NUMBER 5

Eddie Fisher hosted the music trade recently at a golf tournament at Grossinger's. Above he is pictured there with Joe Carlton, A&R head of RCA Victor—and the two of them have good reason to smile. Eddie has been turning out one hit after another for Victor. His latest is "Count Your Blessings" and "Fanny", with "I Need You Now" still going strong. And Joe has made a spectacular success of his A&R duties, having come up with smash records not only for Eddie but also for the other artists on the label.

Mr. Wm. Gersh
Publisher, The Cash Box
32 West Randolph Street

Dear Bill:

Your recent forthright editorial calling for records of equalized volume levels is most timely.

With today's equipment we can now reproduce the very finest music with complete fidelity to the original performance. The new juke boxes give the industry a great opportunity to increase the prestige and acceptance of the juke box as a musical instrument of highest quality. There are legions of new friends who can be won over to the juke box. Many people are genuinely fond of good music and will settle for nothing less. Relatively few of them, however, can hear it performed personally or on costly custom-assembled high fidelity home phonographs. The juke box, then, is the answer and these folks will be quick to recognize that the new high fidelity juke boxes appeal to the most delicately attuned ear.

We cannot forget, though, that the reactions of these new juke box listeners as well as those who have been our long time friends, must be proportionately favorable with record quality. Recordings must keep step with advances in equipment if the industry is to take full advantage of its potentials.

Public enjoyment and response to high fidelity juke boxes will, in my opinion, grow with tremendous vigor when recordings of fine quality are generally available at uniform sound levels--whatever the label. As you point out, it is bothersome both to the location and to the listener when frequent changes in volume level are made either manually or otherwise. The suppression of sound levels from label to label takes too much from the music.

It seems to me that there is much to be gained by the record manufacturers in finding and agreeing upon a suitable standard of volume level. I venture that the people who buy records for home use will increase their record purchases substantially when the annoyance of changing volume with different labels is eliminated.

While the subject is one in which the record companies must reach their own sphere of agreement, you may be sure that we will be more than happy to do our part, as you have done yours, so that operators can obtain the kind of records that enable them fully to demonstrate and realize the unlimited possibilities of high fidelity.

Sincerely,

J. W. Haddock

"LOVE ME" (2:31)
[Quintet BMI—Stoller, Leiber]

GEORGIA GIBBS
(Mercury 70473; 70473 x 45)

GEORGIA GIBBS

● During the past five months, the Tin Pan Alley song trend has been towards mambo novelties, which have met with tremendous success. Mercury makes a power-

ful showing in this field with a Georgia Gibbs recording that'll have the boxes bouncing. Accompanied by a rocking, rhythmic instrumental backdrop, the thrush lets loose on a wild number from the rhythm and blues field called "Mambo Baby." It's a jolter from beginning to end, loaded with beat and handclapping. All of Georgia's vibrant personality comes across on this side. Should be a smash in no time flat. Flip, "Love Me," is another tune from the blues market that's been showing signs of making the grade as a pop hit. Another potent job by the energetic performer. Keep an eye on the top half. Terrific juke box material.

"MAMBO ITALIANO" (2:25)
[Rylan ASCAP—Merrill]
"WE'LL BE TOGETHER AGAIN" (3:06)
[Marmor BMI—Fischer, Laine]

ROSEMARY CLOONEY
(Columbia 40361; 4-40361)

ROSEMARY CLOONEY

● Rosemary Clooney who will probably have the biggest record of her singing career under her belt when the tallies of "Hey There" and "This Ole House" are

completed, offers a tremendous follow-up that should attract another bundle of coin for all concerned. The versatile thrush follows the trend and dishes up a terrific mambo novelty dubbed "Mambo Italiano." It's a humorous disk loaded with popular Italian words and phrases. The Mellowmen and Buddy Cole's orchestra headed by a harpsichord, offer a big showcase for the thrush. It's commercial in every groove. "We'll Be Together Again," the lovely oldie that's been making some noise around the country, is tenderly treated by Rosey on the lower lid. Pretty job that makes this a perfect coupling for the jukes. Disk should sell like hot cakes.

THE CASH BOX BEST BETS

In the opinion of The Cash Box music staff, records listed below, in addition to the "Disk" and "Sleeper" Of The Week, are those most likely to achieve popularity.

BILLY ECKSTINE
(MGM 11845; K-11845)

MONTY KELLY ORCH.
(Essex 373; 45-373)

B+ "SHANGRI-LA" [Robbins ASCAP—Maxwell, Malneck] A brilliant melody, popularized by the Reggie Van Gleason III portion of the Jackie Gleason show, is given a penetrating orchestration by the lush, exciting Monty Kelly orchestra. Could be a tremendous success. Fabulous job.

B "EVERY HOUR EVERY DAY" (2:26) [Milene ASCAP—Rose, Heath] The talented Danny Davis dishes up a pretty ballad which he presents with feeling. A lovely tune with the artist also handing in a smooth trumpet solo. A good tune that could make the grade with a push.

LEROY HOLMES ORCH. & FRED LOWERY (MGM 11854; K11854)

LEROY HOLMES

● A few months ago, MGM came up with a winning combination by teaming the beautiful sound of the LeRoy Holmes orchestra with the penetrating effect of the Fred Lowery whistle. The result was one of today's top hits "The High And The Mighty." Continuing in this same hit making pattern, the diskery joins the artists again on another glowing motion picture theme—the "Tara Theme" from "Gone With The Wind." The results are again fascinating. It's a tender and moving melody delivered in an exceptionally commercial manner that could send it up to the number one spot. The instruments and whistling blend stirringly. Coupling is "Jamie" from the flicker "A Bullet Is Waiting." Holmes handles this pretty melody alone. The top half can't miss.

THE HILLTOPPERS

(Dot 15249; 45-15249)

THE HILLTOPPERS

● The Hilltoppers, who in the past have made a most successful practice of recording standards, couple two terrific oldies on their latest release for a disk that should go all the way. Featuring the voice of Jimmy Sacca, the quartet dishes up a commercial presentation of the standard "Time Waits For No One." It's a slow tempo delivery that'll have the kids tossing coins in the juke boxes all day long. It's a top job from the first groove to the last. Coupling is another oldie "You Try Somebody Else" offered to a shuffle tempo. An equally classy waxing that'll probably suffer because of the strong flip. The boys have a hit in "Time Waits For No One."

TOMMY & JIMMY DORSEY

(Bell 1064; 45-1064)

B "PAPA LOVES MAMBO" (2:38)

[Shapiro-Bernstein ASCAP—Hoffman, Manning, Reichner] The "Fabulous Dorseys" send up a wild, rocking arrangement of one of today's top pops. Terrific orking with Lynn Roberts on the vocal.

C+ "NOT AS A STRANGER" (2:50)

[Ben Bloom ASCAP—Schroeder, Silver] One of the pretty tunes with the same title is warmly fashioned by the ork with the pleasing voice of Bill Raymond in the spotlight.

ROY ROSS & HIS ORGAN

(Anchor 25; 45-25)

C+ "I WANT A GIRL" (2:45) [Von

Tilzer Music-Von Tilzer, Dillon] An all time great favorite is presented by the nimble fingers of Roy Ross on the organ with instrumental accompaniment.

C+ "TEMPTATION" (2:45) [Robbins

ASCAP—Freed, Brown] Another interesting arrangement of an equally great standard. Sounds terrific on the organ.

TOMMY PRISCO

(Mercury 70468; 70468 x 45)

B "WHEN YOU'RE IN LOVE"

(2:43) [Robbins ASCAP—DePaul, Mercer] The major ballad from "Seven Brides" flicker is excellently rendered by the strong mellow voice of Tommy Prisco.

C+ "ONLY LOVE ME" (2:55) [Larry

Spier ASCAP—Sigman, Alstone] The young crooner fashions a dramatic love song on this side, showcased by a lush Hugo Peretti orking. Feelingful delivery.

LAWRENCE WELK ORCH.

(Coral 61287; 9-61287)

B "DEVIL LIPS" [Village BMI—

Prosen, Harrington, Stanton] The Sparklers and Lawrence Welk's ork bounce through a pleasing novelty that's making noise around the country. This version could make the tune go.

C+ "IN A LITTLE SPANISH

TOWN" [Feist ASCAP—Lewis, Young, Wayne] Another cute ditty, this one an oldie that's on the revival trail, is cutely treated by the ork. Happy deck and commercial coupling.

WANDRA MERRILL

(RCA Victor 20-5876; 47-5876)

C+ "ALL I DO IS DREAM OF YOU" (2:18) [Robbins ASCAP—Freed, Brown] Vibrant Wandra Merrill debuts on the Victor label with a socko jump recording of a solid oldie. Thrush really moves.

C+ "IF YOU COULD ONLY READ MY MIND" (2:24) [United ASCAP—Alfred, Huntley, Friedman] The chirp gives out with an emotional reading of a sincere love song set to a rhythm tempo.

STEWART ROSE

("X"-0061; 4X-0061)

C+ "MISSING" (2:06) [Mellin BMI—Mellin] The Pied Pipers and Harold Mooney offer some good support for Stewart Rose's vocal delivery on a good rhythm item. Pretty tune.

B "TERESA" (2:25) [Sherwin

ASCAP—Skylar] Another good 'name' song hits the market. It's a pretty lilter with an inviting set of lyrics. Delightful item that could click.

RAY DAVILLA ORCH.

(Musico 2001; 45-2001)

C+ "MUSICO MAMBO" [—Davilla] A good mambo item is interestingly fashioned by the Ray Davilla mambo aggregation. English vocal fits well.

C "THE BASS AND I" [—Davilla]

Another interesting Latin tempo number is sent across by the crew. The bass plays a big part on this side.

HARRY GROVE ORCH.

(London 1457; 45-1457)

C+ "DANISH RHAPSODY" (2:18)

[Box & Cox-ASCAP—Larsen] A cute instrumental novelty is colorfully fashioned by the Harry Grove Orchestra. Clever little instrumental ditty.

C "LICHEE GARDEN" (2:18)

[Kassner ASCAP—Grant] More appealing instrumental material is this oriental item by the crew. Too different to be commercial.

RONNIE GAYLORD

(Mercury 70471; 70471 x 45)

C+ "BRING BACK MY BABY TO

ME" (2:55) [United ASCAP—Wolfson, Black, Cosloff] Ronnie Gaylord lets loose on a beaty rhythm item that's reminiscent of "My Bonnie Lies Over The Ocean." Exciting rhythm number full of the Gaylord punch.

B+ "ONE A TWO TIME MORE"

(2:00) [Gil BMI—Holt, Jansen, Samson] A real Italian flavored waltz, the type Ronnie is known for, is colorfully delivered by the songster. Delightful item full of warmth. Could hit.

My Son, My Son (Kassna, ASCAP)—London 1501—Vera Lynn, who can sock over a song, comes thru with a moving rendition of a real tear-jerker on this new slicing, backed smoothly by the Frank Weir ork. The tune is a pretty one, and the platter is a strong cutting for all sections of the market. Flip is "Our Heaven on Earth."

(London 1501; 45-1501)

London Records, a few months ago, teamed two of its top artists, David Whitfield and Mantovani on a record called "Cara Mia." The results were fabulous both in England and the U.S. Now two other top London stars join to send up a new disk that could hit the #1 spot. It's a stirringly beautiful recording called "My Son, My Son" featuring the sparkling voice of Vera Lynn and the ace sax artistry of "happy wanderer" Frank Weir. The sound of the sax and tender tones of the thrush blend beautifully. An excellent performance by both artists that could result in another "Oh My Papa" hit. Chorus assists. Another melodic ballad "Our Heaven On Earth" occupies the flip deck. Upper lid has it all.

Vera Lynn: "My Son, My Son"—"Our Heaven on Earth" (London). "My Son, My Son" comes out of the same sentimental school as last year's click, "O Mein Papa," and should make a similar dent on the pop market. Sticky lyric won't probably bother many but they won't be able to pass up the intriguing melody. Vera Lynn's sock piping job and Frank Weir's effective soprano saxophone backing, "Our Heaven on Earth" is an okay flip but it's "My Son" all the way.

NEW YORK:

Mantovani came to town this week and the whole music business was anxious to see him. There was a press conference and a grand party at the Plaza. He turned out to be as pleasant a person as almost all of our visitors from England have been. . . . "X" Records is rushing out the first vocal version of "In A Little Spanish Town". It's done by the Smith Brothers. . . . Kitty Kallen currently has four songs on the Top Fifty. . . . Lionel Hampton off on his second European tour. He will be gone 4 months. . . . Rosalind Paige has been signed by MGM Records. Her first release for the label will be out in January. . . . Val Valenti has signed a new Columbia contract on the basis of his first record "Till You're Mine". . . . Eydie Gorme celebrates her first anniversary on the Steve Allen show next week. . . . Sorry to hear that Kappi Jordan's father passed away. . . . Jolly Joyce has taken over the management of Bob Anthony and has sold four of the singer's masters to MGM. . . . If the reports are true, Ben Maksik's out in Brooklyn has been paying fabulous prices for its entertainers. Billy Daniels is said to have received \$12,000 and Tony Bennett \$10,000 . . . Bill Kenny set for a nationwide tour and then a trek to Australia. . . . Joe Schuster, who wrote "Take Your Finger Out Of Your Mouth, I Want A Kiss From You", has taken over the renewal of the song after 28 years. . . . The Rover Boys at the Monte Carlo in New Jersey. . . . Johnnie Ray booked into 1957. Included in his schedule for the remainder of this year is a tour of England, a trip to South America and a new picture in Hollywood this summer.

KITTY KALLEN

CHICAGO:

Decca is re-issuing Janet Brace's fine recording of "Teach Me Tonight", now that the tune is gaining popularity once again. This is the waxing, if you remember, which introduced Janet to the disk biz. . . . Ab Spector, who wrote "A Baby Cried" which brought Lou Monte into prominence, has written another tune, also recorded by Monte. Titled "In My Dreams" (CB 'Sleeper' 10/16 issue) disk already getting lots of air play 'round town. . . . Mercury's new promotion man, Marty Hirsch, making the rounds of Chicago's deejays. Marty formerly in Mercury's production department. . . . Irving Berlin visited the Windy City this past week, promoting his tunes from "White Christmas". . . . The Four Aces in and out of town within 24 hours. Came in to emcee 'Recordland' T V show. Substituting for Johnny Desmond. . . . Tiffany execs excited over 2 new Clark Dennis releases. One of these is a religious recording. Titled "Our Lady of Guadalupe" b/w "The Ten Commandments". Betty Kummerle, who penned "Our Lady of Guadalupe" is generously donating all royalties on the disk to the CYO in the name of Bishop Sheil. The Bishop has written a very beautiful commentary which will appear on the back cover of this one-record album. . . . Clever 'birth announcement' received announcing the opening of Black Orchid, Jr. An addition to the already-popular Black Orchid Cafe here. . . . Still receiving lots of praise on The Cash Box' new feature, The Cash Box Sure Shots. A real tip on what's coming up in pop music. . . . Russ Carlyle returning shortly to the O'Henry Ballroom. But this time with a hit record under his belt. His "In A Little Spanish Town" now in Chicago top ten. . . . Don, Dick & Jimmy, whose "That's What I Like" is looking mighty like a hit, appeared this past week on the Howard Miller TV stanza. . . . Nick Noble, Mercury's bright new singing star, has been held over for an additional two weeks at the Club Hollywood. For a total of six weeks.

