MEGA DRIVE NOT INCLUDED

CD technology is the newest peripheral from Sega for the Mega drive. For all you addicts this is a must! Each CD game/disk has over 500 megabytes of information. This is equal to nearly 400 game cartridges per CD. Having this amount of storage space, the designers and programmers are able to produce software with graphics and sounds equal to or better than the arcade machines. Having a Mega-CD, it would be like owning a new machine as the quality of the games will be unmatched.

Games available on CD: Black Hole Assault, Jaguar, Prince of Persia, Wolf Child, Classic Game Pack, Sherlock Holmes.

All at **\$99.95** EACH
