VOLUME XVII—NUMBER 36

MAY 26, 1956

Probably the hottest artist in the record business today is Elvis Presley, who, in the period of a few months, has skyrocketed to the top of the ladder. Above he is shown on stage at the New Frontier Hotel in Las Vegas receiving a gold record for his RCA Victor recording of "Heartbreak Hotel" which went over the million mark. Left to right: Tom Mosely, of Victor's west coast office; Earl McDaniels, KPOP, Los Angeles; Elvis Presley; Col. Tom Parker, Presley's manager; Freddy Martin; Hal Maag, RCA Victor vice president in charge of west coast operations; and Al Jarvis of KFWB, Hollywood.

STABILIZING FACTOR!

We are now approaching the season when the part played by the juke box operator as a stabilizing factor in the record industry becomes most obvious. For it is during the summer months, when retail sales of records normally decrease, that record firms enjoy the certainty of a basic sale because of the large purchases made by juke box operators. Approximately 25% of all single records are bought by the juke box operators of the nation. And large as that figure is, it takes on even greater proportions during the summertime when it is needed most.

Over the years juke box record sales have sparked the record industry onto ever increasing heights. It was the sale to juke box operators that almost singlehandedly revived the record business in the early thirties when it had been dealt what most people thought was a death blow by radio. But by the consistent purchasing of records and more records, the juke box operator was able once again to get the record firms back in business, guarantee them basic sales and through the promotional effect of having music played in locations everywhere in the country, create an entire new market for the record companies' product.

Today the potential for the rec-

ord market is limitless. Working on a solid foundation, the record industry has expanded into many new fields. It has brought regional music to the attention of everyone everywhere and has played a distinct part in making available to ever increasing numbers of people types of music that used to be enjoyed only by a few.

In addition, the record industry has been able to establish a wide market for packaged material which is becoming a more important factor in the record world all the time.

And in the future, a growing population with more leisure, more money to spend, and more time to cultivate the arts, will buy even greater amounts of records.

And while all this is going on and will continue to go on, the juke box industry will also be playing an increased role in the record market. For as juke boxes increase both in size and in numbers, they need more records to keep them filled and in turn they expose so many more records to the public which in turn then goes and buys its favorites.

The record industry since the thirties has gone hand in hand with the juke box industry. And just as it proved itself to be then, the juke box industry is still the main stabilizing factor in record sales.

LOLA DEE

(Mercury 70870; 70870x45)

B+ "BORN TO BE WITH YOU" (2:19) [E. H. Morris ASCAP—Robertson] Lola Dee comes up with her strongest side to date as she lilts through an infectious folk flavored love song from the pen of the happy whistler, Don Robertson. Thrush does a great job on the multiple vocal. Could break big for Lola.

C+ "HOT ROD HENRY" (2:24) [Hal Block BMI—Block] A lively rhythm rock and roll novelty capably handled.

NERVOUS NORVUS

(Dot 15470; 45-15470)

B+ "TRANSFUSION" [Paul Barrett BMI—Drake] One of the craziest comedy disks to come along in years is this wild, zany ditty introduced by Nervous Norvus. It's a hilarious novelty about an automobile jockey. Should get loads of laughs.

C+ "DIG" [Paul Barrett BMI—Drake] Another high speed jumper novelty.

JIMMY RANDOLPH

(Mercury 70869; 70869x45)

B "SUMMERTIME" (2:26) [Gershwin ASCAP—Gershwin] Jimmy Randolph displays his exciting voice on a potent rhythm rendition of a classic favorite "Summertime". Real rockin' delivery that the kids can dance to.

B "SHANGRI-LA" (2:48) [E. H. Morris ASCAP—] The title tune from the musical comedy "Shangri-La" is dramatically delivered by the rich-voiced balladeer. Pretty side.

CHRIS CONNOR

(Atlantic 1097; 45-1097)

B+ "PAST THE AGE OF INNOCENCE" (2:40) [Meridian BMI—Gimbel, Sawens] Chris Connor, one of today's leading female jazz vocalists, does a beautiful "Straight" commercial job with a wonderfully touching romantic ballad. Her deep voice and great understanding of the lyrics make the song take on an unusual class quality. Has many standard characteristics. It's the lark's first single on Atlantic, and jockeys oughta get a big kick out of it.

B "GO WAY FROM MY WINDOW" (2:49) Another tearful, sentimental piece of blues stirringly performed.

DON "MR. BUTTER" VIRGIL

(ABC-Paramount 9686; 45-9686)

B "PLEASE DON'T TALK ABOUT ME WHEN I'M GONE" (2:13) [Remick ASCAP—Stept, Clare] The Phil Moore Trio assists Don Virgil's vocalesthenics as he glides thru a swinging version of a great oldie. Virgil has an amusing and refreshing style. Good novelty deck.

C+ "I CRIED FOR YOU" (2:17) [Miller ASCAP—Arnheim, Lyman, Freed] Another stylish rhythm interpretation of a great standard. Colorful listening. Don has a great ability for unique phrasing.

THE CASH BOX

DISK OF THE WEEK

"SECOND FIDDLE" (2:25)
[Shapiro, Bernstein ASCAP—Redmond, Weldon, Cavanaugh, Taylor]

"LOVE AIN'T RIGHT" (2:14)
[Starstan BMI—Stanley, Knarl]

KAY STARR

(RCA Victor 20-6541; 47-6541)

● The much awaited follow-up to the sensational Kay Starr smash "Rock And Roll Waltz" made its debut on the wax mart this week, and from the sounds of it, the thrush has another chart topper. It's an emotional slow waltz tempo ballad with a wonderful lyric set to a beautiful melody. And it all goes under the title "Second Fiddle". Kay handles the tune in her one-and-only technique and demonstrates some outstanding multiple voicing. The theme of the song should meet with the fancy of adults and youngsters, just as "R & R Waltz" did. Flip portion, "Love Ain't Right", is a hard-driving cornball handclapper that cuts from the first groove thru to the last. Top half is the one to watch closely.

"A SWEET OLD FASHIONED GIRL" (2:52)
[Valor ASCAP—Merrill]

"GOODBYE, JOHN" (2:30)

[Robert Mellin BMI—Wilder, Eager]

TERESA BREWER

(Coral 61636; 9-61636)

● Big-voiced little Teresa Brewer follows her current two-sided smash "A Tear Fell" and "Bo Weevil" with what should be another twin smash in a matter of days. They're two entirely different yet equally potent sides that should appeal to the public in a big way. "A Sweet Old Fashioned Girl" is a very clever novelty about a sweet and pert young lady who's really a rock and roller at heart. It's an unusual composition from the Tin Pan Alleyites. And it has big possibilities. "Goodbye, John" displays the thrush's romantic talents as she warmly offers an enchanting sentimental love song. Luscious Dick Jacobs ork showcases the lark in grade "A" fashion. Double-barrelled shot.

"I ALMOST LOST MY MIND" (2:27) [Hill & Range BMI—Hunter]

"I'M IN LOVE WITH YOU" (2:25)

[Ridgeway BMI—Glasser, Boldi]

PAT BOONE

(Dot 15472; 45-15472)

● Pat Boone comes through with another winning side on his latest release that could develop into his biggest hit to date. Rather than jump on the best available current tune in the rock and roll field, Dot has been selective in this case and has chosen for Pat a beautiful Joe Hunter oldie tagged "I Almost Lost My Mind". It's a gorgeous ballad that was a big hit in the blues field and now should be a sell-out in the pop category. Boone handles the tearful melody and lyrics in superb fashion. And the fish beat is there for the kids. Watch this one. It looks like a sure success. The coupling, "I'm In Love With You", is a swinging side with the popular rock and roll sound. Another commercial deck. Multiple voicing is effectively employed here.

"ALLEGHENY MOON" (2:48)

[Oxford ASCAP—Hoffman, Manning]

"THE STRANGEST ROMANCE"

(2:09) [Lear ASCAP—Tishman]

PATTI PAGE

(Mercury 70878; 70878x45)

● Two top drawer tunes with the "QUALITY" stamp deeply engraved in every groove, make Patti Page's latest release something special. They're both excellent compositions that require no gimmicks whatsoever. All they do need is the tender touch of a great vocalist. And that's just what they get from Patti. "Allegheny Moon" is a charming and wonderfully melodious romance item with a beautiful lyric. Patti gives the tune special attention and comes up with a deck that has standard characteristics. "The Strangest Romance" is a full-flowing waltz pretty, lusciously delivered with the aid of a full choral backdrop. Both ends should show strongly.

PAUL MASARRA

(Buddy 9030; 45-9000)

B "FORGIVE AND FORGET" (2:43) [George Pincus ASCAP—Varnick, Jovan] The Buddy label introduces Paul Masarra on a wonderful new shuffle-beat ballad that has the earmarks of a healthy sales item. Easy-going bouncer that could catch on in one area and spread rapidly.

C+ "YOU'RE MY WONDERFUL ONE" (2:00) [George BMI—Neiman, Siegel] Violins fill this lush arrangement of a tender tune about love. Heartfelt delivery of some good material.

ELLA FITZGERALD

(Verve 2012; 45-2012)

B "A BEAUTIFUL FRIENDSHIP" (2:36) [Gus Kahn ASCAP—Kahn, Styne] The queen of the vocal world lends her rich and glorious voice to a tender, sentimental romancer. Smooth and beautiful song about the beginning of a love affair. Should whet the palates of the dee jays.

C+ "STAY THERE" (2:33) [Gus Kahn ASCAP—Kahn, Styne] A good shuffle rhythm romancer is invitingly styled by the star on this portion. Side glides along smoothly.

KEN CURTIS

(Liberty 55014; 45-55014)

B+ "WEDDING DAY" (2:30) [Stanley ASCAP—Jones] Ken Curtis, a polished young songster, introduces a tearful new tune with an enchanting folk flavor. The delivery is most impressive and the material is entirely different from the run-of-the-mill stuff. Could blossom into a hit. Has the ingredients.

B "COTTONWOOD" (2:30) [Musicland ASCAP—Jones] The folk feeling is retained on this half as Curtis gallops through an exciting new western tune. A girl's voice chants in the distance. Strong coupling.

THE RHYTHMETTES

(RCA Victor 20-6539; 47-6539)

B+ "HOMIN' PIGEON" (2:15) [David BMI—Bartel, Kaye, Shaw] The Rhythmtes, who've done well with rock and roll material, come up with a powerful new fish-beat item that the teenagers should love. It's a good tune with a pretty melody. The girls sell it in top fashion with their exciting harmony. Could bust wide open. Watch it.

B "BOOM-BOOM" (2:22) [Danby BMI—McFarland] The gals change the pace and belt out a wild and woolly rocker on this half. Lively cutie with a big punch.

ROSEMARY CLOONEY & DUKE ELLINGTON ORCH.

(Columbia 40701; 4-40701)

B "SOPHISTICATED LADY" (2:57) [Gotham ASCAP—Mills, Parish, Ellington] Columbia offers on a single, two bands from the latest Clooney-Ellington LP "Blue Rose". This half is touching delivery of one of Duke's greatest compositions.

C+ "GRIEVIN'" (3:21) [Robbins ASCAP—Strayhorn, Ellington] Another torchy item attractively styled by the two top stars.

HELENE DIXON
(Vik 0212; 4X-0212)

B+ "ROLL OVER BEETHOVEN" [Arc BMI—Berry] Helene Dixon flies through a hard driving interpretation of a fast-breaking rock and roll novelty. The thrush belts from the toes and comes thru with a swinger that will keep the kids hopping. Should bite off a big chunk of the sales.

C+ "A TEENAGER SINGS THE BLUES" [Iris-Trojan BMI—Reid, Marcus] The versatile thrush plays the part of a teenager as she sings the blues in an effective manner.

SAMMY DAVIS, JR.
(Decca 29929; 9-29929)

B+ "WITHOUT YOU I'M NOTHING" (2:55) [Laurel ASCAP—Bock, Holofcener, Weiss] One of the top novelties from the B'way smash "Mr. Wonderful" is delightfully styled on this single by Sammy. Lively, colorful reading by the great star. Should enjoy a healthy sale.

B+ "GET OUT OF THE CAR" (2:56) [Mobile BMI—Trenier, Trenier] A funny comedy ditty that graced the rock and roll charts about a year ago, is revived for the pop market by Davis. Cute deck that should tickle the funny bones of the kids.

THE TOKENS
(Melbo 104; 45-104)

B+ "WHILE I DREAM" (2:15) [Goday-Craft BMI — Sedaka, Greenfield] A terrific new group of teenagers (3 guys 1 gal) called the Tokens make an exciting debut on the Melba label with two strong rock and roll sides both of which have the goods. This half is a slow fish-beat deck. Strong merchandise right up the teenage alley.

B+ "I LOVE MY BABY" (1:50) [Goday-Craft BMI — Sedaka, Greenfield] The kids change the pace on this half and drive thru a high speed jolter that really cuts. Side is packed with thrills.

TONI ARDEN
(RCA Victor 20-6536; 47-6536)

B+ "HOW SWEET MY LOVE" (2:20) [Sheldon BMI—Rotfeld, Goldstein, Goldstein] Toni Arden comes thru with one of her strongest decks in a long while as she thrushes a beautiful, fragile waltz ballad. Delightful item with some wonderful multiple track work. Could step out.

B "BELIEVE IN LOVE" (2:38) [Robbins ASCAP — Webster, Gietz] A smooth shuffle rhythm accompanies the lark on this portion as she emotionally chants a sincere love song.

THE NICKABOBS
Featuring **NICK TERRY**
(Spint 103; 45-103)

B "YOU ARE MY HEART" (2:16) [Dennis BMI — Therry] It's a pleasure to hear a good, simple, romantic ballad delivered in a sincere, straightforward manner. That's just what the Nickabobs offer here. Nick Terry handles the lead vocaling in a delightful, easy-to-take fashion. Lovely song that deserves plenty of air play.

C+ "I NEVER BELIEVED" (2:11) [Dennis BMI—Therry] An inviting lifting romancer capably presented by the group and Nick.

SLEEPER OF THE WEEK

"NEVER TURN BACK" (3:00)
[Springfield BMI—Miller, Berger]

"AWAY ALL BOATS" (2:59)
[Northern ASCAP—Adelson, Skinner, Skinner]

AL HIBBLER
(Decca 29950; 9-29950)

● Al Hibbler lends his rich, fascinating voice to a great new inspirational ballad that should follow in the footsteps of his recent long run smash "He." It's a striking, dramatic new tune titled "Never Turn Back," which, under Hibbler's control, comes off as a sure winner. The song must have been written with Hibbler in mind, because it suits his technique to a "T." Jack Pleis is responsible for the vivid choral and orchestral backdrop. The bottom half, "Away All Boats," is a big romantic affair—the title tune from a forthcoming Universal-International film. Upper half carries all the weight.

"BORN TO BE WITH YOU" (2:46)
[E. H. Morris ASCAP—Robertson]

"LOVE NEVER CHANGES" (2:05)
[Famous ASCAP—Rush]

THE CHORDETTES
(Cadence 1291; 45-1291)

● The Chordettes employ their amazing gift for beautiful harmony to best advantage as they introduce a refreshing new side that should have no trouble breaking into the charts. It's a lovely folk flavored rhythm item superbly handled. The girls create a captivating choir-like sound that makes "Born To Be With You" a strong contender for hitdom. Everything about the song and delivery is different from what we hear every day. And the jockeys should wear the grooves off their disk. Lower lid, "Love Never Changes" is a tender waltz romancer invitingly fashioned.

(Vik 0210; 4X-0210)

B "GREAT GOSH, MR. WILLERKINS" (2:38) [Marian ASCAP—Smith, Miller] Lucy Roberts hits hard on her presentation of a potent rock and roll novelty with a solid dance beat. Swinging side similar in sound and style to "Gee Whitakers." The kids should enjoy it.

B "WHO BUT A DEVIL LIKE YOU" (2:37) [Wahle ASCAP—Lawrence] The versatile lark changes the mood and gives her all to a dramatic torch item which comes over with feeling. Wonderful new ballad that should interest jockeys who appreciate good material.

