VOLUME XVI

SEPTEMBER 25, 1954

NUMBER 1

The McGuire Sisters wave "Goodnight, Sweetheart, Goodnight" to Bob Thiele, A&R head of Coral Records, who was responsible for the girls' recording of that hit tune. The song, which came out of the rhythm and blues field, has been in *The Cash Box* Top Ten for several weeks and is still going strong. As a result, the McGuire Sisters are now established recording stars, adding further strength to Coral's rapidly expanding roster.

American Music Becomes National Rather Than Regional

For many years now, *The Cash Box* has suggested, advocated and described proper programming procedures for juke box operators. We have done it so often and with such intensity, that today almost all operators who know their business have a proper conception of commercial programming material. They know that in any one location there are many different types of customers who want to hear many different types of music. There is no longer a location in which only one kind of record can be played. American tastes are becoming more and more integrated so that almost everyone who is exposed to music has a variety of tastes. That lesson has been learned by juke box operators. And proudly we feel that *The Cash Box* has had a great deal to do with it.

But it seems not yet to have been learned by retail dealers.

Today the musical picture is changing so fast that any retailer who doesn't keep up with the latest developments is losing an untold amount of sales.

The change that is taking place is an acceleration of the rate at which American music is becoming national rather than regional.

The juke box, the radio, television and the movies have all contributed to this process. And the end result is that rhythm and blues music no longer is limited to what used to be considered a rhythm and blues audience. Folk music is no longer limited to a regional audience. And pop mu-

sic is popular all over the nation. A hit tune is a hit in every state, in every corner of the country.

The meaning of all this is that people are fast recognizing that the tastes of other people in other regions is as valid as their own. And with an open mind, they are learning to appreciate qualities which they never could see before.

As we said this has become most noticeable in the recent popularity of R&B music among pop audiences. Today many of our hit tunes are taken from that field just as many pop records are in top positions in R&B regions.

The implications for the music business in this tendency are tremendous. For a whole new area of appreciation is being opened up. It means that there will be a greater freedom in the writing of songs. There will be records that will appeal to a much wider segment of the population and therefore will be able to sell in much larger quantities. And finally it means that American tastes are becoming broader, embracing the music of all America rather than just part of it.

Retail record stores in many areas still have this great lesson to learn. For the most part, juke box operators already know it. The sooner the storekeepers know it, the sooner they will be doing their part to spread American culture in the fullest sense of the word and the sooner will they be expanding their own possibilities for greater business and greater profits.

By the time you read this column, Glenn Wallichs, president of Capitol Records, will have returned to Hollywood after an eight week tour of the Continent. London was his last call in his five-thousand mile trip and he will be back for the ground breaking of the new Capitol home in Hollywood. We understand that the ceremony will be attended by at least five hundred celebrities from the film and recording world.

Many arrivals this week from all over the world. Arrived from Paris is number one band leader Jacques Helian and his wife on a two day visit prior to his departure with his band for an extensive tour of Canada. visit. Also arriving this week is publishing man Irwin Dash who now represents Burlington and Felsted Music in the U.S. From France, again, comes Irene Hilda who has the lead in the English production of Cole Porter's "Can Can". Also in it will be Canadian Edmund Hockerige and our own Alfred Marks. M.C.A.'s London office tells me that the Four Aces are scheduled to appear in this country shortly. They have had several big records over here and their "Three Coins" is still going strong. Another big U.S. star arriving this week for a vaudeville tour is MGM's Howard Keel.

What a jump in the best selling disks for Don Cornell; from number ten right up to number five in one week. Nice going for Don. And who knows, it may bring him right to the top of that coveted Palladium bill before long. When Frankie Laine arrives at London airport this week, he will be met by hundreds of fans who have arranged to go to the airport in bus loads. All will have his picture. Expect him to sign everyone of them. . . . Rest your wrist Frankie, and put plenty of ink in your pen! . . . Ted Heath starts his Palladium Swing Session again and as usual S.R.O. notices are at the box office. . . . Saw David Whitfield's latest acquisition. A brand new Buick, and is he proud.

Sorry to hear Peggy Lee's intended to visit these shores had to be postponed. Hope it won't be for long though. We'd like to hear her in person. . . . Geraldo has been invited to join the committee in charge of sponsored TV. and will advise on the entertainment suitable for the British public. . . . Lou Praeger celebrated twenty-one years of broadcasting at the Hammersmith Palais where he has been a resident for many years. . . . Big talk going on about a tune called "Small Talk". I believe it's coming your way Sunny Cox. And if I may say so, it's another "Lullaby of Birdland". So get busy, boy!

TONY MARTINEZ QUINTET
(RCA Victor 20-5797; 47-5797)

ⓐ "BERNIE'S TUNE" (2:45) [Sky-view BMI—Miller] The exciting Tony Martinez Quintet sends across an exciting mambo instrumental with a load of kick. Band has a terrific sound.

ⓐ "CUCUSA" (2:20) [Mills ASCAP—Martinez] On this end the boys let loose on a mambo penned by the leader. Group has a smooth manner of delivery. Work well together.

THE COMMANDERS

(Decca 29246; 9-29246)

ⓑ "THE TOUCH" (2:45) [Duchess BMI—Wiener] The Commanders, fast rising band, hands in a top grade instrumentation on a sultry item from a big Italian flicker. Exciting material and delivery.

ⓑ "MR. POGO" (2:30) [Roxbury ASCAP—DiNapoli, Feller] The crew rides through a good instrumental jumper that the kids'll love. Great dance stuff.

BILL DARNEL

("X"-0054; 4X-0054)

ⓑ+ "THE HOOK" (2:09) [Sheldon BMI—Coleman, Ebb, Klein] Bill Darnel gets a top grade assist and arrangement from the Sid Bass ork as he belts out a beaty novelty that could catch fast. Chorus good too.

ⓐ+ "WHERE CAN YOU BE?" (2:43) [Manor ASCAP—Gabler, Herman, Anthony] The warbler comes across convincingly on this romantic item. Pretty job.

CARMEN McRAE

(Venus 101)

ⓑ "TIP TOE GENTLY" (2:31) [Thornwood BMI—Girard, Mathews] The Mat Mathews Quintet assist Carmen McRae as the thrush rhythms through a good jumper that could make the grade. Terrific voice and arrangement.

ⓑ "OLD DEVIL MOON" (2:36) [DeSylva, Brown & Henderson ASCAP—Harburg, Lane] The velvet-toned songstress shows her skill with an old song as she fashions a great favorite to a Latin beat. Exciting.

LEO DIAMOND

(RCA Victor 20-5852; 47-5852)

ⓑ "LITTLE ONE YOU'RE TOO MUCH" (2:17) [Lero ASCAP—Diamond] The versatile harmonica of Leo Diamond colorfully treats a pleasant ditty with a good beat and an interesting sound.

ⓑ "WATERFALL" (2:35) [Hill & Range BMI—Stevens] Harry Geller's ork again offers a fitting assist for the virtuoso's presentation of a pretty melody set against the sound effects of a waterfall. Very pretty.

THE CASE BOX

DISK OF THE WEEK

"I CAN'T TELL A WALTZ FROM A TANGO" (2:14) "THE MAMA DOLL SONG" (2:40)

[Harman ASCAP—Hoffman, Manning] [Lear ASCAP—Tobias, Simon]

PATTI PAGE

(Mercury 70458; 70458 x 45)

PATTI PAGE

● The "Singing Rage," Patti Page, comes up with a new release that has all the earmarks of another

top smash for the thrush. Very little need be said about a Patti Page record, because ops, dealers and jockeys are all aware of the artist's "sales power." This release features the song bird on two novelties. "I Can't Tell A Waltz From A Tango" is a clever Latin tempo ditty that the rage offers in her smooth, polished manner. It's colorful and fits perfectly into the current Latin novelty trend. We expect big things from this one. Flip is a kiddie type cutie called "The Mama Doll Song." It's a pretty, slow waltz item much like "Doggie In The Window." Could break through. Keep a close tab on the upper portion.

REVELAIRES—JEANNETTE FRANKLIN

(Burgundy 105; 45-105)

ⓑ "CRAZY DOCTOR" (2:30) [Cordell BMI—Sutton] A terrific novelty is given a top grade reading by the Revelaires assisted by the Gee Cee chorus. Real "crazy" bouncer that could catch fast.

ⓐ+ "IT'S A MIRACLE" (2:46) [Cordell BMI—Sutton] Jeannette Franklin takes the spotlight against the setting of the group's voices as she sings a lovely ballad. Fascinating voice that's different and commercial.

RICO TURCHETTI

(RCA Victor 20-5846; 47-5846)

ⓑ "THERE'S A SMALL HOTEL" (3:05) [Chappell ASCAP—Rogers, Hart] Rico Turchetti creates interesting effects with his steel guitar as he presents a beautiful Rodgers and Hart oldie.

ⓐ+ "THAT DA DA STRAIN" (2:25) [Pickwick ASCAP—Dowell, Medina] The guitarist dishes up some lively novelty material on this end. Cute sound that could catch on.

THE CHORDETTES

(Cadence 1247; 45-1247)

ⓑ "I DON'T WANNA SEE YOU CRYIN'" (2:14) [Mayfair ASCAP—Stock, West] A cute new rhythm item with a strong beat is fashioned by the Chordettes. Number jumps up at mid point. John Valente plays the spoons in backdrop.

ⓑ "MR. SANDMAN" (2:25) [E. H. Morris ASCAP—Ballard] Archie Bleyer conducts the ork and plays the knees as the girls harmonize beautifully on a peppy little bounce ditty. Catchy arrangement and tune.

JIMMY BOYD

(Columbia 40304; 4-40304)

ⓑ "THE LITTLE WHITE DUCK" (2:50) [General ASCAP—Barrows, Zaritzky] Paul Weston accompanies Jimmy Boyd on a clever tale about a little white duck. Happy novelty that the kids'll love too.

SAMMY DAVIS, JR.
(Decca 29200; 9-29200)

SAMMY DAVIS, JR.

● One of the entertainment world's greatest stars is Sammy Davis, Jr. He is one of the most sought after performers in the

country today. Sammy conquered another medium when he hit with his fabulous waxing of "Hey, There" which is currently riding high on the charts. As a follow-up to his "straight" singing role, Decca changes the pace and issues a new platter on which Sammy employs his fabulous talent as an impersonator. The tune is the hit of a few years ago "Because Of You." On one side he imitates Nat Cole, Tony Bennett, Mel Torme, Bill Kenny, Billy Eckstine, Vaughn Monroe and Frankie Laine. Flip is the same tune as prominent movie stars would present it. It features Cagney, Stewart, Cary Grant, Lionel Barrymore, Edward G. Robinson, Dean Martin and Jerry Lewis. A great novelty coupling. Top half could be a real smash.

Dash Takes Off For England

NEW YORK—Irwin Dash left, last week, for England and the Continent to acquire material for his Burlington and Felsted Music Publishing firms, publishing subsids of London Records in this country and British Decca in England.

Dash will meet with Maurice Rosengarten, Decca's Swiss representative,

and have him hunt for European material suitable for publication here in the U. S.

One of the reasons for Dash's move to scout new tunes on the continent is the tremendous success such songs have attained in this country in the past year.

NIGHT CLUB REVIEWS

**Ralph Flanagan
At The New Yorker**

NEW YORK—The Ralph Flanagan Orchestra re-opened the New Yorker's Terrace Room last Wednesday night.

Playing the music that has made it one of the top dance orchestras in the country, the Flanagan crew impressed with its Glenn Miller styling. The dancing was easy and plentiful throughout the evening.

During showtime, Flanagan featured numbers that he is associated with both on records and on the floor.

His new girl trio, The Rhythmettes, do a good job of singing although they seemed somewhat nervous on opening night and were a little awkward getting on and off the floor. However, once the minor kinks are worked out, they should be a very effective combo.

The band was outfitted well and the lighted music stands lent themselves to a spectacular finale in which the combination of exciting music and flashing lights left you with the feeling of having witnessed a spectacle.

**Tommy & Jimmy Dorsey
At The Cafe Rouge**

NEW YORK—In spite of Hurricane Edna's threat to hit the heart of this city, and in spite of a driving rain, the Fabulous Dorseys, Tommy and Jimmy, jammed the Cafe Rouge at the Hotel Statler, this city, for their opening Friday, Sept. 10. Youngsters, who never had the pleasure of hearing the two brothers work together, packed the large dance floor along with the older set which remembers T.D. and J.D. from their fabulous jazz days. The music is tops as far as bands go.

Featuring the ace trumpeting of Lee Castle, and the polished vocaling of pretty blonde Lynn Roberts and crooner Bill Raymond, the show was made up of great standards which Tommy and Jimmy made famous back in the hey day of bands, and a healthy dose of today's top pops. The Dorseys' band-within-a-band offered some penetrating Dixieland that really had the house jumping.

The band, which usually keeps the volume low for the sophisticated room, went on the air for a 15 minute segment (CBS Radio). In order to come through clear on the airwaves, it had to double the volume. Tommy asked the audience to bear with the band during this louder portion. But from the looks of the dance floor, the folks were wild about the big sound. It brought back memories of the tremendous jam sessions that Jimmy's and Tommy's bands were remembered for back in the late thirties and early forties.

Sensational entertainment for only a \$1.50 cover.

VAN JOHNSON, CYD CHARISSE AND GENE KELLY

NIGHT CLUB REVIEWS

**Lionel Hampton
At Basin Street**

NEW YORK—Lionel Hampton returned to the Basin Street for the second time in a few short months and the faithful found reason to cheer as the slightly built vibester burnt a barrel of nervous energy perpetually bouncing about the stage.

Most of the attending opening nighters were obviously old Hampton rooters who knew his repertory almost as well as Hamp did. The younger and newer fans filled the balcony-bar to an enthusiastic capacity. The Hampton aggregation performed their sweet-hot jazz with an excitement that brought down the house, and the applause, as Hamp told the crowd, "Gassed us".

Jack Teagarden rounded out the show with roughly a thirty minute stint of Dixieland. The Teagarden group played the favorites, Jack vocaling several of his well known recordings.

**Chico O'Farrill
At Birdland**

NEW YORK—Birdland went Latin with the Eastern launching of the Chico O'Farrill band.

Chico, no tyro in the music biz, having arranged books for Benny Goodman, Stan Kenton, Miguelito Valdes, Machito and Noro Morales, and featured recording artists on several Norgran Albums, formed his band only five or six months ago on the coast where he played the El Sombrero until his present engagement.

