VOLUME 13

MAY 17, 1952

NUMBER 34

Jimmy Hilliard (left), A & R head of Coral, and Don Cornell listen to a playback of Don's latest smash "I'm Yours". Don has scored 100% since starting to record for Coral. First came "I'll Walk Alone" which is currently in the top ten and now follows "I'm Yours" which should soon be there also. That makes it two out of two for Don—a pretty good average.

THE CASH BOX covers the coin operated machines industry, and all allied to this industry in any fashion whatsoever, throughout the United States, Canada, Central and South America, Africa, Japan, Hawaii, Philippine Islands, and other Asiatic and Pacific countries, as well as certain European nations. *The Cash Box* is on hand at various American consular offices throughout the world. This coverage includes operators, jobbers, distributors and manufacturers and all allied to:—automatic coin operated music equipment; automatic coin operated vending and service machines; as well as coin operated amusement equipment; in all divisions. The music and record fields, recording artists, publishers of music, disc jockeys, radio stations, and all others in any fashion identified with, or allied to, the coin operated music machines industry are completely covered. Manufacturers and distributors of various merchandise, parts, supplies, components and all materials used in the coin operated vending, music and amusement fields are covered by *The Cash Box*. Banks, finance firms, loan organizations and other financial institutions, expressly interested in the financing of coin operated machines of all types, are covered by *The Cash Box*.

THE CASH BOX IS RECOGNIZED by various associations of coin machine operators throughout the United States as their "official" weekly magazine.

"THE CONFIDENTIAL PRICE LISTS"

"*The Confidential Price Lists*" are the one and only officially recognized price guide of all new and used machines in the United States. "*The Confidential Price Lists*" are an exclusive, copyrighted feature of *The Cash Box*. "*The Confidential Price Lists*" report each week's low and high prices for all new and used coin operated machines, regardless of age, listing all market changes, and continually adding on all the new equipment as this equipment is announced to the industry. "*The Confidential Price Lists*" are recognized by many cities and states throughout the country as the "official price book of the coin operated machines industry." They are an integral part of *The Cash Box* and appear in each week's issue. "*The Confidential Price Lists*" are officially used in the settlement of estates, for buying, selling and trading of all coin operated equipment, and are also officially recognized for taxation purposes. "*The Confidential Price Lists*" are used by finance firms, factors, loan companies, bankers and other financial institutions to guide them in making loans to members of the coin operated machines industry. They have been legally recognized in courts throughout the United States and Canada. "*The Confidential Price Lists*" have been acclaimed by the coin operated machines industry. Entire business transactions and legal cases are based upon the quotations appearing in "*The Confidential Price Lists*."

A Chinese Philosopher

once admonished:

"DIG THE WELL BEFORE YOU ARE THIRSTY"

"The Cash Box" has been, over the past many years, offering suggestions to the industry which we believe should be undertaken to strengthen the financial and moral condition of its members. Most of these suggestions have been made before the reader "gets thirsty."

For almost ten years now "The Cash Box" has been offering various plans to assist the operator of music and games to a better financial condition.

The most important is "Dime Play."

While the "dime play" angle has been undertaken in several areas (and proven most successful) other areas haven't as yet made any move—and from our observation and study, they're getting to the point where they're becoming "thirsty." Several reasons have been offered as to why it isn't possible to switch to dime play. There's the current OPA regulation; unwilling and unfair competition; certain areas couldn't stand the cost of 10c music, etc., etc.

There never is a condition that permits 100% perfection.

Some areas might not be able to stand up with dime play. However, we do say that progress is never made unless experiments are made. Those operators in tight spending areas may be right, but they'll never know for sure unless the idea is given a chance to prove itself — either dime or nickel play.

As to OPA, operators must prove to these officials that unless dime play is undertaken, they stand a very likely chance of going into the red. We don't know of any industry, with the exception of the coin operated one, which still continues to sell its product at the same price it received over the last 10 years (actually since its inception), but had to increase its cost of operation during this period, where today, cost of equipment, labor, accessories, overhead, etc., has jumped 3, 4 and 5 times beyond what it was.

We here at "The Cash Box" are able to view the country as a whole. Reports keep coming in that first this area, then another, has switched to dime play. Little by little the areas covered are being broadened, and more and more operators are coming into the fold. Eventually, it's our belief that the entire country will go "Dime Play".

Why wait until your lips are swollen and cracked and your tongue is hanging out?

DIG THAT WELL NOW!

STOP YELLING FOR THE GOOD OLD DAYS THEY'RE HERE

It's an almost universally accepted fact in the music business that everyone wants to go back to the "good old days."

When they talk about the current trends to new sounds, shouting, crying, emotional breakdowns in the middle of numbers and all the rest, the implication is always that it would be so nice to get back to the time when a song was done straight with no extraneous embellishments—in other words to get back to the good old days.

What these people don't realize is that the type of performance they're complaining about is a result of going back—only going back further than they seem willing to go—back to the time of vaudeville.

For it's obvious that the performances which are exciting the public today are sight acts transferred to records. There can't be any doubt at all that someone like Johnnie Ray is at his height before an audience that can see him—and yet he has been able to transfer that excitement to wax.

One vitally important explanation for this accomplishment is the growth of television.

Thousands upon thousands of people who had never before seen old time vaudeville, now have performers coming right into their living rooms. And whereas on records, it was formerly enough just to sing a song, on television it's not. You have to sell it, create a background, get it across. And so we've had a return to the great belting artists who punch across a song with everything they have. That was the method of such giants as Al Jolson, Sophie Tucker, Harry Richman, Belle Baker, Eddie Cantor and many, many others.

The current trend, therefore, isn't so new after all. It literally does go back to the good old days. And this reversion has had its stimulation in television.

What's more, those who think it may let up soon are definitely on the wrong track. For the future possibilities seem to presage more new sounds, more belting, more selling of songs.

And this will be due, as *The Cash Box* has been the first to point out, to the expanding affects on the music business which the unfreezing of TV will bring about.

Within a couple of years, there are going to be 2000 more TV stations located everywhere in the country. There will practically be no one outside of viewing distance of a TV show. And just as performers today have made the public conscious of the sight and selling ends of a song, so will a much wider public come to see the entertainment values in this type of act—and then want it reflected in the records they listen to on their nearest juke boxes and the ones they buy at their stores.

Moreover, with 2000 new stations, there will be numerous new stars, each with his own style—which of necessity must include sight values—and each competing for the public's attention.

The future, therefore, certainly looks as though it will include more of the same, not less.

And so here finally we have what everyone has always been yelling for—a return to the good old days, a return brought about by the newest medium in the entertainment business.

So what's all the shouting about?

11) CRY. 12) PERFDIA. 13) WHAT'S THE USE. 14) TELL ME WHY. 15) WHISPERING WINDS. 16) I'M YOURS. 17) DELICADO. 18) PLEASE, MR. SUN. 19) THAT'S THE CHANCE YOU TAKE. 20) AY-ROUND THE CORNER. 21) HAMBONE. 22) LADY LOVE. 23) AT LAST. 24) WIMOWEH. 25) GANDY DANCERS' BALL.

Bob "The Robin" Martin (WMUR-Manchester, N. H. has been keeping good jazz alive in the Granite State with his P.M. offerings on Martin's Matinee. Both modern and dated jazz get an equal spin on his show. Bob's theory is "you can't hit the people with a brickbat of solid jazz and garner a well rounded audience." His is a slow process of education. The reaction has been great. So great, in fact, that The Robin and his pretty wife, Joyce, have just opened a Saturday afternoon half hour "Joyce 'n Jazz," in which they use a panel to test reactions. Their theme is Woody Herman's "Four Brothers," which is dedicated to their four sons. . . . Station WJXN-Jackson, Miss. soon to be the first station in the state to put into regular use 45 rpms—record distributors please take note. 45 releases should be sent to the record librarian at the station. . . . Bernard Malcolm, formerly of WLNA-Peekskill, N. Y., is now the proud father of a baby girl born on April 21st. Bernie is no longer with WLNA and is looking for a new affiliation. . . . Dick Outlaw, (WILM-Wilmington, Del.) who is heard nightly 12-12:30 A.M. will celebrate his first anniversary May 14th. The show features all types of music and has become one of the top rated shows in Delaware. Dick interviewed Nat "King" Cole last week and will have Lionel Hampton on one of his shows shortly. Jockey Outlaw also writes "I use Cash Box as a medium of selecting the top ten tunes for my show, and think it is the best trade magazine out."

BERT KNAPP
(WVNJ—Newark, N. J.)

Bert Knapp's "Rhumba Rendezvous" (WVNJ-Newark) was recently turned into a latin night of stars as Tito Rodriguez, Rajah of The Mambo, Caesar Concepcion, ork leader at the Caribe Hilton Hotel Puerto Rico, and his vocalist, Joe Vallee, popped in for personal appearances. . . . Don Larkin (WAAT-Newark) recovering from a slight hospitalization. . . . Frank Ward has switched from WXRA-Buffalo to WENE-Endicott, N. Y. . . . Cliff Steward, Coral recording artist, from Newport, R. I. reports that Chris Clark has moved from WRJM-Newport to WBSM-New Bedford, Mass. . . . Mimi Trepel (WVNJ-Newark) was hurt in a bus accident last week. But show must go on. Mimi taxis from lower Manhattan to Newark and back every day. . . . Gil Whiting (WCAM-Camden, N. J.) also composes, arranges, produces and records commercial jingles. . . . Larry Shields (WFPR-Savannah, Ga.) is active in The Little Theatre Group in Savannah. Larry plays the lead in their current production "The Great Big Doorstep." Shields' R&B segment will be off the air for the summer months, but his pop show will continue. . . . Art Barrett and Ray Honaker (WSAP-Portsmouth, Va.) complain they are getting no service at all from MGM and King records. . . . Sid Dickler (WHOD & WMCK-Pittsburgh) devotes a solid week to gal vocalists; the next week to male singers; the next to bands, then small combos, etc. . . . Dotty Checchi, librarian WMEX-Boston, taking a three month leave of absence starting in June.

Many deejays, who have been using Espanharlem as their theme for the past years are happy to hear that Coral will reissue the Ray Block disk. . . . Johnny Hudak, S. Orange, N. J., writes "I thought you would like to know that here at WSOU we use Cash Box Magazine as our guide and bible for reliable and up to date information on Best Sellers, Top Ten, Recent releases, etc." . . . Lou Barile (WKAL-Rome) is working on Louis Prima's Utica and Rome appearances and arranging a juke box operators party for Prima and vocalist Keely Smith when they appear in the area. . . . Chief announcer and DJ Bill Bohack (WPAT-Patterson) was married May 11th to Phyllis Cunnigham and is honeymooning in Mexico. Bill, known for his "Crooners Corner" was recently given extra time. This was a result of hundreds of fan club letters attesting to his popularity. . . . Bernard Brown (WAPO-Chattanooga) often mistaken for Arthur Godfrey as they are "sound-a-likes." . . . Buddy Deane (WITH-Baltimore) was voted the teen agers favorite in a recent high school poll.

THE CASH BOX RECORD REVIEWS

Only Records Considered Best Suited To The Requirements Of The Trade Are Reviewed On These Pages.

"MY GIRL" (2:26)
"WALKING IN THE SUNSHINE"
(2:39)

FRANK SINATRA
(Columbia 39726; 4-39726)

● A slow, melodic tune is given the soft and stylized treatment of crooner Frank Sinatra on the upper portion. The Axel Stordahl ork supplies a fitting backdrop for Frank's vocal effort. The under siding is a jump number that's carried with zest by Frank and the orchestra. This should please his fans.

"HORN BELT BOOGIE" (2:20)
"SERENADE FOR HORNS" (3:07)

MITCH MILLER
(Columbia 39727; 9-39727)

● Mitch Miller comes up with a novel instrumental that features the French Horn. The jump tune is given a different sound by the horn blowers with assistance from harpsicord playing Stan Freeman. The reverse level is a slow change of pace item that once again presents the mellow sound of the French Horns. Juke box potential is limited.

"STOP YOUR GAMBLIN'" (2:29)
"THERE'S A BLUE SKY OUT
YONDER" (2:15)

SPIKE JONES & COUNTRY COUSINS
(RCA Victor 20-4669; 47-4669)

● Spike Jones and his country cousins settle down with a serious effort. The novelty angle is left out as Spike and his crew dish up a pair of folk and western numbers that come out as fair listening. Both platters are limited to country locations and ops who are interested oughta take a gander.

"HONKY TONK BLUES" (2:20)
"ZITHER BLUES" (2:34)

JAN GARBER ORCHESTRA
(Capitol 2068; F-2068)

● A current western biggie is given a pop treatment by the Jan Garber orchestra. Roy Cordell handles the vocal chores and helps drive out a listenable platter. The bottom siding is an item that showcases the fancy zither playing of Paul Mason Howard. Ops have filler material here.

"THESE THINGS ARE KNOWN"
(3:10)
"A MOTHER AS LOVELY AS YOU"
(2:42)

JAN PEECE
(RCA Victor 10-3802)

● The strong tenor voice of Jan Peerce is put to work on a slow, pretty melody and the vocal artist brings out the best in it. Jan continues his fine singing on the lower siding as he doles out the lyrics to a slow, sentimental number. The warbler's name should draw some play here.

"LIMEHOUSE BLUES" (2:38)
"PLINK, PLANK, PLUNK" (2:30)

BOBBY MAXWELL
(Mercury 5844; 5844 x 45)

● A classic blues number is given a stylized harp treatment by Bobby Maxwell. Bobby's excellent harp playing adapts itself beautifully to this fast interpretation of the blues item. The lower deck is another harp treatment of an Anderson composition and here too the result is a good sound. We like the first half.

DISK OF THE WEEK

Because of the preponderance of excellent records received for review this week, the editors of The Cash Box have decided to award the following four records with the "Disk Of The Week."

"HERE IN MY HEART" (2:46)
"I'M LOST AGAIN" (2:51)

TONY BENNETT
(Columbia 39745; 4-39745)

TONY BENNETT

● A wonderful new ballad is presented on the top level by Tony Bennett in a fashion that should have those coins rolling into the boxes. The stirring and beautiful tune that's labeled "Here In My Heart" is chanted sincerely and expressively by Tony who musters all his vocal warmth for the effort. The Percy Faith orchestra supports the vocalist with a lush backing that enhances the side. Again on the lower siding Tony takes off on another slow ballad and turns in a winning performance. The top half should go a long way and ops are urged to get with it immediately.

"ALL OF ME" (2:06)
"WALKIN' MY BABY BACK
HOME" (2:20)

JOHNNIE RAY
(Columbia 10136)

JOHNNIE RAY

● Two of the better sides from the new Johnnie Ray album are coupled here as a single and ops are gonna have a field day with it. Johnnie, who is currently riding high, is gonna remain right up there with this pair. Titled "All Of Me" and "Walkin' My Baby Back Home" the disk is loaded and the Ray treatment is sure to make it explode into a winning combination. The Buddy Cole Quartet supplies the small instrumental backing that sets the vocals off effectively. Each half is a great side in itself and ops are urged to get with the disk real soon.

"I'M SORRY" (3:16)
"HERE IN MY HEART" (3:06)

ALAN DALE
(Coral 60746; 9-60746)

ALAN DALE

● Alan Dale comes through on the top level with a tune that should go all the way for him. The artist has the necessary talent and with the material on hand he should reap plenty in the jukes. The number is tagged "I'm Sorry" and is a slow and melodic ballad that carries a lovely musical strain right through. Alan delivers a sincere and powerful reading that enhances the appeal of the disk. Flip is another contender in the form of a stirring ballad and once again Alan brings in a potent level. We look for the top to break for him.

