VOLUME XXI—NUMBER 33

APRIL 30, 1960

Young Brenda Lee is caught by the camera as she whispers "Sweet Nothin's" to one of her favorite boy friends, Owen Bradley, Decca's Nashville A & R topper who recorded the canary's top ten smash. Although Miss Lee has had a number of successful disks during her Decca career, and has appeared on many of TV's top shows, "Sweet Nothin's" is far and away her biggest to date and has opened all doors for the songstress. Bookings are now pouring in for the lass and a return tour of Europe is currently being arranged. Her current LP is "Grandma, What Great Songs You Sang."

Re: Section 317 Ruling—

IMMEDIATE

CLARIFICATION

URGENTLY REQUESTED

One week from today, the time allowed by the FCC for comment on its recent Section 317 ruling, officially expires. Many have already filed and the last week is expected to see additional comment from ARMADA and the NAB and certainly many radio stations which have been greatly affected by the FCC ruling.

Although ARMADA's and the NAB's comments will probably be thorough and give as complete a picture of the ruling's effect on both the record and radio industry as is physically possible, we are quite sure that by now the Commissioners are well aware of the difficulties. The recent NAB Convention in Chicago was sufficient evidence of the many different ways in which radio stations were handling these problems. The fact that many stations are still not clear as to how much to pay for a record, the varied answers to this question at the NAB panel meeting of the

Commissioners, plus Oren Harris' comment that he felt a promotion copy should not be looked upon as an item of value, have further confused radio stations.

There is probably no doubt in anyone's mind, and this includes the FCC Commissioners, that some clarification of the ruling is absolutely necessary. But what is now the most important question of the day is *when* this clarification will be forthcoming.

Although May 2nd is the final day for filing comment, how soon after the last day will clarification be handed down? Time is of tremendous importance because the longer it takes for the ruling to be clarified, the more difficult it will be for stations to again change to a different method of operation, should that be necessary.

The radio and record industries urgently hope that the very familiar problem of government red tape will not delay early clarification.

Record Reviews

"Only those records best suited for commercial use are reviewed by THE CASH BOX"

The Cash Box Pick of the Week

"EVERYBODY'S SOMEBODY'S FOOL" (2:40) [Aldon BMI—Keller, Greenfield]
"JEALOUS OF YOU (TANGO DELLA GELOSIA)" (2:25) [E. B. Marks BMI—Mascheroni, Mendes, Harper]

CONNIE FRANCIS (MGM 12899)

We'll bet our 'bottom dollar' that Miss Francis has another tremendous two-sider here. One half, "Everybody's Somebody's Fool," is an excellent chorus-backed, country-styled weeper that moves along at a quick beat clip. On the other half, the lark emotes with an emotion-packed "Mama" sincerity as carves out (partly in Italian) the fine tango, "Jealous Of You." Orks are Joe Sherman on the former and Stan Applebaum on the latter. It's a double-barreled triumph.

"THE LITTLE MATADOR" (2:10) [Jat BMI—Burgess]
"RED EYE" (2:15) [Jat BMI—Meeks]
THE CHAMPS (Challenge 59076)

The Champs, who had a smash sequel to their "Tequila" chart-topper in "Too Much Tequila," should do like-wise with their 'sort of sequel' to the Kingston Trio's "Matador." Dubbed "The Little Matador," it's a cha cha charmer featuring some rib-tickling vocal comments. "Red Eye" is a rockin' handclapper that can also earn big coin.

"I REALLY DON'T WANT TO KNOW" (2:15) [Hill & Range BMI—Barnes, Robertson]
"UNLOVED" (2:13) [J. Stearns Arena ASCAP—David Pockriss]

TOMMY EDWARDS (MGM 12890)

Take your pick here. Tommy Edwards comes thru with two powerful entries that should be plastered all over the charts in the weeks to come. One's the beautiful, while-back country smash, "I Really Don't Want To Know." The other's an ultra-lovely new cha cha-styled romancer tagged "Unloved." Tommy's velvety-smooth piping, on both ends, is attractively backed by the Leroy Holmes ork-choral outfit.

"CHICK SAFARI" (2:23) [Valleybrook BMI—Keefer, Cafrá]
"HAWK" (2:18) [Studio BMI—Jones, Thomas]

BILL HALEY & HIS COMETS (Warner Bros. 5154)

Both ends here can follow the Haley crew's instrumental debut for Warner Bros., "Tamiama," into hitsville. They're two haunting finger-snappers, the quick paced "Chick Safari" and the "Fever"-like "Hawk," that features Haley in the vocal spotlite with the Comets colorfully backing up instrumentally. Both ends look like money-in-the-bank for all concerned.

"CRY HURTIN' HEART" (1:55) [Joy ASCAP—Warren, Goehring]
"SYMPHONY OF SPRING" (3:30) [Joy ASCAP—Pearl, Berman, Lisbona]

GUY MITCHELL (Columbia 41653)

Guy Mitchell's next big chart item should easily turn out to be "Cry Hurtin' Heart." It's his newest Columbia effort and it's a quick moving, chorus (and whistle) backed country-styled weeper fashioned after his recent hits. Strong Joe Sherman-led assist rounds out the winner. However, don't overlook the extremely pretty ballad coupler, "Symphony Of Spring." Attractive Glenn Osser support here.

"ROMANTICA" (3:00) [Garland Summit ASCAP—Stillman, Verde, Rascel]

"I AM HEART" (3:04) [Garland Summit ASCAP—Altman, Kaye]
JANE MORGAN (Kapp 332)

The songstress can bring U.S. chart success to "Romantica," the pretty sentimental that copped this year's top prize in Italy's San Remo Festival. Her fine vocal is backed by a sound-wise Nick Perito Latin-flavored arrangement. Coupler is an easy swinger dubbed "I Am Heart."

"MAIS OUI" (3:01) [Leeds ASCAP—Curtis, Donida, Pinchi]
"ONLY THE BROKEN HEARTED" (2:25) [Cornell ASCAP—Spear, Johnson]

BOB BECKHAM (Decca 31090)

Beckham, who recently grabbed off a high chart position with his "Crazy Arms," can cop two more via this new Decca pairing. One side finds him delightfully bouncing over a contagious, Parisian-flavored ditty tabbed "Mais Oui." On the other half he pours his heart out as he convincingly renders the tearful, beat-ballad lilter, "Only The Broken Hearted." Fine ork-chorus support on both stanzas.

STEVE GIBSON (ABC—Paramount 10105)

(B+) "I WENT TO YOUR WEDDING" (2:47) [St. Louis BMI—Robinson] Gibson effectively revives the onetime Patti Page click. After getting simple combo sound for awhile, organ and chorus enter the picture. Can succeed.

(B) "TOGETHER" (2:22) [Tinker ASCAP—Pingatore] Brighter-beat doings here as Gibson and combo-chorus move at an infectious pace.

JIM FORD (Drumfire 1)

(B) "THE STORY OF ELVIS PRESLEY" (3:13) [Surrey ASCAP—Stanton, Semos, Chamberlain] Against an organ-chorus, a narrator sympathetically traces the career of the teen idol. Backing includes one of Presley's hits, "Love Me Tender." Off-beat entry that could get some attention.

(B) "DESERT WALK" (1:49) [Rockville BMI—Ford] The Starfires turn some effective instrumental tricks in this good-sounding sock instrumental.

THE VIRTUES (Wynne 123)

(B+) "HIGHLAND GUITAR" (1:52) [Dralmar BMI—Hill, Diamond, Lee] Combo team—teen heroes with "Guitar Boogie Shuffle" awhile back—take the familiar tune, "Loch Lomond," on a good-sounding rock ride. Type of display that can make noise.

(B) "PLUCKIN' - PLANKIN' BOOGIE" (2:25) [Virtu ASCAP—Virtuoso, Bruno, Lovett] Easy-go, but effective-sounding showing here.

MONTY BABSON (RCA Victor 7724)

(B+) "QUARTER TO FIVE" (2:22) [Alexis ASCAP—Weiss, Peretti, Creatore] Affable light swinger about love found from the English vocalist and Sid Bass ork. Should be programming room for side.

(B+) "CRAZY SHE CALLS ME" (2:58) [Massey ASCAP—Russell, Sigman] An oldie gets a fine, legit ballad touch.

SANDY SOLO (Seeco 6057)

(B+) "MORE THAN ANYTHING" (2:00) [Southern ASCAP—Worth] Familiar theme from Tschai-kovsky's "Swan Lake" ballet goes pop-ballad, with Solo's vocal getting softly legit backing. Theme's adapter, Bobby Worth, also adapted the Puccini melody that became the Della Reese smash, "Don't You Know."

(C+) "CLOSE YOUR DREAMY EYES" (2:26) [Eastern BMI—Worth, Colby] Relaxed ballad entry.

GARY ENGEL (KP 1010)

The Cash Box Pick of the Week

"DISH RAG" (2:03) (Part 1) [Sher-Lyn BMI-Rozier]

"DISH RAG" (Part 2) [Sher-Lyn BMI-Rozier]

NAT KENDRICK & SWANS (Dade 1808)

Nat Kendrick & the Swans send up another 2-part instrumental that could follow in the click footsteps of their "Mashed Potatoes"—2 part'er. This one's a solid new dance item with the enticing tag of "Dish Rag" and both ends swing along in sock, money-making fashion. Get with 'em.

"GET UP BETTY JEAN" [RT BMI—Toombs, Glover, Martin]

"COOL DOWN" [Glover BMI—Turner, Bernard, Toombs]

TITUS TURNER (Glover 206)

Turner, who has a solid noise-maker in (his sequel to Lloyd Price's "I'm Gonna Get Married") "We Told You Not To Marry," could go on to greater heights with this new Glover performance. Deck's an engaging novelty item, titled "Get Up Betty Jean," cut from the rockin' "Yakety Yak" mold. There's some more sock, coin-catching teen sounds on the flip, "Cool Down."

"BORN TO BE WITH YOU" (2:10) [Mayfair ASCAP—Robertson]

"MY GUIDING LIGHT" (1:58) [Don Robertson ASCAP—

Robertson, Blair]

THE ECHOES (Dolton 18)

Chances are the Echoes'll be joining the hit-company of their Fleetwood label-mates via this Dolton session. One side, "Born To Be With You," is the short-while-back Chordettes' success that the crew takes for a sparkling new, fast beat bongo-highlighted (there's whistling mid-deck) ride. Slice has a great sound. "My Guiding Light" is a quick moving, soft-sell job that also has what it takes to make the grade.

"WITHOUT YOU" (2:06) [We Three BMI-Fleischhacker, Curtiss]

"THE SIMPLE THINGS" (2:15) [We Three BMI-Fleischhacker, Curtiss]

JIMMY CURTISS (United Artists 215)

New teen songster Jimmy Curtiss puts his best rock-a-ballad foot forward as he essays a fine plaintive tagged "Without You." It's a standout thumper on which he receives a first rate rock-a-string ork and chorus backing from the Don Costa-led crew. Interesting percussion effects highlight the backdrop of the pro Curtiss handling of the sincere medium-beat opus, "The Simple Things."

"DO YOU THINK OF ME" (2:50) [Sidmore—Moesser]

"NOT ONE SINGLE TIME" (2:46) [Sidmore—Moesser]

CINDY ELLIS (Laurie 3043)

Laurie comes up with another foreign slice that could do big things over here. This one, tagged "Do You Think Of Me (Denkst Du Noch An Mich)," is a captivating shuffle-ballad that features an ear-arresting, chorus-backed, German language vocal effort by Cindy Ellis. Keep close tabs on it. More of the same on a most appealing coupler dubbed "Not One Single Time (Nicht Ein Einziges Mal)."

"TIDDLE WINKS" (2:27) [Minit BMI—Orange, Toussaint]

"HEAVENLY BABY" (2:28) [Minit BMI—Orange, Toussaint]

ALLEN & ALLEN (Minit 609)

The Imperial-distributed Minit label, currently rockin' up a sales storm with Jesse Hill's "Ooh Poo Pah Doo," should do more of the same with this tantalizing novelty tagged "Tiddle Winks." It's a nursery rhyme lyric rafter-shaker that newcomers Allen & Allen, and ork, pound out in sensational teen beat style. Loads of gimmicks packed into this winner. "Heavenly Baby" is an inviting, beat-balad romantic coupler.

CONNIE FREED (Challenge 59070)

(B+) "I WONDER WHO'S KISSING HIM NOW" (2:43) [E. B. Marks BMI—Hough, Adams, Howard] The sentimental oldie receives a fine wistful pose by the thrush, with the Gus Levine ork-chorus turning-in a solid soft-spoken backdrop. First-rate ballad programming.

(B) "I GOTTA GO HOME" (2:00) [Taj — Spartan ASCAP — Freed, Saxon] A jumper with a good-natured way (theme reminds one of "Baby, It's Cold Outside").

ZENO GOSS
(Thunder International 1025)

(B) "PRISONER OF LOVE" (2:01) [Mayfair ASCAP—Columbo, Robin, Gaskill] Songster's reading of the standby includes interesting effects from the ork's string section. Spinnable side.

(B) "DOLL DOLL" (2:16) [Zeno Goss BMI—Goss] Good-feeling in this light-beat affair.

WETBACKS (Wildcat 0047)

(C+) "JOSE JIMENEZ—Part 2" (2:35) [FaDu BMI—Green] OK shuffle-beat sound that includes an imitation of Bill Dana's "Jose Jimenez" character seen on the Steve Allen TV'er and group comments.

(C+) "JOSE JIMENEZ—Part 1" (1:50) [Fa Du BMI—Green] Jose is introduced as a guitar player and the beat work follows.

SABIANS (Yale 212)

(B+) "BLUE SUMMER WIND" (2:23) [Clover BMI—Matts, Brigida, Burns, Silsbee] Haunting, intriguing sound from chanting songsters and Belons combo. Interesting teen side that could come thru.

(C+) "LIVING FLAME" [Clover BMI — Kramer, Sabatino] Lead handles the lazy-beat moody.

CYMBOLS & REVELERS
(AVR 5002)

(C) "A FALSE HEARTED LOVER" (2:41) [Blue Hill ASCAP—Cadger, Winsloe] Boys and beat combo offer an account of an ordinary piece of philosophy.

(C) "SPRINGTIME" (2:36) [Blue Hill ASCAP—Cadger, Winsloe] Soft hymn to the season.

BRAD SUGGS (Phillips 3554)

(B+) "CLOUDY" (2:18) [Up BMI —Suggs, Underwood] Intriguing sound from instrumentalists and chanting Gene Lowery Singers as an impending storm is musically described. Will hold teen interesting; watch it.

(B) "PARTLY CLOUDY" (2:04) [Up BMI—Suggs, Underwood] Medium-paced bouncer sans the songsters.

BLUE CHIPS (Wren 305)

(B+) "TAKE ANOTHER STEP" (2:20) [E. H. Morris ASCAP—Shuman, Garson] A fine, easy "foot-step" sound from the fellas on a solid semi-wistful. Here's a sound that can make it.

(C+) "A SONG AND A PRAYER" (2:13) [E. H. Morris ASCAP —Kent, Farrar] OK inspirational-type outing.

NORVEN BASKERVILLE
(X-Tra 100)

(B+) "GONNA FIND MY PRETTY BABY" [Styletone Jaybird—Baskerville] Songster does a handsome job in this blues-ballad session. His vocal gets solid backing from songsters and combo. Can succeed.

(B) "LIL' LIL' LULU" [Styletone Jaybird—Baskerville] Here, the tempo becomes contagious and youngsters should welcome the semi-sock approach.

FRANCIS BAY (Omega 704)

(B) "MR LUCKY" (2:20) [Southdale ASCAP—Mancini] The current Henry Mancini hit gets a fine ork going-over, which includes Bill Thompson on organ. Pro cover on the theme.

(B) "PLAYBOY'S THEME" (2:40) [E. H. Morris ASCAP —Coleman] Another slick job, this time featuring the piano work of John Evans. Tune comes from TV's "Playboy's Penthouse."

MARTY ANKA (Imperial 5639)

(B) "TELL ME (That You Want Me)" (1:47) [Travis BMI—Anka] Good rapid-fire beat performance by multi-tracked songster Anka and musicians. This sock date should prove a teen-treat at hops.

(B) "HURRY TO ME" (2:04) [Post ASCAP—Ross, Haskell] Soft rock-a-cha gesture here has an appealing way.

TOMMY GRAHAM (Crosby 45)

(B) "SAME LOVE STORY" (2:44) [Podlor BMI—McDonald, Ingleman] Graham effectively relates the pleasing tale of a fella in love. Larks and combo form the agreeable setting.

(C+) "DREAMER'S CASTLE" (2:19) [Podlor BMI—McDonald] Mostly a narrative from the performer here. He warbles near deck's conclusion.

REX ALLEN (Vista 358)

(B+) "I'M THE MAN" (2:20) [Walt Disney ASCAP—Freed, Silbert] A fine martial air to this affair about "Mr. Freedom." Allen is accompanied by a children's chorus.

