiz Corporation, this city, reports that their brain tester quizz game will soon be coming off the production line in good quantities. Up to this time, Beck has been act-ive in arranging for top distributors in various parts of the country. These distributors have had several quizz games on hand for some weeks, test-ing its earning power and mechanical ing its earning power and mechanical stability.

ing its earning power and mechanical stability. "We've known for a long time that we've had a real money-making ma-chine" stated Beck. "Now that we've had reports from all over the country, all indicating that the machine has a tremendous public appeal, and brings in big collections, we're all set for a big, steady production at the factory. In addition, our distributors tell us that the machine works perfectly me-chanically. As a matter of fact, these distributors are calling us continually for more and more equipment." Distributors who have been oper-ating the quizz machines are Scott-tCrosse of Philadelphia, Pa.; The Markepp Company, Cleveland, Ohio; Buck Lambert, Alliance, Neb.; Su-preme Distributors, Inc., Miami, Fla.; and Runyon Sales Company, Newark, N. J. Willie Blatt and "Doc" Eaton of Supreme have placed the games in Miami Beach hotel lobbies, and report that altho their real season is months away, the games have been taking in

that altho their real season is months away, the games have been taking in wonderful collections. Barney (Shu-gy) Sugerman, of Runyon, has eleven machines out, and states it's one of the best money makers he's ever operated.

Beck states that Charles Stearns and Roger Koch of Pamona, Calif, have been appointed factory representa-tives for the West Coast.

The Confidential Weekly of the Coin Machine Industry 381 FOURTH AVE. . NEW YORK 16, N.Y.

# CHICAGO CHATTER The pinball division of the industry is to be tre-mendously congratulated for building those giant sized "The Time Of Your Life" games. This not only helps this industry to a better and closer understanding with the public and all its officials, but, most important, by co-operating with the big United Artists movie organization,

The present tie-up between the CMI and United Artists is much too vital for such petty selfishness. The picture, "The Time Of Your Life," is now open-ing in Chicago. We do hope that this publication will see fit, even if the machine only takes in 15c, to come to the fore and laud the entire purpose of this program program.

Never saw such orders and enthusiasm as over at Genco where their newest creation "Screw Ball," the five-ball without bumpers, is attracting tremendous attention from the trade . . . And over at Bally the boys are still working away at top speed to get those "Carnival" pinballs to the distribs who have been ordering them in ever larger quantity every day . . . At D. Gottlieb & Co., now that the three Gottlieb's are back, Dave, Nate and Sol, from their vaca-tions, there's also plenty of action and just watch the game . . . Chicago Coin, too, isn't lagging one teeney-weeney step behind . . . they've also gone all out and Sam Wolberg is busier than a bee getting set for a big Fall season . . . Harry Williams, now that Sam Stern is back from an eastern biz trip, is back in the experimental department once again and anything can come out to thrill the public. In the meantime, the firm are working overtime to get their game into the hands of the ops . . . And United Mfg. Co. where all just enjoyed a tremendous annual picnic of all employees and their families (over 1,000 attended) working harder than ever to supply the demand for their brand new "Paradise" which went over like a house afire from the moment they officially announced it to the trade. In fact, as reported last issue, they had orders on hand even before official announcement . . . by the way, Lyn and Billy, did Herb cripple himself again playing baseball with the youngsters at this picnic?

0. D. Jennings & Co. holding three big showings on their new Monte Carlo which is sure to get lots of attention from the ops . . . from what Johnny Neise tells me this is one game that's surefire for every op . . . Showing will be held at the Cal-Neva Lodge, Lake Tahoe, Cal. on Sept. 7 and 8, at the Edgewater Hotel, Edgewater, Miss. on 17 and 18 and at the Carteret Hotel, Asbury Pk., N. J. on 22 and 23 . . . sure would like to be at all of them with Johnny . . . three of the very classiest spots in the nation . . . Over at AMI everything nice and quiet for a change. Reason? The gang's all on vacation . . . Tom (Captain Callaj-Han) Callaghan just returned to the Bally factory from a two week biz trip and looking a bit worn around the edges . . . we wonder? . . . Herb Jones is back at his desk after enjoying a mighty fine vacation . . . Grant Shay, too, back hard at work from his vacation, but, every once in a while, staring out of the window with a dreamy look in his eyes . . . Gene Batez over at Pace Mfg. Co. hasn't been heard from in some weeks. How's things, Gene?