BILLY VAUGHN ORCH.
(Dot 15466; 45-15466)

B "AUTUMN CONCERTO" (2:25) [Symphony House ASCAP—Siegel, Bargone] A lovely piece of instrumental mood material with a light classical flavoring is rendered in a velvety manner by Billy Vaughn with a chorus in the backdrop, singing without words.

B "ANGEL, ANGEL" (2:05) [Randy Smith ASCAP—Vaughn] Billy and the chorus take the listener back to the twenties with a catchy charleston beat ditty. Side features banjos, etc. Good cornball side for the jukes.

CHRIS DANE
(Cadence 1290; 45-1290)

B "MY ISLE OF GOLDEN DREAMS" (2:00) [Remick ASCAP—Kahn, Blaufuss] Jorgen Ingmann sets up a beautifully simple guitar background for Chris Dane's smooth and extremely charming delivery of a wonderful oldie. Multiple track gimmick is employed to excellent advantage. Sentimental side.

B "SERENADE OF THE MANDOLINS" (2:23) [Bregman, Vocco & Conn ASCAP—Manlio, Ponzuti, Goell] The Swedish songster hands in another warm deck as he offers a slow English lyric version of a lovely European melody.

GEORGE DEWITT
(MGM 12238; K12238)

B "DO YOU?" (2:35) [Fred Fisher ASCAP — Huddleston, Rinker] Comic George DeWitt, emcee of the "Name That Tune" TV show, makes his wax debut on the MGM label with an easy-going rendition of a pleasant rhythm item. Colorful up-tempo ditty that should attract attention.

C+ "THE FOUNTAIN OF THE BELLS" (2:35) [Leeds ASCAP—Curtis, Saxon] George is equally capable on the slow stuff as this side proves. Here he croons a soft and touching ballad.

PEREZ PRADO
 (RCA Victor 20-6538; 47-6538)
B "HAWAIIAN WAR CHANT" (2:28) [Miller ASCAP—Freed, Noble, Leliokaku] Perez Prado and his "mambo kings" swing thru an exciting version of the classic "Hawaiian War Chant". Thrilling side with the beat in every groove. Good single mambo.

B "CUBAN ROCK" (1:48). [Peer Int. BMI—Prado] Prado falls into the rock and roll fold with this incendiary rock and roll mambo. Crazy side that should appeal to kids and adults.

THE MERRY MACS
 (Era 1016; 45-1016)
C+ "THE ERIE CANAL" (2:18) [Thunderbird ASCAP—Copeland, Dickinson] A lively new lyric rendition of an inviting old folk song is smoothly styled by the Merry Macs. Side has a bounce.

C+ "ONE HAPPY FAMILY" [Thunderbird ASCAP—Meyer, Jones] A military background accompanies the group on its venture thru this patriotic item. Unusual piece of wax.

BILL NORMAN
 (Maze 128; 45-128)
B "PICNIC IN THE PARK" (2:00) [Maze BMI—Levine] Bill Norman does a delightful job on a refreshing summery lighthearted bouncer from "Picnic". Pretty tune and most inviting delivery. Could blossom into a strong seller. Easy listening.

B "SONG OF THE WEDDING" (2:15) [Maze BMI—Abrams] A tender new wedding ballad is smoothly waltzed thru on this deck by Bill and a chorus. With June approaching, this side should receive considerable air play.

MARION MARLOWE
 (Cadence 1292; 45-1292)
B+ "RING PHONE RING" (2:20) [Regent BMI—Prudhomme, Prudhomme] An unusual folk-flavored tune is wonderfully executed by Marion Marlowe against a simple instrumental backing. Finger snapping adds a delightful touch to this interesting side.

B "THE HANDS OF TIME" (2:00) [Dandelion BMI—Woods, Woods] The thrush glides through a fragile, sentimental waltz ballad. Smooth romantic item warmly handled.

THE LOVERS
 (Decca 29862; 9-29862)
B "LET ME BE THE FIRST TO KNOW" [Jonathan ASCAP—Noble, Jr.] A male-female duet known as the Lovers hands in an inviting romantic side which they treat in a pleasant tender fashion. Interesting delivery.

C+ "DON'T TOUCH ME" [Mills ASCAP—Noble, Jr.] Another effective deck is this exciting latin romancer. Team has a wonderful sound.

JANE MORGAN
 (Kapp 148; K-148X)
B "MIDNIGHT BLUES" (2:50) [Gale & Gayles BMI—Stanley, Eustrom] A delightful new "Sentimental Journey" type ballad is offered for the first time as a vocal by Jane Morgan. Contagious lilt that could blossom into a big seller.

B "LA RONDE" (2:29) [Hill & Range BMI—Cochran, Straus] The lark hands in another wonderful side here as she tenderly treats a charming English version of a great French standard.

THE HILLTOPPERS
 (Dot 15468; 45-15468)
B "I'M WALKING THROUGH HEAVEN" (2:37) [Duchess BMI—Lunceford, Turner] The Hilltoppers ease through a tender romantic selection in their smooth and most pleasant fashion. Jimmy Sacca again does a fine job in the lead.

B "EYES OF FIRE, LIPS OF WINE" (2:12) [Leon Rene Pub—Rene, Rene] The boys drive through a fish-beat rock and roller that stacks up as a strong contender.

THE STYLERS
 (Jubilee 5246; 45-5246)
B "HUFFIN' AND PUFFIN'" (2:15) [Jimskip BMI—Fisher] The Stylers come up with a clever rock and roll novelty with a catchy breathing gimmick that could send the disk over the hill. It's an amusing cutie that the kids can dance to.

B "LOST JOHN" (2:35) [Ludlow BMI—Donnegan] The versatile crew changes the pace on this end and humorously fashions a funny folk type novelty from the pen of Lonnie Donegan. Song has great potential.

JOE WARD
 (King 4931; 45-4931)
C+ "ROCK AND ROLL MERRY-GO-ROUND" (2:50) [Jay & Cee BMI—Snelson, Glover] Nine-year-old Joe Ward's refreshing young voice comes over in a most inviting manner on a cute little rock and roll novelty.

Pic of the week—Wally Trudeau (CKJL-St. Jerome, Que., Can.), we are told, is conducting the only bilingual dee-jay show of its kind in North America. Starting at 11 Friday night, CKJL listeners are invited to spend a "Weekend with Wally." Directed expressly to the weekend traveller who's getting away from the big city life of Montreal to spend a pleasant weekend in the Laurentian Mountains, the show runs three hours from 11 pm till 2 am both Friday and Saturday nights with a mammoth five hour motorist roundup from 4 till 9 pm on Sunday. . . . Lennie Wolf back from Baltimore and Washington after a New England trip—and now off again to Pennsylvania working on four potential hits. Shel Horton (WKMC-Roaring Spring, Pa.) is now setting a special week long series of events at Morrison Cove Park at Martinsburg. It looks, says Shel, like he'll have 100 quarter hour shows from the park by remote. It's the annual ox-roast picnic attended by thousands. Horton recently started a campaign on the air to aid a young athlete who had contracted a rare type of blood disease (deficiency of Platelett blood). This unfortunate fellow was without funds needed to send him to the proper hospital. Horton raised \$2272 and as a result the patient is now being taken care of at the Medical Center in Philadelphia and reports indicate the boy may be helped. . . . Kent Burkhart (KENT-Shreveport, La.) sends us KENT's Top Thirty, a survey of half a million people in the great Shreveport area.

I had a long conversation with Ted Heath on his return from his American Tour and Ted is still bewildered at the wonderful reception he was given all over, particularly at Carnegie Hall, which he said to me was an indescribable experience never to be forgotten. For Ted it was one of the greatest ambitions of his career, achieved. Ted particularly wanted me to know how grateful and happy he was to Nat "King" Cole, Carlos Gas-tel and Bob Schwartz for doing every-thing possible to make the boys com-fortable. About the Four Freshmen, he said, "They are undoubtedly the best vocal group I've ever heard". The Freshmen toured with Ted. We all hope that this wonderful group will get the recognition they so well de-serve on this side of the Atlantic. Finally a word from Ted about June Christy; "The sweetest girl one could ever wish to meet". As a P.S., Ted mentioned the wonderful evening he and Moira spent with Mr. & Mrs. Bob Austin. For those who missed Ted's appearance, let me hasten to say that he hopes to be back in the U.S. at the end of April, next year.

About a week from now, the popu-lar Summer resort Blackpool will once again be the centre of holiday show business with most of the big names solidly booked through the season. In fact some shows are scheduled to run for about five months.

Saw the great Louis Armstrong, who is packing them in nightly at the Empress Hall. 'Satchmo' is still the greatest, and his 'All Stars' really shine throughout the 80 minutes they appear. Princess Margaret went to see the show and was full of praise for the great artist.

Howie Richmond planes into Lon-don this week for confabs with David Platz his No. 1 man over here.

Frank Walker Named V.P. Of Loew's Inc.

FRANK WALKER

NEW YORK—The Board of Directors of Loew's, Inc. has elected Frank B. Walker, general manager of MGM Records as a vice-president of the company.

Walker was born in Fly Summit, N. Y., and from 1907 until 1913 was with the National Savings Bank of Albany, N. Y. For two years after that he was with W. N. Coler, a bond brokerage house in Wall Street.

Then he entered the armed forces and was in service until 1919. After his discharge, he joined Columbia Phonograph Records and after six months as vice-president there, left to become president of the Central Concert Company in Detroit. In 1921 he returned to Columbia Phonograph, again as a vice-president, and continued in that post until 1933, when he joined RCA Victor Record Company as a vice-president. In 1945 he joined MGM to become general manager of the new record division, making his headquarters at 701 Seventh Avenue.

Rackmil Presents Holiday Series Album To Dominican President

NEW YORK—Milton R. Rackmil, president of Decca Records, Inc., has presented the first copy of the album "Holiday In The Dominican Republic" to Generalissimo Rafael L. Trujillo, President of the Dominican Republic.

The album, which is one of the new releases in Decca's Holiday series, was brought to the Dominican Republic by General Olmsted, President of International Services.

General Olmsted delivered the record and Rackmil's letter to Dr. Salvador Ortiz, Secretary of Commerce, Industry and Banking of the Dominican Republic, who made the presentation to Generalissimo Trujillo.

The Dominican Republic is one of the spots to be visited by the winners of the Decca Holiday Window Contest.

The Rackmil letter follows:

My Dear Generalissimo Trujillo:—

It is with a great deal of pleasure that I deliver to your hands the first copy of our new album—A Musical Holiday In The Dominican Republic.

As you may know, this album was actually recorded in Ciudad Trujillo with Dominican musicians in cooperation with the Dominican Republic's Tourist office in New York. We believe it is the first time a major record company from the United States has recorded in the Dominican Republic.

We feel sure you will enjoy the recordings.

We are proud to have had the opportunity to bring to the American public this example of your rich musical heritage which we believe they will grow to know and love.

Lads Sing High Mass

LAS VEGAS—The Four Lads are shown singing the High Mass at St. Anne's Roman Catholic Church in Las Vegas Sunday April 29. The Lads were invited to participate in the Mass by Fr. Ryan, Las Vegas parish priest, when he heard they were appearing at The Thunderbird. Actually it was a return to their early training for the Canadian-born quartet, since they met while training at St. Michael's Cathedral Choir School in Toronto.

Album Reviews

POPULAR

"BLUE STARS OF FRANCE"—EmArcy 36067 (1-12" LP)
LULLABY OF BIRDLAND; SPEAK LOW; GINA; HEART OF MY HEART; THAT'S MY GIRL; THE PORTUGUESE WASHERWOMAN; MISTER SANDMAN; IN 1920; HOLD ME CLOSE; LETTER TO VIRGINIA; THE KISSING DANCE; MAMBO ITALIANO.

France's recent group-singing "gift" to the U.S. is the thoroughly refreshing octet, "The Blue Stars". Their rendition of "Lullaby Of Birdland" has made them many friends here and due to their current popularity, Mercury has issued this entertaining set. The songs covered by the group are, in the main, familiar to pop fans but the agreeable French phrasing and lively harmony on the tunes gives the songs a new outlook. The waxing should do extremely well. It's a rich and entertaining album.

"SONGS OF THE SOUTH"—The Norman Luboff Choir—Columbia CL 860 (1-12" LP)

MY OLD KENTUCKY HOME; I MUST WALK THAT LONESOME VALLEY; SWEET LORENA; SALANGADOU; NOBODY KNOWS THE TROUBLE I'VE SEEN; KEMO KEMO; DEEP RIVER; CARRY ME BACK TO OLD VIRGINNY; TENDER LOVE; DOWN IN THE VALLEY; SWING LOW, SWEET CHARIOT; THE BALLAD OF THE BOLL WEEVIL; BLACK IS THE COLOR OF MY TRUE LOVE'S HAIR; UN, DEUX, TROIS; DIXIE.

The Norman Luboff Choir's tour of musical Americana continues with a set devoted to the gracious melodies of the South. In this collection of 15 performances by the choir it is evident that in direction and delivery the group represents one of the finest singing ensembles in the nation. From the spirited "Kemo Kemo" to the haunting "Down In The Valley" the vocal harmony is superb. The disk is a completely delightful follow-up to the beautiful "Songs Of The West" which spent many weeks on the best seller list. This should do the same.

"WOMEN"—Sung By Burl Ives—Decca DL 8246 (1-12" LP)

THE WOMEN AND THE CHIVALROUS SHARK; NELLIE MCNESS; VENEZUELA; MY PRETTY LITTLE MISS; BARBARA ALLEN; LOLLY-TOO-DUM; DUBLIN CITY; I KNOW AN OLD LADY; MOLLY MALONE; THE WEALTHY OLD MAID; DEVILISH MARY; LIZA JANE.

Burl Ives is an old hand at interpreting, in his own delightful and witty way, folk songs. On this Decca issue Ives is heard in 12 traditional tunes drawn from various nations. With women as the theme of the set, there is an array of smart and clever lyrics matched with melodic music. One of the most inviting numbers is "Venezuela" and is typical of the handsome pieces on the platter. The vast Burl Ives folk music audience should relish his latest effort.

"ADVENTURE IN TIME"—Sauter-Finegan Orchestra—RCA Victor LPM-1240 (1-12" LP)

THE JUKES FAMILY TAKES A HOLIDAY; E MC SQUARED; TIME MACHINE; WORLD WITHOUT TIME; THE MINUTE; THE STONE AGE; WHOO DOO VOODOO; A CHINESE PAINTING; ABSTRACTION; KINETIC ENERGY; SWINGCUSSION; ROULETTE—P. S. HE LOST.

The Sauter-Finegan Ork's latest contribution to musical "fantasy" is concerned with time. To convey the theme of the waxing, unusual rhythmic sounds are in order—and produced with considerable ingenuity. One of the numbers, "World Without Time" uses the piano and flute with telling and haunting effects. The Sauter-Finegan group has a definite, loyal following which will find the entry exactly to their musical tastes. Splash of hues on the package makes for an eye-catching display piece. If inventiveness is what the buyer is seeking, here's an album that's loaded with it.

"YOUNG IDEAS"—Glenn Derringer At The Wurlitzer—ABC Paramount ABC-105 (1-12" LP)

LAZY RIVER; STARDUST; TEA FOR TWO; SEPTEMBER SONG; SUMMERTIME; TENDERLY; HARBOR LIGHTS; I'LL NEVER STOP LOVING YOU; AUTUMN LEAVES; LAURA; INDIAN LOVE CALL; EBB TIDE.

For an individual still in his pre-teens, Glenn Derringer has proven, through various concert appearances, that he has artistically arrived as an organist. Eleven-year-old Derringer makes his debut for ABC-Paramount and delightfully breezes through 12 evergreens. The kid has made and will make various video appearances, thus almost assuring a healthy sales response for the package. Quality mood music entry.

"SKIN DIVER SUITE"—Leo Diamond, Harmonica—Orchestra Conducted By Murray Keelner—RCA Victor LPM-1165 (1-12" LP)

THE SKIN DIVERS; APRIL AGAIN; MELINDA; WENDY; REMINISCING INTERLUDE; RIDE THE DARK HILLS HOME; ALL I DESIRE.