LOS ANGELES:

The majors are to be congratulated on the fine tunes which they are now putting on wax. Yet, it's amazing how some of our biggest hits have popped up out of left field on some independent label. Often times a seemingly insignificant tune will be released on an unheard of label which will catch the attention

PEGGY LEE

of some A & R man who will cover it for the firm he represents. The tune then will become a smash hit but the small label which originally produced it will often times fade to obscurity. Many of these indie's are used for the sole purpose of bringing new artists and material to the attention of the majors, yet their importance to the music field cannot be overlooked. It's these same small diskeries which uncover much promising new talent which is the very life blood of the industry. . . . Mike Connor and Miit Gabler, Decca Execs., are spending a few weeks here on the Coast on a combined business and pleasure trip. . . . Champ Butler will star in the new Margaret Whiting TV Series "Holiday in Rhythm". . . . The Don, Dick and Jimmy Trio are now filling club dates and personal appearances along the East Coast. Their Crown waxing of "That's What I Like" is now breaking big in many areas. . . . Impressionists Lynne Carter and his Four Cartiers opened at Charley Foy's Supper Club Oct. 13th. . . . One of the most promising new groups to bow in on the West Coast for a long time are The Guys and Dol's. They will make their debut into the wax world with an exciting mambo novelty on a new label. Watch for it! . . . Faber Robison, prexy of Abbott and Faber Records, just returned from an extended trip thru Canada and Eastern U. S. He came back with new material and new artists which will soon be released in the POP and C & W fields. . . . Hal White's Orchestra has had its option picked up for another four weeks at Capistrano Beachcombers Club, Capistrano Beach. . . . Decca's "White Christmas" album from the Paramount flicker of the same name is expected to be its biggest seller during the Yuletide season. The album features the voices of Bing Crosby, Danny Kay and Peggy Lee. . . . After five months on the Chef Mi'ani KCOP-TV show Tony Marco is becoming a seasoned trouper. His vibrant voice has reached a point of perfection which would make him a good bet for some recording company to capitalize on. . . . Deejay Larry Finley celebrates his third year on KFWB Oct. 19th. . . . For something different watch for "Ooh Ow" with James "Deacon" Ware on the Stage label. It's a collection of cool, crazy slang in the comical jazz vein.

MOA Convention Set For March 28, 29 & 30 In Chicago

OAKLAND, CAL.—George A. Miller, President of Music Operators of America, has announced the official convention dates.

The organization's annual convention will be held at the Morrison Hotel in Chicago, March 28, 29 and 30th, 1955.

Miller states that the executive officers and committee members are continually looking for the most convenient and most suitable hotel accommodations. It seems that the Morrison Hotel, with its new ball rooms, and newly decorated meeting rooms can accommodate the music operators better than anyone else right at this time. The room rates are reasonable, and the hotel is large enough to accommodate everyone.

MOA will sell booths in the Main Exhibit Room, and will also have par-

lors to accommodate the major record companies, as usual. A package deal for the exhibitors will be less expensive this year than in years past, and from the many inquiries already received regarding the convention, this should be the greatest and best attended one of all time. Rates and number of exhibits to be sold will be released in the very near future, and all exhibitors who attended the last MOA Convention will receive letters inviting them to make early reservations.

Interest in the convention is at an all time high. The annual business meetings will be of great interest to all music operators, and the hours of such meetings will be arranged so as not to conflict with exhibit hours.

Miller says,—"From where I sit, this convention will bring more music operators to Chicago than any previous ones."

Gina Lollobrigida Signed by Coral

NEW YORK—Gina Lollobrigida, the much publicized Italian film star who came to this city in connection with the premiere of her latest picture "Bread, Love and Dreams", has just signed a two-year recording contract with Coral Records it was announced by Bob Thiele, A&R head of the diskery. The deal was finalized last Thursday at the offices of Leonard Schneider, executive vice president of Decca Records. Miss Lollobrigida will record four songs especially fashioned for her by the well known Italian composer, Ulpio Minucci. The records will be made in Rome shortly after Gina returns to Italy, for release before the end of the year. Larry Spier, prexy of the Larry Spier Music Publishing Company, was instrumental in the signing.

"Song From Desiree" Off Restricted List

NEW YORK—Restricted up to last Friday, October 15, "Song From Desiree" is now on official release. The first record on the market is the Major disk by the Joe Leahy Orchestra and Chorus. The tune is the theme song from the 20th Century Fox picture "Desiree", a story of the life of Napoleon. It stars Marlon Brando and Jean Simmons.

Originally a great deal of Chopin music was scored for the picture, but since there has been such great activity on recordings of "Desiree", a complete rescoring job was done and the latter melody is featured throughout the running of the film. The music was written by Alfred Newman and the lyrics by Ken Darby.

NIGHT CLUB REVIEWS

Vaughn Monroe & Richard Hayman At Cafe Rouge In New York

Vaughn Monroe came back to New York last week as a soloist without a band and probably started a new career for himself. On the heels of his record success with "They Were Doing The Mambo", Vaughn was starred as a singer, backed up by the Richard Hayman orchestra.

Monroe and Hayman both scored heavily. Vaughn's singing was in top form and he went from one number to another with very little interruption and with a great deal of smoothness. His repertoire consisted of a mixture of old hits, new ones and current pop numbers. Almost all were received with tremendous enthusiasm.

Hayman provided a lush backing for the singer and his music was great to listen to as instrumentals.

On opening night, the room was packed, with people being turned away. It's certain that the room will do standout business during the rest of the engagement, for the show is a natural.

Tony Bennett At Town & Country In Brooklyn

It was old home week at Ben Mak-sik's "Town and Country" club in Brooklyn as Tony Bennett returned for a week's engagement. Bennett first came into the public eye at this club and his return is always treated as a gala occasion.

Of course Bennett doesn't disappoint. His performance has become smoother with each appearance and his repertoire has expanded to the point where he can sing number after number that is associated with him.

Vocally, he was in top form on the night caught. Each song was sung with a charm and power that were unbeatable. As far as the audience was concerned, Bennett could have gone on singing all night.

Also on the bill was Dinah Kaye recently arrived from England. She is a girl with a terrific set of pipes who knows how to perform. Once she latches onto a record hit, she should be one of the top singing personalities in the country.

Adler & Ross Writing New Musical

NEW YORK—Dick Adler and Jerry Ross, the composers of the score for "The Pajama Game" one of Broadway's biggest musicals, will team their talents on a new show based on the best-selling Douglas Wallop book, "The Year The Yankees Lost The Pennant".

George Abbott will direct and be the co-author of the book for the musical. The show, to be titled "Damn-Yankees", will be produced by the same men who produced "The Pajama Game", Hal Prince, Bobby Griffith and Fred Bisson.

Scheduled for early Spring of '55,

"Damn-Yankees" is the story of Faus in a baseball setting.

"Pajama Game" gave the wax world two number one hits in "Hernando's Hideaway" and "Hey There" along with other strong selling records such as "Steam Heat". The original score album also ranks as one of the year's top selling LP's.

The two writers made a name for themselves in the theatre world where they wrote most of the score for John Murray Anderson's "Almanac", musical revue staged in this city earlier this year.

Another double-hit for Patti . . .

Welcome back to my good friend Ed MacKenzie who is here on a short vacation. Welcome also to manager of the A. & R. department of RCA Victor, Joe Carlton. The object of Joe's visit was to work out with Wally Ridley of H.M.V. a scheme (long awaited) whereby British artists recording for the H.M.V. label would be guaranteed releases on the RCA label in America. This, said Joe, will operate as soon as possible providing, however, that arrangements can be made with the respective publishers here and in the States to assure no other record company "jumping the gun". I would like to add that I personally told Joe Carlton that this would be a most welcome arrangement for all concerned, and we all wish it every success.

Dave Miller together with brother Paul and M.D. Monty Kelly of Essex records, left for Spain after a confab with British Columbia records re future releases on the Essex label. . . . Philips Records brought out a fine list of extended play disks this month which should please the fans. . . . No appointment made so far for the A. & R. job at Philips recently vacated by Norman Newell; and I hear that Len Smith is no longer with the company. . . . A lot of noise is being made about "This Ole House"; lots of air time is being given to the tune, and the race is on as to whose record will make the best sellers within the next week or so. Rosey Clooney has the edge on the Billie Anthony version but let me tell you it will be a tough race, and may the best gal win. . . . Glad to hear the Vera Lynn/Frank Wier waxing of "My Son, My Son" has broken wide open in the States, and don't say I didn't tell you. Just look back a couple of issues of The Cash Box and you'll find I tipped you off. . . . Famous band leader Harry Roy moves into the swanky Cafe de Paris and will renew the experience of his first taste of fame when he played in the famous Syd Roy Lyricals led by his brother at the same avenue several years back. . . . Congratulations to the very new Vogue-Coral label for snatching top place with Don Cornell now holding the top position with "Hold My Hand". . . . Sorry to hear young Polygon Records' chief Alan Freeman was taken ill last week. We all wish him well soon. . . . Looks like Patti Page has another winner in the "Mama Doll Song". . . . Ted Heath has just recorded a sensational version of "The Touch" (Le Grisbi). . . . Young David Jacobs puts on a top rating show in the big Saturday night B.B.C. record spot. The show is titled "Night Ride" and makes for wonderful listening.

Audivox Adds The Frank Sorrell Trio To Growing Roster

Stepping up the pace of its previously announced expansion plans, Audivox Records has just pacted the Frank Sorrell Trio which is currently appearing at the Circus Room of the Hotel Piccadilly in New York City.

The indie label which has been very successful releasing disks by Dorothy Collins and Raymond Scott exclusively during the first year and one-half of its operation, is now equipped to turn out a variety of top-notch recordings with its rapidly growing talent roster.

Very recently, The Hurricanes, a vocal quartet, was signed by Audivox with their current release being "I Keep Crying" b/w "Tear Drops".

With the acquisition of the Frank Sorrell Trio, an instrumental combo, the label now sports this trio, a vocal quartet, the Raymond Scott Quintet and Orchestra, plus Dorothy Collins.

It was announced by Leonard Wolf that the first sides by the trio will be recorded immediately and rushed into production.

Fisher Serenaded

NEW YORK—RCA Victor officials gather round Eddie Fisher and sing congratulations to him on his Fifth Anniversary with the company. The young singer made his first record "My Bolero" in October, 1949.

Musically saluting Fisher on his anniversary are (left to right) Howard Letts, Assistant General Manager, RCA Victor Record Division; Larry Kanaga, Sales Manager; Fisher, George Marek, Director of Artists and Repertoire; Hugo Winterhalter, Musical Director and Emanuel (Manie) Sacks, Vice President and General Manager.

Fisher's latest disk is the title song of the new Rodgers-Hammerstein musical "Fanny." One of his biggest hits also was the title song of a musical, "Wish You Were Here."

FILM SOUND TRACK

"A STAR IS BORN"—JUDY GARLAND from the sound track of "A Star Is Born" starring Judy Garland and James Mason—Columbia BL-1201 (12" LP) List: \$6.95

HERE'S WHAT I'M HERE FOR; IT'S A NEW WORLD; SOMEONE AT LAST; LOSE THAT LONG FACE; GOTTA HAVE ME GO WITH YOU; THE MAN THAT GOT AWAY; BORN IN A TRUNK.

Motion picture history will be made when the run of "A Star Is Born" is completed. And "Oscars" are sure to be awarded to at least a half dozen people concerned with this fabulous three-hour flicker. It's another "Gone With The Wind." Bound in a deluxe package, Columbia offers the sound-track of the film; a two-sided 12-incher just jam packed with musical entertainment at its level best. It is needless to say that Judy Garland is great in the flicker, but the amazing thing is that all her dynamic personality emanates from this record. This reviewer had the pleasure of seeing the film, and after having viewed the three-hour masterpiece, we just had to listen to the album about four or five times. Everyone who sees "A Star Is Born" is sure to react in the same manner. Should, without a doubt, be one of the year's biggest packaged items. Music and lyrics are by Harold Arlen and Ira Gershwin. The fabulous "Born In A Trunk" production number, which probably tops all musical productions this reviewer has ever seen, was composed by Leonard Gershe.

"BRIGADOON"—GENE KELLY, VAN JOHNSON & CYD CHARISSE—Selections recorded directly from the sound track of the MGM film—MGM E3135 (12" LP) List: \$4.85

ONCE IN THE HIGHLANDS; DOWN ON MACCONNACHY SQUARE; THE HEATHER ON THE HILL; WAITIN' FOR MY DEARIE; I'LL GO HOME WITH BONNIE JEAN; COME TO ME, BEND TO ME; ALMOST LIKE BEING IN LOVE; THERE BUT FOR YOU GO I; BRIGADOON.

In 1947, a Broadway musical called "Brigadoon" created a storm when it opened at the Zeigfield Theatre in New York. Now the MGM flicker of the same score is one of the hottest musicals being screened throughout the country. It's delightful music by Frederick Loewe and inviting lyrics by Alan Jay Lerner blossomed to the fullest in the motion picture. The captivating score comes over equally beautiful on this LP by MGM. Gene Kelly's voice and Carol Richards' (the voice for Cyd Charisse) are warm and beautiful on this platter. In fact, you get more than your money's worth on this album since "Come To Me, Bend To Me", a song sequence dropped from the film, is included on the LP. Should be a strong seller for MGM.

POPULAR

"FATS"—FATS WALLER Playing, Singing and Talking in Previously Unreleased Performances—RCA Victor LPT 6001 (2) (2-12" LP) List: \$8.54

If the popular music field had a Hall of Fame, "Fats" Waller would occupy one of the thrones of this kingdom. His great musical ideas, songs, wit and wonderful personality have captivated the world, and even after his untimely death, his songs are recorded and re-recorded. Victor has dug into its seemingly endless vault and come up with a two twelve-inch LP package of unreleased originals by the loveable genius. It's an album that is actually priceless. The personality of this unforgettable artist is embossed on every groove of this record. "Fats" sings, plays the 88's and just ambles along in his uniquely delicious fashion. A treat from beginning to end. Exciting cover photo, if exposed correctly, will sell the album immediately. Enclosed in the deluxe package is an interesting brochure by Fat's friend and manager, Ed Kirkeby.

"AN ADVENTURE IN HIGH FIDELITY"—RCA Victor LM 1802 (1-12" LP) List: \$6.63

ADVENTURE IN HIGH FIDELITY; THE ORCHESTRA IN A NUTCRACKER SHELL; HOW GOOD IS YOUR FIDELITY; THE HUMAN VOICE IN HIGH FIDELITY; "NEW ORTHOPHONIC" IN POPS.

RCA issues a deluxe single LP package called "An Adventure in High Fidelity" that is just that. Robert Russell Bennett was commissioned by RCA Victor to write a special High Fidelity score that would serve as a definite demonstration piece. It is beautifully done combining the melodic, the dramatic and use of such instruments that lend themselves particularly to hi-fi sound. An intriguing work that fills the demands of both the hi-fi enthusiast as well as those whose first requirements are musical quality. To list the instruments used on this recording would take up the entire space allotted to the review. Suffice it to say that everything you have ever heard, with the possible exception of the washboard, musical saw and jug is used. Bennett also uses parts from Tchaikovsky's Nutcracker Ballet to illustrate the sounds of many instruments which you hear in solo passages. An interesting comparison is offered by the presentation of excerpts from Bennett's "Adventure In Hi Fidelity". You hear three different versions of much the same basic material, each illustrating different recording characteristics. Experiments also include the voices of Roberta Peters, Victoria de los Angeles, Jussi Bjoerling, Leonard Warren as well as the instrumentation of Hugo Winterhalter, The Three Suns, Henri Rene and The Sauter-Finegan Orchestra. Voluminous notes make this indeed an adventure.

"A BOUQUET OF HITS from TERESA BREWER"—Coral CRL 56072 (10"LP) List: \$3.00

SKINNIE MINNIE; I HAD SOMEONE ELSE BEFORE I HAD YOU; AU REVOIR; DANGER SIGNS; BABY, BABY, BABY; JILTED; CHICAGO STYLE; MY SWEETIE WENT AWAY.

One of the fabulous voices of the pop wax world is Teresa Brewer's. The punch-packed little chirp has thrilled countless audiences with her magnificent voice. Here, eight of her latest sides, tunes that have met with the public's fancy, are belted across by the pint-sized cutie. A delightful collection that'll thrill her fans.

Album Reviews

"CHRISTMAS IN HIGH FIDELITY"—GEORGE MELACHRINO and the Melachrino Orchestra—RCA Victor LPM-1045 (12" LP) List: \$4.00

GOOD KING WENCESLAS; WHITE CHRISTMAS; JINGLE BELLS; LITTLE BROWN JUG; HARK! THE HERALD ANGELS SING; SLEIGH RIDE; FAIRY ON THE CHRISTMAS TREE; ADESTE FIDELES; SILENT NIGHT; ONCE MORE IT'S CHRISTMAS; I SAW MOMMY KISSING SANTA CLAUS; MRS. SANTA CLAUS; THE SKATERS WALTZ; RUDOLPH THE RED-NOSED REINDEER; THE FIRST NOEL; WINTER WONDERLAND.

