"Keep On Pushing," the title of their current hit ABC-Paramount single is what the Impressions are expressing visually in the photo above. The title is also a fitting description of their career. The group's very first ABC single "Gypsy Woman" pushed its way onto the charts, and ever since, the trio's singles keep on pushing higher up the best seller list. "It's All Right," "Talking About My Baby," and their recent smash "I'm So Proud" show the team's increasing strength and consistency. Their new LP dubbed "Keep On Pushin'" bows next week. The Impressions appear on the Ed Sullivan Show, Sept. 6.

## ARMADA'S 6th CONVENTION

When measuring success, the music business plays a great numbers game. It's more the merrier when adding up sales, less the better when breathlessly inquiring about trade chart standings, or, pardon the expression, returns.

As ARMADA'S Sixth Annual Convention gets underway, we'll forgive the distrib association if, following the confab, it makes it known that the gathering boasted the largest trade attendance yet. From what we hear from ARMADA officials, there's every likelihood that the meeting will result in such an announcement.

What we feel, however, is far more gratifying than establishing a new attendance record is ARMADA's vital standing in the record business community, a position, no doubt, that expresses itself each year in notable industry response to the organization's conventions.

In the course of its existence ARMADA has been in the forefront of a series of noble crusades that deserve the gratitude of all who are part of the music business—the men who play its great numbers game.

Two such crusades that come immediately to mind are ARMADA's years-back struggle to eliminate the evils of disk bootlegging and help establish the forthcoming trade practice rules. Through a vast amount of work in cooperation with local law enforcement agencies, ARMADA was extremely helpful in routing out and eventually bringing to justice those whose larceny cheated legitimate record companies out of millions of dollars a year. On the national level, ARMADA proved influential in getting Federal awareness of disk bootlegging's annual toll in

honest dollars, which eventually led to a law making the manufacture and distribution of bogus disks a Federal crime.

Now, years of ARMADA concern will soon bear fruit in a set of trade practices rules for the record industry as promulgated by the Federal Trade Commission. ARMADA was one of the major industry organizations that drafted a proposed set of rules that were employed by the FTC as guidelines for its final blueprint for a more stable industry. We couldn't think of a more appropriate time to unveil the official trade rules than at the convention this week, a possibility that has been rumored for weeks.

What about the actual ARMADA conventions themselves? They, too, have reflected the organization's sober regard for the industry. Previous ARMADA meets have been highly stimulating forum for the discussion and debate of primary issues facing the industry. This year, names like Bill Gallagher, Representative James Roosevelt, the FTC's John Reilly and the various panel discussions programmed assure a similar result.

And, of course, the ARMADA confab is one of the industry's great working conventions, one that sees manufacturers introduce to distributors new summer and fall product and merchandising plans.

ARMADA can look back at six years of formidable accomplishments. As the voice of the indie distrib, it has challenging years ahead of it. From its past efforts, we see it being more than up to that challenge.

The staff of *Cash Box* wishes ARMADA an outstanding convention—in numbers and deeds.

# Victor Gets 8-Year Options On Lincoln Center Musicals

NEW YORK—RCA Victor Records has an option to cut any of the musical productions that will be presented by the new Music Theater of Lincoln Center over the next eight years.

This agreement has been announced by Richard Rodgers, president of the Music Theater, and George Marek, vp and general manager of Victor.

As for the premiere productions, "The King & I" and "The Merry Widow," Victor will most likely cut the cast performances of both works, although it's understood that formal contracts are yet to be signed. "King," the Rodgers and Hammerstein classic, opens the new venture on July 6 and continues through Aug. 8. It stars Rise Stevens as Anna. "Widow" will run from Aug. 17 through Sept. 19, starring Patrice Munsel and Bob Wright.

Victor will not only benefit from the New York run of the works presented, since tentative plans calls for sending each musical on a national tour after its New York engagement.

Recordings of Music Theater works, both new productions and revivals, will be treated in the concept of original-cast albums.

The Music Theater is a non-profit organization which will produce operettas and musicals as one of the tenants of the New York State Theater, part of the Lincoln Center for the Performing Arts complex.

"This agreement stems from the tremendous enthusiasm we have for

the new Music Theater and the important role we expect it to play in the cultural sphere not only of New York but the entire nation," Marek said. "Through distribution of recordings of the various productions, we hope to help spread the fame of the theater throughout the world."

Each production will be planned and presented as an integral unit using the finest available cast, direction, costumes and staging. Each year, two or more productions will be performed at the theater for periods of five to six weeks.

## Vee Jay Starting 13 LP Issue In "Festival" Drive

HOLLYWOOD — Vee-Jay Records will release 13 albums within a ten day period as part of its "Record Album Festival."

Set for release this week (26) are "The Best Of Wynton Kelley," arranged and produced by Bill Marx, "The Ska," with Mango Jones and his Orchestra, featuring the Harry Ballu Singers, and "Monster Surfers," with a new singing group called The Deadly Ones.

Latter set is part of Vee Jay's drive to establish a new teen fad, that of "monster surfing music."

"This is no rash move," according to Jay Lasker, vp of Vee-Jay. "We carefully analyzed the tremendous business being done in the monster toy field, as well as the box-office success of the whole new rash of monster films, and the popularity of the old monster movies on TV. Randy Wood, president of our company, agreed with me that now was the time to move into the monster music field."

Combining the monster theme with surfing was a natural, according to Lasker, as the surfing sound, exaggerated, lends itself nicely to the eerie over-all quality the albums will have. Diskery is planning to release more than eight albums between now and the end of Aug. to capitalize on the summer vacationing teenagers.

On July 1, company will market its ten World's Fair albums featuring the folk music of "Austria" with the Vienna's Boys' Choir and Anton Karis performing zither solos; "India," with Bevan Bhattacharya; "Italy," with the Laurindo Almeida Quintette and vocalist Pola Chapelle; "France," featuring Suzy Clair and Marcel Nobla. Also being released in this group are folk music albums of Germany, Venezuela, Switzerland, Spain, Greece and Israel.

The Vee-Jay series of World's Fair albums are the only records which have the Fair's official blessing to be displayed and sold on the fair grounds. Lasker set the deal with the New York World's Fair Committee.

## UA & Costa Reunited; Label Distributes DCP Line

NEW YORK—Si Mael vice president and general manager of United Artists Records, has announced that the firm has acquired the rights to distribute Don Costa's DCP label.

Costa's return to UA comes after a several year hiatus. During his first tenure with the diskery, Costa, as director of A&R, produced hit disks with Ferrante & Teicher, Al Caiola, and his own etching of "Never On Sunday."

The DCP talent roster includes Kathy Keegan, the Crampton Sisters, Teddy Randazzo, Laura Greene, the Gallows Singers, Little Anthony and the Imperials, and Costa.

Mael indicated some singles are ready for immediate release with album product skedded for issue in the near future.

# 1963 DISK SALES FELL 7½% FROM '62 FIGURES, RIAA REPORTS

NEW YORK—Manufacturers' sales of records in 1963 declined 7½% from the all-time high set the previous year, the Record Industry Association of America (RIAA) reported last week.

The industry's dollar volume in 1963 amounted to \$252,220,000 compared with \$27,275,000 in 1962. In terms of retail value, sales in 1963 came to \$529,660,000 as against \$572,775,000 in 1962.

The decline in manufacturers' sales, RIAA said, was attributable at least in part to inventory adjustments that took place at all levels of the industry, particularly during the first part of 1963, as well as the lag in business during the peak selling season that followed the tragic assassination of President Kennedy last fall.

Final tabulations, based on data gathered by RIAA and correlated with reports issued by government agencies, indicate that sales of LP's in 1963 comprised 76% of total volume. The balance was made up of 45-rpm single records, 45- and 33½-rpm multi-band records and some 78-rpm disks. In 1962, sales of albums amounted to 75% of the total volume.

Stereo recordings comprised about 44% of total LP record sales by manufacturers in 1963, compared with slightly under 40% in 1962 and, for the first time since the introduction of stereo, there were more classical recordings sold in stereo than in their counterpart mono versions by a ratio of 53 to 47 percent.

## CRDC Finalizes Field Shifts

HOLLYWOOD—Capitol Records Distributing Corp. has completed a total revision of its field management and distrib structure. Announcement came last week from Bill Tallant Jr., vice president and national sales manager.

In realigning his sales force, Tallant has eliminated CRDC's traditional branch and region system and segmented the country into divisions, districts, and territories.

In announcing the new structure, Tallant said: "Market conditions caused us to make significant changes in our sales policies earlier this year, and those same market conditions have necessitated this new approach to the management and activities of our front-line sales personnel." Among the primary reasons for the changes, Tallant said, were the referring of numerous CRDC accounts to sub-distributors and the resultant geographic problems involved in covering remaining accounts.

"What CRDC now has is the most up-to-date and streamlined system of distribution management possible," Tallant said. "It is also a system which allows us to take full advantage of modern transportation and shipping facilities which did not exist when the original branch-region system was set-up."

Under the new organization, CRDC's

field profile breaks down into five divisions, 10 districts, and an unspecified number of territories.

CRDC's five division headquarters and their managers are: New York, Jack Perkins; Baltimore, Mike Makulics; Chicago, John Jossey; Dallas, Dick Miller; and Los Angeles, Earl Horwitz. Each division manager reports directly to Tallant and is responsible for supervision of two districts.

The 10 district headquarters and their managers are: New York, Ben Savoia; Boston, Marti Takki; Baltimore, Bill Dawson; Atlanta, Tom Beckwith; Chicago, George Gerken; Detroit, Jim Blackwood; Dallas, Marvin Beisel; Kansas City, John Swenson; Los Angeles, Wayne Tappon; and San Francisco, Charles Bratnober.

In addition to those areas covered by district officers, other major markets will be serviced by a resident territory manager who will be directly responsible for sales and promotion in his area. In certain large markets, the territory manager will be backed up by territory representatives, who will report directly to the district manager. Territory representatives may or may not have promotional responsibilities.

In most all cases, CRDC's field promotion staff is unaffected by the changes.

## COLUMBIA MAKES LITTLE LP's, STEREO SINGLES AVAILABLE TO JUKE BOX OPS THROUGH ITS OWN DISTRIBUTORS

NEW YORK — A special line designed to offer the juke box operator a greater variety of programming material will be available through Columbia Records Distributors, effective July 1. Called the "Do It Yourself Music Ops Programming Kit," the first release will include six Little LP's (7"-33½" stereo disks featuring three bands on a side) and six 7"-33½" stereo singles with one track on each side. Little LP's will cost the op \$1.50. Stereo singles will go for 70¢.

Prior to Columbia's announcement that it would issue disks to ops through its own distributors, Co-

lumbia was pressing Little LP's and 7" singles for The Seeburg Corporation, which distributed Columbia op records as well as other labels' op-designed product through Seeburg Distributorships. Seeburg was making available this special product by purchasing custom-made pressings from various record manufacturers to fulfill a need for stereo disks and album material in its own phonographs. But last week, Gene Weiss, General Manager, Columbia Records Sales Corp., revealed that the line will now be made available through all Columbia distributors and one-stops, in addition to Seeburg (Continued on page 46)

## George Lee To MPHC; Artie Mogull To WB

HOLLYWOOD — George Lee and Artie Mogull traded positions last week in the Warner Bros. music operation.

According to an announcement by Mike Maitland, head of Warner Bros. Records, and Herman Starr, president of Music Publishers Holding Corp., owned by WB, Lee joins MPHC and Mogull becomes the WB label's director of eastern operations, the post previously held by Lee.

Lee will assist Starr in all phases of the publishing company's operation.

Mogull will be responsible for all creative areas of the diskery's New York offices.

Prior to joining WB last Sept., Lee was active in the publishing field via Zodiac Music and Palette Records. He was a onetime singer with the Stan Kenton ork. Mogull, in on the discovery of Peter, Paul & Mary, WB's folk stars, has previously represented many disk artists and music publishers.

## London "Piggy Back" Promo Offers Free phase 4 Demo LP

NEW YORK—London Records has a "piggy-back" promo for its phase 4 "sound" line.

A specially prepared free demonstration phase 4 LP is polybagged with each of four new phase 4 albums. Consumer pays only for the regular LP. Eleven selections on the demo disk were culled from 11 best-selling phase 4 albums.

Wire floor racks, streamers and coop newspaper advertising are included in the promo, which also involves special dealer terms.

The four LP's with the demo disk are: "Film Spectacular, Vol. 2," "Werner Muller On Broadway," "America on the March" and "Bolero."

## NARM Survey Shows Racks Suffer No Loss To Capitol On One-Price Stability Move

PHILADELPHIA — While Capitol Records' one-price "Stand for Stability" policy affects the profitability of handling its product among rack-jobbers, the label's product is still being supplied when and where it is needed to accounts, a survey of regular (rack-jobber) members of NARM has disclosed.

Results of the survey were announced last week by Jules Malamud, NARM's exec director.

According to Malamud, an impressive 90% return on the survey showed that rack-jobbers have not lost accounts to Capitol Records Distributing Corp. as a result of its one-piece move.

The survey asked these two questions: 1) How many accounts, if any, have you lost to CRDC because of Capitol's new price policy? 2) What is your current purchase policy toward Capitol's product? In every case but one, the answer to question 1, on the number of accounts lost, was "none." Only one member indicated a problem, and this was in the area of soliciting new accounts.

The consensus on rack-jobbers current purchase policy toward Capitol product fell into three categories. Over 60% of the NARM members are buying only top chart items. Typical comments from some of these rack jobbers were:

"Buying only top chart items in small quantities."

"Buying only top chart items and new releases."

"We continue to buy what we

# Industry Migrates To Miami Beach For 6th Annual ARMADA Convention; '64 Turnout Expected To Be Biggest Ever

JOHN R. REILLY

NEW YORK—Some 500 tradesters make their way to Miami Beach, Fla. this week to participate in the sixth annual meet of ARMADA, which will probably lay claim to the distrib organization's biggest convention to date.

The turn-out will fill 200 rooms of the 250-room Eden Roc Hotel that have been reserved for ARMADA conventioners.

Repeating the atmosphere of past gatherings of the association, the meet, running from June 25 to July 1, will crowd-in a heavy working schedule.

In fact, sales periods for Tues. (30) had to be scrapped so that the business and discussion end of the convention could be extended.

A continued highlight of the confab will be invitational meetings between distribs and labels for the introduction of new product and merchandising plans.

Officially set for such get-togethers are Atlantic & Atco, which will tell distribs of 20 new albums this Fri. (26), United Artists, debuting 30 albums under a program called "Golden Album Showcase," also on the 26th, ABC-Paramount & Command, due to inform distribs of 12 new ABC-Par, 14 Impulse! and one Tangerine selection on the 28th, and Colpix, whose meet on the 28th will see the release of 16 new albums and merchandising plans.

At least two other labels, 20th Century Fox and Music & Voice, will introduce their disk newcomers at informal gatherings in their suites. 20th C-P will debut 15 albums plus 4 kiddie-line entries and a new sales plan. M&V will showcase six albums and a new single.

Throughout the convention, speakers and panel discussions will look at the industry's present and future, and touch on possible solutions to its ailments.

Major speakers include John R. Reilly, Commissioner of the Federal Trade Commission, who speaks on Sat. (27) on the subject of "Industry and the FTC Responsibilities Under the Trade Practice Rules;" Columbia Records' sales vp Bill Gallagher, whose topic, to be heard also on Sat., is "A Sound Future in a Sound Industry;" and Rep. James Roosevelt, Chairman of the Subcommittee on Distribution for the House Select Committee on Small Business, who will pose "Doom or New Life for Independent Distributors?" on Monday (29).

In addition to the guest speakers, Earl Kintner, ARMADA's attorney, will conduct question-and-answer periods on the proposed trade practice rules on Sat. (27) and Tues. (30) and

legal problems in the disk industry on Monday (29).

Symposiums and panel discussions will cover such areas as sales meets ("Do They Cost the Industry Too Much?"), surplus product ("Should It Be Scrap or Distress Merchandise? How") and promotional allowances ("Are They Really Promotional or Are They Disguised Discounts? Do Freebies Help or Hinder?").

All is not necessarily all-work-and-no-play at the convention. ARMADA

has arranged a specially priced package for a Friday night visit to the Flagler Greyhound Track, and duffers can get an early morning round of golf in at an ARMADA's Golf Tournament.

General business of ARMADA's membership, including the election of officers, will end the formal phase of the confab on late Tues. afternoon. A meeting of ARMADA's exec committee is set for Wed. (July 1), the last day of the convention.

## Colpix "Red Carpet" Summer Sales Program

NEW YORK—Colpix Records' summer sales program, which will be unveiled to Colpix distribs at the label's ARMADA sales conference in Miami Beach on June 28, has been tagged "The Red Carpet Is Out." Ray Lawrence, general sales manager for Colpix, said that distribs will be offered a "buy four, get one free" deal on new LP's in the plan. Repackaged albums will be available on a "buy three, get one free" basis.

The new albums in the program include "Woody Allen," "In Concert—Everybody's Listening" by The Chad Mitchell Trio and The Gate-men, "Folksy Nina" by Nina Simone, "Groovy Goodies" by various artists, "But Beautiful" by The Will Bronson Singers, "More Teenage Triangle" by James Darren, Shelley Fabares and Paul Petersen, "The Last Time I Saw Paris" by Jane Morgan, "Introducing England's

New Big Band Sound" by The Laurie Johnson Orchestra, "Modern Square Dancing" by Frannie Heintz, "The Sawbuck Singers" and "Chet Baker." Sound track albums in the program are "The NEW Interns" and "Hey There, It's Yogi Bear."

Repackaged LP's are "The Chad Mitchell Trio" and the sound track of "Song Without End."

Colpix previously announced that it would introduce several, new merchandising and selling aids to distribs at the sales meet. The company will also offer a special co-op ad program to distribs who fill their quotas at the sales meet.

Colpix will advertise extensively in trade and consumer publications to promote the program. There will also be a direct mail campaign to stimulate interest in the new product.

# German Pop Music Festival Ends With Run Away Victory For "Liebeskummer Lohnt Sich Nicht"

The smiles of success show on the faces of the top winners of the German Pop Music Festival, held recently in Baden-Baden. Shown on top are: (second from left) Metronome Records' star Siw Malmvist from Sweden, who took 1st place with "Liebeskummer Lohnt Sich Nicht" (It Doesn't Pay to be Lovesick); EMI Electrola stars Gitte from Denmark and Rex Gildo from Germany (1st and 3rd from left), who were 2nd place winners; and Nana Mouskouri, the Philips star from Greece, who came in third. Caterina Valente, of Teldec Records, was a special guest star at the contest. In the bottom photo on the left, Caterina (right) congratulates a bouquet-laden Siw; photo on the right shows composers of the winning tune, indie producer Christain Bruhn (left) and Georg Buschor, with Siw.

Winning song, by the way, sold some 100,000 copies a week after its release.

**BADEN-BADEN, GERMANY**—Germany's biggest pop music event of the year, the fourth annual German Pop Music Festival finals, took place in Baden-Baden on Sat., July 13 before the eyes of millions of TV viewers in Germany and the rest of Europe. Winning song was "Liebeskummer Lohnt Sich Nicht" (It's Not Worth It To Be Lovesick) (see details below).

Work on the festival started months ago as over 300 songs were submitted to a jury composed of record manufacturers, publishers, press and GEMA, which picked 18 songs for the preliminary rounds. The 6 major record companies, Ariola, D.G.G., Electrola, Metronome, Philips and Teldec each recorded three of the tunes by their star talents and all 18 songs were presented in a nationwide TV show. A viewer test chose the 12 finalists and the stage was set for Baden-Baden. None of the authors were known, as the festival began, in order not to influence jury or public with well known composers names.

Baden-Baden can be roughly compared to the San Remo Festival in Italy, although the festival does not have the international reputation of San Remo. Considering the fact that the festival is only four years old, it is amazingly popular, and is growing in popularity every year.

Last year, over 70% of all the German viewers saw the festival on their TV sets compared to 49% for the year before and 36% for the "Song For Europe" festival held recently in Copenhagen. The "Song For Europe" contest captured only 21% of the viewers the year before and is also becoming more popular.

The winner of the festival is guaranteed huge record sales in Germany

and a chance for international popularity. The winner of two years ago, "Zwei Kleine Italiener" (Two Little Italians) sold over 1.2 million records and songs from last year's festival (Continued on page 40)

## Court OK's Registration Of "Audio Fidelity" In Reversal Of Original Decision

**NEW YORK**—The United States Court of Customs and Patent Appeals has reversed a decision by the Trademark Trial and Appeal Board cancelling the registration of Audio Fidelity as a trademark.