Composer-harmonica player Leo Diamond tries to unravel some of the mysteries of the deep on the first side of this Victor release. Diamond has composed for harmonica and ork, an imaginative description (strictly his own) of what's doing in the deep. In this composition he made good use of some jazz technique and attractive melodies. Reverse side has Diamond setting an easy, pleasant mood with six of his own tunes. Off-beat entry for mood music lovers.

"MEMORIES OF MEXICO"—Concert Transcriptions For Piano Of Favorite Folk Melodies And Popular Songs—Pablo Flores, Pianist—MGM E3312 (1-12" LP)

JARABE TAPATIO (MEXICAN HAT DANCE); LA PALOMA (THE DOVE); EL CEFIRO (THE ZEPHYR); LA HAMACA; ZACTECAS; CIELITO LINDO; LA COLONDRINA; TUTU MARAMBA; AMAPOLA DEL CAMINO; CANCION MIXTECA; CUATRO MILPAS; LAS MANANITAS.

Among the favorite exports of Mexico are the country's inviting melodies. Pablo Flores performs, on piano, 12 of the most familiar tunes from our Southern neighbor. Flores has a warm and colorful touch which is particularly adaptable to the often sentimental and provocative music. The issue can easily pass as a pleasing mood music set and should realize most of its sales in that area.

"JUST IMAGINE"—Claire Hogan Sings 12 Songs By DeSylva, Brown & Henderson—LeRoy Holmes And His Orchestra—MGM E3349 (1-12" LP)

IF I HAD A TALKING PICTURE OF YOU; IT ALL DEPENDS ON YOU; LUCKY IN LOVE; I'M A DREAMER; AREN'T WE ALL; BUTTON UP YOUR OVERCOAT; I'LL KNOW HIM; TOGETHER; THE BEST THINGS IN LIFE ARE FREE; YOU'RE THE CREAM IN MY COFFEE; JUST IMAGINE; MY SIN; THANK YOUR FATHER.

A glance at the song credits above will prove to the reader that the threesome of DeSylva, Brown and Henderson were responsible for some of the most delectable pop tunes ever written. The warm warbling of Claire Hogan on this MGM release does justice to these Broadway musical and film bright spots. Miss Hogan's hopeful peek into the future with "Just Imagine" is one of the highlights of the disk. A forthcoming pic based on the songs of DeSylva, Brown and Henderson will make this platter a possible sales smash.

THE CASH BOX

"WHILE WE'RE YOUNG"—Johnny Parker And Tony Mottola—Kapp KL-1019 (1-12" LP)

NEVERTHELESS; LET'S FALL IN LOVE; IF I HAD YOU; ALWAYS AND ALWAYS; IT'S BEEN SO LONG; WHILE WE'RE YOUNG; YOU MUST HAVE BEEN A BEAUTIFUL BABY; LOVE LETTERS; YOU ARE TOO BEAUTIFUL; SOONER OR LATER; YOU DO SOMETHING TO ME; IT CAN'T BE WRONG.

Striking a strong note for the soft and sweet stuff are singer Johnny Parker and ace guitarist Tony Mottola. Parker has a sincere and relaxed delivery and TV fans will remember the added spark Mottola gave to the TV thriller "Danger". The boys share the delicacies and in some cases Mottola takes over on his adept guitar, alone. What ever the case, the disk is a handsome contribution to the mood music file. This Kapp release will take a solid hold on its audience.

"SUNDAY IN SPAIN"—88 Musicians Of Banda Municipal De Madrid—Capitol TAO 10022 (1-12" LP)

The atmosphere of attending a Bullfight is caught with exceptional color and excitement on this Capitol recording. Actually pressed in Madrid the disk features 12 pasodobles played with remarkable skill by the brassy Municipal Band of Madrid. Marvelous hi-fi sound keeps the goings-on constantly alive. The platter is encased in a distinctive book-type container. It would seem that this issue has a much larger market than one would think of at first.

JAZZ

"DINAH!"—Dinah Washington, Vocal—Georgie Au'd, Tenor Sax—Herb Geller, Alto Sax—Keeter Betts, Bass—Wynton Kelly, Piano—Jimmy, Drums—EmArcy MG 36065 (1-12" LP)

LOOK TO THE RAINBOW; ILL WIND; A COTTAGE FOR SALE; ALL OF ME; MORE THAN YOU KNOW; THERE'LL BE SOME CHANGES MADE; GOODBYE; WILLOW WEEP FOR ME; MAKE ME A PRESENT OF YOU; SMOKE GETS IN YOUR EYES; I COULD HAVE TOLD YOU; ACCENT ON YOUTH.

Here's a waxing where the vocals by Dinah Washington, the arrangements of Harold Mooney and material from the evergreen library fall perfectly into place. Dinah, whose singles keep the charts busy, has a vocal expression that can settle firmly on a blues-type number like "Goodbye" or react with vitality on an oldie like "There'll Be Some Changes Made". The arrangements of Harold Mooney superbly meet each occasion and sax men like Georgie Auld and Herb Geller provide the fine outlet for Mooney's creations. But the plot still revolves around Dinah, and how expertly it does! Dinah continues to shine as one of the great vocalists of our time. Her fans should be wild about this side.

"MILES"—The New Miles Davis Quintet—Prestige LP 7014 (1-12" LP)

SQUEEZE ME; THERE IS NO GREATER LOVE; HOW AM I TO KNOW; S'POSIN; THE THEME; STABLEMATES.

Top trumpeter Miles Davis comes up with a class assortment of various jazz moods. The Davis Quintet handles the six selections by expertly weaving its instruments in deft jazz harmony. This corner greatly appreciated the robust Miles trumpet and accompaniment on the oldie, "S'posin". Jazz fans will take to the set enthusiastically. Miles is a master.

"ANITA O'DAY SINGS JAZZ"—Norgran MG N-1049 (1-12" LP)

ROCK 'N ROLL BLUES; LOVE FOR SALE; LULLABY OF THE LEAVES; LOVER COME BACK TO ME; NO SOAP, NO HOPE BLUES; SPEAK LOW; THE LADY IS A TRAMP; STRAWBERRY MOON; PAGAN LOVE SONG; AIN'T THIS A WONDERFUL DAY; SOMEBODY'S CRYING; VAYA CON DIOS.

Top jazz thrush Anita O'Day covers the gamut from Tin Pan Alley to operetta here. And she does so with convincing authority and polished vocal shading. From the recent pop hit "Vaya Con Dios" to "Lover Come Back To Me", Anita sparkles brightly on some of her most impressive interpretations. One of the standouts on the disk is the Adler-Ross novelty tune, "No Soap, No Hope Blues". Miss O'Day keeps her reputation on its high level with this release. Jazz fans should give the platter a great sales reception. Anita delivers a song as few vocalists can. It's a pleasure to hear her sing.

"HAVE SWING WILL TRAVEL"—Mickey Sheen His Drums And The Swing Travelers—Herald HLP 0105 (1-12" LP)

NAPOLEON IN PARIS; IT'S SUNNY IN ITALY; HARRY HITS HOLLAND (TIP TOE THRU THE TULIPS); HAVE SWING WILL TRAVEL; APRIL IN PORTUGAL; SWISS MOVEMENT; BLUES IN BERLIN; BASICALLY BRITISH.

A jazz jump across the Atlantic via a group labeled "The Swing Travelers" is accomplished with some entertaining combo artistry. With material in the specialty and standard class the idea of a trip abroad is conveyed nicely. Pleasing addition to the jazz catalogue.

CLASSICAL

MOZART: Sonata No. 10, In B-Flat, K. 378 and Sonata No. 15, In B-Flat, K. 454—Jascha Heifetz, Violinist with Brooks Smith at the piano—RCA Victor LM-1958 (1-12" LP)

Mozart's two-hundredth birthday celebration this year has received the enthusiastic approval of record firms and has resulted in some of the best Mozart pressings to hit the market. Keeping this happy trend intact, Jascha Heifetz applies his glittering violin artistry to two Mozart sonatas. Both works are lavishly in high spirits and possess consummate skill in composition. Note-worthy keyboard support by Brooks Smith. Mozart and Heifetz make quite a team!

MOZART: Violin Concertos Nos. 4 & 5—Yehudi Menuhin, Violinist—Philharmonia Orchestra—John Pritchard, Conductor—RCA Victor LM-1961 (1-12" LP) With mature craftsmanship, Mozart, at 19, wrote these two staples of the classical library. In both of them the genius instilled a gay and joyful quality. The concertos are in the hands of Yehudi Menuhin here, and as the listener probably expects, they are delicately and deftly performed by the violinists. Lovely sound. Chalk up another triumph for the great musician.

SIBELIUS: Finlandia—The Swan Of Tuonela—Valse Triste—Festivo—London Symphony Orchestra Conducted By Anatole Fistoulari—Romance In C Major—Royal Opera House Orchestra, Covent Garden Conducted By John Hollingsworth—Rakastava ("The Lover")—The Arthur Winograd String Orchestra Conducted By Arthur Winograd—MGM E3332 (1-12" LP)

This MGM release is a Sibelius omnibus featuring six works by the noted contemporary composer. After the familiar and impressive "Finlandia" the set takes on a decidedly lyrical view with the beautiful "Valse Triste". The pieces are divided among three capable orchestras that take on the music handsomely. Good classical entry eloquently speaking for Sibelius.

Wiswell, Eastern Artist and Repertoire Producer for Capitol Records, was one of the headliners at the third in a series of popular music jamborees and discussions on the various aspects of the record industry at the Donnell Regional Branch of the New York Public Library, 20 West 53rd St., on Thursday, May 17th.

The program was presented by Station WMGM in cooperation with the New York Public Library. On this occasion, the master of ceremonies was Peter Tripp, WMGM star and conductor of "Your Hits of the Week" over the Metro-Goldwyn-Mayer station Monday through Saturday from 5:00 to 8:00 P.M.

Wiswell is widely known in the pop music industry. Educated at Yale University, he played the trombone with the Eddy Duchin and Abe Lyman Orchestras. He also produced the Schaefer Review over NBC and was a vice-president of Muzak. He joined Capitol Records in August of 1955.

The fourth and final program in the series will be given at the Library on May 31st. Dean Hunter, conductor of the "Dean Hunter Show" over WMGM Monday through Friday from 11:00 A.M. to 2:00 P.M., will be the master of ceremonies. His special guest will be Mitch Miller.

Reactivate Crystalette Label

HOLLYWOOD — The Crystalette label was reactivated in Hollywood this past week by a new reorganized corporation composed of people directly associated with the music business on the coast. New artists signed with the label are Tommy Brewer and Kathy Crawford, and the label also owns several jazz tapes which will be edited and released in a series of approximately twenty 12" LP's.

First single record by the label, which is already causing a stir in the local market, is Brewer's version of a new tune aimed at the teenage market called "Drag, Brother, Drag". The tune describes the thrills of drag racing and ends with a moral for the kids to use caution.

The new label obtained a letter from the National Safety Council endorsing the lyric of the song. Copies of this letter went out with all disk-jockey copies and should combat any opposition to play of the record such as was encountered by "Black Denim Trousers".

Officers of the new corporation are Carl F. Burns, president, and Fred W. Bahl, secretary treasurer. The Board of Directors includes: Joe Laine, Sam Laine, disk-jockey Carl Bailey, librarian Alene McKinney, Al Sims, and Bob Moon.

Melba Signs Tokens

NEW YORK—Morty Craft of the Melba label, currently riding high with the Willows record, "Church Bells May Ring", announced this week the first release of a new group called the Tokens.

The quartet is made up of three boys and one girl, all 16 or 17 years old. They come from Brooklyn and are still going to Lincoln High School in Brooklyn.

The first platter couples "I Love My Baby", a swinging rock and roller, with a fish-beat ballad "While I Dream".

B. M. U. Chooses Randall Band To Tour U.S.

NEW YORK—The British Musicians Union has selected the Freddie Randall Band as the group that will tour the United States under the exchange agreement that is currently permitting Louis Armstrong and his All Stars to tour England.

Randall and his crew arrived in the U.S. on May 17, and made his U.S. debut in New Orleans on the 19th with the big rock and roll package starring Bill Haley and his Comets, which is touring the country.

Joe Glazer is booking the band here.

Kitty Kallen Gains Voice Back After A Year

NEW YORK—For almost a year now, people have been asking the question "What happened to Kitty Kallen?" The thrush, who just a short while ago was one of the hottest recording stars, seemed to have dropped out of the business.

Agents, disk jockeys and anyone who attempted to contact Kitty, was given all sorts of excuses as to the whereabouts of the thrush. Few people ever got through to Kitty on the phone.

This week, Bud Granoff, Kitty's husband and manager, revealed the reason for the abrupt telephone conversations and the many excuses. Kitty Kallen had lost her voice.

Sometime during last Spring, Kitty noticed that her voice was fading away. She stopped working to rest her voice only to find that the situation was getting worse by the day. And then suddenly, it was gone. Prominent laryxologists and phoniatrists were consulted, and about six months ago, Dr. Georgiana Peacher of Temple University in Philadelphia began working with Kitty. Fortunately, there was no irreparable damage to the vocal chords, and months of hard work and rest had restored the popular singer's voice to its original hit making quality. There were endless weeks of absolute silence that were responsible for the return of her voice.

Last week, Kitty cut a session for Decca coupling "True Love" with "Will I Always Be Your Sweetheart".

Outstanding Sales Performance

BUTTE, MONTANA — For outstanding sales performance during 1955, the E & R Distributors of Butte, Montana, were awarded a Gold Decca Record by Sellmann C. Schulz of Chicago, vice-president and midwest division manager of the Decca Distributing Corporation.

This award was presented as a result of the fine sales performance made by this local distributing firm during the year 1955. The concern out-performed all other Decca distributors in sales in the United States and Hawaii. The company distributes Decca and Coral records to dealers in Montana, Northern Wyoming, Northern Idaho and Western, North and South Dakota.

"We are very proud of our Montana distributors for this excellent sales effort during 1955," said Schulz, who made a special trip to Butte to make the award.

R. D. Corette, President of the Butte Chamber of Commerce, who participated with Mayor Tim Sullivan in the presentation said, "An award of this type again proves the advantage that Butte has as a distribution center. The concern is to be congratulated on its achievement."

Mayor Sullivan expressed his pleas-

ure in being present for the award and for the national recognition that it has brought to Butte.

The firm is owned and operated by Ed and Rhoda Reeder, who have been in the record distribution business in Butte for more than ten years.

Schulz, who made the award, has been a member of the original organization since the Decca Company was formed in 1934. He has been associated in the record industry since 1923 with the Brunswick Company, which preceded Decca.

"What success we have had in achieving the national award for 1955 has been a result of the co-operating effort of our entire staff," said Reeder, operating manager of the firm. The firm employs five local people: Henry Kneebone; William H. Sullivan; Mike Sullivan; Mrs. Ellin Dunn and Mrs. Pauline Sullivan.

Shown above (l. to r.) are Ed Reeder, partner and manager of E & R Distributing; Rhoda Reeder, partner and office manager; Sellman C. Schulz, vice-president of Decca Distributing Corporation, Chicago; Robert D. Corette, President of the Butte Chamber of Commerce; and Tim J. Sullivan, Mayor of the city of Butte.

Eddie Lane Ork Replaces Lombardo For Summer

NEW YORK—Eddie Lane and his orchestra take over the headline spot at the Hotel Roosevelt Grill starting Thursday, May 31, replacing for the Summer months Guy Lombardo, who will leave the Grill for his production of "Showboat" at the Jones Beach Marine Theatre.

Dee Drummond will be the featured songstress with Lane and his orchestra.

The Lane orchestra is not a newcomer to the Roosevelt Grill. In addition to several earlier engagements at the Roosevelt, Lane and his orchestra took over in the Grill this year during Guy Lombardo's Spring vacation. Lane's success in the Grill then proved him to be the perfect choice for Lombardo's summer replacement.

