

A close-up, high-angle shot of Sonic the Hedgehog's face. He is looking down with a serious expression. His blue fur, white muzzle, and green eyes are clearly visible. His hands, which are white with blue gloves, are positioned near his face, with fingers slightly curled. The background is a plain, light color.

僕が初めて参加したソニックタイトルは、2001年に発売された「ソニックアドベンチャー2」でした。その時はナックルズのアクションステージのBGMを担当し、テーマ曲でも取り入れているラップを軸に、キャラクターが持つ音楽性、ステージの雰囲気、「探す」という遊び、それらのキーワードを含んだアクションゲームのBGMとして、さらにはそれが背景にあるストーリーやキャラクターのテンションを語るものとして、ラップというパートを機能させたらどうだろう?そんなことを考えながら、1曲に色々な情報を詰め込もうとして制作していた記憶があります。

それから5年が経ち、次世代機のソニックのサウンドをまとめてみないか?という話が来ました。サウンドトータルをディレクションできるのであれば是非やりたい!と思う反面、正直これはいろんな意味で難航しそうなプロジェクトだなあと感じていました。新しいプラットフォームで、ソニック生誕15周年という節目。シリーズ第一作目と同じで原点回帰をも感じさせるタイトル名。期待と不安で制作がスタートしました。(案の定、プロジェクト初期の楽曲の方向性を決める段階は難航しました…。)

より広大になり表現力も増したアクションステージでは、スピード感と、大きなスケール感を共存させることを楽曲コンセプトに、ステージトータルで5分以上もの構成を持ち、そのステージならではの音楽性、ステージ毎のバリエーションを念頭に置き制作しました。一番最初に制作をしたのが『KINGDOM VALLY』と『CRISIS CITY』の2ステージだったのですが、なかなか方向性が定まらず、この2曲だけは何テイクか作り直しを経てようやく今の形に落ち着きました。

ZEBRAHEADのAliとMattyが参加してくれた『HIS WORLD』というメインテーマは、2006年E3出展のため予告編映像用にインストバージョンを制作したのがその始まりです。最終的にはラップを入れた歌ものにする予定で制作していたのですが、この時点ではまだZEBRAHEADの参加は決定してなく、ストリングスのイントロとサビのメロディーが印象に残ればいいくらいに考えてました。

ZEBRAHEADがツアーで多忙なこともあり、なかなか収録日程

が決まらず、ボーカルを録音できたのがデータ締切のぎりぎり…。けれど、Aliの畳み掛けるようなラップにはホント痺れました。

楽曲全体の仕様を決める段階で真っ先に制作が決まったのが、今作の2大テーマでもある、ラストエンディングを飾る『MY DESTINY』エリスのテーマでした。ストーリーの中心となるエリスとソニックのドラマを演出するため、大作を感じさせるバラード曲を柱に据え、モチーフとなるフレーズを随所に引用しながらストーリーを語る役割を持たせることも決めていました。ハイスピードアクション、テンポの良さが売りのゲームでありながらドラマチックで少々切ないストーリーも用意されている。この相反する2つ要素を音楽に絡めるバランス加減が難しい部分だったかもしれません。

作曲を担当したスタッフを紹介します。『MY DESTINY』、『DREAMS OF AN ABSOLUTION』などを「ジャイアントエッグ」や「スペースチャンネル 5 part2」などでも共に制作した南波真理子。ボス戦、エッグマンのテーマなどは「ファンタシースターオンライン」シリーズでお馴染み小林秀聡。tai-hey にはイベントシーンにさらなる色を添えてもらい、エリスのテーマのジャズアレンジなどもお願いしました。そして2005年に発売された「シャドウザヘッグホッグ」で制作された『ALL HAIL SHADOW』のリアレンジ版を瀬上純にお願いしました。そして私自身ではメインテーマの『HIS WORLD』、『CRISIS CITY』などを制作しました。

5年前も、今も、考えていることはあまり変わりません。その曲にどのような役割を持たせるのか、どのような情報を詰め込むのかを、あれこれ整理しながらこれからも作り続けていくのでしょう。そしてその先に、少しでも驚きや感動が生み出せればと思っています。ハードは時代ともに進化し続け、いつしか過去のプラットフォームになる日が来てしまうと思いますが、時代が変わっても色褪せない名曲を残せるよう、これからもがんばっていききたいと思います。このサントラを購入してくれて本当にありがとうございます。

# HIS WORLD

~THEME OF SONIC THE HEDGEHOG~

Come on and light the fuse  
He's a rocket and he's ready to go  
Cuz now the countdown's started and its ready to blow  
He's got the dope sounds bumpin' and in stereo-eo  
Kickin' it fast, puttin' on a show  
Go on and get yourself together, there's no time to rest  
And if you put the time in, he'll put you to the test  
He's like the running man, in his world, more is less  
And if you want to test him, you best bring your best  
Don't make me spell it out, best bring your best

In this world... His world  
Where life is strong  
In this world... His world  
Life's an open book  
In this world... His world  
Where compromise does not exist  
In his world of worlds every step meets the risk

In this world... His world  
Where one is all  
In this world... His world  
Never fear the fall  
In this world... His world  
Where compromise does not exist  
In his world of worlds every step meets the risk