Decision in the label's favor stems from actions by London Records in 1958 and 1959 that held that the phrase Audio Fidelity was descriptive of a degree of sound that could be used by anyone in the industry. The Trademark Trial and Appeal Board agreed with London's contention.

However, in deciding an appeal from Audio Fidelity, the Court held that "since we find that the trademark is not merely descriptive, but is suggestive, and that on the basis of the evidence of record it has acquired distinctiveness as indicating the source of appellant's goods, we hold that the registration should not have been cancelled."

The Audio Fidelity logo has been used by the Sid Frey label since 1954, and was registered as a trademark on July 15, 1958.

# Rolling Stones' Visit To United States Starts Their Disk A-Rolling

**NEW YORK**—Mick Jagger (right) runs to his waiting automobile while Keith Richards (white shirt) tries to tear away from the grasp of a fan as a policeman pushes back a group of anxious fans trying to get at the Rolling Stones while in N.Y.

**NEW YORK**—The Rolling Stones returned to England last week after an American tour that proved a sales bonanza for their disks.

No doubt the hot British group instilled fear into the hearts of American parents with their rugged faces, bouffant coiffures and un-uniform uniforms. But they also left an indelible impression on America's teenagers as evidenced by the rise to sales prominence of their debut LP "The Rolling Stones," and the current activity on their two singles. (The LP this week leaped up the Cash Box Top 100 LP chart from 80 to 51 while their "Not Fade Away" single climbed in bullet fashion from 66 to 54.)

The group's visit here was obviously the stunt necessary to start

the boys on the road to fame they enjoy in England. Although a deep split similar to the one that separates the Mods and the Rockers in England has not yet developed in the U.S., such a teen civil war is not an impossibility as the Rolling Stones gather a following.

To help the group with a strong fan following, London Records went all-out for the Stones during their visit here. A major publicity agent was employed by London to spread the news of their presence in America. An estimated 19,000,000 people watched the quintet on the network TV show "Hollywood Palace" which Dean Martin hosted. And, as could have been expected, the Stones' unkempt look took the brunt of Martin's comedy all through the show.

The group's LP, issued while the stones were here, was given a big

## Music & Voice Sets New Product Debut At ARMADA

**NEW YORK**—A new line of product will be introduced by Art Talmadge's Music and Voice label at this week's ARMADA confab in Miami Beach.

Talmadge will be meeting distributors for the first time since his recent acquisition of Musicor and Music and Voice.

There will be six new albums and two singles. Albums will include one that features 50 Hollywood songs performed by guitarist Vinnie Bell and his orchestra, another with 50 Broadway songs with Milton DeLugg's ork, with pianist John Costa.

A third LP will consist of organ skating music, a fourth with a discotheque theme with Ralph Marterie and his ork. The fifth album is called "How to Hula at Home," featuring 15 all-time Hawaiian tunes performed by Russ Carlyle and his ork (this LP will include an illustrated booklet with instructions on the hula dance).

The sixth album will contain appropriate music to accompany Isometric Exercises, the method for figure improvement and body conditioning that has recently become popular throughout the country. For this project, Talmadge has made an exclusive tie-in with Prentice-Hall, Inc., publishers of a best-selling book on the exercises that has sold over 500,000 copies to date. The album and book will merchandise for a combined price of \$3.98.

The two singles will be children's items, each a seven-inch record with four songs and original lyrics by Milton DeLugg. These have been produced by Sonny Lester. The records will be packaged with a whistle, cricket and bell, so that the children will be able to play-along with the record. The package will also include a coloring card. The suggested retail price of each package will be under a dollar.

Accompanying Talmadge to the convention will be Chris Spinosa, newly-appointed national sales manager of the company, H. W. Dailey, vice president in charge of country music, and Morris Zitlin, secretary of the company.

## Mancini New MGM/Verve Nat'l Promo Manager

FRANK MANCINI

**NEW YORK**—Frank Mancini has been named MGM/Verve Records national promotion manager, according to topper Arnold Maxin. He assumes the post following 2½ years covering the country for the MGM sales dept. as a regional salesman. His new duties will include a close liaison with distributors, promo men and artists. His initial efforts will be on behalf of the soundtrack of "The Unsinkable Molly Brown" and the soon-to-be-issued Shelley Berman LP, "The Sex Life of the Primate."

Before joining MGM/Verve, he did radio work in New York, worked out the sales and promo dept. of the Decca branch in Los Angeles and was a song plugger for Joy Music. He came to MGM/Verve following a stint with Mercury Records as a promo man and salesman in New York.

MGM/Verve's publicity dept. is headed by Sol Handwerker.

Mancini replaced Jule Rifkind, who has resigned from the company.

Has a pretty little flower bed of white gardenias  
(Go Granny, Go Granny, Go Granny, Go)  
But parked in a rickety old garage  
There's a brand new shiny superstocked Dodge

(Chorus)

Everybody's saying that there's nobody meaner  
Than the Little old lady from Pasadena  
She drives real fast and she drives real hard  
She's the terror of Colorado Boulevard  
It's the Little old lady from Pasadena

if you see her on the strip don't try to choose her  
(Go Granny, Go Granny, Go Granny, Go)  
You might have a goer but you'll never lose her  
(Go Granny, Go Granny, Go Granny, Go)  
She's gonna get a ticket now sooner or later  
Cause she can't keep her foot off the accelerator

You'll see her all the time just gettin' her kicks now

With her 4-speed stick and a 426 now

But she'll give 'em a length, then she'll shut 'em down.

## Pick of the Week

IF YOU SEE MY LOVE (2:30) [Four Star Sales BMI—Seals, Crofts]  
FATHER SEBASTIAN (2:31) [Four Star Sales BMI—Mantz, Colley]  
LENNY WELCH (Cadence 1446)

Welch, who finally got the chart recognition he so well deserved via two oldies, "Since I Fell For You" and "Ebb Tide," can add further laurels with a newcomer this time out. It's an ultra-lovely, slow steady beat-ballad lament, titled "If You See My Love," that the smooth-toned stylist delivers with conviction. Superb orchestration supplied by Archie Bleyer. Inviting, Latin beat affair on the reverse etching.

YOU'RE MY REMEDY (2:43) [Jobete BMI—Robinson]  
A LITTLE BIT OF SYMPATHY, A LITTLE BIT OF LOVE  
(2:23) [Jobete BMI—Holland, Dozier, Hester]  
THE MARVELETTES (Tamla 54097)

The Marvelettes come thru with another potent Tamla entry that has that 'money-in-the-bank' sound. It's a delectable thumper, tabbed "You're My Remedy," that the gals and their instrumental support deliver in a sparkling manner. The backing's a very catchy rock-a-cha-cha love ditty.

TELL ME (2:35) [Southern ASCAP—Jagger, Richard]  
I JUST WANT TO MAKE LOVE TO YOU (2:15) [Arc BMI—Dixon]  
THE ROLLING STONES (London 9682)

Great Britain's 'shaggy-haired' chart-makers, currently red hot with their "Not Fade Away," have another London outing that should follow suit in short order. Tagged "Tell Me," it's a much-requested band from their sizzling LP and it's a haunting rock-a-cha-cha that picks up steam each time around. The exciting, 'pull-out-all-the-stops' rocker on the flip moves along at a rapid "Bo Diddley"-like pace.

IT'S A SIN TO TELL A LIE (2:39) [Bregmann, Vocco & Conn ASCAP—Mayhew]  
A TASTE OF HONEY (2:53) [Songfest ASCAP—Marlow, Scott]

TONY BENNETT (Columbia 43073)

The Tony Bennett sophisticated delivery has proven to be the key to sales success repeatedly during the past two years and this updated reading of the years-back oldie, "It's A Sin To Tell A Lie," could be another winner. The live audience background adds warmth to the rendition. A slow bluesy treatment of the while-back biggie, "A Taste Of Honey," could also pull plenty of coin. Take your pick here.

BABY COME HOME (2:25) [Rosewood-Day-Bob Hilliard ASCAP—Hilliard, Garson]  
EVERY DAY'S A HOLIDAY (2:28) [Rosewood-Day-Bob Hilliard ASCAP—Hilliard, Garson]  
RUBY & THE ROMANTICS (Kapp 601)

Chances are that Ruby & The Romantics will be all over the charts once again—as a result of their newest Kapp session. Side to watch is "Baby Come Home," a throbbing cha cha beat romantic pleader that Ruby & Co. serve up an ear-appealing fashion. Splendid, string-high-lighted ork backing under the direction of Mort Garson. Soft and pretty cha cha-like ballad lilt on the lower half.

SUNNY (2:30) [Screen Gems, Columbia BMI—Sedaka, Greenfield]  
SHE'LL NEVER BE YOU (2:06) [Screen Gems, Columbia BMI—Sedaka, Greenfield]  
NEIL SEDAKA (RCA Victor 8382)

The chanter can really get back in the chart swing-of-things with this dandy new RCA Victor performance. It's a stompin' romantic delight (from the Four Seasons category), tabbed "Sunny," that Neil and his choral-instrumental support knock out in 'sunny' style. Coupler's another pleasing stomper, rockin' cha cha-styled, that Neil multi-tracks with telling teen effect.

HANGIN' ON TO MY BABY (2:37) [Saturday ASCAP—Rambeau, Rehak]  
SKA-DOO-DEE-YAH (2:36) [Saturday ASCAP—Crews, Calello]  
TRACEY DEY (Amy 908)

Lark, who's coming off a solid selling up-dating of "Gonna Get Along Without You Now," can latch onto another strong money-maker in this newcomer. Titled "Hangin' On To My Baby," it's a most appealing multi-voiced rock-a-shuffle tastefully arranged by Calello. Under half's a snappy teen beat entry in the ska sweepstakes.

GOTTA GOOD THING GOIN' (2:40) [Claridge, Halseon ASCAP—Heard, Boulanger]  
SUMMERTIME, U.S.A. (2:37) [Chicory BMI—Hunter, Vincent]

FREDDIE CANNON (Warner Bros. 5448)

Cannon can 'drive' his way back to hitsville via both ends of his latest Warner Bros. stand. They're the stompin' cha cha-twist'er, "Gotta Good Thing Goin'" and hard rockin' "Summertime, U.S.A.," that Freddie multi-tracks with solid sales authority. Top teen arrangements on both cuts.

## Pick of the Week

WHAT CAN A MAN DO (2:32) [T. M. BMI—Clark]  
SI SENOR (2:29) [Cotillion BMI—Arr. & Adapt.—Wexler]  
BEN E. KING (Ateo 1303)

King, who usually has an emotion-packed winner each time out, doesn't let us down on the fascinating new Ateo slice. It's a steady-driving stomper, with tear-compelling love lyrics, labeled "What Can A Man Do," that Ben and his ork-choral backing pound out in powerhouse fashion. Coupler's a thumpin' Latin-rock chart-contender.

NIGHTINGALE MELODY (2:07) [Cireco/Voycon BMI—Taylor]  
YOU WIN, I LOSE (2:19) [Cireco/Downey/Mercedes BMI—Clifton]  
LITTLE JOHNNY TAYLOR (Galaxy 731)

Taylor, who has a host of pop-r&b territorial clicks to his credit, can cash in here with his biggest deck to date. It's a rhythmic cha cha thumper, tabbed "Nightingale Melody," that Johnny (partly) multi-tracks in bright, Sam Cooke-like style. However, don't overlook the swinging blueser, "You Win, I Lose," on the potent dual-mart companion piece.

JUST BE TRUE (2:30) [Curton-Conrad BMI—Mayfield]  
A SONG CALLED SOUL (2:35) [Curton-Jalynne BMI—Butler]  
GENE CHANDLER (Constellation 130)

Chandler, who's coming off a chart-rider in "Soul Hootenanny," can head right back to chartville aboard his newest Constellation entry. It's a pulsating, slow paced soul beat-ballad affair, tagged "Just Be True," that Gene and his ork-choral backing put across with telling effect. Also eye the infectious soul-twist'er on the under end.

I'M SORRY (2:15) [Champion BMI—Self]  
I'M JUST A GUITAR (EVERYBODY PICKS ON ME) (2:27) [Window BMI—Drake]  
PETE DRAKE (Smash 1910)

Drake, who revived "Forever" with its high-up-on-the-charts style, can have a repeat success with this intriguing up-dating of the short-while-back Brenda Lee triumph, "I'm Sorry." Pete's 'talking steel guitar' does a fascinating job 'speaking' part of the lyric while the chorus chimes in superbly the rest of the way. Fine Bill Justis soft-ballad-with-a-beat arrangement. More inviting guitar-talk on the Drake original culled from Pete's click LP.

THANK YOU (2:11) [Leeds ASCAP—Schneider, Fishman]  
DUM DE DUM (2:26) [Premier BMI—Stevenson]  
HARRY SIMEONE CHORALE (Mercury 72281)

Looks like Harry Simeone's outfit will not have to wait for Christmas to roll around this year to make their chart showing with "The Little Drummer Boy." It's a real charming, soft beat cha cha lilt, simply tagged "Thank You," that the crew wraps up in most attractive fashion. It's a 'platter spinner must.' More ear-appealing sounds on the enticing romantic underlid.

MARY, OH MARY (2:12) [Anatole, Kansoma BMI—Downing, Domino]  
PACKIN' UP (2:41) [Anatole, Tune-Kel BMI—Domino, Kenner]  
FATS DOMINO (ABC-Paramount 10567)

Fats is back with a ska-shuffle-styled rock-a-rhythmic delight that could develop into a very big pop-r&b money-maker. Tabbed "Mary, Oh Mary," it's a sentimental thumper that sports a sock Bill Justis arrangement. There's more winning sounds on the steady beat cha cha blues twist'er, "Packin' Up." Can be a powerful sales pairing.

C'MON AND SWIM (2:43) [Taracrest BMI—Stewart, Coman]  
C'MON AND SWIM—Part 2 (2:02) [Taracrest BMI—Stewart, Coman]  
BOBBY FREEMAN (Autumn 2)

Freeman, who had a years-back giant in "Do You Wanna Dance" among others, can finally land that long sought smash return with this rockin' 2-part invitation tabbed "C'mon And Swim." Tag refers to the new west coast dance fad and it could give the coast-based diskery a big coin-puller (it's already getting action out there).

IT'S A COTTON CANDY WORLD (2:03) [Leo Feist ASCAP—Dunham, Vars]  
KEEP A LAMP BURNING (3:02) [Music Productions ASCAP—Shanklin]  
JERRY WALLACE (Mercury 72292)

Wallace, who numbers "Primrose Lane" among his past chart triumphs, can have his first big Mercury stand with this one. Tagged "It's a Cotton Candy World" (tune's from an up-coming "Flipper" pic), it's a bright, happy-go-lucky charmer with a "Primrose"-like Gus Levine musical setting. Under side's a tender sentimental ballad.

## Pick of the Week

THE HOLE HE SAID HE'D DIG SHE WAS MY BABY (HE WAS FOR ME (2:40) [Marvic, Maricana BMI—Zillion, Turner] MY FRIEND) (2:16) [Valley BMI—Byers]

JERRY LEE LEWIS (Smash 1906)

Jerry Lee Lewis' return to big-hitsville gets closer with each succeeding release and this could be the one to speed up the process. One half's a heartfelt, beat-ballad blueser, tabbed "The Hole He Said He'd Dig For Me," while the other's a contagious thump-a-rhythm cha cha labeled "She Was My Baby (He Was My Friend)." Strong vocal-musical backings on both ends.

RIBBONS AND ROSES (2:45) [Duchess BMI—Ross, Crane]

TOO YOUNG FOR ME (2:22) [Unart BMI—Grant, Roman]

JANIE GRANT (United Artists 731)

Canary, who had a mild chart success a while-back with "Triangle," can really come thru in a big way with this outing on UA. It's an intriguing folk-flavored waltz weeper, tabbed "Ribbons And Roses," that sports a stellar Garry Sherman ork-choral backdrop. Coupler's a fetching teen-angled stomp-a-twist'er.

## Newcomer Picks

FATHER SEBASTIAN [Four Star Sales BMI—Mantz, Colley]  
BARBARA (I LOVE YOU) [Footlight BMI—Natasi, Herbert]  
THE RAMBLERS (Almont 311)

It's a good bet that the Ramblers will be making their initial chart impression with this Almont slice that's already making noise out Chicago-way. It finds the fellas asking "Father Sebastian" to help resolve their romantic problem. Charming up-tempo cha cha arrangement by Joe Guercio. Pleasant soft Latin beat coupler.

## Best Bets

(B+) WHY IS MY HEART SUCH A FOOL (2:28) [Fain-ASCAP—Winchell, Fain] A haunting, gypsy-flavored opus on this end that also merits attention.

canary's pixie-voice is heard in almost  
whisper fashion.

## POP PICKS

### THE FABULOUS VENTURES—Dolton BLP 2029

The Ventures' track record of chart-riding LP's is almost unbeatable, and this new offering on Dolton is loaded with the same success ingredients—another natural for the charts. The crew launches the set with the recent click, "Needles And Pins" and follows up with some inventively arranged versions of such goodies as "Pink Panther Theme," "Tall Cool One" and "Only The Young." The fans will dig the package.

### THE WONDERFUL WORLD OF MAKE BELIEVE—Johnny Mathis—Mercury SR 20913

Johnny Mathis, with a phenomenal string of best-selling albums to his credit, comes up with a set of melody-laden ballads about the land of make believe. Many of the tunes here are Broadway show tunes, and the songster gives to each one the maximum of warmth and feeling. The legions of Mathis fans are sure to come out in hordes for his readings of "I'm Always Chasing Rainbows," "Beyond The Sea," "When You Wish Upon A Star" and others. A Sure-fire chart item.

### LOOKING FOR LOVE—Connie Francis—MGM E 4229

Connie Francis' latest offering on MGM is a bag of tunes from her new MGM flick, "Looking For Love." The lark's huge and loyal following will surely like these bright and sparkling tunes served up in the feelingful Francis manner. Included here are such melodic goodies as "Be My Love" and "I Can't Believe That You're In Love With Me" along with such new delights as the title tune and "Rock Dem Bells." Lots of coin to be made with this one.

### FADE OUT FADE IN—Original Cast—ABC-Paramount ABC-CC-3

ABC-Par will undoubtedly score its second cast LP success of the late season, following its winning "High Spirits" cast. "Fade Out Fade In," firmly established on the main-stem, makes friendly fun of the Hollywood of the 1930's, a theme that takes-up most of the creative efforts of writers Jule Styne, Betty Comden & Adolph Green, whose score is no world-beater, but agreeably tuneful, especially the title tune. Carole Burnett, acclaimed for her role as the New York chorine who makes the Hollywood grade, heads-up the exuberant presentation of the songs.

### ON THE COUNTRY SIDE—Brook Benton—Mercury SR 60918

Like so many of his blues peers, Brook Benton directs his attention at the country idiom and comes up with a top-notch easy-listening program of c&w favorites. While backed by a lush full ork complete with a jazz rhythm unit the chanter dishes-up outstanding renditions of "Going Going Gone," "I'd Trade All Of My Tomorrows" and "I'll Step Aside." Eye the set for rapid consumer acceptance.

### MARY WELLS SINGS MY GUY—Motown M 617

Mary Wells, who is currently scoring in both the pop and r&b departments with "My Guy," tags this new Motown LP entry after the biggie and includes eleven other bluesy items. The lark's rich, wide-range voice and lyrical phrasing carries her in fine stead on top-rung chorus-backed readings of "He The One I Love," "He Holds His Own" and "My Baby Just Cares For Me." Loads of sales potential here.

### THE CAREFREES—London LL 3379

The Carefreeds, three gals and three guys, who scored a chart item recently with a single tagged, "We Love You Beatles," make their album debut on London with this package of "Liverpool" rock tunes guaranteed to delight the teen dance crowd. The beat is wild and hard-drivin' and the crew serves up thumping renditions of the big single, "Glad All Over," "The Paddy Whack," "Hot Blooded Lover" and others. The kids should come out in strength for this one.

### 12 GREAT HITS—Jimmie Rodgers—Dot DLP 25579

Jimmie Rodgers is out to please his many fans with this delightful program of recent vintage and while-back sturdyies. While accompanying himself on the guitar and backed by a fine chorus the songster shines on "A Fallen Star," "I Forgot More Than You'll Ever Know" and "Crying In The Chapel." One of the best albums that the artist has cut in quite a while.