Both a singer and violinist, Eddie Lane's first musical aspirations were along classical lines, but while studying the classics at the famous Damosch School, he came into frequent contact with jazz and swing and decided to expand his musical range to include them. He soon gave up his goal of becoming a music teacher and began to play with some of the top bands in New York. It wasn't long before Eddie Lane gathered his own musicians and organized his orchestra.

Melachrino Sells 1,000,000 Albums

NEW YORK—George R. Marek, vice-president in charge of albums for RCA Victor, is shown in the top photo as he presents to George Melachrino (right) creator of The Melachrino Strings, a gold record in honor of his RCA Victor albums which have exceeded the one million mark in sales. Melachrino is here on his first visit to the United States. The award was tendered to the British bandmaster at Leone's Restaurant in this city, Tuesday, May 15. The second and third photos catch a birds-eye view of the festivities at Leone's which followed the presentation of the gold disk.

The Melachrino Strings was formed at the end of World War II and comprised most of the musicians who worked with Melachrino when he was musical director of the British Band of the Allied Expeditionary Forces. During that time, as an antidote to the keyed up feeling that prevailed in war torn countries, Melachrino developed the sweet melodic sound which has become synonymous with the Melachrino Strings all over the world.

Among the maestro's most popular mood music albums are: "Music For Dining", "Music For Relaxation", "Music For Reading", "Music For Courage And Confidence" and "Music To Help You Sleep".

THE CASH BOX RHYTHM N' BLUES Ramblings

NEW YORK:

Biggest surprise of the week was the parting of Jack Angel from partners Al Silver and Jack Braverman. The two Jacks and Al considered by all in the trade as three top quality men, both characterwise and talentwise. The three part on the best of terms and only because Angel wanted to be on his own to try some ideas he has been long contemplating. Part of the deal gave Angel "The Monarchs", a still to be recorded group, but one which was highly valued by the three partners, and some original songs. Jack joined Herald one year after its inception and was an equally active cog in the combination that produced "Shake A Hand"; "I'll Be True"; "When You Dance"; "I Had A Notion"; and many other Herald hits. His plans call for the immediate launching of a new label with the initial release set for approximately June 15. Angel wants to assure his many friends in the record business that it is his firm intention to stay in records and produce winners so that all associated will make money. . . . Arky and Rogers, Andrea Records, talking up their next platter, which will be released next week, "Hickory Hickory Rock" by The Jumpin' Jacks. . . . Tommy Smalls

BESS BERMAN

(Dr. Jive) honored on Wednesday, May 16, at Smalls' Paradise. Tommy was inaugurated as newly elected Mayor of Harlem and many top celebrities of stage, screen, radio and television, as well as political figures attended. It was a gala occasion and preceded Tommy's flight out to Chicago to attend the first annual convention of the National Jazz R & B Disk Jockey Show on May 18, 19, and 20. . . . The new Atlantic Records quartet of releases is another exciting package. The Clovers have a two-sider in "Love, Love, Love" and "Your Tender Lips". "Love, Love, Love" is a socko pop potential biggie and is showing up very strong in Cleveland. Ray Charles comes up with another Charles special in "Hallelujah, I Love Her So"; Ivory Joe Hunter makes a strong impression with "You Mean Everything To Me" and "That's Why I Dream"; and Chuck Willis debuts on Atlantic with "It's Too Late". Chuck, who is a tremendous piece of talent

TURBANS

and has been threatening to break out nationally for a long time, looks like he can make it first crack out of the box for the Abramson, Ertegun, Wexler combination. . . . Groove new release showcases the Johnny Byrd Orchestra with "The Last Laugh Will Be On You", featuring a wild vocal by Mr. Blues, and "22 Minutes" which spotlights the singing of Lillian Childs. The other etching is "That's All, That's All, That's All" and "Unwanted Love" by The Dappers. . . . Peacock Records has a rock 'n roller, "Rock and Roll Bells" by Louis Jones that Lorene J. Williams tells us has gotten a solid reaction with initial orders pouring in. Another she tells us to keep an eye on is "Darling Depend On Me" by Elmore Morris. . . . Alfredo Melendez's mambo orchestra has been signed to headline for the summer season at Dave Levinson's popular Tamarack Lodge, Greenfield Park, New York, beginning Decoration Day. . . . Atlas Records is plugging

GIBSON-DAMITA JO

"I Have A Love" by the Parakeets Quintette, a young New Jersey group that is still singing in a local high school glee club in Newark. . . . Bess Berman, Apollo Records, continues to operate full steam as she pours over new material, listens to new talent and plans new sessions. Currently the diskery is racking up good sales on "Just For A Day" by Chuck Edwards; "Raindrops" by The Inspirations; and "To Thee" by Solomon Burke. . . . Norris The Troubadour, Co-Ed Records, advises his "Run Away Heart", which he sings on a pop-r&b kick, has been doing very nicely for him. Norris has been doing a lot of College work and is booked at Amhurst June 7 to 9, and Boston on the 10th. . . . Ramon Bruce (WATT-Newark, N. J.) will hold his first anniversary ball at the Newark Armory on June 2. "The Bruce" will headline the show with top talent from the rock and roll rhythm and blues field. Among the headliners will

THE CLOVERS

be Ruth Brown, Sam The Man Taylor, The Cadillacs, Robbin Hood, The Harptones, The Willows, Big Al Sears, a mambo band and many others. The ball will have three shows plus dancing. "Miss Rock and Roll of 1956" will be crowned and awards will be presented to the leading rhythm and blues disk jockeys in the area. . . . Herman Lubinsky reports tremendous reaction to the initial Little Esther release on Savoy, "You Can Bet Your Life". Lubinsky sees it as a tremendous seller that will re-establish the gal as a top-flight performer immediately. . . . Miles Davis Quintet goes into the Cafe Bohemia May 25 to June 10. Paired with them will be Kenny Dorham and the Jazz Prophets. . . . Jolly Joyce very excited as he again tells us to watch the Steve Gibson and his Red Caps with Damita Jo release "Love Me Tenderly" and "Rock & Roll Stomp" on ABC Paramount. "It's the best thing they've ever done," says Joyce. . . . The Turbans have a two sider on Herald, it appears. Immediate reaction was on "B-I-N-G-O" and now a good many reports are in favor of "I'm Nobody's".

CHICAGO:

Vee-Jay Records reports that they have just signed the original 5 Blind Boys. Recordings by this group will be released immediately. . . . Paul Glass, of All-State, had the welcome mat out for Joe Kolsky of Gee Records. Paul also tells us that "Ducktail" by Tutti Frutti Grayzell on the Starday label is "kicking off big" for him. . . . Chuck Dunaway rocked through another big R&R show at Milwaukee's Colonial Theatre. This offering headlined Chuck Berry, whose latest on Chess is "Roll Over Beethoven", Little Walter and the El Dorados. . . . Capitol Records advises that The Nilsson Twins' dinking of "Ook-Ah-Ga-Deek" has "taken off". These gals have rocked 'em on TV, in films, and in Las Vegas. . . . Ray Charles' follow-up on his high-riding "Drown In My Own Tears" on Atlantic is "Hallelujah, I Love Her So". . . . Spider Webb, WAIT deejay, started his series of teenage dances at the Aragon on 5/19. The kids will wear out their shoes to live combos and records. . . . The Teenagers, while in town for the big Amphitheatre show, made a fast trip around to see some of the deejays. This group is really busy. . . . The Blockbusters, whose latest is "In A Little Spanish Town", greeted the teens on Jim Lounsbury's Bandstand Matinee TV-er. . . . Between Sets

BATON ROUGE, LA. — Ralph Flanagan, whose band is heard on RCA Victor Records and seen on ABC-TV, relaxes between sets with Don Sherman, deejay on WAFB, Baton Rouge, during Ralph's recent run at the Blue Room of New Orleans' Roosevelt Hotel.

Eartha Kitt Held Over In London

LONDON, ENGLAND—Eartha Kitt has been held over through June 24 at the Cafe de Paris in London.

Her autobiography, "Thursday's Child," will be released by Duell, Sloane & Pearce on October 11 simultaneously with the release of her Victor LP of the same name. Eartha opens at the Persian Room in New York for four weeks on the same date.

The Cafe de Paris engagement has been greeted with unanimous raves by the British press. The Evening Standard said that "Eartha Kitt lifts cabaret to a minor art form." Echoing this, Derek Monsey in the Sunday Express wrote that "She joins Noel Coward, a bird of a very different plumage, as one of the only two artists I know who have a real genius for cabaret."

Playing to packed houses night after night, Eartha's act includes renditions of "I Want to Be Evil," "C'est Si Bon," "Just a Little Girl" and "The Day That The Circus Left Town." The News Chronicle reviewer said that "to see Eartha singing them is quite an experience." This same review called her "one of the most extraordinary, original and brilliant artists that London has seen."

When she completes her London date, Eartha will play a week at the Empire Theatre in Glasgow. She will do concerts in Stockholm during July before starring in a Monte Carlo "gala" on August 3.

Decca Plugs "King & I"

NEW YORK—Decca Records is planning renewed promotion on its Original Cast album of "The King And I." Promotion plans include dealer display material and disk jockey coverage. Renewed sales activity on the album has already been felt, and is expected to increase greatly when the motion picture version of the B'way smash is released. This is the same pattern that occurred with Decca's albums of "Oklahoma," "Guys And Dolls," and "Carousel" when the filmed versions were released.

Baseball Special Offered By Grand Award

NEW YORK—Enoch Light, Grand Award Records, announced this week a new release which the diskery is calling a Baseball Special. It features honky tonk pianist "Knuckles" O'Toole. On one side, he offers two songs "Take Me Out To The Ball Game" and "In The Good Old Summertime" and on the flip side, a medley of four Summer favorites.

In conjunction with the release of the record, Grand Award has prepared thousands of special felt pennants for promotion of the record. The banners are to be used for display purposes in stores and juke boxes. Others will be mounted on sticks to be given away to youngsters.

Twenty pennants will be shipped free with every order for 100 records.

First Larry Sonn Album To Be Offered By Coral

NEW YORK—The Larry Sonn band, touring the country playing ballrooms and universities, has just completed its first LP for Coral, featuring twelve different arrangements.

The disk stars a number of well known musicians including Al Cohn, Hal McKusick, Jimmy Nottingham, Billy Bauer, Gus Johnson, Milt Hinton, Nat Pierce and others.

The album is scheduled to be released within the next few weeks, and a few singles should be available in the very near future. The band will be playing in and around New York during the Summer months.

Larry's latest release couples "Cherry Blossom Lane" with "Close Cover Before Striking".

RHYTHM 'N BLUES REVIEWS

A AWARD & SLEEPER	C GOOD
B EXCELLENT	C FAIR
B VERY GOOD	D MEDIOCRE

BOOGALOO
(Crest 1014)

B "BIG FAT LIE" (2:20) [American BMI—Harris] Boogaloo has a different manner of singing and it is an attention getter. He handles the rocking item with a spirited and chuckley reading. This one could stir up the dust where it gets exposure.

B "TALK ABOUT A PARTY" (2:35) [American BMI—Harris] Similar piece of material in tempo and treatment. It is a wild rocking wax delivered with enthusiasm. Ok deck.

ROCKIN' HORSES
(Grand 139)

B "HOUSE ROCKER" (2:35) [Myers Music ASCAP—] Gravel voiced lead of the Rockin' Horses handles the jump with a successful performance. Ok jump wax for the kids. Stronger in the pop department.

B "BLARNEY ROCK" (2:41) [Myers Music ASCAP—] Female handles the vocal chores on this deck. Another quick beat rocker with an Irish feeling. Cute item aimed directly at the pop market.

CORA WOODS
(Federal 12268)

B "JUST IN CASE YOU CHANGE YOUR MIND" (2:50) [Leeds ASCAP—Bell, Patterson] Cora Woods gives a delightful reading of the melodic rhythm ballad. It is a deck that can pick up action in both the r&b and pop markets.

C+ "DON'T FALL IN LOVE WITH ME" (2:54) [Lois BMI—Ivory Joe Hunter] Miss Woods goes all pop on this side with a melodic romancer. Smooth, mellow and little r & b action here.

LIGHTNING HOPKINS
(Ace 516)

C+ "BAD BOOGIE" (2:04) [CHS BMI—Dwight] Lightning Hopkins adds another release and another label to his vast catalogue. His fans will find this the usual middle beat rhythm wax a la Hopkins. Steady Hopkins sale.

B "WONDER WHAT IS WRONG WITH ME" (2:14) [CHS BMI—Dwight] Hopkins wails a slow beat blues in his inimitable style. Similar comments.

EDDIE BO
(Ace 515)

B+ "WE LIKE MAMBO" (2:20) [Ace BMI—Smith] That the mambo market can be extended beyond the local New York area is evident in this reading of a tune similar to the "Cuban Mambo" which was a hit in New York. Eddie Bo's version was a chart item in New Orleans and bears watching.

B "I'M SO TIRED" (2:21) [Ace BMI—Bocage] Eddie sings the blues on the flip. A slow beat country wailer into which Eddie pours an emotional effort. Ok deck.

THE CASH BOX

★ AWARD O' THE WEEK ★

"YOUR TENDER LIPS" (2:50)
[Brisbon, Biggs]

"LOVE, LOVE, LOVE" (2:01)
[Progressive BMI—David, McRage, Wyche]

THE CLOVERS
(Atlantic 1094)

● The Clovers come up with two equally powerful sides, "Your Tender Lips" and "Love, Love, Love." The "Tender Lips" etching is a slow, lovely ballad on which the lads team up so expertly, some of the current top pop groups might learn something by listening. It is a light bouncer, romantically

moulded, and should get recognition from all fields. The pairing, "Love, Love, Love," is a quick beat bouncer, in which the benefits of love are extolled. It is a gay jump delivered with happy abandon. Cute twist is the honky tonk piano in the release. Great arrangement. Two overpowering sides.

"ROLL OVER BEETHOVEN" (2:24) [Arc BMI—Berry]
"DRIFTING HEART" (2:39) [Arc BMI—Berry]

CHUCK BERRY
(Chess 1626)

● Chuck Berry has a strong follow-up to his string of hits, "Roll Over Beethoven." This one is a solid idea taken right out of the headlines. With all the newspaper publicity given experts (?) who are aghast at the rhythm and blues impact on the music picture, Chuck takes the bull by the horns and tells "Beethoven to roll over and tell Tchaikovsky the news." It is

an exciting side with a solid lyric and driving beat. The kids will sing this song as it expresses their defiance and spirit. The flip, "Drifting Heart," is a straight pop effort which Berry performs effectively. It is a smooth Latin beat that drifts softly and effortlessly on the ozone. Good deck, but for commercial impact, we think it's "Beethoven."

"HALLELUJAH I LOVE HER SO" (2:35) [Progressive BMI—Charles]
"WHAT WOULD I DO WITHOUT YOU" (2:33)
[Progressive BMI—Charles]

RAY CHARLES
(Atlantic 1096)

● Ray Charles, with "Drown in My Own Tears" still on the nation's best selling charts, simply can't restrain his joy as he tells us "I just love her so," which is just about the title of the song, "Hallelujah I Love Her So." It is one of Charles' best efforts and that is as strong a recommendation as one can make. Charles fairly

bursts with happiness as he sings his song. This deck is another Charles hit. The coupler, "What Would I Do Without You," is another powerful offering. A slow beat blues, Charles sings it with a gospel feeling that penetrates. Two excellent hit prospects, with more emphasis on "Hallelujah."

"ONE MORE CHANCE WITH YOU" (2:38) [Arc BMI—Jacobs]
"FLYING SAUCER" (2:41) [Arc BMI—Jacobs]

LITTLE WALTER
(Checker 838)

● Little Walter puts in his bid for a chart climber with "One More Chance With You." The talented country artist chants a middle beat romancer-blues with that quality that sells records. Walter is aided on this deck with a real strong instrumental support. This deck is a combination r & b, pop piece of

material that should be listened to by both markets. The under lid, "Flying Saucer," has Little Walter hitting at top speed on an instrumental wax. Featured, of course, is the top Little Walter harmonica playing. Good deck, but we look to "One More Chance With You" to be the big one.