Christmas music is beautiful. Christmas music in High Fidelity as played by George Melachrino and his Melachrino Strings is superb. Mr. Melachrino leads his orchestra through sixteen beautiful favorites of the Yuletide season which is drawing closer. Delightful listening with a great sound. Victor's "Orthophonic" sound really does wonders with these favorites. Dealers can't lose with stock like this.

"MUSIC FOR A RAINY NIGHT"—PAUL WESTON and his orchestra—Columbia CL-574 (12" LP) List: \$3.95

I'LL REMEMBER APRIL; I SEE YOUR FACE BEFORE ME; LITTLE GIRL BLUE; GARDEN IN THE RAIN; DEARLY BELOVED; SOON; ISN'T IT ROMANTIC; FOOLS RUSH IN; I CAN'T GET STARTED; YOU'RE NEARER; DAY BY DAY; WHY WAS I BORN.

Mood music is the big thing today in packaged goods. Big movie production sound track albums and hit vocalist albums may be the big profit makers, but the tremendous number of beautiful mood music LP pay the rent. Paul Weston and his string-filled orchestra offer a dozen warm romantic standards that make great "Music For A Rainy Night". Grade "A" material for a soft background at a party, etc. A package that'll never get stale.

THE MAGICAL MELODIES OF SAVINO—Kapp Records KL 1001—(1-12" LP) List: \$5.95

FOMA "SYMPHO-POP" ORCHESTRA DIRECTED BY ERNEST CLEMONT PLAYS BLUE PARADE; A STAR WILL FALL; HOLIDAY EXPRESS; FLYING CARPET; SABIA; BLUE STARLIGHT; BAYOU POM POM; MAGIC SLIPPERS; PERUVIAN PINWHEEL; FOR DREAMERS ONLY; JO ANNE; LOVE IS A ROSE.

The music of Domenico Savino is offered in lush orchestrations and might be termed "mood music" as it is lovely, lilting, melodic music to relax to, to talk to, to read to. An enticing wax that should find a ready market if properly exploited. Attractive modern painting on the front of the sleeve should help capture the attention of the browser.

CLASSICAL

TCHAIKOVSKY "Symphony No. 6 in B Minor, Op. 74 ("Pathetique")—Decca DL-9718 (1-12" LP) List: \$5.85

The beautiful, melancholy and haunting "Pathetique" is superbly interpreted by Leonard Bernstein conducting the Stadium Concerts Symphony Orchestra of New York. Described by Tchaikovsky as his best work, it has long been one of the most popular symphonies and is a basic must for any library. The score has been recorded many times and this will limit the sales as there are several good releases on the market. Leonard Bernstein is not without his audience and this should guarantee a good sale.

LA FIESTA MEXICANA—H. Owen Reed—Mercury Records MG 40011 (1-12" LP) List: \$5.95

Frederick Fennell conducts the Eastman Symphonic Wind Ensemble
LA FIESTA MEXICANA; CANZONA; P. SALM; A SOLEMN MUSIC; CHORALE AND ALLELUIA.

An album dedicated to our contemporary American composers. Title piece, "La Fiesta Mexicana", is a symphonic treatment of Mexican folk music—a story of a religious fiesta. A colorful piece that paints a variety of moods. "Canzona" by Peter Mennin; "Psalm" by Vincent Persichetti; "A Solemn Music" by Virgil Thomson; and "Chorale and Alleluia" by Howard Hanson are beautifully presented works, all of which lend themselves to the hi-fi treatment which Mercury calls "Living Presence". Followers of contemporary music should find much in this LP.

JAZZ

THE SWINGING BUDDY RICH—Norgran Records MG N 26 (1-10" LP) List: \$3.85

The title describes this waxing. Buddy's skill with the drumsticks need no buildup here. Buddy swings through such tunes as "Let's Fall In Love"; "Me and My Jaguar"; "Just Blues"; "Strike It Rich"; "Sportin' Life" and "Sweets' Opus #1". Personnel consists of such top names as Benny Carter, Alto sax; George Auld, tenor; Bob Lawson, baritone; Harry Edison, trumpet; Milton Bernhart, trombone; John Simmons, bass; Jimmy Rowles, piano; Willie Smith, alto; Bob Poland, baritone; George Wiggins, piano and Joe Comfort, bass. Lest the title be misleading, Buddy is just one of a large ensemble, most of whom take solos. Good listening in dance tempo.

TERRY GIBBS QUARTET—Brunswick Records BL 58055—(1-10" LP) List: \$3.00

I'VE FOUND A NEW BABY; TERRY'S BLUES; BLUE MOON; MY FRIEND TINY; EXACTLY LIKE YOU; VERNERDI; TEA FOR TWO; THAT FELLER MCKEELER.

Terry Gibbs is not new on wax. His fantastic mallet work on the vibraphone exemplifies the best as Terry sprinkles tinkling notes through the air. Of the eight tunes, four are standards and four are Gibbs originals. Working with Terry are Louis, Ciccone, drums; Terry Pollard, piano and Kenny O'Brien, bass.

de ARANGO—EmArcy MG 26020 (1-10" LP) List: \$3.00

ALONE TOGETHER; GONE WITH THE WIND; ALL GOD'S CHILDREN GOT RHYTHM; THE NEAPNESS OF YOU; THE GYPSY IN MY SOUL; DANCING ON THE CEILING; SUMMERTIME; THESE FOOLISH THINGS.

A collection of jazz standards gets a fresh approach from the talented guitaring of de Arango whose nimble plucking on this LP should bring a good deal of attention, respect and admiration from the jazz buyer. The tunes have been heard many times before, but they are new and revitalized as etched by de Arango and cohorts Teddy Kotick, bass; Art Mardigan, drums; and Johnny Williams, piano. Each of the quartet contributes to the strength of the over-all picture, but this is de Arango's day in the sun and he glories in it.

Bill Silbert (WMGM-New York) had some good and bad news last week. He was signed to a five year contract with WMGM on the one hand, and had his apartment ransacked on the other. Bill lost money, jewelry, and what hurt most, many of his choice records. . . . Also re-signed last week was Jack Lacy by WINS for five years. . . . Frank Darien (KSJO-San Jose, Calif.) bedded by the flu bug for the most part of last week.

Pic of the week—Jay Michael (WCAE-Pittsburgh, Pa.) is heard 5½ hours daily. Jay, extremely popular with the teenagers, is busy almost every night appearing at record hops throughout the Pennsylvania area. By the end of December, Jay figures to have appeared before more than 250,000 teeners at record hops. He is already booked through May of 1955. . . . Cardinal Records sponsoring a Pretty Patricia contest to eventuate in a national final. Winner will be picked by The Townsman who sing "Pretty Patricia" for Cardinal Records. Winning gal gets \$100. bond, winning jockey gets the same and so does the jockey who submits the most entries. . . . Lorry Raine and Tim Gayle spent weekend at Palm Springs, Calif. where Tim picked up the Bali Bali account and caught Tommy "A Star Is Born" Noonan's opening at Chi Chi's. KPAL is Palm Spring's new 24 hour all-records station. . . . Fred Beck is new KABC-Hollywood jock.

JAY MICHAEL (WCAE-Pittsburgh, Pa.)

Hal (ex-"Gildersleeve") Perry is also on the same station as is Will Kennedy with "Juke Box Record Reviews" Saturday nights. . . . Art Preston's (WSPR-Springfield, Mass.) picture and article appears in the December issue of Hit Parader, now on the newstands. . . . WHAT-Philadelphia program director disk jockey, Chasbo O'Donnell, is really a busy man these days. With the new Fall schedule now in effect, Chasbo has taken over the "Caravan of Music" Monday thru Saturday, 12 noon to 1 pm. Aside from this he has started a brand new show every Sunday night from 10:45 till 11, called "Meet the Artist," an informal show concerning little known facts about well known artists. Hawthorne (KABC-Hollywood, Calif.) has 11 radio and TV shows over KABC radio and KTLA television. The KTLA show is four half hour weekly stints mimicing records, current and past. The KABC show is six midnite to 3 am shows weekly from Ciro's nightclub, called "Hawthorne At Ciro's." ABC network is now putting together a coast to coast show from Hawthorne's tapes of the nightly Ciro's show for a once-a-week hour deejay show due to break in about one month.

Jerry Hauser (KAFP-Petaluma, Calif.) takes over the morning record show of Jeff Evans in addition to his other duties. Jerry runs a Cash Box show every Saturday morning. . . . Robin Bonneau (WTSV-Clairemont, N. H.) has added another hour to his afternoon "Matinee." In addition to his regular stints Robin is now doing play by play football. . . . Mort Nussbaum moves from WHAM-Rochester, N. Y. after six years to WBBF-Rochester. Mort will do a late night deejay show from the cocktail lounge of the Hotel Seneca. Mort will make his headquarters at the hotel, doing a remote instead of from the station, and would appreciate all records and promotional material be sent to him at the Hotel Seneca.

MOVIE REVIEW

"A Star Is Born"

When you have completed a huge seven course dinner, it's very difficult to remember how hungry you were prior to the feast. This reviewer got the same effect from "A Star Is Born." After three dynamic hours of Judy Garland and James Mason in the best performances of their lives, it became exceptionally difficult to recall any motion picture we enjoyed more.

It is said that \$6,000,000 and two and a half years went into the making of this film. This is very easy to believe after having seen the flicker. Corners weren't cut in any scene. The most elaborate sets and costumes were used throughout. And the performances by each and every one in the cast was tops.

In the original version of this dramatic film some 17 years ago, Janet Gaynor and Frederick March both earned top honors. If this version doesn't earn close to a half dozen "Oscars" for all concerned, then no other picture this year deserves one.

One of the amazing factors is that the story is three hours and two minutes in length. Sitting through three hours of any form of entertainment is tedious. There are usually segments that drag or become monotonous. Watching "A Star Is Born," this reviewer spent each of the 182 minutes on the edge of the seat. The three hours gave director George Cukor an opportunity to present a full picture of the lives, personalities, desires and thoughts of the principals. And he certainly did a magnificent job. He brought out the best of the many acting abilities of Miss Garland and Mr. Mason. The three hours allowed

a healthy span of time for Harold Arlen and Ira Gershwin's wonderful music and lyrics, and for the stupendous Leonard Gershe "Born In A Trunk" production number by Miss Garland.

In most musicals, when the major production number has ended, the movie-goer wished that it could continue endlessly. In "A Star Is Born," the "Born In A Trunk" production almost does. It's a bigger, more exciting and more interesting piece of song and dance material than any we've ever witnessed. Although Messrs. Arlen and Gershwin may never see their tunes on the top of the hit parade charts, they, nevertheless, have composed standards that will lead a long and happy life. "Here's What I'm Here For," "The Man That Got Away" and "Lose That Long Face" are true musical charms.

The sequence of Miss Garland's living-room presentation for James Mason, of abbreviated song and dance numbers from one of her coming pictures, is another showcase for the amazing Garland talent. The stamp of quality is printed on every segment of the flicker.

There is a possibility now, that the many single recordings of "The Man That Got Away," one of the top songs from the flicker, may start selling in quantity once again. And there is no doubt that the 12" LP sound track recording by Columbia will be one of the big packaged items of the year.

Musically, dramatically and visually, "A Star Is Born" ranks with the all time best. It should be one of the biggest grossers Hollywood has ever produced. It's a picture the public will not soon forget.

Music Has Wings

NEW YORK—Mantovani is shown arriving in New York last Thursday, October 7. In the United States for a short visit, the conductor, composer and arranger was feted by London Records during his stay in the city. After a quick tour of several other U. S. cities, Mantovani heads back to England.

Major Shifts Execs

NEW YORK—This week, Major Discs reported several changes in its executive personnel. Joe Leahy was elected president of the company and will continue as arranger and conductor for the label; Joe Cammarota was elected vice-president and treasurer; Connie De Maria, secretary and general manager; and Stanley Borden, sales promotion manager.

The firm has one of the nation's current top tunes in Denise Lor's "If I Give My Heart To You." Other releases feature Tony Alamo and Jack Carroll.

Major will release records on a subsidiary label, AA Records, which will feature the voice of a new singer, Terri Stevens.

Stanley Borden leaves this week on a distributor trip to promote the new releases.

Mishap Or Not—"X" Disks Reach Destination

NEW YORK—In order to get the Smith Brothers' label "X" recording of "In A Little Spanish Town" on the market as fast as possible, the record labels, printed in Philadelphia were put on a plane and rushed to Indianapolis. About 200 miles out of the Indianapolis airport, one of the plane motors caught fire and the air ship had to return to Philly. Word reached "X" executives of the mishap and a special plane was chartered to get the labels to their destination.

Results: Record will be in the stores as originally planned.

Longhair Composer Goes Pop

NEW YORK—One of the world's prominent classical and symphonic composers, Mana-Zucca, has finally fulfilled a suppressed desire to write popular songs. The results are two tunes called "Jennie" and "I Know, I Know It's Love" recorded on the Mazica label by Jimi Beni and the Ernie Warren Trio.

The tune "Jennie" was inspired by Jennie Grossinger, the hostess of the popular Grossinger Hotel, where the composer spent some time recently.

The recording is being distributed heavily in Florida.

Receiving Award

LONDON—Guy Mitchell receives a plaque from Vera Lynn, honoring him for his outstanding work in pictures in 1954, during ceremonies in London. Mitchell has been touring the British Isles since May in one of the most extensive and successful personal appearance schedules ever undertaken by an American artist. Guy is under contract to Paramount and has made two pictures, "Those Red Heads From Seattle," and "Red Garters." His next role will be in "The Covered Wagon."

MAMBOMANIA

The La Playa Sextet, former RCA Victor and Tico artists, and now on the Mardi Gras label, have hit paydirt in their initial effort for the new mambo diskery with "Jamaica Mambo" and "Johnny Guitar Mambo". According to some of the key stores in the city the record looks like it will become one of the top mambos in the country before long. Dick Sugar (WEVD-N.Y.) also hyping the tune to hit the top. . . Leonard Green, president of Mercury Artists, theatrical agency, says "Mambo is now the hottest music in the United States." Nightclub operators as well as TV stations are flooding his switchboards with requests for mambo bands, groups, singers and dancers for use on the major video shows and night-spots. Green, one of the pioneers in Latin American music, has added four more booking agents to his staff because of the sudden surge of the music's popularity. His talent, including Tito Puente, Tio Rodriguez, Facundo Rivero, Alfredito, Ralph Font, Jose Curbelo, Mandy Campo, Emilio Reyes, Arturo Arturos, Lecuona Cuban Boys, Freddie Alonzo, Jovita, Al Romero, Pepito Lopez, Damiron, Catun and Charlie Palmieri are all having their biggest year. Even the major talent agencies are contacting Green in the capacity of consultant. Exclusive hotel chains and nightclubs, formerly using society orchestras or big name bands are now on the search for mambo talent. . . Dick Sugar (WEVD) advises his mail has jumped fantastically and that most of the increase comes from the American teeners who are now becoming solid mambo fans. His former listeners, who were mostly of Latin descent are as enthusiastic as ever, and are now bulwarked by the growing new market. Dick predicts that "Papa Loves Mambo" will become the nation's number one mambo hit, with Alfredito and Peacock and his Mambo Combo sharing sales honors.

Federal Records issues a mambo this week, titled "Mambo Mexicano" by Gerald Wilson and his Orchestra. . . RPM gets into the picture with "She Wants To Mambo" by The Chanters. . . and Columbia comes up with a honey in Rosemary Clooney's "Mambo Italiano". . . Perez Prado gets into the limelight with "Marilyn Monroe Mambo" backed with "Steam Heat Mambo". . . Noro Morales comes up with "Uno Mambo", a cha-cha-cha, and "Solitude", also a cha-cha-cha. . . Georgia Gibbs joins the parade with a great version of Ruth Brown's "Mambo Baby".

Best Selling Records

FROM MORE THAN 15,000 RETAIL OUTLETS!

Tunes are listed below in order of their popularity based on a continuing weekly national survey of thousands of record dealers by Jack "One Spot" Tunis. Each listing includes the name of the song, record number, artists, and tune on the reverse side.

The number underneath the title indicates the actual sale per 1000 records made for the week. If the figure is 67.4, it means that for every 1000 records sold that week, 67.4 were of the tune indicated—a combination of all the records on which was available. Indicates best selling record.