Running it back again, well whatcha expect?  
Coming out to win 10 out of 10, got a real rough neck  
Spikes up his liberty and straps on his shoes  
Cuz he's the best there ever was haven't you heard the news?  
Intergalactic continental champ running things  
Hyperactive instrumental in pulling strings  
He's the one who understands when the tides will swing  
So he's breaking down doors, never following  
Come on and psych yourself up cuz its time to play  
Bounce to the beats and the rhymes cuz they're here to stay  
The one and only marathon man living today  
Rollin' up, comin' fast, and he'll blow you away  
Cuz the pressures of this world, they can take there toll  
And it's tough to get away when they take a hold  
The only way to break free is to break the mold  
He can't stop now, lock and load  
Don't stop now, come on, rock and roll

In this world... His world  
Got to make your own way  
Where life is strong  
In this world... His world  
Life is just a game you play  
Life's an open book  
In this world... His world  
Nothing's forever here to stay  
Where compromise does not exist  
In his world of worlds every step meets the risk

In this world... His world  
Got to make your own way  
Where one is all  
In this world... His world  
Life is just a game you play  
Never fear the fall  
In this world... His world  
Nothing's forever here to stay  
Where compromise does not exist  
In his world of worlds every step meets the risk

-guitar solo-

Light the fuse he's a rocket and he's ready to go  
Cuz now the countdown's started and its ready to blow

In this world  
Where one is all?

Intergalactic continental champ running things  
Hyperactive instrumental in pulling strings

In this world  
Never fear the fall

The only way to break free is to break the mold  
He can't stop now, lock and load  
I said he can't stop now, lock and load  
Don't stop now, come on, rock and roll

# ALL HAIL SHADOW

~THEME OF SHADOW THE HEDGEHOG~

All hail Shadow  
Heroes rise again,  
Obliterating everything that's in your way  
Nothing can stop you now  
No ghosts to bring you down  
When there's nothing left to lose  
You win

Bow your heads low  
All hail Shadow

Suffer long and it will set you free  
Only through trial do we find the strength we need  
It's never over, just another day  
Of hope and tragedies, and everything that comes our way

Determination of the strong  
Found the meaning that you've searched for so long

All hail Shadow  
Heroes rise again,  
Obliterating everything that's in your way  
Nothing can stop you now  
No ghosts to bring you down  
When there's nothing left to lose  
You win

Bow your heads low  
All hail Shadow

Somewhere in chaos we all find ourselves  
This destruction is the only tale we tell  
White is black and black is white  
Right is wrong and wrong is right  
Nothing ever fills the hole inside your heart

Determination of the strong  
Found the meaning that you've searched for so long

All hail Shadow  
Heroes rise again,  
Obliterating everything that's in your way  
Nothing can stop you now  
No ghosts to bring you down  
When there's nothing left to lose  
You win

Bow your heads low  
All hail Shadow

-guitar solo-

All hail Shadow  
Heroes rise again,  
Obliterating everything that's in your way  
Nothing can stop you now  
No ghosts to bring you down  
When there's nothing left to lose  
You win

Bow your heads low  
All hail Shadow

# DREAMS OF AN ABSOLUTION

~THEME OF SILVER THE HEDGEHOG~

In the night light  
Do you see what you dream  
All your troubles  
Are they all what they seem  
Look around you  
Then you may realise  
All the preachers  
All with their lies

And I might know of our future  
But then you still control our past  
Only you know if you'll be together  
Only you know if we shall last

In the night light  
Do you still feel your pain  
For the valour  
You wait; it never came  
If you were able  
Would you go change the past  
To mend a faux pas  
With one last chance

And I might know of our future  
But then you still control our past  
Only you know if you'll be together tonight

Chorus :

Cause every night I will save your life  
And every night I will be with you  
Cause every night I still lay awake  
And I dream of an absolution  
Cause every night I will make it right  
And every night I will come to you  
But every night it just stays the same  
In my dream of an absolution

In the night light  
Do you see what you dream  
All your triumph  
And all you'll ever be  
Look around you  
Then you may realise  
Happiness lies  
Trapped in misery

And who knows what of our future  
We can all try to change our past  
Only you know if you'll be together tonight

Chorus x 2

And you'll see  
What you'll be  
And you'll see  
All you can be  
Cause every night  
And every night  
And every night  
I will dream

## MY DESTINY

~THEME OF ELISE~

I remember memories from a long long time ago  
I can hear you calling me, to never let you go  
As the sun shines down on me, I hold the key to give  
Take hold of the destiny, I may give you life

Can you stay forever more?  
Or are you gonna leave from me?  
No matter what it takes for me, I'll find you  
Just to be with you one more time

A smile will find the way, my love  
You've taught me that life can be revived  
With a smiling face,  
The meaning of my destiny can be changed for your love  
I can rule the world my love  
Can't you see that, we can all survive  
If you'll be my side, the world will be a better place for us all

Ever since I met you, I want you by my side  
Should I go on my way or let you go for a ride  
If I ever worry, then I will run to you  
You gave me your everything, and my heart can be true

Can you stay forever more?  
Or are you gonna leave from me?  
No matter what it takes for me, I'll find you  
Just to be with you one more time

Stay close to me, my love  
You've taught me that life can be revived  
With a smiling face,  
The meaning of my destiny can be changed for your love  
I can rule the world my love  
Can't you see that, we can all survive  
If you'll be my side the world will be a better place for us all

I will make my way, my love  
I know I will never be the same  
Sharing of my life, destiny will never be for your love, you know  
I will rule the world, my love  
Memories of you, my heart's fulfilled  
Trusting in your love, the peace will come to you and me and the world  
Forever more