"RAMINAY" (2:48)
"WITHIN YOUR ARMS" (2:50)

JO STAFFORD
(Columbia 39725; 4-39725)

JO STAFFORD

● A haunting chimney sweepers call from New Orleans is put to music on the top level and makes up the material Jo Stafford handles so beautifully. The exciting number titled "Raminay" carries a wonderful melody and beat and the impressive chanting turned in by Jo assures the side of a top rate send off. The Paul Weston orchestra supplies the fitting musical accompaniment that gives the end an added boost. The second dish is a slow, soft ballad that's handled smoothly by Jo and here, too, the chirp has a pleasing end. The first one is the side we're excited about and ops oughta stop stocking up now.

"SILENCE AND TEARS" (2:45)
"FOOLISH LOVER" (2:20)

SONNY HOWARD
(Mercury 5846; 5846 x 45)

● A new tune and a feelingful vocal add up to a fair end for Sonny Howard. Sonny gives his all and winds up with an ok waxing. The second level is a ballad with more appeal and as a result, Sonny is shown to much greater advantage. The orchestral backing helps round out the disk.

"TEMPTATION" (3:25)
"AUTUMN IN NEW YORK" (3:25)

CHARLIE PARKER
(Mercury 11088)

● Charlie Parker and his sax receive wonderful support from a string backdrop as they make their way through a pair of grand oldies. The first side is a strong ballad that's treated instrumentally by Charlie and the orchestra while the under portion is a flowing piece that once again shows the saxing talents of the artist.

"RELEASE ME" (2:43)
"A LITTLE WAKE-UP MUSIC"
(2:48)

ELLIOT LAWRENCH ORCHESTRA
(King 15181)

● The Elliot Lawrence orchestra together with vocalists Corky Robbins and Johnny Bosworth conjure up a listenable treatment of a moderate beat number. The lower portion is a slick instrumental version of a rollicking jump item. This level shows the orchestra to greater advantage.

"TO BE LOVED BY YOU" (2:51)
"WALKIN' TO THE MAILBOX"
(2:45)

HELEN GRAYCO
(Mercury 5838; 5838 x 45)

● Helen Grayco offers a delightful vocal to a pleasant bounce that carries a fine melody and the resulting disk is a good one. Again on the bottom lid the thrush has herself a cute tune that's moved along with a Latin tempo. The backing is turned in by the Pete Rugolo orchestra. Ops have two juke items here.

"THAT'S MY PRAYER" (2:36)
"RELATIVES" (2:37)

TEDDY PHILIPS
(King 15180)

● Top side is given a soft vocal treatment by Nick Gari with a fitting musical accompaniment by the Teddy Philips ork. This smooth slow rendition makes for fair listening. Flip is a cute calypso with amusing lyrics chanted by Lynn Hoyt and backed ably by the Philips' crew.

"RAG OF RAGS" (2:15)
"I'D LIKE TO KISS SUSIE AGAIN"
(2:10)

MILT HERTH TRIO
(RCA Victor 20-4673; 47-4673)

● Two similar waxings are turned out by the Milt Herth Trio on this new release. Each half features some fine organ playing that carries the coupling through to a listenable conclusion. The lively tempo and the small group rendition add up to a fair platter. Ops have filler material with this one.

ROUND THE WAX CIRCLE

NEW YORK:

Dave Miller, who stops at nothing, last Saturday was having "Hear Al Martino" skywritten above New York City. Very effective. . . Things are back to normal in this town. Guy Lombardo is once more ensconced at the Roosevelt. . . Ruth Casey, the "Cry" girl, is certainly getting plenty of attention these days. Don't be surprised to see her on a major label real soon. . . To celebrate the sale of Billy Eckstine's 10,000,000 MGM platter, which happened to be "Kiss Of Fire," Sugar Ray Robinson presented Mr. B.—who is also a top-notch golfer—with a gold plated putter, on the Paramount stage during Billy's recent engagement there. . . Mindy Carson being sought for Joe Pasternak's forthcoming movie "Small Time Girl." Mindy is also scheduled for her own TV show this summer. . . Zelda Siskind, daughter of operator Harry Siskind, helped in getting Toni Arden out to Adelphi College, where Toni autographed 200 copies of her latest recording "Kiss Of Fire" and "I'm Yours." Toni intends making the rounds of various campuses on a frequent basis. . . Hal Fein, professional manager of Republic music, is now the father of a baby girl born May 1 and named Lisa. . . Bob Ellis back again with King Records in Cincinnati after his stretch of 18 months in the Navy where he was a radioman 1st class in Tokyo. Bob will

TONI ARDEN

cover national dj promotion. . . Keep your eyes and ears open for a new 16 year old singing sensation, a former Godfrey winner, whose name is Steve Lawrence. Signed by Dewey Bergman of King Records, Steve's first release is set for the end of May. . . Jubilee artist Dolly Dawn goes into the Casa Seville on May 22. . . Doc Berger, a veteran of Leeds Music for many years, now doing free lance promotion work.

CHICAGO:

The annual Cerebral Palsy Telethon, emceed'd by "Kup" brought out many of the guys and gals in the record biz who are currently in town and who helped, as they have in the past, to make this benefit the huge success it was. . . The "Biggest Show of '52," the concert starring Frankie Laine, Patti Page, Billy May and his ork and Illinois Jacquet, was held in the Civic Opera House on Saturday, May 10, for two performances, playing to packed houses at both shows. As was the case all over the country, show was a big hit. . . Before leaving town, Perry Como huddled with Nate Platt of B&K and has signed for an appearance later this summer at the Chicago Theatre. . . The current show at the Chicago stars Johnnie Johnston, formerly of MGM Records, who does a terrific job. He has a warmth about him which makes even the largest theatre seem very intimate. . . Al Hoffman who wrote such hits as "Mairzy Doats" and the "Bake A Cake" song pens from Miami about his latest tune called "The Boom Song" which he reports has been recorded on Decca by Jane Turzy. . . Speaking of songwriters, had a phone call from Jack Fulton telling us about the tune he's just written called "God Has Been Good To Me" which has been recorded on Mercury by Eddy Howard. Jack has high hopes for this tune. . . The date for the Frank Sinatra opening at The Chez Paree is June 5. . . Having completed their Pacific tour, the Gene Krupa Trio is now touring the East and will make a three-day return appearance at the Club Silhouette. . . Anita O'Day, formerly with the Krupa group, brings her particular style of song to the Blue Note following Dinah Washington. . . Also heading Chicagoway is Dorothy Shay the "Park Avenue Hillbilly" who opens at the Empire Room of The Palmer House on May 15.

PERRY COMO

LOS ANGELES:

Did a little spinning ourselves past week, making the rounds with Bill Gersh, publisher of The Cash Box, who planed in from Chicago for a whirlwind call on some folks in the record industry as a special ambassador de luxe on the 10th Anniversary Issue of this magazine slated for publication within month. . . The headman's itinerary after leaving this town was set to cover the southern towns and midwestern cities, key spots where jukebox hits are really made, Bill tells us. . . Among the record toppers we called on with Mr. G. were Glenn Wallichs of Capitol, Lew Chudd of Imperial, Leo Mesner of Aladdin, Art Rupe of Specialty, Irving Fogel of Tempo and the Bihari Bros. of Modern and RPM. . . Almost wound up in Santa Ana while escorting the boss to Pasadena, where Larry Mead of Vita Records and Perfection Plastics holds forth. . . Lunched with Larry to learn that his record of "Blue Raindrops," with Sweet Georgia Brown and The Whippoorwills, is really off to a flying start in this region, and Larry credits the jukebox with picking right up on the fine sendoff the tune was given by local dee-jay Bob McLaughlin. . . The disc should start showing soon in other parts of the country.

AL MARTINO

Quite a pleasant surprise to meet Harmony Records prexy A. Honey (no kidding, that's the name she goes by) and finding her an eye-pleasing blonde who lives up to the monicker. . . Later that day, we joined our publisher in catching a session of the label with Harry Geller at the baton and Art Morton taking turns with Jud Conlon and the Rhythmairs in cutting several sides. . . Score a fast and probably very smart move by Capitol Records in signing Al Martino, whose "Here In My Heart" on the B. B. S. label out of Palda is heading for the hit department. . . Gordon Wolf of Sunland Music reports he's moving the record out in big bunches. . . Others signed by Capitol: Fred Astaire, to supervise a tap dance music album, and Georgia Carr, a popular nightclub entertainer out of San Diego. . . Ralph Bass of Federal will team with Les Sills in presenting Earl Bostic in concert at Shrine on May 26.

THE CASH BOX RECORD REVIEWS

Only Records Considered Best Suited To The Requirements Of The Trade Are Reviewed On These Pages.

"KISS OF FIRE" (2:22)

"I'M YOURS" (2:29)

LES BAXTER & DICK BEAVERS
(Capitol 2102; F-2102)

● Dick Beavers and the Les Baxter Orchestra offer smooth renditions of two current pop biggies. The top side finds Dick rendering a fair vocal arrangement of this tango hit with good orchestral backing supplied by the Baxter crew. Flip is a pleasant coverage of a beautiful ballad. Both sides carry juke appeal.

"GONNA GET ALONG WITHOUT YA NOW" (2:05)

"HOLD THAT PHONE" (2:20)

JANETTE DAVIS
(Columbia 39689; 4-39689)

● A cute vocal by Janette Davis and a rhythmic orking by the Archie Bleyer gang should make the upper side good juke box fare. This bouncy, beaty side presents a pleasing coverage of the amusing ditty. The lower deck is a novel treatment of a fast bouncer. The top side is stronger.

"ROSALIE" (2:22)

"MEXICALI ROSE" (2:27)

BEN LIGHT
(Capitol 2074; F-2074)

● Two favorite oldies are given fine interpretations by Ben Light. Ben's fancy fingering and pleasant light touch on his piano make for good listening. Each side should draw coins from reminiscing juke fans. Ops need the right location for this one.

"STARDUST" (3:42)

"ST. LOUIS BLUES" (3:25)

GENE KRUPA TRIO
(Mercury 8983; 8983 x 45)

● The Gene Krupa Trio, consisting of Charlie Ventura on sax and Teddy Napoleon on piano, take off on a pair of wonderful oldies. All three artists display some great playing on their respective instruments and wind up with a coupling that should go big with juke audiences. Proper placement could fully exploit this platter.

"I MAY HATE MYSELF IN THE MORNING" (2:22)

"THE HORN WITH THE TWO MOUTHPIECES" (2:23)

THE LANCERS
(Capitol 2070; F-2070)

● The harmonizing Lancers take a current Benjamin and Weiss click for a pleasant spin around the wax. The lead takes charge of the major share of the lyrics while the group offers adequate backing. Flip is treated listenably by the crew as they present this ok bouncer. The upper end looks stronger.

"LOVE YA' LIKE MAD!" (2:36)

"OAKIE BOOGIE" (2:25)

ELLA MAE MORSE
(Capitol 2072; F-2072)

● Chirp Ella Mae Morse has a cute ditty working on the upper level and she delivers the jump in sock fashion. The Nelson Riddle orchestra rounds out the half. The under siding is another beaty item that shows the artist to full advantage as she belts out another strong lid. The bottom dish has the edge.

SLEEPER OF THE WEEK

"THE BIGGER THE FIGURE" (2:35)

"BONEY BONES" (2:40)

LOUIS PRIMA ORCHESTRA
(Columbia 39735; 4-39735)

LOUIS PRIMA

● The Louis Prima orchestra, featuring the inimitable vocalizing of Louis, himself, makes merry on the top deck with an extremely potent novelty. The tune is based on

the opera "The Barber Of Seville" and the lyrics are gonna get lots of chuckles from the juke audiences. Louis offers his stylized vocalizing, which is tailor made for a novelty of this type. The orchestra rounds the lid out with a fitting instrumental background that portrays the authentic operatic feeling. The lower lid is another novelty item that moves along at a happy pace as handled by the Prima crew. The lyrics on this end are a complete turnabout and this change of pace should present an interesting coupling. Louis has had many big ones before but this should be one of his biggest.

"I PASSED YOUR HOUSE TONIGHT" (2:51)

"BET-I-CHA" (2:38)

DEAN MARTIN
(Capitol 2071; F-2071)

● A slow easy ballad is given the typical going over by balladeer Dean Martin. The pleasing item should satisfy his fans. The second end is an exciting number that's flavored with a Latin type beat. The vocal group and the Dick Stabile orchestra add immeasurably to the total effect. Ops may be interested.

"HOW MUCH WILL I MISS YOU?" (2:52)

"BATTLE HYMN OF THE REPUBLIC" (2:55)

JOHNNY DESMOND
(Coral 60736; 9-60736)

● A slow ballad is given an expressive reading on the first deck by Johnny Desmond with orchestration assistance from the Tony Mottola crew. The result is a good dinking. The second lid is a spiritual type rendition of the classic Civil War composition. Johnny, a vocal group, and the orchestra collaborate creditably on this platter.

"AGAIN AND AGAIN" (2:22)

"TORMENT" (3:15)

LOU DINNING
(Capitol 2076; F-2076)

● Lou Dinning offers a listenable presentation of a simple bouncy item on the top level. The effort surpasses the material as Lou brings in a fair dinking. The lower portion is a slow, easy number that receives a similar going over and results in an ok half. Nelson Riddle and the orchestra get musical credits here.

"HO-HO" (2:18)

"COME OUT, COME OUT WHEREVER YOU ARE" (2:27)

MINDY CARSON
(RCA Victor 20-4681; 47-4681)

● Mindy Carson has two delightful sides to work with on this new release. The first one is a cute bouncer with equally cute lyrics and Mindy brings in a happy sounding dish. The second lid is a musical interpretation of an old kiddie chant. Here, too, ops have some pleasurable listening that should draw coin.

"BE ANYTHING" (2:45)

"SLEEPING BEAUTY" (2:41)

VERA LYNN
(London 1202; 45-1202)

● Vera Lynn offers her rendition of a current comer. The beautiful ballad is handled expertly by the vocalist and the Roland Shaw orchestra and should get some of the spins due the tune. The under siding is a soft and mellow waltz tempo item that's gone through easily by the artists. The strength of the upper one should give added impetus to this disk.

"TENDERLY" (2:38)

"MUCHO SWING" (2:39)

JOE LOCO ORCHESTRA
(Tico 115)

● A grand oldie is transformed into an interesting mambo by Joe Loco's orchestra. This instrumental piece should go well with proper placement. The second half offers the mambo happy group with another instrumental that should get the same response in the right spots.

"JUST LIKE THAT" (2:15)

"SOME LITTLE SOMEONE" (2:36)

JOHNNY LONG ORCHESTRA
(King 15176)

● The Johnny Long orchestra together with the glee club present one of their typical arrangements of a catchy bouncer. The vocal crew offers some interesting chanting while the ork backs them substantially. The bottom dish is a similar sounding number that moves along sprightly. We like the first half.

"I'D BE A FOOL AGAIN" (2:41)

"JUST A LITTLE WALK WITH ME" (2:36)

THE BLENDERS
(Decca 28092; F-28092)

● The Blenders wend their way through a slow attractive ballad in convincing style. The lead handles the solo adequately while the balance of the group supplies ample background. The second level is a beaty item that at most comes out as a listenable piece of wax. Our nod goes to the upper end.