THE CASH BOX RHYTHM N' BLUES Ramblings

NEW YORK:

Any number of disk jockies have gone on record aligning themselves solidly against the influx of "blue" records. However two stations have gone to the trouble of getting out bulletins thereby notifying the trade of their intentions. Bert Ferguson, station manager of WDIA-Memphis, Tenn., has written to all record companies, distributors, trade papers, sponsors, and just about everybody connected with a record, advising them that they would carefully screen all incoming disks before airing them. Ferguson also submits a list of objectionable records that he will not play. . . . Cliff Rodgers (WHKK-Akron, Ohio) also sends out a news bulletin appealing to all concerned to delete "blue" material and concentrate on material and artist for legitimate sales. . . . Hy Siegel, Timely Records, announces the signing of The Charmers, formerly of Central Records. Hy's also exultant over the sales now coming in on Ann Cole's "Oh Love Of Mine." Siegel gives most of the credit to Allen "Moondog" Freed who stayed with it until the public began to ask for it. Sidelight-Allen had better correct the correspondent for the new retail record mag who kept calling him "Moonball" throughout her entire article. . . . Joe Cohen, Essex Records, Newark, N. J., reports his Mr. Blues airshow getting a fabulous reaction from the New Jersey college crowds. Joe's salesmen report that the hip kids from Seton Hall, Rutgers and Drew University have been asking for out and out blues as heard on the Mr. Blues shows. . . . Al Silver jubilant over the initial success of his Charlie & Ray "I Love You Madly." Al trying to be cautious, says, "I don't want to go overboard too soon, but this one really looks like a hit." . . . The Herald boys, Al-Jack-Jack, all flipping over their newest acquisition Ursula Reed. Claim that even the band stood up and applauded when she finished her first Herald session. . . . George Goldner, Tico and Rama headman, proud pappy of a new mambo-nick, Cary. Event has George floating in the clouds. Says the kid is a natural as he even cries in mambo tempo. . . . Freddie Mendelson back from a road trip advises Savoy's "Don't Drop It" by Wilbur Harrison is selling both r & b and pop and getting stronger all the time. While down in Atlanta, Freddie signed a new gospel group, The Five Trumpets. . . . You never saw a man promote so hard as Irv Marcus, salesman-ager of Duke and Peacock. Irv knows no hours and works around the clock. When you see him wearing dark glasses it's not an allergy or black eye. It's just to hide those lids drooping from lack of sleep. Incidentally, New York must agree with Irv. He looks lots better than when he arrived in town six or eight weeks ago. . . . Cover jobs on Atlantic Record hits paying off—but big. There is, of course, the recent nation's number one pop hit, "Sh-Boom," the Patti Page's cover of Ruth Brown's "Oh What A Dream," the Bill Haley version of Joe Turner's "Shake Rattle and Roll" which is currently the number seven tune in the nation's pop charts and still moving up, and now the Georgia Gibbs treatment of the new Ruth Brown hit, "Mambo Baby." Show's two things. One—they can pick 'em at Atlantic and two—they sure can arrange them—'cause most of the cover jobs follow the r & b arrangements pretty closely.

Show's two things. One—they can pick 'em at Atlantic and two—they sure can arrange them—'cause most of the cover jobs follow the r & b arrangements pretty closely.

CHICAGO:
Festival of Modern American Jazz, starring Stan Kenton with Art Tatum and his Trio, Charlie Ventura, and many, many, others, plays the Civic Opera House, 10/23. . . . The following nite same place, another Norman Granz Concert. Starring Duke Ellington, Gerry Mulligan, Dave Brubeck and Stan Getz. . . . Phil Skaff now handling promotion for M.S. Distributors. Phil tells us that "Vicious, Vicious Vodka," by Amos Milburn, b/w "I Done Done It," looking like a hit. Seems that beverage-type disks do well for Amos, as his "One Scotch, One Bourbon, One Beer" was a big number for him some months ago. . . . Leo Kolheim reports Vee-Jay readying several recording sessions within the next few weeks, getting set for a busy fall season. In the meantime, Vee-Jay's, Spanie's back at the Apollo Theatre, New York, before heading for the Howard Thitter, Washington. . . . McKie Fitzhugh, man of many talents, has just purchased a dance hall here in town from where he will originate "Teen Town" as well as his future dances and talent shows. . . . Len Chess back on the job after taking a day off to repair damages done to his basement as a result of the serious floods here in Chicago this week. Len says he's expecting the next two months to be the busiest in a long, long time. Readying two new releases. By Willie Mabon and Lowell Fulson. Meanwhile, Little Walter's "You'd Better Watch Yourself" going to town. . . . Memphis Slim, Willie Mabon and Little Walter alternating at the 708 Club, this city. Between these three favorites, they really keep this club jammed. . . . The Moonglows now at the Crown Propeller Lounge. . . . The Five Flamingos holding forth at Martin's Corner. . . . Ernie Leaner just back from a week's fishing trip. Upon returning home, he learned that poor Mrs. Leaner was left to fight the floods here alone. Seems their part of the city was the hardest-hit.

LOS ANGELES:

Some authorities in the music world seem to think that the popularity of vocal groups is on the decline, yet, look at the Nation's top 15, more than half of the tunes listed are by groups and many of the single vocalists are assisted by quartettes in the background. . . . This fall season should bring the biggest boom to the night clubs and ballrooms here on the Coast since the war years. Some of the nation's top R & B attractions are slated for appearances within the next few months. . . . Muddy Waters bowed in at Billy Berg's Five Four Ballroom for a three day stand Oct. 15 thru 17th. The blues chanter won a thunderous ovation when he sang "I'm Ready" and "I Don't Know Why" from his latest Chess recording. Waters will be followed by Faye Adams and Memphis Slim over the Oct. 22nd week-end. On Oct. 29th thru 31st the

Four Singers At Singer's

CHICAGO—The Four Aces, (right) try to keep up with the hords of fans swamping Singer's One-Stop record shop for their autographs. The boys visited the dealer when they were appearing at the Chicago Theatre recently. Their latest is the fast rising movie title tune "It's A Woman's World" which they perform in the picture.

Johnny Ace-Willie Mae Thornton package is scheduled at the Billy Berg dance emporium. All Hibler, Charles Brown and Joe Turner are also headed for the Coast for dates late next month. B. B. King "The Blues Boy himself" will be in LA over the Christmas holidays and Fats Domino is expected over New Years.

From all present indications the New Year will blow in with a solid beat that will rock the town from the East side to the LaBrea tar pits. . . . With "Oop" and "Tick Tock" stepping out big The Bihari Brothers are readying a new batch of releases. Their latest entries into the field are "Make A Little Love" b/w "Cheatin' On Me" by Curtis Irvin & The Sparks (RPM); "Cool Little Car" b/w "Bad Boy" (Modern) by John Lee Hooker and and "Standing at the Crossroads" b/w "Sunny Land (Flair) with Elmore James and His 'Broomdusters'. . . . After completing several successful dates along the Coast The Midnighters and Todd Rhodes' Ork. left for a series of one-niters in Tucson, Phoenix and Albuquerque. They teamed up with Tab Smith and The "5" Royals in Oklahoma City Oct. 16th for three one-night dates there, Dallas and Houston. The "Work With Me Annie" boys will be in Chicago Nov. 4 to appear with Louis Jordan on his Annual benefit dance. . . . Deejay Hunter Hancock can't be blamed if he gets a little over-elated when closing his "Huntin' with Hunter" show. He recently bagged his limit of a deer and an elk on a hunting trip to Idaho. . . . The Jewels' waxing of "Oh Yes I Know" on the R&B label started climbing fast this past week and already looks as though it will be bigger than their first clickereroo "Heart's of Stone." . . . Lew Chudd, prexy of Imperial Records, will release his first in a series of mambos this week on his subsid. Catalina label. . . . Aladdin Records have introduced two new groups on their subsid. Lamp label. Leo Mesner firmly believes that The Mello-Fellows "Iddy Bidy Baby" b/w "My Friend Charlie" and The Cues' "Scoochie-Scoochie" b/w "Forty Leven Dozen Ways" will get the new label off to a fast start. . . . Dootone Records prexy, Dootsie Williams, is the happiest guy in town as The Penguins version of "Earth Angel" still clings to the top of the LA charts.

JAZZ JOTS

Norman Granz concert at Carnegie Hall this Saturday night promises to be a humdinger. All star lineup includes Duke Ellington, Gerry Mulligan, Dave Brubeck and Stan Getz. Love 'em all but that Brubeck—man. . . . Jazz fans have a program made to order for them in Dwight Cappel's "Jazz Scene, 1954" over WWSW-Pittsburgh, Pa. On his October 11 show he featured Dizzie Gillespie's Jazz Concert in Paris and Dave Brubeck's Octet. "Jazz Scene, 1954" is enhanced by the crisp commentary of Dwight Cappel. Dwight is a collector of jazz items with a well-rounded background in the jazz idiom. . . . Due to the success of a debut engagement at The Composer, jazz impresario Norman Granz flew into New York to make arrangements for recording pianist George Wallington's new String Quartet. The session was set for the week of October 22 when the group will cut a 12" LP to be released on Granz' Norgran label. Special arrangements for the date are being written by Sonny Lawrence, who penned the String library for Wallington and tunes will include four of the pianist's originals. Wallington's first Trio album for Norgran, which was just released two weeks ago is getting a lot of DJ spins and WOV's Leigh Kamman has adopted one of the selections, "Your Laughter," as the new theme for his 1280 club.

Bernie Wayne Set For One-Man Concert At Carnegie Hall

NEW YORK—Bernie Wayne, one of BMI's top tunesmiths and musical director of Coral Records, will appear at Carnegie Hall on Sunday evening, January 16th, for a one-man concert of his works including a piano concerto for full orchestra written especially for the occasion. Wayne, whose musical output has often been compared stylistically by critics with George Gershwin's, will invoke more comparisons by turning the clock back to 1927 when "Rhapsody In Blue" was premiered at Aeolian Hall. Wayne's piano concerto, as yet untitled, will be the show piece of the concert. It also marks a departure in Wayne's style which parallels Gershwin's songwriting career from his early pop tune days and era of instrumental composition to the concert stage.

A 50-piece Coral recording orchestra will play selections of popular songs written by Wayne including "You Walk By," "Laughing On The Outside" "Blue Velvet" and such instrumentals as "Vanessa," "Tropicana," "Veradero" as well as his current work, "The Broadway Story," a cantata based on the sounds and moods of "The Great White Way."

Spotlighted on the program will be the appearance of ten of New York's top disk jockeys, each of whom will introduce a selection from Wayne's works.

Wayne, currently on tour with "Dynamama," a musical show he scored especially for the Buick Division of General Motors, will leave for Hollywood shortly after his Carnegie appearance, to write the score for "Moll Flanders," a 20th Century Fox Cinema Scope production starring Vanessa Brown.

ⓑ EXCELLENT	ⓑ FAIR
ⓐ VERY GOOD	ⓐ MEDIOCRE

THE BEES
(Imperial 5314)

B "SNATCHIN' BACK" (2:31) [Commodore BMI—D. Bartholomew] The Bees sing a slow bouncer with a good beat. Kids can rock out an enthusiastic dance to this wax. Good juke box material.

C+ "TOY BELL" (2:22) [Commodore BMI—D. Bartholomew] Change of pace. Fast paced Calypso flavored ditty heavily flavored with "blue" lyrics. Rough stuff with no attempt to be subtle. Party wax.

JIMMY LIGGINS
(Aladdin 3251)

B "NO MORE ALCOHOL" (2:28) [Aladdin-Liggins] Liggins has been drinking all night and now he proclaims his intention to quit, after the "one more, that's all." A slow rocker done well. Should catch a portion of the sales.

B "BOOGIE WOOGIE KING" (2:30) [Aladdin-Liggins] Liggins has a native appeal and his treatment lifts this quick beat boogie item out of the routine class. Two better than average sides.

EARL BROWN
(Checker 802)

B "SHAKE YOUR SHIMMY" (2:40) [Arc BMI—Brown] Cute middle tempo item with a great delivery. Brown handles the tune in chuckley manner. Appealing wax.

C "THE CAT'S WIGGLE" (2:48) [Arc BMI—Brown] The flip is a middle tempo bounce instrumental done to a turn. Good deck.

PRO McCLAM
(Vee-Jay 112)

C "CINEMASCOPE BABY" (2:52) [BMI—McClam] Pro McClam sings of his baby describing her in cinemascope terms. A middle tempo rocker that comes out a fair side.

B "PLEASE LEAVE HER ALONE" (3:09) [BMI—McClam] A slow southern type blues adequately handled by the chanter. McClam comes through with strength on this deck.

LARRY LIGGETT
(Chess 1578)

B "THAT MAN IS WALKING" (2:43) [Condor BMI—Liggett] Poor Larry. He worked and worked for that car of his and now the man took it away for lack of prompt payment. Liggett sings the middle tempo jump ditty smartly for a good blues job.

C+ "MA MA YOQUIERO MAMBO" (2:40) [Robbins] The standard is treated in mambo for a pleasant number two side that fills the current demand for the Latin beat.

GERALD WILSON
(Federal 12196)

C+ "MAMBO MEXICANO" — Parts one and two (2:22—1:59) [Armo BMI—Wilson] A quick beat mambo instrumental with an exciting sensuous feeling. Item is a two sider that comes through ok. Good juke box material or to fill the needs of the mambo enthusiast for dance wax.

(King 4744)

● The "5" Royales seem to be enthusiastic bounce and is given back on the beam with two strong sides, one a novelty, "Monkey Hips and Rice," and the other a slow blues with a spiritual flavor, "Devil With The Rest." The lads bang out the quick beat "Monkey Hips and Rice" lauding the delectable nature of the dish served up by the girl friend, Geneva. Deck has an enthusiastic bounce and is given a happy reading. "Devil With The Rest," is a serious rhythmic blues in which the "5" Royales offer sound advice that says, "after you do your best, the devil with the rest, 'cause nobody can live your life but you." The item is sung with a definite gospel touch and the over all effect comes through fine. Two potent possibilities.

"I LOVE YOU MADLY" (2:00)

[Angel BMI—Jones]

"YOU'RE TO BLAME" (2:34)

[Angel BMI—Jones]

CHARLIE AND RAY
(Herald 438)

● New duo, Charlie and Ray, come up with a fresh sound, good styling, and a strong piece of quick tempo material that has all the earmarks of a hit. Although out only a week or so, the platter has already started moving in several locales. Deck is strong and the lads generate sparks that should get them and their initial waxing off to a good start. Flip, "You're To Blame," is a slow blues item that is good, but just a shade behind the effectiveness of "I Love You Madly."

"EARTH ANGEL" (2:40)

[Dootsie Williams BMI—Curtis Williams]

"HEY SENORITA" (2:41)

[Dootsie Williams BMI—Curtis Williams]

THE PENGUINS
(Dootone 348)

● Already making itself felt in several spots, most notably in L.A. The Penguins blend softly on the melodic romantic blues ballad, "Earth Angel." Lead sings of his love in tender terms against a cushioned support by the balance of the group. Strong lyrics paint a word picture that fills the desire of everyone, consciously or unconsciously, in the discovery of an "Earth Angel." Pretty tune that could be adapted to pop. The flip, "Hey Senorita," is a change of pace. The group sings a rhythmic jump of middle tempo and do a fine job. Handclaps help give the deck a lift. A better than average wax although the tune is in the routine vein. The side that should make it is "Earth Angel."

JOHNNY FULLER
(Flair 1054)

B "BUDDY" (2:40) [Flair BMI—Josea] Fuller tells a slow Southern blues story of his running around woman in the authentic blues manner. Fuller's style has an individuality that helps take him out of the ranks of the routine blues singer. Pretty good stuff.

C+ "HARD TIMES" (2:43) [Flair BMI—Josea] More of same. A story of the woes incurred because of "hard times."

THE CHANTERS
(RPM 415)

C+ "TELL ME, THRILL ME" (2:41) [Modern BMI—Boyd, Davis] The Chanters blend on a routine middle tempo ballad blues. Fair etching but the deck faces tough going what with so many group waxings being issued each week.

B "SHE WANTS TO MAMBO" (2:45) [Modern BMI—Ford, Davis] The Chanters get in the popular mambo kick on this deck and offer a cute reading. Group has a better piece of material here and offers an infectious platter to a strong mambo market.

THE RIVILEERS
(Baton 205)

B+ "ETERNAL LOVE" (2:43) [Challenge BMI—Pearson] A soft and downy ballad waxed prettily by the smooth working group. Romantic lyrics that should appeal to the starry eyed. Dreamy wax. Should pull good sales.