THE MAGNIFICENTS
(Vee-Jay 183)

B+ "UP ON THE MOUNTAIN" (2:45) [Tollie BMI—Montague, Abner] The Magnificents dish up a lively rhythmic jump with a most appealing presentation. The group comes across with excitement and this deck could turn out to be a sleeper. Watch its progress carefully.

C+ "WHY DID SHE GO" (2:25) [Tollie BMI—Montague, Abner] The group blends on a soft slow paced ballad for a pleasant waxing.

JIMMY YOUNG
(Ember 1003)

B "THAT'S WHY I LOVE YOU" (2:20) [Angel BMI—Williams, Taylor] Jimmy Young wails a slow beat bouncer blues with an earnest reading. Young sings with deep feeling.

B "NEED YOUR LOVE" (2:27) [Angel BMI—W. Spriggs] Young sings a middle beat blues on the flip. His wailing is of the southern styling and will appeal most to that market.

THE COLTS
(Vita 130)

B+ "HEY YOU, SHOO BEE OOH BEE" (2:10) [Pera BMI—Lynn Paul] The Colts dish up a catchy middle beat bouncer with an effortless treatment. Pleasing bit of wax that should pick up a good sale.

B+ "NEVER, NO MORE" (2:15) [Antler Music BMI—Joe Grundy] A slow paced melodic ballad delivered with a sweet reading that falls lightly on the ears. Good side that also bears close watching.

JOHN BRIM
(Chess 1624)

B "YOU GOT ME WHERE YOU WANT ME" (2:40) [Arc BMI—Brim] John Brim etches a middle beat southern type jump item that falls into the rock and roll category. Strong beat for the teenagers.

B "I WOULD HATE TO SEE YOU GO" (2:35) [Arc BMI—Brim] Another middle beat rhythm blues. Brim isn't very subtle as he tells his baby she had better not leave him. Southern blues with a strong beat.

PARAKEETS
(Atlas 1068)

B "I HAVE A LOVE" (2:32) [Mac-Avery BMI—Martin] The Parakeets, a new group with Atlas, make their debut with a slow paced blues ballad pretty and the deck comes off effectively. Floaty type etching.

B "THE RAIN STARTS TO FALL" (2:40) [Mac-Avery BMI—Martin] The group backs with a pretty bounce ditty. Several vocal tricks dress up the platter and the outcome is an ok, lively offering.

"DEAR HEART" (2:59)

[Conrad BMI—B. Roth]

"WHY WON'T YOU DANCE" (2:15)

[Tollie BMI—Hudson, Bracken]

THE SPANIELS

(Vee-Jay 189)

● The Spaniels melt on a slow beat ballad with an easy swinging treatment. The deck, "Dear Heart," is a romancer that the lads glide through with a feathery delivery that bears a touch of the old Ink Spots, but ever so lightly. Delectable bit of wax with a drifting

bounce that appeals. The reverse side, "Why Won't You Dance," is a middle beat rhythm wax that the kids can jump to. It is sung with appealing enthusiasm by the smooth working group. Two good sides that are marked "sales."

"HEADIN' HOME" (3:03)

[Panther ASCAP—Ram]

"I WANT YOU" (2:38)

[Modern BMI—Gunter]

SHIRLEY GUNTER and THE FLAIRS

(Modern 989)

● Shirley Gunter and the Flairs team up on a spiritual flavored slow beat, "Headin' Home," and come through with a waxing that will find strong favor with the pop and r & b markets. With the current trend in the pop markets to the semi-religious type tunes, this one should hit with strong impact. It is that good. Stay very close to this one as it could be a big money

maker for you. The flip, is a middle beat rhythm jump, that is delightfully performed by the talented Miss and her supporting Flairs. Deck has a delightful charm, a couple of tongue twisting sha dooble doop styled phrases that give the deck a real lift. Two very strong sides of completely different ideas and treatments.

"YOU CAN BET YOUR LIFE" (2:41)

[Crossroads BMI—Cita]

"TAINT WHATCHA DO" (2:44)

[Crossroads BMI—Mendelsohn, Singleton, McCoy]

LITTLE ESTHER

(Savoy 1193)

● Little Esther, who hasn't been heard on records for some time, makes her new debut on Savoy with a powerful etching, "You Can Bet Your Life." This gal's talents have certainly not diminished. She sells with all the quality and sincerity she is so well remembered for. "You Can Bet" is a slow paced rhythm piece in which Little Esther

portrays the lovelorn Miss most convincingly. Watch this deck very carefully. The flip, "Taint Whatcha Do," presents Little Esther singing a middle beat jump with a belty reading that says "move over" to all the current top ladies of the rhythm and blues singing field. Good deck, tho we think it's "You Can Bet Your Life."

EDDIE "LOCKJAW" DAVIS TRIO

(King 4928)

C+ "DIZZY ATMOSPHERE" (2:05)

[Leeds ASCAP—Dizzy Gillespie] Eddie Davis Trio runs through a wild driving instrumental which is a dizzy spinner as its title indicates. Ok deck for special market.

C+ "TENDERLY" (2:01) [Morris

ASCAP—Gross, Lawrence] Eddie Davis and his cohorts, Doc Bagby and Charlie Rice etch the ever lovely "Tenderly." This item, however, has been etched by every jazz musician in the business, and the buyer, unless he is a Davis fan, will find the flip the stronger deck.

SPIRITUAL

PROFESSOR ALEX BRADFORD

(Specialty 893)

B "SOMEBODY TOUCHED ME"

(2:05) [Bowles Music BMI—Bowles, Frye] Professor Alex Bradford and his Bradford Specials get together on a fast beat chant with handclaps and spirited treatment. Exciting side.

B+ "IF MOTHER KNEW" (2:19)

[Venice BMI—C. Carter] A complete change of pace is experienced on the dramatic reverse side. The arrangement is handled with a deep roll of drums and a soprano chant against the solo voice of Bradford. Excellent side.

Angel Leaves Herald To Form Own Firm

NEW YORK—Al Silver and Jack Braverman this week announced the departure of Jack Angel from Herald and Ember Records.

Angel joined Herald one year after its inception and enjoyed pleasant relations throughout the three years together. He contemplates setting up his own label and leaves with the very best wishes of Silver and Braverman.

Tho the deal was only made public this week, Silver and Angel reveal that discussions had been going on for several months as many things had to be worked out. Angel parts from Silver and Braverman on the best of terms, the separation coming into being only because Angel desires to form his own company in which he can work out several ideas he has been coddling for some time.

Angel will make an announcement very shortly to his friends in the record business. He is already working toward his first release, which will be approximately June 15.

Capacity crowds have attended all of BG's previous dates and he will continue to take the band out each week-end. Future bookings definitely set are as follows: May 20—Alms Ballroom, Youngstown, O.; May 24—Civic Aud. Grand Rapids, Mich.; May 25—Civic Aud. Lansing, Mich.; May 26—Castle Farms, Cincinnati, O.; June 1—Citadel Armory, Charleston, S. C.; June 2—Sunset Ballroom, Carrolltown, Pa.; June 9—U. of Virginia, Charlottesville, Va.

NASHVILLE, TENN. — Ernest Tubb, President of the Jimmie Rodgers Memorial & Health Foundation, and Hank Snow, has announced the program for the 1956 "Jimmie Rodgers—National Country Music Day" celebration in Meridian, Mississippi, May 25—26.

The celebration will be alive with activity from early Friday morning, when registration begins, until after midnite Saturday, when the final reception draws to a close.

Highlights of the program include two remote broadcasts from Meridian, one of which will be the NBC network portion of the Grand Ole Opry. The "Ernest Tubb Midnite Jamboree" will also originate in Meridian as a portion of the gala Saturday night stage show extravaganza. It has been reported that a Canadian network may also do a remote broadcast from the scene of country music activity.

Voting was heavy for the recipients of two awards which will be presented for the first time. One is the "Jimmie Rodgers Hall Of Fame" award which will go to some person within the industry who has been an important contributor to country music for at least five years. The second award will be presented to both a male and female personality and is known as the "Jimmie Rodgers Achievement Award".

Confirmations have been received from Jim Reeves, the Wilburn Brothers, Lefty Frizzell, Jean Shepard, Hawkshaw Hawkins, Jimmy Newman, Duke of Paducah, Gary Williams, Curtis Gordon, Jack Cardwell, Lonnie Barron, Wilf Carter, Charlie Walker, Audrey Williams, Freddie Hart, Justin Tubb, Jimmie Rodgers Snow, Dave Rich, Jim Wilson, Charline Arthur, Skeets Yaney and Linda Flannagan. At press time, it was reported that a number of additional artists were making arrangements to be on hand for this year's celebration.

Brother Norman Phelps directed the Sessions at the Fernwood Farms studios for Cactus owner, Curly Burrows.

Welcome

SPRINGFIELD, MO.—Lou Black, whose Top Talent, Inc. in Springfield, Mo. is the exclusive booking agency for all talent appearing on ABC-TV's "Ozark Jubilee," welcomes W. E. "Lucky" Moeller into the firm as a booking representative. Prior to joining the Top Talent organization, Moeller served as personal manager for one of the Ozark Jubilee's stars, Webb Pierce, headquartered in Nashville, Tenn. The nickname, incidentally, dates back to his high school days, when the youthful Moeller's specialty on the basketball court was a from-the-hip shot which his teammates termed "lucky."

Club Dates For Husky

NASHVILLE, TENN. — For the first time in two years, Grand Ole Opry star, Ferlin Husky (Capitol), and his alter ego, Simon Crum, will play a series of club dates, it was reported here today.

THE CASH BOX Country Roundup

This weekend, May 25, and 26, are the dates for the Jimmie Rodgers National Country Music Day Celebration, which is being held in Meridian, Mississippi.

Sheriff Tex Davis was in town last week, setting up the first recording session for Gene Vincent and the Blue Caps. Their first release will be "Woman's Love," backed with "Be-Bop-A-Lula." Ken Nelson, A & R Director for Capitol, conducted the session.

COUSIN JODY & ODIE

"Country Doc" is carrying on the best in the West these days, with his Country "Jamboree" seven days a week over WORC, in Worcester, Mass. The show is heard Monday through Friday, from 6:30 to 7:30 P. M., and Saturday and Sunday, from 6:00 until 7:00 P. M. "Country Doc" has been acclaimed the Number-One Personality over WORC, Worcester, Mass.

Probably one of the most laugh provoking acts on WSM's Grand Ole Opry these days is the comic team of Cousin Jody and Odie. The show-stopping comic act were an instant hit on television and are looked forward to with much anticipation by the country music fans who crowd the Ryman Auditorium each Saturday Night for their appearances on the 'Opry'. Ted Edlin is personal manager of the funsters.

Johnnie and Jack (RCA-Victor), and Roy Acuff (Decca), along with Kitty Wells (Decca) were the featured stars on the Grand Ole Opry, NBC Coast to Coast Show on May 12. This package just recently returned from a successful series of personal appearances.

Good friend, Art Barrett, continues to promote country music more than ever these days. . . . He says "Thar's Gold In Them Thar Hill Billies." Barrett is a big promoter of country music in the Norfolk, Va., area, working out of WCMS.

Little Jimmie Dickens (Columbia) and Ray Price (Columbia), and Moon Mullican (King), pooled their talents recently for a personal appearance tour through Ill., Iowa, and South Dakota, according to word from Dickens' personal manager, Dewey Mousson.

Just received a memorandum this week from R. D. Hendon, with information on his latest (Starday) recording of the "Waltz of Texas," backed with "Lonely Nights." This could be the break R. D., has been looking for.

R. D. HENDON

On Sunday, May 13, promoters Wm. H. King, Paul Raffles and Frank Atlass presented two big shows at Chicago International Amphitheatre, which featured Pee Wee King, Redd Stewart, Neal Burris and Little Eller Long on ABC Barndance Jamboree, Red Foley, the Foggy River Boys from the Ozark Jubilee; and from the Grand Ole Opry, Cousin Minnie Pearl, Goldie Hill and Audrey Williams; and from the WLS National Barndance, Red Blanchard and Dorothy Ann Ferguson; Boyd Bennett and his Rockets, and Ron Terry and his polka band.

Jack Turner is busy mailing out his first release for Hickory Records. Title of Jack's new one is "Everybody's Rockin' But Me." Immediately following the release of this record Turner left on a promotion trip, and will conclude his trip in Meridian, Miss., on May 25 and 26, for attendance at the Jimmie Rodgers celebration.

According to word from Jim Halsey, Independence, Kansas, personal manager of Hank Thompson, it looks as if Thompson has a pretty busy schedule ahead of him, with May booked solid; June, July and August seem to be filling up the same way.

Lee Rosenberg real happy these days over the success of her Southern Belle tune, "He Loved Me Once," as recorded by Jean Shepard, on Capitol. The tune has gotten off to a fast start and it appears to have that winning sound for Miss Shepard.

Wesley and Marilyn Tuttle were recent guest stars on the Big "D" Jamboree, in Dallas, Texas, on May 12, and set for the big Country Music Show on May 9, are Carl Perkins (Sun); and Opry stars Ferlin Husky (Capitol) and Cowboy Copas (King). Guest-starring on May 26, will be Leon Payne; on June 2, will be Johnny Cash and the Five Strings.

"LITTLE" JIMMIE DICKENS

Big news broke here in Nashville last week when it was revealed that Jeff Richards and June Allison have been chosen for the lead roles in the forthcoming MGM Hank Williams story. It was learned that Audrey Williams was busy with Long Distance calls to Joe Pasternak, at MGM Studios, last week.

Here's some friend disc-jockeys who need records badly for their Country & Western shows. They read as follows: Morgan Gravlee, WWVF, Fayette, Alabama; Jimmy Sipple WHHH, Warren, Ohio; Morning Jamboree WAKU, Latrobe, Pa.; Chuck Nicho's KSOP, Salt Lake City 10, Utah; Drew Ballard KVMC, Colorado City, Texas; William Emert WPHB, Philipsburg, Pa.; William Baker WMIK, Middlesboro, Kentucky and Don Terry Burford KBSF, Springhill, Louisiana.

Woody Fleener announced to signing of five new artists to the Sage and Sand label. Casey Clark and The Lazy Ranch Boys, Herb Williams, Barefoot Brownie, Jenks (Tex) Carman, and Bobby Tile have all been pacted to term contracts by the diskery. First tunes out by the new artists are "Lost John" by Barefoot Brownie, and "Pot Of Gold" by Herb Williams.

Don Pierce, Starday prexy dropped in to chat with the New York staff last week while visiting with his eastern distribs.

Uncle "Buck" Lipe, KSGM-Ste. Genevieve, Mo., reports that due to many requests he has started a new weekly show called "Rock And Roll Country Style." It's a half hour show featuring such 'Rockbillys' as Elvis Presley, Carl Perkins, Marty Robbins, Eddy Bond and all artists who do country records rock 'n roll style. "Uncle Buck" believes he's the first country deejay to start such a show and sez "Why fight 'um . . . Just join 'um." "Cuz'n" Larry Lane, WEBK-Tampa, Fla. tells us that he uses Jimmy Heap & Perk Williams' Capitol waxing of "Butternut" as his theme and that the Newberry's Record

Dept. is selling it like crazy. In addition, the "Cuz'n" has recently added another 1 and 1/2 hours of country music daily and that Herman's Sausage Co. has bought 6 and 1/4 hours weekly. . . . N. B. Mayhams, Co-Ed Prexy writes that the "Newcomb-Rayner Cannonballers," a C & W group consisting of Buddy Rayner, Jerry Newcomb, Frank Hinkley, Douglas McDonald and Eddie Seabody (Bill) recently took off from their daily professional work to make trips and plug their recently released "Run Away Heart" and "Jeanie." Mayhams already reports good response from the South and up to West Va. George N. Haxell, Co-Active President of the "Hillbilly-Folk Record Collectors' Club" notes from England that on May 19th, Radio Luxembourg will broadcast a Faron Young record programme—the very first ever done for a Country and Western star in this country. Faron will be introducing each record by means of recorded speech bands. The May 11th issues of "Weekly Sporting Review and Show Business" and "New Musical Express" two of Britain's leading trade papers carried excellent articles on Faron and his movie and recording careers.

