Now Mega Man must Really save the Earth.

What in the world is Dr. Wily up to now? He's drilling through the earth's crust to tap its energy and create his most powerful robot of all. And eight of his most famous robots are back in commission. The danger comes in waves for you and Rush on the way to Wily's underwater headquarters. Do you have what it takes to send Wily to an oily end?

With your Mega Buster you can turn Punk into Junk.

Use your Mega Buster to turn this whale into a pile of useless blubber.