B "CAROLYN" (2:40) [Challenge BMI—Delaney] A slow rhythmic ditty, also of a romantic nature, dished up in the soft smooth style of the Rivileers. Good deck, but out-matched by "Eternal Love."

LOUIS JORDAN
(Aladdin 3264)

B+ "PUT SOME MONEY IN THE POT, BOY 'CAUSE THE JUICE IS RUNNING LOW" (2:40) [D & M—Davis] Louis Jordan comes up with another novelty and this time the topic is "money." Cute lyrics delivered with the usual good styling of the chanter. It's typical Jordan material, good, and should gather sales momentum if given enough of a push. Strong juke material.

B "YEAH, YEAH, BABY" (2:34) [Aladdin—Toombs] For Jordan buyers it's another pleasing wax. If either side breaks it'll be the upper deck.

Stars Over Harlem

Fresh from a long list of smashing one nighters and theatre stints and into our place of operation eased hardworking blues sensation Chuck Willis, to tell us all about the many good things that are happening to his groovy crew. He also treated our ears to another batch of slam bang sides just off the presses, and take my word for it brothers, these could very easily be the tastiest of his many deliveries. . . . For some good and strange reason, the uptown coke crowd just can't seem to tire of the singing groups, and so, weekly, we find ourselves getting acquainted with new sets of individuals who come from out of nowhere to sell records, and a whole lot of them. The latest to show the favorable signs of cracking through and making with the good commercial noises that keep everybody smiling broadly are The Capris and their "God Only Knows" pressings, The Jewels' "Hearts Of Stone", The Medallions and "The Letter", The Mellows' soothing reading of "How Sentimental Can I Be", The Cadillacs "I Wonder Why", the ever pleasing Castelles' long list of stellar favorites and The Flamingos' mighty pretty "Dream Of A Lifetime".

Cooperative plus, were the exciting Drifters who spent the last day before their departure with the Biggest Show Of 1954 giving their many wellwishers autographs and photos. . . . Bill Pinckney, of the group, left with us the schedule, and brother, it's a good and long one. Package which also includes Billy Eckstine, George Kirby, Peggy Lee and a whole host of others, kicks off Oct. 15 at Norfolk Virginia's Municipal Auditorium, then its the Pennsylvania, Ohio, Illinois, Iowa, Missouri, and Michigan territories until November 15, where they sit and cool a brief spell while awaiting additional bookings. . . . Jazz lovers digging a plenty the new Cecil Young "Jumping With Syd" smoothie with both listeners. . . . P.S. They're also reaching for more and more of the relaxing works of Chet Baker. . . . As expected, Johnny Ace and "Never Let Me Go" tugging away at the teenagers heartstrings. . . . Here's another of those odd happenings. After lying around for quite a spell with only moderate action, and a follow up release in the streets, triple life comes to Amos Milburn's "Baby, Baby All The Time" etching. . . . Big Maybelle's "I'm Getting Along Alright" expected to bust loose in tremendous fashion but quick. . . . Watch Julian Dash and "Zig-Zag". They're the stellar combination currently gracing the Vee-Jay label which the diskery is banking on to sell like crazy to those who dig the instrumentals. . . . "I Don't Hurt Anymore" dished out by Dinah Washington should remove the pains from the belting top lady of the blues forever and ever. . . . Still moving is Ray Charles' "Don't You Know" ditty.

Louis Armstrong Tells of Early Life In Autobiography

LOUIS ARMSTRONG

Music is Satchmo — Satchmo is music. Louis Armstrong has been a big part of any history of jazz ever written. Rudi Blesh's "Shining Trumpet"; "A History of Jazz in America" by Barry Ulanov; Robert Goffin's early attempts to chronicle the story of jazz, all devoted much lineage to the great Satchmo. "Dippermouth" blazed a never to be forgotten trail across the musical horizon with his cornet and later the trumpet. It is ironic that Armstrong's greatest contribution has been the trumpet about which he writes "It is a funnything, but at that time we all thought you had to be a music conservatory man or some kind of a big muckity-muck to play the trumpet. For years I would not even try to play the instrument".

This is a story a long time coming. New Orleans, and particularly Storyville, the cradle of jazz. Many millions of words have been written about the Mardi Gras, the fabulous Lulu White's Mahogany Hall, Countess Willie Piazza, King Oliver, Buddy Bolden, Bunk Johnson, Kid Ory and innumerable others, most of whom have since died and become part of the fabulous legend of jazz. The tale is not a new one but it is an intimate one. Seen through the eyes of a scared but awe inspired youngster. Satchmo tells of his worldly wise but warm hearted mother and his half dozen stepfathers. The battle for survival in a jungle of always starved men, women and children. Hard bitten women who "kept" their men with never a word of complaint, turning over all their earnings so that the

men could live like "sports", but who carved the menfolk to ribbons if they were even suspected of being unfaithful.

The book is filled with such unforgettable characters as Slippers and Black Benny, rough and tumble men who made their livings keeping the toughs in line at the honkey tonk dives. Deborah and Mary Jack the Bear, who went at each other with enormous bylows (big knives with large blades) in a ruckus. A fight that ended in the death of Mary Jack the Bear. Deborah, whose face was slashed unmercifully, forever bore the reminders of this battle. And others. All told in the simple prose of Armstrong who wrote as he speaks.

Although this is a story of Young Louis, his determined climb to the top with his ubiquitous horn, his ambitions and unwavering loyalty to "Papa Joe" Oliver (Louis sets at rest for all time the constantly circulating story of Bunk Johnson's part in his rise to fame—Satchmo says "I owe everything to Oliver") it is more a story of the times, the scavenging for food. A time when death and misery walked hand in hand with life.

Satchmo takes you through his first experience with the cornet. In the Waif's Home Louis learns the rudiments of the horn. There he fashioned a reputation that preceded him upon his release and he found many opportunities to play the funerals, honky tonks and socials as he worked himself up. From a tolerated and liked youngster Louis moves from job to job until as an accepted musician he is asked by Fate Marable to join his famous river boat bands. Fate was real fast company and Louis sat in with such top musicians as Marable, Joe Howard, Baby Dodds, George (Pops) Foster, David Jones, Johnny St. Cyr and Boyd Atkins. Three years on the boats brought the inevitable invitation from Oliver to join him in Chicago.

Louis' arrival in Chicago brings us to the end of the story. Much more remains to be told but it will have to be another book.

Ozark Jubilee Airs Red Foley And Top Artists

SPRINGFIELD, MO.—If capacity houses, a fresh format, and a well balanced roster of top recording artists, plus a dash of Red Foley is any indication of a good show, then The Ozark Jubilee can easily be included as one of the top country music shows being aired today.

After a year and a half self-exiled absence from radio, the potent-pulling power of Red Foley is apparent once more, as witnessed by the crowds who jam the Jewell Theatre to see The Ozark Jubilee, originating from this city via the ABC radio network and KWTO each Saturday night.

Radiozark Enterprises, producers of the two and half hour country music stanza, have surrounded Foley with top-notch talent, including such stellar names as: Jean Shepard (Capitol), Billy Walker (Columbia), The Foggy River Boys (Decca), Arlie Duff (Decca), Tommy Sosbee (Coral), Porter Wagoner (RCA Victor), Slim Wilson (Decca), Grady Martin and The Crossroad Boys (Decca), Patsy Elshire (Capitol), Hawkshaw Hawkins (RCA Victor) and The Oklahoma Wranglers (Coral).

Talent on The Ozark Jubilee is represented by Lou Black who is general manager of Top Talent, Inc. of Springfield, Mo. Format of the show features guest artists each week with a loose script, and allows for a real, warm and listenable program executed famously by Foley and his cast. The Ozark Jubilee has the strongest nucleus of any new country music show today, and from all observation should continue to grow at a record-breaking pace.

The Cash Box is the first trade magazine to visit The Ozark Jubilee since its advent on July 17. The show has entertained to capacity houses ever since its first broadcast.

Veteran Producers Direct Ozark Jubilee

SPRINGFIELD, MO.—The Ozark Jubilee, ABC netter originating from this city and radio station KWTO on Saturday night from the Jewell Theatre, starring Red Foley and a cast of top recording stars, is produced by Radiozark Enterprises, Inc., who also have claim to a long line of successful transcribed radio shows, featuring Country and Western talent.

No newcomer to the producing of radio shows, Radiozark Enterprises currently have transcribed radio shows and spot announcements being beamed from more than a thousand of the twenty-two hundred radio stations throughout the United States and Canada.

The Radiozark operation is handled in a smooth and exacting manner by a congenial, and intelligent young man—known to the 'trade' as Si Siman—a vice president of the company. Other officers are John Mahaffey, vice-president, and Ralph Foster, president. Foster is also president of Radio Station KWTO.

Radiozark's transcribed series include such names as: Smiley Burnette, Tennessee Ernie, Bill Ring, Shorty Thompson and the Ranch Hands, The Jordanaires, and, of course, Red Foley. In addition to their transcriptions, Radiozark also does recording for RCA Victor, Decca, Coral, Capitol, and others. Talent associated with Radiozark Enterprises is represented by Lou Black, general manager of Top Talent, Inc. Ralph Foster is president of this agency.

Radiozark is keeping a close eye on the television picture, and they have already had several shows on Springfield's KYTV.

**"I CAN'T TELL A WALTZ
FROM A TANGO" (2:08)**

[Harmon ASCAP—A Hoffman,
D. Manning]

**"PEACHES AND CREAM"
(2:08)**

[Tannen BMI—S. Wayne,
J. Sherman]

**PEE WEE KING & HIS BAND
(RCA Victor 20-5889; 47-5889)**

● Pee Wee King and his Band are headed for the top once again with two sparkling sides that should do a great deal for them. On the upper half, Pee Wee leads the crew through a catchy novelty-tango, dubbed "I can't Tell A Waltz From A Tango". Redd Stewart and the trio hand in a bright performance on the vocal end while King and the band back in real delightful fashion. "Peaches And Cream", is a delectable, quick beat platter that the boys serve up in appetizing form. Both ends are packed with quality and should keep the boxes hopping day and night.

**"IF YOU AIN'T LOVIN'"
(2:18)**

[Central BMI—T. Collins]

**"IF THAT'S THE FASHION"
(2:34)**

[Central BMI—T. Collins]

**FARON YOUNG
(Capitol 2953; F2953)**

● Faron Young has everything that is necessary to become one of the leading vocalists in the Country dept. He is currently getting the recognition that his wonderful talent so well deserves with his waxing of "A Place For Girls Like You". His latest effort, "If You Ain't Lovin'", is a quick beat charmer with enough potential to provide the artist with a real smash. Lower portion, "If That's The Fashion", is a moderate beat weeper with touching lyrics that Young projects in a poignant manner. We favor "Lovin'", but don't sell "Fashion" short.

BONNIE & FUZZY OWENS

("X"-0065; 4X-0065)

B "NO TOMORROW" (2:55)
[Ridgeway BMI—Owens, Ellington] Bonnie and Fuzzy Owens richly blend their vocal talents as they come up with a heartfelt reading on a middle beat weeper. Tender lyrics receive an effective string backing.

B "JUST A LOVE FOR SOMEONE TO STEAL" (2:22) [Golden West BMI—R. Yaw, C. Dahlen] Bottom end is an inviting, moderate tempo sentimental piece with a fetching solo vocal by Bonnie. Multiple tracking adds to the deck.

BUCK GRIFFIN

(Lin 1007; 45-1007)

B "ROLLIN TEARS" (2:30) [Lin BMI—A. C. Griffin] Buck Griffin comes up with an enchanting vocal job on an infectious, moderate beat, tearful tune. The chanter's potent delivery makes this a deck to watch.

C "ONE DAY AFTER PAY-DAY" (2:44) [Lin BMI—A. C. Griffin] With the sound of a cash register intermittently ringing along Griffin beams the fact that his many bills cause his paycheck to swiftly disappear. Flavorful instrumentation.

BUD HOBBS

(MGM 11851; K11851)

B "I FOUND YOU OUT" (2:36) [American ASCAP—Woods] Bud Hobbs takes hold of a sentimental, quick beat ballad and treats it to a fine vocal effort. Feelingful lyrics combine with a pretty melody.

C "YOU'RE JUST WHAT THE DOCTOR ORDERED" (2:13) [Hill & Range BMI—Dinning] Reverse platter is a refreshing, up tempo cover job that Hobbs and his Trail Herders deck out in gay style. A pleasing coupling.

JIMMY KELLY

(Imperial 8275; 45-8275)

B "DUNCE CAP" [Commodore BMI—Walker & Fowler] Jimmy Kelly comes up with a real commercial bit of warbling as he zestfully socks out a fast moving ditty with captivating lyrics. A terrific all-around performance that should do well.

B "WHY CAN'T WE KEEP ON DREAMING" [Commodore BMI—Kelly & Collins] Bottom etching is a lovely, middle tempo romantic tune that Kelly fashions in splendid style. A grade "A" pair of waxings.

CAROLYN BRADSHAW

(Chess 4861; 45-4861)

B+ "OH! I LIKE IT" [Arc BMI—P. Covington] Smoochin' in the moonlight is the thing that appeals to Carolyn Bradshaw. In turn, the heap of coin that this waxing will draw should appeal to ops and dealers alike. A charming, quick beat novelty with enticing lyrics. Could be big.

C "THIS IS THE NIGHT" [ARC BMI—P. Covington] Lower lid features another dandy vocal job turned in by the thrush on a sprightly, fast tempo romantic item. Colorful instrumental support.

JIMMIE OSBORNE

(King 1393; 45-1393)

B "AN EMPTY OLD COTTAGE" (2:24) [Redd Stewart BMI—Stewart, Hall] The soft and polished chords of Jimmie Osborne come through in top drawer style on a middle tempo, romantic lament. The chanter refuses to sell the house that reminds him of his lost love.

B "LET ME BE) THE FIRST ONE TO KNOW" (2:04) [Regent BMI—D. Coleman] On the under end Osborne waxes a moderate beat, sentimental piece in warm and sincere fashion. Engaging wedding of melody and lyrics.

FRANKIE HERMAN

(Music 432; 45-432)

C "IT WON'T BE TEXAS TO YOU" (2:32) [Franz Schubert BMI—K. Sladek] The tantalizing vocal and instrumental stylings of Frankie Herman and his Central Texans are a treat to the ear as they belt out a fast moving ditty with amusing lyrics.

C "I'VE GOT MY DRUTHERS" (2:28) [Franz Schubert BMI—K. Sladek] Lower deck is a quick moving, light-hearted piece that Herman etches in smooth style. A good pairing.

JIMMIE DAVIS

(Decca 29278; 9-29278)

B+ "TALLER THAN TREES" (2:55) [Robbins ASCAP—L. Ferebee] The mellow tones of Jimmie Davis come across in winning fashion on this inspiring religious piece. Soul-stirring mid-deck recitation.

B "NEAR THE CROSS" (2:26) [Vern BMI—W. Jones, J. Davis] On the under portion, Davis continues in the gospel vein as the Anita Kerr Singers back in eloquent style. Powerful fare for the sacred market.

WAX-WISE

Spotlighting The Artist. . . . The turning point in an artist's life can either be humorous or sad—or it may just be unexpected, as when Harold "Hawkshaw" Hawkins entered his first and only amateur contest on a dare. Not only did he win, but he gained the start of his career in radio as well.

HAWKSHAW HAWKINS

Hawkshaw was born December 22, 1921, in Huntington, W. Va. After winning the contest mentioned above, he also won himself a spot on WSAZ in Huntington . . . earning \$15 a week. 'Hawk' . . . as he's known to his friends, entered the Army in 1943, served in the European Theatre with the 197th Engineering Maintenance Corps and took part in the Battle of the Bulge. After his release from service, he returned to radio via station WKST in New Castle, Pa. In 1945, Hawk did a guest artist spot at 50,000-watt WWVA in Wheeling, W. Va., where he was given a permanent job and immediately won two of the station's popularity prizes. In 1948, Hawk joined WFIL-TV in Philadelphia, but returned to WWVA after five months. Hawk's first personal appearance tour ran between February and September of 1952 through more than a dozen eastern and midwestern states, also parts of Canada. Hawk joined RCA Victor as a recording artist in May, 1953. Thirteen months later he moved from WWVA to station KWTO in Springfield, Mo. soon after touring that region with the company's first Country and Western Caravan. At present, Hawk is featured on the Radiozark Jamboree program—"Ozark Jubilee" Hawk's current and latest RCA Victor release is "I'll Take A Chance With You" and "Why Don't You Leave This Town."