(C+) "THE LILIES GROW HIGH" (2:45) [Stanley ASCAP—Jones] A "western" about a departed gunslinger.

FOUR COINS (Epic 9383)

PRESTON EPPS (Original 09)

BOOTS BROWN (RCA Victor 7732)

DON RANDI (Mark-X 8006)

(B+) "OH YEAH" (1:48) [Niven BMI—Schwartz] Deck has a fine soft-rock, "Like Young" sound, tho keyboard here receives combo rather than "Young's" full ork backing. It's an effective sound and could do things.

(B+) "OUR LAST DANCE" (2:14) [Har—Bock BMI—Schwartz] In a more sentimental vein, Randi and fellow instrumentalists (and chorus) produce a lovely sound that's got chart potential.

CRYSTALS (Brent 7011)

(B) "RIGHT OR WRONG (I'll Be With You)" (2:25) [Combine BMI—Jackson] A C&W ballad sound here.

TONY BELLUS (NRC 051)

(B+) "THE END OF MY LOVE" (2:18) [Wonder BMI—Bellusei] Death parts two lovers in this haunting, feelingful expression from songster Bellus. Chanting gals and combo form a striking setting. Could score.

BUDDY GRECO (Epic 9387)

(B) "THE LADY IS A TRAMP" (2:48) [Chappell ASCAP—Hart, Rodgers] Almost "far-out" vocal-instrumental version of the standard. It's a sprightly jazz-directed item that's good for those "smart-time" spins.

(B) "LIKE YOUNG" (2:21) [Robbins ASCAP—Webster, Previn] Slower, but similar attitude for the recent smash. From an LP tagged "My Buddy."

BILLY CALIA (Hull 734)

Sweet Promotion

NEW YORK—To promote the RCA Victor original cast album "Greenwillow," employees of Frank Music, the music publishing firm which publishes the score, set themselves up with an urn of coffee, a goodly supply of "Rowdy Buns," which are mentioned several times in the show, hired two girls from the "Greenwillow" chorus and embarked on a tour of local radio stations. Of course they had a photographer along, compliments of Victor's Dom Cerulli, who snapped the above photos.

1. Bert Siegelson (seated) and Sam Gordon, both of Frank Music, check last minute details before embarking on their good-will, coffee-and-rowdy-buns tour.
2. The two be-costumed chorus girls, Karen Thorsell and Mickie Gunnerson, lead the way into a radio station carrying the goodies.
3. Siegelson and Gordon caught enroute with their wares.

ARMADA—NAB Meet In Wash; Both Will File Comment Separately, May 2

WASHINGTON, D. C.—As a result of ARMADA's meeting a week ago Friday in New York, ARMADA last week sent a delegation to Washington to meet and discuss the record industry's problems with NAB for the purpose of filing comment on the Section 317 ruling before the May 2 deadline.

The delegation representing ARMADA included Ewart Abner, president of ARMADA; two of the association's directors, Harry Schwartz and Al Silver; and Roy Scott, legal counsel. The ARMADA reps met with legal counsel for the NAB—Doug Arnello and Bob Cahill.

At the conference, Abner reports, the ARMADA reps went into great detail about the record industry's problems caused by the recent 317 ruling and gave the NAB as complete a verbal picture possible of how the record industry functions so that when the NAB files its comment (NAB's comment is expected to be filed on the final day, May 2nd) it will have an overall understanding of the industry which today is such an integral part of the radio and broadcasting industry.

Abner said that it was clarified to NAB that a sample record sent to any given radio station does not constitute a contract with the station for playing of the record, as the FCC considered it in its 317 interpretation. The ARMADA reps indicated that a record was submitted solely as a sample and in most cases was not programmed. Abner also said that the ARMADA plans to file comment with the FCC on May 2nd, (separate from NAB's filing) and by that time he hopes to have figures to prove that the vast majority of records never do reach the air waves and thereby he hopes to prove to FCC that there is no contractual agreement between a radio

station and a record company when a new promotional disk is submitted to the broadcaster.

Abner also reported that the NAB attorneys were extremely helpful in clarifying the method of filing comment and the problems affecting broadcasters, which will make up the NAB's comment.

Both organizations agreed that their problems were very much integrated and that NAB and ARMADA would keep in constant touch with one another until such time as both file comment. In this way, should any problems neither thought of at the meeting develop, both associations will be informed of same.

Abner said that during this week, all record manufacturers will be receiving letters asking them if they have any suggestions they could offer that might be an important factor in the comment filing.

When questioned about the RIAA and whether it is playing any role in the ARMADA's action, Abner reported that the RIAA had not indicated as of last Friday that it would make any move at all. But he stated that at the next RIAA meeting (Monday, April 25) perhaps something would develop. But if nothing does, ARMADA will nevertheless file on May 2nd.

Abner further stated that there is legislation pending in Washington which could have great effect on the record industry and it "is a shame that to date the industry has been operating with an 'every man for himself' attitude". He went on to say that it is "urgent that individual members devote time and interest to industry associations so that any legislative group will at least hear from the record industry before it decides to act upon such legislation."

Johnny & The Hurricanes Join Bigtop

NEW YORK—Big Top Records last week entered into an agreement with Irving Micahnic and Harry Balk of Envee Productions and Twirl Records for the exclusive rights to all disks by Johnny & The Hurricanes. The instrumental team—which previously cut for Warwick Records—has a string of four hits, including "Cross-fire," "Red River Rock," "Reveille Rock" and "Beatnik Fly." Group's initial Bigtop issue—"Down Yonder" and "Sheba"—is being released immediately.

Micahnic and Balk will work closely

with Bigtop for the selection of the group's material and supervision of dates. In addition, Micahnic and Balk will work with Bigtop in the development of other talent to appear on the label.

Bigtop said it would place its full exploitation and distribution facilities behind the team, which has a wide following both here and abroad.

In this big step in Big top's expansion plans, Johnny & The Hurricanes join such other label talent as Sammy Turner, Robert Mersey, Ocie Smith, Tony Middleton and Mel Gadson.

Tony Dodge Killed

NEW YORK — Actor-singer Tony Dodge, who cut for Square Records, was killed April 9 in an automobile accident after leaving a radio show in Allentown, Pa. The 26-year-old artist had appeared in such films as "The FBI Story," "Last Angry Man" and started to appear in "Butterfield 8" when production was interrupted by the recent film strike. He cut two singles for the label. He is survived by his wife, Joan, and two small children. Burial services were held in his home town of El Paso, Texas.

New Dot Jazz Disk

HOLLYWOOD — Tom Mack, vice president in charge of album production for Dot Records, planned in from Chicago, where he recorded a new album, "Word Jazz, Vol. II," by Ken Nordine.

Package, to be available in both stereo and regular, will hit the market in June.

Gal's View

NEW YORK—Permission was received by Challenge Records from E. B. Marks Music to slightly alter the title and lyrics of the old standard, "I Wonder Who's Kissing Her Now," for the label's new Connie Freed disk of "I Wonder Who's Kissing Him Now."

NEW YORK—A highlight of "Peter De Rose Week" here (April 23-30)—honoring the late composer—was the designation last week (22) of Duffy Square at 46th St. and B'way as "Peter De Rose Memorial Square" for an eight day period. At the ceremony were the composer's widow, Otto Harbach, Vincent Lopez and many others.

D.C. Payola Probe To Hear Clark This Week

3 Agree To Consent Order

NEW YORK—Payola gained back the spotlight last week after the hectic weeks that followed the famed Sec. 317 interpretation by the FCC. Out of Philadelphia came developments that served as sort of an epilogue to what should prove the highlight of the Harris subcommittee's payola investigation, the testimony of Dick Clark beginning this Tuesday (26) in Washington.

Edward Barsky, Inc., the Philly distrib, agreed last week to an FTC consent order putting a ban on under-cover payments for airing records. Covered by the consent order were prexy Barsky, veep Manuel Barsky and secretary Delaine Ginchoff. Last month, Representative John B. Bennett of Michigan, ranking Republican on a House subcommittee investigating Federal regulatory agencies, said that Barsky had dealings with Clark in Raye Products, a firm producing "Dick Clark" record-carrying cases.

Anthony Mammarella, former producer of Clark's ABC stints, was also named as a part-owner in the venture. Bennett said Clark owned 41% of the firm, Barsky 39% and Mammarella 20%. The legislator also noted that ABC had received a 7-cent "royalty" on each case.

Mammarella figured in the initial look into the "outside" business enterprises of Clark when it was revealed that both he and Clark held ownership in activities which ABC said were in conflict with Clark's broadcasting duties. Mammarella resigned from ABC, while Clark said he would divest himself of these activities.

In addition to the Barsky consent order, similar orders were agreed to by Bernard Lowe Enterprises, Philly record manufacturer, and Action Records, the New York distrib. The agreements by Barsky, Lowe, and Action are not an admission of guilt, but an agreement that the firms are in accord with the FTC payola ban.

Jamie Station Poll Shows 85% Spinning DJ Samples

PHILADELPHIA—Almost 85% of the stations which answered a questionnaire sent by Jamie Records recently to outlets across the country replied in the affirmative to a question which asked whether the station would continue using "our" deejay releases. Seven other questions dealt mainly with servicing.

HOLLYWOOD—Jeanne Black is pictured filming a two and a half minute "tele-record" of "He'll Have To Stay." The thrush made her recording debut with the Capitol single, which, according to Capitol, has "piled up the biggest initial reaction of any single in the company's history." The "tele-record" is being distributed to television stations by Capitol.

Lucky 13

NEW YORK—Seems as tho the number thirteen has proved lucky for the Walter Brennan Dot dishing of "Dutchman's Gold," which hit the 100 spot on this week's Top 100. Both Brennan and tune's cleffer, Jerry Capehart, have thirteen letters in their full-names. Same goes for the title and the publisher, American Music. And if Billy Vaughn, whose ork backed Brennan on the date, used his given first name, it too, would add up to thirteen.

Kapp To Intro Medallion Line; Emphasis Is On Stereo

NEW YORK—Kapp Records has introduced a new label, Medallion Records, which the label said would be devoted "essentially to high quality recording, with a special emphasis on stereo that has never before been heard in the field." Dave Kapp, Kapp prexy, added that as of May 1 the new Medallion label would also "usher in a new phase in the business, with an accent on merchandising to include many special channels of retailing to convey the latest development in the Kapp line to the consumer." These "special channels" are expected to include audio and equipment parts stores for both the new label's disks and tapes.

Cover design will include double-fold packages highlighting a replica of a gold medallion and featuring a colorful print of an original painting or color photograph. Liner notes will be "extensive."

It was indicated that there would be only a limited number of Medallion releases produced a year. Stereo price will be \$5.98, monaural \$4.98. Jay Lasker, who heads Kapp's sales and merchandising department, has organized a merchandising campaign for Medallion of "... depth and scope, down to actual point-of-sale level, with original avenues employed that have been heretofore virtually untapped in the record market. . . ."

Friars To Fete Dinah

NEW YORK—The Friars Club, the organization of show-business people devoted to charitable enterprises, will honor Dinah Shore at a Testimonial Dinner May 1 in the Grand Ballroom of the Astor Hotel. Miss Shore is the first woman in Friars history to be so honored.

The banquet climaxes a week-long celebration in honor of the club's 56th Anniversary. New York Mayor Robert Wagner has officially proclaimed the week of April 25 "Friars Week."

Glenn E. Wallichs, president of Capitol Records, and a member of the Friars board of directors will be in Europe at the time (see separate story) but will be represented by Joseph Csida, Capitol's vice president for eastern operations.

Among the hundreds of show-business luminaries slated to attend the dinner in honor of Miss Shore are: Phil Silvers, Lucille Ball, Yves Montand, Ethel Merman, Polly Bergen, Joey Bishop and Joe E. Lewis. Also attending will be Mayor Wagner, U. S. Sen. Kenneth B. Keating, Eric Johnston, David Sarnoff and Ralph Bunche.

Horton To Sing In Columbia "Freedomland" LP

NEW YORK—Composer Jule Styne has signed Johnny Horton to sing "Johnny Freedom," the lead song in his "Freedomland, U.S.A." album for Columbia Records. It will be released as a single record in late April, prior to June releases of the album.

First dubs for the album have been completed, and final, full-orchestra recording is scheduled to begin early this week and last for two weeks. Album will be released approximately one week prior to the opening of the \$65 million dollar, 205 acre "Freedomland, U.S.A." park in the Bronx, New York. Park, which has been called a "monument to the history of America," is expected to draw 5 million attendance annually, and is being built by C. V. Wood. Wood also built Disneyland in California, and numerous other parks throughout the United States.

Styne composed the "Freedomland, U.S.A." album "exactly" like a Broadway score, complete with overture, and each composition capturing the feeling of a different area of the park. Ten numbers, plus the overture, will be included in the album, and each will have vocal accompaniment: "Johnny Freedom," "Pine Country," "Show Boat," "San Francisco," "Danny The Dragon," "Little Old New York," "Chicago Fire," "Jalopy," "So Long Ma" and "Satellite City." George Weiss has written the lyrics for all the songs.

Styne was guest of honor at the Ballo de Roma, held for the benefit of Boy's Towns of Italy at the Waverly Inn in New Haven, Conn., April 22. Songstress Alice Scott presented a 45 minute "Musical Salute to Jule Styne," singing a total of twenty songs he has written.

Boy's Towns of Italy is a community of nine towns, each modeled on American democracy, which offers homeless boys care, shelter, and education. The Ballo de Roma was attended by leaders in society, business and the professions in the Connecticut community.

High Fidelity Boosts Prices At Distrib Level

BEVERLY HILLS—High Fidelity Recordings put into effect last week a price hike on all their albums at the distributor level, which will not affect the current retail price, it was announced by label sales chief Jeff Clark.

Distributor cost on \$5.98 stereo albums, previously \$2.85, are now \$2.88; \$4.98 monaural albums, previously \$2.37, are now \$2.40; and \$3.98 monaural albums, previously \$1.91, now list for \$1.92.

Reason for the rise in distributor cost, according to Clark, is that Hi Fi expects to increase their advertising budget considerably in the next year.

"The market demands that the manufacturer do more to stimulate sales than ever before," said Clark, "and we intend to do just that. We are doubling our advertising budget effective right now, and we feel that the distributor should share a small part of our increased outlay."

Tillotson "Day" In Waterbury, Conn. May 6

NEW YORK—Waterbury, Conn. (pop. 115,480) will celebrate "Johnny Tillotson Day" May 6, in conjunction with the state's Miss America pageant semi-finals.

The theme of the "Day" will be Waterbury's Faith in Its Youth—an effort to demonstrate that the "Town Elders" have "complete confidence in the character, intelligence and ambitions of its teenagers."

Cadence Records' Tillotson, a 22 year-old graduate of the University of Florida, has been chosen as an example of "wholesome, young America." He's currently hitting with "Pledging My Love" and "Earth Angel."

Waterbury's Junior Chamber of Commerce is helping plan a series of activities for "Johnny Tillotson Day" consisting of a motorcade parade, presentation of the key to the city by Mayor Edward Bergin, luncheon meeting with local youth groups, high-school press conference, visits to area radio-TV stations and record shops. The "Day" will be capped by the songster's appearance at a record hop in the evening.

The Jaycees will conduct the Connecticut Miss America pageant semi-finals on this day, with Tillotson acting as one of the judges.

Full cooperation from all local media and civic organizations has been assured.

Columbia Views Mathis Sales Power

NEW YORK—Columbia Records announced last week that three of Johnny Mathis' albums had passed "crucial" levels on their way to a million sales.

Mathis picked up two gold record awards for "Warm" and "Heavenly," both well over the 500,000 line, while "Johnny's Greatest Hits," his previous gold record, was reaching for the million mark after selling over 750,000 copies, the label reported.

On the best-seller lists, Mathis has had titles making a showing. Aside from the three albums pushing for million status, he was selling strong with "Faithfully," "More Johnny's Greatest Hits" and "Open Fire, Two Guitars."

In the singles category where the singer's draw has been established with such hits as "Chances Are" and "It's Not For Me To Say," both million sellers, he was still registering solidly this week with "Starbright" (#49).

Announcement of Mathis' power at the sales counters came on the eve of his opening April 21 at New York's Copacabana where he scored a personal triumph last year.

Epic Launches Staton Push In St. Louis

ST. LOUIS was the launching site chosen by Al Shulman, general manager of Epic Records, for nationwide promotion of "Remember When," the label's new album by the Merrill Staton Choir and Jay Willoughby, baritone.

Shulman joined Merrill Staton in St. Louis last week where they hosted a party for dealers and disk jockeys sponsored by the A. S. Aloe Company of St. Louis.

Selection of St. Louis as the kick-off point was based on its being the home of the Missouri Historical Society whose archives of early American popular music yielded the selections chosen for the album by musical director Edwin Arthur.

All selections included date from the Civil War to the turn of the Century and in nearly all cases have never before been available on records.