"RUTZA RUTZA" (1:58)

"RIDDLE DE RIDDLE DE DAY" (2:31)

VOICES OF WALTER SCHUMANN
(Capitol 2089; F-2089)

● The wonderful blend of the Walter Schumann choir is put to full use on a dynamic folk tune that moves along with zest. The vocal arrangement is tops and the result is a pleasant end. Flip is a light bouncer that shows the group vocal talents to good advantage. The first side should be watched.

"I WAS JUST WALKIN' OUT THE DOOR" (2:41)

"THE BOOM SONG" (2:02)

JEANNIE GAYLE
(Capitol 2088; F-2088)

● A slow number is delivered on the top half by chirp Jeannie Gayle. Backed lightly by the orchestra, the lid winds up a good filler material. The under portion finds the artist with a novelty that's handled cutely and shows the thrush to greater advantage. Our choice is lower siding.

Let A Song Be Your Umbrella

PHILADELPHIA—Four models, sporting Lavender parasols and portables marched along with 125,000 people in Philadelphia's Easter Parade. WIP, Philadelphia's Mutual outlet broadcast the entire score of the Capitol album, "With A Song In My Heart," during the peak of the parade. The confusion caused was a "promotion man's delight."

The HALE You Say

by natt hale

Comes a pause in the day's occupations when we take time to reflect on what will be the next mood or whim to capture the public fancy and favor. The record bizz being what it is, the moguls of the various manufacturers meet in solemn conclave to determine the trend of the industry and what to do to whet the collective appetites of the discerning disc-piples.

Good reason prompts this group to give attentive thought to the problem. So fickle is the general public to the fare which has been dished up on the groovy platters of late, that the competitive titans hold the closed session in comparative quietescence which permeates throughout their respective organizations and promotes a new filial bond of unity.

The result of this convention seems to be a unanimous approval of the seeming epidemic for straight instrumentals. Yep, the overwhelming acceptance by the horde of "eighty-nine centers" of the more aesthetic type of musical presentation has made discriminates of us all. Yeah, man!

Back to the studios hasten the lords of A. & R. to congeal the combined talents of three or four latent musical geni with instructions to pour forth the greatest and prettiest" array of notes ever set to treble staffs. Into the meeting is called the top company orkster to lend his potent ability to the secret composition.

Once this new manuscript is completed, each of the foremost studio musicians is personally contacted for appearance at the session, which is to be held behind locked and guarded doors, welded shut for a period of six hours. Each of the musikers takes an oath and signs his moniker in blood not to reveal the name, nature or style of the composition.

This is to be an earth-shaking event. Top secret! Next to this, the formula for the hydrogen bomb pales by comparison.

The entire double session is devoted to recording, re-recording and re-recording the greatest instrumental composition to come out of the waxing emporiums in many a moon.

The seventeen "takes" on the number are carefully assembled for editing, splicing, echo chamber effects, etc. The leader, producer, chief arranger and the head of A. & R. get into a huddle to discuss the possibility of committing homicide with each of the musicians, so that the secret wouldn't leak out. Somewhere, one of these characters had read that the Shah Jahan had had the designers of the Taj Mahal put to death upon completion of the mausoleum, so that it could not be duplicated. It seems like a good idea, no?

The initial test pressings are carefully screened by a jury composed of all the top brass of the company. Pronounced as the greatest advancement in the record business in the past—well, sixty days—the record is assigned to all four zillion presses in the plant. This is primarily intended to commit promotional mayhem amongst the employee gentry, so that the word would spread to the distributor outlets and their respective department heads.

Word is released to the juke-box tycoons that "this is a natural for the boxes."

Word is released to the deejays that "this is a natural for disc jockey shows." Word is released to the dealers that "this is a natural for retail sales."

The gospel is spread throughout, that the release of this recording would be a boon to the musical world in particular and to the United Nations in general.

So wha' happens?

Everybody gets excited—but the audience!

The record-buying public doesn't go for straight instrumentals anymore.

The new trend is for singing animals. "Why don't we have more of those on record?"

Well—what're you gonna' do?

MOA CONVENTION SET FOR CHICAGO'S CONGRESS HOTEL SEPTEMBER 11-13

OAKLAND, CALIF.—George A. Miller, president of MOA (Music Operators of America) announced this week, in a wire to The Cash Box, that the organization had set September 11, 12 and 13 as dates for the annual MOA convention to be held in Chicago at the Congress Hotel. The dates set precede those of the NAMA Convention, which will be held in the same city on September 14 to 17 at the Palmer House.

Miller stated, "We are fortunate to obtain these dates. They were the only ones the hotels could offer, and it was made possible only after many changes and adjustments by the Congress Hotel."

"We are planning to make this the biggest of all music conventions and

have already been assured by many record companies, who have not shown in the past, that they will be present. The majors will also be there. Many manufacturers of auxiliary equipment have signified their intention to be represented. Nothing is being left undone to have the largest representation possible."

Meetings will be held every day, and up for discussion will be: public relations, promotion of the music industry, and many legislative matters of great interest to all. During the convention entertainment is being planned to occupy the wives. The three day meet will be closed with a grand banquet.

General Committee for Arrangements include: George A. Miller, Ray Cun-

liffe, Al Denver, Phil Levin and Hirsh de LaViez. Convention Committee is composed of Richard Schneider, Clem Stetson, Clinton S. Pierce, Morris Goldman, Les Montooth, Ben Ginsberg, Jack Mulligan, Tom Withrow, Dick Steinberg and Mike Imig. Advisory Committee: Sidney Levine, legal counsel and Irving Ackerman, associate counsel.

The Cash Box has worked for many months toward the holding of the MOA and NAMA conventions at the same time, even at different hotels if so desired, so that operators could attend both meets without too much additional expense. The present arrangement will prove beneficial to all concerned.

"It Must Have Been Two Other Guys" Says Don Cherry

NEW YORK—A couple of weeks ago, *The Cash Box* breathlessly reported the world shattering news that Perry Como had beaten Don Cherry at golf—with Don giving Perry a 4 stroke handi-cap.

Alas, now we find it just ain't so. From Cherry's headquarters comes an amended version of the titanic battle. It turns out that the handicap was 4 going out and 4 coming back, in other words 8 strokes instead of the 4 we reported. The final outcome was Don 76, Perry 78, as against a reported Don 78 and Perry 77.

Don, as a matter of fact, says Perry couldn't beat him in a million years with a 4 stroke handicap and just to make it worthwhile, he here-with hurls this challenge at Perry: He will gladly give him a 4 stroke handicap for 18 holes and bet him the state of Texas against his Chesterfield show on the outcome.

And just to show Perry what he really can do, Don went out and won the qualifying medal in the William D. Richardson Memorial Tournament last Thursday, May 8. He came out first with a 2 under par 70, leading a field of sixty which included such top notchers as Frank Strafaci.

Incidentally, Mitchell Ayres, Perry's conductor, was also in the Richardson tournament and he made an 81.

Thiele Named Hilliard's Assistant At Coral

NEW YORK—Bob Thiele is now assistant to Jimmy Hilliard, A & R head of Coral Records, it was learned this week.

Thiele is well known in the record business, having started Signature records several years ago in which he worked very closely with Ray Bloch. Since Bloch is now also on Coral's staff, this comes as a reunion for the two men.

Coral recently bought many of the old Signature masters, which featured such names as Alan Dale and Connie Haines, and has already released them.

Since the folding of Signature, Thiele had sponsored several older independent labels.

Eckstine Disk In Demand

NEW YORK—Dick Cowitt, of Sanford Record Distributors, MGM distrib in New York, reports that there is a greater demand for Billy Eckstine's latest "Hold Me Close To You" than any other disk since his "I Apologize." Dealers have been contacting Cowitt asking what promotion to expect on the record and placing advance orders. The song is featured by Billy in his MGM film "Skirts Ahoy" and the record company expects to go all out on it.

Mercury Rushes "Rutza"

NEW YORK—Mercury Records this week took the new song-hit "Rutza Rutza" seriously. Since the Hebrew translation of "Rutza" is "hurry," Mercury really hurried to get going with its new Bobby Wayne-Jan August record.

Hurriedly ripping off one side of Wayne's newest release, the company has backed up "Rutza" with "I'm Sorry," currently stepping out as a ballad hit.

Within 48 hours over 300 dubs were mailed to distributors and jocks all over the country.

So more hurry, hurry! Mercury diverted almost 30 presses to "Rutza," had almost 75,000 en route to distributors and all this no more than a few days after a hurried recording session.

LUCKY MILLINDER

HELD OVER WITH B. S. PULLEY AT LA CAVA N.Y. FOR THE 5th CONSECUTIVE MONTH

MANY leading radio and TV personalities, disc jockeys and program producers are giving preference to songs that are unique and extraordinary. The songs listed below are being favorably accepted for having those qualities that provide unusual programming opportunities. If you desire to identify your program with songs that have unique qualifications, you will want to consider these contemporary compositions.

A GUY IS A GUY

A "Hit Parade" favorite and current best seller. Recorded by Doris Day—Columbia; Ella Fitzgerald—Decca; Peggy Taylor—Mercury.

LADY LOVE

From the Columbia Picture, "Sound Off," starring Mickey Rooney. Recorded by Vaughn Monroe—RCA Victor.

LITTLE TRAIN A-CHUGGIN' IN MY HEART

An infectious novelty rhythm song with three unusual record interpretations to attest to its wide appeal. Recorded by Jane Turzy—Decca; Marion Morgan—MGM; Jimmy Boyd-Norman Luboff Choir—Columbia.

MY GIRL

A ballad in the tradition of great American standard songs. Recorded by Frank Sinatra—Columbia; Tommy Edwards—MGM.

(That Is When A Man He)

PUT THE FOOT DOWN

(MI CAFETAL)

The No. 1 Latin-American favorite, available for the first time with an English lyric adaptation. Recorded by Paulette Sisters and Larry Clinton Orchestra—Columbia; Los Magos—RCA Victor; Hermanas Limas—Okeh; Alejandro Cardonaesu Dan Zonera—RCA Victor; Tony Camargo—RCA Victor.

SUMMER IS A-COMIN' IN

This seasonal song has had wide acceptance on important radio and TV presentations. Recorded by Nat "King" Cole—Capitol.

THE BIGGER THE FIGURE

Based on "Largo al Factotum" from Rossini's "Barber of Seville," this novelty has acquired sufficient recognition to indicate it will attain widespread popularity. Recorded by Louis Prima—Columbia.

WIMOWEH

(Hey Up Joe! On Your Way!)

Over 400,000 records sold. By request of many performers a new English lyric has been made available for this African chant. Recorded by The Weavers-Gordon Jenkins—Decca; Jimmy Dorsey—Columbia; Yma Sumac—Capitol; Noro Morales—Okeh.

In Preparation

SO HELP ME

Based on Tchaikowsky's "Caprice Italienne". A new ballad that has created considerable pre-release trade interest. Scheduled for May 15 release. Recorded by Paul Weston-Norman Luboff Choir-Fred Lowry—Columbia.

Twentieth Century Osculation

NEWARK—Paul Brenner, WAAT, Newark, disk jockey, is seen presenting Mrs. Fred Mussone, winner of the "Kiss Of Fire" contest, with a Webster-Chicago Wire Recorder. Georgia Gibbs, whose Mercury "Fire" disk leads the parade, looks on.

Paul Brenner's "Requestfully Yours" show ran the contest for two weeks. Gimmick was to give a one-two-or-three word description of listener's reaction to Georgia Gibbs' version of the popular tango originally known as "El Choclo."

Sponsors were happy in view of the more than two thousand entries that poured into the station during the two-week span.

Westchester Ops' First Banquet Great Success

WESTCHESTER, N. Y.—The Westchester Operators Guild held its first annual banquet on Tuesday evening, May 13th, at Bill Reibers Restaurant, Westchester county.

Approximately 300 people, operators, their families and guests, crowded the main dining room of the popular club to celebrate the second anniversary of the association. Malcolm Wein, council for the organization, acted as master of ceremonies for the business end of the dinner and introduced the officers of the Guild. The only speech of the evening was made by Carl Pavesi, president, who welcomed the guests.

Highlight of the evening was an outstanding floor show that featured "top" name artists in the recording field. Among the entertainers in attendance were: Dolly Dawn, Bill Kenney of the Ink Spots, Tony Bennett, The Brewster Boys, Trudi Richards, Lily Ann Carol, Bob Sands, Vinni De Campo, Dick Brown, Hugo Winterhalter and Frank Stevens.

Many of the record companies and record distributing companies in the local area were represented. Among those present were: Al Levine, Capitol Distributors; Paul Southard, Times Columbia Distributors; Lou Boorstein, Leslie Distributors; Bill Shockett, Malverne Distributors; Howard Kaye, N. Y. branch manager of Coral Records; Irwin Zucker, Coral publicity; Leonard Wolf, Decca publicity; Al Simpson, vice president of Decca Distributing Corp.; Jerry Blaine, Elliot Blaine, Ben Blaine and Hy Green of Jubilee Records and Cosnat Distributors.

In attendance were representatives of AMI, Wurlitzer, Rock-Ola and Seeburg distributors.

Victor Develops New LP Envelope

NEW YORK—RCA Victor announced last week the development of a radically new type of envelope for long play records, which for the first time permits individual records to be readily identified when stacked vertically on home library and dealer shelves. The new envelope features a stiff book-type "backbone" on which the artist's name and title of composition is imprinted in clear legible type.

THE CASH BOX

Disk Jockey's REGIONAL RECORD REPORTS

Listings below are reprinted exactly as submitted by leading disk jockeys throughout the nation for the week ending May 10 without any changes on the part of THE CASH BOX.

"DISK OF THE WEEK" ▲ **HERE IN MY HEART** (Mellin) — Disk debut of Al Martino (BBS) proves an overnight sensation. Cash Box names it "Disk of the Week," reporting: "One of the more exciting voices heard in a long time is presented on the top level . . . unbeatable combination . . . dynamic ballad — given a stirring airing." **"PICK"** Billboard, rating Martino, Tony Bennett (Col.) and Alan Dale (Coral) as top "PICKS," says: ". . . a strong virtuoso performance by the exciting new singer, while the Bennett waxing is one of the best jobs he has done in a long time. Dale's performance — first-rate."

★ ★ ★ ★ ★

"BIG HIT" ▲ **THE BIGGER THE FIGURE** (Dartmouth) (Non-exclusive BMI) — "Louis Prima (Col.) sells it in grand style," says Billboard, and gives platter a strong "PICK." Verdict is: "This one has all the ingredients of a big hit . . . a broadly humorous novelty, with clever lyrics, based on the 'Figaro' aria from 'Barber of Seville'."

★ ★ ★ ★ ★

"BEST BET" ▲ **WONDER** (Weiss & Barry) — Don Cherry (Dec.) impresses Cash Box as a "BEST BET." Reviewer's report: ". . . sung impressively by Don Cherry with a fitting backdrop lending support. Tune and vocal could send this one soaring."

★ ★ ★ ★ ★

SOCK ITEM ▲ **RUTZA, RUTZA** (Sheldon) — The Bell Sisters (Vic.), with Henri Rene backing, deliver another sock item. Cash Box says, "An exciting and dynamic piece of music . . . musical sound created should make for good juke box fare." Variety regards the disk as "a colorful interpretation . . . good jock material." Rising young Bobby Wayne's (Mer.) version will command prime attention, too.

★ ★ ★ ★ ★

"BEST BET" ▲ **WHAT SHOULD I DO** (Wemar) — The Paulette Sisters (Bway.) rate a Cash Box "BEST BET" for "one with sleeper potentialities . . . could prove to be big." Gals do a top-notch job on the ballad.

