RE: Serial Number: 75/073425

The assigned examining attorney has reviewed the referenced application and determined the following.

The examining attorney has searched the Office records and has found no similar registered or pending mark which would bar registration under Trademark Act Section 2(d), 15 U.S.C. Section 1052(d). TMEP section 1105.01.

IDENTIFICATION OF GOODS

The identification of goods is unacceptable as indefinite. The applicant may adopt the following identification, if accurate: Computers and parts therefor; computer software and programs for use in [indicate function(s) of software and field of use]. See TMEP section 804.03(b) for requirements related to software identifications.

Please note that, while an application may be amended to clarify or limit the identification, additions to the identification are not permitted. 37 C.F.R. Section 2.71(b); TMEP section 804.09. Therefore, the applicant may not amend to include any goods that are not within the scope of goods set forth in the present identification.

PLEASE NOTE: All of the issues raised can be resolved by telephone. The applicant may telephone the examining attorney, instead of submitting a written response, to expedite the application.