Here and There

WASHINGTON, D. C.—A number of coinmen, particularly from the East, attended the NAMA Convention, held in this city. Some of them had very little interest in vending machines, while others were operating vendors along with all other type machines. They claimed that their primary interest in attending was to meet with other coinmen friends whom they hadn't seen for quite a while. Wouldn't it be nice (socially) and practical (economically) if at some time in the future all branches of the coin machine industry would hold conventions simultaneously at the same time and in the same city?

NEW YORK—Operators of kiddie rides have found variety stores to be fine locations for their equipment. Parents bring their kids along with them when they go shopping, and if kiddie rides are available, the machines get a good play. A complete new guide titled "Nickels, Dimes and Dollars", has been published by the Variety Store Merchandiser, 192 Lexington Avenue, New York, N. Y. The guide, with accompanying map, shows distribution of variety stores. Names and city locations of buying offices and distribution or regional offices of variety chains with ten or more stores are given. Copies are available without charge. Kiddie ride ops might send for a copy.

BUFFALO, N. Y.—After a lapse of some time, the controversial cigarette-cancer matter broke once again in the public press. And this one is of no help at all to the cigarette vending fraternity. As is well known by this time, the experts in the medical field can find no basis for agreement that cigarettes are definitely a cause for cancer. This week, at a meeting in this city, the Public Health Cancer Association adopted a resolution urging people to stop smoking cigarettes, with the aim of reducing cancer. The advice being handed out by the association evidently doesn't seem to effect the personal decisions of those medical experts themselves, as the report stated "Adopted in a smoke-filled room, the resolution and most of the discussion that preceded it concerned cigarette smoking." Criticizing the above decision, the scientific director of the Tobacco Industry Research Committee, Dr. Clarence Cook Little, took issue with the resolution. He issued a statement, which read in part "No convincing clinical or experimental evidence has yet been brought forward that cigarette smoking is the positive cause of lung cancer. . . . Statements of a definite and final nature concerning the relationship between any human habit and cancer are, at the present time, premature, if they leave the impression of conclusive and complete coverage of that relationship."

More Biz For Coinbiz:

President Eisenhower's \$50 Billions 10 Year Road Building Program Means More Business for Coinbiz

President Eisenhower's 50 Billion Dollar 10 year road building program which, at first, many thought was rather far-fetched is speedily getting under way.

Leading road authorities, in various states throughout the nation, report that they have planned far ahead, ten years ahead, and that they are getting important roadways started.

The majority of these authorities, according to some business reports, believe that the amount spent on roads for the next decade will run about \$40 Billions.

A great many road experts believe that the \$50 Billions mark, as brought into the open by President Eisenhower, is closer to the figure that will actually be spent in the next ten years and, some even believe that, before the decade is over, more than \$50 Billions will have been spent.

This is sure to be a tremendous boon for all types of business. It means that the ever growing number of American autoists will now have the opportunity of more easily getting around the countryside.

It means the opening of thousands of locations everywhere in the nation.

More suburban communities are bound to spring up as the roads are developed. This means thousands of new locations in new suburbs all over the nation for operators of all kinds of equipment.

At the same time it means more roadside motels, more restaurants, more taverns, more businesses of all kinds, locating along the many new roads planned in this \$50 Billions program.

More gas stations, resorts, country clubs and so many, many more businesses will be extending away from the center of the nation's large cities.

There is no doubt that all these new businesses will be most heartily welcomed by all in this industry, as well as all other industries, for to bring these roads into being higher gasoline taxes than ever known before, as well as higher state income taxes are bound to be voted into effect.

This means that with overhead expense tremendously increased by such taxation more business will be necessary to assure businessmen an opportunity to earn more.

As the \$50 Billions worth of new roads begin to stretch its many, many miles away from one large city after another, deep into the countryside of the nation, more and more new communities are bound to arise at termination and crossing points of these new roadways.

This means that more equipment will come into being to handle the many, many thousands of more new businesses that are going to pop up all over the country.

It will also mean the creation of more new operating companies spreading their routes out to ever greater proportions to be able to meet the demands of the roadside businesses.

Here, then, is a tremendously stimulating factor for all those now engaged in any or all of the industry's three divisions: music, amusement or automatic merchandising, to plan far enough ahead, as the years come on, to be ready to take complete advantage of the new suburban communities and the new businesses that arise with these suburbs.

Since this business development will cover an entire decade, according to present plans, it means that the average operating firm has plenty of time to consider how it will meet the needs of these new type of locations as these locations come into being.

It also means that the purchase of new equipment now, and for some years yet to come, will be exceptionally profitable from the standpoint that, as these new roads bring into being new locations, the better equipment can be spread out and moved down the line to learn what is best liked by the peoples patronizing the newer communities.

Nor is this planning too far into the future. The fact remains that many new roads are already under way. Many are already completed. And, as a state completes one new road, it starts on another. This is going on all over the nation.

It means that operators are suddenly discovering new locations in their own territories. These locations can benefit from everything the operators have learned over the years, assuring the location owners, the location's patrons and the operators themselves—a greater, finer, more prosperous future.

MOA SETS 1955 SHOW DATES

Convention to be Held Monday, Tuesday and Wednesday, March 28, 29 & 30 At Morrison Hotel, Chicago

GEORGE A. MILLER
(President, Music Operators of America)

OAKLAND, CALIF.—George A. Miller, president of Music Operators of America (MOA), this week announced the dates for their annual convention.

The convention will be held Monday, Tuesday and Wednesday, March

28, 29 and 30, 1955, at the Morrison Hotel, Chicago.

"The Morrison Hotel, with its new ballrooms, and newly decorated meeting rooms can accommodate the music operators and exhibitors better than any other hotel at this time" stated Miller. "The room rates are reasonable, and the hotel is large enough to take care of everyone."

MOA will sell exhibit booths in the Main Exhibit Room, and will also have parlors to accommodate the major record companies, as usual. A package deal, Miller advised, for the exhibitors will be less expensive this year than in past years. "From the many inquiries already received regarding the convention", said Miller, "this should be the greatest and best attended convention of all time."

Rates and number of exhibits to be sold will be released by MOA in the very near future, and all exhibitors who attended the last MOA Convention will receive letters inviting them to make early reservations.

Miller advised MOA will again invite vending machine manufacturers, and kiddie ride manufacturers to exhibit their equipment.

Members who will serve on the various committees will be announced shortly.

NAMA Convention Draws Record Attendance To Washington, D. C.

WASHINGTON, D. C.—The nineteenth annual convention held by the National Automatic Merchandising Association (NAMA) from October 10 to 13 at the National Guard Armory, this city, was the most successful ever held by the organization, with an estimated 5,000 coinmen and merchandise suppliers in attendance.

I. H. Houston, president of NAMA opened the convention with a speech on Sunday. A number of speeches, special meetings and forums were then held during the remaining days.

Altho merchandise displays dominated the show, as usual, this year the vending machines were more in evidence than before. Cigarette machines and drink machines were the machines given the biggest and most numerous displays. Not only did the established firms display new models, but a number of new manufacturers exhibited equipment. Multiple vending was highlighted, in both cigarette and drink machines. Cigarette ma-

chines in particular featured equipment which could vend the increased number of brands now on the market.

As usual, on display were machines that vended everything from peanuts to perfume. A number of penny vendors attracted good attention.

The vendor which seemed to attract the greatest attention, from a novelty angle, was the Balloon vending and blowing up machine, exhibited by Oak Rubber Company.

As the coin machine industry runs separate conventions for its different divisions, and some divisions do not have any conventions, coinmen were seen making the rounds who had little or no interest in the vending equipment. However, they pointed out that many of their friends would be in attendance, and it was a good time to have a get-together.

Many of these coinmen found themselves gathering at the Hotel Suite of Bill Cane of the American Dryer

Chi Flood Damages Many Ops Machines

Manufacturers Production Slowed When Electric Power Cut 50%. Distribs Also Suffer Water Damage to Stock

100,000 Workers Laid Off Thruout City. Mfrs. Hope to Return to Normal by End of Week

CHICAGO—The torrential downpour that flooded much of this city this past week, the worst rains Chicago has endured in 69 years, took its toll of many operators' machines all over this area.

Worst hit were hideaway installations and converters which were placed in basements. Operators reported that some of their hideaway units were totally ruined. Others claimed they wouldn't know the extent of the damage until the flood waters receded and they could estimate how badly their hideaway units and converters were damaged.

In some south and southwest section locations here operators reported that the flood waters had totally filled their basements and that equipment, parts and supplies stored in the basements were badly damaged.

Some locations, where water reached above floor level, damaged lower parts of phonographs and games. This damage was considered slight in most cases. Some operators reported that location owners put their phonos up on boxes to protect the machines from the flooding waters.

Majority of the damage was in basement storerooms where many machines were totally flooded and parts and supplies all waterlogged.

Distributors here also suffered water damage to basement storeroom

Company, who held open house at the Shoreham.

At Sunday's business session, I. H. Houston was re-elected to serve another term as president. All other officers were also re-elected, and three new directors were named. Officers re-elected were John T. Pierson, first vice president; William S. Fishman, second vice president; and Thomas B. Donahue, treasurer. New directors are Sidney Kronenberg; Harold Gallarneau; and Bert Mills.

stock. But, on an overall average, and in view of the fact that the distributors are located in the north and northwest sections of the city which were not too hard hit, business continued on ahead as usual with very little damage to machines and merchandise reported by the distributors.

Manufacturing was slowed down when the Commonwealth Edison Company notified all factories that electric power must be cut 50 percent because two of the largest electricity producing stations were completely closed down due to the flood waters.

The Loop downtown area of the city took on wartime brownout proportions when street lighting was cut 50% from normal. Many large signs were cut off entirely. The spectaculars were completely out.

Some of the manufacturers reported that the slowdown on their production schedules would backlog them for some days to come. They hoped to return to normal by the end of the week and speed production to catch up with their regular schedules.

About 100,000 workers were laid off thruout the city as the very large factories were forced to shut down for the time being until electric power returned to normal.

In the meantime word was being received from outlying sections of the city that some operators suffered very severe damage. Surrounding towns, where flood waters were continuing to rise, declared emergencies.

Ops in these towns were attempting to move much equipment in an effort to save machines from threatening flood waters of over swollen rivers.

It was impossible to ascertain the financial extent of the damage caused operators in this city and in surrounding areas. It is believed that, as the waters recede, more reports will arrive and, sometime this forthcoming week, some idea of the extent of damage caused by the torrential rains will become better known.

October 1 to 8, 1954 was National Newspaper Week. Again the nation's newspapers reaffirm their dedication to the task of serving their communities.

**The Chicago Daily News
devoted a full page addressed to
Dear Publisher
in which the reader of the paper
expressed his reasons for
being a subscriber**

The Publishers of The Cash Box would like to lift some of the views from the long text—and apply it to our subscribers—inserting Coin Machine Industry instead of an individual citizen from the general public.

Dear Publisher:

I am your reader.

For only a few cents a week I purchase your magazine.

For the price of that small, hard coin I expect to be kept informed by you of what goes on in my industry.

That is a large order, I know. But I expect it from you, Mr. Publisher, and so do your other readers who depend on "The Cash Box" for information.

The contribution you have been making and continue to make to maintain all of the things that are dear to all of us is an incalculably valuable one.

* * *

I judge you every week by your product.

Occasionally you hear from me through my letters to your editor, complaining about something, or commenting on things that interest me. Aside from that, however, we go our respective ways.

Let me tell you something about myself.

I am an average person, with foibles and good points.

I work hard every day to maintain my family, and to be counted in my community as a decent citizen.

I have hopes and aspirations. I look to the future, not only for myself, but for my family, community and country.

I own an automobile, and my wife has a washing machine, refrigerator and many other gadgets which make our life at home pleasant and comfortable. My children take dancing lessons. Sundays we enjoy going to the beach or the park for a picnic.

Here are some of the things I expect from you.

The very first thing is leadership. I expect you to take a stand, and not straddle the fence whenever an important issue arises. It is not always necessary that you be right. As long as I know that in stating your position you do so from a clear conviction that it is in the best of the industry's interest, I will understand, even though I may disagree with you sometimes.

* * *

I expect your advertising to be truthful and honest to the best of your ability.

I read your advertising pages religiously. The ads you run always give us a chance to keep up with what the manufacturers are producing.

The reconditioned equipment ads you run give us a chance to price the equipment, one against the other, to see where they may be purchased, and to judge for ourselves the merchandise offered for sale.

Advertising is as important a part of your magazine as any other information carried.

* * *

These then, are some of the things I wanted to tell you about, Mr. Publisher.

I hope you don't mind my speaking so frankly and so freely.

I am doing my share to make my country a better place to live in for myself, my family and my children.

If we both give the best that is in us, perhaps the world some day will return in kind to us.

L.A. Ops Provide Talent For School Assembly

Ops Cooperate With Parent-Teachers Assoc. Pledge "Clean" Records In Phonographs

LOS ANGELES, CALIF.—In cooperation with the Parent Teachers Association of San Fernando High School, San Fernando, Walter J. Hemple, president of the LA Division of the California Music Merchants Association, and his partner Homer Razor provided the talent for the school assembly recently. Ben Chermers, business manager of the local association, acted as emcee. The artists who appeared on the program were very well received by the entire student body. They in-

cluded The Jones Boys (S&G), Kay Brown (Crown), The Mulcays (Cardinal) and the 4 Stars (King). The assembly ended on a serious note as Chermers explained the desire of the Association to keep the records on the juke boxes clean and wholesome so that teenagers as well as parents can enjoy this great wealth of entertainment provided by the artists, record companies and phonograph operators. He also emphasized the desire of the association to work with the youth groups in the area.

Seacoast Shows New Rock-Ola Phono in N. Y. and Elizabeth, N. J.

NEW YORK—Dave Stern, head of Seacoast Distributors, shuttled between his office on coinrow, New York, and that in Elizabeth, N. J., on Thursday and Friday, October 14 and 15, during the firm's showing of the new Rock-Ola 120 selection hi-fi and 50 selection hi-fi phonographs.

Bob Slifer and Charlie Reissner greeted the operators in New York, and Ed Adams and Herman Halperin played hosts in Elizabeth.

Attendance on Thursday was large at both offices, with operators offering high praise for the phonographs, and placing fine orders. Friday's attendance was fair due to the appearance of "Hazel" hurricane, which brought high winds and rain. However, a number of hardy ops did attend.

Stern and his staff are highly optimistic that Rock-Ola has a "hit" pho-

nograph in each model, due to the immediate acceptance of the music operators who saw the machines demonstrated.

New Keeney Cig Vendor Hit At NAMA

WASHINGTON, D. C. — Paul Huebsch, salesmanager of J. H. Keeney & Company Incorporated, Chicago, reported that visiting operators at the N.A.M.A. show in Washington, D. C. last week, manifested considerable interest in the new Keeney Deluxe Electric Cigarette Vendor.

Huebsch says, "The new cigarette vendor is a total departure from the original design of the Keeney vendor and is truly a work of art in streamlined design. It has a capacity of 656 regular or king size packs which are vended alternately from the front and rear of eighteen columns. Both the left hand and right hand outside columns can be arranged to vend flat boxes of cigarettes in all standard brands when specified by the operator, otherwise each column is adjustable to vend conventional regular and king size packs. It is not necessary for the operator to fill each column with packages of the same brand, because the packages are visible to the purchaser and the pack you see is the pack you get. The new vendor meets all pricing requirements, it being only necessary for the operator to make a quick and easy price adjustment at each of the columns."

The new Keeney vendor operates on any combination of nickels, dimes and a quarter through a single coin opening and returns a nickel when three dimes are inserted for a 25c sale. The manufacturer claims the machine is utterly jam-proof and cheat-proof, that it is impossible to overpay, underpay, or get free cigarettes from the machine. Any underpayments or overpayments are returned to the patron by pressing the coin return lever. Machine is equipped to prevent "jackpot" of cigarettes or matches.