★ ★ ★ ★ ★

"SLEEPER OF THE WEEK" ▲ **STORY BLUES** (Savoy) ▲ **YOU'RE PART OF ME** (Savoy) — "SLEEPER OF THE WEEK" nomination by Cash Box goes to the Four Buddies (Savoy) for this Jazz 'n' Blues item. "A fast-moving, beaty item . . . powerhouse selling that should put this record in the list of best sellers," says the review.

★ ★ ★ ★ ★

"BULLSEYE" ▲ **SOMEONE CALLS ME DADDY** (Hamblen) — Eddy Arnold (Vic.) with another of his power-packed performances. Side rates "BULLSEYE OF THE WEEK" from Cash Box. Chosen as a "polished performance . . . an OK dinking."

RCA VICTOR RECORDS

THEY LIKE WHAT THEY HEAR

NEW YORK—Bob Haymes, left, composer of some of the selections being spun above; Jimmy Mundy, arranger; and Tony Acquaviva, conductor; seem downright joyful as they listen to their recordings that have some of the majors bidding to buy the masters. Acquaviva, who tried to sell his services as an orchestra leader along the usual pattern, was not meeting with too much luck until two weeks ago when he was successful in arranging \$100,000 worth of backing from people who believed in his music. Tony set up his own record session at a cost of \$7,700 and turned out six sides of commercial longhair music along the Montovani style and seems to have hit the jackpot. Several of the majors are in there bidding. Acquaviva, who manages Bob Haymes too, not only is hitting with the disk companies but seems to be making a dent as a conductor with bids already in to Guest-Conduct the Boston and Pittsburgh Symphony orchestras. The moral, budding singers and orchestra leaders, seems to be simple. If you want to hit, you've got to do it yourself.

Best Selling Records

COMPILED BY JACK "ONE SPOT" TUNNIS

• Tunes are listed below in order of their popularity based on a continuing weekly national survey of thousands of record dealers by Jack "One Spot" Tunnis. Each listing includes the name of the song, record number, artists, and tune on the reverse side.
 • The number underneath the title indicates the actual sale per 1000 records made for the week. If the figure is 67.4, it means that for every 1000 records sold that week, 67.4 were of the tune indicated—a combination of all the records on which it was available.

Deejay's Dilemma
 CINCINNATI—Rex Dale, WCKY disk jockey tries unsuccessfully to obtain a taped interview with Dean Martin and Jerry Lewis during their recent engagement here in the Queen City.
 Later the boys settled down and Dale obtained a funny, if not educational, interview from them.

NAMM Show To Be Held In N. Y. July 28-31

NEW YORK—The four day annual Music Industry Trade Show, sponsored by the National Association of Music Merchants, will be held in New York City this summer July 28-31.
 The Hotel New Yorker will be the site and it will take eight floors to house the displays of new band and orchestra instruments, pianos, organs, radios, phonograph, TV sets, sheet music, records and all types of musical accessories.
 The record firms and music publishers will be there in full force, all being represented by their top artists. The purpose of the exposition is to bring buyers and sellers together. Buyers include representatives of some 2000 music stores which do about 85% of the retail business in music merchandise. Total registration is expected to exceed 8000 persons.
 On the selling side will be about 250 manufacturers who will take the occasion to introduce their new models and ideas.

Laine Completes One-Nighter Tour

NEW YORK—Frankie Laine, who completes a highly successful 30-day "Biggest Show of 1952" tour of one-nighters with Patti Page on Sunday (May 11), will arrive in New York on Monday (May 12) and remain here until Wednesday (May 14) when he will fly to St. Louis to open a two-week engagement at the Chase Hotel. During the tour, Laine broke all-time records for grosses in Montreal, Detroit and Pittsburgh. During his short stay in New York, Laine will make a recording for Columbia of "High Noon," the western-type folk song from the picture of the same name.

Quick, The Mop!

CHICAGO — Chicago's Oriental Theatre is being subjected to much copious tear-shedding this week and next. Besides the well-known Johnnie Ray, who got their fustest with the moistest, on the bill are Billy Ward's Dominoes, the well-known vocal quartet, whose new Federal recording number, "Have Mercy, Baby," has the entire crew breaking down and sobbing for a full five minutes. According to weepports from the Windy City, the engagement should, cry-ate a lot of interest—if the performers don't dampen the audience's ardor.

Piano Parade

NEW YORK—The "Mighty Mite" of the piano, Erroll Garner is flanked by bassists Leonard Gaskin (left) and Slam Stewart, Art Tatum sideman. Garner joins the four star show, "Piano Parade," which will take the stand at Birdland for one week starting May 8th. Co-starred are Art Tatum, and the team of Meade Lux Lewis and Pete Johnson.

Robert Marks Heads West Coast Office of E. B. Marks

Woodruff Takes Over N. Y. Spot

NEW YORK—Robert B. Marks has been appointed head of the Edward B. Marks Music Corporation's West Coast office in Hollywood, where he will concentrate on mechanicals, synchronization deals, television, transcriptions, disc jockey contact work and all mediums of song exploitation. He is expected to take his new post about August first, after having concluded various business and personal matters in New York. Mrs. Marks and their two children will accompany him.

For the past ten years Bob Marks has been an integral figure in the exploitation department at E. B. Marks' New York office. His place in New York is to be filled by Fred Woodruff, for many years a member of the Marks professional staff. Woodruff will have complete charge of contacting the smaller record companies, of promoting the firm's rhythm and blues material, as well as its popular folk numbers, including the increasingly prominent hillbilly catalog belonging to the Marks subsidiary, Piedmont. Last, and perhaps most important, he will assume charge of the large and invaluable collection of Latin-American music, so successfully promoted during the last twenty-five years. Both Robert Marks and Woodruff will work under the aegis of Harry Link, well-known general professional manager of the Marks firm. This is the first time that a member of the Marks family will direct the Hollywood office. Mr. Marks is the nephew of the founder of the firm, Edward B. Marks, a son of the vice president and cousin of the president of the concern, which was established in 1894.

Jazzbo Collins Sponsors Jazz Concert At Carnegie Hall

AL "JAZZBO" COLLINS

NEW YORK—Al (Jazzbo) Collins, WNEW disk jockey, announced this week that he is promoting a jazz concert at Carnegie Hall, May 20.

The show will feature Woody Herman and his orchestra, Dinah Washington, Tommy Edwards, the Mills Brothers and comic Herky Stiles.

Package was assembled by Abe Turchen, Woody Herman's manager who is booking it in various locales himself.

Joe Whalen Opens Own Firm

CHICAGO—Joe Whalen, veteran music man in both New York and Chicago has just opened his own publishing house in Chicago's Woods Building. He has reactivated his ASCAP catalog with several religious numbers, including "When The Family Says The Rosary" and "Put Christ Back Into Christmas."

There are several records set on both songs and the first release is scheduled within the next week by Abbey Records featuring Richard Paige and a choral group.

Kickin' The Blues Around

with Sam Evans

On the coast it's Billy Holliday holding the spotlight at Los Angeles' famed Club Alabam. Singer doing well on her present western tour. . . . Tab Smith, who blows a beautiful horn, at the Creole Palace Club in San Diego. . . . Toni Harper will quite likely be the next Ella Fitzgerald; kiddie singer is closer to sweet sixteen than many may know. With the coming of the ripe age she could afford to change her style of songs and go in for more grown up stuff. . . . Miss Ethel Waters, the greatest, closes her record run in "Member Of The Wedding" this week. . . . Art Wilde and Cress Courtney of The Gale office doing front work for "The Biggest Show Of '52." Said show has as manager one of the nicest guys in the business, Chuck Carpenter. As a result of his able handling of this huge package in its tour around the country, Chuck should be up for one of those lush assignments, such as taking a group across the pond.

Hampton Hawes is on piano for Wardell Grey's groovy little outfit. . . . Bebop may be dead, but Dizzy Gillespie goes on, and now on Atlantic with "Love Is Here To Stay" b/w "This Is Happiness." . . . Johnnie Ray, "Mr. Cry," doing a tremendous job at Chi's Oriental Theater. His next engagement, scheduled for Baltimore, cancelled due to a fire in the eastern house. The three day vacation will be used for a fast trip to visit his parents in Oregon. Listen for wedding bells in New York City in another 30 days for Johnnie and Marilyn Morrison. Her father signs the checks at Hollywood's famed Mocambo. . . . Martha Glaser has added to her fast growing list of clients Martha Lou Harp, the new one out on Decca. . . . Dinah Washington and drummer man Jimmy Cobb will middle-aisle it any day now.

Jimmy Daniels, mgr. of Jackie Brenston, Roscoe Gordon & Edna McRaney, busy as a bee setting dates for his string of blues artists. . . . Poppa Stoppa, New Orleans deejay, playing the whole crew for a dance 5/11. . . . Jackie Brenston into Cleveland's Club Ebony, 6/2, with a guarantee of \$1200 plus 50% of net door. This information from Daniels. . . . Tony Martin, with his big full voice, sings "For The Very First Time." I remember when Tony was playing 4th sax with the old Tom Gerun band. Woody Herman played clarinet in the same outfit. Tony then answered to the name Al Morris. . . . The St. Louis Jass Club is having a special meeting, 5/12, to hear some rare European Jass Records. Club meets regularly at The Hamilton Hotel. For those who might like to join this interesting club, there is a type of low cost out of town membership available; this will bring you all releases and general dope on the jass field.

The Boulevard Room, in Kansas City, co-starred Stuff Smith and Gladys Palmer for a recent week, to be followed by Coleman Hawkins. . . . The Ravens doing a one-niter for The Royal Scott Social Club in St. Louis, prior to a recording session in Chi. for Ava Shad on the 12th of May. . . . Mitch Miller cutting sides on Ken Griffin. . . . Danny Kessler cutting a closed session on Johnnie Ray; followed by a 2 hour delight with Ahmed Jamal and His Three Strings, cutting all originals. . . . Bill Gersh, the boss, and his Missus winged in from the coast with a bag of oranges and some tall tales. . . . Spider Burke has a new show on KXLW, St. Louis, that includes both live and recorded talent. Show is aired every Sat. 6 to 8 P.M. . . . Muddy Waters, Chess' little dividend check, will fracture you with his "Country Boy."

Johnny Mercer and Johnny Hodges have teamed up for a nice one on Mercury called "Who's Excited?" Played by Hodges and written by Mercer, we may have another "Castle Rock." . . . "Jam With Sam" continues to climb in popularity; and more are agreeing it's Duke's best in a long time. As far as we're concerned, The Duke can do no wrong. . . . Three Peppers and The Cecil Young combo making a customer pulling package. . . . Deejays should park on the doorsteps of advertising agency people from here on thru summer. This is the time when they re-evaluate past plans and begin penciling in and shaping up for the early fall campaigns. Usually by the middle of August, winter plans are completed. Get in now! Watch out for the fiscal year which ends with many firms around June 30th.

Rhythm & Blues Ramblings

One of the real nice guys in the record distributing business is Bob Pare, who heads up Portem in New York. Bob handles a number of R & B labels and does a strong job all up down New York state. He's one guy who came into the field the hard way—i.e. through the route of classical music. With a conservatory of music background and a stint with Linguaphone before the war, Bob has been attached to music and records almost all his life. He started Portem just after the war, in which he served with the Marines, and since then has built it up to be one of the major distributors of independent labels in this area.

Dolphins, largest record shop in Hollywood, Calif., and open twenty-four hours a day, helped kick off the new **Dominoe** release "Have Mervy Baby" on the Federal label. Dolphins gave the disk airplay on their three hour radio program and the response was amazing. The record store re-ordered three times in three days and sold several hundred in that short time. "Have Mercy Baby" has already shown up on the "Hot" chart in Oakland.

New Orleans deejay Ken Elliot (WWEZ) spun Jubilee "I'm A Sentimental Fool" by the Merrylanders, and the sparks haven't stopped flying yet. Elliot started getting calls from his listeners and others deejays, with the result that Ken had to lend his plate, the only one in New Orleans, to five other jockies for their programs. Distributors from that city have placed orders for several thousand disks and the Blaines are soaring in the clouds. . . . Skippy Williams, tenor sax star, has put a group together called Shaib Sheik Shafeek—whatever that means. The boys dress in full robes and turbans. Group is now touring Canada. . . . Dinah Washington's seaboard tour of one nighters calls for two TV appearances. . . . The Clovers serving "Mint Juleps" in Alabama this week. Lucky Millinder, whose program on WNEW, New York, "Lucky's Lounge" is aired every Saturday from 8 to 9 P.M., was scheduled to lay off for the summer. However, the program has met with such a terrific mail and telephone response that Lucky has been advised the show will be kept running right through the hot months and into the new season.

Willie Bryant, Harlem's new mayor and deejay on WOV, New York, has signed to play the Howard Theater in Washington, D.C., on May 30th. . . . Joe Turner twin billed with Count Basie's ork for a week at Harlem's Apollo Theatre May 9 to 15; a reunion for these two Kansas City music makers. . . . The Blenders, hot vocal quintet coming out with their latest Decca release "I'd Be A Fool Again" and "Just A Little Walk With Me." . . . B. B. King, whose RPM "Three O'Clock Blues" is one of the top blues sellers, is completing a 33-day theatre tour. . . . Willis Jackson goes into Harlem's Apollo on May 18th. . . . Universal p.a., Ted Yates to wed Dorothy Wharton, Bellevue Hospital recreation director May 10th. . . . The Dick Bones (he's Universal Attractions' one nighter booking boss) celebrating their 10th wedding anniversary May 13th.

Heller Announces Rainbow's Reentry Into R & B Field

NEW YORK—Eddie Heller, president of Rainbow Records, announced this week that his firm was re-entering the R & B field.

Rainbow, which at one time was in the field, is now negotiating with several top artists and expects to announce their signing shortly.

A new blue and gold label is being developed which will be used exclusively on all R & B disks.

Eddie Heller will supervise Rainbow's full-fledged R & B effort himself and Larry Smith will handle the promotion.

The first disks are expected shortly.

THE CASH BOX JAZZ 'N' BLUES REVIEWS

★ AWARD O' THE WEEK ★

"BIG DIP" (2:43)
"MY BUDDY" (3:03)

JIMMY FORREST
(United 119)

● Jimmy Forrest, saxsational artist, belts out a fast moving number with a restful and polished performance that makes this side a fitting companion piece for his "Night Train," which is still a big number on the "Hot" charts all over the country. Forrest wrote the tune, titled "Big Dip," and in doing so provides himself with the opportunity to get off some showy saxing that will more than delight the many fans he has won for

himself with previous recordings. Jimmy gives out with some fancy runs and varying shades of tone as he runs through the bouncy beat. Here is an instrumental that can't miss and is sure to catch its share of plays. Flip is a slow oldie that also offers an exhibition of Jimmy's solid saxing and the result is a pleasurable end. The upper deck is the big one and we look for it to break out shortly. Ops can't afford to miss out on this deck.

"PROUD OF YOU" (2:49)

"YOU NEVER CARED FOR ME" (2:40)

SUNNY TIL
(Jubilee 5076)

● Sunny Til gives a soft and mellow treatment to a slow ballad. Sunny's easy vocalizing of the sentimental lyrics receives the able support of Buddy Lucas and his ork. The dinking is easy on the ears. Flip is another slow piece that Til projects with feeling and warmth. Sunny's effortless and smooth singing of the pretty oldie is musically backed on this side by the Lee Lovett Ork.

"BOOTSIE" (2:52)

"(LET ME LOVE YOU) ALL NIGHT LONG" (2:39)

MOOSE JACKSON
(King 4535)

● Moose Jackson and His Buffalo Bearcats dish up a big beat instrumental in sprightly fashion. The big play goes to the sax with backing from the brass section as the band handles the lively tune. The second side is a bouncy ditty that Moose Jackson warbles infectiously while his Bearcats provide the musical backdrop.