### GROFE: World's Fair Suite, World's Fair Symphony/Paul Lavalle—RCA Victor LM 2764

Ferde Grofe, whose symphonic nature studies have gained him world wide acclaim, directs his talents to the steel, concrete, design and theme of the New York World's Fair on this official recording of the "World's Fair Suite." The World's Fair Symphony Orchestra, conducted by Paul Lavalle, magnificently repeats on this album the performance it gave on the opening day of the Fair. The work is exciting listening, timely, and of cultural and historical importance.

### ROCK ME BABY—B. B. King—Kent KST 512

The vet blues chanter who is presently pulling plenty of loot with "Rock Me Baby" seems destined to create loads of sales activity with this new Kent album, which in addition to the hit, includes eleven other r&b selections. Among the highlights of the package are "Bad Case Of Love," "Woke Up This Morning" and "Ten Long Years."

## POP BEST BETS

### STRUTTIN' AT THE WORLD'S FAIR—Dukes Of Dixieland—Columbia CL 2194

The Dukes of Dixieland, who have earned many laurels in the past with their distinctive Dixie jazz stylings, swing vigorously on a potent selection of happy themes on this disk cut live at the Louisiana Pavilion at the World's Fair. There's plenty of listening excitement as the group offers "The Big Parade," "Colonel Bogey March" and "Paducah Parade."

### COMIN' HOME BABY—Jack LaForge—Regina R 309

Jack LaForge makes a potent bid for sales and airplay acceptance with his fourth album on Regina, "Comin' Home Baby." The pianist has his best session to date with this package of jazz-flavored evergreens spiced with a few newbies. The 88'er gets some top rhythm backing to showcase his distinctive piano stylings. Programmers and buyers will find this LaForge outing a delightful listening experience. Slick tracks here are "Comin' Home Baby," "Like Young" and "Blue Butterfly."

### THE YOUNG PERSON'S GUIDE TO THE ORCHESTRA—Boston Pops/Arthur Fiedler, Hugh Downs-Narrator—RCA Victor LM 2596

Adults and the younger set will find this offering from RCA Victor sheer delightful entertainment throughout. The Boston Pops Orchestra, with Arthur Fiedler at the helm, performs Saint-Saens "Carnival Of The Animals" and Britten's "Young Person's Guide To The Orchestra." TV's Hugh Downs provides informative narrations, and on the "Carnival" segment, recites the witty verses of Ogden Nash. An excellent catalog item, the set has wide appeal and merits attention.

### SHAKESPEARE'S GREATEST HITS—Earl Wrightson—Columbia CL 2180

Here is an unusual package from Earl Wrightson on Columbia that is worthy of special attention. Both programmers and Wrightson admirers will enjoy the big-voiced baritone's delightful treatments of these ballads taken from Shakespeare and melodically set to music by Richard Hyman. With effective and arresting arrangements also by Hyman, the singer gives spirited renditions of "Take, O Take Those Lips Away," "Winter And Spring" and "It Was A Lover And His Lass." A delightful listening experience.

POP BEST BETS (Cont'd)

**COUNTRY HITS... FEELIN' BLUE**—Tennessee Ernie Ford—Capitol ST 2097

Tennessee Ernie Ford reaches into the rich catalog of country bluesers on this top-drawer session of familiar, oft-requested evergreens. The chanter displays a remarkable understanding of the c&w idiom as he turns in feelingful renditions of "Try Me One More Time," "Born To Lose" and "Worried Mind." All of the artist's many fans should come out in droves for the set.

**THE FABULOUS SYLVIA SYMS**—20th Century Fox TFS 4123

Sylvia Syms gets in a sentimental mood for this album session on 20th Century Fox. The lark, equally at home in the jazz and pop ballad media, deftly showcases her feelingful delivery on both on this set of evergreens and offbeat items with some moodful backing provided by the Bernie Leighton Quintet. The thrush has a large following who will dig her top-drawer readings of "I Don't Want To Walk Without You," "In A Sentimental Mood" and "Skylark."

**GATHER 'ROUND—TARRIERS**—Decca DL 74538

The Tarriers dish-up a varied collection of American and international folk selections of both the ballad and uptempo types on this new offering from Decca. The trio's individualistic, impressive singing and musicianship is aptly showcased on "San Francisco Bay Blues," "Pick A Bale Of Cotton" and "Manha De Carnaval."

**THE FABULOUS FAVORITES**—Kay Starr—Capitol ST 2106

The many admirers of Kay Starr should really dig this top-flight program of comparatively recent vintage evergreens from Capitol. While backed by an appropriate, lush full swing-styled ork the lark dishes up winning renditions of such favorites as "Side By Side," "I'm The Lonesome Gal In Town" and "Wheel Of Fortune." Loads of listening enjoyment here.

**CATHIE TAYLOR SINGS OF THE LAND AND THE PEOPLE**—Reprise RS 6121

Cathie Taylor, who premieres with this Reprise disk, is a new lark-guitarist whose repertoire is mostly made up of folk traditionals. Songstress has a bell-clear voice and lyrical emotion-packed delivery, aptly suited to her material. Among the best listening bets here are "Sow The Measles," "All My Trials" and "Alberta Let Your Hair Hang Down."

**ON A SENTIMENTAL JOURNEY**—Living Strings—RCA Camden CAL 803

Here's a delightful excursion through Europe with the Living Strings conducted and arranged by Johnny Douglas. The orkster has put the emphasis on lush romantic arrangements perfect for after-hours listening or dancing pleasure. Best bets here are "Dominique," "Danke Schoen" and "The White Cliffs Of Dover."

**THE SOIL AND THE SEA**—Various Artists—Mainstream S 6005

Here's a warm collection of sea chanties and bucolic items featuring four outstanding folk luminaries: Pete Seeger, Woody Guthrie, Lee Hayes and Peter Hawes. Each performer contributes his own approach to the folk idiom as they all go through their musical paces with style and verve. Best bets here include "The Dodger Song" by Hayes and "Hard, Ain't It Hard" by Guthrie.

**CHERRIES & PLUMS**—Leon Bibb—Liberty LRP 3358

Leon Bibb is in top-notch form on this new Liberty entry of folk-styled love songs. While backed by an excellent small combo which includes such fine musicians as Eric Weissberg and Jay Berliner, the chanter unleashes his potent, wide-range full-blast on some mighty impressive readings of "The Honey-Wind Blows," "No One To Tell My Troubles To" and "The Fisherman."

## JAZZ BEST BETS

**YA YA**—Budd Johnson—Argo 763

All the way from his early bebop days to the present ace jazz tenor saxist Budd Johnson continues to grow and increase his musical canvas of personal expression. On this new swingin' Argo set the artist dishes-up a tasteful program of originals and evergreens in his lyrical, free-form style. Among the highlights here are "Come Rain Or Come Shine," "Big Al" and "When Hearts Are Young." Jazzophiles should really dig the set.

**BLUES WITH A TOUCH OF ELEGANCE** — Onzy Matthews—Capitol ST 2099

Onzy Matthews has provided some first-rate musical backing for other artists, mainly Lou Rawls on Capitol, but on this new entry he shines in the solo spotlight as a pianist and leader of his own band. The 88'er directs his talent to the blues here, eight of which are original compositions, all of which get the full measure of the artist's keyboard skill. The flavor here is a subtle combination of pop and jazz. Best bets are the title tag, "Flamingo" and "I Cover The Waterfront." A fine new talent to watch.

**SIL AUSTIN PLAYS PRETTY MELODIES OF THE WORLD**—Mercury SR 60925

For those who like their jazz on the pop side with sweet and lyrical overtones, this bright new Mercury album spotlighting the professional artistry of Sil Austin is just the ticket. The saxist conducts some valid melodic statements on "Volare," "You'll Never Walk Alone" and "Red Sails In The Sunset." Loads of listening enjoyment here.

**SOULSTREAM**—George Braith—Blue Note 4161

Jazz saxist George Braith (he plays both tenor and soprano with equal poise) teams-up with an accomplished crew of jazzmen including Grant Green, Billy Gardner and Hugh Walker on this his second Blue Note offering. While supported by the crew Braith shines in a funky, midstream style on, with the exception of "The Man I Love," a swingin' batch of originals. Highlights are "Soul Stream" and "Jo Anne."

## CLASSICAL PICKS

**SCHUMANN: Symphony No. 4; BEETHOVEN: Leonore Overture No. 3; Erich Leinsdorf conducting the Boston Symphony Orchestra**—RCA Victor LM 2701

The romantic strains of Schumann's "Symphony No. 4" are superbly read on this excellent classical offering featuring Erich Leinsdorf conducting the Boston Symphony Orchestra. The conductor captures all of the grace and polish of the work with his usual firm baton. The disk also includes Beethoven's famed "Leonore Overture No. 3." A standout achievement.

**CHOPIN: Piano Concerto #1, Bachauer, London Symphony/Dorati**—Mercury SR 90368

Chopin's Piano Concerto No. 1 in E Minor and three etudes and a nocturne are performed by Gina Bachauer and the London Symphony Orchestra conducted by Antal Dorati on this new classical offering from Mercury. The pianist, noted for her technical skill and magnificent tone, executes this romantically melodic work with zest and feeling. An exciting piano performance, and a worthy addition to any serious collector's shelf.

NEW YORK—Mrs. Stephen Smith (center), sister of the late President Kennedy, last week accepted a check for \$60,197.81 on behalf of the John F. Kennedy Center for the Performing Arts. The check, which was presented by RCA Victor veep and general manager George Marek (right) in the offices of the Center's architect, Edward Durell Stone (left), represents the second royalty payment on the sale of the four service band albums, released by Victor in May 1963, and net proceeds from which are being paid to the Center.

This royalty payment, which covers the sale of albums from Sept. through Feb. of this year, brings the total proceeds paid to the Center thus far to \$120,039.02. The LP's, recorded by the bands of the Army, Marine Corps, Navy and Air Force, have sold more than 200,000 copies to date.

Throughout the summer months WLOL-Minneapolis is conducting a Hole 'N One Contest for the golfers in the Twin Cities area. To participate in the contest, all one need to do is score a hole 'n one on any public or private course in the Twin Cities. Contestants then send to the outlet their attested score card and the ball used to score the hole 'n one. WLOL awards to each person a special trophy with the ball mounted on it, name of the course, date and hole. In addition there are valuable golf equipment prizes. The station's Carson Rennie promotes the contest on his "Twin Cities Hours" program which occupies the 6:00 AM to 10:00 AM slot, Monday thru Saturday.

WFLA-Tampa-St. Petersburg is co-operating with the local Checker Cab company to salute courteous drivers. The outlet's ubiquitous Secret Agent 97 calls in the license numbers of automobile drivers he spots throughout the Suncoast who have performed some act of driving courtesy. The numbers are given on the air and if the driver calls the station within 10 minutes, he wins \$10 cash and a trophy. In this way, courteous drivers in the Tampa Bay area will be rewarded for the safe-driving habits.

WHK-Cleveland deejay Ron Britain was recently wowed by the likeness of the Beatles as they emerged from the IBM computer. Following on the heels of the picture, the computer came forth with the lucky numbers of those people who are able to purchase tickets to the WHK sponsored Beatle performance at Cleveland Public Auditorium on September 15. Ticket re-

quests were submitted on postcards and the lucky numbers were selected impartially and at random through specialized IBM programming. A certified public accountant was retained by WHK to certify to the impartiality, objectivity and accuracy of this selection method.

School's out! To help celebrate the summer recess, KQV-Pittsburgh put on a gigantic KQV Vacation Dance and Show at the West View Dance-land last week. England's newest singing rage, the Rolling Stones, headlined the talent-packed show. Also on the bill were the Chiffons, Bobby Goldsboro, the Fenways, the Pixies Three, the El Rays and Bobby Comstock. All the KQV air personalities—Hal Murray, Steve Rizen, Dave Scott, Chuck Brinkman and Dexter Allen, were on hand to emcee the program and introduce the stars.

WIOD-Miami and the University of Florida will be team-mates this fall. WIOD received exclusive rights in this area to broadcast the University's football games for the 1964 season. Otis Bogg, famous Florida football expert will handle the play-by-play.

Five "real live tigers" have joined Bob Tracey's Tiger Troop. Since the group is neither a troop nor is its membership made up of real tigers, the announcement almost sent the officers of the organization into an emergency meeting. The Tiger Troop is a fan club formed by a group of suburban homemakers who meet every afternoon to hear Tracey's program on KDKA-Pittsburgh. Its membership has grown by leaps and bounds in the

past few months to its present level of 2,000 members—plus five tigers. The latest activity which the group participated in was a sneak preview screening of "The Pink Panther" flick.

For the third consecutive year, KDWB-Minneapolis has been awarded the United States Air Force plaque for outstanding public service in the field of local and regional recruiting. . . . A galaxy of modern music talent headlined by the Lady Beatles and climaxed by a battle of the bands recently attracted 3,000 dancers and spectators to Aldrich Arena in St. Paul as KDWB's deejays presented their second annual School's Out Hop.

Baltimore's Turf Valley Country Club was recently the scene of the 1964 renewal of WJZ-TV's "Hackers' Holiday," a day-long gathering of local advertising and public relations executives, newspaper people and other clients and their hosts from the Group W station. Highlight of the activities was an afternoon golf tournament over Turf Valley's challenging links layout. For the more sedentary celebrants, dips into Turf Valley's 500,000 gallon Olympic-type swimming pool held sway. Prizes for golf achievement were awarded at the banquet held that evening in the Club's dining room.

As KEX-Portland on-the-air personalities often do, when they start talking about a subject of universal interest . . . the subject creates a snowball effect with KEX listeners. Such occurred recently when Jack Angel started talking about Voo Doo, witch doctors and all the different forms of the occult. One of Jack's

listeners told him about a Voo Doo supply house in San Francisco . . . the result . . . a station reporter interviewed the owner and the discovery was made that there was quite a demand for witches' supplies such as bat blood, dried toads, elephant hair, etc. The outlet's interviewer also learned that there are many practicing witch doctors and they actually use Voo Doo dolls and believe they work . . . thus was born the idea of KEX printing their own dolls, complete with pins, and offering them to their listening audience. The requests are still pouring in.

The Peoria Advertising and Selling Club recently presented WIRL-Peoria with the first place "Tappy" award in the Radio Creativity Division of the club's annual Advertising Awards Competition. The station also received the award last year.

#### VITAL STATISTICS:

Bob Stucht exits his air niche on WINN-Louisville to return to his former alma mater, WLAC-Nashville. . . . Dick Kemp is now spinning 'em on WIBC-Indianapolis. . . . Allan Michaels given the nod as WIP-Philadelphia's public service and production supervisor. . . . Johnny Canton, formerly program supervisor of KUDL-Kansas City, is now deejaying on WHAM-Rochester. . . . Dave Lee is a new jockey add on KAFY-Bakersfield. . . . Paul Bragg joins KXRO-Aberdeen, Washington as operations director. . . . Dave Reinhart, formerly a platter spinner on WCOL-Columbus, is now holding down the same function on WROV-Roanoke.

### Hohner Offers Harmonica Contest Prizes In Beatles Tie-In

HICKSVILLE, L.I.—Disk jockeys and program directors in cities to be toured by the Beatles this summer have an opportunity to stage contests with harmonicas as prizes. M. Hohner, Inc., the harmonica manufacturer, is offering "Marine Band" harmonicas to publicize the fact that the Beatles play the instrument.

Those interested in taking part in the promo can contact M. Hohner, Inc., Andrews Road, Hicksville, Long Island.

Hohner says the Beatles' use of the harmonica, such as Paul McCartney's solo on "Love Me Do," has created new popularity for the instrument. A special Beatle harmonica package, including harmonica arrangements of two of their songs, is being marketed by Hohner.

sold over 1.5 million records in the ½ year period until the start of 1964. These figures include 720,000 records sold of the winning song "Ich Will 'Nen Cowboy Als Mann" (I Want To Marry A Cowboy) from Gitte, 250,000 records sold by the second place tune "Ob In Bombay, Ob In Rio" "Whether In Bombay Or In Rio" which also topped the South Africa Hit Parade for weeks sung in German. Five of the 12 finalists passed the 50,000 sales mark here. Plenty of industry personalities were on hand including international and local publishers, almost every important person connected with the record business in Germany, including

RCA's young star Peggy March, who is racking up terrific sales here.

The whole CBS team including its top stars "Marika Kilius and Hans Jurgen Baumber, who are also the world's champion figure skating team. The festivities began on Friday at Burg Windeck where the mayor of Baden-Baden invited the industry to a wine test and black forest dinner. At this event, the German composer-lyric writer-publisher collection agency GEMA presented the "Golden Sparrow" awards for the biggest money makers for 1963. This award includes record sales, performances, etc. First place and the Golden Sparrow went to Lotar "You You You" Olias and Walter Rothenburg for "Junge Komm Bald Wieder" (Son Come Home Soon), which went well over the million mark in record sales for Polydor's Freddy.

Second place went to Werner Scharfenberger and Kurt Feltz for "Heisser Sand" (Hot Sand) sung by Mina also for Polydor and third place went to Karl Goetz and Kurt Hertha for "Tanze Mit Mir In Den Morgen" (Dance With Me In The Morning) which also did well over a million records for Gerhard Wendland from Philips.

The real festival took place on Saturday in a program which included songs from The Blue Diamonds, Gus Backus, Suzanne Doucet, Jacqueline Boyer, Bill Mo and the Leismanns and starring Caterina Valente, who really stole the show. These people sang songs which gained popularity in the last year in Germany. The entries in the festival were done by Margot Eskens, Annamarie, Nana Mouskouri, Gitte & Rex Gildo, Lys Assia, Siw Malmkvist, Nicki & Hero, Maria Duval, Violetta Ferrari, Ester & Abraham Ofarim, Dorthe, and Vittorio. After the 12 songs were pre-

sented and while the special stars were presented, the public viewing rating firm, Infratest checked reaction of the public watching TV. 200 points were allowed for that fest. 200 of the public attending the festival were allowed to vote, and the 10 radio stations in German invited listeners of different age groups (five people between the ages of 15-20, five between 25 and 30, five between 35 and 40 and five radio station personnel) to vote as well.

From the total of 600 votes, the song "Liebeskummer Lohnt Sich Nicht" sung by Siw Malmkvist and written by Christian Bruhn and Georg Buschor, who also wrote the winning entry two years ago ran away with first place with 187 points. The recording on Metronome was in the German hit parade a week after release and has already passed the 100,000 mark in sales. Second place went to Ben Grib (in reality, publishing gal Barbara Kist) and Aldo Von Pinelli for the song "Wo Ist Das Glueck Vom Vergangenen Jahr" (Where is the Happiness from Last Year) sung by Nana Mouskouri on Philips and third place by one point went to Rex Gildo and Gitte for "Jetzt Dreht Die Welt Sich Nur Um Dich" (Now, You Make The World Go Around) written by Heinz Gietz and Kurt Feltz. Two songs tied for fourth place and lost out for third place by 1 vote. They were "Junger Mann Mit Roten Rosen" (Young Man With Red Roses) sung by Dorthe and written by Dieter Heck and Hans Hee and "Schoenes Meadchen" (Beautiful Girl) sung by Abraham and Ester Ofarim and written by Friedel Berlipp and

## After Hours Chat

**HOLLYWOOD**—At a recent music shindig, Hollywood-based label presidents Al Bennett (Liberty) and Randy Wood (Dot) got a chance to talk shop. Pictured from left to right are orkster Lawrence Welk, Bennett and Wood.

**Rudi Von Der Dovenmuhle.** All of the writers are well known hit makers in Germany and although over 300 writers participated in the festival, the top writers took home the gravy. It was a great festival and there will certainly be greater ones to come. For publishers looking for material out of the festival, here is a short chart of the first 5 tunes.

## Randall Makes His Mark

**NEW YORK**—Baritone Frankie Randall recently signed an exclusive RCA Victor recording contract while flanked by Steve Sholes, division A&R veep; Ben Rosner, manager of pop A&R; and A&R producer Joe Rene. The chanter's first Victor single, "The Girls In Summer Dresses," produced by Rene, was just released by the label.