For many there is much interest in the sudden return to the bowling games. Now that some territories have been closed out of the picture for certain types of equipment, ops have returned to those machines which held up all this time and which are still attracting good patronage in many areas. The intelligent op who has cut down on overhead, who is operating efficiently, and who knows that he can now get along on a lot less than he formerly required, has been able to turn the old time bowling games into a profitable operation.

Also interesting is the sudden turn to conversions. Some well known coinmen are taking old games and rebuilding them with new features. But, they are keeping pretty much to what they can use in their own individual territories.

Meeting of the NADA in Chicago on September 13 is attracting much interest. It's been a long time coming into being. This publication advised time and again over the past years that distribs were trying to get together. Each time something came along to hold back the gathering. Adversity seems to have been able to do what many couldn't accomplish.

Continued cry about "financing" is heard thruout the juke box trade. Seems that distribs just can't get the financing arrangements required to continue on in business the way they would like to. Not only is this upsetting many good deals thruout the nation, but it's also proving harmful to ops who would like to expand but can't put up all the cash needed for new equipment. Leaders in the juke box field, tho, are hard at work trying to bring about a cure for this finance problem.

One very well known Southwestern op who attempted to bring into being a "National Coin Machine Credit Bureau" now writes that he has been forced to give up the idea because of "lack of interest." He claims that such a Bureau would require an investment of about \$60,000.00 and that with such little interest in so important an institution he's simply just going to forget all about it. The need for a Credit Bureau is well known to all in the eld. The fact that this man found interest at low ebb simply once again proves that the members of this field, like all people everywhere, never show interest in anything that is as yet just a "plan." Once started and under way with its services proving of value to the first who enter into it, then such a Bureau has every possibility of success. Like almost all people, coinmen want to be shown.

Ops still writing us regarding our many editorials urging a better commish basis, as well as the "volume play" plan. There is no doubt that many, many ops are simply "giving away" their profits. Those who will come together, even in small areas, and arrange for a better understanding as to commissions will find that they'll be happier and certainly more prosperous ops.

#### CALIFORNIA CLIPPINGS

Despite present stalemate on amusement game activities in Los Angeles, Coin Row distribs and most regular ops throughout city are proving that where there's hope there's life . . The pendulum seems to be swinging back from pessimism to optimism as regards the industry's future in these parts . . Whether or not there's any basis for this, it's an encouraging sign . . . Lyn Brown, for one, is still in there pitching after his experience with the City Council . . . We found him setting up his fine Gold Cup unit for display on request of several interested parties from out of town . . . Arny Micon next door at Pacific Coast Distribs clipping his coupons when we dropped in but took time out to put in a good word for Genco product . . . The cokes are still on Charlie Fulcher at Mills in celebration of great receptin given the new 400 cup dispenser by merchandise ops . . . Charlie also reports that the Mills aluminum shuffleboard is moving out steadily, and from the Fulcher man it's as good as gospel . . . Ran into Chicago Coin's Phil Robinson at Sicking Distribs, chatting with Jack Simon about the firm's new 5-ball, "Thrill" . . . Phil who promised the game would equal the name and also boosted a new miniature skeeball, planes in to the Chi factory after Labor Day for conferences with his bosses.