"THANK YOU, LORD JESUS" (3:16)

"THE LITTLE WOODEN CHURCH ON THE HILL" (2:35)

THE GOSPEL HARMONAIRES
(Atlantic 3002)

● The Gospel Harmonaires, featuring Billy Bunn as lead vocalist, come up with a slow inspirational number and chant it expressively. The blend of the Harmonaires voices back Bunn warmly and the result is an ok dinking. Flip is a moderate beat religious number that has a definite big bounce. The group chant this rhythmic rocker with zest and appeal.

"IN THAT GREAT GETTIN' UP MORNIN'" (2:20)

"LIVING IN THE GLORY LAND" (2:39)

THE FOUR INTERNES
(Federal 12071)

● A driving spiritual is rocked by The Four Internes with contagious spirit. Though the arrangement is real jubilee the boys harmonize with a smoothness that keeps it out of the shouty classification. The lower lid is a moderate beat gospel item that the group belts out with zest and brings in a bouncy side.

Jazz 'n' Blues SLEEPER OF THE WEEK

"CAN'T STOP MY CRYING" (2:50)
"ROCK ME DADDY" (2:00)

Laurie Tate
(Atlantic 965)

Laurie Tate

● Laurie Tate lends her talented tonsils to a moderate beat item that she sends soaring with explosive reading of the potent lyrics.

Laurie, who cooperated in the writing of this forceful piece, seems to have come up with a winner in "Can't Stop My Crying." The chirp runs the range of high to low, with vocal fluctuations, and shouty phrases that makes this a hot for the boxes. Joe Morris Blues Cavalcade provides a spirited musical backdrop that adds much to the success of the platter. The under portion is another driving tune that Laurie and the musical group go to town on. A cute set of lyrics and the stylized treatment make this another strong end. However, the top deck is long on all the necessary merits and we look for fast action from that direction.

"KISS OF FIRE" (2:28)

"WHISPERING WINDS" (2:23)

IKE QUEBEC KANSAS FIELDS QUARTET
(Hi-Lo 1406)

● The El Choclo tango now receiving major coverage as "Kiss of Fire" is given a whirl by Ike Quebec who uses the hit number as a showcase for his talented tenor saxing. Backing Quebec in turning out a solid disk are Kansas Fields, Drums; Mal Waldron, Piano and Al Mathews on the Bass. Flip is another pop favorite with a slow tempo that the boys beat out in rhumba time. Ike's saxing again takes the spotlight on this side.

"HEART AND SOUL" (2:34)

"LOVE ME, PRETTY BABY" (2:37)

MILT JACKSON'S QUARTET
(Hi-Lo 1405)

● Milt Jackson's Quartet, with Milt Jackson on the vibes, beats out a moderate tempo tune softly. Jackson's nimble runs are backed easily and in subdued manner by the bass, piano and drums as the quartet waxes a likely end. The under siding is a slow piece that acts as a showcase for the Jackson vibing.

"DRILL, DADDY, DRILL" (2:55)

"MUST GO OUT AND PLAY" (2:56)

DOROTHY ELLIS
(Federal 12070)

● A hustling bounce novelty with double entendre lyrics is treated to a forceful reading by thrush Dorothy Ellis. Dorothy's dynamic vocal is backed solidly by the instrumental group which handle the exciting arrangement. Handclapping in the background adds to the spirit of the waxing. The second side is a slow blue that the chantress sings sincerely. The orking is strong and the coupling is a two-sided buy for ops.

"THIS IS HAPPINESS" (2:30)

"LOVE IS HERE TO STAY" (2:43)

DIZZY GILLESPIE
(Atlantic 966)

● Dizzy Gillespie covers the mambo beat tune already making noise in the R & B field with an instrumental adaptation that comes out an exciting side. The bit vocal and chorus chanting by the musicians are incidental. Flip is an old Gershwin tune that displays some terrific trumpeting and is another pleasurable end.

"DARLIN'" (2:35)

"BOOGIE-OOGIE" (2:39)

LARRY DARNELL
(Okeh 6869)

● A slow ballad is projected easily by Larry Darnell as he handles the sentimental lyrics in smooth style. Darnell's potent vocal receives a top flight assist from the instrumental group. The under siding is a fast rhythmic ditty that Larry rips through with spirit. We like both sides.

"LOST WITHOUT YOU" (2:20)

"I DON'T WANT TO TAKE A CHANCE" (2:33)

EARL WILLIAMS
(Okeh 6874)

● Two beautiful ballads are sung by Earl Williams easily, smoothly and with a voice that should take this platter far. Williams' effortless but pulsating delivery is first rate. Orking, under the direction of George Williams, is top flight and provides the proper setting for the vocalist. We like both sides.

"DARN THAT DREAM" (2:26)

"IDA RED" (1:58)

CHRIS POWELL & HIS FIVE BLUE FLAMES
(Okeh 6875)

● A slow ballad, that Chris Powell reached back into the years for, is given an easy spin by Chris and His Five Blue Flames. The arrangement features some solid saxing and choral chanting by the group. Vance Wilson gives out with the sax solo and the combined efforts of Powell and the Blue Flames make this a strong side. The under lid is a change of pace that has the combo working over a rhythmic item successfully.

"BUT NOT FOR ME" (2:25)

"ROUGH RIDIN'" (2:45)

THE OSCAR PETERSON QUARTET
(Mercury 8976)

● Oscar Peterson drops the drums from his quartet for the fast moving Gershwin piece, and runs through an exciting side. The vocalist does a small bit, but the instrumental aggregation is the thing as Peterson, with some rollicking piano playing, is assisted by the Bass and Guitar. The lower end is another fast beat that the boys bang out in likely fashion. For this number, Oscar adds the drums.

"DRAGGIN' HOURS" (3:09)

"ALARM CLOCK BOOGIE" (2:35)

ODELLE TURNER
(Atlantic 964)

● Odelle Turner comes up with a very dramatic vocal of a low down blues tune. Odelle's potent chanting is supported in grand style by Jesse Stone and his Orchestra, whose polished musicianship lends much to the appeal of the etching. The under portion is a lively piece that employs appropriate sound effects. Miss Turner's dynamic singing and deft handling of the lyrics make this a strong contender.

"HADACOLE THAT'S ALL" (2:46)

"LONG DISTANCE BLUES" (3:03)

THE TRENTERS
(Okeh 6875)

● A slow, rhythmic novelty is taken for a merry spin around the wax by the Treners. The cute lyrics are given a sock reading by the vocalists. The orking, under the direction of Gene Gilbeaux is solid and features Don Hill on the alto sax. The lower lid is a fast moving ditty that changes to a slower tempo toward the end. Vocalists and sax share the honors.

TAX PROBLEMS THAT AFFECT YOU

by

Herman Jaffe, C.P.A.

The regulations state that where you carry inventory, the accrual method of accounting and of reporting should be used. Yet, many firms that carry inventory, keep their records on a cash basis only, while many others use a "hybrid" method of using inventory records and reporting credit sales on a cash basis only. Such situations are loaded with tax trouble. The Bureau will demand a change from the cash basis to the accrual basis.

A change of this kind invites a serious problem. The Bureau will attempt to exclude the opening inventory from the cost of goods sold, claiming that the cost of such inventory had been taken while you were on a cash basis—and, at the same time, force you to deduct your inventory at the end of the taxable period, from the cost of goods sold. This is what is known as "bunching," since you bunch as income, in the year of changeover, your cost in previous years, of acquiring the opening inventory.

The Bureau now takes the stand that you must include all accounts receivable at the beginning of the year of changeover, asserting that if they are not taxed now, they never will be; since they are not accruals of that year or any later year.

In every case where the taxpayer took the initiative to change from the cash basis to the accrual basis, the Bureau resorted to bunching inventories and accounts receivable, and was later sustained by the Courts.

Where the Bureau forces you to change your method of keeping books and reporting income, to the accrual basis, you are again hit with bunching, and once again, the Courts have upheld the Bureau.

Suppose, however, that you kept your books on the accrual basis; or that, even though you didn't keep them on an accrual basis but that your records accurately reflect inventories and accounts receivable, they won't be bunched when you change to accrual reporting.—So say the Courts.

Distinctions like these don't make sense to the writer, but they do to the Courts—and, who am I to argue.

Don't gamble your all when you are caught in a changeover situation, by taking the matter to Court; but rather try to compromise with the Bureau for a settlement between the extremes of bunching everything and omitting everything.

Wayne-Hefti Crew Start One-Nighter Tour

NEW YORK—Frances Wayne and the Neal Hefti orchestra have started a tour of mostly one nighters that will take them through the New England states with a one day stopover in Canada and then out to Ohio and Michigan. The band will break the tour for one day when they come back to New York City for a recording session. The Cavaliers, vocal trio, will accompany the band.

Tony Bennett will join the Wayne-Hefti group in Worcester, Mass. on May 21 and will play that city as well as New Bedford on the 22, Canobie Lake on the 23, Providence, R. I., on the 24 and Holyoke, Mass. on the 25.

Sid Fields, personal manager of Wayne and Hefti, has just announced the signing of singer Henry Jerome. Jerome as well as Sonny Howard, also managed by Fields, have signed with Music Corporation of America. Fields has left for California for about two weeks to work on the Ben Blue-Colgate Comedy Hour set for May 25.

Slick Promotion For Angelique Records

WILTON, CONN. — Disk jockeys and record reviewers this week received an elaborate folder that was heavily perfumed, contained an "invitation to light-up and listen" and a package of cigarettes so that you could do just that. The inside had a holder arranged so it could contain descriptive material and a record—and therein lies the gimmick. Also attached was a card for the deejay or reviewer to return to the company with his comments about the merits of the platter. For this gesture he would receive a bottle of Gold Satin perfume.

In this way, the trade learned of a new label "Angelique" that was making its appearance on the market with the release of two new sides, "Every Time I Light A Cigarette" and "Love By Chance." The two new tunes were written by a young couple, Elsie and Howard Freer, who work for Angelique and Company, Inc., of this city.

It all started at a Christmas party at the Angelique's. Jack Mason, arranger and neighbor, stopped in at the party as he does every year. Mason, heard the two tunes, saw them as a wonderful vehicle for a rising young singer, Kitty Crawford, and made the necessary arrangements. Angelique and Company provided the backing and Mason handled the arrangements and production.

Bobby Shad Turns Out Mercury's R & B Hits One After Another

NEW YORK—Bobby Shad has completed his first six months with Mercury as head of the Rhythm and Blues department with a long line of hits.

Bobby came over from Sittin In, an independent label which he started himself after working in the R & B field for a number of years with such firms as Savoy, Manor, Continental and National. A method which he used in waxing was to take a portable recorder in a car and start out on a trip on which he would record whatever seemed good. In this manner he found some of his biggest attractions.

At Mercury, his first date was cutting Dinah Washington. And of the sides he cut at that time, almost

everyone has hit the Hot Charts. They include: "Cold, Cold Heart," "Mixed Emotions," "New Blowtop Blues" and "Baby, Did You Hear?"

Bobby has also added many new artists to Mercury's roster including Wini Brown, Lightnin' Hopkins and Johnny Otis.

Other hits which he has developed at the diskery include "Wagon Wheels" by The Ravens; "I'll Always Be In Love With You" by Paul Quinette and numerous others.

Probably one of the most well known records people among djs in his field, Bobby travels constantly looking for—and finding—new artists and hit numbers.

Krupa Returns From Japan

NEW YORK—The Gene Krupa Trio, just returned from a five-week Pacific tour to Japan, will open at Charlie Ventura's Open House in Lindenwold, N. J., for three weeks beginning Friday, May 16th. Following that, plans call for a summer tour around the northeastern and central states.

Barton, Sanicola Form Tabb

NEW YORK—Ben Barton and Henry Sanicola have inaugurated a new independent record label, Tabb. First release is being issued now and features Jerry Wayne.

Little Esther & Savoy Settle Dispute by Arbitration

NEW YORK—Herman Lubinsky, President of Savoy Records, and Little Esther have settled their contractual differences through the arbitration decision of Frank Walker, president of MGM, it was learned this week.

Rather than have their problem go through the courts, both parties decided to accept Walker as an arbitrator.

The decision calls for Little Esther to get a lump sum in the neighborhood of \$6,000 from Savoy. This figure is based on a disputed 650,000 records on which the artist gets 1½ cents per record providing both sides were done by her and ¾ of a cent if only one side was done by her.

THE CASH BOX FOLK and WESTERN ROUNDUP

Joseph Lee "J. L." Frank, a veteran in the country music promotion field, passed away suddenly in Detroit May 4th. For several years Mr. Frank has been managing his son-in-law, Pee Wee King, and was in Detroit with King prior to King's opening at one of Detroit's leading theatres. Funeral and burial was held in Nashville, May 6th.

Clare Linn of Dearborn, Michigan's WKMH reports that the station is now set up at 15001 Michigan Avenue in it's new studios which afford ample space for their increased operation. Station is setting the pace in that area with country music. Linn emphasizes that they notice the country tunes last a lot longer in popularity than are today's trick recording methods of the pop field.

Hart Curl of WOXF in Oxford, N. C., leads a double life with a reporting detail for two local daily papers along with his radio work. His daily 2½ hour show is entitled "Farm and Home Hour" which utilizes records with plenty of farm news and interesting talk from Curl.

Bob McKeehan is moving his daily show around Arizona in the interests of his sponsor, Borden's Evaporated Milk. From the studio Bob's show is mostly country-records, however, these personals are piped in and are all live shows done by Bob and his Arizona Hayriders.

WSIC in Statesville, N. C., has "Wild Bill" Hickok on their schedule daily. He's not the one you've seen in movies—he's from Keystone, West Va. but doing a bang up job. Jack Neil, WSIC's country spinner, does 20 hours a week by the tables.

Eddy Arnold did a big promotion job in the Knoxville, Tenn. area last week. Eddy headlined the Tennessee Cancer Crusade in that area doing performances throughout the area. In this connection he visited every county jockey doing a personal interview with each. Many thanks to Eddy for this humanitarian service—and to "Cactus" Nixon of WOKE in Oak Ridge for passing the info to us.

"Ramblin' Lou" Schriver of WJLJ in Niagara Falls has been promoting Hank Snow (RCA Victor) and Hank Williams (M-G-M) through his area on theatre dates.

Pewee Maddux and Al Britt his vocalist, are hosts each week from the stage of the Ritz Theatre in Pacyune, Miss. Show is entitled "Pearl River Country Hayride" and attracts quite an area audience. Show is carried in it's entirety by WRJW. Pewee and Al are just out with their first M-G-M release and there is a lot of comment in the d. j. circles about it. Shreveport's "Louisiana Hayride" three hours live folk music show toured the state during April playing to capacity crowds everywhere. Show was m. c'd. and looked after by Frank Page who also carries the country record honors on KWKH.

Smokey Smith of KRNT in Des Moines had a busy week recently having promoted a "Grand Ole Opry" showing at the KRNT Theatre and mc'ing the world premier of "Bronco Buster" at the Paramount Theatre. Smokey's "Opry" guests were Carl Smith (Columbia), Ken Marvin (RCA Victor), and Ray Price (Columbia).

WARE in Ware, Mass., has initiated a 15-minute country and western disc show across the board with Phil Alarie doing the honors. Show goes on at 8 A.M. and is showing top listener acceptance.