## BIOS FOR DEEJAYS

### Dixie Cups

The Dixie Cups are proof-positive that the overnight success does not exist in fairy tales. The trio's first recorded effort, "Chapel Of Love" on the Red Bird label, zoomed up the charts to the number one slot on the Top 100.

The group consists of Barbara Ann Hawkins, 21, Joan Marie Johnson, 19, and Rosa Lee Hawkins, 18. Both Barbara and Rosa Lee attend Southern University in New Orleans while Joan still goes to high school.

The girls' musical career started in elementary school, singing in their school chorus. About a year ago they decided they were interested in show biz careers and organized as a group.

The trio was discovered at a talent show in New Orleans by Joe "You Talk Too Much" Jones, now their manager. Jones rehearsed them for four months before he brought them to Gotham to cut their present smash-eroo. The rest is disk history.

### Premiers

The Premiers, who are currently riding the charts with "Farmer John" on Warner Bros., consist of five young San Gabriel, California youths who have been striving for success for the past three years.

It all started in 1961 when a group of boys decided to form their own band. None had ever studied music, or ever played with a musical group before. But John Perez, his brother Lawrence, George Delgado, and Frank Zuniga were serious about their music. With Lawrence on lead guitar, George handling the rhythm, Frank on the bass, and John on drums they met nightly at the Perez home, spending the entire evening practicing and developing the style which later made them one of the most popular bands in the music-conscious Los Angeles area.

As a result of their early togetherness they are today a close-knit crew that bubbles with confidence and enthusiasm. The same spirit is shared by the newest member of the group, Phul Ruiz, who joined the Premiers this spring after blowing sax for several other popular bands in the area.

The group's current click is their wax bow.

**Crown Makes Foreign Deals**

HOLLYWOOD—After a few months in operation, the international expansion of Crown Records, the low-priced LP line, has led to a number of license deals.

License arrangements for the manufacture and distribution of Crown abroad have been made with Astor Electronics Pty. Also during the period, an export program was originated, which has seen Crown product shipped to 29 overseas countries.

In another foreign move, Kent Records, a Crown affiliate, has started foreign licensing of its hit deck, B.B. King's "Rock Me Baby." First license was signed with Quality Records of Canada, the second with Astor Electronics of Australia. Further Kent product deals are in the works, according to Paradiso, Inc., a firm of international management consultants which is handling the international expansion program of Crown and Kent.

## NAMM Music Show Opens In Chi; Looms As Biggest One Yet

CHICAGO—The 63rd annual Music Show opens in Chicago this Sunday (28), with more than 13,000 music merchants expected at the five-day event. Sponsor of the show is the National Association of Music Merchants (NAMM).

Shifted to the Conrad Hilton Hotel this year after outgrowing facilities at the Palmer House, the 1964 show will be the biggest ever held. Total space at this year's Music Show will be 214,000 square feet compared to 136,000 at the Palmer House where the show has been held for the past 13 years. An estimated 6,000 different products will be on display.

Largest increase in space will be in electronics which will have 25 per cent more exhibit area for radio and hi-fi, and TV.

A total of more than 300 exhibitors will be represented at the show, displaying \$3 million worth of home entertainment products.

Many new products will be introduced for the first time and one of the unusual features of the show will be a special presentation of "New Sights and Sounds Of The Sixties" sponsored by the consumer products division of the Electronic Industries Association on Tuesday, June 30. Seven leading firms will unveil the latest products they have developed for the consumer market. Details on the products will be withheld until the day of the presentation to add to the suspense.

Observed Bill Gard, NAMM exec secretary: "With music business at an all-time peak, particularly in electronics products, this year's Music Show shapes up as a significant milestone in setting the pace for the future expansion of the industry. The enthusiasm generated by the Music Show is usually reflected immeasurably in business in months that follow but this year that enthusiasm has started building even before the show. With all exhibitors having most ambitious plans for their show displays, I am certain this 1964 Music Show will not only be the biggest ever held, but also the most exciting."

## RIC Enters Int'l Market With 3 Rep Agreements

George Keane (seated), president of Canada's Quality Records Ltd., signs agreement to handle RIC Records in Canada. Standing left to right: George Struth, Quality's production coordinator; RIC president Joe Csida; Quality attorney Paul Marshall; and RIC veep Frank Barone.

NEW YORK—RIC Records product will soon cross the seas under international deals just firmed for the Scandinavian countries and Benelux (Belgium, Luxembourg and the Netherlands). A third deal applies to Canada.

RIC, credited with being the first American label capitalized by \$1 million public stock issue, will be handled in Canada by Quality Records Ltd; in Scandinavia by Sonet Grammofon AB, and in Benelux by Show Records.

Each foreign agreement is a three year pact—guaranteeing a minimum release of 12 RIC singles and 3 RIC LP's per year, and specifying the release of all RIC records that hit the top 50 best-selling disk charts in U.S. trade papers. RIS also obtained exchange rights to release product by the three foreign firms in this country.

RIC retains its own label identification in all countries. However, in some cases, initial RIC releases will be issued on foreign labels for the present.

The foreign deals were negotiated by RIC president Joe Csida, an chief New York Counsel, Frank Barone. Quality was represented by George Keane; Sonety by Gunnar Bergstrom

## Who's The Biggest Cook In Town

NEW YORK—RCA Victor chanter Sam Cooke last week (18) became the "biggest man" in New York when his likeness, standing almost 70 feet high, was erected on a sign towering over Broadway and 43rd Street. To add impact, the figure is emblazoned with lights totaling 20,000 watts.

On Broadway, Sam Cooke is as tall as an eight-story building as a result of a promise made to him by his manager Allen Klein six years ago when Cooke appeared on the bill at the Copacabana. The songster was dissatisfied with his first performance at the Copa because he felt he had not matured sufficiently as a singer to do his best at the Copa. Cooke told his manager he didn't want to return until he was ready, and Klein told him, "When you do, I'll make you the biggest man in New York."

This week (24) Sam Cooke begins a two-week engagement as headliner at the Copa, and at a cost of \$10,000, Klein has kept his promise with a sign that will remain throughout the singer's Gotham nitery stint.

One of RCA Victor's most stalwart disk sellers, Cooke has sold over 15 million records, and has had hits with more than a dozen tunes, most of which he composed. The singer is currently riding the charts with a two-sided hit tagged, "Good News" and "Tennessee Waltz."

Deliberately misspelled, the legend under the Cooke likeness asks, "Who Is The Biggest Cook In Town?"

and Show by Jules Nijs. All three contracts involved considerable advance sums, an announcement said.

Sonet was said to be particularly eager to handle the RIC line because RIC artists Larry Finnegan is popular in the Scandinavian countries. Finnegan, who also acts as RIC's young-market A&R director, is currently making his second annual personal appearance tour in Sweden.

During his first Scandinavian tour last summer, Finnegan recorded one of Sonet's best-selling singles, "Johnny Loves Me," with Swedish teenager Suzie. He later cut the same tune (his own composition) here with Florraine Darlin. The disk is featured in RIC's current singles release.

## Col. Pics Declares Dividend

NEW YORK—The board of directors of Columbia Pictures Corp. has declared a stock dividend of 2½% of the company's outstanding shares of common stock. Payment of the stock dividend will be made on Aug. 17, to stockholders of record at the close of business on June 29. Part of the company's operation includes the Colpix label and various pubberies.

The board also declared the regular quarterly dividend of \$1.06¼ per share on the \$4.25 cumulative preferred stock payable Aug. 17 to stockholders of record at the close of business on Aug. 3.

In another move, the board of Columbia Pictures Int'l Corp. elected London-based William N. Graf and Kenneth L. Maidment as veeps.

## Beatles' Pic A Preview Sell-Out In Toronto

NEW YORK—A preview of things to come for the upcoming Beatles flick, "A Hard Day's Night," came out of Toronto last week.

United Artists, distributor of the flick, decided to hold a preview of the effort on Aug. 11, the day before it officially opens in 11 Canadian theaters in Toronto. Scheduling the preview in four of the 11 houses, it took 90 minutes to sell a total of 3,098 tickets, which account for the entire seating of all four theaters.

This preview push got week-long UA-sponsored attention on radio, TV, in newspapers and through special movie trailers. UA plans to use a similar preview idea in other Canadian cities.

The film will open in New York on Aug. 1, and throughout the month it will get world-wide coverage.

## Stones' U.S. Visit Pays Off

(Continued from page 8)

front cover indicating that the LP included a special four color photo of the Stones.

Because of dee jay reaction to the "I'll Me (You're Coming Back)" cut from the LP, London rushed out an abbreviated (2:45) version of the band as the group's next single. The side jocks were playing from the LP ran 4:15. This was forced out while "Not Fade Away" continues to make solid sales gains.

The boys also did well on their coast to coast public appearances closing to a sell out stint at Carnegie Hall (a matinee and evening performance) emceed by N. Y. radio station WINS dee jay, Murray "The K" Kaufman.

The Stones also got tremendous press and fan club attention while here.

No doubt the Rolling Stones visit did the group and their sales a world of good. But it's the belief of the company and its distributors that the sales reaction to the group thus far is just a drop in the bucket compared to what's anticipated in the near future.

## Capitol Fetes Peter & Gordon

NEW YORK—To help kick-off Peter and Gordon's first American jaunt, Capitol Records feted the duo, currently holding down the number one position on the Top 100 with "A World Without Love," with a cocktail party-luncheon at the Hemisphere Club in the Tower Suite here. The affair was attended by deejays, the press and Glen Wallich, the label's board chairman. Standing around the boys in the top pic are Capitol executives Wade Pepper, Manny Kellem and Brown Meggs. The smiling faces in the bottom photo (with the exception of Kellem, third from left, and the chanters) belong to *Cash Box* staffers Irv Lichtman, Jerry Shifrin, Marty Ostrow and Ira Howard.

need, but do not aggressively push Capitol product."

"Exchanging Capitol catalog merchandise for top chart items. Holding back all I can."

"Buying only top chart items in minimum quantities."

According to the survey, buying of catalog merchandise has been curtailed to the barest minimum necessary to service their accounts properly. Of the 15% of NARM members who stated that they were buying catalog merchandise, each had a qualifying comment to make, such as:

"We buy special orders only."

"Promotion items such as '100 Classics' and 'Great Voices of the Century'."

"We buy only must catalog items."

"Some key catalog items."

"Those select new releases and special items some stores must have—both in very limited quantities."

"Buying whatever product is needed to keep the customer happy."

"Full line, but quantities are much smaller than last year."

Use of the exchange privilege to replenish stocks was indicated by 15% of the answers to the questionnaire, as an effective way of handling Capitol product in keeping their outlets properly serviced. Comments made on exchanges were:

"We are bringing our inventory down drastically through exchange."

"Some catalog buying due to the necessity for exchanges."

"We were so overloaded with Beatles Album #2 that we have been able to exchange for catalog without buying."

"We are exchanging for top chart items and special orders."

"At present we are exchanging for full line catalog. This will narrow within the next ninety days, even within the full line departments we are servicing."

Malamud, in commenting on the survey, stated: "The results of the survey point out very clearly that although NARM members have been forced by CRDC's new price policy to make adjustments in their buying of Capitol product, they are still servicing their accounts with all demand product, including Capitol, and that Capitol has not been able to sell direct to the accounts which NARM members service. This reaffirms that the multi-label service which record rack merchandisers give to their accounts is unique and necessary to these accounts, who without the record rack merchandisers could not remain profitably in the record business. CRDC's new policy of "no functional discount" ignores this very important fact of life. It is obvious that the NARM record merchandisers' accounts do not want to buy direct from CRDC, and are being serviced properly with all salable merchandise by their record merchandisers."

### Columbia "Little LP's" Now Available Thru Co. Dists.

(Continued from page 6)

distrib outlets.

Highlight of the new line is its clever packaging (see photo, page 6). Perforated for simple punch-out use, the package itself offers useful visual aids. The right side of the photo above is the 7" face of the sleeve housing the new Ray Conniff stereo single. It fits into the display area of the juke box. The left side of the above photo features three push out 3" reproductions of the front cover. Three inch covers fit into wall boxes and the new Seeburg phono. The remainder of the back sleeve features ten punch out title strips for the phono and wall boxes. The three-inch and seven-inch sleeves are in four colors. The title strips are printed in black and red.

Little LP's currently on the nation's juke boxes are offered to the consumer at a rate of 50¢ for both sides (6 selections) or 25¢ for one side (3 selections). Stereo singles sell at 10¢ per play, 3 for 25¢.

The Six Little LP's are: Andy Williams' "Call Me Irresponsible," Barbra Streisand/Third Album," Tony Bennett's "When Lights Are Low," Ray Conniff Singers' "Speak To Me Of Love," Andre Previn's "Sound Stage!" and Percy Faith's "More Themes For Young Lovers."

The six stereo singles are: Andy Williams' "The Song From Moulin Rouge" and "Gigi," Barbra Streisand's "My Melancholy Baby," Tony Bennett's "On Green Dolphin Street" and "When Lights Are Low," Ray Conniff Singers' "Beyond The Sea" and "Don't Blame Me," Andre Previn's "Around The World" and "Zip-A-Dee-Doo-Dah" and Percy Faith's "Forget Him" and "Sugar Shack."

Rumors at week's end indicated that Victor would also be issuing Little LP's for ops. Actually, RCA had long been making the product it was pressing for Seeburg available to ops through its distributors as well as through Seeburg outlets. But Victor has never pressed special Little LP's or special stereo singles for ops unless a minimum order was placed by a juke box manufacturer.

Ray Clark, a spokesman for Victor, said the label does not intend to change its policy in this area but would certainly keep a close tab on the effect of the Columbia move.

Clark also said Victor would continue to press custom orders for Seeburg or any other company interested in special orders as long as minimum requirements are fulfilled and would always continue to issue such merchandise through its distributors as well.

**BMI Survey Details  
Concert World Dates**

NEW YORK—For the fifth consecutive year BMI (Broadcast Music, Inc.), in cooperation with the ASOL (American Symphony Orchestra League), has surveyed the programs of a wide cross-section of United States and Canadian orchestras.

A total of 2,654 concerts given by 263 orchestras, involving 10,141 performances of 1,934 individual titles during the past season, was surveyed by BMI under the direction of Ulysses Kay, the composer and BMI consultant on contemporary music.

The works of 625 composers were performed last year. Of them, 167 were standard composers (working before 1900); 458 were 20th century composers (working from 1900 to date). The category "since 1936" tabulated performances of music written since 1936, and thus in the first period of copyright protection. Here 352 composers had 1,099 performances of 435 works; of them, 246 were Americans.

The five most performed living American-born composers, listed alphabetically, are Samuel Barber, Leonard Bernstein, Aaron Copland, Alan Hovhaness and William Schuman.

The BMI survey, largest of its kind regularly undertaken, involved analysis of the official season programs of 28 major orchestras, 22 metropolitan orchestras, 175 community orchestras and 38 college, training and youth orchestras. They presented 2,654 concerts, including 2,155 subscription concerts, 192 tour concerts, 207 young people's concerts and 100 special concerts.

The orchestras surveyed performed 71 world premieres last year, 26 of them were American works.

The five works written for the concert hall since 1936 which were most performed last year were "Colas Breugnon Overture" by Dmitri Kabalevsky, Samuel Barber's Adagio for Strings, Symphony No. 5 by Serge Prokofiev, the late Paul Hindemith's Symphonic Metamorphosis of Themes of Carl Maria von Weber, and Barber's Symphony No. 1.

Maurice Ravel's "Daphnis and Chloe" Suite No. 2 was the most performed 20th century work, followed in order by "La Mer" by Claude Debussy, Richard Strauss' "Rosenkavalier Suite," "Petrouchka" by Igor Stravinsky and the Ravel orchestration of Mussorgsky's "Pictures at an Exhibition."

The five pre-1900 composers most performed last season, according to the BMI-ASOL survey, were Beethoven, Mozart, Brahms, Tchaikovsky and Wagner.

The five pre-1900 works most performed were Beethoven's Symphony No. 7 and Symphony No. 5, Brahms' Symphony No. 4, "The Meistersinger Overture" by Wagner and Weber's "Oberon Overture."

The BMI survey tallied a total of 1,934 titles performed during the past season. Of them, 929 were pre-1900, with 6,454 performances, and 933, written since 1900, with 3,502 performances. In the "since 1936" category, 676 titles were programmed for a total of 1,866 performances.

Detailed reports of the 1963-64 season are available from the public relations department, BMI, 589 Fifth Avenue, New York 17, New York.

## Masterwork Bows '65 Line Of Phonos, Radios & Recorders

CHICAGO — Twenty-two 1965-line Masterwork phonos packaged components, portable radios and tape recorders have been introduced by Columbia Records Sales Corp. Designed and sold by CRSC, the Masterwork models were introduced at the regional distrib meet held June 11 at The Sheraton Hotel in Chicago.

J. J. Harris, national sales manager of Masterwork Audio Products, reported on the following highlights of the 1965 line. At the top of the portable line is model No. M-1716, the deluxe stereo high fidelity automatic portable introduced last year. This product was received with such enthusiasm that it is now available in exclusive Samsonite "silhouette" luggage in Dover White as well as in Burnt Olive. The #1716 solid state chassis is hand-wired and equipped with a Garrard AT-6 changer with magnetic cartridge.

A major new portable phono is Model No. M-1810. Equipped with "attaché" case styling in Morocco Brown, the machine is an extremely lightweight portable weighing only 24 lbs. Other features of this model are the solid state amplifier with 20-watt output, two 6-inch and two 3-inch speakers and a push-pull circuit. Another stereo portable phono with solid state circuitry is offered in the popular \$99.95 price bracket—Model No. M-1808. This portable, incorporating a solid state amplifier, showcases a lightweight case newly designed in Platinum Grey.

The compact "Drop-a-Matic" automatic phono, Model No. M-1805, takes the spotlight in the lower price range. The portable is complete with a solid state amplifier and is priced at \$49.95. A new manual phono which includes AM radio with self-contained antenna is Model No. M-1803 at a suggested list price of \$29.95.

In the limelight is the Masterwork console, Model No. M-5022, encased in a 52-inch oiled walnut cabinet of contemporary design with two 10½-inch speakers plus AM/FM/FM stereo services with tuning indicator and FM stereo automatic signal indicators. The unit includes Garrard changer and diamond needle. Price is \$299.50.

Two radio-phono consoles, Model Nos. M-5024 (\$399.50) and M-5026 (\$450), are housed in 60-inch hand-crafted cabinets with hand-wired solid state amplifiers and solid state radio tuners. They are equipped with Garrard AT-6 changers, magnetic cartridges, tuning indicator, automatic FM stereo indicator, mode switch and separate bass and treble controls. A choice of contemporary or Mediterranean styling is available.

The recently-introduced Masterwork packaged audio component systems include two models for the new line. Model No. M-4500 (\$225) includes an all-transistorized system with hand-wired amplifier, 30-watt output, pick-

## Vista Pushes Up Issue Of "Poppins" Track To July 6

BURBANK, CALIF.—Vista Records will bring its soundtrack LP of "Mary Poppins" to market sooner than expected, with other labels that have "Poppins" material also getting an earlier release OK.

Execs at Walt Disney, producer of the film, said they wanted an earlier issue than the original Aug. 1 asked, which is only 3½ weeks prior to the flick's opening in New York and Los Angeles on the 27th. The new date is July 6. At that time, Vista will begin one of its most extensive promotions ever for one of its soundtrack LP's.

Sometime in the fall, the label will also release a \$3.98 Disneyland offering on the flick, in its "Childrens Storyteller" series and \$1.98 Disneyland album called "Ten Songs from Mary Poppins."

"Mary Poppins" stars Julie Andrews, Dick Van Dyke, David Tomlinson, Glynis Johns and Ed Wynn.

I GUESS I'M CRAZY (2:20) [Mallory BMI—Fairburn]

NOT UNTIL THE NEXT TIME (2:40) [Acclaim BMI—Talley]

JIM REEVES (RCA VICTOR 8383)

Jim Reeves, who is currently doing real well for himself with a teaming-up with Dottie West, should go a like success route with this fine solo performance labeled "I Guess I'm Crazy." The tune is an easy-shufflin' chorus-backed tear-jerker about a poor fellow who is in love with a gal who is wrong for him. The other end is a tradition-oriented tale of remorse essayed by the songster with all of his expected poise.