Another few days and the J. Peskin Distributing Co., Exclusive Distributors of AMI Music Machines, will be open for business . . . Equipment is already being moved into the brand new two-store-front building in the heart of Coin Row . . . Aubrey Stemler out of town for few days but lieutenant Nish Tara tells us that "legal game" is just around the corner . . . We're beginning to wonder which corner . . . Ray Powers was busy with a shuffleboard customer when we popped in . . . Looked as if the prospect couldn't decide between the Champ board with Hercules playing surface and the Superior board . . . Badger Sales' spacious showroom certainly offers an imposing variety of shuffles these days, every shape, size and brand . . . and all moving fine, according to headman W. R. Happel, Jr. . . . Maybe we're prejudiced in favor of 5-balls, but we tried a few on D. Gottlieb's "Alice in Wonderland" and it's wonderful . . . Paul Laymon described the new Bally Reserve Bell as another honey from that firm . . . and then wishfully added, "Too bad it can't be fully appreciated these days" . . . Dale's Mauser Pistol Range has drawn nothing but good reports from all ops trying the attractive game, said Paul, who is also getting right into the shuffleboard action . . . Ran into Harold Sharkey, one of the town's foremost ops, at General Music, where he was discussing the Olympic full size, plastic top board with Bud Parr . . . Things look a little better, says Automatic Games' George Warner, a hard guy to keep down . . Dropped in on another outfit labeled Automatic Enterprises and met R. E. Smith, who proudly showed us his L. A. manufactured 8-foot rebound shuffleboard with its controlled bloard" . . . In on the Row this week: E. L. Willard and M. E. McGrew from Paso Robles, Anaheim's Art Narath, Charles Koski from Long Beach, Carson Dee of Atascadero, G. D. Humble from Arvin, Sam Mong of Lamont and E. Gaffko from Colton.

#### MINNEAPOLIS

Urban Kost and Jerry Hardwig of St. Cloud, Minnesota drove in together to Minneapolis to spend a few hours taking care of some special business . . . Harold is not only the best Wurlitzer mechanic west of the Mississippi, but is also an expert on piano repairing.

L. I. Harris of Enderlin, North Dakota, taking off several days to drive into Minneapolis to visit friends and also to vacation . . . The Twin Cities, after enjoying three weeks of very fine, cool, weather, was struck suddenly last Sunday, August 22nd with a heat wave, with the thermometer nearly hitting 100 and still hanging on, which makes it very uncomfortable . . . Solly Rose of the Hy-G Music Company, back on the job after spending a two week vacation at the Atlantic Coast visiting Asbury Park, New York City, Detroit, Michigan, and other points east.

Jim Noah of Crookston, Minnesota taking time off to drive into Minneapolis just for the day to call on a few distributors . . . He is keeping his nose close to the grindstone, though, and is taking a new interest in life . . . Bob Addington of Bismarck, North Dakota is giving up his bachelorhood and will take the marriage vows September 3, 1948.

Manny Karon, salesman for the Hy-G Music Company, reports that his wife is up and around and feeling much better after having been operated on . . . C. M. I. BLUE BOOK-""The Confidential Price Lists"

#### HOW TO USE THE "C. M. I. BLUE BOOK"

FOREWORD: Many times, wide differences appear in the high and low prices of certain equipment. Like any true reporter The C.M.I. Blue Book can only feature the market prices as they are quoted. The C.M.I. Blue Box acts exactly the same as the market quotation board at the Stock Exchange-posting the prices as they are quoted for the past week, regardless of how much they may seem to be out of line. Some prices do not change for months. The C.M.I. Blue Book, rather than show no price, retains the last known quotations for such equipment so that the subscriber at least has the last known prices as a basis to work with. Prices conttinue to be very widely divergent these days. Someone on the West Coast may feel a certain machine worth \$150.00 whereas someone on the East Coast may think it worth but \$75.00. Of course, condition, serial, appearance, demand, territory, quantity, etc., must all be taken into consideration. The C.M.I. Blue Book reports each quotation exactly as it is made and depends on the subscriber to make average price adjustments to fit the peculiarities of his territory.

METHOD: The C.M.I. Blue Book should be read as follows: First price listed is lowest price for the week: Second price listed is highest price. Where only one price appears this should be considered lowest price.