Arousing a great deal of interest among both Country & Western fans and Pop enthusiasts over here is Elvis Presley. His Master's Voice released his "Heartbreak Hotel" a month or so ago.

WES & MARILYN TUTTLE

Libby Gail Fabacher, pres. of the Ginny Wright fan club and now also the head of the Tom Tall fan club sends us the first edition of the Tom Tall newsletter.

Cowboy Howard Vokes, types that his boys, "Denver Duke & Jeffery Null" will have a brand new release via Blue Hen records in a few weeks entitled, "Heart Made Of Roses" and "When The Snow Came". Vokes says that these two are really terrific and will carry Blue Hen and the boys right to the very top. Their first release for that label entitled, "Hank Williams That Alabama Boy" is still on the charts.

He also reports his friends Wilma Lee & Stony Cooper, Hickory, are really tearing Penna. apart with "I Want To Be Loved".

Vokes just released a tune written by himself and Walter King entitled, "Hurricane Heart" and also says to watch for a new star on Blue Hen records by the name of Hank King.

Vokes Music, Inc., New Kensington recently signed a two-year contract with American Folk Publications, Inc., for use of their songs in all their country magazines.

Curley Gold informs us from San Francisco that Bob Wills and his Texas Playboys with Bob Wills on fiddle and vocals and featuring Kelso on piano and Luke Wills on bull fiddle and vocals are currently on tour playing dances throughout the country.

On the trail is Eddy Dean "The Golden Cowboy" and Tommy Duncan playing the Oregon territory.

Gold and his Texas Tune Twisters, western swing band featuring Diah! Graham on banjo and Prince Waln steel man continue their trek throughout the State of California playing stage shows and dances.

Ann Jones and her Western Sweethearts are currently on tour of the Far East command entertaining the service men. Line up includes Ann Jones, band leader, vocalist and guitar player, Blanch Emerson steel player, Bamhi Nelson on the accordion, Marion Saylor, drums, Jay Shafer, bull fiddler and Pat York on guitar.

BOBBY & JOYCE

Lee Holden, artist with his latest recording for Cavalier Records of "Two Evil Eyes" b/w "Lady Luck" and "Puttin On The Style" b/w "Pocatello Idaho" is currently making personal appearances around northern California.

Bill Hight reports that Myrna Lorrie has a new personal manager in Henry Gall, of Ft. William, Ont. Miss Lorrie is booked for the Calgary Stampede, and also the Edmonton Exhibition.

Big plans have been worked out for Grand Ole Opry stars to appear in person at Myrtle Beach, S. C., commencing on June 6, and during the summer, for visitors to the famous Board Walk Resort town.

Justin Tubb's new Decca recording, "You Nearly Lose Your Mind," is taking off at a fast clip, and appears to be one of the fastest breaking records the young Opry star has made.

Elvis Presley continues with his whirlwind tour of personal appearances. Last week saw the atomic dynamo in Minneapolis and St. Paul, Minnesota, and La Crosse, Wisconsin; jumping from there into his home town of Memphis, Tenn., for a one-night stand at the Memphis Cotton Carnival. Presley left Memphis for his continued solid schedule of personal appearances. The Presley date in Memphis was jointly promoted by Colonel Tom Parker and Bob Neal.

George Morgan and the Carter Sisters, with Hal and Ginger Willis were among the featured attractions on the mid-way of the Royal American Shows during the Memphis Cotton Carnival recently.

Lee Sutton, of WWVA, of Wheeling, West Va., reports that Dusty Owens and the Rodeo Boys, with Lazy Jim Day, have a solid schedule of personal appearances in Nova Scotia this month. Sutton also reports that Lee Moore and Juanita; Hylo Brown and the Buckskin Boys are working New York and Pa. territory this month.

HAL & GINGER WILLIS

Stoney Cooper and Wilma Lee and the Clinch Mountain Clan are busy with personal appearances in Ohio, West Virginia and the Pennsylvania areas.

Doc Williams & the Border Riders during the month of May, will also tour Nova Scotia.

Bobby Jo and Joyce (Tennessee) in their debut recording for the label turn in a good performance with "Reaping Heartaches" and "Ain't Got Time". This pert recording duet is booked solid for the summer season and into the fall with the Duke Of Paducah Show.

Abbie Neal and the Ranch Girls were reported working the Pennsylvania territory this month.

Last week RCA Victor recorded the first sides with a new song stylist. The new signee is Carol Johnson who comes from Brunswick, Georgia. Many times in the past, we've mentioned new recording artists in this column, and it's a pleasure to mention this newcomer for we're certain this will be one of the most commercial new artists in the female category to come up in some time. Carol has a fresh, sincere new sound and those close to this young lady of song say she's here to stay. It will be interesting to watch Carol's progress and the results of her first for RCA Victor.

Ernest Tubb (Decca) back into Nashville last week after an extended tour of the metropolitan southern cities and immediately left again for Johnny Rion's "Chain Of Rock" Park on May 20th. Following this date, Tubb departed for Meridian, Miss. for his participation in the Jimmie Rodgers National

Country Music Day Celebration, which is being held there this weekend May 25-26.

Working as an act, May Hawks and Les Thomas were into Nashville last weekend in a huddle with Tree Music rep, Buddy Killen. It's reported the act will have their first releases out in a few weeks. The duet will also record under their own individual names as solo artists.

The city of Ashland, Kentucky will observe their 26th Annual American Folk Song Festival on June 10th. The festival commemorates a century-old tradition among Kentucky mountain folk, the "Singin' Gatherin'", where everyone would dress in the costumes of their ancestors and sing ballads and song, some of them centuries old. Authoress Jean Thomas of Ashland, founder of the Festival, is its strongest supporter.

Justin Tubb and the Wilburn Brothers team up for a series of personal appearances the latter part of this month and head South to Georgia for a full week. Immediately following, the group will go into Meridian, Miss. for the Jimmie Rodgers Memorial Day Celebration May 25-26.

This week-end, May 26, it's reported that Carl Perkins will be guest star on the Perry Como TV Show from New York. It's also reported that Ed McLemore, Big "D" Producer-Owner, Sam Phillips, head of Sun Records and officials of GAC will be on hand to work out other activities for the "Blue Suede Shoes" lad.

Carl Perkins (Sun), Sonny James (Capitol), Hank Locklin (RCA Victor) and Charline Arthur (RCA Victor) are currently working a tour for A. V. Bamford, West Coast promoter.

Johnny Dolan, Publicity rep for the Big "D" Jamboree, Dallas, Texas, reports that they have been enjoying capacity houses for the most part during the past several weeks.

Teddy and Doyle, The Wilburn Brothers (Decca) were featured guest stars on the Ozark Jubilee on Saturday, May 19th, according to word from the team's personal manager, Gabe Tucker.

The Blackwood Brothers Quartet (RCA Victor) continue with a strong schedule of personal appearances and are booked solid for the month of June.

The Brown Sisters, Maxine and Bonnie, returned to Ozark Jubilee on April 21, singing one song "Goo-Goo-Dada" with Bobby Lord and another "As Far As I'm Concerned" with Red Foley. Brother Jim Edward is in the midst of basic training at Fort Carson, Colo. The Brown's RCA Victor recording of "I Take The Chance" is currently riding the hit-crest and brought the popular recording team much into demand personal appearance-wise.

Chuck Bowers (Choice) turns in his first for the label with the offering of "Pig Pen Boogie" and "Totin' Water". Also out on the Choice label is Tennessee Jim and his Hillbilly Playboys with "Don't Steal Her" and "Hanging My Tears Out To Dry."

Here's an oddity. Sheriff Tex Davis, WCMS, Norfolk, Va. was enroute to Nashville recently with Gene Vincent and the Blue Caps for their first recording session for Capitol. It seems the boys were stuck in Richmond, Va. and they didn't have a "through ticket". The boys got to wondering and ending up doing a show right in the airport and six folks with big hearts gave up their passages so the boys could make good in Nashville.

Jac Comer, Valley Music prexy, Knoxville, Tennessee, has another record on the up-swing these days in the Babs and Floyd recording of "Giggle Box".

National C. M. Board Of Trade Would Mean:

ONLY ONE CONVENTION

Would Cut Expenses for Exhibitors and Operators. Would Bring All the Industry Together Under One Roof. Would Open Path to Greater Harmony and Better Understanding. Would Cement All Divisions of the Industry Into a Single, Strong Unit for Everyone's Future Good and Welfare.

Diversification has brought about a great need for a "National Coin Machines Board of Trade."

Operators who attended the MOA as well as the NVA convention, and because they also operate other vending equipment, will have to come back to Chicago to attend the NAMA convention.

This is a triple expense. An unnecessary and inefficient added expense. Not only a triple expense for operators but for exhibitors as well.

Efficient operators who conduct a profitable business own diversified equipment routes. They feature music, vendors, amusements and service machines.

The intelligent operator realizes that the location is the most important factor in the profit equation. He must satisfy the individual location to enjoy maximum income. And to do so he must place all the various machines the location wants and needs. In short, he must diversify his operation.

Today operators own the phonograph, the drink dispensers, the cigarette vendor, the gum and nut machines as well as the games in individual locations.

One operator efficiently, easily and quickly services the location. This is better for the location owner. More efficient and profitable for the operator.

The resultant effect of such diversification is that the operators, today, are inter-

ested in all types of equipment. They must be to keep ahead of competition. To progress. To better assure their future welfare.

When they come to a convention, operators want to see, hear and learn about all types of machines.

Why, then, should the operator be imposed upon? Why should he be made to spend three times what he should? Why must he be forced to attend three different conventions at three different times during the year when but one will do?

This publication has continued to call for a "National Coin Machines Board Of Trade" for over twelve years. Not only would such a Board of Trade be a great, common meeting ground for all divisions of the industry, to set up the finest possible code of ethics for all, but would, at the same time, bring about financially efficient cohesion.

A "National Coin Machines Board Of Trade" would mean one convention only. A big convention. A harmonious meeting of the minds and hearts of all the peoples engaged in this industry.

It would help to assure greater efficiency, economy, security and definitely bring about better profits and finer welfare for all the industry.

The time is long overdue for the leaders of the industry to bring into being a "National Coin Machines Board of Trade".

Here and There

WASHINGTON, D. C.—The Small Business Administration issued a release this week that should be of interest to coin machine distributors. Called "Competitive Tactics For Small Wholesalers", it is written by William J. Guyton, of the management consultant concern of A. T. Kearney and Company, Chicago. "Owners and managers of all types of wholesaling houses", says Guyton, "are currently concerned with how to maintain sales volume and still secure commensurate returns. Many have found that the solution does not lie in granting increasingly large price concessions, but rather in developing tactics designed to meet competition in their own market. You may find it possible to improve your position thru a careful evaluation of your competitors' efforts, plus a critical re-examination of your own objectives and operations. Such a study may result in: 1) Selection of some of your present lines for additional concentration; 2) Securing new lines that are inadequately represented in your market; 3) Location of new markets neglected by competition and which offer potential profits to a wholesaler willing to promote aggressively his services to them; and 4) Improving company operations to provide the desired services to the customer, together with the required profit to the company." Guyton also points out that there are five areas to study in evaluating your competitors' operations in relation to your own: 1) Merchandise; 2) Market Coverage; 3) Service; 4) Advertising and Sales Promotion; and 5) Pricing.

NEW YORK—Readers of this column pick up a lot of incidental information, some of value, some amusing, and some just interesting. Here's an item that we thought you'd like to read. American drivers burned up 54.3 billion gallons of gasoline last year, reported the American Petroleum Institute. This created a new high, an increase of 3 billion gallons over 1954. Most active drivers were the Californians. They used 5.6 billion gallons alone. Their biggest month was in June, with August second. (Ed note: California ops with locations along roads should be prepared to handle this summer traffic). Texans ranked second, with June the big month here, too. New York State was third, with August its biggest month, altho July was not far behind. Fourth was Ohio and fifth was Pennsylvania. New Jersey was eighth, and Connecticut 27th.

FOREIGN TRADE BOOM GROWS

Leading Distributors Report Growing Backlog of Orders. Their Salesmen Beat Bushes in Effort to Find Needed Equipment. Juke Box Ops Being Offered Higher Trade-Ins. Many Ops Take Advantage of Trade-In Offers to Modernize Routes. Arcade Machines and 5-Balls Enjoy Big Demand. Believe Boom Will Continue Due to Growing Scarcity of Equipment Wanted.

CHICAGO — Foreign trade continues to boom at an unprecedented rate. Leading distributors are amazed at the growing backlog of orders they now have on hand and the further fact that their backlogs are increasing right along.

As one noted midwest distributor reported,

"It's almost impossible now to obtain the late model used machines the world market demands.

"The fact is", he continued, "that our salesmen are beating the bushes and are ordered to do everything possible to obtain the equipment we need so as to satisfy our many foreign market customers."

Nor is he the only one who is in this predicament of attempting to obtain late model used equipment for foreign buyers.

One well known eastern distributor reports,

"As far as juke boxes are concerned, we are offering operators the highest trade-in values in all of our history.

"In fact", he claims, "many of the juke box operators in our territory have taken advantage of these high trade-ins and are modernizing their routes.

"We predict", he continues, "that before this year is over there won't even be a single 78 rpm phono in our area.

"But", he sadly adds, "this doesn't mean that we are obtaining the equipment we need to ship out to the foreign market."

This situation prevails thruout the industry. It is especially noticeable on both coasts where distributors concentrate on world market sales.

The west coast has just as great a problem as the east coast of the nation attempting to satisfy the demand for late model used equipment from the world markets.

Distributors all over the nation, in fact, are at their wits' end trying to dig up the necessary machines. Their salesmen are beating the bushes and making some remarkable deals with operators to obtain equipment needed for export.

All agree that the export boom will continue due to the fact that the scarcity of late model used machines is growing, instead of being satiated. Because of this, export demand will continue to grow at even a greater rate than it is growing at this time.

It is also noticeable that the demand for five-ball games and guns as well as much other arcade-type equipment keeps pace with the demand for the later model used juke boxes.

One west coast distributor explains,

"The prices of new machines have gone up so much that the average buyer in any foreign country just cannot afford to use new equipment.

"He must have used machines, instead", he says, "but he knows the later model used equipment just as well, if not even better, than do our own domestic operators.

"This makes it even more difficult for all concerned. It has become a race between exporting distributors as to who will get what equipment. Each continues to offer more than the other."

(Editor's Note: As predicted by The Cash Box in its last "Export Market Quarterly Edition", which is printed in Spanish, French, German and English each quarter, demand for late model used machines from the American market would grow to boom proportions. It seems, from present reports, that even this optimistic prediction has already been surpassed and that new high export marks will be set during 1956.)

As Summer Season Approaches:

Factories Intensify Sales and Promotion Campaigns

Rush Out Roadmen To Cover Nation and Beat the Bushes. Advertising Programs Stepped Up

CHICAGO—Very few, if any, factory salesmen were at the manufacturing here.

Manufacturers have rushed them out to cover the nation in an intensified promotional and sales campaign due to the forthcoming summer season.

As one leader here stated, "We enjoyed one of the greatest business summers in the history of the industry in 1955. We believe that we can make 1956 just as great a summer season.

"We are ordering our salesmen to cover their territories intensely and meet with all operators. This is but one part of our stepped up sales and promotion program.

"We are also stepping up our ad-

Arcade Equip't Demand Zooms

Late Model Used Guns in Biggest Demand. Baseball Games, Horoscopes, Photo Takers and Other Type Machines Enjoying Boom Market. "Best Season Yet," Many Report

CHICAGO — Leading distributors all over the nation are racing against time to fill orders for arcade equipment of all kinds.

The demand has continued to zoom upward from early April and has now reached actual boom proportions.

Salesmen for the various distributors are beating the bushes in an effort to dig up arcade machines of all kinds so as to satisfy the demand.

Late model used guns are in greatest demand. These grow more scarce as trade-in deals are made to obtain them from operators.

In fact, some report, there is a good demand all over again for new guns with new play features. These men are of the belief that a new gun

at a nominal price would click big at this time.