O'Farrill flashed a winning personality, an inspired and precise big band and an exciting book. The band has a distinct sound of its own that might be described as sweet Latin in the modern idiom. With the tremendous upsurge in Mambo acceptance by the American public, O'Farrill has taken the first step of what could be the start of a successful career.

NEW YORK—Retailers who've been doing a bang-up job with MGM's "Seven Brides For Seven Brothers" album in New York, can now expect to have another top selling movie soundtrack disk from the company as "Brigadoon" opened in the Radio City Music Hall in New York, last week.

Starring Gene Kelly, Cyd Charisse and Van Johnson, the film is a delightful screen presentation of the Alan Jay Lerner-Frederick Lowe stage musical which took this city by storm some years back.

Although such warm and beautiful tunes as "There But For You Go I", "My Mother's Wedding Day", and "Come To Me, Bend To Me", were omitted from the flick, the diskery still has a powerful record package topped by Gene Kelly's "Almost Like Being In Love". It's another "Singin' In The Rain" classic for the star. Cyd Charisse is excellent on "Waitin' For My Dearie" and the outstanding ensemble number is the gay "I'll Go Home With Bonnie Jean".

The imaginative musical fantasy, easy going and not overly shocking at any point, is brought to life by the fabulous Wedding Day procession. Stereophonic Sound fills the theatre with the ringing of the hundreds of voices in the scene and the thrilling bellow created by a troupe of bag pipers, all of which should be quite exciting on wax.

Although the visual portion of "Brigadoon" is not on a par with "Seven Brides", the music is most palatable and should sell a heap in its album form.

"Hayride" In New York

NEW YORK—Country music hit the big city in a big way this week when "Hayride" premiered at the 48th Street Theatre.

The country folk musical, sponsored by Barron Howard and Jack Stone, featured the hootin' and hollerin', pickin' and singin' of such names as Sunshine Sue, Cousin Joe Maphis & Rose; Lester Flatt, Earl Scruggs, the Foggy Mountain Boys, and a host of others.

"Hayride", for the past eight years, has played the WRVA Theatre in Richmond, Va., as the "Old Dominion Barn Dance". The CBS radio network carried the show every Saturday night.

Victor Plans Strong Promotion For Second Glenn Miller Album

NEW YORK—The red carpet treatment has been laid out by RCA Victor for the diskery's latest deluxe album package—the Glenn Miller Limited Edition, Volume II, scheduled for release in October.

A series of regional meetings between all field and home office personnel will take place during the week of September 20th.

Victor executives making field trips include: Bill Alexander: Newark, Philadelphia, Baltimore, Washington and Harrisburg; Frank Amaru: Indianapolis, St. Louis, Peoria and Davenport; Bill Bullock: Chicago, Milwaukee, Minneapolis, Sioux Falls and Omaha; Jack Burgess: Pittsburgh, Huntington, Cincinnati, Louisville and Knoxville; Larry Kanaga: Richmond, Charlotte, Atlanta and Miami; Alan Kayes: Cleveland, Toledo, Detroit and Saginaw; Howard Letts: Birmingham, New Orleans, Houston, San Antonio and El Paso; George Marek: New York, East Hartford, Providence, Cambridge and Portland; Bernie Miller: Buffalo, Syracuse and Albany; Norm Racusin: Billings, Salt Lake City, Denver and Kansas City; Irwin Tarr: Oklahoma City, Dallas, Shreveport, Little Rock and Memphis; Bob Yorke: Los Angeles, Fresno, San Francisco, Portland (Ore.), Seattle and Spokane.

RCA Victor is issuing the second Miller limited edition in response to a continuous public demand for more and more Miller music. Priced at \$24.95 the new handsomely packaged album consists of 60 of Miller's best

numbers taken from radio broadcast tapes and enhanced by the miracles of modern day high fidelity treatments.

Available to platter fans for the first time, these tunes represent the Miller band as it came into living rooms on evenings in the late thirties and early forties. Chronologically, the music goes back to 1938, when an as yet unheralded Miller took his band into the Paradise Restaurant. It continues on through the nights at the Cafe Rouge, the Meadowbrook and Glen Island Casino. There are also some of the broadcasts that Miller did for his Chesterfield show. The album consists of five 33-1/3 records or 15 45 rpm records.

During the last year dealers have racked up retail sales of more than \$4 million with Miller merchandise.

The 70-tune limited edition, Volume I (price, \$24.95), was a complete sell-out. In January Victor issued an album with eight selections featured in the motion picture, "The Glenn Miller Story." Thus far sales of the movie album have exceeded 300,000, and it is still moving steadily at dealers' stores.

In April Victor reissued 34 of the sleeves. These disks brought such old Miller hit tunes on 89 cent pop singles with new labels and new favorable buying reaction (sales totaling over 1,000,000 copies) that additional Miller albums were released in May: five 45-rpm Extended Play albums and two 12-inch LP's offering repertoire never before available on the new speeds.

POPULAR

"AN EVENING WITH THE GEORGE SHEARING QUINTET"—MGM E 3122 (12" LP). List: \$4.85

MAMBO INN; TO A WILD ROSE; THE CONTINENTAL; JUMPIN' WITH SYMPHONY SID; ROSES OF PICARDY; BODY AND SOUL; LITTLE WHITE LIES; I'LL REMEMBER APRIL; THE BREEZE AND I; SWEDISH PASTRY; IN A CHINESE GARDEN.

George Shearing is one of the most successful jazz stylists this country has ever gotten from England. His magnificent instrumental arrangements and original creations have reached proportions with the American public which few jazz artists ever have the pleasure of witnessing. His style has become "commercial." That is to say that not only do jazz enthusiasts appreciate his music, but all music lovers do. This album features the maestro on 11 pieces, some standards, some classics arranged for the Shearing touch and some originals. "An Evening With George Shearing" means a delightful evening indeed. Should enjoy a tremendous sale. It's Shearing's first 12" LP.

"THE GREAT MUSIC THEMES OF TELEVISION"—Hugo Winterhalter—RCA Victor LPM-1020 (12" LP) List: \$4.19

VOICE OF FIRESTONE; PHILCO PLAYHOUSE; HALL OF FAME; I LOVE LUCY; MAMA; CHESTERFIELD SUPPER CLUB; COCA-COLA CO. THEME; STUDIO 1; JACKIE GLEASON SHOW; ARTHUR GODFREY; ROBERT MONTGOMERY SHOW; KRAFT THEATRE.

Television has become an integral part of American life. If it is not now the most popular form of entertainment, in the next few years it will definitely be just that. TV has made stars of unknowns and has made hits of many previously unrecognized tunes and new tunes. Hugo Winterhalter offers on this album the theme music of twelve favorite television shows. These themes have become so indelibly associated with the shows, that many forget the real name of the melody and remember it only by the program's name. A beautiful variety of wonderful music presented as only Hugo Winterhalter's orchestra can. Market for this one has no boundaries. Should appeal to everyone with a TV set.

JERRY COLONNA—"Music? For Screaming"—Decca DL 5540 (10" LP) List: \$3.00

SWEET ADELIN; HEY, BARMAID!; CAN'T YOU HEAR ME CALLIN' CAROLINE; DOWN BY THE OLD MILL STREAM; YOU'RE MY EVERYTHING; JA-DA; IT MIGHT AS WELL BE SPRING; ON THE ROAD TO MANDALAY.

With the growing popularity of Music for Dining, Romance, Dreaming, Meditation, Love and Enchantment, Jerry Colonna makes his contribution with an album called "Music (?) for Screaming." It's a hilarious collection of favorites and new novelties fashioned in the unique Colonna manner. It's one of the funniest LPs we've heard in months. His mimicry is an art. Listen to "On The Road To Mandalay" and "You're My Everything" and you're sure to agree. An enjoyable half hour of fun for a party.

"BARBER SHOP WINNERS OF 1954"—Decca DL 5545 (10" LP) List: \$3.00

CHARMAINE; A SON OF THE SEA; THE SWEETHEART OF SIGMA CHI; STEPHEN FOSTER MEDLEY; AUNTIE SKINNER'S CHICKEN DINNER; THAT OLD GANG OF MINE; WHEN YOU'RE A LONG, LONG WAY FROM HOME; BABY, I'LL BE WAITIN'.

SPEBSQSA, the Society for the Preservation and Encouragement of Barber Shop Quartet Singing In America, whose aim it is to further the popularity of the Barber Shop Quartet art, conducts a contest every year among entries from all over the country, and Canada. This album features eight selections by the 1954 winners. Three numbers are offered by the Orphans, the champs, and the 2nd, 3rd, 4th and 5th place winners handle the rest. An interesting birds-eye view of a charming portion of musical Americana. For folks who love barber shop music, this should indeed be a prize package. Of course, the tunes, listed above, are all old favorites.

SOUNDTRACK

BETTY HUTTON—"Satins and Spurs"—Capitol L 547 (10" LP) List \$4.00

WHOO-DIDDY-AY; WILDCAT SMATHERS; SATINS AND SPURS; THE LITTLE ROCK ROLL; I'VE HAD ENOUGH; NOBODY CARES; BACK HOME; YOU'RE SO RIGHT FOR ME.

On Sunday, September 12, 1954, TV entered a new era. Producer Max Liebman staged a complete new musical written especially for TV, to be shown only once, and never to be shown live again. The show highlighted the debut of Betty Hutton. Although this "spectacular" opened many doors for the entire TV industry, the musical score by Jay Livingston and Ray Evans was not spectacular. This album features the entire score and cast exactly as it was heard on TV. Should have a fair appeal even though some 50 million people are supposed to have seen it.

CHILDREN

WALT DISNEY'S "20,000 LEAGUES UNDER THE SEA"—RCA Victor Y-4004 (Little Nipper Series) (2-10" 78rpm.) List: \$3.40

The exciting Walt Disney film, "20,000 Leagues Under The Sea," is adapted for records by Martin Weldon with such excellent results, that dealers will probably find this one of their biggest selling kiddie albums. The album is in story-book form with color cartoons of the participating players. Along-side each cartoon is the dialog on the record, which can be followed by the older children who can read. A suspenseful presentation of the Jules Verne classic. Interesting cover should attract a great many parents.

MAMBOMANIA

The Mambo, making a big splash in all walks of life, has also hyped the recording and theatrical agency business according to Leonard Green, president of Mercury Artists Corp., the largest booking agency for Latin-American artists in the United States. Green, whose agency was the first to deal in the Latin-American set, has added three more booking agents to his Mambo department which is headed by Charles Green. The figures released by Green show that the demand for Latin-American bands and acts has jumped up to 150%. Nor is the mambo a purely local trend. Mercury bookings include spots from the Palladium Ballroom and Chateau Madrid in New York to the Chez Patee Club in Montreal, Canada, Sahara in Las Vegas to places like Albuquerque, New Mexico; Chester, Pa., and Indiana Harbor, Indiana. With an outstanding list of talent on the Mercury roster, Green reports that artists like RCA Victor's Tito Rodriguez, Tico Record's Tito Puente, Seeco's Machito, Fiesta's Jose Curbelo, RCA Victor's Facundo Rivero and Damiron are booked for the season with the demand also for Mercury Artists acts also including Miguelito Valdes, Ralph Font, La Playa Sextet, Emilio Reyes, Al Romero, Pepito Lopez and Cesar Concepcion. However, because of the overdemand and under-supply of Latin-American artists, due to the big mambo upsurge, they require a 25% more take than American orchestra musicians. Green, who has developed his array of artists over the last ten years when he opened Mercury Artists agency, is now considered the foremost authority on Mambo and Latin-American music by the recording and nightclub industry. He was recently called in to supply the talent for the biggest Mambo show ever presented, "Mambo USA," which kicks off a 56 city tour across country October 22nd at Carnegie Hall in New York. . . . If the pop audience didn't hear of mambo a short time ago they are certainly being inundated with the Latin tempo via recordings of such top flight stars as Vaughn Monroe (not really mambo except in title), Perry Como, Johnnie Ray, Gary Crosby, Richard Maltby, and others. Just the other evening we caught Perry Como doing his "Papa Loves Mambo" with a production number. Although the dancers were hardly mambo experts, the vast audience that Perry commands was getting the necessary indoctrination and it should help build a really big mambo market. . . . Dick "Ricardo" Sugar (WEVD-New York) riding the growing wave of mambo enthusiasm has increased his "Tico Tico" air-time from one hour per week to an across the board show, Monday through Friday, 4 to 5 P.M. Dick is not a newcomer to Mambo, having been on the air for several years with Mambo, ten years as an announcer and deejay, and has a strong following among the high-school and college crowd. Dick will offer the latest and best in recorded Mambo and Cha Cha Cha, as well as live guest interviews with the big name artists in this field.

That's What Counts

LOS ANGELES, CALIF.—Proving It's What's in The Cash Box That Counts—The DeCastro Sisters check up on the review of their latest Abbott release "It's Love" b/w "Teach Me Tonight" while Mary and Kay Solle look on. Scene took place at Leuenhagen's Record Bar, one of LA's leading one-stops.

Strange Things Are Happening To "Not As A Stranger"

NEW YORK—The music business is referred to by many as the most wild and wooley industry of them all. Here's a situation that should attract many followers to this field of thought. Some time ago, the late Morton Thompson wrote a novel called "Not As A Stranger." The sensational novel met with tremendous public acceptance with the result being that it hit the number one spot on the best seller list. Stanley Kramer, noted Hollywood producer, bought the rights to the novel and is producing the film which starts shooting next week. Kramer commissioned Dimitri Tiomkin and Ned Washington to pen the music for "Not As A Stranger." However,

they won't be the only "Not As A Stranger" authors. Tony Bennett has recorded a version of a tune with the same title published by Ben Bloom and written by Abner Silver and John Schroeder. The McGuire Sisters have recently recorded a different "Not As A Stranger" (unpublished at this writing) composed by Linda Roberts and Lawrence Elowe. The tune is copyrighted and cleared through ASCAP. Out in California, there is a Guild Music Company that has still another "Not As A Stranger" written by Dorinda Morgan and cleared through ASCAP. It has also been rumored that Capitol Records is going to record a tune with same title. Maybe it's the same as one of the above and maybe it's not.

It's really an unusual situation that could cause some interesting effects. Let your imagination wander. Can you imagine what would happen if two "Stranger" songs hit. Disk jockeys will play "Not As A Stranger"—"A" and "Not As A Stranger"—"B." This should be interesting.

RIAA Commends Victor's "Gruve-Gard"

NEW YORK—Following the meeting held by RCA Victor on September 9, 1954, for the purpose of introducing the new "Gruve-Gard" long-playing protective device to the record industry, John Griffin, Executive Secretary of the Record Industry Association of America, stated:

"The management of the RCA Victor Record Division should certainly be congratulated on the accomplishments of its engineering department in developing a practical means for protecting the delicate playing surfaces of long-playing records.