Roy Acuff (Columbia) has been busy personally supervising the remodeling and readying of his Dunbar Cave (just out of Nashville) for the coming season. Park opens officially May 11th. New kiddie rides have been installed and the whole operation given a general "face lifting." T. Texas Tyler (Four Star) has been booked for two appearance on May 18th with other out of town names to be featured each weekend. Booking and promotion is handled by "Uncle O'ie" Hamilton who does the country record work on WJZM in Clarksville, Tennessee.

Bruce Grant of Kansas City's WHB heads station's Saturday night "Cowtown Jubilee" which carries on for five hours from the stage of Ivanhoe Temple. Grant, alias "Pokey Red" also heads Saturday store promotions for sponsor Golden Wedding Coffee. Gang plays in aisles of groceries for four hours each Saturday. This is, in addition to Grant's daily disc shows.

The Stanley Brothers (Columbia) heading for daily shows via WVOW in Logan, W. Va., according to stations d. j. personality, Happy Ison.

THE CASH BOX FOLK & WESTERN RECORD REVIEWS

"I CAN'T STOP LOVING YOU" (2:30)
"FOUR BARE WALLS AND A CEILING" (2:37)

COWBOY COPAS
(King 1046)

COWBOY COPAS

● Cowboy Copas warbles a slow sentimental tune with a warmth and feeling that appealingly catch the ears of the audience. Copas, who has long been a performer with

the ability to wring every drop of potential out of his material, comes up with a pretty number that has melody, potent lyrics and a moving arrangement. These essentials, added to the deft delivery of the artist make this a disk that will click in the boxes. Titled, "I Can't Stop Loving You," the upper deck is one that will have ops counting the coin as it rolls in. The under portion is a moderate beat weeper that Copas chants in his stylized manner. The result is a fair side. Cowboy Copas is supported solidly by a string band that provides a fitting musical backdrop for both decks. We expect the top lid to zoom into the best sellers.

"DEVIL'S HEART" (2:47)
"HILLBILLY HEAVEN" (2:27)

WESLEY TUTTLE
(Capitol 2091)

● A slow ballad is treated to the smooth vocalizing of Wesley Tuttle. Wesley's easy reading of the sentimental lyrics lends an appeal to the end that should win it many spins. The lower lid is another slow item with a light gospel treatment that Tuttle warbles warmly. The string band accompaniment backs the artist solidly on both decks.

"HOT DIGGITY DOG" (2:56)
"LOLA LEE" (2:51)

"LITTLE" JIMMY DICKENS
(Columbia 20930)

● "Little" Jimmy Dickens handles a moderate beat item zestfully. His spirited reading with vocal tricks makes this a strong side. The second end is a slow piece that Jimmy warbles warmly and effectively. The string accompaniment sets the proper mood for Dickens' vocal efforts on both decks.

"SLEEPY LITTLE COWBOY" (2:34)
"ALL I NEED IS YOU" (2:39)

DEEP RIVER BOYS
(Beacon 9146)

● The Deep River Boys harmonize on a slow, pretty lullaby with heartwarming ease. The appealing lyrics are given a mellow treatment by the quartet. Light hoofbeats heard in the background are an effective addition to the chanting of the group. The flip is a lilting tune with a light bounce that the Deep River Boys sing in a light fashion.

"MOBILIN' BABY OF MINE" (2:16)
"I'LL NEVER BE THE SAME" (2:26)

GENE O'QUIN
(Capitol 2075)

● Gene O'Quin takes a moderate beat novelty and bounces gaily through the fetching lyrics. Gene's infectious warbling in nasal style is capably backed by the instrumentalists and the result is an ok disk. The under portion is a slow wailing weeper that the artist sells dramatically and succeeds in bringing in a likely side.

"CANDY IN A ROOM WITH A BABY" (2:10)
"I JUST WANT TO BE WITH YOU" (2:50)

THE OKLAHOMA WRANGLERS
(RCA Victor 20-4659; 47-4659)

● Guy Willis belts out a fast moving ditty with feeling as he gives the romantic lyrics a zestful reading. Guy's handling of the bouncy item is supported in solid fashion by the string accompaniment. Flip is a moderate beat item that Guy delivers easily as he succeeds in bringing in a pleasurable side.

"SUN VALLEY POLKA" (2:25)
"MAGIC MOON" (2:40)

CURLEY COLDIRON & THE CIRCLE C BOYS
(Sullivan Records 512)

● A happy polka beat is taken for a merry spin by Curley Coldiron and the Circle C Boys. Curley chants the bouncy piece with spirit and the boys support him with a fitting musical backdrop. The under portion is a slow number that Wally Moore and Cliff Steele collaborate on while the group blends in the backdrop. The resulting effort is an ok disk.

"MOBILIN' BABY OF MINE" (2:16)
"I SHOULDA SAID" (2:40)

EDDIE MARSHALL
(RCA Victor 20-4661; 47-4661)

● A hustling novelty bounce is given a sprightly treatment by Eddie Marshall. The deep voiced chanter employs his vocal tricks appealingly, and is set against a subdued musical background effectively. Eddie's warbling helps make this a strong end. The lower lid is a cute ditty with a slower beat that Marshall sings infectiously.

"TRIFLIN' WOMAN BLUES" (2:32)
"MY TEARS WILL POUR JUST LIKE RAIN" (2:32)

MOON MULLICAN
(King 1060)

● A slow country weeper is warbled expressively by Moon Mullican. The warbler's feelingful interpretation of the sad lyrics is supported by a string band which handles the light bounce softly. The second side is a change of pace item that Moon rips through with gusto. Mullican sings the ok lyrics with contagious spirit and the result is a likely side.

J. L. Frank Dies—Was Pee Wee King Mgr.

J. L. FRANK

NASHVILLE—J. L. (Joe) Frank, manager and father-in-law of band leader Pee Wee King for the past nineteen years, died Sunday, May 4th, of a heart attack in a Detroit hotel. He was fifty-two years old. Frank was in Detroit arranging for Pee Wee King's opening in that city.

In the music business for twenty-five years, Frank managed a great many names in the early days of the folk & western field. Among them were: Gene Autry, Fibber McGee & Molly, Smiley Burnette, Roy Acuff, Ernest Tubb, The Hoosier Hot Shots, and more recently, in addition to Pee Wee, Frank managed the affairs of newcomer Neil Burris.

He saw many artists get their start with the Pee Wee King band. One of the most popular recording artists today, Eddy Arnold, was one of them.

In addition to his managing duties, "Joe" Frank was active in the publishing field as a partner in the firm of Ridgeway Music.

Surviving, besides daughter Lydia, wife of Pee Wee King, are wife, two other daughters, and two sons.

**Modernaires Run Contest
What Is A "Dipsy Doodle"?**

The dipsy doodle is the thing to beware,

The dipsy doodle will get in your hair.

And if it gets you, it couldn't be worse,

The things you say will come out in reverse.

But what's a Dipsy Doodle?

The answer to the perennial question was recently found out through a nation-wide contest. Radio listeners were asked to help the Modernaires find the answer to the question. They in turn, offered a \$50 prize "for the most comical or most interesting 'daffy-nition' of a dipsy doodle." Entries were submitted through the local disc jockeys. Originally, there was not a second prize, but the response was so overwhelming, that the fun-fest called for one.

The first prize submitted by Al Ross, WBAL, Baltimore, Md., went to Mrs. David Rosenthal of Towson, Md., who said that a Dipsy Doodle was a:

Deejay Corrals Grand Ole Opry Stars

DES MOINES—Pictured above, left to right, are Ken Marvin, Ray Price, Smokey Smith, and Carl Smith.

The western artists and recording stars were appearing in Des Moines on April 22 on a Grand Ole Opry Show, and Smokey Smith, KRNT deejay, corraled the boys for one of his shows.

The Grand Old Opry opened in this city in a deluge of rain, but in spite of this obstacle, the popular entertainers played to a crowd of nearly 3,000.

Barclay Allen, Injured Martin Pianist, Waxes Two Sides

LOS ANGELES—Barclay Allen, former Freddy Martin pianist, co-founded the doctors and thrilled his friends when they learned that the wheel chair ridden pianist, who had suffered a fractured spine and a broken neck in an automobile accident, had recorded two standards, "Cherokee" and "After You've Gone." The disk will be released by RCA Victor about May 23.

Allen, who had been told by physi-

cians that he would never play again, wheeled himself into the recording studio and cut the two sides while seated in his wheelchair. Four different piano soundtracks were superimposed and bass and drums were dubbed in.

Allen lives in North Hollywood with his wife, and had been out of show business since the accident two-and-a-half years ago.

L. A. MUSIC OPS HAIL DIME PLAY

Claim "The Cash Box" Report Has Stimulated Juke Box Ops' Efforts To Get O. P. S. To Agree To 10¢, 3 For 25¢ Play. Plan New Appeal To Local O. P. S. Office For Permission To Hike Price

LOS ANGELES, CALIF.—Thruout the entire Southern California area there is now a growing clamor for 10c play, 3 plays for 25c, to get under way.

Especially since appearance in this publication, this past week, of the report that leading operators here and surrounding this city are now asking that dime play get under way.

Without regard to any rules or regulations, and in view of the fact that they found themselves losing money, some smaller ops jumped over to dime play and ran head on into O.P.S. (Office of Price Stabilization).

As these ops have since stated, and a few of them have already been fined: "We cannot see for the life of us where we, in any fashion whatsoever, are upsetting any of the O.P.S. Regulations.

"We are simply trying to earn a living. Our phonographs are placed in the average location. In no way have any effect on the higher cost of living. Nor do they, in any fashion, tend to step up living expenses anywhere."

Since the appearance of the last week's article here regarding the fact that some of the leading Angeleno operators are going all out in an effort to bring about dime play, many smaller ops in the surrounding communities have also entered into the spirit of this plan.

They, too, are going to make an appeal to local O.P.S. offices to allow them to try to get a decent return on their investment and possibly even a profit, by allowing them to change over to dime play, 3 plays for 25c as is in effect in many of the other cities and counties thruout the nation.

The hope is high here that the ops will be able to convince local O.P.S. offices that they need dime play to survive.

They can show reports and charts which have been taken from *The Cash Box* why dime play is today imperative if the juke box operator is to survive.

They are also preparing reports from their accounts and CPA's and plan to present these to O.P.S. here in an effort to prove to this agency that they cannot any longer continue at nickel play when costs have zoomed away into the blue, blue sky.

Juke box distribs here are 100 percent behind the ops. They, too, realize that they cannot go on selling equipment, especially at the prices of the new machines, if the ops can't earn a decent livelihood from what they are now operating.

Nick Carter of Nickabob Sales, Bill Happel, Jr. of Badger Sales Co., Paul A. Laymon of Paul A. Laymon Co., Dan Stewart of Dan Stewart & Co. are all for the plan.

The only man who couldn't be reached this past week was Jean Minthorne, Seeburg distrib here, who was in Chicago at the Seeburg distributors' meet.

In short, with all forces behind the ops and with the distributors here also working to bring about a general move to dime play, the hope is that O.P.S. will recognize the need for this higher coinage play action and will okay the use of the dime as it has been okayed for the telephone company and others here.

Bally Shipping 3 Different Products

JACK NELSON

CHICAGO — Bally Manufacturing Company, this city, is currently in production on 3 different types of

amusement machine equipment, according to Jack Nelson, general sales manager.

The latest of the three to start rolling off the lines at Bally is the new, ruggedly built, richly ornamented, coin-operated horse, called "The Champion."

And, only days before "The Champion" was trotted out of the plant, Bally's first shipments of "Atlantic City", a new, card-type, five-ball re-play game containing brand new scoring features, had arrived at its distributors thruout the country.

These two, together with Bally's jumbo pinball game "Futurity", popular in the field for many months, make up the 3 different Bally products that this firm is offering operators, which makes it possible for them to choose a type of equipment best suited to meet various location requirements.

"We're turning out all three just as fast as conditions permit" stated Nelson, "and Bally distributors are presently supplying the operator in an excellent manner."

Joe Barton Named Mgr. For Bush Distrib. Co.'s Jax Office

JACKSONVILLE, FLA.—Joe Barton has been appointed to head the Bush Distributing Company offices in this city, according to an announcement by Ted Bush, head of the firm. Main headquarters of Bush Distributing Co. is located in Miami, where Bush and Ozzie Truppman supervise things.

Barton takes over the Jax offices with the good wishes of the entire Bush organization, and with the full confidence of Bush that he not only well deserves the position, but that he

will do an exceptional job for the operators in that area.

"Joe, for the past six years, has been thru the entire working cycle of the coin machine business, not only as an operator, but as a technician and as a salesman," stated Bush. "He has been working all this time in the territory that he is now actively managing for our firm. He is, therefore, well acquainted with all the operators in the Northern and Western Florida area, as well as those in Southern Georgia. He has an enviable reputation with all these operators, and they can look toward him for every cooperation."

Barton's rise in the coin machine business has been rapid and solid. He started out working for a distributing firm in Jacksonville as a mechanic. From there, he was promoted as chief mechanic. His next forward step was to the sales force, which eventually led to his appointment as sales manager.

"He is especially equipped for this coming year in handling the sales of the new Wurlitzer 1500 phonograph," stated Bush. "At the time Wurlitzer ran its Service School on this new model at the factory, Barton attended and his familiarity with the new machine will enable him to be of better service to his customers."

Pictured above we see Ted Bush welcoming Joe Barton into the family.

Ky. State Court Of Appeals Rules Against Cash Payouts On F. P. Games

LOUISVILLE, KY. — Kentucky's State Court of Appeals has ruled (May 2 that pinball machines are illegal devices when players are paid off in cash by the location for "free games" they win.

The ruling was handed down in two cases involving five one-ball machines. The five machines were among 43 seized last August in a county-wide crackdown by Barren County authorities.

The five machines, not their owners, were tried August 23 in Barren County Court, where Judge Carroll M. Redford ruled they were gambling devices and ordered them destroyed. The owners then appealed to Circuit Court. Two juries in that court on Sept. 14 found the machines were used in gamb-

ling. Circuit Judge Frank W. Jones directed the machines be destroyed. Again, the owners appealed.

The Jax office of Bush Distributing Company (above) at 60 Riverside Avenue, was built by T. B. Holliday for the express purpose of distributing coin machines, and is one of the most beautiful, as well as most practical, in the entire country.

Gottlieb Ships New 5-Ball

CHICAGO—"Crossroads," new five-ball pinball game, introduced this week by D. Gottlieb & Company, this

city, is now available at all the firm's distributors, according to an announcement by one of the manufacturer's executives.

This new game stresses extremely high scoring, altho it also features the many other popular features of Gottlieb's games.

There are 5 "Ball-Trap" holes in the "Crossroads" circle. The center hole scores 1 million; the 4 outer holes score 1/2 million each. All holes light corresponding Roll-Over Buttons for Super High Score. The player fills the 4 outer "Ball-Trap" holes for 1 replay. They fill all the 5 "Ball Trap" holes for 3 replays. He also tries to make 1 to 7 sequence and light the bottom replay Roll-Over.

Replays are made on high score up to 8 millions, and replays for "Cross Country" point scoring. There are also 2 mystery high scoring "Pop" Bumpers; 2 Point Scoring Cyclonic Kickers; and 2 Super-Power Flippers.

As is the case with all Gottlieb games, "Crosswinds" has undergone extensive tests and distributor observation prior to the game being put on the production line.

Gas Curbs Worry Ops

CHICAGO—Curbing the use of gasoline may upset many operations thruout the nation, coin machine leaders here reported, after conversations with many of their customers in country areas.

These men stated that the average country operator covers many hundreds of miles each day servicing and collecting from his machines which are usually scattered over a very wide area.

