YO! LOOK OUT FOR SIX CHAOS EMERALDS SCATTERED THROUGHOUT THE BOOK. YOU MUST COLLECT THEM **ALL** IF YOU WANT TO BEAT ROBOTNIK!

Ladybird

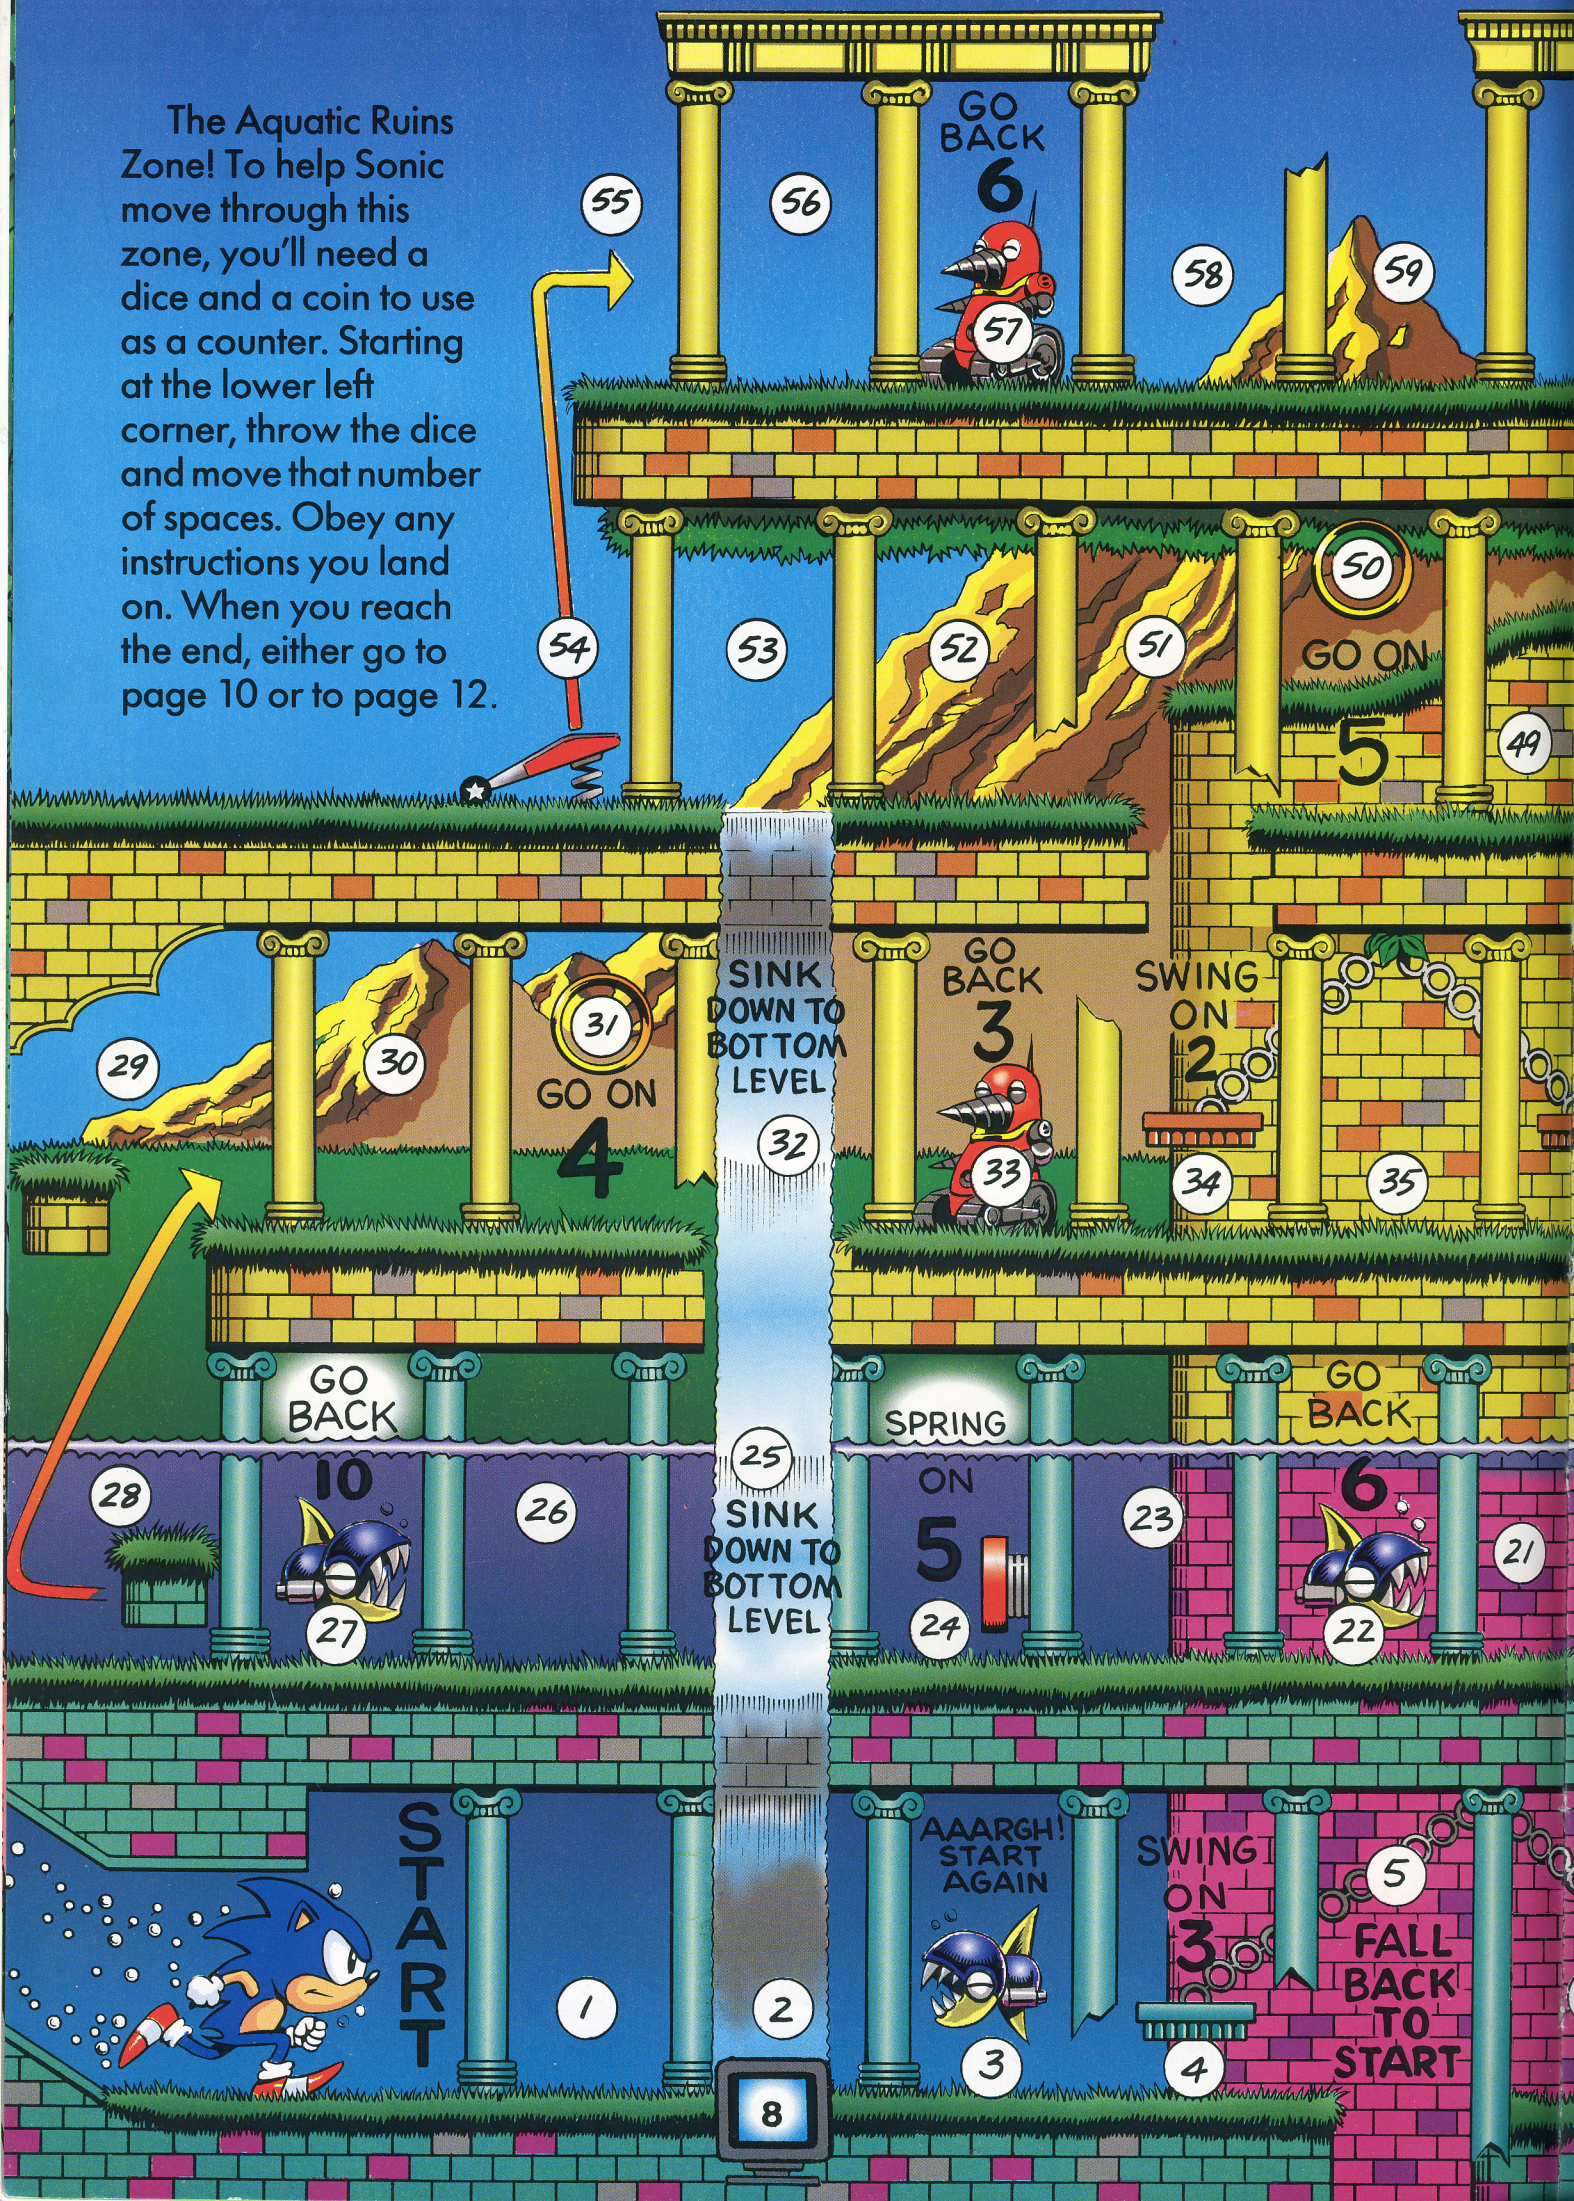

The Emerald Hill Zone! Coconuts the monkey is throwing coconuts at Sonic. How many coconuts can you spot? If you find twenty or more, go to page 6. If you find fewer than twenty, go to page 8.

The Chemical Plant Zone! Look out for a hidden emerald here! Sonic faces Spiny Badniks, which have four spikes on their heads, and Grabber Badniks, which have eight legs. Badniks with a different number of spikes or legs are fakes! Help Sonic spot the *real* Badniks. If you find four, go to page 10. If you find fewer or more than four, go to page 8.

The Aquatic Ruins Zone! To help Sonic move through this zone, you'll need a dice and a coin to use as a counter. Starting at the lower left corner, throw the dice and move that number of spaces. Obey any instructions you land on. When you reach the end, either go to page 10 or to page 12.