"Of equal and most significant importance is the decision of RCA Victor to make this engineering advance available for use by all other record manufacturers on a royalty-free basis.

"The Record Industry Association of America was organized three years ago for the principal purpose of fostering in lawful and appropriate ways good relations between all segments of the phonograph record industry, and it seems to me that this fair and far-sighted decision on the part of RCA Victor is a most conspicuous example of effective cooperation on the part of a leading member of our Association."

Siegel Makes Deal With Italian Publisher

NEW YORK—Paul Siegel, prexy of Symphony House Music Publishing of New York and Hollywood has consummated a deal with Organizzazione Musicale Nazionalmusic of Milan, Italy, whereby he has been given the power of attorney to represent, sign contracts etc., with publishers in the United States and Canada for the placement of Organizzazione's tunes with American and Canadian publishers and for the placement of U. S. tunes with the Italian firm.

Giacomo Mario Gili is president of Organizzazione, Musicale, a holding company for seven Italian music publishers, Nazionale, Film Melodia, Ambrosiana, Sonofilm, Ruccione, Chiappo, and Le Chant Du Monde Publishers.

Organizzazione is the largest motion picture publisher in Italy with popular and standard tunes numbering in the thousands.

The company has established a bank account at National City Bank in New York whereby U. S. publishers will receive their foreign royalties earned.

U. S. publishers whose tunes are accepted by Siegel, will receive advances in American money, plus guarantees for recordings by major record companies in Italy.

Calder Joins Porgie Music

NEW YORK—Al Calder has joined the staff at Porgie Music as promotion topper, the position just vacated by Johnny Farrow. About four weeks ago Calder left the Veronique and AVAS Music Publishing Companies. Prior to this, he spent several years handling national publicity and record promotion for many top artists. Just recently he obtained a Mercury recording contract for singer Tommy Prisco after the artist had cut several sides on the King label.

Feminine Support

NEW YORK — Film star Debbie Reynolds gives some feminine support to Eddie Fisher as he rehearses for his recent appearance on the "Toast Of The Town Show" where he substituted for Ed Sullivan who was on vacation. Eddie has a brand new hit for Victor in "I Need You Now".

Coral to De-emphasize Xmas Disks

NEW YORK—With the exception of two records, one by Teresa Brewer and another by the McGuire Sisters, Coral will not release any Christmas records this year.

The diskery's execs sum up this move in just a few words. The gamble of making a Christmas tune a hit in just one month is too great.

Coral heads offer the following reasons:

1) Some years back, dealers used to start ordering Xmas disks as early as September. But now they won't stock a yuletide disk until it gets air play.

2) It can't get much air play since a huge percentage of the country's dee jays won't spin an Xmas disk until the Thanksgiving holidays.

3) A ballad, which takes loads of play to make it a hit, doesn't stand a chance in just four weeks.

4) All good Xmas hit possibilities have to be novelties and these have to be cut by hot artists so that they can get a fast start.

Since Christmas is a big record buying season, the diskery will concentrate on making top hits out of its pop material issued prior to the big season.

Sparton of Canada Resumes Production

LONDON, ONT., CANADA—G. A. Holmes, president of Sparton of Canada, Limited, has announced that resumption of phonograph record production by that company will begin immediately.

Under the newly-established label—"Sparton Records"—the company will make available to the Canadian market a selection of the best-sellers and standards from several U.S. companies as well as some new Canadian talent. The catalogue will cover all types of music—Popular, Folk & Western, Rhythm & Blues, Semi-Classical and Classical.

Coast-to-coast distribution will be handled by independent distributors in Western Canada and Newfoundland, with Factory Sales Branches in Toronto and Montreal handling the provinces of Ontario and Quebec.

The Sparton Records Division of the company will be headed by Rupert Huntley, manager and Harold Pounds, merchandise manager. Both men held similar positions with Sparton during the past 14 years when the company was engaged in manufacturing and distributing for a major U.S. record company.

Mack Clark Joins Indigo

NEW YORK—Charlie Barnet, in a move to reactivate his Indigo Music Publishing firm (BMI) and to get his new AH Music Pubbery (ASCAP) off to a good start, has signed Mack Clark as general professional manager of the two tune companies.

Mack, brother of the late Buddy Clark, was for a number of years with Paramount Music and Martin Block Music.

Clark will seek new recordings of songs in the Indigo catalog and search for new material to be published under the ASCAP and BMI firms.

Best Selling Records

FROM MORE THAN 15,000 RETAIL OUTLETS!

• Tunes are listed below in order of their popularity based on a continuing weekly national survey of thousands of record dealers by Jack "One Spot" Tunis. Each listing includes the name of the song, record number, artists, and tune on the reverse side.
 • The number underneath the title indicates the actual sale per 1000 records made for the week. If the figure is 67.4, it means that for every 1000 records sold that week, 67.4 were of the tune indicated—a combination of all the records on which it was available.

Store Opening

PHILADELPHIA, PA.—On hand for Philadelphia deejays Grady and Hurst's Norristown store opening are: the Burgess of Norristown; singer Vince Carson; Percy Faith; host Joe Grady; and Herb Goldstein, local Columbia promotion manager. About 200 teenagers were present to mark the occasion.

Audivox Pacts Hurricanes

NEW YORK—The first step in its previously announced expansion program was taken by Audivox Records this week. The Indie label which has been in operation for one and a half years, has just acquired four masters by a male quartet called the Hurricanes, featuring Bob Gaye.

The Hurricanes are the first outside talent signed by Audivox, prior releases having featured the talents

of Dorothy Collins and Raymond Scott exclusively.

Leonard Wolf, who negotiated the deal, signed the group on options and feels certain they will be a top name in the record world very soon.

First disk, "I Keep Crying" backed with "Teardrops," is being readied for release with an elaborate promotional campaign planned for its launching.

Label "X" Breaks Out With 3 Hits As Joe Delaney Returns

NEW YORK—Joe Delaney, head of sales for Label "X", returned to New York this week after a ten week tour of the country facing the happy situation of having three hits on his hands.

Label "X" is hitting with three big ones all at once. They are "The St. Louis Blues Mambo" by Richard Maltby; "Mood Indigo" by the Norman Petty Trio; and "Don't Drop It" by Terry Fell.

Delaney had been on an automobile tour visiting almost every distributor for the label in the country and he has a solid Fall program lined up for them.

Label "X" went into operation last January and since then has been organizing its distribution set-up and putting out its initial records. Jimmy Hilliard is the diskery's A&R head.

NEW BEDFORD, MASS. — Disk jockey Chris Clark (right) of WBSM drops in backstage to see songstar Kitty Kallen and takes one of her many teen-age admirers along during Kitty's one-night appearance at Lincoln Park in New Bedford, Mass. This was one engagement in a series of one-nighters which Kitty has just completed.

Network Show For Crosby Album

NEW YORK — In a spectacular promotion for the new Bing Crosby album, NBC will devote two hours to playing the album's numbers on Sunday September 26 from 6 to 8 P. M. The show will go out over the entire network at that key broadcasting time.

In addition to playing the records, there will be live guests who have previously been associated with Crosby during his career. As of now the following have been lined up: Paul Whiteman, Bob Burns, Johnny Mercer, Patti Andrews, Barry Fitzgerald and Les Paul.

The officials of Decca believe this is the first time that this kind of exploitation has been given an album.

Stars Over Harlem

A sight to see was the throng of smiling uptown teenagers gathered around the speaker listening to the wonderful older waxings, the sizzling present etchings, plus high tempoed mambo rhythms of such favorites as Tito Puente, Tito Rodriguez, Joe Loco, Alfredo, Perez Prado, Bonenere and oh so many more. These gentlemen of the trade and their masterful performances have almost brought about a complete change in the taste of the uptown younger set. Whenever these leaders raise their batons that serves as a go sign for their wailing sidemen, the guys and dolls nervously try to stand still, but they can't, they try unsuccessfully to sit still, but spirit is there, its got them and the steady beats of the percussions carefully blended causes these listeners to prance through some of the most entertaining bits of calisthenics ever witnessed. At present they're digging like crazy the melodic strains of "Ran Kan Kan", "Confucious Mambo", "Tremendo Cha-Cha-Cha-", "Chop Suey Mambo", "High And Mighty Mambo", "Square Dance Mambo" and the many top flight "Skokiaan" platters. All goes to show that you never can tell just what might catch the teen timers ears or just what bit of material possesses that magnetic something that causes these kids to part with their precious coins. Also here too the music that comes from the sound tracks of the movies are a very definite must on the retailers lists. Presently there just isn't any one flavor that strikes the Harlemites fancy. Let it be good, and let it be distinctively different and your chances of cracking through with a smasher in the vicinity of the Apollo are terrific. . . . Joe Turner—they're already screaming and scrambling about for your "Well All Right" ditty. . . . Ditto Johnny Ace and "Never Let Me Go". . . . "Lets Make Up" has almost become a household phrase as a result of The Spaniels handlers releasing a satin smooth reading bearing the same name. This one is definitely heart bound. . . . "Annie Had A Baby" grabbing nickle after nickle, dime after dime and quarter after quarter. . . . Norgran's "Al Hibbler Sings Duke Ellington" long player hotter than the N.Y. Giants. . . . Percy Faith's "Music From Hollywood" series a musical treasure to possess. Same goes for the Chet Baker with strings deliverings. Ernie Learner—only a few moments ago this columnist spotted your statement in Cash Box where you state that there is a definite leaning toward progressive jazz among the R&B disk jockeys, and we whole heartedly agree with you one hundred and fifty per cent. . . . Billy Taylor spotted bouncing happylike to and from the platter spinner's booths giving out with quick hellos and goodbyes. P.S. Speaking of the personable little pianist—permit us to mention that a recent uptown survey insured us that his many stellar wax performances are consistent best sellers among those who appreciate the jazzier slicings. . . . King Cole's "It's Crazy" b/w "Smile". Need I say more.

THE CASH BOX RHYTHM N' BLUES *Rambling*

NEW YORK:

Ahmet Ertegun and Jerry Wexler Atlantic Records down Virginia way to cut some newly signed talent. Herb Abramson, Atlantic's prez, will be back in the states this week and will be discharged in a couple of months. . . . Bess Berman, Apollo Records, busy getting out the orders on the Opals "Come To Me Darling" on Luna. . . . Alpha Distributors a beehive of activity as Johnny Halonka and Harry Apostaleris help the shipping clerks get the orders out.

LAVERN BAKER

Alpha has come a long way in the past year, picking up quite a few new lines and doing a job for all of them. Two great guys hustling like mad but never too busy to laugh things up. Two new items that just arrived at Alpha look like great prospects. Checker's "Mama Took The Baby" by Lena Gordon and Sax Kari (a follow up to the Midnighter's hit "Annie Had A Baby") and Chess' "Rocking Chair Baby" by The Peppers. Latter loaded with drive. . . . Irv Cohen, Essex Distributors, Newark, N. J., reports that business took a real jump upwards and they are really hectic over at the distrib-retail-one-stop record shop. Irv reports that Johnny Ace's "Never Let Me Go" is zooming although he only has the disk a couple of days. Also moving upwards at a rapid pace is the Marvin & Johnny "Tick Tock" on Modern. . . . Atlantic Records comes through with another blockbuster in Joe Turner's "Well All Right" and "Married Woman." Turner dishes up a tune like nobody else and there's no doubt but that the Abramson-Ertegun-Wexler combination have another hit to add to their already impressive list. Also, a strong contender for big sales is the Carmen Taylor readings of "Ooh I" and "Freddie." This gal can say more with scoops, squeezes and shadings than Kinsey and Freud in their combined reports. . . . That was quite a shindig at the Brooklyn Paramount last week where the sensational package of Roy Hamilton, The Drifters, Faye Adams, Lavern Baker, The Spaniels, The Counts, Big Maybelle, Erskine Hawkins and Rusty Bryant just laid them in the isles. Both shows were packed to the rafters and a line of three deep all around the block waited for hours to get in. It was a mixed audience of teeners, white and colored, that cheered themselves hoarse. . . . The Spaniels have another hit, it seems, in their newest "Let's Make Up"—and proud as a carload of peacocks is Joel Turnero who supervised the session in Chicago. . . . Al Silver, Herald Records, feels like the dice are loaded. His distribs have been sending in nothing but enthusiastic reports on oh so many of his newest releases. Topping the list is the new Faye Adams' "Hurts Me To My Heart" which is flexing muscles like a number one titleholder. Now comes Al Savage's newest "Don't Tell Me" and "I Wanna' Know," the Herald's "Gonna Love You Every Day" and two new spirituals that Ernie's in Nashville has included in its package because of the response accorded the religious items after airplay. . . . Specialty releasing a new Marvin & Johnny, "Day In-Day Out" and "Flip." Should get a good listen from everybody in view of their current biggie, "Tick-Tock." . . . Irv Marcus, Peacock and Duke, sporting the biggest grin as he keeps repeating "Never Let Me Go." . . . Fortune Records' Jack Brown whooping it up about the new Diablos "The Wind." The group did very well with its first, "Adios, My Desert Love." . . . Review of Mercury's "Teedle-Dee-Teedle-Dum" in last week's issue omitted certain pertinent information. Credit for the record was given Big Nick Nicho'as instead of Timmie Rodgers and his Orchestra. Big Nick is the vocalist. Publisher on the other side, "If I Give My Heart To You," is Miller Music. . . . Al Green in New York for a double purpose, conduct some biz and see the Marciano-Charles fight, had to shoot back home with half his intentions incomplete. The fight, scheded for Wednesday, had to be put over to Thursday because of weather. Al couldn't stay over but had no trouble getting rid of his tickets. . . . Mort Davis, who moved from Gale to Universal Attractions, busy trying to build a jazz roster in order to capitalize on the current demand for jazz artists. . . . Saw Lee Magid in a huddle with Ben Bart at the Hampton-Basin Street opening. Result—Varetta DeLard, managed by Magid, moves from Gale to Universal. Varetta has a new record out on Savoy, "Love" and "Send Me Some Money."

