WHAT I'M MADE OF... (Jun Senoue & Johnny Gioeli)

VS1:

I don't care what you're thinking / As you turn to me / Cause what I have in my two hands / Is enough to set me free / I could fight the feeling to resist it over time
But when it's just too much to take / You sneak up from behind

B-Sec:

Is it me, you say, your looking for / Let me show you who I am and what I'm here for... here for...

CH:

Try to reach inside of me, try to drain my energy / Let me show you just what I'm made of / Simple curiosity tries to take a bite of me
Let me show you just what I'm made of now...

VS2:

Like a million faces / I've recognized them all / And one by one they've become / A number as they fall
In the face of reason / I can't take no more / One by one they've all become / A black mark on the floor

B-Sec2:

Is it me, you say, your looking for / Let me show you who I am and what I have in store... in store...

Bridge:

You can take another life long try / You can take another try...