To load cigarette vending columns,

operator merely raises the hinged top whereupon a convenient shelf drops forward to hold cartons during the loading process. Cigarette packages are deposited at top into the front and rear of the eighteen columns and vend alternately from the front and rear at the bottom. Cigarettes from previous loadings are thereby vended first and the package for sale is always visible to the purchaser. The match dispensing mechanism is completely removeable when the top is swung upward and is also easy to load. Matches can be vended as follows: (1) Free matches with each pack, (2) Free matches by pulling lever after pack is delivered, or (3) Matches obtainable by inserting a penny.

According to Paul Huebsch, salesmanager of the Keeney company, the mechanism is extremely simple and the new vendor operates with a quiet smoothness that is practically silent. The cabinet design is ultra-modern with a large handsomely silvered mirror at front which recedes at top, set off by inverted lighting. The cigarettes are displayed in an inviting arrangement with all brands appearing in eighteen glass-covered display windows at bottom of each column. Provision is made for locking cash box and storage cabinet securely to prevent pilferage. A large storage compartment is accessible through the front locking door. Cabinet is all steel throughout, coated with heavy baked-on enamel in a wide variety of colors and finishes ranging from solid colors and wood grains to Hammerloids. It is comparatively lightweight. Trim is highly polished and adds to the overall streamlined effect. Dimensions are: 37½ inches wide by 15 inches deep by 62 inches high. A new circular is available by writing to J. H. Keeney and Company.

THRU THE COIN CHUTE
NEW ENGLAND NIBBLES

Barney and Louis Blatt, Atlas Distributors, returned to the wars after an absence of several years, when they opened their doors on Saturday and Sunday, October 9 and 10, to introduce the new model AMI "F" to New England ops. On hand also to greet the 300 music operators who attended the showing was Jack Mitnick, regional representative of AMI. Reports indicate that the operators, not only welcomed the Blatt brothers back into the fold with open arms, but were highly enthusiastic over the new phonograph—many placing substantial orders while there.

Hot weather still baking New England to the point where ops are perfectly willing to give Indian Summer back to the Indians. Temperatures in the middle 80's are keeping customers out of doors and away from inside plays. The hot weather has caused a bit of ennui along coin row. . . . The Columbus Day holiday found only a few of the distribs open. . . . Irwin Margold, general manager Trimount Automatic Sales Corp., reported business on a terrific upswing. Said Seeburgs going big guns; business sparked by local and foreign orders; firm working three nights a week to keep up; ops reporting good collections. Ops in the territory were reported in good shape now following the several weather setbacks they experienced this season. Irwin expressed the opinion that good business is coming from the extra fine equipment manufacturers are now putting out. He cited the Gottlieb "Super Jumbo" pin game, the Williams' "Jet Fighter," Chicago Coin's two new bowlers, "Holiday" and "Flash," and United's "Singapore" pin game as examples of exceptional equipment that ops have to work with today. Between 75 and 100 ops were clocked in at Trimount on Monday, Sept. 11, to view the new equipment. "It was almost as if we were running a showing," said Irwin. Trimount made history this week with the first cracking of the Sears Roebuck Co. A 200-selection Seeburg Library Unit was installed in the firm's new Manchester, N. H. store. Other installations will follow in new Sears stores, it was indicated. Seeburg non coin equipment was also installed in First National's Natick, Mass. supermarket.

At Redd Distributing Co., Bob Jones, sales manager, back from a fast swing through the Connecticut territory, reported ops wishing for cold weather in the Nutmeg state to increase inside plays. John McIlhenny, Wurlitzer district sales manager, and Hank Petit, service manager, setting up schools for ops at Redd's. . . . Harry Poole back on the local scene visiting old friends in the distributing end. . . . Jerry Flatto, Boston Record Distributors, working out programs for Veterans Hospital shows. Ops Dave Baker, Arlington; Harry Walker, Newport, R. I.; Bill Goudreau, Manchester, N. H.; Al Dolins, Hyannisport, spotted at Boston Record this week. . . . Ops catching Kitty Kallen at Blinstrub's and Billy Eckstine at the Latin Quarter. Billy made a personal appearance between shows at the Boston Press Club Thursday night, Oct. 14. . . . More promosh for record artists coming into Beantown is being urged by ops and distributors. Many come in and depart without much fanfare. Ops feel local publicity, disc jockey appearances and more flash would result in more plays out in the sticks.

Mail "Cash Box"

Detroit Locations

DETROIT, MICH.—On receiving his copy of *The Cash Box* this past Monday morning, Roy Small, Conciliator and Public Relations Director of the United Music Operators of Michigan, phoned immediately to *The Cash Box*, for 5,000 reprints of both Pages 38 and 48 of the October 16, issue for immediate mailing to all locations in the City of Detroit.

"This", Roy Small stated over the long-distance telephone, "is just what we were looking for. We believe that both of these pages, mailed to every location in Detroit along with a special letter which we are now preparing, will be just exactly what we need to get 10c phonograph play started here."

Small also advised that operators in Battle Creek and Jackson, Mich., as well as Kalamazoo, Mich., are on their way with 10c play.

"As you know", he reported, "Grand Rapids is already on dime play. Now operators from Jackson, Battle Creek and Kalamazoo are on their way in here to tell our Detroit operators how they started 10c play in their areas."

"There is no doubt", he concluded, "that every single operator in the automatic music industry should bow low to 'The Cash Box' for the great work it is doing to help them to enjoy greater income."

A Reason For 5c Play

CHICAGO—A well known music operator who has been featuring dime play on all of his equipment for some time now, sent in the following item with the question:

"Could this be the reason why some of the operators like to stick with 5c play?"

The item: A young boy was selling newspapers. A kindly old man came along and asked the boy, "What do you sell the papers you sell cost you?"

"Two cents", answered the boy.

"What do you sell them for?" asked the man.

"Two cents", declared the boy.

"Goodness, son", said the man, "you can't make any profit doing business that way. Why do you sell papers for what they cost you?"

"Oh", answered the boy, "I do it because it gives me a chance to holler all I want to."

COPELAND DISTRIBUTORS

Oklahoma City, Okla.

OKLAHOMA CITY, OKLA.—

Wayne E. Copeland, president of Copeland Distributors, Inc., this city, held his showing of the new AMI model "F" phonograph on Wednesday and Thursday, October 6 and 7.

"The acceptance of the Model 'F' by our operators and the public in general" stated Copeland, "was nothing short of being a complete sensation. Actual orders received were five times more than any phonograph that this organization has shown in the past nine years."

In addition to the showing for music operators, Copeland held a private viewing for the press, radio and television people. 34 members of these industries attended. "Their enthusiasm for the 'F' with its superlative sound system was terrific" said Copeland, "and we have some very good publicity which will be beneficial to the coin machine industry coming out in the Oklahoman and Times which has a daily circulation of 265,000. This is the first time that we have been able to get these people to print anything in our favor."

Ed Ratajack, regional representative for AMI, was on hand for the factory.

SOUTHERN AUTOMATIC MUSIC COMPANY

Louisville, Ky.

LOUISVILLE, KY.—Leo Weinberger of Southern Automatic Music Company, this city, reported that the firm's two day showing, Saturday and Sunday, October 9th and 10th, of the new AMI Model "F" phonographs, "were the biggest in all our many years history in this industry".

Weinberger stated, "I've never before seen anything like it. The interest that was shown in the new 'Multi-Horn' High Fidelity AMI Model 'F' with 'Sonoramic Sound' was something to really marvel at.

"Everyone of the music operators who saw the many beautiful colors instantly chose one or two or three colors that they wanted for various locations.

"Tho the men and women who came early and remained until after midnight each of the two days of our showing, complimented us on the beautiful and outstanding colors, they all actually applauded the high fidelity tone.

"They were amazed at how AMI's engineers were able to get the big eight foot horn into the AMI Model 'F'. When we showed them, by illustration, how this horn was arranged in the lower cabinet, and the reason why this was true high fidelity sound, they just simply marveled at the craftsmanship and ingenuity of the AMI engineering department.

"All we can say, now that our two day showing is over, is simply thanks to everyone who attended to make this the biggest and most outstanding show we have ever yet held in all our history.

"We believe that every single music operator, his mechanics and his family were tremendously thrilled and extremely pleased with the new AMI Model 'F'.

Detroit's Police Dept. Works With Michigan Music Ops Assn. Teen-Ager Program

Disk Jockey Austin Grant of CKLW and Larry Gentile of WJBK To Participate Also In Program

ROY SMALL
Conciliator and Public Relations Counsellor,
United Music Ops of Michigan

DETROIT, MICH.—A very outstanding plan has just been put into effect by Roy Small, public relations counsellor and conciliator of United Music Operators of Michigan, to benefit teenagers thruout this city.

The plan calls for the setting up of Entertainment Committees from among the operator members of UMO to work in conjunction with the Inspectors of the 14 Police Precincts in this city.

UMO will arrange to give juke boxes and complete record service to clubs, recreation centers, churches, schools, and all other places where teenagers gather.

The entire expense of furnishing and maintaining the juke boxes will be the obligation of United Music Operators of Michigan.

Once the entertainment centers have been set up under the direction of the Entertainment Committees of UMO, in cooperation with the Inspectors of the 14 Police Precincts here, and guided by Police Commissioner Edward J. Piggins and Inspector Ralph Baker of the Detroit Police Youth Bureau, then a plan of Talent Programs for the teenagers will be put into effect.

Recording artists will be invited to attend the Talent Programs. Disk Jockeys Larry Gentile of WJBK and Austin Grant of CKLW will preside. Winners will be chosen and elimination contests will then be held.

The winners of the elimination contests will then appear on a National Amateur TV Program. The trip to be financed by the UMO of Michigan.

Voluntary contributions will be accepted from audiences who come to hear and see the Talent Programs. These contributions will be handled by a committee of newspaper, school, radio and club representatives for further financing of youth entertainment for this city.

Attempts will also be made to get

the winners of the Talent Programs on radio and TV stations.

Because of the tremendous interest here in regard to this most outstanding public relations plan of UMO, Inspector Ralph Baker of the Detroit Police Youth Bureau will represent Police Commissioner Edward S. Piggins and will speak at the special meeting of the UMO on October 18.

This will be the same meeting where the date will be set for the entire City of Detroit to change over to 10c juke box play.

Sol Gottlieb, represented D. Gottlieb & Company in Pittsburgh, at the B. D. Lazar Company showing. Ben Lazar was host of festivities there.

"'Super Jumbo,'" reported Alvin Gottlieb, "was very well accepted at these showings. In all three cities the acclaim was terrific. Comment was extremely favorable, just as it has been all over the nation.

"As a multiple-player amusement machine, allowing for one, two, three or four players, 'Super Jumbo' has terrific competitive appeal. It is winning over all who play it."

8) "We test and/or experiment with any coin operated music device that may be submitted to any operator where the operator feels that tests should first be conducted before use.

9) "We constantly are at work arranging for the most strategic placement for the operator's phonographs in any of his locations.

10) "We work out the best means possible to prevent vandalism or damage to the operator's equipment.

11) "We furnish each operator with a private publication which is known as our 'News-Scope' and which gives him confidential information.

12) "Our firm will cancel any contract with any operator on sixty days notice if the operator is not most completely pleased in every possible fashion with the public relations services we render him."

Both large and small operators here who subscribe to Dale's service report that it has proved the most beneficial of any that they have ever yet used and all have high praise and regard for his untiring efforts in their behalf.

At the present time Dale is confining himself completely to the City of Chicago and tho he has been asked to take on accounts outside the city believes that he will not be able to give them the same fine service at this time.

varying patterns. The player-gunner sights the three target planes atop the jet pursuit plane which is usually aimed and controlled by the player as he touches the trigger to knock planes numbered 1, 2 and 3 out of the sky. A beam of light shows precisely where hits are scored and three bullseyes in any one flight change the course of the planes on the next sweep across the backboard and score "extra flights" and the bonus score.

The Match-Score feature with the number, star, or plane and the replay feature add to its attractiveness.

The game is said to hold superlative appeal to the imagination of players as it virtually transforms them into air-commandos to challenge their shooting skill. It has high scores with scores increasing progressively in 5th, 10th and 15th flight as well as when 3 perfect hits are made in any single flight. The "Super Jet Fighter" is said to be rapidly finding its way into locations everywhere. It is also available as "Jet Fighter" without the match or replay feature.

CHICAGO, Oct. 10. — Reports which are clearing through Williams Manufacturing Company from distributors indicate a surging demand for Williams "Super Jet Fighter," according to Sam Stern, executive vice-president of the Williams company.

The new "Super Jet Fighter" gun-game, with "true moving targets" in the form of 3 jet planes speeding repeatedly across the back screen, is said to be holding sustained play in locations noteworthy among which are original test locations, where the units have been installed for several months. The new shooting machine is also on location now in prominent amusement arcades throughout the country where it is reportedly gaining steady patronage.

The "Super Jet Fighter" gives the player up to fifteen fast flights of three jet bombers as they swoop, dive, or soar across the board in ever-

N. Y. Games Ops Banquet Dec. 19

NEW YORK—With the annual dinner held by the Music Operators Association of New York now over, George Ponsler, manager of the Associated Amusement Machine Operators of New York, Inc., is starting to put all his efforts into building the annual dinner-dance of the games operators into the biggest yet held.

While the music association was working on its annual affair, Ponsler felt that it would conflict, and didn't wish to bother the operators with an-

other dinner matter at the same time.

The amusement machine operators association dinner-dance will be held on Sunday night, December 19, at the Latin Quarter night club. The previous banquet by this association was also held at this club, and everyone had a most wonderful time viewing a top Broadway night club show, and being served a fine dinner.

Ponsler, with the assistance of Claire Morano, is handling ticket reservations, and ads for the journal.

It was like old times in the big city this week. Two showings of new phonographs bringing operators to coinrow, as well as out of town visitors. Then the big annual banquet of the Music Operators of New York for Saturday night, October 16 at the Waldorf Astoria, which also brought in out of town coinmen.

Runyon Sales held a two-day showing of the AMI model "F" at their New York showrooms on Tuesday and Wednesday, October 12 and 13. Barney (Shugy) Sugerma headed his large staff who greeted the music ops. Abe Green of the Newark, N. J. office also spent the two days in New York. Abe, Ed Burg, Felix Fleischman & staff played hosts to Jersey operators on Thursday and Friday, October 14 and 15, when they held their showing in Newark. Jack Mitnick, regional representative for AMI, was on hand for the New York showing, but couldn't make the Jersey party. Bill FitzGerald, AMI advertising and sales promotion manager, took in both the New York and New Jersey showings. The Runyon staff reported unusually large attendance at both offices, and great enthusiasm by music operators. Sugerma and Green stated substantial orders were placed by operators before they left the showrooms. Also attending the Runyon showings was Art Garvey, Bally regional representative, who talked up the Bally line of amusement machines for which Runyon is distributor. Art, who is sporting a wonderful thatch of chestnut brown hair (secret formula), came in from Pittsburgh, Pa., where he attended the Lazar showing. From New York, he heads to Buffalo. . . . Mitnick and FitzGerald, who attended showings of their distributors in Boston, Philadelphia and Baltimore, reported the same enthusiastic reception by music operators. . . . Jules Olshein, Olshein Distributing Co., Albany, N. Y., spends Columbus Day in the big city. . . . Mac and Phil Greitzer on the row, buying parts and supplies. Mac tells us that their "Baseball Batting Range" in its second year in Brooklyn, did sensationally. . . . Humbert Betti, Union City, N. J. operator, back home after a four-month trip through Europe.