CHICAGO:

The great Mahalia Jackson has begun taping her radio shows, which will be heard each Sunday evening 9:35 to 10 PM on the CBS network. Show is to be titled, "Mahalia's Show," starring Mahalia, with the Jack Halloran Singers. CBS, we hear, is very much enthused about this program, realizing the fine talents Mahalia possesses. . . . Jerry Blaine came to town this week with two new releases tucked under his arm. The first, "If You Believe" b/w "Longing" by The Orioles. Also his first release by The Dominoes, titled "Come To Me Baby," b/w "Gimme, Gimme" which Jerry believes will go pop as well. While here, he spent lots of time with The Four Tunes whose "Greatest Feeling In The World" is enjoying lots of air play 'round town. The Dominoes, incidentally, caused quite a sensation at the Michigan State Fair in Detroit, this past week, as did The Treniers. . . . Leonard Chess told us about Chess' latest release, "That Man Is Walking" b/w "Mama Yoquiero Mambo" by Larry Liggett, just before leaving on another of his Southern junkets. He'll head for the Memphis pressing plant to get out the new Muddy Waters release. . . . Sam Evans phoned, happily reporting his two and one half hours of air time are completely sold out. With clients waiting in line, yet. . . . Monte Bruce phones from Pittsburgh. Tells us his Harp Tones were very warmly received at the Copa in Pittsburgh. . . . Fats Domino due to hit the Midwest area later this month. . . . Guitar Slim set for the next 'Jam With Sam Dance' October 16. . . . Amos Milburn will be in Gary and Evanston around the same time. . . . Leo Kolheim, when asked what's new, had only this to say, "Business is booming." What could be better?

MAHALIA JACKSON

LOS ANGELES:

The motion picture industry is beginning to recognize the popularity of Rhythm and Blues groups. The Robins have been signed by Universal-International to make a film short. They are the first R & B attraction to be signed by a major movie studio. The boys are noted for their popular prison songs. First was "Ten Days In Jail" then "Riot In Cell Block #9" and now "Framed" which has just been released on the Spark label. . . . The Bihari Brothers

AMOS MILBURN

have such a backlog of orders that they are now running their pressing plant 'round the clock. We hear that their Flair waxing of "Oop Shoop" by Shirley Gunter and The Queens is breaking in several Eastern cities. . . . Specialty Records' ace blues singer Guitar Slim kicked off his West Coast tour with a three day engagement at Billy Berg's Five-Four Ballroom Sept. 17 thru 19th. He also cut several new sides while in town. . . . The stork will visit the Art Rupe's next month. . . . Dootsie Williams, prexy of Dootone Records, is really walking in the clouds these days. While "Buick 59" by The Medallians is smashing through for a hit Dootsie comes up with another one entitled "Earth Angel" by The Penguins which looks like it too will be a very big number. . . . Richard Lewis, Ernie Andrews and Shirley Gunter and The Queens staged a three day stand at the Club Oasis Sept. 17th thru 19th. . . . The Hal Singer orchestra and The Ravens have been booked for several dates along the West Coast in October. . . . Lee Silvers, formerly from N. Y., has moved to California. He will open his own record distributing offices at 2142 W. Washington Blvd., this city and will do business under the name of State Record Distributors. . . . Amos Milburn is back on the drink kick again. On his latest Aladdin release he sings all about that "Vicious, Vicious Vodka." Shirley and Lee have their troubles again on their new Aladdin series. This time Shirley tells Lee in no uncertain terms that it "Takes Money" to keep her in jewels and furs. . . . Todd Rhodes band and The Midnighters threw a gala show Thurs. 9/16 at the Savoy Ballroom. Currently one of the hottest groups in the country, with three of their latest recordings riding high in the charts, the group drew a record throng for the event. On Sun. 9/19 they staged another show at the Riverside Rancho. While in town they will cut several new sides for the Federal label. . . . Wynonie "Blues" Harris and Floyd Dixon and orchestra were held over for another week-end at the Savoy 9/17 thru 19. Also sharing the spotlight was Lowell Fulson. . . . The Masters Social & Charitable Club sponsored an International Ball at Hollywood Canteen, formerly Florentine Gardens, Sept. 18th. On the stage were a group of musical "greats" including George Jenkins, drums; Red Callendar, bass; Buddy Collette, sax and The Florence Collette Dancers. . . . The Medallians and The Penguins were recent guests on the Johnny Otis KFOX show.

JAZZ JOTS

Lionel Hampton again filling Basin Street with his ever faithful followers. The man is certainly an exciting performer and crowd pleaser. On the bill with Hamp is the famous Jack Teagarden and his combo. Jack's genial smile, his gravely voice, and great trumpeting makes this a twosome that must be caught. . . . Victor coming out with an album called, "Jazz for People Who Hate Jazz." Twill be 12 sides, some previously unreleased, and includes such artists as Benny Goodman, Duke Ellington, Tommy Dorsey, Lionel Hampton, John Kirby, Sauter-Finegan, Artie Shaw, Wingy Mannone, Charlie Barnet and Bunny Berrigan. . . . Bob Theile announces a new Coral album "Jazz for GI's." Bob cut the session at For Monmouth, N. J. . . . Jack Lewis, RCA Victor jazz head, shot out to the coast where he will cut a load of sessions to be issued in album form as well as singles. . . . Chico O'Farrill opened at the Birdland, Thursday eve, September 16, and the newcomer from the coast was solid and exciting as he "knocked out" a "show me" audience. The Latin orkster displayed a winning personality, a swingy big band and a strong book with intriguing arrangements. Chico, prior to fronting his own band, has arranged for such greats as Benny Goodman, Stan Kenton, Miguelito Valdes, Machito and Noro Morales. . . . Carnegie Hall offers a blockbuster next Saturday night, September 25. The roster includes Sarah Vaughn, Count Basie, "Yardbird" Charlie Parker, Billie Holiday, "Prez" Lester Young, Bill Davis Trio, and the Modern Jazz Quartet consisting of Milt Jackson, Kenny Clark, Percy Heath, John Lewis.

Firehouse Five Leads 4th Buggy Caravan

LOS ANGELES—The Firehouse Five Plus Two, exclusive Good Time Jazz recording stars, took time off from their producing, directing and writing duties at the Walt Disney Studio to lead the 4th biennial Horseless Carriage Caravan. They headed the Caravan in their 1917 American La France fire engine, playing as they drove.

This year's Caravan started from Reno, Nevada, September 11th, and drove to Lake Tahoe where the Fire-

house Five played for a dance at the famed Bijou Dance Hall. The following morning the parade of ancient automobiles moved on to Carson City. Here Governor Charles Russell welcomed them at a great picnic held on the capitol lawn.

The Caravan then drove on making several short stops before reaching Virginia City, home of Lucius Beebe who boasts the only painted bidet in the Wild West.

Ward's wire of acceptance to Mr. White continued: "Please be assured that it is hereby an honor and a privilege to place my group at your disposal."

ALFREDITO

(Rainbow 258)

B "CRAZY STANLEY MAMBO" (2:35) [Rene Touzet] This could be the follow up to Alfredo's "Chop Suey Mambo," which stirred up quite a bit of mambo sales action. The platter is gimmicked up with humorous chants, side comments and insane laughter. Has a great danceable beat.

C+ "TEMPTRESS MAMBO" (2:40) Slow tempo mambo with Pellin' Rodriguez and Trio handling the vocal. This deck should appeal to the Spanish mambo buyer, whereas the upper side is solid fare for the American mambo dancer.

THE HERALDS

(Herald 435)

B+ "GONNA LOVE YOU EVERYDAY" (2:40) [Angel BMI—Dawn] The Heralds bounce merrily through a rhythmic love ditty. The group has an infectious appealing sound that should help the disk take off. A good piece of wax that will be heard from.

B "ETERNAL LOVE" (2:40) [Angel BMI—Dawn] Flip is a slow wailing blues ballad that the lads present effectively. The Heralds wax emotionally for a sad and stirring piece.

CARMEN TAYLOR

(Atlantic 1041)

B+ "OOH I" (2:09) [Progressive BMI—Canady, Canady] Here's a gal with lots of pepper and the lass shoots off sparks as she lits the bouncer in an audacious manner. The Boleros back Carmen smoothly and with happy effect.

B "FREDDIE" (2:09) [Progressive BMI—Taylor, Carroll] You've never heard sex on wax until you hear Carmen Taylor squeeze out "Freddie." This gal is so torrid you expect the wax to melt away under your needle.

THE EMPERORS

(Haven 511)

B "I MAY BE WRONG" (2:26) [R & B Music—Emperors & Orlando] A good group. The Emperors, dish up a strong reading of a middle tempo blues bounce. Should grab off a piece of action with proper exposure.

B "COME BACK, COME BACK" (2:01) [R & B Music—Emperors & Orlando] Lads wax a driving ditty with excitement. Ok platter, that makes a strong coupling for the boxes.

THE CASH BOX

★ AWARD O' THE WEEK ★

"WELL ALL RIGHT" (2:26)
[Progressive BMI—Calhoun, Nugetre, Gerald]
"MARRIED WOMAN" (3:06)
[Progressive BMI—Lou Willie Turner]

JOE TURNER
(Atlantic 1040)

JOE TURNER

● "Have no fear. Big Joe is here." That's what Joe Turner says on his newest release, "Well All Right,"

and what it apparently means is, if you have been looking for another hit, have no fear, this is it. The master is his ebullient self on this rhythmic novelty wax. Joe bounces animatedly through the two and one half minutes with the joyousness of a teener without a worry in the world. And what's more important, you can't listen to him without feeling the same way. The flip, "Married Woman," is a slow blues that is a powerful Turner etching capable of standing on its own feet, but from this end of the periscope it looks like "Well All Right" away and running.

JOHNNY OLIVER
(MGM K-11827)

B "ALL I HAVE IS YOU" (2:40) [Moore, Mills] Johnny Oliver sings a ditty very similar to the current hit, "I've Got My Eyes On You." Johnny knocks out the exciting Latin flavored beat in good style.

C+ "SING THE BLUES" (2:35) [Thomas, Kirkland] Oliver has a slow blues for the flip deck. Lad turns out a fair deck, but the "All I Have Is You" side has the potential. Good orking supplied by Leroy Kirkland on both decks.

MARGIE DAY
(Decca 9-48325)

B "JUST COULDN'T KEEP IT TO MYSELF" (2:30) [Blue Grass Music BMI—McCoy, Singleton, Dash] Margie Day pours out her tormented state of mind since she lost her baby with a feelingful vocal. Ditty is a low rhythmic blues and Decca has a potential sales puller in this one.

B "MOLE IN THE HOLE" (2:13) [Marshall Music BMI—Margie Day] Margie belts a driving number with a gusto filled vocal. Side moves and has the beat to command attention. Strong wax.

VARETTA DILLARD
(Savoy 1137)

B+ "SEND ME SOME MONEY" (2:40) [Blazon BMI—Zeke Clements] Varetta Dillard is back with her first in some time and the gal squeals and snakes her way through a middle tempo bouncer in fine style. Gal sends the S.O.S. for some money so that she can "come home to you." Good deck.

B+ "LOVE" (2:45) [Crossroads BMI—Eloise Hinds] Thrush sings a soulful slow romantic from the heart. Varetta delivers her emotional reading with a sad and tormented feeling. Torchy waxing that could break.

SEXTETO LA PLAYA
(Mardi Gras 1002)

C+ "JAMAQUINO" (2:51) [N. Rivera] A very pretty slow tempo cha cha cha is performed engagingly by the La Playa sextet. The performers sing along.

C "JOHNNY GUITAR" (2:37) [Victor Young ASCAP—Young, Lee] The La Playa sextet comes up with a lovely slow instrumental mambo treatment of the theme music from the fic. A delightfully relaxing deck.

MILAN BROWN

(Baton 204)

B "I'M GOIN' BACK" (2:47) [Challenge Music BMI—Milan Brown] Milan Brown sings a heated up bouncer in which he proclaims his intention of going back to his little chick beside the track. Brown's deep full throated tones are augmented by a dirty toned ork and the wax is good r & b.

B "ROLL IT" (2:45) [Challenge Music BMI—Milan Brown] Another fast moving wide awake side in which Brown jumps with all the enthusiasm one can muster. This lad's voice is good and filled with personality. Two good decks that could sell if gotten around.

THE JEWELS

(R and B)

C+ "HEARTS OF STONE" (2:29) [Granite BMI—Torrence, Ray] The Jewels into a new label with a bouncy romantic ditty and the initial entry may get the diskery off to an ok start.

B "RUNNIN'" (2:05) [K & S BMI—Jackson, Ray] The Jewels etch the stronger side in "Runnin'." Lads come through with more punch and appeal on this deck. A middle tempo rhythmic bouncer with plenty of listening appeal.

THE CHARMS

(DeLuxe 6062)

B+ "HEARTS OF STONE" (2:29) [Regent BMI—Ray, Jackson] The Charms are very good on this melodic and catchy bouncer. Their interpretation of the beaty ditty could be the one to break them through, something they've been threatening to do for more than a year now. Keep your eye on this pancake.

C+ "WHO KNOWS" (2:18) [Jay & Cee BMI—Penn, Parker] The Charms etch a slow blues ballad on the flip but deck doesn't seem to possess the spark the lads get into "Hearts."

THE DU DROPPERS

(Groove 4G-0036)

B "LET NATURE TAKE ITS COURSE" (2:25) [Park Avenue BMI—Joe Thomas] The Du Droppers dip into psychology and advise one and all to "let nature take its course" in the matter of making love. A slow bouncer performed stylishly by the talented group.

B+ "BOOT 'EM UP" (2:35) [St. Louis Music BMI—Charlie Singleton, Rose Marie McCoy] The flip is a quick beat jump with the boys pulling 'out all the strops as they belt. A driving ditty comes out a zesty piece of wax.

"PLAY IT COOL" (3:00)

[Conrad BMI—Jackson]

THE SPANIELS

(Vee-Jay 116)

THE SPANIELS

● The "Goodnight Sweetheart" lads, The Spaniels, come up with

another in the same vein, "Let's Make Up," that should keep the team rolling in the charts. "Let's Make Up" is a slow blues ballad prettily and effectively melted by the talented singers. The arrangement follows the initial success pretty closely, but we find no fault with that. The tune is delightful and chances are that it will also receive pop coverage. The other, "Play It Cool," is a slow rhythm piece that is a departure in tempo treatment and lead vocal. A good deck that could also break out. This platter offers two strong possibilities and a change of pace to please everyone.

PROFESSOR ALEX BRADFORD

(Specialty 871)

C+ "RIGHT NOW" (2:53) [Venice BMI—Bradford] Professor Alex Bradford and his talented Bradford Specials stir things up with a beautiful slow spiritual that should please his followers.

C+ "I FEEL THE SPIRIT" (2:27) [Venice BMI—Bradford] Another Bradford group gets into an exciter that has the beat from which jazz developed.