Record Floor Space Set For Chi NAMM Show

NEW YORK—Record exhibit space exceeding 125,000 square feet of display area will be used at Chicago's Palmer House for the 1960 Music Industry Trade Show set for July 10-14.

Addition of the big Victorian Room to previously-booked exhibit space will make the 1960 show the biggest in the history of the National Association of Music Merchants, according to William R. Gard, NAMM executive secretary. The room, previously used as a swank restaurant by the Palmer House, has been converted to displays and has already been booked by the Steelman Phonograph and Radio Co. of Mount Vernon, N.Y., and Pilot Radio Corp. of Long Island, N.Y. The Victorian Room is just off the main lobby to the east.

Booking of the added space was made in response to the request of electronics manufacturers for bigger exhibit areas, in addition to the Four Hundred Room, Club Floor, Red Lacquer Room and Mezzanine which are completely filled.

Also completely booked is the 8th floor, which is headquarters for musical merchandise exhibitors, and additional space for them has been arranged on the 7th floor in a section apart from the piano displays, and on the 9th floor in a section apart from electronics. The organ and portable organ exhibits will take over all of the 6th floor as a result of the big expansion of this phase of the music industry.

"Space for the 1960 show has been booked at a very rapid pace, indicating we will be hard pressed to find room for all the exhibitors at show time," noted Gard. "We have arranged for more space at this show than ever before, but we are still going to be tight. As of now, the only guarantee of getting space is to apply immediately, rather than waiting any longer. We fully anticipate having to turn down some exhibitors at the last minute because of the space shortage."

Greenfields Ahead For Brothers Four

NEW YORK—The solid commercial acceptance of folk-flavored singing groups has come to Columbia's The Brothers Four, whose "Greenfields" single is #2 in the nation this week, while their initial effort for the label, an album named after them, is 43 on the best-selling monaural chart. The team will appear on Mitch Miller's "Sing-Along" special next month on NBC.

The four Phi Gamma Delta fraternity brothers from the University of Washington—Bob Flick, Michael Kirkland, John Paine and Richard Foley—were unknown and unorganized as recently as last October when they auditioned for and won an engagement at Seattle's Colony Club that lasted for 28 weeks.

Moving on to San Francisco's Hungry i, the West Coast nitery that has been a spawning ground for new recording and club stars, the quartet continued to grow in prestige. They came to New York soon after to record "The Brothers Four" for Columbia and make their network TV debut on the Jimmie Rodgers Show.

Chipmunk Single Push

LOS ANGELES—Liberty Records released a new Chipmunk single by David Seville last week and mapped a "full-scale" promotion campaign to back the disk.

"Coming 'Round the Mountain" b/w "Sing a Goofy Song," the latter an original by Seville is presented in a four-color sleeve featuring the Chipmunks and Seville.

Seville introduced the new novelty disk to CBS-TV network audiences when he joined the Chipmunks in a live TV presentation on the Ed Sullivan Show (17).

Additional radio and TV promotion is now being geared to give the platter a big send-off. The single has been extracted from the new Liberty LP album, "Sing Again with the Chipmunks," which is slated for early May release.

Jazztet To Bow In Argo Album

CHICAGO—The debut recordings of The Jazztet, new jazz group headed by trumpeter Art Farmer and tenor saxist Benny Golson, will be released by Argo Records May 1.

Called "Meet The Jazztet," it features those compositions that have met with the greatest response from audiences that have heard The Jazztet in the few months it has been organized. Organization already has played such spots as the Brooklyn Paramount, Chicago's Blue Note, San Francisco's Blackhawk and Pittsburgh's Crawford Grill.

Group includes trombonist Curtis Fuller, pianist McCoy Tyner, bassist Addison Farmer, and drummer Lex Humphries, in addition to jazz stars Farmer and Golson.

It was also announced that the label has pacted to a long-term deal thrush Lorez Alexander, who formerly cut for King. Her first Argo LP, "Early In The Morning," is due June 1.

Panorama Issues "Berlin" Package; Promo Planned

NEW YORK—Panorama Records has announced the release of an LP, "Berlin—Portrait Of A City." Herbert Nelson, label topper, revealed that plans are being made for a national ad campaign in consumer and trade press as well as "strong" promotional tie-ins with German-American travel agencies and organizations.

The package is a combination of realistic documentary and performances of Berlin-originated songs (i.e. "Mack The Knife," "Just A Gigolo," "Falling In Love Again"). Horst Buchholtz, an actor currently shooting "The Magnificent Seven" for United Artists, narrates in English the story of Berlin from 1918 to the present divided city. Eva Nelson, who performed in Panorama's "Cabaret" LP, sings the twelve songs on the LP.

Time Distrib Meets In N.Y., Chi Intros New LP Line

NEW YORK—Time Records introduced its "deluxe" Series 2000 line of LP's at the diskery's first series of distrib meetings held last week in New York (23) and Chicago (24). In addition, a new recording program was announced at the meetings, the details were unavailable at presstime. Attending the meets were distrib, salesmen and promotion men, and Time execs Bobby Shad, president; Pete Spargo, promotion head; Lennie Lewis, sales manager; and Harry Ringleer, comptroller. Shad will also show the new series on the Coast; Lewis in the South; and Spargo in the Mid-West.

The label released two LP's last week: "The Sonny Clark Trio" and "Jackie Paris Sings The Lyrics Of Ira Gershwin." The latter's interesting point is that the LP contains no melodies by George Gershwin, but those of other Ira Gershwin collaborators (i.e. Jerome Kern, Kurt Weil, Harold Arlen). Also due soon are Spanish, Jewish and German sing-along packages.

Time also handles the Brent label, currently on the charts with Skip & Flip's "Cherry Pie" and Eddie Quinteros' "Come Dance With Me." Another Time label, Shad, has just picked up the hot Canadian deck, the Beau-Marks' "Clap Your Hands."

Columbia B'way Casters Have "Hits" Behind Them

NEW YORK—Columbia Records' affinity for Broadway hits was apparent last week as the theatre boards showed six of the labels originals running strong and two more definite by May 1.

Two new Main Stem hits—"A Thurber Carnival" and "Bye, Bye Birdie"—are certain to become part of the Columbia fortress of long-runs which includes the 3,000,000-seller, "My Fair Lady," "Gypsy," and two Rodgers and Hammerstein hits, "Flower Drum Song" and "The Sound of Music."

"A Thurber Carnival" was released early this month while "Bye, Bye Birdie," which opened to rave notices, will be cut Sunday, April 24.

A re-opening is planned for "West Side Story," the hit of two seasons ago, which returns April 27 to the Winter Garden Theatre after a successful year on tour. The greater part of the cast featured on the Columbia original-cast LP, including Carol Lawrence and Larry Kert, will be with the hit for its return engagement.

Final entry in The Columbia stable is the new musical "Christine" which stars Maureen O'Hara. It premieres on Broadway April 28 and is set for an early recording session.

Columbia is also represented Off-Broadway by the revival of George Gershwin's 1926 hit, "Oh, Kay!" at the East Seventy-fourth Street Theatre. The album was released by Columbia in 1957 and stars Barbara Ruick, Jack Cassidy, Allen Case and Rodger White, with Lehman Engel conducting.

ALL ABOUT DISK JOCKEYS

After several years of topping the local ratings with a music & news format, WJW-Cleveland will switch to a "good music" policy on May 1. This is the first station in the Storer chain to give up the successful Storer format, and, according to James E. Bailey, managing director of WJW, "no other Storer station plans such a change." In making the announcement, Bailey said that the Cleveland radio market currently dotes on both types of programming and his new approach "will be good for WJW and its advertisers" in that the change "will be welcomed by large segments of the Cleveland listening public." Grady Edney, Storer national radio program manager, will direct the launching of the new format, headquartering in Cleveland for about a month until the station is functioning properly. Vocals will be sparse and commercials will be limited and grouped at certain parts of the hour as the station strives to present uninterrupted periods of music of from 12 to 20 minutes. The station will continue to carry the NBC hourly news and other NBC network features. . . . With the change-over, WDOK in Cleveland now finds itself with competition. WDOK celebrates its 10th Anniversary April 30 and ten years of a successful "good music" operation. . . . Larry Gar (WLBG-Laurens, S. C.) reports that his local group did not win the Savannah regional finals of the Hi-Fi Club Talentsville Contest but they had a ball nevertheless. Larry now plans a contest to send a couple of local kids to watch the New York finals in June. . . . Jay Maher (WENE-Binghamton, N. During National Radio Week the deejays will leave the turntables and face the cameras over Channel 10 to promote the weeklong celebration. . . . Carmen Afill, WCAU-Camden, N. J. librarian, leaves her post May 1 to join her husband, Captain John C. Afill, at Ft. Jay, New York.

Many "names" in the music biz were present to honor the late composer. . . . A huge promotion blasted off KRAK-Sacramento's switch from 5,000 watts to a clear channel 50,000 watter. Bill Stewart, director of station operations, spearheaded the drive by "The Mighty K". . . . Gordon is the music director of the station. . . . Noel Confer, Frank Thompson and Bob Donnelly are making plans for their annual "We've Got Seniority Party." All three are charter employees of the soon-to-be three years old XEAK-San Diego. . . . Jim Mack's 73 hours, 15 minutes marathon broadcasting effort on WJBW-New Orleans brought in 61 recruits for the Air Force. The plan took hold when Jim was informed that the Air Force was having trouble in meeting its quota of recruits for the month. Jim was set up in the window of a downtown music store. A barber came in to shave him daily and ten beautiful models were always on hand to keep the weary disk jockey from falling asleep. . . . Also joining the swing to assist recruiting is WADO-New York. An Army mobile unit tagged "The WADO-Army Caravan" is covering the downtown areas of the New York boroughs. Dot's 1959 Dollar Volume In LP's 100% Over 1958

HOLLYWOOD — Dot Records last week reported final 1959 gross sales figures of \$8,681,000 revealing that its first full year with stereo LP album product resulted in exactly a 100 percent dollar volume increase over 1958's LP product business.

Dot's overall gross dollar volume during 1959 showed a 17 percent gain over the previous 12 month period.

In attaining its biggest sales volume, Dot attributed 60 percent of its 100 percent LP business increase to retail record shop trade, with the remaining 40 percent having been done by national supermarket and variety chain store racks.

According to a recent Life Magazine market research survey, Dot Records is the fourth most preferred label with 23 percent of the supermarket record consumers choosing Dot. The company, only eight years in existence nationally, was outstripped, the Life report said, only by such established companies as RCA Victor, Columbia and Capitol, in that order.

Dot Records gained momentum at the end of 1959, when the company, during its "stereo month" sales promotion campaign, spurred ahead with more than \$1,000,000 in orders. The label's sales and promotion program grossed \$700,000 for stereo LP merchandise, alone.

1959 was a big year in Dot's foreign sales, too. Dot artists, such as Pat Boone, Billy Vaughn, Lawrence Welk and Louis Prima and Keely Smith enabled the firm to increase its net royalties income some 54% over 1958.

The 1959 upsurge of stereo product sales is laid partly to the fact that Dot Records' album catalog was greatly expanded. While Dot had just 153 albums available in 1958, that figure increased to some 212 LP packages in 1959, with a total of 129 available in stereo sound. Thus, it was the first year that Dot had full-fledged emphasis on stereo merchandise priced between \$2.99 and \$4.00.

During Dot Records' biggest sales year, its list of top artists was considerably enhanced. Louis Prima and Keely Smith were signed to an exclusive Dot contract, contracts were renewed with Debbie Reynolds, Pat Boone, The Mills Brothers, Lawrence Welk, and Billy Vaughn.

In November, 1959, Dot put on a "Lawrence Welk Month" of concentrated promotion which resulted in the sale of more than \$250,000 worth of stereo and regular Welk Dot LPs.

Dot Records has launched an extensive campaign to further exploit and publicize Dot product and artists. Exploitation for 1960 will include consumer advertising and the best point-of-sale merchandising display pieces available.

Pennies From Heaven

OXNARD, CALIF.—Exactly 5,000 pennies were dropped from an airplane in a vacant lot next to Chuck's TV and Appliance store here recently to lure customers and help promote the new record, "Find a Penny," sung by Johnny Prophet on the Coast-based label, Carthay Records.

Each penny was ear-marked for prizes. Top gift was a TV set, two for radios, ten for various appliances, and 100 for autographed copies of the record.

Stunt was created by deejay Dick Moreland, of KACY, here.

New Album Display

NEW YORK—Fred Rice, who heads Capitol Records' display arts department, demonstrates an innovation in the display of album jackets. The back cover of empty display jackets are being die-cut to form a self-contained easel. The easel is pulled outward and fixed into place by a die-cut tab. The jacket also has perforated tabs at the bottom and top to allow for hanging displays. Rice said that a floor-to-ceiling hanging display can be set up simply by using paper clips.

All Capitol display albums will be shipped this way beginning with this month's releases.

CBS Grant To New York Philharmonic Extends Tour To Seven Weeks

NEW YORK—A financial grant to the New York Philharmonic from the Columbia Broadcasting System in support of a seven-week, 26-city tour in the continental United States, Hawaii and Canada, was announced jointly last week by David M. Keiser, president of the New York Philharmonic, and William S. Paley, chairman of the board of the CBS.

Leonard Bernstein, the orchestra's music director, will conduct all 37 concerts of the tour, which is scheduled to begin on August 11 (1960) in Cleveland and to end in Washington, D. C., on September 25, just prior to the opening of the Philharmonic's New York season on September 29.

"We are indeed grateful," Keiser said, "that this grant by CBS has made it possible to extend the tour of the Orchestra from three weeks, as originally announced (March 17) to seven weeks. This is another in a series of happy associations with CBS which has enabled the N. Y. Philharmonic to become a familiar and beloved institution in all parts of the nation."

Paley commented: "CBS is both delighted and honored to be able to extend the tour of the New York Philharmonic to Hawaii as well as throughout the continental United States. The project not only is of major cultural significance but marks a continuation of a CBS-Philharmonic relationship that started 30 years ago."

In addition to providing additional weeks of employment for the Orchestra, it will enable the Philharmonic to perform at such summer festivals as the Vancouver Festival in Canada, and to perform before large audiences in a number of outdoor settings, such as the Hollywood Bowl in Los Angeles, the Waikiki Shell in Honolulu, and the Red Rocks Amphitheater in Denver.

This will be the first visiting orchestra to perform at the Hollywood Bowl and the first orchestra from the mainland to appear in Hawaii. It will be the Orchestra's first visit to the West Coast since the Spring of 1955.

The cities in chronological order of the concerts, are:

Cleveland, Denver, Vancouver (B. C.), Seattle, Portland (Oregon), Las Vegas, San Diego, Santa Barbara, Los Angeles (Hollywood Bowl), Detroit, Chicago, St. Louis, Memphis, New Orleans, Atlanta, Chattanooga, Birmingham, Columbia (S. C.), Charlotte, Raleigh, Richmond, Baltimore, and Washington, (D. C.).

Cohen Joins Rank As C&W Head

NEW YORK—Bernard T. Ness, general manager of the record division of the Rank Organization, announced last week that effective immediately, Paul E. Cohen has been appointed to create and operate a full scale C&W recording department for Rank Records of America.

Ness stated that Cohen would function under Rank Records of America A & R department head Sonny Lester. Cohen will report directly to Lester who instigated the negotiations which resulted in Cohen's joining the Rank organization.

Cohen, currently operating his own label, Todd Records, will fold the diskery to devote full time to Rank. He will leave for Nashville within two weeks and will have his permanent headquarters there as of May 1.

Prior to starting Todd Records in 1959, Cohen had been head of the Country recording department of Decca for more than 24 years. He has been responsible for a string of hits by such country artists as Red Foley, Kitty Wells, Ernest Tubb, Webb Pierce, Rex Allen, Owen Bradley, Kenny Roberts and Patsy Cline.

"We intend to become a dominant factor in the record business on a world-wide scale. The addition of Paul E. Cohen to supply us with Country and Western records will give us a product of international significance," Ness said.

Our divisional men, distributors and salesmen were extremely pleased to learn that we will have a man of Paul E. Cohen's calibre turning out records for us. Hifi-Budweiser Tie-In On "Taboo" LP

NEW YORK—High Fidelity Recordings and Budweiser Beer have made a three-state promotion tie-up to cross-plug each other's products via radio time and market record racks for a two-week period beginning May 2, it was announced by Hi Fi sales chief Jeff Clark.

Promotion works as follows: Budweiser will program Arthur Lyman's "Taboo Vol. II" on radio stations on which they have purchased time in California, Arizona, and Nevada. Hi Fi will supply the stations with cover reproductions of the "Taboo" album, and the stations in turn supply the covers to Budweiser Beer distributors in their area. The distributors will set up in-market displays of the covers along with stacks of Budweiser Beer. The market record racks will feature the "Taboo" albums predominantly. Budweiser radio advertising will call attention to the market displays, and the "Taboo" music, featured over a two-week period, will call attention to the beer.