TOO MANY TIMES (AWAY FROM YOU) (2:38)  
[Pamper BMI—McDonald, Miller]

THINK OF ME (2:06) [Central Songs BMI—Mulkey, McDonald]

SKEETS McDONALD (Columbia 43065)

The vet Columbia hit-maker should quickly zoom up the charts with this new hitsville contender tagged "Too Many Times (Away From You)." The tune is a medium-paced, chorus-backed affair all about the difficulties of romantic situations. The flip, "Think Of Me," is a lively, shufflin' lament concerning the give-and-take of love with an infectious listenable melody.

WILDWOOD FLOWER (2:30) [Forrest Hills BMI—Bradley]

SUGARFOOT RAG (2:36) [Valley BMI—Vaughn, Garland]

HAROLD BRADLEY (Columbia 43043)

The vet country musician has a good chance of garnering plenty of spins and sales response with this top-drawer instrumental reading of "Wildwood Flower," the old folk sturdie. The cleverly-produced side features some effective gimmick sound effects. Eye it. The attractive undercut, "Sugarfoot Rag," is a lively, high-powered item with an infectious, happy hoe-downish flavor.

SALLEY MASSEY (Sims 166)

(B+) I MISS THOSE LITTLE THINGS (2:40) [English BMI—Poovey] Newcomer Sally Massey could jump into the national limelight with this slow-shufflin' dual-track romantic ode about a gal who is still "attached" to her guy. Deejays should dig it.

(B+) IF I HAVE TO TURN OUT BAD (2:35) [English BMI—Hughey, Smith] Another splendid performance. Tune describes the emotional power of love.

HOMESTEADERS (Starday 679)

(B+) LEAVING BUT I WON'T BE LONG (2:05) [Starday BMI—Rivers, Boles] The Homesteaders could very well pull some loot with this rousing, uptempo extremely fast-moving folk-flavored ditty which boasts some fine lyrics and an imaginative bluegrass-oriented arrangement.

(B) SING ME A SAD SONG (2:45) [Sarday BMI—Rivers, Boles] On this lid the crew dishes-up a pretty, slow-moving ballad complete with a moving, mid-deck recitation.

TOM TALL (Chart 1085)

(B+) WALK TALL (WALK STRAIGHT) (2:49) [Painted Desert BMI—Wayne] Tom Tall opens up his potent, wide-range vocal talents full-blast on this pulsating, uptempo chorus-backed affair about a guy with a clear-cut conception of morality. Watch it.

(B+) EYES LOOK AWAY (2:29) [Yonah BMI—Anderson] More fine country sounds. This one's a tender, shufflin' traditional weeper.

TOMPALL & GLASER BROS. (Decca 31632)

(B+) I'VE GOT TROUBLES (2:21) [Glaser BMI—Glaser] Tom-pall and the boys are in excellent form on this twangy, bluesy ode about a guy who is finally headin' home after quite a spell on the road. Plenty of potential here.

(B+) A GIRL LIKE YOU (2:21) [Glaser BMI—Glaser] Traditional, shuffle-beat country lament read with poise and sincerity by the artists.

JACK VAUGHN (Nugget 214)

(B+) SOMEONE TOOK MINE AWAY (2:10) [Lonzo & Oscar BMI—Snoddy,] Henson Jack Vaughn should create a sales stir with this top-notch romantic rejection and remorse. Spinners should come out in droves for the side.

(B) UNHAPPY SHADE OF BLUE (2:07) [Lonzo & Oscar BMI—Morris, Logan] Pretty, slow-moving bluegrass-flavored tear-jerker.

HUGH KING (Kasko 641)

(B) BLACKBERRY PICKIN' (2:08) [Buna BMI—Jones] Hugh King could grab some spins with this easy-going, chorus-backed novelty with an interesting rapidly-changing beat.

(C+) BIG FOOL, THAT'S ME (2:29) [Buna BMI—King] Familiar-sounding c&w lament. OK chanting.

## DENMARK

Karl Emil Knudsen and Per Sorensen of Sonet back from the Scandinavian Sonet conference in Stockholm . . . The Beatles in Copenhagen recently gave Danish EMI a reason to release "Long Tall Sally" for the first time outside the United States.

New sheet music from Wilhelm Hansen, Musik-Forlag, includes the Danish copyrights "Rundt drejer jorden" (Around Goes The World), composed by Ray Hopkins with lyrics by Peter Mynte, and "Næh, hor nu" (No, Listen Now), composed by Knud E. Carlsen with lyrics by Allan Hondé. Sam publisher has also released "Blæs på det hele" (I've Lost The End Of My Yodel) with Danish lyrics by Sven Krumbak. The latter is a British copyright published here by Reg Connelly Musikforlag A/S, distributed thru Wilh. Hansen.

Nordisk Polyphon Akts. (NPA) has released an LP with The Rolling Stones on Decca, introducing more of the Blue Beat, now very popular here. Another release from NPA with promising aspects is Ella Fitzgerald's "Can't Buy Me Love" on Verve. On Polydor, local artist Katy Bodtger has done Danish versions of "The Happy Song" and "Stasera no-no-no."

The Carefrees on Oriole with "We Love You Beatles" is doing very well, according to Tono Grammafoplader A/S. The record was recently voted number one in popular teenage broadcast program "Ti, vi ka' li'" (The ten we like.)

## NORWAY

New on the charts here this week is "You Are My World" with Cilla Black on Columbia and "Juliet" with The Four Pennies on Philips.

Iverson & Frogh A/S rushes out a new single with The Beatles, "Roll Over Beethoven" and "Please Mr. Postman," both from the LP "With The Beatles."

The Jenka, the Finnish dance now sweeping over Scandinavia, has also reached Norway where Rannie Rommen and the Brio-Band has recorded the song "Jenka" for Manu. Anne-Karine, recording for same label, has done the German "I Want A Beatle As Birthday Present."

NPA (Norsk Phonogram A/S) has three more singles from its "The Bergen Beat" series, made with local talents from west-Norwegian city Bergen. The groups playing and singing this time are the Tornadoes, The Jokers and The Young Ones. The city of Bergen is becoming something of a Norwegian Liverpool as far as finding talent is concerned.

A/S Nera has two singles, one with Lys Assia and one with Manuela & Ihre 5 Dops on Telefunken, four Swedish EP's on Cupol, and on its main label, RCA Victor, among others rushed out "Kissin' Cousins" with Elvis Presley.

## SWEDEN

The experiences from the recent concerts with The Beatles in Copenhagen and Amsterdam has convinced us that we have no interest in bringing the group to our town, at least not until we have a bigger police force, it was declared the other day from Sweden's number two city, Gothenburg, where there are many attempts to bring the group to the outdoor amusement spot Liseberg this summer or autumn.

British artist manager Don Ardon in Stockholm for business talks . . . Ivan Nordström of EMI, Stockholm, to the German Song Festival at Baden-Baden . . . Börje Ekberg of Metronome, Stockholm, also in Baden-Baden . . .

It was a good idea to arrange a Scandinavian meeting for the Sonet people in Denmark, Finland, Norway and Sweden, Dag Häggqvist of Sonet Grammofon AB told Cash Box after the meeting in Vaxholm in the Stockholm archipelago this week. There are always plenty of things to discuss, but this year in particular, Gunnar Bergström, head of Sonet here, had valuable information to give about the result of his recent trip to Chicago and New York. However, Sonet will continue those annual meetings, and next year the Sonet people will meet in Helsinki. The recent conference was attended by Karl Emil Knudsen and Per Sorensen from Copenhagen, Arne Bendiksen from Oslo, Paavo and Antti Einiö from Helsinki and, from the Stockholm office, Gunnar Bergström, Sven Lindholm and Dag Häggqvist.

The tour around Sweden for Lill-Babs, Karusell recording nightingale, is one of her best and most successful, Simon Brehm, her manager and head of Karusell Grammofon AB, told Cash Box. Brehm was also happy about the Polydor release of "Ain't She Sweet" with The Beatles, done in Germany (Hamburg) back in 1961, when the now famous group was a little less well known. Among the recent releases from Karusell can be mentioned "Make Me Forget" with Bobby Rydell, "Carol"/"Be A Good Little Girl" with Tommy Roe, both on Karusell.

Per Nyström, head of AB Svenska Manu, off for Oslo to make recordings with Anne-Karine, Norwegian Manu's top name on records. He later visits Germany for business talks.

New on the charts here is "Hello Dolly" with Louis Armstrong on Kapp. Thore Ehrling Musik AB is Swedish publisher.

Woody Herman and his 15 piece orchestra is now touring Sweden. Two weekends ago, they could be heard at the Liseberg amusement spot in Gothenburg. Philips here has rushed out the single "Hallelujah Time" and "A Taste Of Honey" with the famous bandleader.

Also touring Sweden now, with reports about hysteric teenagers and almost riots following them, are Cliff Richard and The Shadows.

New records from Swe-Disc (distributing thru Karusell) includes "Chapel Of Love" with The Chicks, "Hully-Gully Night" with Kurt Weil Sextet, "Diane" with Bertil Englund, Cuddle Up"/"Route 66" with Johnny Vallons and The DeeJays, "Papa Oom Mow Mow"/"Merry Elephant" with The Spotnicks, and an EP with Bob Major and The G.I.'s.

# GREAT BRITAIN

Transatlantic Records has acquired the British distribution rights of the Storeyville label—first issues are scheduled for July 10. These will include LP's from blues stars Sonny Boy Williamson, Big Joe Williams, Lonnie Johnson and Otis Spann. Transatlantic, pressing Storeyville in this country, will market the albums at the new low price of 29/9d. These are the first LP's from the famous Danish Jazz Blues catalog to appear in Britain for nearly two years. Transatlantic reports immediate success for an LP release entitled "The Dubliners," which is the name of the Irish folk song quartet who perform on the disk. Encouraged by sales figures, the company has issued their first Transatlantic single, coupling two tracks from the LP.

The London-based Delyse/Envoy independent record group recently launched an intensive recording program of Irish artist and is going all out to make Dermot O'Brien one of the Emerald Isle's top stars. Currently on tour in the U.S. Dermot, a talented and versatile composer, arranger, singer and M.D., has waxed three LP's, three EP's and two standards for Delyse during the past six months. His latest EP, "Dermot O'Brien Sings Hank Snow" heralds Delyse's entry into the C/W scene and is the first of many releases scheduled for the future. Another first for Delyse this month is a mono and stereo series by the Band of the Life Guards featuring a program of marches, etc.

The BBC's case for permission to use more music records in its radio programs will be heard by the Performing Right Tribunal at the end of the month. At present the BBC may broadcast for only twenty-eight hours of 'needle time' a week spread between three networks. In order to provide the extended services of serious music on network three during the day and to run the light program from 5:30 a.m. to 2:00 a.m. for light music, as authorized by the Postmaster General in 1962, the BBC would have to use more records. The Musicians' Union does not feel that the recording companies should allow more 'needle time.' Having failed to come to terms right after two years of discussions, the decision now rests with the Performing Rights Tribunal.

The Chappell group, recovering fast after its recent disastrous fire, has no less than three numbers in the Top 10, "It's Over" by Roy Orbison on London, "No Particular Place To Go" by Chuck Berry on Pye, and "My Boy Lollipop" by Millie on Fontana. Next major event for Chappells is Jack Hylton's presentation of "Camelot," which opens at the Theatre Royal, Drury Lane, on August 19. The record release date on July 3, will see singles by Johnny Mathis, Tony Bennett and Andy Williams, plus a host of decks by British artists.

The latest event in the life of drummer Jimmy Nichol, stand-in for Beatle Ringo Starr is the rush release by Pye of "Husky," composed by American jazz pianist Ray Bryant. On the same label, Lonnie Donegan is back in the news with "Beans In My Ears" original by the Serendipity Singers on Philips and published by Essex.

Ray Mackender, Manager for Pye recording star Mark Wynter, currently on a three-week visit to the U.S. Besides meetings with Burt Bacharach ("Tower Of Strength," "Walk On By," "Anyone Who Had A Heart," "24 Hours From Tulsa," etc.), he will set up a Stateside visit for Mark in the Autumn.

EMI is confident that "The House Of The Rising Sun," a 4½ minute single by The Animals will establish them as a major R/B group, and take them high in the charts—which is okay by Keith Prowse, which publishes the number.

With their smash single "A World Without Love" high in the Cash Box Top 100, Peter and Gordon are now fulfilling dates in New York's World's Fair, followed by five days in Honolulu and one night's in Dallas, Houston, San Antonio and Cleveland. The duo climax their first Stateside visit with a three-day stint at the Cow Palace at San Francisco on July 24, 25 and 26.

The Crickets, in England for a series of PA's, including an Independence Day Concert at the Royal Albert Hall and "Open House" for BBC TV with Kenny Ball and his Jazzmen. Their current single, "La Bamba" is out on Liberty.

The Brothers Four, on a flying visit, taped an International Cabaret TV show for BBC. Their latest album, "Sing Of Our Times," issued here on CBS. Another International Cabaret bill topper is Mel Torme.

Murray Deutch, VP and general professional manager of the United Artists Music Company of New York, flew in to clinch arrangements for American release on United Artists label of "A Hard Day's Night," soundtrack LP from the Beatle's first film. Deutch also had meetings with Noel Rogers, who handles United Artists' publishing interests in this country. Future plans include setting up of offices throughout Europe, facilitating closer coordination for simultaneous world-wide exploitation.

Jimmy Johnson, president of Disneyland Records, arrived for talks with executives at EMI, which handles his product here. He later left for a Walt Disney Film and Disk Conference in Paris, to discuss launching and publicity plans for the European opening of "Mary Poppins," starring Julie Andrews and Dick Van Dyke. EMI will issue soundtrack LP and singles, coincidental with the film's London premiere at the end of the year.

The latest Beatles' disk to hit the market is an EP released on the EMI Parlophone label entitled "Long Tall Sally," comprising four tracks previously unissued on a Beatles' British release. The title song and "I Call Your Name"—(the only Lennon/McCartney composition on the EP)—were recorded especially for America and were sent to Hollywood to complete the second Beatles' LP issued by Capitol. Vocal solo on "Long Tall Sally" is by Paul McCartney and John Lennon is featured on "I Call Your Name." The other two tracks "Match Box" and "Slow Down" were waxed just before the group left for their current tour of Australasia.

Quickies: Art Snyder of Chateau Records of New York arrives at the end of June to routine a number of songs for The Bachelors—he did the same for their current charter, "I Believe" on Decca. . . . Millicent Martin of TW3 fame stars in her own TV series "Mainly Millicent" for ATV. Guest for program number one will be Roy Castle. . . . Kathy Kirby likely to look to the Continent for her next single—odds are on a French melody. . . . Teddy Holmes of Chappells making satisfactory progress and recovering from injuries received when fire destroyed their offices recently. . . . New group The Hearts bow on Parlophone with "New Woman" by Gordon Mills, who wrote Cliff Richard's current charter "Constantly." . . . Dionne Warwick follows her first British visit with her first EP "It's Love That Really Counts" on Pye International. Still in the charts with "My Boy Lollipop" on Fontana, Millie follows up with "Sweet William." . . . Henry Marchal of Les Editions Pathe-Marconi in London to meet publishers and acquire British material for the French market. . . . French recording star Richard Anthony with Pathe-Marconi A & R Manager, Jacques Poisson in town to record at EMI studios. . . . Benny Goldson, U.S. jazz composer and arranger, due in London for TV dates en route for Sweden to cut LP's with Jimmy Witherspoon and Jack McDuff.

## AUSTRALIA

They finally arrived!

After months and months of waiting, preparation and anticipation, The Beatles arrived in Australia on the morning of June 11 to a cold, windy and wet welcome at Sydney airport. They were greeted at the airport by an enthusiastic but small group of several hundred fans; the group was much smaller than it would have been had the weather been fine. Radio, television and the Press had a field day and the Beatles received publicity the like of which has never been seen before.

This action by radio, Press and TV prompted some caustic remarks from some sections of the trade in relation to local acts. One prominent disk jockey suggested to Cash Box that if just a small percentage of the energies and efforts of radio, Press and television displayed for the Beatles could be directed to local talent it could be that one of these days we'll see a similar welcome for an Australian star. Not matter what our thoughts are on this point, there's no doubt that the Beatles have entirely captured the imagination of most Australians and they are assured of fantastic welcomes no matter where they go in Australia. This is one concert tour that this country will remember for a long time to come. During their first day in Australia The Beatles were featured on the front page (plus several other pages) of every leading newspaper; they were constantly shown on every TV station within transmission range and their progress, interviews and records took up countless hours on radio stations right across the country. Australia is going to seem quite dead when the Beatles leave us!

There has been a great deal of talk recently on the subject of rack-jobbers. Many people in the trade here are not aware of the functions of rack jobbing—in fact there are many who are not familiar with the fact that rack jobbers are a vital part of the American record scene. It seems that the day isn't far distant before we see rack-jobbers in full swing in Australia; and it's no secret that many record company executives are not happy with the present dealer set-up here. Some of our big chain stores are quite open to the introduction of racks operated by people who really know their business and from a recent survey made by Cash Box it appears we can expect to see rack-jobbers in action in Australia within the next few months. Some business people are thoroughly convinced that there are many impulse record sales to be had via racks if the service is available—especially in relation to singles. Our leading chains are the Coles and Woolworths groups, which between them have hundreds of outlets throughout Australia. In addition, there are many "group" stores which buy through a central office but are able to buy in great quantity because of the number of stores in the group.

All these stores are constantly on the outlook for lines that take up little space and offer something attractive to market at a reasonable margin. Surely wisely stocked singles racks meet all these requirements. The state of the singles market (outside of a handful of records) over the past few years has prompted many companies to think favorably on the prospects of rack-jobbing. Racks must join the trade here before long because there is plenty of scope for them and a few people are already taking a close look at the situation.

RCA of Australia is making a strong promotion drive on their range of albums featuring world-renowned pianist Artur Schnabel. The great artist is about to commence a concert tour which takes him to all Australian capital cities.

Could be that EMI's Stateside label will soon have its first number one hit in Australia if the present action continues on the Mary Wells record of "My Guy," which is currently holding down the second place on our best-seller list of singles. The record has been something of a sleeper here but all of a sudden sales are increasing in great leaps and bounds. The song is published by Belinda Music.

Johnny Devlin, A & R manager for local productions for RCA, has a new release out (as a solo artist) on the Festival label which carries "Blue Suede Shoes" and "Whole Lotta Shakin'."

"Barley Charlie," the title theme of a locally produced television comedy series, is the subject of two new record releases; Graeme Bell, famous Australian jazz musician, has a version out on the Festival label and Bruce Clarke, composer of "Barley Charlie," has his release out by W & G Records.

As a result of their recent concert tour of Australia, all records by Peter, Paul & Mary are enjoying good sales. Outstanding amongst them is "Tell It On The Mountain," which is now showing out well on our list. The new single by the group "Oh Rock My Soul" has been rush-released by Australian Record Company in response to the demand following performances by P.P.&M. and radio station plays.

# BRAZIL

Vicente S. Mangione, president of the Rio pubbery, Edições Euterpe Ltda, is attending in London the Congress of C.I.S.A.C. From there, he will tour Europe and will be special guest at the "Festival De La Rose D'or De La Chanson Française" in Juan-Les-Pins, on the French Riviera. He intends to promote the new samba style, "Bigorriho," which is still a great success in this country and has now a hully-gully touch, and also will contribute to a general effort to bring the new wave of Brazilian pop music to other countries. Raul Borges, A&R, is presently in charge of the company.

Sebastião Bastos, general manager of Audio-Fidelity in Brazil, is in the United States for important contacts with the NY office.

From the promo dept. of CBS do Brazil, Daise sends the following news: Carlos Alberto, who had a couple of numbers on the charts with his Gatica style, has a new LP on the market. Other exclusive artists preparing new waxings are: Carlos Ely, Denize, Roberto Carlos. To compete with the Italian songsters presently on top positions, Nino Scarpeli cut an LP with 12 of the current hits.

Douglas J. M. Reid, new president of RCA Victor in Brazil, announced the important establishment of the new subsidiary, Edições Musicais RCA Ltda. The new pubbery, headed by Bruno Quaino, has great plans for exploitation of Brazilian and International musical works, as well as control, collection and distribution of copyrights. The new company is inviting other associated companies for a contact. Talking about Douglas Reid, the long-planned luncheon (with the typical "feijoada Brasileira") to celebrate the exec's appointment of president of the company, finally took place and was fully successful: some 40 odd friends representing the top diskeries, pubberies, radio, TV and press, joined around the table to wish Reid luck on his new and important position in the business here in Brazil. During the toasts, the commission that organized the homage J. Scatena, E. Lebendiger, R. Cortes-Real, L. Guedes presented Reid a golden record to mark the date. Ramalho Neto, Production Manager, concentrating on the reception and full program for Rita Pavone's stand in a short time.