WILBERT HARRISON

(Savoy 1138)

B+ "DON'T DROP IT" (2:41) [American ASCAP—T. Sell] Wilbert Harrison does an R & B version of the current country hit. Harrison vocal has a definite appeal tho it retains some of its country flavor. The deck should stir up action.

B "THE WAYS OF A WOMAN" (2:40) [Crossroads BMI—Harrison] Harrison sings a slow country blues with feeling as he tries to understand the ways of a woman. The chanter's voice and delivery are very pleasing. He performs in a quiet, relaxed style.

THE ANGEL VOICES

(Meteor 5020)

C "TELL THE ANGELS" (2:54) [Met BMI—Brewster] "Tell the angels to make room, we'll be there soon" is the theme set to a quick tempo and the Angel Voices turn in an ok religious wax.

C "WALKIN' & TALKIN' WITH JESUS" (2:59) [Met BMI—] Similar deck with a similar treatment.

THE PELICANS

(Imperial 5307)

C+ "CHIMES" (2:40) [Commodore BMI—Lewis, Hannah, Ledbetter & Brown] The Pelicans wax soft and romantic as they perform a slow pretty ballad.

C+ "AIN'T GONNA DO IT" (2:29) [Commodore BMI—Bartholomew] The Pelicans back the ballad with a driving number that moves from the opening bell.

JAZZ

(Rating is based on appeal to the jazz market.)

THE CHARLIE PARKER QUINTET

(Clef 11103)

B+ "SI SI" (2:37) [JATAP—Parker] Charlie Parker runs through the fast moving modern treatment as only the "Bird" can do. His support is top-flight consisting of Rod Rodney, trumpet; John Lewis, piano; Ray Brown, bass; and Kenny Clarke, drums. Parker's alto saxing is the ultimate in modern sound.

B+ "SWEDISH SCHNAAPS" (3:10) [JATAP—Shavers] Another fine deck. Similar comments on the quintet's handling of the Shavers tune.

LOUISE BEATY with Jack McVea

(Ultra 50)

B "BLACKBERRY JELLIE NELLIE" (2:20) [Bob Miller ASCAP—Hodges, Phelps] A fast moving novelty tune that is vocaled in solid manner by thrush Louise Beaty. A happy little ditty that swings gayly with a potent ork supplying the musical support. This is a combination of swing jazz, pop and a little r & b flavoring.

C+ "SOMEDAY" (2:30) [Dutchess BMI—Hodges] The band treats the standard to a Dixieland reading that is a live and spirited bit of wax. Vocal is a combination styling of the '30's and the later day progressive styling and somehow doesn't fit on this arrangement. Strength of the deck lies in the instrumentalizing.

DICK REUDEBUSCH and his

State Street Ramblers

(Andoll 2)

B "BATTLE HYMN OF THE REPUBLIC" (2:35) [J. W. Howe] Dixieland followers may well come up with a new hero in Dick Reudebusch whose belting six piece combo dishes up the wildest "Battle Hymn." It's a strange waxing in that the Dixieland is spotted with some modern jazz. Could be defined as a 95% Dixie and 5% modern. Reudebusch and his Ramblers provide a well performed exciting recording.

B "LOVE AT LUNCH TIME" (2:35) [Andoll BMI—Anderson, Lehman] Reudebusch and his group etch a Dixieland quick beat in powerful style.

Guests At Fair

MORRISTOWN, N. J.—Henry Okun's singer Pauline Rogers is shown with Fran Felmer, at left, deejay of WTMR, and the Majors, vocal group, who were featured at the WTMR, Morristown, N. J. booth at the recent Morris County Fair. Felmer claims 47,789 persons were in attendance that day. Pauline Rogers records exclusively for Original Records.

Snow & Tubb Broke Records In Florida

NASHVILLE, TENN.—In a recent issue, The Cash Box inadvertently wrote that Red Foley had been on a Florida tour. The article should have read that Ernest Tubb and Hank Snow had been on that tour. As a matter of fact, the trip was so successful for Tubb and Snow that they broke house records in the following Florida cities: Tampa, Orlando, Daytona Beach, Ocala and Jacksonville.

"A LONELY HEART KNOWS" (2:45)

[Brazos Valley BMI—H. Thompson]

"THE NEW GREEN LIGHT" (2:08)

[Brazos Valley BMI—H. Thompson]

HANK THOMPSON

(Capitol 2920; F-2920)

● Hank Thompson, one of the top performers in the country field, comes through with another pair of tunes that should meet with great success on the market. On one end, the artist takes hold of a rhythmic, quick beat ballad dubbed "The New Green Light" and treats it to a bright vocal performance. The chanter has finally found out

that his gal has been untrue and has decided to give her the "go" sign. "A Lonely Heart Knows", on the flip half, is a moderate tempo weeper that Hank projects with much feeling. The Brazos Valley Boys blend in with a fine instrumental assist on both ends. Two grade "A" etchings that should ride the charts together.

EDDIE EDDINGS

((Starday 163; 45-163)

● "YEARNING" (2:45) [Starrite BMI—E. Eddings] Eddie Eddings sings this middle beat, lover's lament in poignant fashion. The Country Gentlemen warmly assist the chanter as he tells of his desire to be reunited with his former sweetheart.

● "SMOOCHIN'" (2:05) [Starrite BMI—Ed Eddings] Under deck is a pleasing, quick beat ditty with peppy lyrics that Eddings etches in gay style. Enticing melody rounds out a cute side.

RITA ROBBINS

(RCA Victor 20-5856; 47-5856)

● "THE HOOK" (2:07) [Sheldon BMI—Ebb Coleman, Klein] The diskery comes up with a new femme vocalist, Rita Robbins, who has both the talent and material to break into the big time on her initial effort. The thrush delivers the captivating lyrics and melody in potent fashion.

● "IF YOU DON'T SOMEBODY ELSE WILL" (2:05) [Acuff-Rose BMI—J. Mathis] Flip portion is a delightful, quick beat romantic item that the songstress waxes with zest and appeal. Two excellent showings.

THE PINETOPPERS & THE MARLIN SISTERS

(Coral 61245; 9-61245)

● "BLOSSOMS IN THE SPRING-TIME" (2:29) [Skidmore ASCAP—V. Horton] The refreshing vocal stylings of the Marlin Sisters receive a real pleasing Pinetopper backing on a lovely, lilting, middle tempo piece. A pretty set of lyrics.

● "MELODY AND HARMONY" (2:05) [Regent BMI—W. Evans] On the flip half, the Pinetoppers wend their way through a delectable instrumental ditty with an inviting melody. Easy listening on both ends.

MERLE KILGORE

(Imperial 8266; 45-8266)

● "SEEING DOUBLE, FEELING SINGLE" (1:57) [Commodore BMI—M. Kilgore] Merle Kilgore sends up a top-notch vocal effort as he waxes a fast paced item in spirited fashion. A tassel with the wife and all night drinking down at the corner bar has the chanter "feeling single" again.

● "IT CAN'T RAIN ALL THE TIME" (2:36) [Commodore BMI—M. Kilgore] Under lid is a moderate beat sentimental item that Kilgore treats to a smooth reading. Subdued string backing.

BETTY AMOS

(Mercury 70456; 70456 x 45)

● "I WILL FOR YOU" (1:55) [Acuff-Rose BMI—Amos] Betty Amos comes up with a tantalizing performance on a bouncy, quick beat romantic cutie. Light-hearted lyrics and a flavorful string backdrop combine in coin-catching manner. A dandy platter.

● "THE GIRL THAT WENT WRONG" (2:29) [Melody Trail BMI—Dale] Reverse etching is a moderate tempo heartbreaker that Betty puts over with telling effect. Should attract many spins.

TINY COLBERT

(4 Star X-96; 45 x 96)

● "HEAP MAD INJUN" (2:23) [4 Star BMI—E. Miller, T. Colbert] Tiny Colbert and his West Coast Ramblers come up with a catchy piece of tom-tom material that could prove to be a real sleeper. An infectiously different platter.

● "JUVENILE LOVE" (2:03) [4 Star BMI—E. Miller, T. Colbert] On the lower side Colbert waxes a fetching, quick beat item dealing with the amors of the younger set. Cute lyrics and melody color the deck.

WANDA JACKSON & BILLY GRAY

(Decca 29267; 9-29267)

● "YOU'D BE THE FIRST ONE TO KNOW" (2:21) [Brazos Valley BMI—W. Jackson] Wanda Jackson sends up a first class performance on a moderate tempo, sentimental piece. The chirp sings the tender lyrics with warmth and sincerity.

● "IF YOU DON'T SOMEBODY ELSE WILL" (2:11) [Acuff-Rose BMI—J. Mathis, G. Hamilton, J. Fautheree] Billy Gray teams up with Wanda on a colorful, love item that's starting to click. A socko follow-up to their current success "You Can't Have My Love". Should do well.

TOM TALL

(Fabor 115; 45-115)

● "YOU LOVED ANOTHER ONE BETTER THAN I" (2:30) [Dandelion BMI—T. Tall] The mellow tones of Tom Tall come over well on a moderate tempo weeper with touching lyrics. Strings back the artist in tender fashion.

● "I WANT TO WALK WITH YOU" (2:24) [Dandelion BMI—T. Tall] On the bottom half, Tall dishes up an engaging, double track vocal effort. The tune is a fast tempo, romantic piece with lyrics in a semi-religious vein.

Maxine and Jim Edward Brown (Abbott), the duet who did the original recording of "Looking Back To See" just recently completed personal appearance engagements in West Texas and New Mexico with Imperial's Slim Whitman. Shortly after the tour, Maxine and Jim Edward were robbed of several hundred dollars in money and clothing. Charlie Walker who holds forth with the C&W deejay show over KMAC-KISS in San Antonio, Texas and who is also a recording artist for the Decca people, had as his guest recently Jim Reeves, (Abbott). Reeves has been working the Texas Territory out of his headquarters at Shreveport, La. and the Louisiana Hayride. Carl Smith, after just missing the hurricane "Edna" while on a Florida tour, jumps from one weather extreme to the other. . . . Smith and his Tunesmiths just completing a week in Baltimore, Md. Hank Snow remains on a busy schedule of personal appearances, with the requests heavy for Sunday Park dates. Snow just concluded a successful week of personal appearances in the Pennsylvania territory. Bill Carlisle and "The Carlises" set for eleven days in Canada. This group has been on a rather solid schedule of personal appearances for the past several weeks. Another group scheduled for Canadian tour right away is Bill Monroe and his Bluegrass Boys. Curtis Gordon and his Hillbilly Pals played to some 4,000 paid admissions on Labor Day weekend at the Radio Ranch in Mobile, Alabama.

HANK SNOW

Gordon is set for personal appearances in the Norfolk, Va. area October 3-5. Artists, writers, and folks in the trade have been pouring the mail into the Cash Box Nashville office reminding us that they intend to make the Hank Williams Memorial Day Celebration (September 20-21st). Hank Snow did the Grand Ole Opry coast-to-coast NBC'er September 11th, with guest Faron Young sharing the spotlight. Jim Halsey, who manages the affairs of Hank Thompson and his Brazo Valley Boys, reports a busy schedule of Fairs and Celebrations for the Capitol artist. Thompson has and is working some of the largest fairs in the country during this and next month. September 10-12 saw the Thompson band entertaining at the Sacramento, Calif. fair. September 13th-14th the group worked the San Jose Celebration—and Sept. 15-17 the Kansas Free Fair in Topeka, Kansas. October 11-15 and again on the 18-19 Thompson and his band worked the Texas State Fair in Dallas. On Sept. 29-30 and October 1 the group jumps into Albuquerque, New Mexico for the celebration there. The many friends of the Halsey family will be happy to know that Jim Halsey's wife is recovering nicely from a recent illness. June Carter hospitalized in Nashville undergoing appendix operation. Once again Grandpa Jones and all his grandchildren prep for another tour into Canada. The Drifting Cowboys band, originally the Hank Williams band, and later associated with Ray Price, were recently contracted for a number of personal appearance engagements by Bob Ferguson, manager of Ferlin Huskey. The Drifting Cowboys band is composed of Don Helms, Cedric Rainwater, Rusty Gabbard, and Pete Wade. Jimmy Rule who manages Columbia's newcomer. . . . Shucher, manager of Carl Stuart, reports that the "singing disc jockey," Stuart, who is the star of WCOP'S Original New England Hayloft Jamboree, canceled all personal appearances Sept. 18-25 in order that the two might make the Hank Williams Memorial Day Celebration in Montgomery (Sept. 20-21). Joseph Dragun, Music Research Director of WCOP also made the trip. Dub Allbritten, now managing Red Foley, featured on the ABC netter "Ozark Jubilee" from Springfield, Mo., in Nashville on a schedule of last minute business. Allbritten reports that the newly organized oatune shindig is showing to capacity houses, with reservations being booked two weeks in advance. Slim Whitman (Imperial) and Mac Wiseman (Dot) have already been signed to appear as special guests on the Original New England Hayloft Jamboree. The first of the fall's new shows took place on Friday, Sept. 17th. . . . "Cuz'n Larry" Lane reports from Tampa, Florida capacity crowds at the Fort Homer Hester Armory each Sat. night with two big shows. Members of the east are Two Dukes and a Dot, Yarrowborough Bros., Melody Boys (Gospel Quartet), Carl (Snuffy) Smith and Rainbow Boys. Jim Wilson of WHOO, Orlando, Florida, has only one word of explanation for the new Porter Wagoner (RCA Victor) release.

JUNE CARTER

WAX-WISE

THE CARLISES

A couple of weeks ago we were eager to report that Goldie Hill's latest release could easily be one of her best records . . . well, it's really true, 'cause from all reports the release "Please Don't Betray Me" and "Treat Me Kind" is off to a flyin' start with the deejays. Chet Atkins (RCA Victor) recording of the Bob Wills classic "San Antonio Rose" along with "Mister Misery" featuring vocalist Red Kirk reported to be getting lots of play. Eddy Arnold (RCA Victor) into New York for a week's recording session. Eddy's latest is breaking in all charts. . . . "This Is The Thanks I Get" is playing in both 'pop' and 'Country' locations. "Hep Cat Baby" is the flip side. Frankie More reports that Johnnie and Jack along with Kitty Wells will take a two week's vacation right away, after having completed a series of Fair dates around the country. A recording session is on the agenda prior to their Fall schedule of personal appearances. Fortune Records releasing a new record by Louis Gilbert and Bob Sykes, with Chuck Hatfield's Treble-Aires, doing the instrumental backing. The title is, "Fickle Heart" and "Please, Mr. Bartender." According to Murray Nash, Acuff-Rose's Mel Foree completing a promotional trip through Texas and Louisiana and concluding trip in Montgomery. WHAT ABOUT ROADMEN?