Radio stations which Budweiser has lined up are KLAC, Los Angeles; KSON, San Diego; KFRC, San Francisco; KGMS, Sacramento; KBIF, Fresno; KRUX, Phoenix; KTAN, Tucson; KRAM, Las Vegas; and KBMY, Billings.

Rack jobbers, who will tie in with sizeable "Taboo" album displays are Pik-a-Tune, San Francisco; Arizona Sundries, Phoenix and Tucson; Record Supply, Sacramento; Music City Record Racks, Los Angeles; Music Enterprise, Las Vegas; and Playhouse, Montana.

According to Clark: "This type of complete coordination between radio advertising, in-sales promotion, and general involvement by a myriad of people can only result in a sales increase. We believe this kind of merchandising is good for the entire record industry."

POPULAR PICKS OF THE WEEK

"ELVIS IS BACK!"—Elvis Presley—RCA Victor LSP 2231

The singles market has already felt the impact of Presley's return and now the LP charts will get the message with the release of the singer's newest album. The selections include "Soldier Boy," "The Girl Next Door," "Fever" and "I Will Be Home Again." The Jordanaires join him for the chorus support. A definite smash.

"SONGS TO REMEMBER"—Mantovani—London LL 3149

The scintillating Mantovani string arrangements are put to a dozen songs ranging from old chestnuts to more recent entries into the standard sweepstakes. They're all warm ballads and collected here present a savory program of soft mood listening. Among the tunes are "A Very Precious Love," "When I Fall In Love," "Tonight," "No Other Love" and "Tenderly." An album to be cherished in the Mantovani tradition.

"JACKIE SINGS THE BLUES"—Jackie Wilson—Brunswick BL 54055

A dozen new blues tunes are performed by Wilson in his driving, intense style. Dick Jacob's direction of the ork and chorus is in the style of the traditional blues, and the songster picks up the cue and delivers some stirring performances. Among the tracks are "Doggin' Around," "Nothin' But the Blues," "She Done Me Wrong," and "It's Been a Long Time." Double fold album cover has plenty of pictures for his fans.

"TONIGHT WITH EDDIE FISHER"—Ramrod T-6002

Eddie Fisher returns to the LP scene with his first for Ramrod. Singing a line-up of superior songs from recent and current Broadway shows the singer proves that he still owns one of the richest pop voices around. He performs beautifully on "Just In Time," "Gigi," "Till There Was You," "I've Grown Accustomed To Your Face" and "Tonight." An exciting album which should stir up enthusiastic sales response.

"A THURBER CARNIVAL"—Original Broadway Cast—Columbia KOL 5500

By the time the opening "Word Dance" number is well on its way one realizes that Burgess Meredith is a genius, for he has done wonders in transferring James Thurber's serious nonsense humor to the stage. Listening to this album actually requires serious concentration, and though there are not many guffaws, there is an unending string of chuckles running throughout the production. A success on Broadway, the show has another friend in this album.

"THE SNOW QUEEN"—Original Film Sound-track—Decca DL 8977

This full-length feature color cartoon now making the neighborhood flick rounds was produced in Russia and features the dubbed in voices of Art Linkletter and Sandra Dee among others. It is an immaculately produced production of the Hans Christian Andersen narrative. The tunes are clever and tuneful, delightfully punctuating the drama. An especially attractive kiddie album.

"THE TUNETOPPERS AT THE MADISON DANCE PARTY"—Calls By Al Brown—Amy A-1

Group that's hitting singly with "The Madison," bows with the label on an LP made up entirely of music to do the Madison to. Al Brown is present to handle calling chores and along with the Tunetoppers carve out a session that should make a point with the teeners. Hit single is included, plus "Scotty," "Mo' Madison" and "Your Call." Give it display space.

"OUR LOVE STORY"—Gordon and Sheila MacRae—Capitol ST 1353

Husband and wife team up for a light romp chronologically through a fictitious romance. They begin with the original title tune and then assume their proper roles—solo or duet—on "A Wonderful Guy," "Love Is a Simple Thing," "Love and Marriage," "All the Things You Are," and "And This Is My Beloved," among others. Cute, novel, romantic outing.

"MR. EASY"—Jesse Belvin—RCA Victor LPM 2105

This album, cut just before the singer's death, reveals a side to his talent that was obscured by his rock and roll hit singles. Here, on a batch of standards, he proves a highly sensitive, individual, legit performer. Marty Paich's swinging arrangements are of immense importance, they prod the songster through moving performances of "What's New," "Let There Be Love," "Imagination," "Angel Eyes" and "It's All Right With Me." Album merits wide exposure.

"COME ON CHILDREN LET'S SING"—Mahalia Jackson—Columbia CL 1428

With fantastic strength and sincerity, the great vocalist offers another of her stimulating gospel concerts on disk. She begins with a rousing "Come On Children Let's Sing," and proceeds to stir the emotions and awesome admiration with such numbers as "You Must Be Born Again," "Brown Baby," "Keep-A-Movin'" and "One Step."

"BILL HENDERSON SINGS"—Vee Jay LP 1015

His apprenticeship having been spent as a blues singer, Bill Henderson has the sensitivity and soul to sell a pop song with more than the usual amount of feelings. His timing and phrasing is all jazz influenced and when he's with an old pop song it takes on fresher appeal. His performances here include "Joey," "Moanin'," "It Never Entered My Mind," "The Song Is You," and "My Funny Valentine." A vividly alive vocal album.

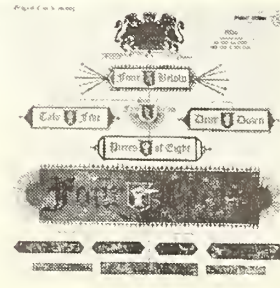

"AFRO CAN-CAN"—Jack Costanzo—Liberty LST 7137

Cole Porter's score for "Can-Can" is now taken the Latin route via the throbbing bongo playing of Costanzo. He leads a solidly swinging brass and percussion ensemble through infectious readings of "Live and Let Live," "Come Along With Me," "Montmartre" and "I Am In Love" among others. Lively dance set for the uninhibited.

"DREAM CONCERTO"—Ferrante and Teicher—United Artists UAL 3087

The fine piano team offers a program of classical themes set to the teen beat. Such favorites as Rachmaninoff's 2nd Piano Concerto, Schuman's Traumerei, Tchaikovsky's Piano Concerto and various themes from his symphonies, and Beethoven's Moonlight Sonata among others are pounded out on the piano with ork and sans-lyric chorus along for the string-filled ride. Lots of odd sound gimmicks are used to grab the commercial appeal.

"FOUR BELOW STRIKES BACK"—Original Cast—Offbeat O-4017

In the tradition of his previous productions, Julius Monk's "Four Below Strikes Back," now on view at the Downstairs Room, is a hilarious farce which dotes on satire for its comedy. There are seventeen original sketches encompassing such diverse subjects as "The Castro Tango," "Family Fallout Shelter," "The Constant Nymphet" and "Charlie Chan," a delicious spoof of reverent film moments. It is an altogether charming experience. Appeal is limited.

Album Reviews

"THE FLYING FINGERS OF FLIPTOP FINNEGAN"—Atco 33-116

Honky-tonk and ragtime, corn and cherished old melodies combined here make for a lively fun interlude. Finnegan and his group (apparently a fictitious assemblage) serve up "Melancholy Baby," "Twelfth Street Rag," "Somebody Stole My Gal," "Beer Barrel Polka" and "After You're Gone" in high flying style. Merits party disk attention.

"SUBWAYS OF BOSTON"—The Coachmen—Hifi R 420

Professionally related to the Kingston Trio, Brothers Four, etc., are the Coachmen—three young, crew-cutted musicians and vocalists. Their repertoire is ambitious, running the gamut from a spoof of the Kingston's "Tom Dooley" and "M.T.A." titled "Subways of Boston" (S.O.B.) to the almost now obscure, Frank Loesser song of courage, "Roger Young," plus "Delia's Gone," "Rock Island Line" and "I Never Will Marry." They have a good harmony style and should arouse interest from the market.

"EUROPEAN HITS IN AMERICA"—Richard Wolfe—Kapp KL 1183

Lately Europe has contributed many songs that have become top hits in the U.S. (as well as country of origin) and ork leader Wolfe has collected them under one cover for an interesting and relaxing instrumental survey. Included are "Fascination," "Morgen," "Marina," "Petite Fleur" and "Come Prima." Nice listening.

"EXTRAVAGANT PIANO"—Mister Mystery—Palette SPZ 37003

Supposedly a top classical pianist in Europe, "Mr. Mystery" has recorded an outstanding album for the label. Employing such devices as multi-tracking, echo chambers, etc., he offers delightful solo piano essays of "Kitten On the Keys," "Tico Tico," "Dardanella," "I Got Rhythm" and seven others. Lots of fun and good listening here.

JAZZ PICK OF THE WEEK

"THE MUSIC FROM 'THE CONNECTION'"—Freddie Redd Quartet—Blue Note 4027

"The Connection" is now enjoying a successful off-Broadway run as the first play to use jazz and jazz musicians as vital, integral parts of the action in the story. Freddie Redd's music for the show reflects his understanding of putting jazz to use as descriptive music. But the star of this recording is Jackie McLean, alto sax and major soloist with the group. It is his searing, gripping solos which brings the jazz to fruition. Album should do well.

"COOL HEAT"—Anita O'Day—Verve MG VS-6046

Anita O'Day is cooled-off for this album but there is no less artistic, stylistic, individualistic singing than on her previous hot sessions. Her cooling off is due to her use of Jimmy Giuffre arrangements, which swing but in a smoother, glossier way than the singer is accustomed to. And there is plenty of scat singing present—the entire "Hershey Bar." Other tunes are "Orphan Annie," "My Heart Belongs to Daddy" and "Come Rain or Come Shine." Excellent addition to the jazz vocal shelf.

"MAYNARD FERGUSON PLAYS JAZZ FOR DANCING"—Roulette R 52038

Ferguson is another of the more recent big band leaders who believe that jazz should return as a dancing medium. His enormous appeal on campus is proof of truth in his philosophy. This time out the band crackles with enthusiasm on "Hey There," "It Might As Well Be Spring," "I'll Be Seeing You" and "Where's Teddy," a sparkling, bright new original. All have the important dancing beat. A savory new outing by Ferguson.

"HERE COMES THE SWINGIN' MR. WILKINS"—Ernie Wilkins and his Orchestra—Everest LPBR 5077

Ernie Wilkins has arranged a big band session that espouses the dancing beat as well as a full jazz sound. The tunes are all standards, among them "Falling In Love With Love," "The Continental," "Somebody Loves Me" and "All of You," and they are swung vigorously. Wilkins is one of Basie's top writers so it's natural that most of the chairs here should be occupied by Basie sidemen. Soloists include Al Grey, Thad Jones, Marshall Royal and Zoot Sims. Exciting issue.

"THE SOUND OF MUSIC"—The Paul Smith Quartet—Verve MG VS-6128

Richard Rodgers' wonderful melodies are treated royally by Smith in this jazz interpretation. Smith's piano and Barney Kessel's guitar mate perfectly (as in Kessel's Peterson days) for a lightly romping adventure into such tunes as "My Favorite Things," "Climb Ev-ry Mountain," "An Ordinary Couple" and "So Long, Farewell." An easy-listening package that will appeal to pop fans as well.

"DIXIE IN HIGH SOCIETY"—Barney Richards and His Rebels—Mercury SR 60185

The Richards band puts the emphasis on two-beat Dixie but its repertoire runs mainly to show tunes unlike most traditional outfits. Here with the exception of "Bill Bailey" and "Mournin' Blues," the band runs through a brace of showpieces including "S Wonderful," "Thou Swell," "Just In Time" and "Mountain Greenery," providing a well-seasoned spice dance session. Stereo sound is a good asset. For traditional fans.

KHACHATURIAN: "Masquerade Suite;" KABALEVSKY: "The Comedians"—Kiril Kondrashin conducting The RCA Victor Symphony Orchestra—RCA Victor LSC 2398

A bubbly, bouncy affair is this recording as it brings together two highly volatile programmatic pieces by the two Russian composers. And interpreting with the baton is yet another Russian, making this a fiery triumvirate on disk. It is a captivating record, full of energetic life and spirit.

CLASSICAL

"BITTER SWEET"—Angel S 35814

One of the classics of the operetta is this romantic showpiece by Noel Coward. Angel gives it a long-awaited first recording and has done a masterful job in recreating the regal splendor of the Gay 90's, from a wonderful cast to the inviting orchestrations. Vanessa Lee, Roberto Cardinali, Julie Dawn and John Hauxvell are starred—all of fine operetta voice. An endearing period-piece.

RACHMANINOFF: Piano Concerto No. 3 In D Minor—Ann Schein, pianist, Sir Eugene Goossens conducting the Vienna State Opera Orchestra—Kapp 6600

At twenty, Miss Schein is a brilliant pianist, with promise of an even brighter future on the concert stage as evidenced by her mastery over the Rachmaninoff concerto here. Her technical facility is astounding and it is always under tasteful control. A brilliant recording.

BRAHMS: Hungarian Dances (1, 3, 5, 6, 17-21); DVORAK: Slavonic Rhapsody No. 3, Scherzo Capriccioso—Rafael Kubelik conducting the Royal Philharmonic Orchestra—Capitol SG 7209

A collection of bright, colorful "folk" dances which is of especial interest to the light-classical fan. These pieces by Brahms and Dvorak are lively, tuneful affairs and are accorded such treatment by Kubelik, who directs with a significant light hand. Interesting array.

ENGLAND

Plans are now complete for the long awaited visit of Perry Como—arriving Easter Saturday—to rehearse and record a British edition of his show for screening in the States on April 27th and in England on May 1st. As soon as Como's comet lands at London Airport the first sequence of the hour long program will be filmed in the BOAC Maintenance Area using BBC television facilities. Other locations will be the sort of places an American tourist would visit and top flight British names appearing in the program include Sir Ralph Richardson, Dame Margot Fonteyn and Michael Soames, Russ Conway, Harry Secombe, Fenella Fielding and The Duke of Bedford.

Enterprising Manager and Agent, Bunny Lewis, this week returned from a four week business-cum-pleasure trip to the United States, taking in New York, New Orleans, Las Vegas, Hollywood, Mexico City and Acapulco. Lewis, bursting with good health and good news told *The Cash Box* that in New York he set up two new companies. One a publishing firm with Wolf Mankewitz and Hill and Range for the promotion of film music—material will probably be about 75% British and 25% American. Five films are scheduled for the first two years. The second company to be set up with Hill and Range will concern itself with show promotion. Publishing wise Lewis also acquired material from George Pincus (Pincus Music Company), Herbert Marks (E. Marks Music Company) and from Phil Kahl (Planetary Kahl) which he plans to record with his own artists in his own studios. Artist-wise Lewis clinched a deal with I.T.A. (International Talent Associates) of New York to represent them in this country and plans to bring over The Kingston Trio and The Brothers Four whose Columbia disk "Green Fields" is high in the *Cash Box* Top 100 and released in this country on the Philips label. Visits will also be made by The Cumberland Trio, a new group who recorded for Roulette in America and the established pianist-singer Barbara Carroll. Lewis has also arranged to manage The Four Lads in this country. They are handled in the States by Mike Stewart of Korwin Music, New York and Dominion Music, London. Voted top vocal group in the United States for the last four years, Lewis is confident that they will be equally popular in this country and plans to bring them over later this year. Their hit disk "Standing On The Corner" from "The Most Happy Fella" is released here on the Philips label. A visit here is also planned for 22-year old coloured singer Azie Mortimer who recently cut her first three sides for Big Top. Described by Lewis, who sat in on the session, as "sensational," he also paid tribute to the brilliant A & R song writing team Lieber and Stoller who conducted the recording. Of all the shows that Lewis saw during his trip which included eight major shows and 24 lounge acts in Las Vegas, the biggest impression was made by Peggy Lee at Basin Street East and The Basie Band in Birdland. Since returning to London Lewis has signed up leading German singer, Peter Kraus, who will come to this country for four BBC television shows and a recording session.

The first fifteen releases in the new Top Rank low priced L.P. 'Buy' series (announced in *The Cash Box* 16th April) are out this week. Retailing at 22/6d and superbly packaged, the series caters for all tastes. In the 'pop' field artists include The Fleetwoods with "Mr. Blue," Al Martino with a collection of top numbers, Jack Scott "I Remember Hank Williams." Jazz wise the series features Bob Wallis and His Storyville Jazzmen, Dave Remington and his Dixie Six and Woody Herman and his Orchestra. For sweet, smooth listening "The Melody Lingers On" by Georgie Auld and the Mellolarks, and "With My Love" by TV personality Ernest Maxin and his Orchestra. Three albums feature the popular Knightsbridge Strings and for the classical buyer famous composers include Tchaikovsky, Strauss, Dvorak and Stravinsky.