Baseball games, horoscopes, photo takers, recorders, almost every type of arcade machine made is being demanded from all over the country, as the outdoor season gets under way and, especially, demand from the foreign markets is greater than ever.

As the manager for one well known distributor reported this past week,

"This is the best season yet.

"The orders are coming in faster than we ever expected. We are now trying our best to get the equipment desired.

"This is a real boom", he concluded.

Many are of the belief that this summer of '56 will see the arcade machines biz reach new heights.

Not only will the machines be shipped in bigger volume thruout the world markets, but many U.S. ops are demanding more used arcade equipment in an effort to fill resort and other outdoor spots.

Chicago Coin Delivering "Steam Shovel" and "Twin Hockey"

ED LEVIN

CHICAGO—Ed Levin, sales director for Chicago Coin Machine Company, this city, reported this past week that the firm is now delivering two machines which it had shown for the first time at the MOA convention. These are the "Steam Shovel" and the "Twin Hockey". There are two models of the "Steam Shovel", regular play model and the replay model. There are three models of the "Twin Hockey", regular play, replay and three-way match model. The "Twin Hockey", according to

Ed Levin, is catching on everywhere in the nation. This is a two-player game. It features 5¢ coin for each player or 10¢ coin for each player or 6 plays for 25¢ for each player.

The game has a formica playing field. The control panels are on either side for each of the players. The scoring value of the balls advances as the game progresses from 10 to 50 points.

As Levin reports, "Our distributors have been heaping compliments on us for both of these new machines, 'Steam Shovel' and 'Twin Hockey'."

"With the big outdoors season getting under way, as Memorial Day nears, both games are already in big demand.

"Both of these machines", Levin explains, "are perfect for the summer season play action", he added, "and there is no doubt that they will remain on any location anywhere for many, many months to come and in some cases for years.

"These two machines", Levin goes on to say, "are among the kind of products that assure operators of longlife profits.

"These machines will still be operating and in the same locations when summer, fall and winter have passed and another year has come into being."

Genco Mfg. Names Roanoke Vend. Distrib.

CHICAGO—Jack Bess and his Roanoke Vending Exchange, Inc., Charleston, W. Va. and the Bristol, Va. offices were named Genco's exclusive distributors in this area by Ralph Sheffield, sales director for Genco Manufacturing & Sales Company, this past week.

Sheffield reported, "We have been in contact with Jack Bess for some time. We have watched the progress of this firm. We sincerely believe that Roanoke Vending Exchange is bound to prove one of the outstanding distributors of our entire distributing organization.

"Bess has proved himself", Sheffield says, "one of the finest men with whom to do business. He has furthered the cause of the operators in his area. He has done all in his power to bring the operators the finest equipment and assure them of the best profits.

"He has indicated", Sheffield concluded, "that he is tremendously happy to become our exclusive distributor and will make our products among the most popular in his territory."

With pleasant weather setting in, things are really humming. The outdoor season, a month late because of bad weather, is getting rolling and demand for arcade equipment and used and new games and guns is at an all time high. . . . Distributors are getting behind the Cerebral Palsy drive again this year and Atlas Distributors (AMI) has a new AMI 200 in the South Station concourse; Trimount Automatic Sales Corp. (Seeburg) sent a Seeburg 200 to the Watertown Arsenal and another for a CP location this week; and Associated Amusements (Rock-Ola) is putting out machines.

At Trimount Automatic Sales Corp. (Seeburg), President David Bond and Mrs. Bond have returned from a tour of France, Italy, Belgium, Netherlands and Germany, but did not make their contemplated visit to Israel because of the situation there. Arcade equipment is moving at a fast pace here. Williams' "Crane" is going big and Mutoscope's "Rock 'N Roll" is finding favor. Trimount is awaiting Genco's new "Hi-Fly" baseball game. . . . Big demand for Wurlitzer 200 and orders being taken for the new machine which is expected to arrive shortly. Demand is "fantastic," Bob Jones, genial sales manager, reports. Business on the upswing here with warm weather seeing kiddie rides, pool tables, guns and even shuffle alleys active. Exhibit's new "Spanish Pool" and Chicago Coin's "Advance" and Bally "Booster" are leading the field in pool games here. Bally's "Night Club" is very strong. Wurlitzer 1900's are moving briskly, too. . . . At Associated Amusement (Rock-Ola), Ed Ravreby and staff working nights to ready new plant. Associated will unveil a 7,500 square foot setup with a game room, coffee lounge, parts department, parking lot, direct shipping platforms, all done in a Rock-Ola color scheme of red, gold and black. A new receptionist has been hired, Christine Kane, to augment the Associated staff.

H.; Frank Genest, Quebec, Canada; Martin Oliver, Portland, Me.; Ray Faini, Framingham; Max Putterman, New Britain, Conn.; Martin Ferraro, New Bedford; Henry Levine, Milton; Bill Hamel, Concord, N. THRU THE COIN CHUTE EASTERN FLASHES

Seemed to be a good deal of high spirits and fun on coinrow this week. Those coinmen who returned from the MOA show were recounting some of their experiences and hijinks, and were unusually jovial. We listened to these stories and compared them to those which we encountered during the "big" conventions of years gone by. The same—and lots of fun and laughs.

Black Sales, Inc., opens on coinrow this week, with Al Blendow, long time coin sales exec in charge as general manager. Firm will occupy newly renovated bldg at 583 Tenth Ave., and will distribute the lines of United Mfg. Co. and Capitol Projectors. Blendow states the firm intends to acquire other factory lines. Official opening is set for June 1. . . . If anyone is jumping with joy, it's Barney (Shugy) Sugerman of Runyon Sales Co. "Shugy" advises he's looking for the greatest sales year since he opened his distributing firm. This prophecy, he says, is based on the new AMI model "G-200", and the amusement machines of Bally and Keeney. Irv (Kempy) Kempner, roadman, headed a group of Runyon execs, which included bossman "Shugy", at a showing of the AMI "G-200" phono at a buffet dinner at the Bond Hotel, Hartford, Conn., on Thurs., May 10. Also on hand were Artie Daddis and Marty Blatt of AMI. Kempy says that there were some 75 coinmen present, and that he wrote plenty of orders. Kempy, by the way, graduated from the Dale Carnegie School on May 15, where he took a course on public speaking and human relationship. Graduation was at the Hotel New Yorker. . . . V. Van Nattan, sales manager of Auto-Photo Co., Los Angeles, Calif., visiting at his local distrib, Al Simon. Van Nattan came on to New York from Chicago, after a stop-off in Cleveland. He wasn't fully recovered from his recent attack of virus, and was hoping he would be able to go home from here. However, he said he might have to visit Philadelphia and some distribs in the Southern States.

Joe Young and Abe Lipsky, Young Distributing, tell us that music ops are really bothering them for information on Wurlitzer's new model "2000", the 200 record selection phono. "We should have some here by the end of the week" advises Young. Joe and Abe look forward to some sensational sales when the new machine comes along. . . . Harry Knolls, Valley Amusement, Clifton, N. J., visits along the street, then goes up to the new New York Coliseum to view the exhibits of the firms showing home owners' items. . . . George Santiago, Koeppl Distributing, who was out last week due to a sprained ankle, now back, and are Harry and Hymie thankful. All working strenuously to turn out a good sized export order of reconditioned music machines. . . . Westchester Music Guild hold nomination of officers this week, and election will take place after the organization's big banquet coming along Tuesday night, May 22, at the "42 Club" in Scarsdale, N. Y. . . . Condolences to the Simons, who lost their brother Joe on Tuesday, May 15. Joe Simon operated an arcade in Newark, N. J. . . . Ed Czajka, Eddie's Amusement, Danbury, Conn., shopping along coinrow. Ed opens his arcade at Lake Carmel, N. Y. this week. . . . Over at Atlantic New York Corp., everyone busy. Murray Kaye reports sale of Seeburg's "V-200" very good. While we were in the office, Murray was talking with the wife of Phil Simon, music op of long standing here, arranging for blood donations needed for Phil who is in the Hannemhan Hospital in Philadelphia. In addition to Kaye, Meyer Parkoff, and a number of members of the New York association promised blood donations. . . . Mike Munves still busy as he could possibly be supplying arcade equipment. Mike claims the way things look, he'll probably be rushed right thru July 4th holiday. . . . On the street seeing the distribs were Sandy Moore and Hank Walton of Long Island. . . . There have been many more donations, and some quite surprisingly large, to the UJA by coinmen, in conjunction with the UJA-"Senator" Al Bodkin testimonial dinner being held at the Sheraton-Astor Hotel on June 13.

THRU THE COIN CHUTE UPPER MID-WEST MUSINGS

Mr. and Mrs. Jack Backus of Jamestown, N. D. stopped in the Twin Cities on their way home from visiting relatives in Milwaukee, Wis. There is a report that Harlan is in with a group that made a uranium find out West and that they will start mining the ore in the near future. Good Luck Harlan. . . . A recent route change is the purchase of the John Galep route by Don Bolier of Baldwin, Wis. The John Galep route was situated in and around Menomone, Wis. Johnny's plans for the future are indefinite at the present time. Going thru the Mayo Clinic at Rochester were Pete Weye and Ken Flynn of Havre, Mont. Pete and Ken stopped off for check-ups on their way back from the MOA convention in Chicago. . . . H. H. Dolliver of Conrad, Mont. stopped off in Minnesota and the Twin Cities on his way back from the MOA show. He joined his brothers and all went down to Blue Earth, Minn. to spend Mother's Day with Mom. This had been the first time the family had been together on Mother's day in a number of years. . . . Andy Theisen of the Northland Music Company, Brainerd, Minn., made a quick trip into the Twin Cities to pick up parts and records. . . . Bill Hunder, Wheaton, Minn. was seen shopping around for equipment. . . . Recent visitors to the Twin Cities scene were Pete Vanderhyde of Dodge Center, Minn.; Stan Baeder of New Rockford, N. D.; Nels Nelson of Alexandria, Minn.; Russel Gherity, New Richmond, Wisc.; Bill Hanf, Austin Sales Co., Austin Minn.; Fred Kirschman of St. Cloud, Minn.; Gordon Dunn of Moose Lake, Minn.; Jack Tomar of Two Harbors, Minn.; John McMahon of Eau Claire, Wisc, and Joe Totzke of Fairmont, Minn.

Demand for used arcade equip't continues to zoom to new high marks. Distributors are trying their best to obtain used late model guns, baseball games, horoscopes and photo takers. Many believe that arcade machines field will enjoy its best season this '56 summer. . . . Bill DeSelm reported appointment of

Irv Sandler's Des Moines firm as United's distributors. Jim Hunter manages Sandler's Des Moines offices. At the same time DeSelm advised that the firm now shipping its new "Build Up Shuffle Alley." . . . Talk about appointing new distributors. Ralph Sheffield and Avron Gensburg of Genco named three new firms to handle its line exclusively this past week: Jack Bess' Roanoke Vending Exch., Inc., Charleston, W. Va. and Bristol, Va.; Herb Rosenthal and Izz Rothstein's Banner Specialty Co., Pittsburgh, Pa. and C. O. (Red) Harrington of Houston, Tex. . . . "Contrary to customary letdown that comes about after conventions", reported Wally Finke, Joe Kline and Sam Kolber of First C. M. Exch., "our business has become better than ever". . . . Sam Wolberg expected back at his desk at ChiCoin on or about June 1. Has tripped thru Europe and near east. Hear that Jerry Koci of ChiCoin also in Europe. . . . Phil Robinson bought himself a brand new car and drove it to Los Angeles.

Thank for the many compliments on the pictures that have appeared in The Cash Box. You'll get the prints you asked for. . . . Ed Levin of ChiCoin all thrilled over the way the firm's new "Twin Hockey" clicked. Reports that George Wrenn dashed down to Texas to tell all his distributors and all Texas' ops about this two-player game.

WALLY FINKE

. . . . Keeney's Paul Huebsch advises that the firm now busier than ever with its vending machine line. Seems that everytime it shows its vendors biz booms. . . . Alvin Gottlieb reports that he "conducted more tours thru the plant during the MOA show than a dog has fleas". Dave, Nate, Sol and Alvin Gottlieb found they had just as many, if not more, visitors come out to see them than ever. Always happens when a convention under way. . . . Have you heard the one about the operator who was applying for his very first occupational license? He was asked by the license commissioner, "When were you born?" No answer. Again the commissioner asked, this time rather sternly, "When were you born? When's your birthday?" To which the operator is reported to have replied, "What do you care? You ain't gonna give me a present."

RAY MOLONEY

Ballymen are considered among the best pool game players in town. The other day, just for the fun of it, some of the boys got together and rated them. Lex Vincent took first place with a rating of "99". There was a three-way tie for second place, all of the men rated at "90": Ray T. Moloney, Bill O'Donnell and Phil Weinberg. A two-way tie for third place between Paul Eckstein and Art Garvey, both rated at 80. After that came the three sages of the firm: Herb Jones, George Jenkins and Tom Callaghan. . . . Jerry Kuklin of Standard Metal Typer ready to break an interesting news report. . . . Fred Minter and Bud Kottke of Gateway want to know if anyone is interested in trading some shiny new juke boxes for some beat-up racing cars. Both men well known on the stock

Noted Los Angeles TV picture-making firm preparing a special short on The Cash Box "Teenage Canteens". Will call the kids "Canteeners" and adapt the story from The Cash Box' editorials.

The foreign trade boom grows ever greater with more and more desperately seeking much needed equip't for export as the backlog of orders grows bigger. . . . Tom Sheldon of Payette, Ida. advises that the pool games were, "A real break for the coin op. We need more equipment in the same price range to keep us going on a sound basis moneywise." . . . Thanks a zillion to Lillian (Mrs. Nat) Cohn for her sweet and tremendously complimentary letter. . . . Harold Schwartz of Atlas Music urges all juke box ops to get in on the gravy train. He points out that distributors are granting fabulous trade-in prices to meet demand for used phonos from foreign markets. This gives juke box ops chance to completely modernize their routes at a lower cost than ever before. . . . The usual post-convention letdown seems to have temporarily affected some of the factories. Old timers, tho, accepted the situation very calmly this past week. They philosophically point out that this always was and always will be the case after conventions. . . . Down Coin Machine Memory Lane With Harry S. Lavine, Member of the "Golden Circle" of the "20 Year Club"

HARRY S. LAVINE

OIL CITY, LA.—So, you would like to know the history of the coin machine business? Well, listen to some historical highlights by Harry S. Lavine, this city, who is a member of the "Golden Circle" of the "20 Year Club", and who has spent over 53 years in the business.

"George R. Thayer had a partner in developing the Binghamton Pianos. I think the last development of theirs was a very nice piano and orchestration type of instrument for moving picture houses. I had considerable dealings with the president of this company, a Mr. Harris. Practically all musical instruments in the U.S.A. were operated on the endless roll idea, and were not very satisfactory. I believe Thayer will bear me out on this. Not until the rewind rolls were developed and used was the business satisfactory and most troubles eliminated.

"The Western Automatic Music Company, the Operators Automatic Piano Company, and the Seeburg Piano Company of Chicago were the first to make a satisfactory rewind mechanism for the coin operated piano. I believe these companies, or several of them, started as operators themselves, placing their devices with the merchants. The Wurlitzer Company of Cincinnati, Ohio, started out as importers and operators of musical instruments. I believe they were the first in the business in this country to do so. They had the biggest and best variety of automatic orchestrions made in Germany. They were real novelties. I believe Germany developed the first rewind mechanisms and the automatic musical instruments in the world.

"I believe that I, as an operator, have owned and operated nearly every make and type of automatic musical instrument that was ever made, up to the advent of the all electric instruments.

"This much I can say also of the penny arcade business. There were some very clever machines. The most outstanding was a Phrenologist Ma-

chine that gave a printed reading on the spot that fitted each individual. The Palm Reader was good. So were several other Horoscopes. There was a nice Hot Peanut Vending Machine, which has disappeared and which I have lost all information about. It was an all metal machine in the shape of a small elephant, about 2x5, which dispensed hot peanuts in their shells in paper bag containers.