J. Rahmi, general manager of Chantecler, busy with the volume of requests connected with the represented Italian label Ricordi. Ivo Oliveira, from the Promo Dept., announced that two versions of two Italian hits have been cut recently: Wilson Miranda sings Edoardo Vianello's "O Signore" (O Meu Senhor!) and Carlos Cesar, recently pacted to the label, Gino Paoli's "Sapore Di Sale" (Gôsto De Sal), respectively translated by Paulo Queiroz and B. Nascimento. Also, maestro Luiz Arruda Paes signed a contract with the label and is preparing his first LP, which will be a novelty. For the first time together, old-timer Silvio Caldas and his brother Murilo, will cut an LP for the label. Ornela Vanoni, the Italian top singer, is due for a stand in Buenos Aires; Chantecler is trying to move Ricordi to bring her also to our public. A new LP on the market, cut by Roberto Fioravanti singing twelve waltzes of the late composer Zéquinha De Abreu.

Alfredo Borba, of the record division of Philips, reports that the typical and amusing "sambista," Germano Mathias, signed with the label and is cutting a new LP, eventually a future hit.

Alberto Ferreira, from the promo dept. of Continental-Discos, has the following news: "Brazilian Blues," the announced LP by Elcio Alvarez, with Orchestra and Voices, interpreting in a modern style (à la Ray Conniff) several unforgettable numbers, like "Naná," "Adeus," "Renuncia," etc., from the traditional Brazilian pop music, is on the market and selling well. Menina De Lourdes has another success on the shops—a Portuguese version by Paulo Augusto of a melody by Migliacci, "La Terza Luna," under the title "Terceira Noite." New contracts of the company: Victor Gonçalves, Amauri Medeiros, who makes his record bow.

Mario Duarte, head of the PR and Press Dept. for Discos RGE, announced that another "compact" by the winner of the San Remo Festival, Gigliola Cinquetti, will soon be on sale, with two new hits—"Il Primo Bacio Che Daró" and "Non E Niente, Lasciami Stare."

Two of the winners of the "Concurso Voz de Ouro ABC 1963" pacted with the RGE label and preparing waxings: Vivaldo Azevedo and Valter Lemos.

Maysa, considered by many experts the greatest interpreter of Brazilian modern pop music, is preparing the repertory for a new LP with RGE, label with which the temperamental and talented lark started eight years ago. However, this will have to wait, because Maysa just left for Madrid, Spain, where she will open a night-club, new unofficial embassy of Brazilian pop music: "El Mono De La Tinta" is the curious name of the night spot placed on the central Madrid street Hermanos Miralles, where the artist will receive her friends from the whole world. Maysa intends to take the most representative artists of the new wave of Brazilian pop music, in order to make a good promotion of this kind, which is unknown in Spain and misunderstood, although it has had a good reception. At the opening of the night-club all the celebrities presently in Madrid will be present, from Ava Gardner, Don Jaime De Mora y Aragon, the "toreros" brothers Bienvenida, to the "flamenco" king Antonio and many others. Maysa, who cut several successful LP's for RGE and Columbia (now CBS) made her latest waxings for Aloysio de Oliveira's label, Elenco, and for the French Barclay. We predict that Spain will soon be a new enthusiastic market for new Brazilian pop music, and that many artists will travel for that highly musical and temperamental country in the near future.

Another important RGE LP is in the making, on the style of those "live" ones made at the Olympia of Paris and Carnegie Hall of New York: it is the recordings made by RGE during the recent pop music concert at the Teatro Paramount in São Paulo, called "O Fino Da Bossa." Audio-Fidelity, Philips and Elenco, agreed to allow that their exclusive artists, like Alaide Costa, Jorge Ben, Os Cariocas, Nara Leão and Rosinha De Valença, take part on the waxing with view to the good promotion of the new style. A good LP for export purposes.

Enrique Lebendiger of Fermata Do Brasil is on his way to London and a tour in Europe and United States. Another good promotion for local pop music.

The traditional program from TV-RIO, Channel 13, of Rio de Janeiro—"Noite De Gala"—off the air for quite a while, is coming back with an interesting production called "Musica Não Tem Passaporte" (Music Has No Passport), intended to bring to this country a good number of international artists like Charles Trenet, Connie Francis, Mina, Peter Kraus, Miranda Martino, Gilbert Bécaud and others.

# FRANCE

First of all, Barclay announces the release of a new disking by Frankie Alamo, which is always received with pleasure. The main title seems to be "Allo Mai 38.37," and if we believe in Achir Chemouny, this title seems to be a big juke box hit. Still with Barclay, must talk about a new EP by Monty, a young chap who seems to have got off to an excellent start. The two titles worth mentioning are "Ce N'est Pas Vrai" and "Un Verre De Whisky." We must add to this that for Angelita Villoria the latter tune by Monty seems to be the best one. A new singer on the Barclay label is Ricardo, whose voice sounds a little like Charles Aznavour. His mainside seems to be "Je T'Imagine" on the new 707 ticket label created by Eddie Barclay.

Philips info's word of a release of new grooving by Johnny Hallyday, but unfortunately we have not been informed on the titles. It seems that this was cut by Hallyday before his departure for the army. Two newcomers on the Philips label are Luc Frinda who supplies us with "Lorsque La Mer Se Retire" and "Mon Soleil" and Michèle Torr who offers "C'est Arrivé Comme Cela."

In the variety series we have an LP by Xavier Cugat with old standards such as "Siboney" "La Cumparsita" etc. Just received special information that Philips has put out a disk by Cziffra with "La Valse No. 14 De Chopin" coupled with "Le Caprice No. 3 De Liszt" at a very low price, 2,95 francs, which is roughly about 60 cents. This is astounding when you realize the position taken by the firm in their attitude of their team on the prices.

Decca releases a grooving by Maurice Larcange, "Carousel De Souvenirs." On the RCA ticket a novelty recorded by Alain Barrière tagged "Ma Vie." Must point out that the A & R man is Jean Pierard and that with him we must say that Alain Barrière has found the road to success. Let's now talk about the AZ trademark record belonging to Europe No. 1 which is directed by Lucien Morisso. They have a new star by the name of Chouchou, the mascot of a famous broadcast called "Salut Les Copains." Président Cabat who is the distributor of the disks AZ confirmed to us that in his opinion this is an excellent recording and the first sales of this record are more than promising. So much the better for Lucien Morisso. Now onto Louis Armstrong and his grooving of "Hello Dolly." In Paris this record seems to be heading for a hit and this will certainly please Dave Kapp.

A new Trini Lopez novelty release is "Cotton Fields" backed with "What Have I Got Of My Own." Still with Vogue, but on the Pye label, The Searchers with "Love Potion No. 9." It has just been announced that Jean Pierre Fall will represent the young songs at the Antibes song Festival scheduled for 19, 20, 21 of June. As to Petula Clark, she has just cut an LP which will be released in September. Dionne Warwick will no doubt appear at the Olympia Music Hall in September. It is very gloomy and sad to talk about the opening season of the song biz which is in September while awaiting what kind of success the Summer season will bring about. Last year it was Patricia Carli who was a revelation with her rendering of "Demain Tu Te Maries." While we are on the subject of Bel Air, must mention José Adriou with "Le Gout Du Pêché" penned by Fernand Bonifay and Guy Magenta, coupled with "Toujours Ensemble" which is the French adaptation of "Move Over Darling" from the film starring Doris Day. Vency, a newcomer to the Bel Air label, sings "Tu Verras Qu'à Quinze Ans." After an absence of eight months Leny Escudero is back again with an excellent EP His best title seems to be "Quand." It's now Rika Zarai's turn to be cited, and its due to her rendering of "Michaël" penned by Jacques Plante.

# ARGENTINA

Sometimes odd circumstances are needed to measure the popularity of an artist; recently, appendicitis suffered by Palito Ortega made news for several newspapers and magazines. Afternoon paper Cronica printed a photograph of Ortega on its front page, while La Razon devoted him plenty of space in its top rated TV and theater section. Fortunately, Ortega is already OK, and in the meantime, his latest recording, "Me Permite," has been climbing the charts and may get to the top.

Another teen star, Leo Dan, one of the big wonders of the local scene during the past months, has also what seems to be a new chart smash. The most interesting point about Dan is that all his singles (and his two LP's) released up to now have reached a top five position and, in some cases, he had three and even four titles in the top fifteen. Leo's latest release is "Santiago Querido," coupled with Estrelita, and several reports from dealers show that this is a new sure shot. Dan will visit Chile in a few days, appearing on Radio Minería and at the Waldorf, in Santiago.

Also visiting Chile is Hugo Celano, Sprint Music's boss. Celano is developing strong activity in the Chile and Peru area, and has several European tunes controlled by his pubbery in those countries, and, of course, Argentina. His latest inking is "Piccolo, Piccolo," another Italian song.

Romiglio Giacompil of Smart Publishers is also back from a visit to Brazil, and will stay in Buenos Aires for several months. Smart is strengthening its position in the local scene with two interesting items: "Cuando Vedrai La Mia Ragazza" and "Una Lacrima Sul Viso." Several recordings of both titles have been already done: the latest one is by The Mustangs, just released by Odeon Pops in an EP devoted to San Remo.

Mauricio Brenner of Fermata infos that he has the rights to "Jailer, Bring Me Water," the latest Trini Lopez outing. Monica Lander (Odeon Pops), has cut Paul Anka's "Fuiste Feliz En Tu Cumpleaños" (Did You Have A Happy Birthday?), coupled with the "Pink Panther" theme, "Mejor Esta Noche" (Meglio Stasera). RCA has released the Miranda Martino version of the latter. Juan Ramon (Disc Jockey), has cut "Yo Te Amo Solo A Ti" and "Ya No Ruego Por Mi."

More about CBS: The label has inked folk artist Mario Gallo, composer of "La Anochecida" and other folk hits; his first single is "Lunita De Miramar" and "Cuando El Diablo Anda En El Vino." Ornella Vanoni has cut "Mejor Esta Noche," back by "Que Pasara," written by Gino Paoli; another interesting news is another record by Mexican group Los Hermanos Carrion: their top Mexican smash, "Las Cerezas" (Le Celiege). Jorge Cafrune has cut "Dudas," his second single since his affiliation to CBS.

Last week we had a very interesting chat with Maximo Perrotti, currently in charge of Alfredo Perrotti Publishers, after being manager of TV channel 12 in Montevideo. Perrotti plans to give a big push to the pubbery, and a new building is being completed to house its offices; a recording studio will also operate, in connection with Discos Ciclope (Ciclope Records), a subsidiary record company. The publishers are now busy with "Tres Pasitos Mas," a merequetengue cut by Maria Cristina for the Music Hall label, and "Todas Son Buenas," waxed by Los Guayacanes, also for MH.

News from Odeon: Enrique Rodriguez has cut "Que Suerte," in a version intended to reach country customers. Hector Varela has a new single titled "Un Poco Mas," coupled with "Ya Vuelvo." Nestor Fabian is in the market with "Que Falta Que Me Haces" and "Antes Del Adios," while Cecilia Rene has cut "Sabato Sera" and "Pieta." Young singer Claudio's latest is "Un Alma Herida," written by Casto Dario and Dino Ramos; recently inked Hernan Figueroa Reyes has cut "Zamba De Usted" and "Coplas Del Soltero," with Carlos Garcia's orchestra.

RCA is working heavily on the promotion of Rita Pavone's recordings, since the Italian little lark is currently here. The campaign includes seven singles, with chart rider "Si Tuviera Un Martillo," three Compact 33's and two LP's, and presents "Somigli Ad Un Oca" and "Quando Sogno," culled from the second one, as a new highlight.

Roberto Lambertucci of Neumann still busy with the music from "Rugantino," the Italian musical comedy. Now, Esmeralda Roy has cut for Odeon the Spanish version of two of the tunes, "Ciumachella" and "The Lights Of Rome." CBS has released a Compact 33 with the music from the play, by Ornella Vanoni and Lando Fiorini.

Ricardo Castelblanco of Edami has several new versions of "Chin Chin," the Richard Anthony hit. The tune will be cut in Spanish by Violeta Rivas (RCA), Los Jets (Odeon Pops), Sandro (CBS) and Simonette (RM); Ricardo Rey (Disc Jockey) has cut "Sabato Sera," another strong Italian item belonging to Edami.

Producciones Fermata is releasing two new singles recorded in Brazil; titles are "Buena Suerte" and "Tzena Tzena" by the Telstars, and "Sarita" and "Boquita De Miel" by the Conjunto Iguazu group.

News from Surco: the diskery is releasing the music from the UA flick "Tom Jones," a big world-wide success. The recording was made by John Addison, who also wrote the music. Another United Artists release is the music from the well known thriller "From Russia With Love"; Matt Monro sings the main theme.

News from Ariel: the diskery is releasing a record intended to reach the kid market. The title is "Perico El De Los Palotes" and has been recorded by a theater group that is representing a play under the same title at the Argentine Theater. Other outings are a new LP by Ray Charles, with titles like "Busted," "Where Can I Go?," "Ol' Man Time" and "A Stranger In Town," and "Born Free," a new album by Frank Ifield, with the Norrie Paramor orchestra.

Daniel Blanco of Music Hall informs that Siro San Roman has been inked by Radio Belgrano for a series of programs that will last about three months. San Roman is now preparing his third LP for the label. Maria Cristina, MH's youngest artist, has cut "Un Vals Con Papa" and "La Mariquita," and has been promoting both titles on Channel 13, via the "Escala Musical" and "Campeonato de la Cancion" programs. Julio Molina Cabral has cut "Rio Rio," a song written by Eladia Blasquez, and "La Tempranera," a zamba; both will make his next single.

Mario Kaminsky from Microfon infos that Atilio Stampone is finishing the waxing of his second LP for the label. The deck includes The Jazz Singers in two of the tunes. Folk artist Leandro Ocampo is back in town and will cut some new tunes. Los Cinco Del Ritmo, very successful through their latest album with "Merequetengues," are recording a new one, to be released soon.

# MEXICO

Capitol artist Wayne Newton just made his debut at the El Patio night club in Mexico City. This club announced for the first of July the engagement of Vic Damone and a week after, Connie Francis.

Young idol Enrique Guzmán, wrote Cash Box from Spain, where he is having big success in different entertainment places and started to film his new picture with actress Rocío Dúrcal. From the same place we received post card from another young Mexican idol César Costa, who finished his performances in that country and now will tour Europe on vacation.

Héctor Cabrera recorded at Velvet Records his personal version of the Mexican national hit "Perdóname Mi Vida" (Forgive Me My Life) composed by Gabriel Ruiz. This is supposed to be the last record made by Héctor at Velvet; we received information that he's now an exclusive RCA artist.

A big musical show will be presented very soon at La Fuente's night club, with the debut of beautiful Mexican actress Elsa Aguirre, Marco Antonio Muñoz, Los Galantes and many other first line artists.

RCA released the first Argentinian Violeta Rivas record. One of the songs is "Confesémonos" and artist rep, Gonzalves, wants to bring her to México to do some performances and, at the same time, record at RCA.

"Angelito," one of the songs that is earning much popularity even in the United States in the Rene & Rene version, was made at Musart Records by Manolo Muñoz and the accompaniment by the Los Mabers group.

Artists manager Pancho Medina is promoting the first long play recorded by Cuban singer Vicky Roig because he wants to bring her to México City. Vicky's first long play was made at Odeon label in Perú, where she is at this time.

Among the latest recordings released by CBS in the international catalog are "Chasing A Dream" with Bill Russell and the music of Bert Kaempfert played by Bobby Hackett. Also due is the first long play recorded by Barbra Streisand.

CBS announced the debut of a new singer named Ana Victoria, interpreter of the bolero rhythm. Her first record contain the songs "Pídeme Lo Que Quieras" (Ask Me Whatever You Want) and "Si Tienes Corazón" (If You Have Heart).

Bernard Ness, RCA president, David Crump, RCA general manager and Rubén Fuentes, A&R Chief of RCA Mexicana, returned from New York from the Internacional RCA Convention. Rubén Fuentes also told us that he recorded with sensational Rita Pavone the Spanish version of the first single made by Rita in the United States. Rubén also informed us that Rita will perform in México next Oct. and that she is one of the best artists he ever recorded.

From RCA, we also were told that Paco de la Barrera left the promotional department to work in A&R at the same company. Paco used to be an A&R man of Orfeon Records.

DUSA released a new record with a new singer, Sonia, who made the Spanish version of Italian hit, "No Es Fácil Tener 18 Años" (It's Not Easy To Be 18 Years Old).

CBS released a new low-priced label named Okeh at the price of \$19.50 (around \$1.55), including in this new catalog artists like La Sonora Orizaba, Humberto Cane, Memo Salamanca, Richard Lemus, Flor Silvestre and some other artists and songs from the old Columbia standard catalog.

Among the latest releases of Orfeon Records are two albums recorded by Chavela Vargas named "Noche Bohemia" and "Toña De La Negra" singing music composed by Agustin Lara.

Agustin Lara is now in Spain performing with his orchestra. Agustin has received several trophies in that country for songs he composed years ago dedicated to different cities in that country. Examples are "Murcia," "Valencia," "Sevilla," "Granada," "Madrid" and others. Lara also composed songs dedicated to several Spanish "matadores."

# HOLLAND

From Bovema's Gramophonehouse, it is reported that ample discussions have been held with Adamo's manager Mr. Bylois to prepare the singer's extensive Dutch tour this fall. His Master's Voice meanwhile launched its "Rendez-Vous With Adamo"—album with immediate success.

HMV's pop section has several outstanding new hot items in the charts, such as Vera Lynn's "Non Ho L'Etat" version, features by Kenny Lynch, Bert Weedon, new duet vocals by Gitta-Rex Gildo, Conny Froboess' "In Tati-Tati-Tita," Camillo Felgen's "Dreh' Dich Um" and The Swinging Blue Jeans' "You're No Good."

French topsinger Gilbert Bécaud (HMV) and Britain's popular Manchester-beats Freddy and the Dreamers visited this country just recently and both did exciting TV-gigs.

Bovema's Atlantic-label pleasing Dutch jazz fans with EP versions of the MJQ's "Concert In Europe" series. "Interaction" Art Farmer/Jim Hall's first LP-album will soon be followed by their "live"-recording in "The Half Note" on the Dutch jazz-charts.

Imperial's vocal star Shirley is very busy doing a series of one niters for Army-Wellfare and teen parties. She will join organist Cor Steyn on Munchen-TV and recorded "Gotta Move" at Cologne. Imca Marina also recorded in Germany. Titles: "Harlequino" and "El Dorado."

Within the framework of the "Holland Festival" of summer 1964, England's most prominent contemporary composer, conductor and pianist Benjamin Britten will give concerts in Holland, playing and/or conducting a good deal of his own music, the most important work being his "War Requiem." Sales of this work on a Decca-set have been splendid already in this country, and, as Hans Tecker of Phonogram told Cash Box, sales will definitely jump again in Holland after the gala-performances. Other Britten-works on Decca-records, to be played at the Holland Festival, are his "Second String Quartet" and his most popular work: "The Young Person's Guide To The Orchestra."

A singer as popular as his great predecessor, John McCormack, in Holland is well-known Kenneth McKellar. McKellar's new album for Decca: "Favorite Ballads And Songs" (such as "Roses Of Picardy," "Falling In Love" and "I Dream Of Jeannie") has had excellent reviews and fine radio-plugging.

In 1959, a pretty brunette from Bruxelles won the Grand Prix of Flemish Song. The following three years, this girl won the yearly trophy handed to the most popular singer in Belgium. Her name is Rina Pia, the only Flemish girl-singer with a fanclub in the United States! Her fine recordings (an operetta-typed soprano but with a definite Show-biz sound) are also released in Holland now on the Decca-label. Her hits are Flemish version of "Non Ho L'Etat," and "Un Orgue Joue."

The success of The Rolling Stones in England and America is also extending to this side of their native country. Hit "Not Fade Away" climbs fast on Dutch charts, and the song has been released also on a Decca-EP. Also on EP comes Millie's "My Boy Lollipop" (Fontana), John Ros of Phonogram reported. He also mentioned the rush-release of British Decca-hit "Caroline" by The Fortunes, a song which is very often played by the commercial British ship-station Radio Caroline, in the North Sea between England's and Holland's shores.