Top Rank has confidently introduced the series because they are convinced the time is right for a big expansion of the record market and that the low price L.P. (hitherto confined largely to re-issues) is the best way to win and keep record collectors. None of the records in this debut release has been released in Britain before and five are brand new Top Rank recordings. The launching of the series is backed by publicity on the Rank cinema circuit, Radio Luxembourg and the national press. Further releases are due in June featuring Steve Lawrence, Tony Crombie, Harry Robinson, Cherry Wainer and Dee Clark.

W. H. Barrington-Coupe, Director of Saga Records, announces that his newly formed Triumph label launched specifically for the teenager, will be the only record company represented at the forthcoming "Teenage Fair" to be held at Park Lane House, London from June 20th to 25th.

Already popular in America and Canada the Fair will be the first of its kind in this country—in charge of operations is Canadian Derek Baker of Anglo-European Exhibitions. Triumph aims to run a talent contest during the week with the object of discovering new artists for the label. Its own recording stars including Peter Jay, Yolande and The Flee-Rackers (currently touring with The Everly Brothers) will make personal appearances. Triumph now has its own fifteen-minute commercial radio spot on Luxembourg every Wednesday entitled "It's A Triumph" compered by Ricky Wayne.

Ben Nisbet of Feldman London who handles all music from British Lion and Bryanston Films publish the songs from Tommy Steele's latest picture "Light Up The Sky"—music by Lionel Bart (currently in New York for the production of his successful musical "Lock Up Your Daughters"). The film directed by Lewis Gilbert is due for release shortly. Decca will issue the Tommy Steele disk of the title song. Nisbet is also setting up a feature film with Producer Milton Subotsky (responsible for the American rock 'n' roll film "Disk Jockey Jamboree") to be made here by Britannia films with a rock 'n' roll theme featuring British teen beat recording stars. Music from the record breaking British Lion film "I'm Alright Jack" starring Peter Sellers and opening in New York shortly is also published by Feldman. They also have a new American song "You're Singing Our Love Song To Somebody Else" by Jerry Wallace to be released here on 29th April on the London label. British versions include a disk by Dickie Pride on Columbia.

Atlantic recording star Chris Connor arrives next week to appear in Granada TV "The Variety Show"—also in the bill will be Frankie Howerd, Henri Vadden and The Delta Rhythm Boys.

Dick Howard, former Gala Records Promotion Man has joined newly formed Mercury Music Company as General Manager. The company has acquired rights to many television series theme music and Howard has high hopes for initial success of "Four Feather Fall" from a series of that name recorded by Michael Holliday on Columbia. The company aims to build an international catalogue and is seeking suitable material from both the States and the Continent.

Manager Paul Cave reports that the first disk by young Richard Allan of his own composition "Only One" is selling well on the Parlophone label. Richard is currently recording the title song for the soundtrack of the Rank film "Doctor In Love." He will also wax the number on the Parlophone label. The King Brothers also managed by Cave have just recorded "Standing On The Corner" from "The Most Happy Fella" with perky accompaniment by Geoff Love and his Orchestra with the Rita Williams singers on the Parlophone label.

Gerald Benson and Oliver Ward, Directors of Pan Musik Ltd. who recently moved to new premises in Denmark Street, are currently working on "Darlin'," written, composed and recorded on Oriole by Johnny Scott whose tragic and untimely death came a few days after the disk's release.

Al Burnett, owner of London's Pigalle night spot where Sammy Davis Jr. is booked for a four-week season commencing May 17th, reports fantastic advance bookings. With Davis will be The Will Mastin Trio.

Thanks to Philips recording star Marty Wilde, a new 20-year old Liverpool born singer, Don Neilson, make his disk debut this week. Marty heard the lad sing and suggested an audition resulting in the release this week of "Lost" backed with "I'll Get By" on the Philips label. Following the success on the same label of Ray Bryant's "Little Susie Parts 1 and 3" the company are lining up release dates for more of his disks which they will handle exclusively in this country.

Jack Baverstock of Fontana Records plans an early release for "Great Instrumental Hits" featuring Johnny Gregory which Baverstock describes as 'a terrific stereo L.P.'

The Pye Record Company has arranged a Civic reception followed by a gala performance of "The Vagabond King" at the Palace Theatre, Manchester on April 25th to launch its new L.P. by the star of the show, John Hanson. Composer Rudolf Friml, now living in San Francisco, has written a new song "Somewhere In My Heart" specially for this recording which will be released in Pye's "Fireside Theatre" series. On the flip side Hanson stars in "The Student Prince."

"South Pacific" Gold Record

NEW YORK—George R. Marek, Vice-President and General Manager of the RCA Victor Record Division (left) and George Prutting, Director—International Record Division, RCA Victor (right) show E. R. Lewis, President of The Decca Record Co., Ltd. of England, the R.I.A.A. gold-record award for the "South Pacific" movie soundtrack album. The album, whose sales are now up to 1½-million copies, according to Victor, is one of the biggest-selling LP's in England today.

BENELUX

L. C. Bovema released an EP by the Ad van den Hoed Quartet (clarinet and rhythm group). The numbers are, "Lazy River," "Rose Of Washington Square," "Memories Of You" and "Poor Butterfly." The Quartet plays in the Benny Goodman tradition and record companies abroad are very interested in this EP recording.

Because German "schlagers" (hits) are very popular in Benelux, Dutch pianist Cas Oosthoek recorded a medley of German schlagers for the label His Master's Voice (managed by L. C. Bovema, Heemstede). Label manager of His Master's Voice, Willem Voerman told us that an EP by the Italian quartet, Enzo Gallo, has just been released for export.

Gospel songs are very beloved in the low countries and the sale of these records is very good in Benelux. Of all the religious singers, Mahalia Jackson has the widest audience in Benelux today, and although she limits herself to songs of faith, her platforms include churches, concert halls, TV studios, baseball parks, etc. Other artists in the field of Gospel songs are, The Golden Gate Quartet, (Columbia), St. Paul's Cathedral Choir (Capitol), Victoria Baptist Choir (Warner Bros.) and The Harmonizing Four (Top Rank).

Pete Felleman, Jr., Capitol's label manager in Holland had a very good TV program about Frank Sinatra on AVRO (one of the Dutch radio and TV broadcasting corporations) on April 16th. For years, "The Voice" has been Felleman's favorite singer and he is making Sinatra more and more beloved by the Benelux people. Jonah Jones' newest LP, "Swingin' 'Round The World" has just been released. Jones' records are very popular in Benelux, as is this type of jazz music.

Van Zeeland and Van de Haar of C. N. Rood L. C. made a trip to England, where they extended their contract with Pye for several years. The Pye group has grand plans and will build a new factory and studios.

It seems that there is interest for a number of the young C.N.R. artists in the United States, such as Electric Johnny And His Skyrockets and Arthur And His Cronies. There is a good chance that their records will be released in the States.

H. A. van de Haar of C. N. Rood L. C. told The Cash Box that at this time, "Cara, Cara Mama" is one of the best selling records in Holland by female artist Carla van Renesse.

The EP, "Carillon Sounds From Holland" is requested in many parts of the world. It is by Romke de Waard, and he interprets his own composition of "The Big Ben Suite" on one of the best Hemony-carillons in the world.

The "scoubidou" rage has reached Holland via France and Belgium. Song-writer Stan Haag composed two most charming scoubidou songs, which are released by C. N. Rood L. C. Rijswijk on the CNR label, sung by the Dutch, "De Leidse Sleuteltjes." When you buy this record you also get "scoubidou" thread.

The Dixieland interpretations of popular classical works of famous composers reached a new high with the versions of Beethovens "Fur Elise" and Offenbach's "Barcarolle" by Bep Rowold and His Dixie Swingers on the CNR label. This all started with Papa Bue's version of "Schlaffe Mein Prinzchen, Schlaffe Ein" on Storyville.

On the occasion of the release of the film, "Tommy The Toreador" with popular singer Tommy Steele in the leading role, L. C. Phonogram organized a Tommy Steele contest in cooperation with the music magazine, "Song World" and film company Cetra. The first prize is a trip to London and a visit with Tommy Steele himself. The single from this film, "The Little White Bull" on the Decca label is becoming a top hit.

The American instrumental group, The Champs, has many admirers in Holland. Their latest record on the London label (managed by L. C. Phonogram, Amsterdam) is "Too Much Tequila" and is a big seller.

Bobby Darin is called "The Second Sinatra" in Benelux because of his "Mack The Knife" and "Beyond The Sea" on London. In the first week of his release of "Clementine" a very large number of records were sold, and there is also a Bobby Darin Fan Club in Benelux.

The Wama's, the duo which has the most popular crazy show in the low countries, have released—after the success of their Dutch interpretation of "Mack The Knife"—another parody on a top hit. Their version of "Laila" (original version by The Regento Stars on Tivoli) belongs to the best selling Decca singles of the last few weeks.

After the enormous success of the "Kriminal Tango," Decca requests that attention be focused on "The Striptease Tango," a witty recording of "De Peheiros" just released by L. C. Phonogram, Amsterdam.

On April 25th and 26th, Phonogram's publicity manager for the Decca and London labels, Jan J. van Luijk, will fly to London for talks on joint publicity activities of Decca London and Dutch Decca distribution. He will also visit Pat Boone's London office for plans of a healthy promotion of Pat in Holland.

AUSTRALIA

Among the stars named for his next show by promoter Lee Gordon—which is currently being finalized—are the Everly Bros. and Crash Craddock who have previously toured here for Lee Gordon. Craddock was without doubt one of the hottest and most popular American stars ever to visit these shores. His "Boom Boom Baby" is still a good seller among singles, even though it has been off disk-jockey hit programs for several weeks. The Everly Bros. have always been fairly popular on disk in Australia but strangely enough their single of "Let It Be Me" wasn't as successful as many of their previous discs.

As a result of recently completed negotiations with the Coca-Cola people, two new all-Australian singles have the backings of a promotion tie-in with Coke. One of these—on the W & G label—features leading Victorian star Frankie Davidson with his own composition "I Care For You," it is packaged in a special sleeve with a shot of Davidson relaxing in the recording studio with a bottle of Coca-Cola. Jack Argent, of Leeds Music, has taken up "I Care For You" for publication. The other Coke promotion is behind the new Columbia (E.M.I.) release of vocalist Grade Wicker with Joe Halford's latest compositions "Lulu Brown" and "Dreaming 'Bout My Baby." Joe Loufer, who is handling both tunes for Castle Music, feels that this could be a double-sided winner for Wicker. "Lulu Brown" features the gimmick of a percussive, rhythmic sound produced by hitting two empty Coca-Cola bottles together—hence the tie-in with the world-wide Coca-Cola organization.

Pye Records has released Emile Ford's new single which couples two oldies "On A Slow Boat To China" and "That Lucky Old Sun." Ford held top spot in sales here for a few weeks with "What Do You Want To Make Those Eyes At Me For." Pye is also making a rush release of Lonnie Donegan's "My Old Man's A Dustman" which in one week jumped to the top of English charts.

Correction: In the Top Ten list last week we credited Lonnie Lee's single of "Starlight Starbright" to the London label; this is an error as it is released on the Leedon label.

American tenor sax star Georgie Auld hasn't had a new release on the Australian market for quite some time; now, all of a sudden he is represented by two new issues on different labels. On Top Rank, Georgie's single of "Mr. Lucky" c/w "No One" has been released and on W & G the album "Georgie Auld Plays For Melancholy Babies" has also been released. Both these disks should do well for Auld who is highly rated as a tenor sax stylist here.

An interesting special album release on Festival which should attract plenty of attention is The Billie Holiday Story, a two-disk set in a lush album. "Lady Day" was always popular with jazz collectors in Australia and it seems certain that Festival can anticipate a good sales result with this special album release.

In an effort to snare immediate sales that could result from the solid radio exposure of imported pressings of Elvis Presley's new single "Fame And Fortune" c/w "Stuck On You," the RCA organization here made a sensational rush release of the disk locally. It hit the market just a few days after the American release. Jim Cuff, merchandising manager of RCA Records, tells me he has never seen such pandemonium over a record in the history of the business. Retailers have been sending fantastic orders to distributors even before the titles were known—they just wanted Presley's new disk. RCA has collected the biggest pre-orders they have ever had on any record—as Jim Cuff puts it, "The King is back!"

The Leeds Music office here is delighted over the fact that Capitol Records—in both the United States and England will issue the original Johnny Ashcroft disk of "Little Boy Lost," a touching story of a four-year old boy who was lost for several days some time back: "Little Boy Lost" is now on the coveted No. 1 position on the 2UE Top 40 list in Sydney.

Holland's Best Sellers

Wayne and Shuster On New Columbia Album

NEW YORK—Comedians Johnny Wayne and Frank Shuster are the stars of a new album just released by Columbia Records (in stereo and monaural). The recording marks the Canadian comics' debut on wax.

The album, titled "Wayne and Shuster," features Johnny Wayne and Frank Shuster in four of the sketches they have performed on television in the U.S. and Canada. They include: "A Shakespearian Baseball Game,"

Rinse the Blood Off My Toga," "Frontier Psychiatrist," and "I Was a TV Addict."

Assisting Wayne and Shuster are a cast of seven supporting actors, who have appeared with them on television. The music, composed and arranged by Johnny Dobson, is by Frank DeVol and his orchestra.

The album was recorded before a "live" audience, and contains the audience's reaction.

GERMANY

The first record by Elvis Presley since he left Germany, "Stuck On You" backed with "Fame And Fortune" on RCA, is now released in Germany and has sold 50,000 records in ten days.

"Bonne nuit, ma chéri," the song with which German singer Wyn Hoop won the fourth prize in the "Grand Prix de Eurovision" in London, is selling very well in Germany. The export of this German record into European foreign countries seems to be successful, too.

Caterina Valente, now back from her tour throughout America, has already had her first television show called, "Bonsoir Cathrin." Her next show will be at the end of May.

Will Glahe, who had a big seller in "Liechtensteiner" in America, now is the first one to record the two top tunes of the "Grand Prix de Eurovision" called, "Tom Pillibi" (No. 1 in France), and "I Sing Hei, Hei, Hei" (No. 2 in England) in their German version on Teldec.

Twenty year old Vivi Bach, who in her home country of Denmark already has a career as a record and film star, has quickly established herself in Germany as well. She signed for four films with Constantin, and also signed with Philips. She will soon record her first tune. Ernst Verch, producer of Philips also found eighteen year old Barbara Klein, who with her first record, "I Ask The Stars" has already had some success.

Since Marlene Dietrich is expected in Germany, her records on Philips and Electrola are very much in demand.

Early in May Rocco Granata (Electrola) will receive the highest German record award, the Golden Dog. This is only given by Electrola if in a year's time one song in one country has sold a million records. This happened in Germany with Rocco's "Marina." It actually sold more than two million records. Rocco recorded two new songs, "Ja Bella," which he himself wrote and composed as he did "Marina," backed with "Oh Ciucciariello." Both are sung in Italian. The German version of these songs is by Ralph Bendix. Granata and Bendix are both on Electrola.

The new Freddy Quinn film is titled, "Melody Of The Night," and from this film he has recorded two new songs, "Melody Of The Night" and "We'll See Again." Freddy will soon receive his fifth gold record from Polydor.

When Nat "King" Cole comes to Germany, Twinsy Jones with his newly formed Big Band will be on the program. His orchestra includes two Europeans—French trumpeteer Roger Guerin and Swedish posau Ake Persson. The other members, Clark Perty, Jimmy Cleveland and Zoot Sims are from the States.

Elisabeth Schwarzkopf, famous opera singer, will tour Germany at the end of April and in May, and will also sing at the Festivals in Wiesbaden. Mrs. Schwarzkopf is the wife of Walter Legge, who is the chief producer of English E.M.I.

Electrola won the "Grand Prix de Disk" with 6 records. In the classical field they won for the recording of all nine symphonies of Beethoven, in the pop field for the chansons with French film star Danielle Darrieux, and for the "Suite For Jazz Quartet" with Martial Solal.

His Master's Voice signed Mauricio Pollini, who was the winner of the 6th International Competition For Pianists in Warschau, Poland. Pollini had to compete with 84 other pianists from all parts of the world. He will soon record Chopin's First Concert.

Darin In Scotland and England

LONDON—Bobby Darin returned recently from a smash four-week tour of England and Scotland, his first dates in Europe. The unit, which included U.S. recording stars Duane Eddy and Clyde McPhatter, drew overcapacity crowds at every performance, and extra seats repeatedly had to be added to the stages of the theatres. Darin's "Dream Lover" and "Mack The Knife" were both number-one sellers in England recently, and the teenagers turned out in droves to get their first in-person look at the young singer.

Darin also did two television shows during his tour; "Sunday Night At

The London Palladium," and a TV Spectacular, "This Is Darin."

Above, the camera catches a glimpse of Darin's tour:

1. Darin being presented with two silver disks for surpassing quarter-million British sales each for "Dream Lover" and "Mack The Knife," by Decca chairman E. R. Lewis.