"When moving pictures started, the Arcades in most cases had to close. So it came about that when the country went dry, the coin operated pianos went out. In fact, the regular piano business suffered and mostly went dead. So it was with the manufacturers of phonograph records. They all were at a standstill. I say this because I was unable to purchase late popular records. This condition improved rapidly when the automatic phonograph became popular and the demand increased.

"I quit the Automatic Piano business, dismantled these instruments; that is, I removed the coin slots, motors, pumps and all other parts, then made a present of about forty of the pianos to schools and churches. They were all in need of them. Some offered to pay for them, some said they would say a prayer for me.

"I am interested to know what individual or company is credited with the development of the phonograph business. I am confident that the Gabel Manufacturing Company of Chicago was the first to make a double stack record phonograph with a lateral movement of the record. I was the first to develop the 5/10/25c single coin slot entrance. I sold this patent to the Mills Novelty Company during the First World War. I showed my first patented lateral movement record mechanism to the Seeburg Piano Company. This was before either Seeburg or the Wilcox mechanism was put on the market. There was on the market already the Mills Ferris Wheel mechanism, and later on the Capehart mechanism on an endless non-selective idea."

Lavine tells his early days when he operated penny cigarette machines and other machines made by Mills Novelty Company of Chicago, and the Caille Brothers of Detroit, Mich. Lavine disposed of his operation and went to the Buffalo Exposition. He then returned to Cleveland and opened the first penny arcade there. He also was the first operator of automatic pianos in Cleveland.

"Good Citizenship" Award To Coinman

Photo Courtesy the East Hampton News

EAST HAMPTON, CONN.—Coinmen in this area are mighty proud of one of their own, Lewis J. Beilman of Marlew Amusement Company, this city.

Beilman recently received the first Good Citizenship Award made by the

local VFW organization. He was chosen for the honor for the outstanding achievements he has made in his contribution to the community and the Little League organization during the past years. On one occasion, it is reported, he took the team to a major

Gun Earns \$30,000

CHICAGO—Hanging on an office wall of the J. F. Frantz Manufacturing Company, this city, is the first serial number one rifle from an "A. B. T. Rifle Sports".

"This rifle has been in constant operation for 10 years", Frantz said.

"In that time it has earned approximately \$30,000.

"Now that we are manufacturing the 'Rifle Sport', as well as the 'A. B. T. Challenger' and 'A. B. T. Guesser Scale', the gun serves as a concrete reminder that business is always good.

"The country has had its financial ups and downs in the past 10 years", Frantz continued, "but there hangs on our wall one gun alone that has made a steady income year in and year out.

"How can we help but be enthusiastic, then, as we see hundreds of brand new 'Rifle Sports' rolling off our production line?" Frantz queried.

league game in New York. This, and other generousities of time and energy have been the practice of Beilman. His son, incidentally, has also been a member of the Little League.

Pictured herewith is Past VFW Department Commander Henry Pinchera from Hartford presenting Lewis Beilman with the Good Citizenship Award.

In making the presentation, Commander Pinchera said, "Beilman is a local businessman, who has been for the past year president of the Little League organization, and he has been an unofficial booster of the local VFW Post for the Little Leaguers and its personal helper in countless ways."

Sparking business along Pico last week were the new model phonograph machines and new games of all types that are appearing in all the showrooms—plus the addition of a new one-stop store. . . . At California Music Company, Sam Ricklin and Gabe Orland are keeping their entire staff hopping filling the tremendous mail order business that they are receiving. Sam even had to ask bookkeeper Bella Stack to leave her desk and help fill the orders. Gabe said that the "ground breaking" ceremony for the new building should take place within the week. . . . Dick Kerr of M.A.C. Vendors has been in the hospital the past month and his many friends are wishing him a speedy recovery and "Back on the job, Dick!" . . . Sierra Distributors held a large Champagne Party for operators and other people in the industry last week to jointly introduce the new Wurlitzer "200" phonograph and officially open Norty's Music Center, Los Angeles's new one-stop store located in the Sierra building. The party was a huge success with over three hundred people attending. Nancy Sheldon, the very attractive singer, was crowned "Miss One Stop" and made a very pretty picture as she circulated among the many guests as they congratulated Wayne Copeland on the beautiful new model Wurlitzer "200" and the extensive Parts and Accessory Department that has been added at Sierra. Norton Beckman receiving high praise for his complete stock of records and the speedy service being offered by "Norty's." A few of the artists that dropped in for a "look-see" were Elmer Bernstein, The Four Lads, Dick Kallman, The Four Aces, Jimmie Wakely, Russ Morgan, The Four Freshmen, Ray Anthony and Don, Dick and Jimmy.

Lee Palmer of Mercury Records reports that "Church Bells May Ring" by The Diamonds is kicking up a storm in Los Angeles, San Francisco and points north. . . . Al Bettelman, C. A. Robinson & Company, busy taking orders on the floor from operators in buying arcade equipment, Charley Robinson receiving much interest from operators on United's new "South Seas" in-line game that he just received shipment on. Dave Wallach reading The Cash Box to catch up on any M.O.A. Convention news that Charley might have forgotten to tell him. . . . Her many friends will be happy to hear that Mrs. Eleanor Torres is out of the hospital and back at home where she is recovering very nicely from the automobile accident she was in in Northern California. . . . Charles F. Rivers, Special Events Director for the United Cerebral Palsy Fund, very pleased with the great response to the "coin cards" that the operators of the Los Angeles Division of the California Music Merchants Association are placing in their various locations throughout the city. . . . At Simon Distributing Company, John Freeman and Sonny Lomberg busy taking care of the many orders for export and arcade equipment. Jack Simon remained in the East ten days after the M.O.A. Convention for business trip around that area. . . . Ted Sarazan, Orange operator, seen driving along Pico with his truck loaded with arcade equipment. . . . The simplicity of the new AMI "200" High Fidelity phonograph has been a great boom to the record machine business at Badger Sales Company, Inc. where Bill Happel and Al Silberman are busy taking orders and shipping out the new machine. Fred Gaunt reports very good reaction to Keeney's front play "Arcade" pool game from all operators that have seen this new game in the showroom. . . . Jack Roberts, Santa Monica operator, is receiving very good results from the Williams' "Crane" game machines that he has placed in several Mayfair Markets in the area. . . . Norman Dudley, Mercury distributors, dropped by Leuenhagen's Record Bar to see Mary and Kay Solle on his way to the Coconut Grove where Patti Page was appearing. Barbara Chandler, Mary and Kay's sixteen-year-old niece, is planning on spending her summer vacation here helping "The Sisters" at the "Bar." "Barbie" has done this in the past to the delight of the many operators frequenting the "Bar." Mary predicts that "Hot Rod Henry" by Lola Dee on Mercury will take off big in the Pop line. Kay said that "Hi Lili Hi Lo" by Dick Hyman Trio on MGM label is catching on with the operators.

At Paul A. Laymon, Inc., the new improved model of the Rock-Ola phonograph is getting very favorable comment from all the operators. Jimmy Wilkens and Charlie Daniels are anxiously awaiting the first shipment so that they can start filling the orders that they have received. A Rock-Ola phonograph was used on Art Linkletter's "People Are Funny" weekly television show seen on the NBC network. The Pacific Palisades Garden Club selected Lucille and Paul Laymon's garden as one of the six gardens in that area for their annual Garden Club Tour. Lucille said that on the Saturday and Sunday of the "tour" that over two hundred people viewed their garden. Ed Wilkes' son, Tommy, injured his ankle and will be on the "Sick List" for a week. . . . Cam Badgewell is hobbling around on crutches while his broken ankle mends. . . . At Minthorne Music Company, Hank Tronick reports that the Seeburg "200" phonographs are moving out as fast as they are received. Hank is getting very gratifying reports from the operators on the reception of EP records being used on the Seeburg "200." They say that EP play is a big factor in converting to dime play in the Southern California and Arizona areas. Minthorne hosted a dinner in Bakersfield for the Kern County operators and Hank made a speech on the "EP Story" and the importance to the coin phonograph business which invoked a great deal of interest among the operators.

Operators in West Texas were stunned and surprised to learn of the death of Aubry Duncan, route-man for Bill Sheffield at Paducah. Reports are that he was returning from out of town runs late at night and went to sleep driving, turning his car over twice. A passing motorist discovered the accident early the next morning. Aubry was well known in this section of Texas, having been in the coin-machine business for a number of years. He is survived by his wife, a daughter and a son and a brother, Roland, also a route-man for Sheffield in Odessa. . . . Mr. and Mrs. George New and son, David, of Hobbs, N. M. seen visiting in Big Spring. . . . Elmo Pinkerton, Big Spring, is up and around again and reports that he is feeling much better now. . . . Morris Pipes, Big Spring, drinking coffee and discussing business. . . . The Harp Brothers, Sweetwater, going full blast all the time trying to keep up with the rapid growth of their business. . . . All the gang at the M. T. Cornelius office busy as usual. They have a new mechanic on duty now, Andy, formerly with Arts Amusement Company, Clovis, N. M.

Chi. Auto. Phono Ops Bowling League Dinner Complete Sellout. Bill Gersh of The Cash Box to M. C. Annual Affair

CHICAGO—Johnny Oomens, spark-plug secretary of the Chicago Automatic Phonograph Bowling League, reported this past week that the forthcoming annual awards dinner of the league was a complete sellout.

The banquet committee, composed of Bob Gnarro, Edith Davis, Ray Gallet and Johnny Oomens, are now at work preparing the awards, fun and entertainment to take place at Allgauer's Restaurant, Touhy and Lincoln Avenues, this city, Saturday, May 26, at 7 P.M.

The Banquet Committee has already announced that, once again, just as he did from the very first banquet, Bill Gersh, publisher of The Cash Box and head of the Chicago offices, will be Master of Ceremonies.

In keeping with their occupation, the committee also agreed that this year, just like in former years, music for dancing will be from a juke box which will be set up by one of the league's members.

A seven course dinner has been arranged with a cocktail party to take place before the banquet.

Sponsors of the various teams of the league have already spoken for every available table.

"We couldn't fit in another person", is the way John Oomens explained the sellout.

Pittsburgh Banner Office Exclusive Distribs For Genco

CHICAGO—Ralph Sheffield, sales director for Genco Mfg. & Sales Co., this city, announced this past week that Herb Rosenthal of Banner Specialty Company, Pittsburgh, Pa., had been appointed exclusive distributor for all Genco products in the Pittsburgh area.

Sheffield was enthusiastic over this appointment. He stated,

"We have known Herb Rosenthal and I. H. Rothstein for many years and have always had the very greatest respect for their marvelous distributing ability.

"Their ethics are well known to all the operators in the Pittsburgh area and their cooperation with everyone of the operators is just as well known.

"We feel certain that the news regarding the fact we have appointed the Banner Specialty Company of Pittsburgh our Pittsburgh area distributors will be sure to meet with the approval of all the operators in this territory."

Many Topics Discussed at CIAA Meet

CHICAGO — Chicago Independent Amusement Assn. members at the May meeting (Pine Room, Congress Hotel, May 15) heard about how to borrow money, discussed insurance, and took another step forward in their all-out drive for new members.

Hyman Polonsky, who heads Hy Polo Amusements, was elected chairman of the membership committee.

In the discussion of business methods, Pres. Greenberg spoke briefly on "don'ts in soliciting new accounts; percentages to be paid locations; discolored dimes, and maintenance of equipment".

Guest speaker was Bud Ash of Salem Acceptance Corporation. Ash made it clear he was not there to solicit business but to explain the operations of his company, which he did very well.

He pointed out that lack of cash

shouldn't be a hampering factor when an operator has an opportunity to expand. To buy up a route for instance. There was considerable interest in the speaker's ideas, evidenced by numerous questions from the floor.

There was also considerable discussion about insurance. A representative of this industry was there to answer questions on fire and public liability coverage, as well as questions on a group Accident and Health plan for the association.

The proposal on a group life, accident and health plan for the members was met with enthusiasm.

President Greenberg declared that not only would it be to the personal advantage of the members, but to the association as a member-getter. He also mentioned that since there is no medical examination involved, this is an excellent opportunity to get

insurance where otherwise it might not be obtainable.

Ted Raynor, association counsel, spoke on proposed licensing ordinance amendments which have been drafted by the association and presented to the City Council.

"Action on these is expected in the very near future", he declared.

In the open discussion concerning the holding of meetings at various locations, it was decided that a central location offered the most advantages. Meetings, therefore, will continue to be held at the Congress Hotel, with provision to be made for refreshments at no charge to the members.

It was also the consensus that monthly meetings were not too frequent.

In addition to speakers previously mentioned, also addressing the group were Dave Brody, treasurer; Ed Mohill, secretary, and H. A. Freeman, recording secretary.

The next meeting will be held at the Congress June 19.

868th CONSECUTIVE WEEK'S ISSUE

How To Use "THE CASH BOX PRICE LISTS"

[Also known as the "C. M. I. (Coin Machine Industry) BLUE BOOK"]

FOREWORD: Many times, wide differences appear in the quotation of high and low prices of certain equipment. Like any true reporter "The Price Lists" can only feature the market prices as they are quoted. "The Price Lists" acts exactly the same as the market quotation board at the Stock Exchange—posting the prices as they are quoted for the past week, regardless of how much they may seem to be out of line. Some prices do not change for months. "The Price Lists," rather than show no price, retain the last known quotations for such equipment so that the subscriber at least has the last known prices as a basis to work with. Prices may be very widely divergent. Someone on the West Coast may feel a certain machine worth \$150.00 whereas someone on the East Coast may think it worth but \$75.00. Of course, serial, appearance, demand, territory, quantity, and condition of equipment must be taken into consideration. (Some equipment offered by outstanding firms, having a reputation for shipping completely reconditioned machines, will be offered at higher prices than others, due to the added cost of reconditioning.) "The Price Lists" reports each quotation exactly as it is made and depends on the subscriber to make average price adjustments to fit the peculiarities of his territory.

METHOD: "The Price Lists" should be read as follows: First price listed is lowest price quoted for the week; Second price listed is highest price quoted.

FOREIGN BUYERS: To cover cost of packing, crating, shipping, etc., figure an additional \$20 to \$25 on Pin Games—and \$25 to \$30 on Phonographs.

REGARDING SELLING PRICES

IMPORTANT!

Reports received indicate that, in some cases, purchasers become upset due to the fact that they cannot, many times, buy equipment listed in the lower price brackets. Sometimes sellers of machines listed at from \$10.00 to \$25.00 ask from \$50.00 up to \$75.00 and even more for these very same machines. Purchasers of such equipment must realize that machines in the very low priced categories much worn to be priced at these low figures. To completely recondition such machines, the reconditioner must add onto his price the cost of transportation to obtain these machines, the labor, parts and supplies needed to recondition the machines, plus the cost of cartons, crates and labor for packing and shipping of the machines, in addition to a decent profit which will, in most cases, raise the price of a \$10.00 to \$20.00 machine to anywhere from \$50.00 to \$75.00 and up. In the case of arcade and kiddie ride machines these may even be higher due to the fact that many of the parts have to be made by hand or contracted for at some machinist shop, since manufacturers of many of the old arcade machines and kiddie rides are no longer in business, and it is impossible to obtain parts for reconditioning. Purchasers of such equipment should take these facts into consideration and, at the same time, should also realize that many buyers today have their own repair and reconditioning departments as well as experienced mechanics. These buyers will purchase machines "as is" at prices quoted by the trade at large and recondition the machines themselves to meet their own operating standards.

WURLITZER CRASHES THE SOUND BARRIER

WITH A GREATLY IMPROVED DYNATONE SOUND SYSTEM

From its inception, Wurlitzer's Dynatone Sound System has produced the truest high fidelity tone ever achieved on any automatic phonograph. The new Centennial 1900 introduces tonal advancements that far exceed any triumphs of the past.

Three 12-inch bass woofers and twin 4-inch treble tweeters not only offer more speaker cone area than any other juke box, but purposely varied resonances of the five speakers produce startling new tonal clarity.

Here's just one more big reason why operators find the new Wurlitzer Centennial 1900 gets them more locations, more play, more profit.