Miller Advises Dates Set For MOA Meet In Chicago

Sept. 11, 12 And 13 At Congress Hotel

GEORGE A. MILLER

OAKLAND, CALIF.—George A. Miller, president of MOA (Music Operators of America) wired *The Cash Box* this week that the organization has set September 11, 12 and 13 as the dates for their annual MOA convention and meet. The hotel which will hold the meeting is the Congress in Chicago.

The dates set immediately precede those of the NAMA Convention, which will be held on Sept. 14 to 17 at the Palmer House. (*The Cash Box* has advocated an arrangement such as this for a long time, suggesting that all conventions be held the same week,

even at different hotels if so desired, so that operators can arrange to be present for practically the same outlay in expenses.)

"We are fortunate to obtain these dates," states Miller. "These dates are the only ones that could be obtained at any of the hotels, and it was made possible only by making some changes and adjustments at the Congress Hotel for the benefit of MOA."

General Committee for Arrangements include: George A. Miller, Ray Cunliffe, Al Denver, Phil Levin, and Hirsh de LaViez. Convention Committee is composed of Richard Schneider, Clem Stetson, Clinton S. Pierce, Morris Goldman, Les Montooth, Ben Ginsberg, Jack Mulligan, Tom Withrow, Dick Steinberg and Mike Imig. Advisory Committee: Sidney Levine, legal counselor, Irving Ackerman, associate counselor.

"We are making plans and arrangements to make this the biggest of all music machine conventions," reported Miller. "We have already been assured that many record companies who have not shown in the past will be present, as well as the majors. Many manufacturers of auxiliary equipment will be in attendance and nothing is being left undone to have the very largest attendance possible."

Meetings will be held each day of the convention with constructive programs on public relations, promotion of the music industry, and legislative matters that will be of great interest to those who attend. Outstanding speakers will be presented on each day. There will be entertainment for the wives during convention time, and as a closing feature, there will be the grand banquet.

Phila. Coinmen Host "Miss Israel, 1952"

PHILADELPHIA, PA.—The coin machine industry can be sure that the petite and pretty 20-year-old Miss Michal Harrel, "Miss Israel, 1952," who is making her first visit to the United States since winning the Israeli beauty crown, will take back with her all the current rages in the amusement machines industry after finding in Philadelphia that her reception committee comprised four leaders in the coin machine field. "Miss Israel" came to Philadelphia last week to highlight the annual Allied Jewish Appeal Day at the Green Valley Country Club. Joseph Ash, head of Active Amusement Machines Company, served as chairman of the reception committee for the charity event. For his committee members, he selected industry members who are members of the Green Valley Country Club. Shown here with "Miss Israel, 1952" are (left to right) Sam Moss, head of Moss Amusements and secretary of the Amusement Machines Association of Philadelphia; Leo Beresin, vice-president of the Berlo Vending Company; Joe Ash, and Phil Frank, head of the Automatic Vending Corporation of Philadelphia and Chester, Pa. Ash is chairman of the Amusement Machines Division for the 1952 Allied Jewish Appeal campaign currently under way.

F.O.B. Factory, Chicago

Won't come as news to anyone within shouting distance of L. A. Coin Row that Bill Gersh has been in town. Our bossman planed in from Chicago with the Mrs. and spent almost every minute while he was here calling on his many old friends in this business. Took a little time out for social visits, of course, including some of that famed Paul and Lucille Laymon hospitality and an escorted tour of their really out-of-this-world gardens. We've seen some prize landscaping around the town over the years, as had the Gershes in every city of the country, but the Laymon layout comes up a blue ribbon prizewinner. Rounding out the dinner party were Charlie Daniels and very nice wife Gladys. The men listened close to the ideas and enthusiasm that poured forth from Gersh. . . . Bill and Abe Chapman had a reunion over at Jack Simon's, where they reminisced over old times and noted how there's still a big future for the mechanical horses (or any other good going game or ride, for that matter). Seems the small town ops from Coast to Coast are just now catching up with the horses, according to the orders that are coming in.

Spent a pleasant hour or two with Nick Carter and operator Dwight Osborn from San Jose, the pair observing that music is holding its own up thataway. . . . Music seemed to be doing all right in the bar across from the Nickabob, where we briefly adjourned. And the machine was an AMI, to be sure. Al Sherman and Ralph Bass of Syd Nathan's King and Federal labels, dropped in during this period. . . . Bill Gersh also had himself a nice visit with Lyn Brown, who plans soon to move to another spot, from where he can function most effectively as Exhibit's rep for the Western states and still continue with a non-competitive enterprise or two on the side. . . . Another old friend who had a few yarns to swap with Gersh was Al Silberman of Badger Sales. . . . In all, the boys along the street seemed mighty interested in what our publisher had to say about the 10th Anniversary Issue of The Cash Box. . . . We were impressed with his account too, adding up to the most comprehensive journal of news and history ever published in the coin machine field.

Something new has been added to the Row, with Solotone moving from its corner location a few stores down the street on Pico Blvd. and a cafe taking over their former spot. . . . Makes it handy for the folks next door at Bill Leuenhagen's as eating places have been at a premium around this area for some time. . . . Just across the street, Fred Gaunt and Al Bettelman also expressed their hopes that the eatery would have edible food. . . . The Charlie Robinson staff seems so busy these days with all kinds of new and used equipment unloading and loading that we wonder if they find time to eat. . . . The appliance business must be but good for Bill Happel and crew down the street, what with more personnel being added to keep up with the increased stock and customers. . . . Dropped in with B.G. at Dan Stewart's, whom Bill knows from Salt Lake City, only to find both Dan and Bob Bever out of town. . . . Jo Ann Lewis filled us in on the Rork-Ola situation as being in fine shape.

Just had us a call from Paul Laymon that a batch of Wurlitzers were due in, which means that the boys whose orders are at the top of the list will get theirs, as that's the way Paul handles the business. . . . On the Row: William Bradley of Covina. . . . I. B. Gayer and Dick Gray from San Bernardino. . . . Santa Monica's Henry Gerwin. . . . Henry Van Stelton of La Habra. . . . Pete Shupp and Pete Pellegrino of South Gate. . . . Colton's Lawrence Raya. . . . Dick Harrison of Fontana. . . . Ray Chirallia from Madera. . . . Mr. and Mrs. Carr and Dale Freeman of El Centro. . . . Looks like plenty of activity ahead for all the distribs selling equipment to the boys operating the San Bernardino mountain resorts as Lake Arrowhead, Big Bear and the others opening up just about this time of the year.

Norm Bowden who heads the Service Department for Moe Libin's Central Distributing Company of Lewistown, Montana, just returned from a honeymoon trip into the warmer climes of Southern California. Norm visited along the Coin Machine Row in Los Angeles and dropped in to say hello to Jo Ann Lewis at Dan Stewart's, as Norm knew the attractive gal when she was associated with Stewart's Salt Lake City office. . . . W. E. Hall (known to the trade as Ed), congenial Eastern Regional Manager for Rock-Ola Manufacturing Company out to Salt Lake City to see Dan Stewart. Ed is busy as a bee trying to take care of his Eastern territory and handle some of the Western territory due to the resignation of Ed Lake. . . . Frank Ritchie back in town for a few days trying to catch up some loose ends. As you know Frank was promoted to R. F. Jones Company, Seattle Branch. Frank reports Seattle as a very nice town but will never forget the gang around Salt Lake City.

Tommy Thompson, R. F. Jones Co., getting all ready for his big showing (Sunday, May 11th) of the New 50th Anniversary Seeburg. Tommy expects a huge turnout. . . . Johnny Ruggiero and C. M. McMurdie on their way to Chicago, stopped to pay their respects to the R. F. Jones Company Salt Lake City office. . . . Mr. and Mrs. Ray Ebert of Livingston, Montana, had a new baby girl. . . . Quite a coincidence that Press Struby, Al Nowles, and Bob Bever ran into each other when making a trip through Montana last week. . . . Bowler business very good in Cheyenne, Wyoming, according to Joe Spackman. He reports that in the spots that have bowlers it seems like "the good old days." Joe's buying a new automobile so business must be very good.

Two city slickers, Lou Boasberg and Aruns Calery, paid a visit to Taft Odder at his Slidell farm the other day. After a hearty breakfast, the boys headed back to the city—couldn't stand the fresh air. . . . Incidentally Taft checked into Hotel Dieu for a complete checkup only to find that he is in the best of health. What more could you want, Taft? . . . There seems to be plenty of activity in the used field in three or four of the parishes that went out on Automatic games and Nick Carbajal is trying like mad to catch up on orders.

. . . Our good friends Buster Williams and Ed Robinson breezed into New Orleans for a couple of days. In between looking up old friends, Buster managed to spend a little time with his doctor for a check up. . . . Has anybody seen Elmp Pierce, the mystery man? . . . Summer weather has hit us squarely in the eye and everyone has been rushing to the beach on week ends. Ponchartrain Beach seems to be the gathering place for many of the operators and their families. . . . Lou Krefetz of Atlantic Records with Lois and Dick Sturgell of A-1 Distributing dashing over to Mobile to catch The Clovers doing a one nighter. . . . We are mucho sorry to hear about the sudden illness of Mr. Alleman of the A.M. & F Distributing Company. Mr. Alleman was rushed to Hotel Dieu with a ruptured appendix. We sincerely hope he is up and about very soon.

We hear tell that Ray Bosworth hit a hole-in-one recently and by the way, Ray now has a barbecue pit at his home. He offers a recipe for Scotch spare-ribs. First you take three jiggers of good Scotch whiskey, barbecue the spare-ribs, serve them to your guests, then take three more jiggers of good Scotch whiskey. Sounds real fine. . . . Emile Wille, who has the Algiers territory, says he will welcome the contemplated Mississippi River bridge. Don't be too happy, Emile, remember that moat with the muddy waters has protected you from the local wolves for a long time. . . . Lou Boasberg says he had a dream the other night. In this dream he saw a whole trainload of "Atlantic City's" being unloaded at New Orleans Novelty Company. Lou said he knew this was a dream even while he was dreaming. . . . And with this thought Lou deserts the Crescent City momentarily for the windy city of Chi.

Arnold K. Brevik of Watertown, S. D. made the trip into the Twin Cities to see what was new in coin operated equipment and also to get some supplies for his route. . . . Another operator in town from South Dakota was Darlow Maxwell of Huron. . . . Harold J. Lynard of Kasson, Minn. has been so busy of late that he just managed to get into the Twin Cities for a few hours and then had to go back again and of course he picked the hottest day of the season that we have had so far, the temperature being in the 90's. . . . Charlie Swahn of the Apex Amusement Co. in Minneapolis is in the hospital with an arthritis condition and we certainly hope that he is out and around again very soon. . . . Every week it seems that there is a sizable contingent coming in from the St. Cloud area and although they do come into town singly, invariably they do meet here and there at the various distributors or record houses. . . . In town the past week from the St. Cloud area were Fred Kirschman; Pete Kramer; Charles Sersen and Charles Bohnen of Wheat Park. . . . T. J. Fischer of Waconia, Minn., who is very active in the Izak Walton League, took some time off to come into town to pick up supplies and records for his route. Ted has had it very nice inasmuch as he lives right on Lake Waconia and that lake has been open all year around for fishing.

There has been a decided increase in the demand for coin operated horses now that the operators and merchants have seen what these horses can do and also due to the fact that a lot of the merchants are taking and putting them outside in front of their establishments and they have been doing this since the weather turned nice. It is not unusual to see a group of kids lined up around the horse waiting to ride it. . . . Seen here and there at the various distributors and record houses were Kap Kesiter of Frontenac, Minn.; Ted He'l of Gaylord, Minn.; Harry Nold of Cambridge, Minn.; Frank Phillips of Winona, Minn.; Al Eggermont of Marshall, Minn.; L. J. Savard of Red Lake Falls, Minn., and O. L. Coefield of Annandale, Minn. In town for the first time in many a moon was William Hunder of Wheaton, Minn., with his brother, Don.

Buys First Wurlitzer 1500 In Canton Area

CANTON, OHIO—Bert Bayer, owner of the Bert Bayer Novelty Co. in this city, is pictured above with his new Wurlitzer 1500. Bert was the first operator to purchase the new phonograph from Wurlitzer distrib Herb Wedewen of Northern Music, Inc., Cleveland, O. He is placing his phonographs in the Canton area and the first installation was made in the Q. P. Hamburg Shop in that city.

Facilities Now Available For Converting Ampco's "Turf King" Into "Hialeah"

BALTIMORE, MD.—Russell Ramsdell, president of Amco Engineering Company, Inc., of this city, announced this week that ample facilities are now available for the large scale revamping of "Turf Kings" into "Hialeahs."

Ops who own "Turf Kings" and would like to have them changed over can do so in two ways. One is to ship the machines to the factory where they will be completely refurbished, or else "Hialeah" kits can be sent for and the operator can make the conversion himself. Refurbishing of the machine will

consist of installing new units, new 12 color screened back glass and a 5 color paint job.

Ramsdell said that the firm had met with great success converting the machines in its own territory and that now it is in a position to handle requested conversions all over the country.

Full details of the revamping program are being explained to *The Cash Box* readers in a series of ads which Amco has begun in this week's issue.

Westchester Ops Hold Successful First Banquet

ELMSFORD, N. Y.—The Westchester Operators Guild, Inc., held its first annual banquet on Tuesday evening, May 13th, at Bill Reiber's Restaurant. The affair was a huge success as an overwhelming crowd of approximately 300 guests, including operators, their families and guests, jammed the main dining room of the eatery. The attendance far exceeded the expectations of the Guild, who had prepared for about 200 people.

Carl Pavesi, president of the Guild, made a short speech of welcome and reviewed the accomplishments of the group during its short life.

Malcolm Wein, attorney, acted as m.c. for the business part of the dinner and introduced Max Klein, vice president; Louis Tartaglia, treasurer, and Seymour Pollak, secretary and general chairman, all of whom were seated at the head table. Also introduced from the floor were representatives of manufacturing companies, distributing companies, record companies and officials of coin machine operator groups from neighboring cities.

Among those present were: Ben Becker, regional representative of Bally; Jack Mitnick, regional representative of AMI; Barney (Shugy) Sugerman, Abe Green, Morris Rood, Lou Wolberg and Irving Kempner of Runyan Sales (AMI distributors); Joe Young, Abe Lipsky, Allie Goldberg, Etta Brodsky and Sophie Selinger of Young Distributors (Wurlitzer distributors); Charles Reissner, Bob Slifer, Ed Adams, and Herman Halperin of Seacoast Distributors (Rock-Ola distributors). Several representatives of the Atlantic-N. Y. Corp. (Seeburg distributors) were also present. Harry Rosen and Meyer Parkoff of Atlantic were unable to attend as they were in Chicago at the time.

The entire board of directors of the Automatic Music Operators Association of New York were present. Included were: Al Denver, president; "Senator" Al Botkin, Lou Hirsch, Arthur Herman, Joe O'Connor, Charles Aronson, and Nash Gordon. With the above group was Sidney Levine, attorney for the New York association.

The Connecticut State Coin Association, Inc., was represented by James Tolisano, president; Louis Naclerio, vice president; Kenneth Jarrett, business manager, and Louis Beilman.

From the Greater New York State Operators Association were: Al Schlesinger of Poughkeepsie and Mrs. Gurdon Browne of Beacon, N. Y.

A great many "name" recording stars performed into the small hours of the morning.

Lou Casola Buys Two Phono Routes

ROCKFORD, ILL.—Lou Casola of Mid-West Distributing Company, this city, has purchased the routes of J. J. Ruttenberg, Dudley Sales Company and Reuben Borgen, Borgen Music Company.