Saxophonist-trumpeter-arranger Benny Carter stayed in pre-war Europe for many years, preferably in Paris. Like his confrère Coleman Hawkins, he also made the acquaintance in 1937 of the Dutch Ramblers Band conducted by Theo Uden Masman. This band, styled in the fashion of Fletcher Henderson's and early Ellington, was highly appreciated by Carter who promptly agreed in doing some recordings-sessions together (The Hague). Re-masterings of the old and successful 78 rpms are now on a French 12 inch Decca-album, along with several other Carter-takes with a.o. pianist Freddie Johnson.

Recent local entries from Artone's Funckler catalog offer a strong instrumental reading of "Una Lacrima Sul Viso," a hit song from Italy as rendered by trumpet star Jack Kelly, His Orchestra and Chorus, and German-sung ballads "Lolita" and "Ganz Allein" by Die Quintos of "Ich Hab' Das Glück Bestellt" fame. Both songs were presented by these groups on local NCRV-TV. In the teen beat dept., Willy & His Giants are launched on the label with two original compositions by leader Willy Wissink: "The Swinging Musicbox" and "March Of The Giants." Funckler also has come out with their first entries in the religious field. Single material presents Bob Scholte in his moving readings of "Wesjomeroe W'Nei Jisrael" & "Eili-Eili" and the wonderful Boyschoir of the Steyl Mission-House with "Ave Maria Stella" c/w "Rahmenlied Zum Magnificat," both sung in German.

The Gordy-Motown-Tamla line has two further U.S. Chart items issued on the Benelux market by Artone's subsid Funckler Records: Mary Wells' "My Guy" and her disk-pairing with Marvin Gaye in "Once Upon A Time." The First etching already registers considerable activity in Belgium.

On account of his recent concert-appearance and a string of Jazzclub dates in Holland, Artone has made special promotional efforts on behalf of Eric Dolphy's share in the Impulse package "The Blues And The Abstract Truth." Album initially released in 1962, has proved to be a steady seller since and is now making a rapid climb again. New material issued by Artone from the ABC Paramount catalog include a new Ray Charles LP entitled "Sweet And Sour Tears" and further singles by Fats Domino and Tommy Roe. The latter has a strong version of Chuck Berry's "Carol" which should make it in this territory.

Pete Felleman of Artone's subsid Funckler Records reported that his department is pushing hard on new releases from the Aristocrat line by Chuck Berry, Sugar Pie DeSanto, Etta James and Ahmad Jamal.

Colpix' JFK memoria album release "The Actual Voices And Events Of Four Days That Shocked The World," a UPI documentary, had been the subject of several local radio and TV presentations during the latter part of May, according to Paul Visser of Artone-Funckler's publicity & promo Dept. "Silver-Rose-Winner" on the television festival in Montreux, Rudi Carrell (even before the Jackie Gleason show) is preparing, at the moment a brand new idea for Holland, a so-called comedy-circus-show, with Netherlands most popular record and television artists. Show, which is presented by N. V. Me-com, will visit the towns of Eindhoven, Zuidlaren, Amsterdam and Scheveningen. Artists include: Anneke Grönloh, The Mounties, Rob de Nijs, The Lords, Pipo the Clown, The Crocksons, André Carrell, the television orchestra-director Frans de Kok (the same director who made the music for the Montreux show) and of course the television monkey "Vrijdag," Netherlands most popular animal at the moment with even his own fan-club (3,000 members).

# JAPAN

The Village Stompers, who are now in Japan, invited by Musashi Promotions, one of the Japanese booking agencies, had interviews with newspapermen at the Gessekai night club in Tokyo. Hank Hubbell, leading trumpeter, talked about his impressions of Japan as follows: "I'm very grateful for having visited Japan. None of us expected "Washington Square" to be such a smash hit. We are very proud of that success. We hear that it is enjoying similar hitdom in Japan. In the future, we would like to widen our activities not only in Folk Dixie, but further into the field of jazz.

At the reception held following his speech, the bands of many universities, which will enliven the Hootenanny Festival held in June in Tokyo, cooperated in playing with the Village Stompers, which played "Washington Square" and other selections.

Besides, Mr. Imabori, head of the Imported Materials division of Nippon Columbia, which represents Epic, read messages congratulating the 80,000 sale of "Washington Square," achieved by the end of May, and presented all the persons present with souvenirs.

As for their playing trip, it will start on June 6 in Tokyo, then continue to every part of western Japan. They will leave Japan on June 26.

The music world of Japan hopefully expects summer sales of Hawaiian music. Most of the dealers predict much activity with Hawaiian music this summer, while a few of them do not think so, being afraid of an unfavorable situation. For example, one of the influential dealers in Japan says: "For the time being, Hawaiian music is not enjoying the same sales as the previous year. Toward the middle of June, we'll launch a big campaign for Hawaiian music. However, we are worried. . . ."

On the other hand, musical instruments and music sheets are selling constantly, and customers' taste recently shows a trend of more expensive luxuries, for example, guitar to electric guitar, or from organ to piano. The customers above mostly consist of students. In other words, the music fans in Japan are gradually moving in taste, from merely listening to music to the enjoyment of playing musical instruments.

The surf'n' rhythm recently advertised by all the record companies in Japan is supposed to be in great demand. Now selling well are the recordings of Astronauts and Ventures. The recordings of Pat Boone, Brothers Four, Oscar Peterson and Julie London, who visited Japan recently, are also selling.

One of the recent problems seriously discussed for the dealers in Japan is to have in stock what type of records, or how many of them. In former times, the taste of fans was concentrated in a few famous artists such as Elvis Presley, Connie Francis, and Pat Boone, so the dealers could meet the demand simply if they had records by such artists in stock. Recently, however, the hit tune has been very changeable, namely, it means that they can not meet the demand if they only have in stock records of a few artists. Consequently, dealers are obliged to be very nervous and sensitive to the change of the hit chart of popular music.

Recently, Italian songs, called "Canzone," are becoming popular among music fans in Japan, according to a string promotion by major records companies here, especially Victor of Japan and King Records.

At present, "Ogini Volta" sung by Paul Anka on RCA Victor and "Una Lacrima Sul Viso" sung by Bobby Solo on Seven Seas (King) are shaping up as considerable hits and another several "Canzones" are expected to be hits shortly. By the way, Italian songstress Milva's performances in early May in Japan were a great success, with full audiences in concert halls everywhere she made her performances, and her many "Canzones" were cut on Seven Seas in order to be released here in early July.

Brothers Four visited Japan on May 23 for public performance in main big cities for two and a half weeks, to June 10. They started their performances at Sankei Hall, Tokyo with a capacity audience who were mostly young people. These young and handsome vocalists have been accepted with great favor by the people listening to them everywhere they appeared.

Their visit to Japan is expected to act as a sort of train of powder to explode a boom of American folk songs, attracting Japanese music fan's attention since the smash hit of "Where Have All The Flowers Gone."

Village Stompers' recent visit to Japan, and moreover, Peter, Paul and Mary's visit here in near future will also accelerate the folk boom.

American folk songs will be one of the big three types of music in Japan this year, the other two being Liverpool sounds and the Surfin' Rhythm.

Nippon Victor is now planning to promote its recording stars, Bobby Rydell (Cameo) and Pat Boone (Dot). Mr. Honda, in charge of Cameo, Parkway and Dot, announces that in view of Pat's success in Germany on "Rosemarie" in the German language, Nippon Victor decided to push strongly his "My Queen In Calico" in Japanese, recorded during his recent visit to Japan. Honda continues, that following the Italian song "A Very Little Kiss" recorded by Bobby Rydell in Italy, the label's target in summer sales is Bobby's "World Without Love."

MGM Records decided to release the recording of two songs in Japanese, "Please Don't Go Away" and "A Worried Guy" by Johnny Tillotson.

It was his first recording in Japanese. Here is a comment by Mr. Imabori, who is in charge of the foreign labels of Nippon Columbia: "Since Johnny has contracted with MGM Records, results of his recordings have been gradually improving. But his records of the said two songs will greatly increase his marketability in Japan."

Kodama Express Co. (phonosheet manufacturer) announced that it had concluded an agreement recently with Carish Co., Italy, which represents Pepino de Capri, top singer in rock canzone. Kodama begins with an EP bearing hit songs, namely, "Umbara-Bushi" ("Be My Baby").

# CANADA

One of the more unique receptions in the annals of record promotion was held (6/11) as Trans Canada Record Distributors feted Fernand Cignac on the occasion of the artist's 100th release under the T.C. banner, "Le Train Des Amoureux." The reception was held aboard two stainless steel passenger cars of the Canadian Pacific Railroad parked on a track in the Montreal terminal of the line, Windsor Station. Numerous tradesters were on hand for the reception, and to meet the great French Canadian star, Cignac. Firm topper, Jean Paul Rickner, indicated that with the current demand for the new Cignac single, his Trans Canada operation was well over the one million five hundred thousand sales mark on the Trans Canada label alone, over the past four years. The firm also handles several other labels in the enormously rich and active French Canadian market in Canada.

A recent Montreal visitor was Capitol's national promotion man, and publisher of one of the best news sheets in the trade—The Sizzle Sheet—Paul White. Paul and Capitol topper, Ed Leatham, were in Montreal on the occasion of the well-attended reception for Nat Cole, hosted by Dick Riendeau, Frank Henry and Monique Leroux of Capitol's Montreal H.Q. Paul was waxing enthusiastic—as usual—over the truck load of British disk items that are keeping things hopping at Capitol currently. Cilla Black is headed for the top of Canadian charts everywhere with her good outing, "You're My World." Another red hot item is the current Cliff Richard outing, "Constantly." Paul's "Sizzle Sheet" in its most recent edition reports that numerous Canadian stations have set aside periods varying in length to be devoted exclusively to sounds originating in Great Britain, primarily Liverpool. Paul is also sure that the Beatles' outings in German are certain to be colossal sales successes in Canada. Early airplay on "Sie Liebt Dich" on several Canadian stations indicates that the side will be in heavy demand in short order. Paul points out that "Can't You See That She's Mine" by the Dave Clark Five is on the "Session" album by the group and as a result is available immediately to Canadian deejays, although the single is being rushed onto the market by Capitol of Canada. Incidentally, Nat Cole played an entire week at Montreal's Place Des Arts to S.R.O. crowds. If ever there was an artist with an unbeatable combination of talent and class, Nat proved beyond all doubt that he is it. Alex Sherman, Canada's "Mr. Records," was among the many guests at the Cole reception.

Other leading lights from the world of wax at the reception included Jacques Gagne of Sherman Enterprises; June Warren of CKVL Radio; Harry Grief of CFCF's music dept.; Ethel Nagy of Morgan's Department Store in Montreal; Mrs. Vi Bateman of "Steve's Place," a leading retail outlet in the City; Dave Grief, music director of CKGM and Bill Ballantyne, general manager of CKGM-FM. It was one of the better gatherings of trade types in some months. Many of those present had the opportunity to be photographed with the great Capitol star and guest of honor.

Radio types on the move currently: Charlie Johnson, ex "Morning Mayor Of Montreal" returns from a stateside sojourn to take over the 11:00 AM to 2:00 PM slot on CFOX, Pointe Claire (Montreal). Rosco Campbell moves into the 5:00 PM to 9:00 PM slot on Oshawa's CKLB. In a more temporary arrangement, Gary Parkhill, P.D. and morning man at The Lakehead's CJLX switches chairs for one morning with Pat Cadigan, early morning personality on Duluth's KDAE. Idea behind the switch is that each jock will have the opportunity to promote his respective home town as a holiday spot for listeners in each other's coverage area. Frank Cantar, for years an outstanding personality at Ottawa's CKOY, returns to Ottawa as music director and air personality at the Capitol City's newest radio outlet CKPM. More recently, Frank has been hosting a highly rated afternoon segment of Toronto's CKFH.

Bob ("Rockin' Robert") Gibbons in touch from CHSJ in St. John to report on the fantastic goings on as Andy Kim guested in the New Brunswick City. Andy's good 20th Century Fox outing, "Give Me Your Love" had hit the number one spot on the station's "Smart Chart" just prior to the young singer's visit. He was mobbed by his fans numbering in the hundreds, forcing the management of a department store where he appeared to finally close the doors as the fans were crushing the store in such numbers that there was a danger of damage to life and limb, to say nothing of store fixtures and merchandise. This marked a first for the good city of Saint John, and in no small way was responsible for renewed interest in the Andy Kim single, to the degree that Harold Winslow, Quality promo topper tells C.B. that the disk is now on reserve to Canadian broadcasters. C.B. enjoyed a visit with Andy and his brother/manager, Joe (6/11).

Fred King reports from CJLX, Fort William that the station will sponsor a diskstacular (7/1). Headliners on the bill will be Don and Phil Everly. The Everly Brothers have their strongest chart outing in some time in their latest for Warner Bros., "The Ferris Wheel."

Glenn Jenkins checks in from the CJCH Music Library in Halifax with a word about a new group that is really catching on throughout Canada's eastern Provinces: The Beavers. The group currently holds down the number nine spot on the Station's play list with a good sound entitled "Chantilly Lace" on London. Hal Ross, London's promo head man, indicates that sales on the side by the group are really beginning to pile up some impressive figures. The group was set for Montreal promo spots (6/20) including radio on CKVL and TV on CFCF's "Like Young." They have realized the commercial potential of a visual gimmick and have come up with the wildest haircuts that have been on the scene in some time. They will be accompanied on their Montreal jaunt by CJCH spinner, Dave LaFave.

"Larry" by the Allan Sisters on Shell, distributed by London, is beginning to happen in several important markets. The girls are from Edmonton and now reside in Toronto. One of the girls is married to well known Canadian musician and record exec, Art Snider.

A pleasant surprise for this writer by way of a phone call from Lucille Starr. The thrush was in Toronto for deejay promotion and Quality's Lee Farley put through the call. The gal is very pleased with the world wide chart action on her tremendous ballad side, "The French Song." By the way, she's a Canadian, born and raised in St. Boniface, Manitoba. At one point, her hometown was reported to be Moncton, N.B., but Lucille insists that she's a westerner.

"Memphis" by Johnny Rovers is becoming a giant in Canada. Hal Ross indicates the album is set to debut very soon.

"As Long As I'm Sure Of You" appears to be the best outing Bobby Curtola has had in some time. The Tartan release was an instant chart addition at Montreal's CKGM, and seems sure to do very well everywhere. Bobby Curtola, incidentally, has just debuted as the singing and selling voice on Coca Cola Ltd.'s Campus Club radio shows in Canada.

Louis Armstrong set for an Ottawa P.A. (7/9) to be presented by Harvey Glatt.

"The Dum Dum Song" by Joanne Engel, on Quality in Canada, gives every indication of developing into a chart giant. It broke first on Toronto's CHUM, following quickly as a battle winner by a wide margin on Montreal's CKGM. 'GM music librarian, Bob Johnston, was quick to spot the song's potential,

## Brazilian Disk Industry Honors New RCA Victor-Brazil Prexy

SAO PAULO—Friends of the disk industry gathered together at an informal dinner here recently to honor Douglas J. M. Reid, the recently appointed president of RCA Victor in Brazil. Cameraderie was the byword of the evening at the affair held at the Restaurant Pandoro. The Victor exec (far right) is shown with (left to right) Jose Scatena, Enrique Lebendiger, Roberto Corte Real, and Luis Nobre Guedes.

picking it as one of his first activities upon taking over music duties at the Montreal outlet some three weeks ago.

Al Allbutt of Leeds Music and Phil McKeller, Toronto jazz spinner, are in high spirits over the world wide reaction to "Girl From Ipanema" by Getz and Gilberto. It has been a pet project of the two for some months now, since first the tune appeared on record. McKeller was, to a great degree, responsible for the success enjoyed by an earlier Getz smash, "Desafinado."

Three new RCA Victor singles appear set for extended chart runs. Mike Doyle is looking for good action on newbies by Jim Reeves, Neil Sedaka, and Duane Eddy. Best of the trio stacks up, at this writing, as "I Guess I'm Crazy" by Jim Reeves.

EXPORT

**\$50 Million?**

The total dollar volume value for coin machines shipped from US ports to foreign countries during the first three months of this year was \$13,018,086. Two years ago this figure for the comparable period was reported here at \$7,361,958, or close to half of this year's total. In 1962 this figure served as the basis for expectations of a \$28 million export year. PS: The figure was more than \$30 million and as we recall, the 1963 annual volume, as reported here last April, passed \$40 million. Does this first quarter for '64—\$13 million—forecast a \$52 million dollar annual volume? In the words of those shipping the machines: Why not!

Close scrutiny of the quarterly figures for this year indicate that juke box volume increased by \$1.5 million; games increased by more than \$2.6 million (thanks to France and Italy) and the vending business showed a slight increase in shipments from this country in spite of the fact that the major manufacturers are turning out vendors from their overseas plants. The picture continues to grow healthier and for good reason. The economy of most countries is stable and American equipment is in large demand.

Europe's demand never seems to fall off and although markets have closed, others have opened. While Greece is currently undergoing the growing pains which accompanies growth of amusements in many countries, Spain sits like the second shoe and the trade awaits the drop of restrictions which will permit larger volume in this country.

A leading music machine factory exec recently returned from the Orient and told us that Japan is probably the greatest potential market for juke boxes in the world. At present the country takes about 200 music machines each month, both new and used. Judging from the population of 95 million, and the way in which they live, the juke box and the amusement machine should enjoy large volume and long life in this country. Approximately 300 games are imported monthly. Japan does not rely on the tourist trade to keep the night lights burning. They are a nation of funseekers. The coin machine wholesalers who ship arcade equipment and the visitors to the pachinko parlors will testify to this characteristic of the Japanese people. "They're swingers," is the way one factory VP put it upon his return from a trip to Japan.

As for the coin machine and vending industry personally, nothing succeeds like success. There happens to be a shortage of used equipment in this country because of the export market. The shortage prompts better trade-in values for the operator and keeps the distributors healthy. The factories enjoy an additional outlet and one with growth, two factors which should tend to keep the price on new machines at a reasonable level.

No one knows where this business will lead to. So far it has moved only upward. Let's hope that the exporters in our industry continue to make use of the talents which brought about this market and search for ways in which to gild the lily.

## ILLINOIS OPS TO MEET JUNE 28

### Decca Records Exec To Address Members

CHICAGO—Les Montooth, owner of Montooth Phonograph Company in Peoria, and president of the Illinois Coin Machine Operators Association, announced this past week that the next general meeting will be held in the Morrison Hotel in this city, commencing promptly at 2:00 p. m., Sunday, June 28. A directors' meeting will precede the general meeting.

Highlighting this session will be a talk by Sellman Schulz, Decca Records, who will discuss the future of the "little LP" in its relationship to the music operators in Illinois.

Montooth invited all Illinois operators and other coin machine people to visit ICMOA's hospitality suite in the Morrison Hotel on Saturday evening. All of the officers and directors will be on hand to greet visitors.

Other officers are: Bill Poss, vice president; and Mary Gillette, secretary-treasurer. The board of directors includes: Earl Kies, Bob Lindelof, Harry Shaffner, Bud Hashman, Ronnie Meline, and Orma Johnson.

A buffet luncheon will be served after the meeting.

## Westchester Re-elect Pavesi President

WHITE PLAINS, N.Y.—Carl Pavesi was re-elected President of the Westchester Operators Guild for the fifteenth time when members elected association officers during a meeting at the Roger Smith Hotel on June 9. Pavesi was named President when the association was founded in 1950 and has held the post ever since.

Also elected were: Harold Rosenberg, Vice-Pres.-Secretary; Lou Tartaglia, Treasurer; and to the Board of Directors: Seymour Pollak, Edward Goldberg, Herb Chacon, and Walter Swanson.

Pavesi and other members were present during the MONY meeting last week, to take part in the association's participation in an annual Catskill Resort outing sponsored by Westchester, MONY and the New York State Operators Guild. (See story elsewhere).

# MONY Strengthens Location Contract, Calls For Credit Bureau Action; Denver

## Maps Strategy For Future Op Practices

### Propose Location Owners Become Associate Members, NYS Responds To Call For Celler Bill Action

NEW YORK — Approximately seventy-five operators heard Al Denver, President of the Music Operators of New York, stress the importance of an air-tight location contract plus credit information on locations, during a four hour meeting last Tuesday, June 16, at the Holiday Inn here. The meet was the final session of the season and followed a dinner.