Here and There

NEW YORK—It is indeed heartening to receive so many letters and phone calls, all commenting enthusiastically on Bill Gersh's talk to the Music Operators of Northern Illinois Association, copy of which was reproduced in the September 18 issue. (Reprints of the talk are available to associations and operators without charge). The speech advised a concentrated effort by individual coinmen, as well as groups, to continually seek improved public relations. It was pointed out that each operator in every individual town could best perform public relation practices. As a case in point, the American Chemical Society met for its 126th National conference in this city this past week. It was determined that the necessity for educational programs to promote student recruitment and improved public understanding was a matter best handled by each local section. "Much was done this past year to create a better understanding between the public and the industry, and the sections are stepping up their activities along this line" was the report made.

CHICAGO—Thin or underfed persons may have a better chance to survive radiation injuries in event of a hydrogen or atomic bomb attack. This was suggested this past week to the International College of Surgeons, which concluded the nineteenth annual congress of its American and Canadian sections here. (Ed comment: Being thin ourselves, it looks like *The Cash Box* has a good chance of survival in the event one of these fantastic bombs hits us on the head).

NEW YORK—A startling example of how statistics and figures can be highly misleading, or made to fit the particular whim of the individual. Apparel stores in this city last week had one of the most spectacular sales gains in history—69 per cent better than a year ago. The comparison was with a 1953 week in which a heat wave killed off much normal business.

CHICAGO—The month of October has been designated as NATIONAL RESTAURANT WEEK. Operators would do well to confer with their restaurant location owners and find out how they can cooperate. The more people patronizing restaurants, the more play your equipment will get.

Prior to World War II the traveling roadman, as far as this industry is concerned, was a truly romantic business figure. A staunch bulwark for continued good business.

Operators, jobbers and distributors in villages, towns and cities, looked forward to his arrival. He seemed to bring with him a gust of exciting air that carried with it the news of yesterday, today and tomorrow.

He was able to most glibly tell of events that were happening here, there and everywhere throughout the entire field.

As more modern merchandising methods were introduced and penny-saving efficiency became the rule, the roadmen, or at least the greater majority of them, disappeared from the sales picture.

For some time now some operators have been asking, "Why doesn't the factory send their salesmen to call on us like they used to do?"

These operators usually are the old-timers in the field. The newer men, those who have entered since the postwar period, don't seem to realize how important and valuable the factory roadman really was.

Few, if any, of these postwar coinmen, know about roadmen. As the war ended, there was little need for roadmen, because the demand for merchandise was so great all the average factory had to worry about was producing enough to meet the demand.

But times have changed once again. And, just as in years gone by, the belief now is that factory roadmen can once again be important. They are actually the factory's direct contact with the 'men on the firing line'—the sellers and operators.

There must be some way to decide whether or not there is a need for factory roadmen. The people engaged in the industry should be the people to decide whether or not they want to have roadmen call on them, as they used to call on them in days gone by.

Maybe the present set of operators are much too busy to be bothered by factory salesmen. Maybe they don't want such men disturbing them in the pressure of their present operations.

Maybe they feel that they are sufficient of themselves to carry on ahead without the need of some traveling man to tell them what someone else is doing with the same machines to make these machines so much more profitable.

This is a new world. A world of change. A world that has accepted new, speedy, highly efficient methods for sales as well as operating.

Perhaps the men, who are today engaged in the business of operating and selling the machines of the present factories, just don't want

to be bothered by roadmen spinning yawns about this, that, and the other thing.

The Cash Box decided that the one best and logical method, was to bring the story up before the people who, today, comprise the industry. To ask these people to vote as to whether they do, or they don't, want roadmen to call upon them.

Before indicating your desire, it is the hope of the men who are traveling the hard and winding, long road of today, that every consideration will be given them (aside from the fact that they, these traveling roadmen, must 'sell' merchandise to remain 'on the job') to the news they bring, the many extra things they do to serve their customers, the better and more modern methods they explain and that, by traveling so many, many miles, they become acquainted with facts which they can present to the peoples they visit in a clarified fashion.

There is a lot to be said for the roadman. There's a lot to be said for economical merchandising methods.

The real answer, tho, is up to the man who does the buying. The man who operates. The man who sells. These are the men to decide whether there should, or should not, be roadmen, roaming about the nation and meeting with them.

After Four Months In Operation:

JAX, FLA., OPS ACCLAIM 10c PLAY

Jacksonville, Florida, 100% Dime Play. After Four Months, Leading Music Operators Report That Even if They so Desired, Location Owners Would Never Allow Them to Return to 5¢ Play. Report 10¢ Play Saved Them from Loss This Past Summer. State They are Now Buying More New Equipment. Acclaim "The Cash Box" for Crusade to Help Operators Enjoy Better Business with 10¢ Play.

JACKSONVILLE, FLA.—"What's happened in Jacksonville where 10c play went into effect four months ago?" is what *The Cash Box* wanted to know.

Therefore, this publication arranged for a survey of this area, getting factual opinions from the leading music operators here as to what they now thought of dime play since they were operating on 10c play for four solid months.

The first thing *The Cash Box* learned, was that this entire north Florida city and surrounding area is now 100 percent on dime play.

"In fact", as one leading operator here stated, "the location owners themselves, even if we wanted to return to 5c play, would never allow us to any more."

Wm. (Bill) Whitcomb of Southern Music Distributing Company, this city said:

"Every operator in this area is for 10c play 100% because of what it has done for him individually, and in a place where help is really appreciated by every operator—his pocket.

"Of course 10c play has helped me. I just can't emphasize that too strongly. I do want to most sincerely thank *The Cash Box*, as does every single operator here in Jacksonville, for the great and continued crusade you people have conducted to help show every operator the way to better business for himself.

"In summing it all up, you can tell the whole, wide world for me, that we're on dime play, just like every operator here is, and that the sooner everyone around the country goes dime play, the sooner will their businesses begin to show some profit.

"The only thing that was wrong with our business here, and that is wrong with many other operators' businesses around the country, as *The Cash Box* has pointed out time and again in the past years, is short profits due to 5c play."

Direct contact was made with other noted operating firms and these men

gave the following statements for publication to *The Cash Box*.

Said B. E. (Buster) Paul of Jax Phonograph Company, probably the largest local operator:

"While our take isn't up over last summer to any appreciable degree, it is my opinion that collections would have been a lot lower had we not been on 10c play."

Paul continued, "My route men report that the locations like the idea of 10c play and seem to be well pleased with the take. Both of these factors really tickle me to a great extent."

Paul concluded, "You can quote me as being 100 per cent for 10c play."

O. C. Ponce, who heads the Ponce Phonograph Company, long time Jacksonville operator, reported:

"I don't believe that we have a single location that would let us convert back to 5c play. If we did have such a location, I'm darn certain that we wouldn't want to go along with him.

"Yes", he concluded, "we are mighty pleased with what 10c play has done for our collections and, what's more important the locations, themselves, are highly pleased, too."

John Mondelli of Simplex Distributing Company, oldest operator as to number of years in this business in Jacksonville, wasn't present but, his manager, Ray Tyre, had the following to say:

"Everyone would know I was crazy if I didn't admit that 10c play had helped our route. We just recently placed a very sizeable order for new machines which we sure wouldn't be doing if business wasn't looking up for us because of 10c play.

Operator Charley Ledford of Sunshine Amusement Company, one of the older, long time operators in Jacksonville, said:

"I'll admit to being skeptical at the beginning about 10c play going over with my locations. Frankly, I didn't believe 10c play would ever be fully

successful in an absolute sense with all of my locations.

"I am happy to say that I was entirely wrong in my original belief. All my locations, colored and white, like the idea.

"What does it mean to me? Well, brother, an increase of enough money each week to make me feel extremely happy."

Billy Valentine, considered one of this city's most progressive operators, and who owns *Hi-Tone Music Company*, along with his father who heads *Hi-Tone Amusement Company*, made a joint statement:

"As you know, we were already about 75% dime play on our combined routes, even before the other operators here got started on 10c play. Of course, making our combined routes 100% dime play helped to make our job easier, and accounted for a very noticeable uptake all around.

"We have known for sometime now that it is impossible to operate class equipment, the kind of top equipment necessary to build a sound business, on 5c play, and still be able to lay a little aside for replacement requirements and so forth.

"Dime play solved our problem almost three years ago, and was responsible for our decision to remain in the coin machine business. At that time we decided to try out 10c play and, if it didn't work out, we were ready to throw in the towel. We sure are happy to say that it did work out. And we're happy that all the others in this area also woke up to this fact."

Every operator in this entire Jacksonville area is 100 percent sold on the benefits which they are deriving from 10c play operation.

It would be almost impossible to quote each and everyone of the operators here, but, as their statements conclude:

"We sure are happy to be on 10c play today. This is keeping us in business."

Memo To M.O.A.:

Continue To Prefer "Juke Box" As Name For Automatic Phonos

CHICAGO — Even tho, some years ago, this publication had arranged for the nation's music operators to vote for an entirely different name than "Juke Box" for the modern automatic phonograph, *The Cash Box* agreed, at this past Music Operators of America Board of Director's meeting on July 26 to again devote full pages to allow the nation's music men to vote whether they wanted to retain the present name, "Juke Box," or suggest an entirely new name.

A great many new names were suggested. These were printed week after week in this publication. Some of the names recommended to replace "Juke Box" were extremely good.

But, now that all the voting is over, and music operators were asked to mail in their final choice among all of the names suggested, as against the present name, "Juke Box," it seems that the majority prefer that the name "Juke Box" remain as indicative of the modern automatic musical instrument.

Frankly, according to many, the name "Juke Box" no longer describes the modern music machine. But, as these men point out, it's a name with which the public has become extremely familiar and, whether good or bad, many of these men feel that the name should be continued.

It's about half one way and half the other. Many also believe that if *The Cash Box* will begin to use another name, instead of "Juke Box," which would be better descriptive of the finer type automatic musical instrument of today, including the use of the words "Hi-Fi," that there is a possibility that this name may eventually, gain wide usage.

Keeney & Company, Inc., this city ever manufactured, the firm, this past week, announced that production had ended for its "Bikini Bowler" as well as for its "Century Bowler" and that two new bowlers, to replace these, were now in the hands of its distributors all over the country. The two new bowlers are "American Bowler" with match play feature and "National Bowler" without match play feature. According to Paul Huebsch, general sales manager of the firm, "These are the first new bowlers we have presented to the market in almost four months. "When the slowdown at last became apparent", he continued, "we were ready with two new bowling games which have been intensively and extensively tested for us all over the country. "Frankly", Huebsch said, "both 'American' and 'National Bowler' have been given the longest tests of any bowlers we have ever produced. This, of course, was due to the fact that production was continuing at a very fine pace for our former 'Bikini' and 'Century Bowler'. "There's no need to discuss the new play features on 'American Bowler' or on 'National Bowler'", Huebsch reported, "all we ask is that operators interested in bowlers simply drop into the showrooms of any of our distributors and we can assure them that they will be most pleasantly surprised and thrilled by what they will see in our two new bowling games."

Oakland, California, is just coming out of a severe headache. What was the headache? The fact that parents complained to officials of this city that their children weren't eating their lunches. They were, instead, parents claimed, spending their lunch money in juke boxes.

Way back when, as all in the industry will recall, town after town closed down on pins or bells, because some operator had forgotten and had placed a pin or a bell where kids could play it.

The sponsors and believers in commercial advertising for juke boxes claim, "This could never happen to us, because," they say, "we will have a contract with each individual operator, and we will know just what advertising commercials he intends to use in his phonographs."

What they don't seem to realize is that the girl in the operator's office, who allots the records may, that very moment, completely forget about a certain location, and tell one of the service men to place "Advertising Record 'A' and Advertising Record 'B' in Location 'X'."

And location "X" happens to be an ice cream spot patronized by teenagers. The writer is a father of a teenage daughter. And the writer, very honestly, frankly and openly states, here and now, and for the record, that he will, without a moment's hesitation, turn that teenage spot over to the proper officials in his city if, at any time, he ever enters this spot and hears the automatic phonograph in the place spouting off with an advertising commercial all about

whiskey, cigarettes, and other objectionable products as far as teenagers are concerned.

This father believes that he is only just the average man who would, without any doubt, kick the plastics out of the phonograph, even before he called in the proper officials, to do the rest of the job.

Of course the operator can howl loud and long that, "This was entirely a mistake." But this kind of howling has happened before. People have shot other people to death and then howled, "It was all a mistake."

Operators have been closed down in town after town and they, too, howled, "This was a mistake. My man wasn't supposed to place the machine in this spot." But, it's too late to howl after the damage has been done.

The juke box business grew great because, as this publication pointed out time and time again, it was able to give the people the music they wanted to hear, when they wanted to hear it, and for as long as they wanted to listen to it.

Radio built many stars. But radio program directors insisted that, for each week's program, the star sing something else. Yet people wanted to, once again, hear Bing Crosby sing, "Sweet Leilani." The one and only place they could hear the great Bing sing this tune, which sold over 3,000,000 records, was from the juke box in some spot in the town.

So they went there to listen to Bing sing this tune. And they found other tunes, by other artists, they also liked to hear all over again. They spent more coin. They came back again

and again.

The juke box was giving them the most perfect music in the world. Music that could be perfectly waxed. The artist could change even a single note, to make sure that this recording was his best. And people fell right in love with juke boxes.

To the point where, today, the juke box is accepted all over the known world, wherever there are people, as America's great gift to music.

Classics have been programmed. And Westerns, Hillbilly tunes, and the good old Folk tunes of the people who grew with the world, as the world went on ahead.

So the juke box grew. And became greater. And the peoples of this, and all nations, love the juke box.

Because the juke box is music—pure music—music they want to hear. Music WITHOUT THE IRRITATING PLAGUE OF ADVERTISING COMMERCIALS.

The juke box fared better than radio when TV came into prominence. Why? Because the people wanted their music WITHOUT THE 'TORTURE TIME' OF ADVERTISING COMMERCIALS.

Radio couldn't do it. Yet radio, every single day of every week, gives its listeners, absolutely free of charge, the very same recordings that appear in every juke box. But plagues them, in between these gorgeous musical records, with one advertising commercial after the other.