Added to the present number of music machines operating for Mid-West this puts Lou Casola in the position of being one of the largest individual operators in the nation with over 600 phonos in operation in this area.

The consolidation was rumored here for some time, but was not completed until this past week, when the news was officially released by Lou Casola from his Mid-West Distributing Co.

THRU THE COIN CHUTE EASTERN FLASHES

The Cash Box went to another party this week—this one, the first annual banquet of the Westchester Operators Guild, held Tuesday night, May 6, at Bill Reiber's Restaurant, Elmsford, N. Y. . . . Without any previous experience along these lines, and with very few mistakes being made, the officers and executives who carried thru on the details gave their operator members, their families and the many guests one of the most pleasant evenings possible. One of the mistakes made (and strictly because this was the association's first party) was that they underestimated the number of people who would attend. The affair drew at least a hundred more guests than had been anticipated. Another matter that should be eliminated at future banquets is the speech making and introduction of guests. While Carl Pavesi made the only talk, and it was only a short one, it could be eliminated entirely—or if the group think it best, the president could just say a few words of welcome to all. Introductions always take up a great deal of time, and then there's always the possibility of overlooking some important person, which only causes grief. The introductions made at this banquet included recording companies, distributors, manufacturer representatives, heads of other associations, and members of the trade press—and we know of several important people who were left out, wrong firm connections and mispronounced names. It would be better if it were left out entirely. This practice is followed by most associations, and we just offer these suggestions to be helpful.

All the music machine distributors from this area, and many of their staffs were on hand. . . . Jack Mitnick, AMI's regional representative, stayed on in the city for the affair, and then left immediately for a complete round of his distributors. Starting in the South, he expects to finish up in the mid-west in some four weeks. . . . Ben Becker, regional representative for Bally, came in from a few weeks' stay in Canada and sat at the Runyon table. . . . Mike Munves, the arcade king, participated in the fun. Mike, by the way, so rushed filling orders for arcade equipment, he shows up pretty tired out. . . . The distributors and members of their staffs in most instances brought their wives along. Those we noted were Mrs. Mollie Sugerman; Mrs. Sadie Mitnick; Mrs. Alma Young; and the wives of Irving Kempner, Morris Rood and Abe Lipsky. . . . Our old friend Dick DeCiccio and his charming missus were having themselves quite a nice time. . . . From the upper part of New York State were Al Schlesinger of Poughkeepsie and Mrs. Gurdon Browne of Beacon. Al, one of the pioneer coinmen, is one of the most intelligent and progressive operators in the country and has some very fine ideas. . . . The Connecticut State Coin Assn. had four men present—Jim Tolisano, pres.; Lou Naclario, vp.; Ken Jarrett, bus. mgr.; and Lou Beilman. Lou Naclario is the son of the well known Joe Naclario of Waterbury. Lou tells us he finally has gotten his father to relax and take it easy a little. . . . The entire board of directors of the New York association were present, headed by prez Al Denver. There were "Senator" Al Bodkin; Lou Hirsch; Arthur Herman; Joe O'Connor; and Charley Aronson. Also included with the group were Nash Gordon, bus. mgr., and Sidney Levine, their attorney. . . . Sam Getlan, who now runs the union in this area, was on hand—as was Frank Colland, the N. Y. union head. . . . Had a laugh when Lou Herman told how he unintentionally was responsible for one of the leading distributors entering the coin biz.

Al Simon, Albert Simon, Inc., displays the new ChiCoin "6-Player Bowling Alley." . . . Bud Lieberman, once representative for D. Gottlieb & Co. in the very early days, seen in N. Y. last week, and then heads for Chicago. . . . Hymie Koepfel finds out what's been causing him that tired feeling—and now promises to work less hard. With his natural, inherent drive, he'll probably find it a most trying chore. . . . George Ponsler, Phil Greitzer, Willie Aronson and Harry Rose (a committee of the games assn.) visit all the wholesalers along coinrow—to eliminate a certain harmful condition which has arisen. . . . Dave Lowy, Dave Lowy & Company, still in Chicago. . . . The 10th Anniversary Issue of The Cash Box starting to shape up—it'll be the most sensational issue ever published in the coin biz—make sure you send in your ad right now!

THRU THE COIN CHUTE DALLAS DOINGS

Bob DePriest, a Dallas operator, spent the weekend fishing with Tommy Chatten of Commercial Music Company at Lake Texoma. They both caught their limit—50 fish each in two days. . . . George Berry of Hamlin, one of the state's biggest operators and owner of several cafes, is busy adding new equipment to his route. He has been in the coin machine business since he was fourteen years old. Today he has several hundred machines. . . . Henry Adams of Kileen is busy buying shuffle alleys. Says they are real money makers. . . . Walter Wiggins of McKinney is buying new equipment for his route. . . . W. B. Moseley of Paris says that business is good out his way. . . . Jack Eskey bought a chicken ranch just out of Dallas. Just call him the "butter and egg man." . . . Speedy (Judas) Walker of Waco is buying new equipment and says that business is going well for him. . . . Jimmy Bounds of Mexia likes the "New World Series" game.

Johnny Caldwell of Paris was in town recently picking up new machines. . . . R. B. Williams is still in San Antonio, at that branch of Commercial music. . . . J. B. Jones of Fort Worth fell and hurt his leg not long ago. We understand that there are no broken bones so he should soon be as good as new. . . . J. L. Easton of Henderson is stocking up on new equipment. . . . Ditto for Fred Ellis of Waco. . . . M. M. Maples is enlarging his route as is John McGhee of Buffalo. . . . J. M. Pipes of Big Spring is buying new phonographs and ditto for J. T. Van Meter of Dallas. . . . We talked to Audry Hunter over at State Music Distributors Inc. this week and she says that business is booming. The AMI is going like hot cakes, and the only trouble with the Keeney "Super Deluxe Bowler," is that they can't get enough to satisfy the operators' demand. . . . Fred Barber says that things are going well over at Walbox Sales Company. He is especially pleased with Bally coin operated horse "The Champion."

THRU THE COIN CHUTE

CHICAGO CHATTER

This past week we decided to follow the advice of that famed publisher and great editor, Horace Greeley. And we went west. All the way west. To L.A. The town of the Big Brag. Where they brag about sunshine and sunshine and sunshine. And, once in a while, about some little bit o' business. . . . Anyway, it was very bracing, very fascinating, and very entrancing. Especially when we learned that the palm trees in L.A. were originally brought to this marshy country by the real estate men who built the first houses. . . . Here we found I.B.E.W's pickets picketing the distributors and jobbers who don't want to join the union. . . . But business blithely goes ahead, pickets or no pickets. . . . Here in L. A. with everything down, business is better than ever—for the horses. Horses. Horses. Horses everywhere. This kid, Lyn Brown, did one ripping job in this town with Exhibit's "Big Bronco." They're everywhere. . . . The bootleggers here bootleg on the bootleggers and it has now reached the point where the distribs are bootlegging their own equipment into town at less money than what the machines cost them. It's wild and whirly merry-go-round with the distribs, jobbers and operators having themselves a gay old time in the City of the Angels. . . . Don't know whether the coinmen think of each other as "angels" but, they sure don't pronounce the word very often except in speaking with the very much fairer sex. Made a little side trip over the weekend to the City of Lost Wages. Otherwise known hereabouts as Las Vegas, Nevada. Where the crap tables run around the clock 24 hours to mankind, can be played for from dimes to thousands. Where living is fabulous. There, buried right in the heart of the desert: gorgeous hotels, beautiful swimming pools, the world's finest entertainers entertaining and shooting their wages away on the crap tables. Where anything and everything goes. And a room can't be had for love or money over any weekend. The suckers love the City of Lost Wages. The women trip jackpots for \$150 every so often. There are even slots in grocery stores. Here, there and everywhere. But pinballs games are "illegal." The Angelenos come down to Las Vegas in droves. To deposit their wages. . . . Out at Paul Laymon's very gorgeous home there are roses so big (President Hoover and the Peace roses) that it would take a dozen of the variety sold in Our Town of the Winds to equal but one of these Laymon roses. Here Paul is actually the gardener and Lucille Laymon the most gorgeous and gracious hostess anyone could ever wish for. Two really great, grand people. . . . Harry Williams is now playing in pro-amateur golf tournaments. He's the 60 shooting amateur. Couldn't get together with him this past week. Harry had sunburned the top of his head in a sacramento tournament and was in a peeling mood.

So in the smog-sun city of Los Angeles, where it gets damper and colder than anywhere else as the sun goes down, people still eat, sleep, play, love, and dream of their hometowns—like Galesburg, Ill. where Jim Wilkins and Ed Wilkes come from—like Indianapolis, Ind. where Charley Daniels comes from—like Milwaukee, Wis. where Bill Happel comes from—like Cincinnati, O. where Jack Simon comes from—like Kokomo, Ind. where Lucille and Paul Laymon come from—and like all the others which makes it almost an impossibility to find a real California native with any lineage whatsoever in this City of the Angels (?). . . . Abe Chapman had to dash down to Mexico to look over a warehouse full of stuff and, at the same time, maybe get the Mexicanos to ride the horse he's building here. . . . Phil Robinson wandering about the jobbers and distribs and wondering. . . . Irving Bromberg is more or less retired. Enjoys his penthouse on Wilshire Blvd. But, we've been told, Irv still has a warehouse full of stuff somewhere 'round the country. . . . Al Silberman advising that Mrs. Silberman has been called back by Uncle Samuel's Navy to take command at Long Beach. And Al doing a whizbangup job of selling drink dispensers, popcorn vendors, ciggie machines, etc., etc., all over the lot.

Dolores and Jean Minthorne in Chicago at the Seeburg distribs' meeting there all this past week and stopping at the very swanky Ambassador East Hotel. They also took some of their mechanical masterminds along. . . . One of the swellest guys 'round L. A. is Nick Carter who showed us what operators in these parts have to go thru when he stacked up about three inches of tax envelopes that had to be mailed that day. "And that ain't nothin' yet," as Nick says. . . . Dwight Osborn down from San Jose where all Santa Clara County is working on dime play. Dwight advising that he had to guarantee to do the conversions free of charge. To get all the boys to work along with them. And give him a six months moratorium. Promising not to jump his spots during this moratorium period. Now collections up over 40 percent above what they formerly were. The boys advise they wouldn't return to nickel play ever again. In fact they'd rather sell their routes first. . . . As an example we questioned around one distributor's place and asked all employees where they came from (just to learn if there was one "native" among them). Here is what we heard: Indiana, Illinois, Minnesota, Missouri, Mexico, Oregon, Kansas, Utah, Montana, Ohio, but, none born here in California. . . . Boys 'round these parts think nothing of driving 300 to 500 miles out to some desolate desert spot and place a game. Then call there once a week to collect. Man, oh, man, for sunny Cal.

The phono ops are now unionized, but since stickers were ruled illegal 'round these parts, dues are \$10 per month per member. The L. A. boys trying hard to get together on dime play. They hope some day 10c. play (3 for 25c.) will get going. And give them a chance to earn a buck again. In the meantime, L.B.E.W. here wants all operator-owners, mechanics, distribs, jobbers, etc., etc., to become members. . . . They tell me that Martin Bromley (that's Irv Bromberg's son whom we recall as a kid playing pin games at 29 Dodworth St., Brooklyn) now flies a route that covers miles and miles of ocean. All the way from his headquarters in Honolulu to Tokyo where Penny Arcades are now in operation at the rate of two and three to each block and where some of the old, oldie games are working their way into Yens. . . . Bill Jardine of Honolulu operates in Rangoon, Saigon, Guam, Manila, Tokyo, Okinawa and other places 'round the eastern part of this harried and troubled world. . . . Bud Parr has himself a gorgeous guest ranch down in Lower California (Mexico) with the walls four feet thick while his interest at Seal Beach goes on ahead. But his ranch on the gulf at Las Cruces, Mexico, we're told, is something to really visit.

One of the largest (over 1,000 phonos and ciggy vendors) routes in California and one of the longest established is now up for sale. It'll take \$100,000 as a down deposit to get the route. Rest on contractual notes or can be

financed. (So if you got ideas of setting down in sunny Cal here's the way to live it up). . . . Bill Happel's Badger Sales Co. have one of the most impressive complete full store displays of TV receiving sets, washing machines, ranges, refrigerators, etc., etc., you ever did yet see. . . . Young kid here has himself over 200 horses operating from L. A. all the way down to San Diego and doing a very terrific job. (Never was in the coinbiz before). . . . Lew Joffa popped into town and met with local salesman, Aubrey Stemler, who advises Electro going very grandly for him. . . . Gasoline curb has ops worried. Wondering how they'll service machines so many, many miles away with this needed fluid for their jalopies. . . . With 43 states reported to have curbed gasoline the entire industry, as one brilliant(?) Angeleno said should take itself a vacation. . . . Army camps. Navy installations. Airforce bases. All heavily covered with equipment. Now cut down to mostly vending machines. . . . Frank Lamb, formerly of Paris, Ill., one op who recalls 'way back when and tells some rather fascinating stories of operating in the old days. Frank also a designer of machines as well as one of the better ops 'round these parts. . . . "Major" Chapman over at Nickabob rolling out those AMI's as fast as they come in. When he doesn't—he's demoted to "Sergeant" Chapman.

Still can't get over that little roadside eat spot in the heart of the desert near Muroc where Ray Moloney would have got a terrific thrill to find one of his Turf Kings busier than a bumble bee as some of the Indian boys gave it a real workout. . . . Lots of interest in cigarette machines among many ops who've turned to this part of the biz because no more games operating in their bailiwicks. . . . There's a burglar alarm here that may be merchandised through coin machine distributors. . . . Charley Robinson just as dapper as ever with Fred Gaunt now working for him. Smiling Fred still of the opinion that changes will yet be made. . . . Kind of funny, ain't it, to read about guys you meet only now and then and who are more than 2,000 miles away from the Windy City? Yet they seem just as if they were only around the corner. Which proves what phones and planes have done for this speeded up ulcer-getting country of steamed-up dynamic action. . . . It sure is a fascinating business when coinmen can pop in from Brooklyn, Cleveland, Chicago, Toledo, New York, and every other big town in the nation and open operations in a town like L. A. (Life's Ambition).

How To Use "The Confidential Price Lists"

[Also Known As the "C. M. I. (Coin Machine Industry) BLUE BOOK"]

FOREWORD: Many times, wide differences appear in the high and low prices of certain equipment. Like any true reporter "The Confidential Price Lists" can only feature the market prices as they are quoted. "The Confidential Price Lists" acts exactly the same as the market quotation board at the Stock Exchange—posting the prices as they are quoted for the past week, regardless of how much they may seem to be out of line. Some prices do not change for months. "The Confidential Price Lists," rather than show no price, retain the last known quotations for such equipment so that the subscriber at least has the last known prices as a basis to work with. Prices may be very widely divergent. Someone on the West Coast may feel a certain machine worth \$150.00 whereas someone on the East Coast may think it worth but \$75.00. Of course, serial, appearance, demand, territory, quantity, and condition of equipment must be taken into consideration. (Some equipment offered by outstanding firms, having a reputation for shipping completely reconditioned machines, will be offered at higher prices than others, due to the added costs of reconditioning.) "The Confidential Price Lists" reports each quotation exactly as it is made and depends on the subscriber to make average price adjustments to fit the peculiarities of his territory.

METHOD: "The Confidential Price Lists" should be read as follows: First price listed is lowest price for the week; Second price listed is highest price.