Rock-Ola's new 120 selection, Hi-Fi phonograph, was introduced by Seacoast Distributors to New York and New Jersey operators on Thursday and Friday, October 14 and 15. Dave Stern shuttled between New York and Elizabeth both days. Bob Slifer and Charlie Reissner greeted the music operators in the big city, while Ed Adams and Herman Halperin did the honors in Elizabeth. Stern stated that large numbers of operators visited the two offices. "The machines made a wonderful impression on the operators," said Stern, "both as to appearance and mechanically. We are happy to report we booked quite a bit of business." . . . Coinmen returning from the NAMA Convention in Washington, D. C., report that it was quite a show. Among local coinmen seen there were Dave Stern, Barney Sugerma, Abe Green, Bob Slifer, Mike Munves, Joe Munves, Herb Klein, Bill Rabkin, Max Weiss, Jack Schoenbach, Moe Mandel, Bill Weiner, Murray Weiner and Sam Kresberg. Ben Smith, advertising agency man, who attended the show, was pleasantly surprised to meet his son George there. George, a student at Princeton University, hitch hiked to Washington on Sunday. . . . Irv Kaye, Activeair, reports production going full blast on its hand dryer, with more and more distributors being set up throughout the nation. . . . Catch up with a group of music ops at Atlantic-New York Corp. (Seeburg distrib) discussing dime play. In the group were Meyer Parkoff of Atlantic, and operators Sal Trella, Lou and Harold Herman of White Plains. . . . Herman Silver, retired music op, celebrated a birthday Oct. 12. Silver intends to spend the winter traveling with his wife through the West and Southwest. . . . Hymie and Harry Koepfel, Koepfel Distributing, busy unloading a shipment of the better type used music machines. "They're sold," said Hymie, "all we'll do is a reconditioning job." . . . Joe Young and Abe Lipsky, Young Distributing, all smiles as they await a new carload of Wurlitzer phonos. Young tells us the machines move out as quickly as they're received. . . . Al Simon, Albert Simon, Inc., tells us games ops are wild about ChiCoin's new "Flash Bowler" shuffle game with the traveling score lights. . . . With the music operators' banquet history when you read this, we can now talk about the Annual Dinner and Banquet scheduled by the Associated Amusement Machine Operators of N. Y. (games ops) for December 19 at the Latin Quarter night club.

Willie Blatt of Supreme Distributors, Inc. juke box operator of long standing and Lucky Sko'nick of Lucky Amusement Co. have combined their music routes and are now known as Music Makers, Inc. The route will be run by Lucky, and Willie will concentrate more fully on the manufacturing of his gun, the "Bulls Eye." . . . Jack Kaufman of C & L Music Co., is taking things a little easier now that his son Buddy is out of the hospital (caused by an automobile accident) and helping out on the music route. . . . Jo Ann, daughter of Eddie Leopold, also of C & L Music Co., has just celebrated her first birthday. . . . Regardless what time of the day or week you visit the AMOA office, you are bound to find operators gathered around shooting the breeze and little can you blame them as the office is delightfully cool on account of it being air conditioned. . . . Arrangements have gotten under way on the AMOA's 4th Annual Dinner & Dance which will be held at the Saxony Hotel, Miami Beach, on Dec. 11th, with a cocktail party preceding the Dinner & Dance, which will be given by the AMOA. Out of town coinmen who would like to attend the affair should contact the AMOA office at 811 S. W. 8th St., Mami, Fla. as soon as possible as this promises to be best affair of them all. . . . Buster Anchell of American Operating Co. has just returned from his vacation which was spent in New York City, only so that he could see the World Series.

THRU THE COIN CHUTE CHICAGO CHATTER

Three torrential events took place in Our Town the weekend of Oct 9-10. . . . First, the torrential rains were the worst Chicago has experienced in 69 years. Hit hard were the suburbs and far South and Southwest sides of the city. Employees from these sections were late arriving at the various plants Monday morning as traffic was at a standstill. Some of the factories had to slow down their fast production pace a bit when the use of electricity was put on a war-time brownout rate the first part of the week. Collections by operators were stymied for a while. And the irony of it all was that rain had not been predicted! . . . Second, the torrential AMI new phonograph model showing at Automatic Phonograph Distributing Co., which came off on schedule in spite of the terrific rain and flood, was a tremendous success. A remarkably large crowd was present Sunday afternoon. The new model made a real hit with its Multi-Horn High Fidelity, Sonoramic Sound and full line of startling new colors. All the rest of the week, as the word got around to one and all, visitors streamed into Automatic. . . . Third, the most torrential wedding seen at the Drake in a long time united Janice Merle Ginsburg, daughter of Maurie and Rose Ginsburg, and Stuart Bernard Fishbein on Sunday during the early evening. Members of the industry attending the wedding had nothing but wonderful comment concerning the gorgeous affair and lovely young couple.

The football game between the Chicago Bears and the Baltimore Colts on Sunday, October 10, at Wrigley Field was the first Bear home opener that Art Weinand has missed in years. Art was in Washington, D. C., that day showing the workings of Exhibit's "Vacumatic Card Vendor" at the NAMA show. Prior to going to Washington, he visited with Si Redd in Allston, Mass., and Mike Munves and Barney (Shugy) Sugarman and the boys on coinrow in New York City. Back at Exhibit, Ed Hall, swimming in a batch of orders (not rain water) on Monday morning, received the following wire from Art: "Vendor going over big right off the bat." . . . Just before taking off for Washington, D. C., and the NAMA show, Sam Lewis of Genco phoned to pass on a subscription request for The Cash Box from Alfred Collins of London, England. Genco will shortly introduce its new gun game. Says Ralph Sheffield, "The new and different gun game will have new style targets with a new motion. A much improved cabinet will make for better looks and easier servicing."

Alvin Gottlieb and Judd Weinberg had a harassing and wet time of it Sunday night of the flood weekend upon returning from "Super Jumbo" showings in Cincinnati and Indianapolis. The plane they were on had to land bumpily on a runway flooded with three inches of water. Thousands were stranded at the airport and the telephones were out of order. Luckily for the duo, Judd had left his car at the airport. The drive (or cruise) home took a long spanking hour and a half and featured Judd as pilot and Alvin as navigator. . . . Roland Fred Cope (everybody calls him "Fred") of Town & Country Music, Woodstock, Ill., looks more like a young banker than a juke box operator. Especially that brief case he carries with him always gives the impression that he's going to pull out some stacks of crisp, new bills and complete an important transaction. Just our impression of Fred. . . . GREENER ON THE OTHER SIDE: Down Georgiaway they're hollering for rain. Pete Gerrits of Denver reports that the people in his territory very much disturbed over the drought which Colorado endured this past Summer.

We've got a date to eat "the most delicious Pasta Fazoul in the country" over at Papa Acri's Pizzeria with none other than Bert Bondioli and Bob Gnarrow. Both Bert and Bob exclaim at great length over Papa Acri's great cookery of this very famous Italian dish. By the way, Papa Acri and Jimmy Petrillo very great friends since childhood. And over Papa's bar, occupying a place of honor, is an autographed picture of James. . . . Myer and Jean Gensburg, just back from 13 weeks in Europe, stopped off here for the Ginsburg wedding. Myer and very charming Jean looking marvelous. Both advise that they had a most enjoyable time in Europe. . . . Mr. and Mrs. Ben Kulick of Buffalo traveled here for the wedding. Ben ran into one of those Chicago sore throats and lost his voice. This was disastrous as Ben is one of the funniest guys in the business. . . . Also in were Phil and Bernice Moss of Des Moines, Mr. and Mrs. Phil Greenberg of Pittsburgh and Mr. and Mrs. Mac Lesnick of Baltimore. Mac devoting all his time to his Seeburg distributorship. Advises that the record business, which he recently entered, is constantly growing.

"We're exceptionally busy here at Bally, more so than at any time this year," stated Jack Nelson. Demand for Bally's "Variety" is terrific to say the least. Production has been limited since "Rocket Bowler" and "Jet Bowler" also are going great. . . . The effects of having so many fine new games on the market at this particular time is typified in the goings on at Empire Coin Machine Exchange. Gil Kitt, Howie Freer and Vince Shay are busier than ever with games being shipped out as fast as they arrive from the factories. . . . Don Moloney, wife Nancy and daughter Mary Anne now settled in their new home at last. No flood damage whatsoever. At Donan, Tom Cath, between phone requests for "Variety" games, kids about how busy Mac Brier is, selling Girl Scout cookies for his daughter, Frances Ann Brier. . . . Carl Christiansen took off for Florida for a vacation just as Tom London got back to work at Coven after a bout with a throat infection.

Bill DeSelm telling about all the good things they're saying about United's "DeLuxe Carnival Gun." Says Bill, "It's a real 3-T hit—terrific, tremendous and tantalizing." Last time we saw Bill he was expecting a visit from Dave Simon of New York City. The boys in the back room at United kidding the engineering division about getting ideas for gun games from those kid television programs. . . . The United Music Operators Assn. of Michigan is mailing reprints of the "Why 10c Play" article, which appeared in last week's issue of The Cash Box, to all Detroit locations. . . . Engineers Bob Breither and

CHICAGO CHATTER (Cont.)

Paul Calamari had quite an experience conducting the well-attended Bally school at Laniel Distributing, Montreal, Canada, on October 7-8. Many of the operators spoke French, so Bob and Paul had to take it slow and easy with their explanations in English. "I'd say," reveals Jack Nelson, who accompanied them there, "that this was a memorable event for Bob, who has been with Bally for 23 years, and Paul, now an 18-year veteran. Both came through with flying colors."

ChiCoin's "Flash Bowler" an immediate hit. Sam Gensburg and Sam Wolberg enthused tremendously with its good reception. . . . "Was Art Garvey a Mule or a Horse?" asks Charles (Jimmy) Johnson. . . . Stan Levin and Mickey Schaefer and their new firm, All State Coin Machine Exchange, now open for business on Western Avenue. . . . Heinie Roberts and the gang at Magnecord happy in their new quarters. . . . Herb Perkins on the go again. This time in Los Angeles. Monty West says that all Winnipeg ops may contact Purveyor's rep, his better half, now visiting her folks in that city. . . . National's Joe Schwartz in New York on business, leaving Mort Levinson and Sheldon Spira in charge of the fort.

Williams' New "Star Pool" Has Locations Humming With Activity

CHICAGO—Williams Manufacturing Company executives report operators of novelty replay games will be vitally interested in the features incorporated in Williams' new "Star Pool" game. They declared the game is making locations hum with activity.

A match play feature of "Star Pool" occurs when a second coin is deposited. Each time a ball leaves the playfield it lites one or two numbers from "00" up to "90", and should either number match the first two digits in the score ranging from 10,000 up to 90,000, a star lites up on the backglass. Matching numbers twice lites up two stars for 5 replays. Lighting up 3-4- or 5 stars scores replays up to 200 for the 5th star. If the player uses only one coin, "Star Pool"

operates with all the features of a one-coin 5-ball novelty replay game without the star and number matching feature. Players get a lot of help in building up high scores, because shooting a ball directly into the top skill hole without hitting rebounds or bumpers, spots all numbers from 1 to 15. Making numbers from 1 to 15 scores one replay and lites 4 rollover lanes to score replays. Making numbers 1 to 7 or 8 to 14 lites one rollover lane to score replays. Numbers 1 to 11, or making C-U-E lites two rollover lanes to score replays. The playfield is said to be loaded with animation and suspense. It includes 2 cyclonic rubber shooting bumpers, 2 thumper bumpers, 2 skill holes and 2 flippers and the ball action is said to be extraordinarily fast. Williams "Star Pool" is now on display at distributors.

LOS ANGELES

The local showing of the new AMI model "F" took place at Badger Sales Company showrooms Oct. 14 and 15. Operators from all over Southern California trekked in to see the new machine and hear the multi-horn and full high fidelity sonoramic sound. All the ops voiced their approval of the revolutionary design and choice of eight attractive color schemes. Buffet-refreshments were served to all present. On hand to show all the operators the many features of the new phono were prexy Bill Happel, Fred Gaunt and Don Ames.

It's a known fact that news about the coin machine industry travels faster than in any other business. Whenever the factories in Chicago start production on a new machine we generally hear about it out here on the Coast before they do in other parts of the country. . . . Jean and Dolores Minthorne announced that September was their biggest month in the history of their business. Sales for the month far surpassed November of 1953 which was recorded as their record month last year. They also announced the appointment of Nick and Vinny Lanzisero as managers of the Minthorne Music Service department. Andy Lanzisero has also been appointed service manager of the Minthorne Branch Sales offices. Jean and Dolores recently drove to Las Vegas to visit with Mr. and Mrs. Ted Patton of Patton Music Company. . . . Mr. and Mrs. Phil Robinson recently spent several days soaking in the hot mineral waters of Murietta Hot Springs. . . . Al Bettelman says that the only thing that's wrong with United's new Deluxe "Carnival" Rifle Range with moving targets is that they can't get enough of them. First shipments of the new gun which arrived at the C. A. Robinson & Co. showrooms were quickly sold out and advance orders have been taken to take care of the next two shipments. . . . The crew at California Music Company was extra busy this past week as local and out-of-town ops dropped in to make record purchases for their routes. . . . Atsie Stein plans to leave for the East on a combined business and pleasure trip. He'll stop over in Minneapolis, Chicago and New York. . . . Lester Berlinghoff of San Bernardino is starting in the coin machine business again. He operated a large route back in the pre-war era. . . . John Lantz, South Gate operator, was seen along coinrow sporting a brand new pick-up service truck. . . . Bill Bradley, Covina, along with Pete Peiligrino and Fred Shuey from South Gate attended the Elks Convention in San Francisco then took off for Oregon salmon fishing. . . . Dick Grey, San Bernardino, sez that if you ain't seen his Beachcraft airplane you just ain't livin'. Dick recently bought the plane and rebuilt it himself. . . . Aubrey Stemler, Al Weymouth and Arch Riddell all went to the NAMA Convention in Washington, D. C. . . . From all the comments from the operators it looks like Gottlieb's "Super Jumbo" game is a hit here in Southern California. . . . Throughout the Nation more and more operators are converting to dime play with very gratifying results. What's wrong with Los Angeles? Here most ops are under the impression that 10c just won't go, so refuse to give it a try.

Frank Menceri, manager of the Minthorne Music Co. branch sales offices, is more than happy over the way business has picked up. Now on display in both Minthorne showrooms is the new Williams' "Super Jet Fighter" gun with moving targets. . . . Lela Smith and Chuck Walker came in from Barstow this past week looking a little tired and worn out. Found out they had a rough time a few days before riding their horses in the Barstow Eighth Annual parade and rodeo. The festivities lasted for two days and as Lela said, "Two days on horseback is just two days too long". . . . Charley Daniels, Ed Wilkes and Jimmy Wilkens all agree that business is better than ever at the Paul A. Laymon & Co. showrooms. Just watching all the boys waiting on customers, answering phones, chasing back to the service department checking on this and that and writing up orders is enough to make this reporter tired from just watching them. But they will all cheerfully agree that it's all in a days work. Missed Paul and Lucille Laymon the past several weeks. Hear that they have been keeping plenty busy taking care of that beautiful flower garden.

The Oct. 19th meeting of the California Music Merchants Association, Los Angeles Division, was cancelled and a new date has been set for Oct. 27 in the Coral room of the Gaylord Hotel at 8:00 p.m. President, Walt Hemple, urges all members to attend this meeting. . . . Jimmy Mulcaey of the famous husband and wife harmonica playing team, The Mulcays, dropped in along coinrow to visit the one-stops and show all the ops his new Christmas album on the Cardinal label. . . . B. D. Kenney drove all the way in from Tucson, Arizona, this past week to take care of business along coinrow. . . . Mr. and Mrs. Al Edelman from San Bernardino were also in along with Mr. and Mrs. Fred Allen from Bakersfield. . . . Bill Worthy of the Automatic Amusement Co., San Diego, was also seen along West Pico. . . . Other visitors included Oscar Tetzlaff, Banning, and Lee Nelson from Santa Ana. . . . In cooperation with The Parent Teachers Association of San Fernando High School, San Fernando, Walter J. Hemple, president of the LA Division of the Calif. Music Merchants Ass'n., and his partner Homer Razor provided the talent for the school assembly recently. Ben Chemers, business mgr. of the local association, acted as emcee. The artists who appeared on the program were very well received by the students. They included The Jones Boys (S&G), Kay Brown (Crown), The Mulcays (Cardinal) and The 4 Stars (King). The assembly ended on a serious note as Chemers explained the desire of the Association to keep the records on the juke boxes clean and wholesome so that parents as well as teen agers can enjoy this great wealth of entertainment provided by the artists, record companies and phonograph operators. He also emphasized the desire of the association to work with the youth groups in the area. . . . D. W. Price Corporation, recently completed a 3600 ft. addition to their West Los Angeles plant, it was announced by the firm's president D. W. Price. This will greatly expand its present manufacturing facilities giving them a total floor area of 7000 square feet. They will continue production of the Nelson Modernization Kits along with aircraft parts and ball lock pins for airborne and ground handling equipment. Price also announced that they plan to go into production on other coin operated items in the near future. The new offices of Ray R. Powers Sales Company will now be located in new quarters adjoining the plant.