TO RUIN THEIR ROUTES ADVERTISING RECORDS

Why Patronize Your Phonographs and Pay Their Good Coin to Listen to Commercials and TV Sets Not to Listen to What America's Largest Auto Dealer Nature Signs Over Their TV Sets, "You Don't Have To Look, We'll Turn Advertising Commercials! Can You Afford to Bring Down the Wrath of the Teenager Locations? Will Your Customers Leave Your Locations or Illegal! Whether or Not ASCAP, and Similar Such Organizations, Advertising Recordings in Your Automatic Phonographs, Do You Want to Lose to Build up This Patronage! You, and Only You, Can Decide Whether You Have Built up by Using Commercial Advertising Recordings! If it is on a Commission Basis or Switch to 10¢ Play—But Don't be Thrown Out or Change to Background Music Rather Than Torture Their Customers from Your Phonos!

Regardless of whether or not ASCAP, and such similar organizations, can blast the juke box business to a fare-thee-well, because of the juke box featuring advertising commercials, is not the point here.

Whether ASCAP, and such similar organizations, will be able to put the entire juke box industry under their control for the greatest royalty payments ever paid for music, because of the advertising commercials, is also not the point of this article.

What this article asks of each and every operator is whether, after all these heart-breaking years of building up his route, he wants to ruin what he built? Ruin his livelihood, and the future livelihood of his family and children, by the use of advertising commercials in the one and only instrument in the nation that offers the world's finest recorded music, without plaguing listeners with horrible 'torture time' advertising commercials?

Regardless of what amount of money he can give the location owner, as the location owner's commission on the advertising commercials that will be heard in this location owner's place, what can the location owner do when his customers walk out on him (as they walked out on transit companies as well as the Grand Central Station) because of advertising commercials?

Then what does the location owner tell the music operator? Simply for the music operator to get his phonograph out of the place, regardless of the extra money he is paying the loca-

tion owner, because the location owner's business is not the automatic phonograph. The location's business depends on satisfied customers.

Then the location owner can turn around and buy his own phonograph, or call in one of the background music organizations to make an installation in his place. And a location is gone for years and years.

If this is what each and every operator who is reading this wants, then what that operator should do is immediately contract for advertising commercials to be used in his automatic phonographs and, regardless of whether he will or will not have to fight ASCAP, and similar such organizations, all by his lonesome, he is assured that his business will be just as bashed out of the picture as is radio today compared to any medium where there are no commercials.

Remember, advertising commercials for automatic phonographs are not new. Almost every other year, since the '30's, someone has come along trying to scheme some way into making the juke box operator put these in his phonographs. Why wasn't it even considered up to this date? Simply because there was no MOA to get national attention to such a proposal from the juke box operators.

The proponents of commercial advertising in juke boxes claim that this will be the added extra income that the juke box operators need to assure themselves remaining in business.

For some reason or other, at least so it seems, every juke box operator, somehow, seems capable of remaining in business, for years past and for years yet to come.

If any operator needs more income, then he should get right up on his hind legs, as this publication has urged him to do time and again, and tell his location owners, whether his competitor-operators work with him or not, that he needs front money and/or a better commission basis and/or 10¢ play.

That's the honest and open and sincere way to do business. That's the way any business man approaches a problem. That's the way the little shoeshine boy down on the corner did it. His little box now reads "15¢ Per Shine." It used to read "5¢ Per Shine." We do most sincerely hope that the average operator has, at the very least, the intelligence of the little shoeshine boy.

Is it then necessary to plague the patrons of juke boxes with advertising commercials? The same commercials that force these very juke box patrons to leave their homes and drop into the corner tavern, or restaurant, or drug store—just to get away from the bleat and blatt of the commercials?

Is this, then, what the juke box operator wants to do to his business—to blast into the ear drums of the people who want to listen to music—the noise and rant and rave of an advertising commercial that has already driven these people from their homes?

Chi Phono Bowling League Opens Season With Bang

CHICAGO—The Chicago Automatic Phonograph Bowling League opened its 1954-55 season play with a rip-snorting bang Monday evening, September 13, at the G & L Recreation Parlor, 3957 W. Chicago Avenue, this city.

This year marks the third season of play for the local league. A record 14 teams comprise the loop, two over the 12 squads of the past two years.

The two newcomers are ABC Music Service Team No. 2 and Coral Records. In opening night competition, ABC Music Service Team No. 1 took two games from ABC Music Service Team No. 2; Walter Oomens Sons squeezed two out of Star Music; B & B Novelty swept three from Gillette Distributing; Western Automatic Music garnered a pair from Atlas Music; Paschke Phonograph won all three tilts from Coven Music; Mercury Re-

ords bagged two from Coral Records; while Decca Records, last year's champion squad, kept on the winning path by taking a pair from Melody Music.

Carl Latino of Walter Oomens Sons, last season's men's individual champ, was high man bowler for the evening with a 530 series. Teammate Izzy Oomens, who topped the women bowlers last year, led the women with a 432.

Other high bowlers for their respective teams were Bob Gnarro, ABC No. 1, 477; Les Taylor, ABC No. 2, 475; Charles Alesi, Star, 498; "Bunk" Paradee, B & B, 499; Bob Hall and Don Baxter, Gillette, 513 and 494, respectively; Bill Nyland, Western, 393.

Also, Jimmy Wickman, Atlas, 442; Ray Gallet and Rene Gallet, Paschke, 499 and 476, respectively; Tom Ny-

land, Coven; Bob Blie and Tony Ignoffo, Decca, 495 and 493, respectively; Bob Hofert, Melody, 471; Bob Loob, Mercury, 496, and Joe Cicero, Coral, 496.

According to Johnny Oomens, efficient secretary of the league, "The league bowls every Monday starting at 9:15 P.M.

"All the participants certainly will appreciate a house full of inspiring rooters each night of play."

"Jet" and "Rocket Bowler" Skee-Ball Feature Proves Popular

CHICAGO — Jack Nelson, general salesmanager Bally Manufacturing Company, this city, reports the old favorite Skee-Ball appeal is still very popular among the amusement game players.

Nelson stated, "Jet" and "Rocket Bowler", Bally's current bowling games, with the combination of Aim-Control skill of regulation bowling, and the Speed-Control skill of skee-ball, have been enjoying exceptionally heavy play. The chief reason for such outstanding play-appeal is found in the double-skill feature contained in both bowlers.

ALLSTON, MASS.—Si Redd and Bob Jones, Redd Distributing Company, Inc., this city, reported to Bally Manufacturing Company, Chicago, that the service schools conducted by Paul Calamari of the Bally engineering staff during the past week at Springfield, Mass., Burlington, Vt., and Hartford, Conn., enjoyed a record attendance at all three places. The operators and servicemen were said to be unanimous in their praise of the manner in which Calamari conducted the school, and the many new service tips offered by him. It was also reported that advance reservations indicate a real turnout for the schools scheduled at Cleveland, Ohio, September 21-22; Erie, Pa., September 23-24; East St. Louis, Illinois, September 27-28; and Louisville, Ky., September 30-October 1.

NAMA Annual Convention In Wash., D. C., Looms Big 4 Day Show Starts October 10

WASHINGTON, D. C.—The four day annual convention of NAMA (National Automatic Merchandising Association) scheduled to start Sunday, October 10 and run thru Wednesday, October 13, at the National Guard Armory, this city, will be the largest yet held by the association, according to its executives.

It was announced by NAMA that approximately 100 exhibitors will show their products, some of which will have from 4 to 8 booths.

As in previous years, it is expected that the greater majority of exhibitors will be those displaying merchandise and supplies, with a small percentage devoted to the display of automatic vending machines. However, it is stated, this year's convention will see many new models of vendors displayed for the operators' first viewing.

Because conventioners will be staying at several hotels some distance from the Armory, NAMA has made provisions for special bus facilities during the day. Bus service will be available from the Ambassador, Dupont Plaza, Hamilton, Lafayette, Lee House, Mayflower, Sheraton-Carlton and Statler hotels to the Armory, timed to bring conventioners there before the morning sessions begin, and prior to the afternoon open-

ing of the exhibit hall. The busses will be available to return the men to these hotels. A small service charge of 25c per ride will be charged.

In addition to many forums, business meetings, and talks, new directors will be elected to the board by the membership to fill vacancies caused by expiring terms.

Arrangements have been handled most efficiently by committee chairmen, headed by Mel Rapp of Apco, Inc., general convention chairman. Other chairmen include: Frank J. Bradley, Automatic Equipment Corporation, general program committee; Raymond J. Scheuer, Vendomat Corporation of America, activities program committee; Meyer Gelfand, G. B. Macke Corporation, business program committee; Mrs. Aaron Goldman, ladies' program committee; Davre Davidson, Davidson Brothers, exhibit committee; and James T. Teahan, Eastern Electric, Inc., trade show advisory committee.

The banquet will be held Wednesday night, October 13, in the Presidential Ballroom of the Hotel Statler. Mimi Benzell and Felix Knight have been announced as featured singers for the occasion, topping a night of entertainment.

New England ops battered by Hurricane "Carol" reeled under new blows from Hurricane "Edna." Again play was lost through power blackouts and equipment was damaged, although not as badly as in "Carol." "Carol" and "Edna" are two girls ops want to forget. Maine ops were hit worst by Edna. . . . Trimount Automatic Sales Corp. has been working night and day since Hurricane "Carol." It takes 20-30 man hours per machine. Irwin Margold, general manager, said salt water raised havoc with music machines. Policy of supplying parts at cost and labor below Trimount's cost continues in firm's and Seeburg's move to help ops hurt by hurricanes. Irwin reported that Cape ops, forewarned in regard to "Edna," had moving vans transport equipment out of locations to high ground at Newport and Westerly, R. I. Trimount sponsored a good will dinner with the Western Massachusetts Music Guild at the Highland Hotel in Springfield, Mass. nite of the 14th. Guest of honor was Springfield's Mayor Brunton. Ralph Ridgeway, prexy of the Guild, presided. Trimount showed the new Seeburg H-100-R, and on hand for the Boston coin firm were Dave Bond, prexy; Irwin Margold, gen. mgr.; Bob Bourque, service mgr.; and Harry Kelley, district mgr., J. P. Seeburg Co.

More than two weeks play was lost in the hurricane hit area. "Carol" and "Edna" set the juke box business back on its heels. Weekly takes were reported way down. Business was off everywhere from 40 to 50 percent. Ops are out looking for and checking up on equipment and reorganizing their routes. . . . Gag of the week: First op, "What are you packing your suitcase for?" Second op, "If you think I'm going to wait around here for Hurricane 'Zelda,' you're crazy!" . . . Gary Crosby, in town promoting "Mambo In The Moonlight," "I've Got My Eyes On You," (Decca) visited Jerry Flatto's Boston Record Distributing Co. . . . Dewey Berman, Jr., of Benida Records, promoting Dori Brooks, thrush at Blinstrub's, also visited Jerry. . . . Chris Caragianin, Newport, R. I., reported complete loss of six pieces in the two hurricanes. . . . Marion Sutcliffe reported that things were jumping at her Juke Box Haven this week with ops replacing disks and many new ops in for hurricane service. Among them Jerry Plum, Brookline; Louis LeBlanc, Fitchburg; Dan Collins, Millis. . . . Ed Ravreby, World Fair, reported "Edna" damaged 50 pieces on location. The high speed winds blew over pieces weighing 500-600 pounds on Cape locations. Dick Mandel, sales mgr., out checking equipment. At home, Ed suffered double damage at his Gardner Road, Brookline home. First "Carol" broke windows, blew down trees and left him with no light. "Edna" did a repeat job, also flooded the cellar, and again Ed has no lights. World Fair's Brighton Ave. headquarters flooded during 2nd hurricane. Joe Friedman, Lynn, and Dave Baker, Arlington, were among ops at World Fair this week. . . . Bob Jones, sales manager, Redd Distributing, put on three shows for Wurlitzer, United, and Bally machines. First show was at Springfield, Mass., 13th; second at Burlington, Vt., 15th; third at Hartford, Conn., 17th. Factory reps and engineers made the three shows. Boston showing of new Wurlitzer acquisition delayed by "Carol" and "Edna." Reports of ops coming into Redd from Cape area said damage to equipment was "terrific." . . . Salvaging of pieces and replacing of equipment will keep New England ops busy for next month, best estimates say. . . . Barney and Louis Blatt, Atlas Distributors, who returned to the distrib biz, taking on the AMI phono line once again, after an absence of several years, out of town, visiting the AMI factory in Grand Rapids, Mich.

Earl Montgomery, of S. M. Amusement Co., Memphis, reports the showing of the new Rock-Ola Hi Fidelity "Model 1442" a howling success. Says this new 50 Record is a hit with the operators in Tenn. and Miss. Also reports the J. H. Keeney "Bikini" bowler a big success. . . . Allen Dixon, of S. M., Memphis, in from his sales trip thru Ark and Ky. with a big smile and orders. Says it isn't hard to sell when you have something to sell. "Big Ben" Keeps Williams Factory Going Full Speed

SAM STERN

CHICAGO — "Big Ben" current five-ball game of Williams Manufacturing Company, this city, introduced last week, is keeping the factory going at full speed in an effort to supply the demand, according to Sam Stern, executive vice president and general manager.

"The feature they like best" stated Stern, "according to reports from the field, is the new 'Midget Playfield' fenced off at the bottom left hand corner of the regular playfield, and which creates exciting scoring with a captive ball."

In addition to this exclusive feature, "Big Ben" offers scoring in various ways. The top kickout hole spots lit letter to spell "B-I-G-B-E-N"; Spelling "Big Ben" scores 1 replay

"FIRST WITH THE MOST FOR OVER 50 YEARS"

Big news along the row was the fortunate escape from the second hurricane, "Edna," which had been headed along the Eastern seacoast with New York, New Jersey, and the entire Northern coastal area directly in its path. Coming only one week after "Carol" which hit the New England states very hard, had it hit in its fullest fury the results might have been devastating. Only at the last minute did the big blow alter its course, thereby missing the coastal states with the exception of Maine. The New York Times said "How close possibilities did come to actuality is hard for the layman to grasp. A deflection in 'Edna's' course of only ten out of the 360 degrees on the compass would have done it."