2. Darin sings with Duane Eddy on the TV Spectacular.

3. Darin tries his hand at playing the bagpipes, encouraged by two pretty Scottish fans.

4. Bobby Darin Meets "Bobby" Darin, London policeman Jack Darin.

5. Darin sings with British songstress Rosemarie Squires on the TV'er.

ITALY

Mr. Candida of VCM, sent The Cash Box a copy of the Columbia record, "Tom Pillibi" by Boyer, and "Ce Soir La" by F. Deguef. These two songs were first and third in the recent Eurovision Great Prize of 1960, and are now being distributed in Italy.

The French Vogue label released a record titled, "Mustafa." It is distributed by Durium in Italy. The music will be published by the Ariston Publishing House, conducted by maestro Alfredo Rossi, who sent me another edition of "Mustafa" on the Barclay label distributed in Italy by Mr. Gurtler's Saar.

Maestro Olivieri has composed the song, "Olimpia In Rome" for the Titanus publishing house. This song is hoped to be the song of the Italian Olympic games, in the author's and publisher's opinion. The first singer who interpreted this song is Luciano Rondinella on Philips.

One of the most recent record firms established in Italy is Primary, and it already has a hit. The name of the record is "Coccinella" sung by Ghigo, the latest rock and roll song of Italian production. The Primary label is distributed in Italy by Bluebell, who informed me that the mold of the record has already been sent to France, Spain and Belgium.

Maestro Redi informs me that from now on the records of Caprice will be distributed by Fonit. Their allied concern in Cetra. The director of Fonit is Mr. Navarra.

The Sei Giorni (Six Days) Festival is now going on in Italy. In six evenings one hundred singers present one hundred songs.

"Love Me Forever," the beautiful song by Eydie Gorme has been a hit in Italy for an entire season and now the sales of this record have been rising again, on the His Master's Voice label.

Here is the up to date list of the labels represented in Italy by Mr. Casetta, manager of Bluebell Records. They are: Chancellor, Canadian American, Colpix, 20th Fox, Sonet, Storyville, Debut, Riverside, Contemporary, Good Time Jazz and Primary. Bluebell's last hit is "Marina" by Rocco Granata, and is still the most popular song in Italy.

U.S. Firm Acquires Russian Recordings For Release In U.S., Canada And Britain

Photo above was taken at the signing of the contract and includes (seated left to right): Afanasi Zmeul, president of Mezkhkniga; Frankel; (standing left to right): Alexander Malinin, chief of Mezkhkniga's record department; Svetlana Korovina; Geoffrey Child, Associated Recordings production director; Anatol Yevstigniev, chief of the U.S. department of Mezkhkniga Records; Boris Vladimirov, director of the Soviet Gramophone Industry, engineering and A&R; Peter Sutro, vice-president of Artia Recording Corp. sales; Gerald Severn, vice-president of RAM.

NEW YORK—Recording Artist Music Corp., subsidiary of M. J. M. Enterprises, Inc., has signed in Moscow a contract with Mezhdunarodnaya Kniga for the exclusive import of tapes for the production of records in the U.S., Canada and Great Britain and for the exclusive import of records made in the U.S.S.R. to these countries.

This historic contract represents the culmination of almost two years of negotiations by J. Jay Frankel, president of M. J. P.-Ramco and Gerald Severn, vice-president of Ramco. It is the first time that the entire U.S.S.R. catalog consisting of over 2,500 long playing records has been made available on an exclusive basis to an American record firm.

Recordings will be marketed under the Artia and Parliament labels' "Cultural Exchange" series, whereas fin-

ished pressings will have the "MK" (Mezhdunarodnaya Kniga) label but will be packaged in the U.S. Plans are to produce approximately 60 packages a year domestically and to import 60 more.

First release is scheduled for September 1960 and will include on the Artia label the prize winner of the Grand Prix du Disque—Mussorgsky's "Pictures at an Exhibition" played by Sviatoslav Richter, as well as new recordings by the leading Soviet soloists and ensembles. Simultaneously a release on the "MK" label will feature complete recordings of "Swan Lake," "Sleeping Beauty" and "Romeo and Juliet;" "Tsar Saltan" and "Pique Dame" and a new recording by Vasili Klimov of the Tchaikovsky "Violin Concerto." The artists already available and who will henceforth record

SCANDINAVIA

Lennart Reuterskiold, president of publishing house Reuter & Reuter in Stockholm, is having busy days with all the arrangements to be made in connection with the concerts of Pat Boone, Billy Vaughn, Keely Smith and other Dot artists at Stockholm's Concert Hall Tuesday (19th). Reuterskiold is handling the contract of Dot Records in Sweden, but has handled over distribution rights to the local company AB Knappupp.

Siw Malmkvist, Metronome Records artist, who sang the Swedish contribution to this year's Eurovision Song Festival in London on March 29th, will not record the song in Sweden. It is understood that with or without attention to the poor result of the song in London, the company consider the song "not worth spending a recording on," and besides, it is now a little too late to think of making new recordings of that song. In London, the Swedish contribution, "Alla andra far varann" ended at eleventh place (or as No. four from bottom . . .).

Swedish fan magazine Bildjournalen has also this year arranged a competition titled "Meet Your Idol." Winner was a 19 year college girl, Annmarie Holmberg from Arvidsjaur in northern Sweden, who declared she wanted to meet Ricky Nelson. Miss Holmberg will be flown over to America this summer to meet Rickey, and will be accompanied on the trip by Knappupp's publicity manager Stig Wallgren. The same company and Mr. Wallgren also went to USA last year with the winner of 1959, a Stockholm girl who was sent over to meet Pat Boone.

The Swedish Broadcasting and TV is reported giving up plans for future local song competitions in order to find a Swedish contribution to coming Eurovision Song Festivals. If Sweden shall continue to join these festivals, the TV people might order a song directly from one or another composer instead of as now arranging a local festival out of which the winner is chosen to represent Sweden. They are reported having got the idea from Austria this year. In the local Austrian festival, the jury decided that the local winner was of such poor quality that instead of presenting it at London, they contacted famous operetta-composer Robert Stolz and ordered a new song from him for the occasion.

Philips Records is now preparing a 12 inch LP record of typical Swedish folk-styled music to be sold mainly as a souvenir to tourists this summer. Several of the label's best known Swedish artists will be represented.

Pat Boone and the other Dot artists are giving concerts at the KB-Hallen in Copenhagen on April 20th. The Danish visit has been arranged by Morks Musikforlag, local Danish distributor of Dot Records in Denmark.

The Danish song "Det var en yndig tid," Denmark's contribution to this year's Eurovision Song Festival in London, is reported doing very poor business in Denmark. On the other hand, the Danes are reported being more interested in "To lys pa et bord" (Two Candles On A Table). This song failed in the local festival but has become a big hit among the record buyers.

"My Fair Lady" at the Falconer Teatret in Copenhagen was originally planned to run only three months, but its success has made it necessary to be prolonged until at least November 3rd.

Dag Haggqvist handles the publicity department of Scandinavian Record Co. (Sonet and Storyville labels, American Roulette Records) in Stockholm during the next six weeks while the regular publicity man, Bjorn Fremmer is on a business visit to the United States.

A recent idea among Swedish record companies is to start record circles, of the same type as those book circles which have been in existence for several years. A customer buys one LP and can borrow and listen to nine others. Mainly classical and jazz music are handled in these circles. The first record circle has been named Skivkonsortiet and was started by HMV, Philips, RCA, Telefunken, Polydor, Coral, Decca and London. The organization works under the slogan "Buy one record, listen to ten."

The strike among the musicians is still making certain difficulties for most of the Swedish record companies to make new recordings. There is, at the moment, no end of the strike in sight.

The songs from this year's Eurovision Song Festival are now beginning to appear in Sweden. So far, Reuter & Reuter has presented the sheet copies of the British entry, "Looking High, High, High," Stockholms' Musikproduktion has presented the Italian "Romantica" and Southern Music just released the Danish "Det var en yndig tid."

EMI (Columbia Records) has ordered copies of "Tom Pillibi" sung by Jacqueline Boyer directly from Pathe-Marconi in Paris and is now eagerly awaiting for the first records to arrive while the interest in the song is still high after it won in London.

English English

LONDON—The News Chronicle, a national daily here, recently noted an Atlantic Records ad which appeared in the April 16 issue of The Cash Box and which included a glossary of terms defining the British idioms mentioned by Lonnie Donegan in his dinking of "My Old Man's a Dustman." The comment concludes with Professor Higgins' "My Fair Lady" remark on the English language: "In America they haven't used it for years."

THE CASH BOX BULLSEYE

"SHE'S GONE" (2:15) [Cedarwood, Spock BMI—Rainwater]

"HARD LUCK BLUES" (2:33) [Cedarwood, Spock BMI—Honadd, Rainwater]

MARVIN RAINWATER (MGM 12891)

Rainwater's sensational handling of "She's Gone" bears all the marks of a smash country hit. Tune's a mixture of comedy recitation and blues wailing and the singer brings the contents to a commercial boiling point. Give it lots of room. "Hard Luck Blues," an appealing multi-track lament, completes the coupling.

"TOO MUCH TO LOSE" (2:43) [Moss Rose BMI—Blake, Vandore]

"THAT'S WHAT I GET FOR LOVING YOU" (2:38) [Four-Star BMI—Beam, Jiles, Stevenson]

CARL BELEW (Decca 31086)

Belew's in for a secure chart berth on "Too Much To Lose." He turns in a gripping, weeping performance of the sad plaintive. It's a real heart-breaker that will stir up the sales action as it does the feelings. Pop potential too. "That's What I Get" is a bouncy upbeat slice also with a tearful message, and could mean a two-sided hit.

JUNE WEBB (Hickory 1120)

(B+) **"SWEETER THAN THE FLOWERS" (3:05)** [Lois BMI—Rouse, Burns, Mann] Lilted waltz weeper gets the full tearstained treatment from the thrush. Top femme warbling sets this for potential chart action.

(B+) **"LOVE HAS COME MY WAY" (2:07)** [Acuff—Rose BMI—Gibson] Bright, up-tempo swinger puts forth the happier side of romance. Should also vie for hit status.

MARIJOHN AND THE JACKS (Columbia 41645)

(B-) **"TROUBLE IN MIND" (2:30)** [Leeds ASCAP—Jones] Top country clef Marijohn Wilkin goes the vocal route here, offering a smooth, pop-angled reading of the oldie. Has possibilities.

(B) **"PISTOL PACKIN' MAMA" (1:50)** [Dexter BMI—Dexter] Another oldie is given the country revival treatment. Two appealing efforts.

SHORTY BACON (Ozark 1237)

(B) **"FIRE OF LOVE" (2:15)** [Mississippi Valley BMI—Renaud, Lukenbill] Thumping rockabilly romantic is belted for all its worth by the artist. Could garner pop and country attention.

(B) **"SPEAKIN' OF ANGELS" (2:08)** [Mississippi Valley BMI—Walton] This love opus is done up in attractive honky-tonk wrapping. Also deserves a hearing.

BEN HEWITT (Mercury 71612)

(B) **"WHIRLWIND BLUES" (1:55)** [Actual BMI—Langford] Hard-hitting upbeat rocker is vigorously trampled on by Hewitt. Has a Presley-like atmosphere. Might cash in around these parts.

(B) **"THE QUEEN IN THE KINGDOM OF MY HEART" (1:57)** [Actual BMI—Langford] Soulful lament is weeped with feeling and sincerity.

PAT DAVIS (ACTS 4501)

(C+) **"TAKE THE TIME" (2:50)** [Mullins BMI—Bange] Label and artist debut. Davis softly caresses tender comments on this quiet romantic.

(C) **"SPINNER HUB CAPS" (1:53)** [Mullins BMI—Bange] Fast-breaking side can appeal to the youngsters.

AUTRY INMAN (Glad 1002)

(B) **"PLEASE CUT ME DOWN" (2:46)** [Am. Zen ASCAP—Inman] Haunting appeal for mercy is essayed with deep feelings. Song tells a poignant story. Could attract the spins.

(B) **"I'M STILL IN LOVE WITH MARY" (2:25)** [Am. Zen ASCAP—Inman] Another touching slice is sold with telling effect by the songster. Appealing coupling.

RAY PRESSLEY (D 1136)

(B) **"LAND OF LINCOLN" (2:28)** [Tree BMI—Pressley, Price] Flavorful hillbilly ballad keeps the fires of the Civil War burning. Pressley turns in a fine job on the vocal. Interesting opus.

(C+) **"GHOST OF A BROKEN HEART" (2:20)** [Glad BMI—Pressley, Price] Here Pressley covers more familiar ground with a lilted country sob story.

DAVE ATKINS (Contour 503)

(B) **"THE BALLAD OF ROBERT E. LEE" Part 1** [West—Higgins BMI—Kari] March-time ballad (similar to "Battle of New Orleans") tells the story of the Southern Civil War hero. Saga is unusually complete as to factual information. Has spin possibilities.

(B) **"THE BALLAD OF ROBERT LEE" Part 2** [West—Higgins—BMI—Kari] Continuation of part 1.

Country Round Up

Combining work and play, Tennessee Ernie Ford will have a three-day sampling of Ozark fishing on the heels of his NBC-TV origination from Springfield on April 28. Ern's affiliation with Springfield's RadiOzark Enterprises now dates back more than seven years, and that firm will play host at a cocktail party honoring the "pea picker" just before his telecast. . . . On top of a booming fair business for the coming season, Top Talent's Jim McConnell reports that "Jubilee U.S.A." talent will play more rodeos than ever before. Included are the huge Calgary Stampede and the famed Nampa, Idaho event. Jim also announced another of his Johnny Horton bookings, a coupling of Johnny and the Jubilee Promenaders for Lucky Moeller's planned pre-Derby personal in

Louisville on May 4. . . . Starday's sweet-singing Margie Singleton, whose first "Jubilee U.S.A." guesting brought a whole flotilla of favorable mail to Red Foley and the show's producers, is on the books for once-a-month visits in the next several months. She'll get a Springfield showcasing on ABC-TV April 30, May 21, June 18 and July 16. Hubby Shelby Singleton, Mercury Records' Southern rep, set the deal with Crossroads TV. . . . On top of all this good news from Springfield it grieves us to learn that great sadness has entered into the life of "Jubilee" announcer Joe Slattery. On April 7, the Slatterys' 9 month old daughter, youngest of their six children, passed away, and on April 19, Joe's mother succumbed to a lingering illness. . . . Johnny Cash and Tex Ritter were the guest team on "Jubilee" last Saturday (23) with Jim Reeves and Jimmy Driftwood coming up for April 30. Reeves introduced his "He'll Have To Go" on the Foley show several months ago and returns with the tune in a topmost spot. . . . Johnny Cash relying on planes to get him around for all his widely scattered bookings. Following his "Jubilee" p.a., Johnny returns to California (from whence he flew in) for appearances in San Bernardino and San Diego on May 6 & 7. The following week he will be special guest for ol' Ernie Ford. Then he hops around the midwest fulfilling engagements.

"Due to the existing confusion in connection with the mailing of sample records to disk jockeys," the Albritten-Shucher Talent Associates office has decided to temporarily discontinue the use of its mailing lists. However, the office notes that it "shall be more than happy" to mail sample copies to disk jockeys requesting them. . . . Dee's Pappy Daily spent last week cutting sessions with Mercury's George Jones and James O'Gwynn in Nashville. James was in for one session while George cut two albums, one of which is made up of Hank Williams songs. . . . Al "Flat Top" Daly wastes no time. Rushed out a membership certificate for (Allen Berzofsky) as soon as he heard I've taken over the Roundup and already has me listed on his "Wanted" list. All right Al, "I Surrender!" . . . Ozark Records (South Gate, Calif.) hot for their release of "Fire of Love" and "Speakin' of Angels" by Shorty Bacon. The diskery is sending in weekly sales reports on the disk. . . . Skeeter Davis hopping around Michigan this month on a batch of personals. . . . Billy Deaton of TNT Records harbors big hopes for the label's new release, "Candy Town" b/w "Bronco Buster" by new artist Jack Newman. . . . Jimmy Martin and the Sunny Mt. Boys are now regular members of the "WWVA Wheeling Jamboree." . . . Our deepest condolences to Herb Shucher (manager of the Browns). We just learned that Herb's father-in-law was killed in an auto accident.

In January, the National Guard filmed 13 fifteen-minute TV shows for recruiting purposes featuring "Grand Ole Opry" stars. The films were so well received in Washington, reports Hubert Long, that these shows now have been sold to the Armed Forces Radio & TV Network. They will be shown throughout the world with Faron Young as host of the series. . . . A. John Rourke, music director of CKGM-Montreal, wishes that all persons mailing sample records to him (in his name) would only send ONE copy to avoid custom delay and extra charges. . . . ACTS Records (American Country Talent Service) of Indianapolis introducing their first record by mailing deejays a birth announcement. The record? "Take The Time" b/w "Spinner Hub Caps" by Pat Davis. . . . Jim and Jesse and the Virginia Boys just completed a tour with Wilma Lee & Stoney Cooper. They covered Fla., Ga., Ala. . . . Rex Allen set for a whopping amount of Rodeos and Fair dates through Sept. . . . Word comes from G. G. Grayson of KCUL-Fort Worth that George Kent, an artist on the Maverick label, is a "real, honest-to-goodness maverick" when he isn't singing. It came out in an interview over KCUL that George does duty as a Dallas policeman. . . . Another Pressley? "D" Records has released the first recording by Ray Pressley. Sides are "Land of Lincoln" and "Ghost of a Broken Heart."

PLAY 45 & 33 $\frac{1}{3}$ TODAY

*A Decision for Every Coinman
In Business Today*

THE MOMENT OF TRUTH

From the original spark of foresight which pre-empted what is known today as The Coin Machine Council for Public Relations, to the actual organization of this highly important industry group, certain preliminaries were necessary. The prime question that had to be answered was, "Why should the industry find it necessary to combat and correct the public image of our industry as it is seen by America today?" To the members of the coin machine industry, the question was a basic one and the answer quite simple. The answer was told on the front pages of the nation's newspapers, and in other mass media, almost as regularly as the weather report. The industry was pictured as an out-and-out front for racketeering elements. The word "industry" included every single person who ever made as much as one dollar from the coin machine business. It included you.

Since this type of national publicity obviously cannot be fought with verbal repudiations (usually amongst ourselves) merely denying the inference, nor can it be resolved without an equally strong and favorable press, The Coin Machine Council was formed . . . and it stands on the brink of tremendous accomplishment. Fortunately for you, an important member of the industry, its success is in your hands. Your "moment of truth" is at hand.

The initial meetings, the appointment of capable leaders, the retention of qualified professionals in this matter, and a program designed to combat this unfair press has all been approved. The next step is action. Just as the recent blaring headlines which

embarrassed you and affected your business cost untold hundreds of thousands of dollars, your defense will be priced according to its scope. To do a job, your Coin Machine Council will need an initial outlay of perhaps \$75,000 or more. There is no single individual in this industry who can finance such a program and if there were it would be to no avail. A defense such as yours must come from every individual coinman in the nation. It must come from you. Because with individual financial support there is individual interest. And where there is interest there is strength—the strength necessary to combat what is basically wrong, that you Mr. Coin Machine Man are the subject of yesterday's, and perhaps tomorrow's, headlines.

We have all participated in meetings and conferences that had to do with a multitude of programs. Oftentimes we have left these meetings vowing our support and leaving the actual work to the chosen few who we deemed worthy of carrying the ball. The Public Relations Council is no laughing matter. It is no social club. There is no provision in its by-laws for complacency. The Coin Machine Council has expended its efforts to form what is your most important voice in America today. We repeat, it stands on the brink of tremendous accomplishment . . . its success rests in your hands. Your "moment of truth" has arrived. Return the official membership application in this issue today, and enclose a check in the amount determined by your conscience as to the importance of the Coin Machine Council to you and your business.

Record Firms Fill Key Forum Slot On MOA Program

Exhibits Nearing Sellout — 2 Booths Left

CHICAGO—George A. Miller, president of the Music Operators of America, announced from MOA headquarters at the Morrison Hotel that one of the highlights of the MOA convention, May 9, 10 and 11, will be a record forum panel discussion for the benefit of attending music operators.

The music forum, which will be held in the Venetian Room of the Morrison Hotel, at 9:30 a.m., Wednesday, May 11, will be moderated by Norman Orleck, vice-president and managing director of The Cash Box, and Dan Collins of the Billboard.

The panel will be staffed by several well-versed executives of record producing companies, and the heads of one-stop record dealers in various sections of the country.

Among those on the panel are Kenny Myers, Mercury Records; Jack Burgess, RCA—Victor; Bud Katzel, Roulette Records; Joe Jaros, Christy Records; Larry Newton, ABC—Paramount Record Company; and Jimmy Mulkey of Red Robin Records; Louis

Boorstein, Leslie Distributors in New York, and a major one-stop dealer; Jimmy Wakely, Shasta Records; Sol Handwerker, MGM Records; Gabe Orland, a Los Angeles one-stop operator; Max Callison, Capitol Records; Jim McGuire, an Oakland one-stop operator; William (Bill) Gallagher, Columbia Records. Dot and Epic record companies had not, at press time, designated anyone in their organizations to represent them.

Meanwhile, Miller reported a near sell-out at press time on all existing exhibit booth space with only two spaces available to late-comers. According to Miller, however, the space will more than likely be signed for within the week. Operator attendance was reportedly growing with associations across the country reporting to MOA headquarters tentative attendance figures from each major territory indicating a possible attendance of over 1000 operators, according to the MOA president.

British Distrib Criticizes U.S. Exporters For Poor Equipment, Service

LONDON—Have any gripes about your foreign customers not re-ordering equipment? Feel that the last deal you made with 'em was a favorable one? Think you're building an export division that will eventually account for an important share of your overall business? Then listen to some of the comments received by The Cash Box from a leading coin machine distributor here, who will remain nameless.

"So far we have been successful in importing a quantity of machines from the United States but in every instance we find the same bad packing resulting in broken glasses and damaged cabinets . . . it appears that these (American) jobbers either do not care whether they obtain further orders or have a 'take it or leave it' attitude . . . (in many instances) we have found counting meters have been removed as well as match score units . . . it takes quite a while to replace

these parts, all of which prevents sales (to our customers) here, and orders from over there (U.S.)."

Regarding paper work and relationships between this jobber and his American suppliers, the British coinman had this to say, "30 days delay in obtaining inquiries from our letters is not uncommon . . . letters and telegrams are floutedly ignored from prospective customers wishing to trade with them."

Regarding the eventual result of this state of affairs, the jobber stated, "Such conditions leave a wide gap open to German competition who are more than anxious to obtain trade with us, so it is up to American jobbers to 'pull up their socks and get cracking' before it is too late."

End of criticism. If any of the above comments apply to your firm it should be the beginning of a complete review of your export business.

New Group Hospitalization Plan Offered To MOA Members

CHICAGO—The California Life Insurance Company will present a national group hospitalization and surgical plan to members of Music Operators of America and their employees. This new group major medical plan will be in conjunction with the national life insurance plan which has been operating for almost two years.

The premium will be extremely low for this new coverage, due to the fact that it will be underwritten by the same insurance company who underwrites the life insurance plan.

The plan will include accidental death and dismemberment—accident and sickness benefits—major medical insurance—hospitalization and surgical benefits—and medical benefits for members and their employees.

As an example, operators may have the choice of a \$100.00, \$200.00 or \$300.00 deductible policy. However, the members of MOA will select the one most suitable. The plan will pay up to a maximum of \$10,000. 80% of this amount would be paid by the insurance company and 20% by the

members. All of this will be explained in detail at the General Meeting on Tuesday morning, May 10, at 10:00 AM, during the convention at the Morrison Hotel.

The president of the California Life Insurance Company and some of his associates will attend this meeting so as to answer any and all questions about the new major medical catastrophic health plan.

Many operators all over the country have been continually writing to the national office of MOA, asking for this additional coverage. The national Association of Music Operators of America will continue to subscribe to benefits and projects which are beneficial to its membership.

Brochures and other information can be obtained at the California Life Insurance Company booth, which will be right along side of the MOA booth in the Grand Ballroom.

J. R. Perkel and Company, Group Insurance Advisors, have arranged this plan, as they have the Group life insurance plan.

Gottlieb Releases "Texan" Pin To Meet Demand For 4-Player

CHICAGO—Nate and Alvin Gottlieb, D. Gottlieb & Company of this city, waxed considerable enthusiasm this past week when they announced the release of Gottlieb's exciting, new "Texan" 4 player amusement pinball game.

Alvin Gottlieb especially pointed out that this 4-player is expressly being made available because of the popular demand of the nation's operators, who have actually been clamoring for a Gottlieb 4-player pinball game. "Beyond this," said Alvin Gottlieb, "coinnmen in all of the European markets are simply wild over 'Texan.' We easily discovered this in test locations on the continent where earnings were fantastically high constantly.

"There is no doubt in our minds that 'Texan' is the very best 4-player amusement pinball game we have ever produced.

"Considering the fact that we have created some pretty powerful 4 players in the past, such as 'Super Jumbo' (several years ago), and many, many more too numerous to mention here," he added, "you can readily surmise that these games have definitely earned their high status on location. "Consider also that Gottlieb 4-players command the greatest demand and resale value in the used equipment markets," Gottlieb said.

Nate Gottlieb urged operators in all domestic and foreign markets to

ALVIN GOTTLIEB

"draw" to higher earnings with the western swashbuckler, "Texan."

"Texan" offers the most exciting player appeal," he stated, coupling the group, team competitive spirit—so very appealing always—and the many attractive scoring features on the playfield and backglass.

"The keynote in this terrific, thrill-packed game is peak performance—plus the highest profits possible for operators," he said in conclusion.

"Texan" features sensational new "Relay Kick-Out holes." When the player lights all 3 kick-out holes the "Roto-Targets" light up, as well as the "Roto-Holes" and bottom rollovers for 10 times the original target value in scoring.

The top rollovers score 10 times the value of lighted indicators whenever the yellow pop bumpers are lit.

Furthermore, when the player lights all 3 kick-out holes pop bumpers and cyclonic kickers light up for additional high score.

"Texan" has all of the popular Gottlieb pinball innovations, plus 2 super-powered flippers for action skill shots, and other exciting play factors.

Shipments are being made to all of Gottlieb's distributors throughout the United States and in foreign markets, according to Alvin Gottlieb.

UJA-Coin Division Drive Reaches Final Week With Victory Dinner Apr. 30

NEW YORK—Irving Holzman, chairman of the 1960 United Jewish Appeal-Coin Division Drive together with UJA officials advised at a meeting held on Thursday, April 21, in the Astor Hotel, this city, that the 1960 drive within the coin industry shows all indications of being successful in reaching a previous set goal of \$30,000.

The Victory Dinner scheduled for Saturday evening, April 30th, will honor Tom Greco, president of the New York State Coin Machine Association; Jack Wilson, president of the New York State Operators Guild; and Carl Pavesi, president of the Westchester Operators Guild. All three men will be sited during the dinner-dance affair for their leadership qualities and philanthropic activities as outstanding members of the coin machine industry.

Holzman stated that the affair will feature several guest speakers including the Rev. John Stanley Grauel, eloquent spokesman for Jewish causes and former first mate on the renowned "Exodus"; Barry Gray, radio and television broadcaster; and several personalities from the coin machine industry.

Fund raising committees continued to man telephones and make personal calls to bring in the final dollars necessary to reach the goal set by UJA-

Coin leaders earlier this year at the outset of the campaign.

The affair for April 30th will start with cocktails at 7:30 PM followed by dinner, formal ceremonies and dancing and entertainment.

Seaway Opens Second Season

NEW YORK—The St. Lawrence Seaway, 135-mile waterway linking the midwest with the Atlantic Ocean opened its second season of operations last week when approximately 34 vessels passed through Montreal en route to the Great Lakes regions.

Seaway officials helped open the new season with an optimistic view toward this 1960 operating season after suffering innumerable mishaps during the initial season of traffic mishaps, lower than expected cargo shipments, and resultant losses in dollar

volume expected.

Although the long term outlook regarding the Seaway is looked upon as being as attractive as ever, the problems at first hand were seen as being solved only through proper port planning, aggressive salesmanship among possible Seaway users both at home and abroad, and general detailed problems such as "turn-around time" and "traffic control." Authorities agreed that the Seaway could be every thing it was originally hoped to be, once the kinks have been ironed out.

Fischer To Feature Oliva At MOA

CHICAGO—R. W. Weikel, director of sales for Fischer Sales & Manufacturing Company, announced this past week that Frank Oliva, an ace billiard professional, and Joe "Whispering Joe" Wilson will be on hand all through exhibit hours in Fischer's booths numbered 68 & 69 at the MOA convention, May 9 through 11.

Oliva, who is co-producer and referee of the "10-20" billiard television show, will demonstrate trick shots and explain the fundamentals of billiards to visiting operators.

Wilson, a sportscaster in this area, and nationally known through his exciting whispering 'blow-by-blow' descriptions of bowling and billiard matches coast-to-coast, handles the announcing chores on the "10-20" show.

Operating Reports Due For NAMA Survey

CHICAGO—The deadline is fast approaching for reports of operating companies taking part in the 1959 N.A.M.A. Operating Ratio Survey, according to William C. McConnell, Jr., operator accounting committee chairman. Deadline is early May.

An annual member service sponsored by N.A.M.A. for the past 13 years, the survey is conducted on a confidential basis by Price & Waterhouse & Co. and is designed to give accurate statistics on operating company profits, costs and commissions. "The survey can help individual

companies in evaluating their own position within the industry, in charting expansion plans and in checking their own performance against that of other companies within their own size or product group," McConnell said.

"The study is also an indispensable tool for dealing with bankers and financial institutions, for combatting blue sky promotions, and is an excellent guide for legislating or taxing bodies seeking factual data about the industry's operating and profit structure," concluded McConnell.

Pollak Looks For Sellout At Ninth Westchester Affair

PORT CHESTER, N.Y.—Seymour Pollak, chairman of the Westchester Operators Guild Ninth Annual Banquet Committee announced last week that ticket reservations for the May 17th affair, which will be held at the Holiday Inn, Scarsdale, New York, indicate a successful evening for all.

"Ticket reservations are pouring in at a rapid rate but since space will only be allotted to areas in the room with tables offering a clear view of the entertainment and proceedings, we advise all late-comers to send through reservations as soon as possible. There is a possibility of a sell-out," stated Pollak.

Nate Bensky, entertainment chairman, has lined up comedian-emcee Jack Wakefield who has enjoyed success at a previous Westchester affair. Lester Lanin's orchestra will provide music throughout the evening.

"The final date for journal advertising is May 8th, and those advertisers who haven't already mailed in copy are requested to do so," continued Pollak.

Pollak advised that information concerning the affair can be had by calling the Association office at 116 North Main Street in Port Chester. The telephone number is Westmore 9-4199 or MEDford 1-1214.

Small Business Continues Press For Liberal Depreciation Allowance

NEW YORK—Despite Government resistance, many facets of American business, both small and large, continue to press for revision and liberalization of the current depreciation laws.

As is well known in the coin machine industry, present methods of depreciation permitted are without conformity and are inadequate.

In a talk to the Scranton, Pennsylvania, Chapter of Accountants, a nationally-known accountant, Maurice E. Peloubet, senior partner of the New York certified public accounting firm of Pogson, Peloubet & Co., stated that the nation's economic growth rate can be doubled by encouraging investment thru reform of the present inadequate depreciation laws, without loss of Federal revenues.

Peloubet challenged the Treasury Department on what he called "a group of fallacies concerned with the economic and revenue effects of depreciation."

"When the question of depreciation reform and additional allowances is brought up," Peloubet said, "the Government answer frequently is that the advantages of an increased and adequate depreciation allowance to the business community are quite clear, but the Treasury cannot afford the loss in revenue which would be brought about by an increase in depreciation allowances, no matter how calculated.

"This assumption rests on the fallacy that we live in a comparatively static economy," stated Peloubet, "with a slow growth rate, perhaps 3 per cent per year as the extreme limit of possible growth. The past history of this country does not show any such limits to growth."

EASTERN FLASHES

The conclusion of the Lenten season usually means a return to normal business on coin machine locations and the turn of warmer weather was expected to combine for some good collections this past week. As usual many of the topics of conversation along coinrow have to do with common business problems in the coin machine trade and among them, taxes, legislation, public relations and licenses are all part of the MOA forum meeting programs scheduled for the May 9, 10 and 11 convention in Chicago. Many ops (more than last year from all indications), have hinted that they will be in the Morrison Hotel when the bell rings early Monday May 9th morning.

* * * * *

The UJA-Coin Div. is winding up its annual drive in another week and all reports indicate a successful fund raising stint under the direction of Chairman Irv Holzman. The April 30th Hotel Commodore event ought to be a full-house affair with ticket sales doing very well according to the UJA officials. . . . Joe Munves, Mike Munves Corp., returned from a short road trip again last week with several nice equipment orders in hand. The arcade business looks for a big season in '60. Munves has "Ingo Grip-Test" machines in the hands of his nineteen clamoring distributors at last and re-orders are coming through fast. Mike has good reports on general business and the parts dept. isn't exactly slow either. Ops by the droves are heading for the "rear room" for supplies and accessories every day of the week. . . . Murray Sandow, Black Sales Co., is busy with Irv Holzman away on a trip. Murray's son is working hard at his profession of optometry with ideas of his own shingle some one of these days. Sandow reports big biz on the United "Big Bonus" shuffle alley. . . . Oscar Parkoff, Atlantic New Jersey Corp., visits the New York facet of the Seeburg distribution organization and advises that business with several progressive operators in New Jersey has resulted in additional orders for new equipment. "Suburbs and industrials have accounted for some fairly heavy new equipment sales on music and vending equipment," commented Parkoff. Murray Kaye was busy with orders on Williams' "Official Baseball" game which was moving along nicely during the opening week of the national pastime. Meyer Parkoff was away from the office on business earlier in the week.