Hymie and Harry Koepfel, Koepfel Distributing, busy as ever with a jam packed showroom of reconditioned music machines. "Won't be here long," said Hymie. "They're all sold and we have to get them out to make room for a new delivery coming in." A large double drink vendor on the floor will be converted into an air-conditioner for the Koepfel's office. Hymie smiles knowingly as he says, "Might have an announcement for you by the end of the week." . . . Young Distributors a beehive of activity as we passed. Abe Lipsky supervising the loading of a Wurlitzer 1700 HF to be delivered to location and half a dozen huge crates housing new 1700's standing on the sidewalk. Joe Young looking well and beaming as he tells of his summer week-ends in Atlantic City. "Fished and rested," says Joe, "and now I'm ready for a big Fall." Young advises he set up two big deals in New Jersey this week that involved a tidy number of Wurlitzer 1700's. . . . Al Simon, Albert Simon, Inc. closeted with Russ Carpenter, Chester, New York. We hear that Carpenter has a real "hot" trotter that's been winning lots of races and bringing in heavy purses. Al D'Inzillo back on the job after his father's death last week. . . . Willie Aaronson, United Play Machines, full of pep and enthusiastic about the prospects of Fall business. Willie reports he had a Summer equally as good as 1953. Dave Lowey, roadman for Al Simon, agreeing full heartedly with Aaronson about Fall biz.

Bob Slifer and Charlie Reisner, Seacoast Distributors, excited about "something new and different for the operator in a short time." The hurricane last Saturday flooded the Seacoast offices, damaged the ceiling, and had Bob searching frantically for waterwings. Fortunately no real damage resulted. . . . Barney (Shugy) Sugerman, Runyon Sales, left for Chicago on Tuesday morning and will be back in New York early next week. Irv (Kempy) Kempner fills in for Shugy, helping Morris Rood cater to the operator's needs. The lads at Runyon are impatiently awaiting the unveiling of the new AMI, scheduled to take place in the near future. . . . In town picking up supplies were Mrs. Gertrude Brown, Paramount Distributing Co., Beacon, N. Y.; Bob Charles, Binghamton Amusement Co., Binghamton, N. Y.; and Johnny Tartaglia, County Vending, Portchester, N. Y. . . . Mike Munves reports a good arcade equipment season. Mike able to take a breather now and then with the Summer biz over although he's being kept quite busy with export orders. Mike also busy with Exhibit's new "Star Shooting Gallery" which he reports has been getting a wonderful reaction from the ops. . . . Plenty of action at Atlantic New York Corp., with Meyer Parkoff behind closed doors of his private office with several customers, Murray Kaye in a huddle in his office with some more, and the parts department serving ops lined up buying parts and supplies at the special 20% Sept. discount price. . . . Irving Holzman, National Novelty Company, Merrick, L. I., reports he's been exceptionally busy with export orders, as well as supplying Long Island ops with equipment. . . . Bill Rabkin, International Mutoscope Corp., tells us that the demand for his new "'54 Drivemobile" is increasing as word gets around the country that it's bringing in exceptionally fine collections.

Willie (Little Napoleon) Blatt, Supreme, advises he has combined his entire operation with Lucky Skolnick's, and Lucky will take care of the operating of both. "Now I will be able to spend all my time on the manufacturing end of the coin machine business" states Willie. "I have also decided to go back into the jobbing and wholesaling division. . . . Willie Levey, with his partner on vacation, is so busy covering the entire route, he has to give up some of his gin rummy games. Claims he's too tired after a day's work. . . . Plenty of action over at Bush Distributing. They are tripling the size of their building. We understand Ted has promised the ops a big blowout when the place is ready. . . . There are five service organizations operating here, who specialize in servicing equipment at \$1 per machine per week. . . . Joe Mangone, All Coin, has "'54 Drivemobiles" in his two arcades, and claims they're really bringing in the coin. . . . Willie Blatt, who has been getting many long distance phone calls, all requesting more and faster shipments of his "Bullseye" target machines, advises them that he has been held up due to the A.B.T. Manufacturing Corporation close down for summer vacations. "They can't supply us with enough new type 20 shot guns, and we are doing the best we can" states Blatt. . . . Miami coinmen jubilant over the fact the hurricanes missed them. . . . There will be some more new hotels and motels when this Winter season opens. One of them is the new Fontainbleue, which takes up 900 feet of ocean front, and has over 500 rooms. . . . At a special meeting of the AMOA all members were urged to exert their utmost efforts to make this, the 5th Annual Banquet the finest and most outstanding of all time.

THRU THE COIN CHUTE

CHICAGO CHATTER

Full credit to **Bob Lindelof**, prexy of the Music Operators of Northern Illinois, for his great generosity in the donation of free phonos to many, many worthwhile charitable institutions. Bob still keeps up this work. And due to the speech on public relations which **Bill Gersh**, publisher of *The Cash Box*, made before one of the biggest meetings of this organization and about which the comment has been tremendous, Bob now plans to set up a special committee which will arrange for donations of free phonos. . . . **Mary Gillette** of **Gillette Distributing**, one of Chicagoland's most outstanding music operators, is also a very great believer in all-important public relations. For a long time now, Mrs. Gillette has tried to interest both the Northern Illinois music ops as well as the Chicago music men in a program which would bring better understanding of the music operating business to the public. She is still trying to get sufficient members of both organizations to enter into such a program. . . . **Jerry Shuman** again proved that he was truly a master of arrangements. His latest effort—outstanding speakers at each one of the Music Ops of Northern Illinois meets—has won him ever greater glory. The next speaker hasn't yet been chosen, but this writer, from what little gossip he has heard, believes it will be **Selman Schultz** of **Decca Records** who is a noted speaker and who thoroly knows his subject—the how and why of records for music operators.

Roy Small, public relations counsellor and conciliator of the United Music Operators of Michigan, the new organization that has taken such fine hold in Detroit and to which all the music ops in that city are now flocking, is planning, after a discussion with UMO's Board of Directors, to come to Chicago and meet with such standout music ops here as **Ray Cunliffe**, **Phil Levin**, **Bob Gnarrow**, **Mary Gillette** and many others and go into a deep study of dime play. Roy is of the opinion that the time is now long overdue when Detroit's music operators should have switched over to 10¢ play, along the same lines as did Chicago. He also reports that UMO has a very congenial agreement with the union leaders in the Motor City and that relations are of a most amicable nature. . . . According to **Bill O'Donnell**, the Four B's are in the limelight—"Bally's Biz Booms Big." . . . **Burt Bondioli** and **Bob Gnarrow** are discussing plans, which both believe are as yet somewhat in the future, but one of these days both men believe they will hop a plane for a visit to Las Vegas, Nev., which well-known City of Lost Wages neither yet has seen. Last winter, Burt and Bob got together on a trip to Miami Beach which they both most thoroly enjoyed.

Still walking around with one of those tricky virus infections is **Paul Huebsch**. For the first time in eight years Paul visited a doctor and found out that he's in excellent condition. In the pink and 100% okay. The virus being tended to pronto. Paul, who's going to submit to regular checkups in the future just to be on the safe side, says, "The new Keeney bowlers, 'American' and 'National', have undergone long tests and can pass any performance and money-making checkup with flying colors." . . . **Gil Kitt** of **Empire Coin**, whether you know it or not, always has been acclaimed as quite an outstanding diver. Gil showed up the other day at the Edgewater Beach cabana row and, after getting into some trunks, instantly made for the diving boards. He had his much taller son along with him and was showing the youngster how to dive. After a few form-perfect swan dives, Gil paused for a while and commented, "Funny thing, I used to do those just to warm up. Now I find them something of an effort. Guess I'm getting a little bit older." If his diving is any indication, seems to us that Gil's not a day older. . . . Reports coming into this office reveal that the nation's music operators continue to prefer "Juke Box" as the name for the automatic phonograph.

Sam Stern has been so busy of late that this department has been unable to get together with him. . . . The Pump Room, Chez Paree and the Blue Angel certainly were graced by many coinmen this past week. Seen about were **Gil** and **Valerie Kitt**, **Lyn Durant**, **R. F. Jones** in from San Francisco, **Bill** and **Cissie Gersh**, **Herb Perkins**, **Bob Schaeffer** and the missus and others. . . . Bunch of AMI distribs seen passing thru town this past week. This included **Harvey Van Dusen** of **Western Music Machine Co.**, **Edmonton, Alberta, Canada**. All said that they were on their way to visit the factory in Grand Rapids. But wouldn't say anything more. So we're waiting for **William the Bill** of the **FitzGerald** clan of the **Ould Sod** to phone or write us one of these days and tell us what it's all about—officially. . . . At their last big confab, the Northern Illinois music ops frowned on the idea of commercial advertising records to be used in juke boxes. . . . **Herman Paster** of **Paster Distributing**, **Milwaukee**, made a flying trip into Chicago from California. . . . Also seen in town were **Lou Boasberg** of **New Orleans** and **Lou Dunis** and **Johnny Michaels** from out West.

HAPPY BIRTHDAY THIS WEEK TO: **Albert N. Hanlin**, Los Angeles, Calif. . . . **Sidney J. Parker**, Nashville, Tenn. . . . **Oscar L. Etheridge**, Norfolk, Va. . . . **C. R. CITY ZONE STATE

LOS ANGELES

The importance of Los Angeles as the coin machine center of the West can readily be seen by driving along West Pico any day of the week and noting all the out of town operators buying equipment for their routes and looking over the latest models. Some of these ops travel from 250 to 400 miles on these periodic jaunts into town. Many only make it in once or twice a month but distributors have learned that they can depend on them like clockwork for those occasional visits.

Everywhere you look these days the coin machine industry makes its presence felt. There's so many juke boxes, games and cigarette vendors around that they have been accepted as part of the American tradition like the supermarkets and the cut-rate drug stores. Now carbonated drink machines as well as coffee and ice cream vendors are appearing throughout the city in ever increasing numbers. At the Los Angeles International Airport flight passengers may purchase an insurance policy valued at from \$5,000 to \$10,000 simply by inserting the proper number of quarters in the coin chute and filling out the simple form which pops out. At the Grauman's Chinese Theatre in Hollywood tourists may hear the story behind the famous foot prints of the stars in the patio outside by inserting a dime in the Chinese figure outside the door of the theatre. We hear that owners of large super-market chains are even toying with the idea of installing huge merchandising machines outside their stores to help supplement sales after closing hours. Dairy Products vendors are now making their appearance in large apartment houses and even service stations. This phase of the coin machine industry proves that it will be a big shot in the arm for the dairy industry.

Business along the Pico Strip this past week got off to a fast pace. All along the Boulevard crowds of operators were seen taking care of business and getting ready for the big Fall season ahead. . . . Plenty of enthusiasm has been built up among the operators over reports about United's new gun with moving targets. First shipment is due to arrive any day over at the C. A. Robinson & Co. showrooms where it will be on display. . . . Walter Peteet, regional sales representative for Wurlitzer, has been spending several weeks in town at Paul A. Laymon Co. Walt and Jimmy Wilkens just returned from a trip thru Southern Calif. calling on operators. Laymon's pretty bookkeeper Britt Adelman, is now vacationing. . . . Lou Wolcher of Advance Automatic Sales Co., San Francisco, spent several days in town last week. . . . Phil Robinson, regional representative for Chicago Coin, left for Chicago this week. He planned to make brief stopovers in Salt Lake and Denver. Phil expects to bump into Lou Dunis of Dunis Distributing Co., Portland, and Johnny Michaels who heads the Seattle branch. The two plan to stop in Chicago on their way home after the Grand Rapids distributor meeting.

Publicist George Jay took songstress Kay Brown on a tour of disc jockeys and distributors. They stopped by California Music Company to visit with the employees and operators. Kay is plugging her latest waxing of "Oop Shoop" on the Crown label. . . . The new Williams "Big Ben" game is now on display at both Minthorne showrooms. Frank Meneuri, altho with the Minthorne organization only a short time, is making a lot of friends amongst the operators. They all like his friendly spirit and warm personality. . . . Elmer C. Killberg, San Fernando, was a recent visitor along coinrow. He operates at the Norton Air Force Base near San Bernardino. . . . Al Silberman and Mary Jane Happel will have plenty to talk about. They both just returned to work at Badger Sales Company after vacations. . . . Fred Gaunt has been anxiously waiting for the new Gottlieb "Lady Luck" to come in. . . . San Joaquin valley operator Dave Evans from Madera recently spent the week-end visiting relatives in Long Beach. He stopped in along coinrow on his way home to take care of business. . . . Ray Powers, prexy of Ray R. Powers Sales Co., has been plenty busy cleaning up the huge pile of letters and inquiries which came in while he was on those jaunts thru the North and Southwest. . . . LA op Joe Lein will be living the life of a bachelor again. His wife recently left on a European vacation. . . . Barbara Chandler, pretty teen-age niece of Mary and Kay Solle of Leuenhagen's Record Bar, has returned to her home in Marysville and her school studies. . . . Ken Arnold and Chuck Walker of the Smith Music Co. both drove in from Barstow this past week. . . . Tommy Felkins and his son trekked in from Victorville. . . . Walt Shinkal, Noble Craver and Tommy Farrell all came up from San Diego to take care of business. . . . Al Anderson was seen along the row from Shafter. . . . Reginald Panton from Pomona was also in along with Jimmy Jackson and son, Palm Springs; "Pop" Burris, Montebello and Cecil Ellison from Lancaster. . . . Other visitors included Glenn Walcott, La Crescenta and Gordon LeSuer, 29 Palms. Many in the Automatic Merchandising field are making plans to attend the NAMA Convention which will be held at the National Guard Armory, Washington, D. C. October 10th thru 13th. Auto-Photo Company, this City, will be among the many firms who will have a display set up on the main convention floor.

THIS WEEK'S USED MACHINE QUOTATIONS

16th Year of Publication
781st Consecutive Week's Issue

How To Use "The Confidential Price Lists"

[Also Known As the "C. M. I. (Coin Machine Industry) BLUE BOOK"]

FOREWORD: Many times, wide differences appear in the quotation of high and low prices of certain equipment. Like any true reporter "The Confidential Price Lists" can only feature the market prices as they are quoted. "The Confidential Price Lists" acts exactly the same as the market quotation board at the Stock Exchange—posting the prices as they are quoted for the past week, regardless of how much they may seem to be out of line. Some prices do not change for months. "The Confidential Price Lists," rather than show no price, retain the last known quotations for such equipment so that the subscriber at least has the last known prices as a basis to work with. Prices may be very widely divergent. Someone on the West Coast may feel a certain machine worth \$150.00 whereas someone on the East Coast may think it worth but \$75.00. Of course, serial, appearance, demand, territory, quantity, and condition of equipment must be taken into consideration. (Some equipment offered by outstanding firms, having a reputation for shipping completely reconditioned machines, will be offered at higher prices than others, due to the added costs of reconditioning. "The Confidential Price Lists" reports each quotation exactly as it is made and depends on the subscriber to make average price adjustments to fit the peculiarities of his territory.

METHOD: "The Confidential Price Lists" should be read as follows: First price listed is lowest price quoted for the week; Second price listed is highest price quoted.