* * * * *

Nash Gordon, M.O.N.Y., reports that an entourage of local coin ops will attend the N.Y.S.C.M.A. annual weekend affair scheduled for June 11th at Loch Sheldrake in the New Roxy Hotel. Looks like a good time for all. . . . Charlie Katz, veteran coinman and salesman, strolls along coinrow early in the week with two new faces in town, Charlie Wolf, of C. Wolf Amusement, 1515 Elm St., Dallas, Texas and Bruce Hinman from the same territory. The fellas were in town on business and some pleasure with an eye to the sights in New York City. . . . A long distance phone call with Sam Taran, Taran Dist. Co., Miami, gave us the impression that all was fine with Sam and his business. Music is evidently selling very well with the Rock-Ola phonos moving out as fast as they arrive. Taran is interested in looking into the vending machine business and will follow through on this thought when he attends the MOA Convention on May 9. Incidentally, Sam will expand his sales staff in order to cover the territory more efficiently and expects to set-up a new sales program at the same time.

LOOKED LIKE A SUMMIT MEETING AT IDLEWILD LAST WEEK! Al Simon, Albert Simon, Inc.; Dave Rosen, David Rosen, Inc., Philly; Ed Doris and Bob Papineau, Rock-Ola Manufacturing, Chicago; Verle Van Nattan and Brian Herren, Auto-Photo, Los Angeles, all at the same table ordering dinner last week before the men dispersed and went their own ways. Simon and Rosen to Miami, Doris and Papineau to Philly, Van Nattan and Herren to N.Y.C., but all stopping together for dinner after a hurriedly arranged get-together as soon as it was realized all would be at the same point of departure at exactly the same time!

* * * * *

Al D'Inzillo, Albert Simon, Inc., couldn't make it to the office last Tues. due to a slight illness but Al Simon managed to see that sales continued and also to point out the new ChiCoin "World Series" baseball game to visiting ops. "Pony Express" the new ChiCoin rifle game was also on display causing much interest especially at this time of the year. Ed Doris and Bob Papineau were in the Rock-Ola showrooms at Simon's as part of a trip from Chicago to New York to Philly and back to Chi to prepare for extensive sales programs during the coming year. . . . Ray Knoss, local op, cruising Tenth Avenue doing business and reporting that collections are good. . . . Jack Barabash, Rock-Ola service manager will conduct a Rock-Ola service school in Mickey Anderson's showrooms in Erie, Pa., on April 28th. . . . Harry Koepfel, Koepfel Dist. Co., received some solid used equipment orders last week and continued shipping the export market. . . . Cointrade saddened over the death of Leonard Nathan, Ocean Automatic Music Co., Bklyn., last Monday. Lenny was buried on Tuesday. He was reportedly 38 years of age and had been the partner of Morty Lynn for several years. Nathan leaves a widow and two children. . . . Irv "Kempy" Kempner and Morris Rood, Runyon Sales Co., held an informal meeting earlier in the week to discuss sales and other matters before Irv leaves again for the road and continuation of the firm's sales program on AMI phonos and Bally games, in addition to used equipment, parts and service. Louis Walberg busy with the books as he reports that Barney "Shugy" Sugarman will stay in Newark to handle Jersey affairs.

* * * * *

Iz Edelman, Cine-Sonic Sound Corp., tells us he is delighted over background music sales to date and will exhibit several new pieces of equipment at the up and coming MOA show. Iz is doing handily with his taped units and catalog and expects to announce some new plans shortly. . . . Jack Semel, a smiling face along coinrow, as he heads for several distrib. showrooms and then to MONY for business and pleasure. . . . Ted "Champ" Seidel another stroller along coinrow.

Industry Public Relations Programs Are Designed To Help Your Business—Support Them!

CHICAGO CHATTER

MOA headquarters in suite 1728, at the Morrison Hotel, has been a beehive of activity this past week with George A. Miller, prexy of the Music Operators of America, laboring at breakneck speed to accomplish the many vitally important program activities for the upcoming convention. George assures us that the music panel forum which will be held Wednesday morning, May 11, in the Venetian Room will easily be a highlight of the convention. Sitting in on the panel will be several top record producers and one-stop dealers. The forum will be co-moderated by Norman Orleck of The Cash Box and Dan Collins of Billboard.

Williams Electronic vice prexy Sam Lewis just returned from a pleasant, but very hectic trip down Florida way. During his jaunt he visited Southern Music Distributing's offices in Jacksonville, Orlando, and Miami. Sam tells us Ron Rood of Ron-Rood Company accompanied him to Orlando and Miami. Sam waxed considerable enthusiasm over his appointment of Ross Distributing Company to handle the Williams line of amusement games in Miami along with Southern Music. Sam Stern, prexy of Williams Electronic, returned last week from a short stay in Tucson, Arizona; and was pleasantly surprised at the way Williams Electronic's "Official Baseball" pinball amusement game is going all out in all markets. Correction: Last week we were erroneously informed that Williams Electronic will give away an "Official Baseball" game at the MOA convention. Since then Sam Lewis corrected this item to the effect that the firm will instead present a spinet console model Magnus Organ. (Now it's official!).

Bally's Art Garvey tells us Bill O'Donnell and Herb Jones are deeply rooted to the long distance telephone, and busy as blazes due to the happy success of all of Bally's amusement games. Art, incidentally, was nice enough to break away from his heavy schedule of activities to spend a few moments with us. Meanwhile Bill, Herb and Art are also busy making preparations for the upcoming MOA conclave. . . . Chicago Dynamic's Mort Secore relates that sales chief Art Weinand explained to the Northwest on business last week, and is expected back any day now. The big deal at Chicago Coin of late is the new "Pony Express" rifle target amusement game. By the way, Mazel Tov (is that the way it's spelled?) to Mort and his lovely wife on the Bar Mitzvah of their son,

TOM HERRICK BILL DeSELM NATE GOTTLIEB E. G. DORIS

William David Secore, April 30 . . . Believe it or not, but Empire's Joe Robbins actually was afflicted with a bad case of laryngitis last week—of all people—'cause Joe is one of the talkingest guys (via the telephone) there is! Gil Kitt, owner of Empire Coin, is setting plans now in preparation for the MOA conclave.

The big feature of discussion at World Wide Distributors is, of course, golf these balmy Spring days. Especially with two such hefty "pros" around like Joel Stern and Len Micon. However, despite all of this golf chatter they still have the time to report terrific, steady sales with Rock-Ola's 1960 line of "Tempo II" phonographs. Another line going well at World Wide, according to Joel and Fred Skor, is Games, Inc.'s "Twin Super Wild Cat" amusement game. . . . The three happiest coimnen in town as of this week are Dave Gottlieb, Nate Gottlieb and Alvin Gottlieb. The reason is the release this past week of Gottlieb's truly exciting new "Texan" 4 player pinball game. Reports pouring in to Nate's office are just short of sensational, after several weeks of this game on test location. Nate urges operators to "draw" greater earnings with this big western style game.

R. W. (Bill) Weikel tells us he snatched a real plum when he got billiard pro Frank Oliva to entertain the operators in Fischer Sales & Manufacturing's exhibit booths 68 69 at the MOA show. Frank is one of the creators of the "10-20" Match Billiard television show. Bill & Ruth Weikel are planning to really entertain the operators in a big way during the convention. . . . Auto-Bell's Al Warren definitely a busy guy these days, what with those constant trips and all of the heavy action on "Mermaid". . . . Paul Huebsch, vice prexy of J. H. Keeney & Company, relates that production was finally stepped up considerably on 2 of Keeney's hot games, "Red Arrow" and "Eleven Belles." Paul spent a frantic few weeks previously getting enough cabinets to fill the constant and heavy flow of orders he has been receiving on both games. V. N. "Al" Allbritten, Keeney's southern representative, info's that he's covering mucho territory these days, but hopes to be in Chicago in time for the convention. Clayton Nemeroff and Harold Dorgan have been popping in and out of Chi singing the praises of the above mentioned Keeney amusement games and the "Popcorn Vender."

Atlas Music's Harold Schwartz happily tells us that everyone is all smiles at Atlas since the recent item in The Cash Box advising music operators of the decision by several record manufacturers to produce more stereo "45" rpm records for the trade. Harold and Nate Feinstein feel that this will be quite a boon for the entire music industry. During our visit at Atlas Music we were delighted to chin with Arthur Velasquez, head of Automatic Music Co. Art, who decided to take in the lovely Spring weather and make the rounds, tells us he's eagerly looking forward to the upcoming MOA conclave.

Joe Kline, looking very chipper since he left the hospital, is back in the swing at First Coin. Sam Kolber really missed Joe during his recent absence, but he assures us that he and Fred Kline held down the fort quite well. Fred urges operators to see him to get the facts about a very novel idea. He hints that they'll be "rolling" in wealth. The operators are really coming out in droves now that the weather is great. Among those seen at First Coin and all along record row last week were such well known ops as John Rawski, Ray Kass of J. & R. Music; Bernie Lazar, Don Rudolph, Berns Amusement; Ronnie Freeman, Eddie Blumenfeld, Fred Johanssen, Liberty Phono Co.; John Pratl, Johnny's Amusement; Si Kase of Kankakee, Ill., and Nathan Rothner and his three sons, David, Neil and Rickey, all associated with him in his operation. . . . Harold Schwartz of Atlas Music, tells us of a novel promotion in one location, a near-north side cocktail lounge, which features nothing but Frank Sinatra records on the Seeburg phonographs. The place is tenderly known as "The Tender Trap" (after Frank Sinatra song fame). (There's one reported in N.Y.C., too!). . . .

Seeburg vice prexy Tom Herrick explained for Florida's sunshine several days ago and is due back in his office any day (if he can possibly break away from the sun and fun). . . . Alvin and Nate Gottlieb are smiling over this item: It appears that for many years amusement game manufacturers have incorporated baseball ideas into their games. But now Bill Veeck, the enterprising prexy of the White Sox took a page out of the pinball book for his novel new

scoreboard at Comiskey Park (home of the White Sox). It is similar to the backglass on a pinball game (in Veeck's own words!) in that lights flash all over the board whenever there's action on the field, such as a homer for the home team. Naturally when the visiting team homers there are countless "groans" indicated. Veeck voiced disappointment in the fact that the new scoreboard decided not to work properly in time for the home opener last Tuesday with the Kansas City Athletics. However Veeck assures one and all that the "pinball type" scoreboard will shortly be a regular feature at the ol' ball park.

There is considerable excitement at United Music Corp., what with all the necessary preparations for the approaching MOA convention and final touches being applied to United Music's new phonograph marvel. Herb Oettinger, LeRoy Kraehmer and Bill DeSelm just can't find enough words to praise this new marvel of engineering and design. One thing is certain—the new phonograph will be on exhibit at the MOA show. . . . George Hincker, advertising and promotion director of Rock-Ola Mfg. Corp., informs us that Frank Mitchell, Les Rieck and Jack Barabash are back in the home offices after lengthy jaunts all over the country. However, Edward Doris, executive vice-president, departed for New York last week to visit with Al Simon, and is due back at the beginning of this week. . . . Short Shots: AMI vice prexy Ed Ratajack was out of town on business last week. His gal "Friday" tells us Ed is busy as blazes finalizing plans for AMI's activities at the MOA conclave. . . . All-State Coin's Stan Levin is putting the final touches on his new headquarters just off of Lake Shore Drive on the north side of the city. . . . Mike and Irene Detzek, sprucing up Champion Distributors swank new building to be ready for the rush around MOA convention time. . . . Wico Corp's Ed Ruber, Milt Wiczer and Morrie Wiczer are hard at work lining up the terrific Wico display for the firm's exhibit in booths 47 & 48 on the exhibit floor.

John Watling, Watling Scale Co., will be very much in evidence at the convention. John, who is one of the old, old timers in coinbiz, is looking forward to meeting with many of the oldtimers from all over the country. . . . Ted Rubey and Estelle Bye, Marvel Mfg. Co., are enjoying a banner season with "Lucky Horoscope" (a perennial favorite), and the phonograph plastic replacement line of parts for music operators.

NAMA Volunteer Team To Tell Vending Story

CHICAGO—A "ready" team of vending industry volunteers will be the nucleus of a newly created National Speakers' Bureau of the National Automatic Merchandising Association, according to Walter J. Manning, Jr., public relations committee chairman.

The Bureau, a major part of N.A.M.A.'s stepped-up public relations program for 1960, will tell the vending story before the national and regional conventions of groups which have a potential interest in vending. Management, industrial relations, banker, architect, school and hospital groups will be the special targets of N.A.M.A.'s orators, Manning said.

"We plan to approach as many groups as possible at the national and regional level for specific engage-

ments and then select the most suitable speaker from our Bureau volunteers," Manning explained.

He said N.A.M.A. member companies already have been invited to enlist their qualified executives in the project.

"There are several excellent spokesmen who have represented N.A.M.A. in the past, but now all qualified executives from operating and manufacturing companies are invited to participate," Manning said.

The Bureau is expected to get most of its regional-level speaking dates with the aid of the newly appointed regional public relations chairmen.

N.A.M.A. plans call for publishing a list of speakers and the special subjects which they can cover as experts.

German Arcade Owners Hold Meet

HAMBURG, GERMANY—On February 9th, 1960, the members of the German Amusement Arcade Owners' Association (Verband der Deutschen Automaten-, Sport-und Spielhallen-Besitzer e.V.) held their annual general meeting at the restaurant "Kastanienhof" in Hamburg. Lars K. Skriver, Vice-President of the Association reports as follows:

In his opening speech the President, Willie Becker (Oberhausen) expressed his thanks for the ready attendance, which the managing committee regarded as an expression of appreciation and gratitude for the efforts made last year on behalf of all members. A great number of members attended the meeting even from the remote southern parts of the country and from the Rhineland to gather information about the progress of their mutual efforts.

The executive Secretary, solicitor Kurt M. F. Wieland, (Hamburg) submitted, as usual, the protocol of the

last meeting for approval. Reviewing the various efforts in the last year, Wieland pointed out the importance of the numerous negotiations regarding the new edition of section 33 d-i of the Industrial Code, comprising the various proposals for amendment; the participation of the managing committee in the new edition of the Hamburgian Amusement Tax Act; and paid tribute to the indefatigable efforts of the Vice-President, Lars K. Skriver of Hamburg, in fighting off unjustified and impertinent attacks of the press, as well as the excellent report of the German television on amusement arcades which met the approval of all members. Wieland also reported that the first partial success obtained by the efforts to improve the situation of the amusement arcade business gave rise to further hopes. He requested the members to rely on the work of the managing committee as they did in the hard times of the past, especially since the newly taken steps and further relations entered into, were not suited to be made known to an audience of this size prior to their successful settlement.

The members demonstrated their confidence by various spontaneous reactions. After having granted discharge to the managing committee, the approved team: Willie Becker (Oberhausen), Lars K. Skriver (Hamburg) and Dr. Nikolaus Lutz (Munich) were elected without any discussion; also in the extended managing committee, no changes took place. Various alterations of the articles of the association referring especially to the transferability of votes of absent members at meetings, were unanimously accepted.

Apart from these principal points of the extensive agenda, many other questions were discussed. Altogether the meeting was of a very constructive nature, emphasized by the active co-operation of the persons present.

After the conclusion of the official part many colleagues met for private discussions.

THIS WEEK'S USED MACHINE QUOTATIONS

HOW TO USE "THE CASH BOX PRICE LISTS"

FOREWORD: Many times, wide differences appear in the quotation of high and low prices of certain equipment. Like any true reporter "The Cash Box Price Lists" can only feature the market prices as they are quoted. "The Cash Box Price Lists" act exactly the same as the market quotation board at the Stock Exchange—posting the prices as they are quoted for the past week, regardless of how much they may seem to be out of line. Some prices do not change for months. "The Cash Box Price Lists," rather than show no price, retain the last known quotations for such equipment so that the subscriber at least has the last known prices as a basis to work with. Prices may be very widely divergent. Someone on the West Coast may feel a certain machine worth \$150.00 whereas someone on the East Coast may think it worth but \$75.00. Of course, serial, appearance, demand, territory, quantity, and condition of equipment must be taken into consideration. (Some equipment offered by outstanding firms, having a reputation for shipping completely reconditioned machines, will be offered at higher prices than others, due to the added cost of reconditioning.) "The Cash Box Price Lists" reports each quotation exactly as it is made and depends on the subscriber to make average price adjustments to fit the peculiarities of his territory.

METHOD: "The Cash Box Price Lists" should be read as follows: First price listed is lowest price quoted for the week; Second price listed is highest price quoted.