In addition to a recently added renewal clause, MONY's installation contract will feature a clause which states that should a location decide to have an audio-visual machine installed, then the operator of the music machine would also be the operator of the film machine.

#### Contract Protection

The contract will be written to protect music operators from the entry of Cinebox-Scopitone type machines on the same location unless the present operator supplies the unit and operates it. In certain areas throughout the country this type equipment has reportedly hurt juke box collections during the initial weeks of play. The clause is meant to serve the same purpose as that which protects the operator from live music in the same location, another move which curtails music machine receipts. Other clauses which will be added to the present MONY contract measure three and one-half typewritten pages, all designed to protect the operator and his investment, according to Denver. Attorney Teddy Blatt reported that the MONY chattel mortgage contract which gives an operator the right to collect damages on money owed, has resulted in 100% success in the courts. Games contracts are in the process of being prepared now that MONY also accepts as members operators of amusement machines.

In discussing the contract, Denver cited recent conflicts in locations where the owners desire to buy their own pool table. In another instance, he outlined a new confidence approach being used on operators. A location with a juke box, a game, and a cigarette machine calls an operator, offers the equipment for sale and the opportunity to operate the machines in what is reported to be a high collec-

tion location. A bonus is asked of the operator to be used for location alterations. After the deal is made, the location uses the bonus money to make alterations which call for a bandstand and facilities for live entertainment defeating the music and game. New contracts will carry a clause prohibiting live music.

#### A Credit Bureau

Two months ago, MONY mailed copies of a suggestion which would have resulted in the formation of a credit bureau designed to protect operators from locations which have already been reported as bad investments. Because of disinterest, the Operators Credit Bureau may not be formed, although Denver spoke at length on the merits of the idea. Operators were asked to reconsider their position on this project.

New members included the acceptance of applications from Atomic Music Co., Lou Glatzer, J&R Inc., Victory Co., Inc., and Bob White Amusement Co.

George Holtzman, MONY executive, discussed the September 25-27 outing which will combine annual outings of MONY, NYS Guild and the Westchester Operators Guild, at the Nevele Hotel. A second nine-hole course is expected to be completed at that time. The three-day weekend is priced at \$27 per day with guests staying two evenings, Friday and Saturday. Reservations can be made.

Teddy Blatt discussed an article which appeared in Cash Box last month which outlined the problems of the Buffalo vending operators and the recently passed per machine tax. "Note that the story points out the complacency of the operators and the fact that there was no association in existence," said Blatt who added that an association was hurriedly formed. Blatt's invitation to an American Arbitration Association branch opening recently was taken as a form of recognition of the industry which uses its facilities with great effect.

#### Machine Labels

Business Manager Ben Chicofsky pointed out the importance of the MONY label on all machines where

complaints are registered. "When I arrive on the scene from this point on, I will be unable to handle complaints from operators of equipment not bearing the MONY sticker," said Chicofsky who travels the metro New York area serving operators where location conflicts may arise.

The Celler Bill received its usual attention. Because of the timely news of last week's hearing, attorney Lou Werner of the NYS Guild followed Denver's report on his contacts with Mrs. Millie McCarthy and New England's Luke Levine, with a letter from Rep. Katharine St. George, advising Werner that constituents had called following early news of the Rules Committee hearing. The coinmen had thusly brought about a news release signed by Mrs. St. George stating that she was opposed to the Celler proposal. Rules hearings have been postponed (CB June 20).

The possibility of a State sponsored school, for coin machine mechanics was reported on. The NYS Office Of Manpower Development will be contacted by MONY advising specifically of the industry's requirements in this area for trained men. The trained project is in conjunction with the State's program to do away with a manpower shortage in certain fields.

#### Location Members

At the close of the session, a discussion took place concerning the merits of accepting location owners as associate members in MONY. While the move would increase membership, the pro's and con's were discussed with no definite decision being made. The Florida State Association launched a drive last month to enroll 20,000 locations to strengthen membership rolls for legislative battles in the State and in Washington, D.C.

Carl Pavesi, newly re-elected President of the Westchester Operators Guild, attended as did NYS Operators Guild President Mike Mulqueen. Mrs. Millie McCarthy, President of the NYS Coin Machine Association arrived at the close of the meeting.

Earlier, in the same hotel, Atlantic New York Corporation premiered the Seeburg Model LP Console 480 at a cocktail party for visiting operators.

# Columbia Releases 'Little LP' Through Distribs, One-Stops

## Maps Strategy For Future Op Practices

NEW YORK—The 'Little LP' a seven-inch 33 rpm disk featuring 6 selections culled from an album, with three tunes on each side, and available only through Seeburg distributor outlets up until now, has been made available at Columbia distributor outlets and at the nation's one-stop shops via a "Do It Yourself Music Ops Programming Guide" launched last week by Columbia Records. Effective this week the Little LP's produced by Columbia will be available to operators of all machines which will play 33 rpm speeds. All models coming off the four juke box manufacturer production lines feature both speeds, in stereo. Seeburg turned out the first 33 rpm speed phono in 1960. Rock-Ola, Rowe AC, and Wurlitzer followed, and it is expected that approximately 100,000 machines have the dual speed feature, although this figure is unofficial.

Columbia's specially packaged Little LP (shown here) comes in a four-color sleeve with a seven inch square reproduction of the album cover on one side, suitable for display use on juke box illuminated front panels—and on the flip side, three-inch-square push-out reproductions in color of the

LP cover for display on juke box fronts and wall boxes, plus ten title strips which can also be separated easily via scored rules. All of the material is in stereo.

A stereo single, also made available nationally by Columbia, features one selection from an LP on each side of a seven-inch disk, is wrapped in a four-color sleeve and can be used for display. The single costs ops 75 cents. The Little LP costs \$1.50.

Among the initial Little LP releases announced by Columbia last week are: Andy Williams, 'Call Me Irresponsible'; Babra Streisand 'The Third Album'; Tony Bennett 'When Lights Are Low'; Ray Conniff Singers, 'Speak To Me Of Love'; Andre Previn 'Sound Stage'; and Percy Faith 'More Themes For Young Lovers'.

Seven-inch stereo singles include: Andy Williams 'Song From Moulin Rouge'/'Gigi'; Babra Streisand 'Melancholy Baby'/'Never Will I Marry'; Tony Bennett 'On Green Dolphin Street'/'When Lights Are Low'; Ray Conniff 'Beyond The Sea'/'Don't Blame Me'; Andre Previn 'Around The World'/'Zip A-Dee-Doo-Dah'; and Percy Faith 'Forget Him'/'Sugar Shack'.

STEREO SINGLE SLEEVE is in four-color, features seven-inch reproduction of LP on one side, three 3-inch reproductions on flip, with ten title strips. Little LP wrapper is similar but has title strips identifying all six selections. LP repros fit on juke box and wallbox display panels.

The 'Call Me Irresponsible' and 'The Third Streisand Album' Little LP's have already been ordered by Seeburg. According to Seeburg officials, Little LP material will continue to be made available at Seeburg outlets where approximately forty record labels—including Columbia—are represented

with close to six hundred Little LP selections.

It was rumored that RCA Victor would also produce Little LP's of its album music for juke box operators, which indicated that the entire record industry may very well take advantage of the demand for adult music at the juke box operating level.

OMAHA—When Sol Lipkin, of American Shuffleboard Company, arrived at the Paxton Hotel, Friday, June 5, to set up American's exhibit he was shocked to learn that the coin-operated shuffleboard game was much too long to set up on the mezzanine floor. Furthermore, the elevators were not large enough to handle the cabinet.

So, he improvised—and created the sensation at the recent C.O.I.N. Trade Show in this city—by placing the American Shuffleboard in the lobby of the hotel.

The action was surprisingly good, as the guests in the Paxton kept the game working around the clock. Members of University of Mississippi baseball team (pictured above) take time out to relax playing the game. Team was in town for College World Series June 8-12.

## Plan Gottlieb Hospital Expansion

CHICAGO—The Gottlieb family recently embarked on an \$800,000 building fund drive for further expansion of the patient care facilities at Gottlieb Memorial Hospital. When the governors of the hospital met recently to officially announce the kick-off of the drive they were already more than one-third of the way to their goal.

During the session the Gottlieb Foundation pledged \$200,000, while individual contributors offered another \$90,000. The building program, already planned by the Gottlieb family and the board of governors, was spurred by a recent petition by some of the 160 physicians using facilities there. The institution, opened in July of 1961, serves Melrose Park and 11

surrounding communities west of Chicago.

Included in the hospital expansion program will be a special 12 bed ward for intensive care patients. Hospital capacity now is 136 patients. The campaign is to provide for expansion of Gottlieb Memorial Hospital to a capacity totaling 224 beds.

Among the additions planned, according to David Gottlieb, president

of D. Gottlieb & Company, are two additional floors on the four-story building. Two x-ray rooms will also be included. Construction is underway, with completion expected by late Fall.

The special care ward, Gottlieb said, will provide constant surveillance for patients requiring intensive treatment. A nurse's desk will include a console where changes of a patient's condition will be electronically recorded.

ARCHITECT'S RENDERING shows expansion area outlined with broken rule box at top of present Gottlieb Memorial Hospital. Cost is \$800,000.

## Houston Happenings

The new model Seeburg phonograph together, with complete line of operating accessories, was unveiled by H. A. Franz & Co. to an enthusiastic crowd of operators and servicemen on June 7, in the banquet hall of a Knights of Columbus building at 606 Dennis St. Total attendance, based on dinner reservations, exceeded 200. Included were operators, servicemen and in most cases members of their immediate families. Every city and practically every town in Houston trade area was represented. Space not available for printing names of all operators present or companies represented.

H. A. (Hoddy) Franz, president of H. A. Franz & Co., emceed the affair. Ed Blankenbeckler, Regional vice president, Seeburg Corp., discussed briefly progress of the Seeburg company past 50 years and stressed tremendous expansion of the corporation past two years. Edward F. Claffey, vice president of the Seeburg Sales Corporation, demonstrated in detail the new phonograph and all component parts with special emphasis on "Impulsion." Earl Hoot, Franz Company service head, explained technical points of new equipment to operators and servicemen after completion of unveiling ceremonies. Hazel Poole, Franz Company office manager kept the guest register. Cocktails from 5:00 PM until 6:00 PM and a full barbecue dinner at 6:00 PM preceded the showing.

Production Of Film  
Based On Fraud**

MILWAUKEE—Joel Kleiman, President of Pioneer Sales and Service Inc., advised of a letter received here addressed to the firm's Sales Manager Sam Cooper, personally thanking Cooper and the firm for the cooperation given to the Attorney General's office in Madison, in helping to expose defrauders. The use of slugs, vandalism and confidence men selling the unwary unusually high-priced used equipment, was prevalent before the Attorney General's office cracked down on such practices. It did so with Pioneer's help. "The defrauder takes \$15 million annually from the pockets of Wisconsin citizens," read the letter, "and your assistance in the production of the film, 'The Quiet

Crime' has been an invaluable service to our office and the people of Wisconsin." It was signed by George Thompson, the Attorney General in the State of Wisconsin.

## MOA Meets With NCMDA To Discuss Convention

CHICAGO—MOA officials met with NCMDA brass and the press in the Sherman House on Thursday, June 11, to discuss the forthcoming MOA Convention in October. During the session NCMDA's Jack Bess and Bob Slifer advised that they will conduct the distrib association's meetings during the dates of the convention in this city, along with the host MOA and ROSA.

At a luncheon in the Celtic Lounge MOA Board Chairman Harry Snodgrass (shown third from the left,

photo below), created a bit of a stir among the diners, who thought he was GOP Sen. Barry Goldwater. Harry, a dedicated democrat, merely pooh-pooed the entire incident.

Also shown in the pic are: Fred Granger, Lou Casola, Nick Biro and Ed Barnes of Billboard, O. L. (Bob) Slifer, executive secretary of NCMDA; Lee Brooks of Cash Box, and Clint Pierce, MOA vp. The empty chair was later occupied by NCMDA Prexy Jack Bess.

## Ames, of Duarte Int'l, Visits Manila

LOS ANGELES—On his recent trip to the Far East, for Duarte International Sales Co., Inc., Marshall Ames stopped in Manila for one week and was very well received by all the local operators. This picture shows a group of the leading operators in Manila, at the Airport in Manila, at the time of Marshall's departure for Hong Kong. The names of the operators are, from left to right: C. Ordiales, Marshall Ames, Feliciano San Pablo, Pedro Franco, Delfin Franco, and D. Marquez. The young boy behind Delfin Franco is his son.

"Filipinos love music and juke boxes are very popular in Manila and throughout the country. All of our manufacturers are well represented in this market," according to Joe Duarte, President.

"The operators in the Philippines run their business in about the same

way as American operators and face similar problems. Their equipment cost is from two to four times the equivalent cost to the American operator because of import duties, taxes, ocean freight charges, and numerous handling costs. Filipino operators are price conscious because of this, and most of them are very shrewd buyers and drive a hard bargain. In spite of the import restrictions, Manila is a very competitive market. Factories and leading export distributors keep in touch with this market thru their Sales Representatives. Others use the mail for soliciting business," continued Duarte.

Duarte stated that Ames and other representatives of the export firm will make regular buying and service trips to the company's customers overseas. "The only way to sell a market is to know that market," said Duarte, "and we know it like the back of our hand."

# New Wurlitzer 'Cashrak' Tallies Coins, Saves Ops Time, Money

NORTH TONAWANDA, NEW YORK—Wurlitzer has announced a 'mechanical banker' for distrib sale and for operator use designed to save the operator's time, and protect his earnings. The 'Cashrak', as it is called, accurately counts all money in the Wurlitzer juke box. According to factory officials the new accessory can be installed on the Model 2800 "in a matter of seconds."

The new bookkeeper minimizer electronically registers nickels, dimes, quarters and half-dollars and tallies each on a mechanical counter. Built in is a non-resettable meter which accumulates the receipts, offering a verified check of the phonograph's earnings. The tamper-free unit has an Ace

lock of its own. The meterized figure gives ops the collection figure, at a glance, since previous collection meter readings will have been recorded.

As a coin is inserted into the phonograph, the counter is actuated by means of an electro-magnet. This releases a ratchet wheel which accumulates mechanically the value of the coin on the counter. The 'Cashrak' mounts on the right front side of the chassis-mounting plate, inside the dome. There are two electrical plugs . . . the eleven prong plug connects to the power source and the five-prong miniature plug connects to the playrak. By inserting these connections and installing two screws, the 'Cashrak' is ready to operate.

Wurlitzer 'Cashrak' (left), was introduced to distributors this month during summer meetings. Right, exposed coin counter has two prongs—one to power source and one to playrak. Two screws hold the unit in place.

## 'Kilometerfresser' Costs \$50

NEW YORK—The Skriver Brothers firm in Hamburg, Germany has directed our attention to the article which appeared in Cash Box, June 6, on page 60, which incorrectly states the price of the Skriver machine 'Kilometerfresser'. The actual price is \$50. The machine with free play or with a coin return is slightly higher.

The machine was premiered at London's A.T.E. Convention and allows users to test their nerves. In addition to the local German market, the machine is being sold in Belgium, Switzerland, Denmark and Sweden. The \$50 price is F.O.B. Hamburg.

# Kelsey Hayes Will Buy Continental For \$6 Million

NEW YORK—Kelsey-Hayes Corporation has purchased the assets of Continental-APCO for a price reportedly under \$6 million, it was learned last week. The transaction is subject to the approval of the Courts since the Continental vending machine firm is currently operating under Chapter Ten reorganization proceedings. The Continental-APCO sale rumor has been a live one for several months.

According to unofficial reports, the deal called for \$1 million in cash, plus an additional amount to be paid out of future earnings. Reports indicated that the total sale price would not exceed \$6 million.

Company officials said that the firm will continue to manufacture its full-line of vending equipment at the present Westbury plant. Earlier talks with Continental-APCO executive chief Mel Rapp indicated that a sale would enable the firm to invest more heavily in research and development programs. While sales are running at a satisfactory pace, the need for investment in long-term programs grows greater as time goes on. Continental-APCO recently announced a new cold drink machine which vends the low calorie beverage, heretofore a tough liquid for a vending apparatus because of the lack of sugar which affects the density of the syrup. The new machine is reportedly doing very well.

## 'Arizona' Gun Is Gaining In Sales

The gun was recently licensed in Detroit. Sales are high in Cincy, Indiana and in West Michigan.

## 'Slugger' Selling

CHICAGO—Ted Rubey, president of Marvel Manufacturing Company, advised this past week that due to the heavy increase in arcade activity this season, sales of Marvel's "Slugger" counter skill baseball amusement game have increased.

He stated that amusement operators in many territories are discovering the low-cost game's money making potential.

# ANALYSIS OF FIRST QUARTERLY COIN MACHINE EXPORT VOLUME REPORT 1964

## GENERAL

Generally speaking, the first quarter totals forecast a \$52 million export business for this year and that is enough to make you sit up and take notice. Remember the \$20 million years when the soothsayers were stating that the export markets were saturated? \$13 million in business in three months is quite a feat. The lion's share of the music is new equipment of course. With four US factories grinding out equipment both here and in some cases, in overseas plants, it doesn't appear that the European manufacturers can ever get a foot in the door. Nothing is impossible however and it is doubtful that the US factories will sit back and relax. As a matter of fact, American models are being premiered here and in Europe, simultaneously. The pricing of used equipment is a science in itself. Some wholesalers can't move the merchandise at a price to compete and others seem to get top dollar on every shipment. Could it be the age-old adage that 'you get what you pay for' whether it's juke boxes or wash and wear suits? We think so.

## PHONOGRAPHS

A total \$5,203,687 for the Jan.-March period topped the comparable period last year by about \$1.5 million. Two thousand more juke boxes were shipped. The biggest user was Belgium, with West Germany second. Europe took \$5 million of the action. The smallest buyer? The Honduran who bought two machines from a wholesaler for \$350, according to the shipping report. The make? Who knows. At \$175 each does it make too much difference? That machine alongside what was premiered here this year would look like a Model T alongside an El Dorado. Japan continues with promise and the execs who ought to know see it as the comer in future years. The oriental swings, as they say, and the music machine industry is ready to swing with it. 95 million people are a lot of coins.

## AMUSEMENT MACHINES

A \$6,649,876 three-month total on games topped last year's figure by \$2.6 million—mucho pingames. Thanks to France, the leader, 3,833 machines were exported from US at an average of more than 1000 machines per month, and there's your basis for a \$12 million export year on games alone for 1964. Italy, just bubbling under at this time last year, zoomed to second place after buying 2,687 games for \$905,131, just short of the golden million-dollar mark. The experts expect the Italian mart to remain stable. Let's hope that it does. The UK, after dipping to about one half-million dollars last year, is moving back up the ladder toward the mil mark with an \$869,077 figure for the three months. Rulings in England out of the London Courts have been favorable toward gambling equipment. Evidently, the stringent restrictions which led toward very liberal operating procedures and then tightened up once again are returning to a more liberal policy which is closer to the norm. Belgium is sixth on the list for the first three months. This figure of \$436,936 should increase, based on Government rulings brought about by local tradesters and interested US firms. Uruguay bought a handful of games for \$700, thereby becoming the smallest importer of machines. Venezuela is moving up the line though and this market may blossom. This country is fast becoming an important juke box and games market once again, judging from current figures and renewed US interest. Japan, also increasing its amusement imports as well as jukes, bought more than 1000 games in three months from US shippers. The \$333 thousand cost put the country in seventh place for the first quarter. Look for big things here.

## VENDING

We've been watching vending imports in the past without too much attention being given to the European production, which is, after all, where the action is. However, in spite of the on-location manufacturing business, vending increased its shipments from here, finally going over the \$1 million mark while selling 4,664 units. That's about \$250 per unit average, so they aren't all peanut machines. Western Germany bought 765 of 'em for \$264 thousand while Canada brought up the rear with 1,276 units for which they paid \$313,317. In the 'small but meaningful' dept. Japan took 78 machines while Union of South Africa bought 43 machines at about \$200 apiece. And for the way-out dept. look for the news item in this issue which has Japan shipping a hot towel vendor to overseas marts. It ought to be really something.

## Stanley Uses Mobile Showroom To Reach Ops In Northwest Regions

MERCER ISLAND, WASHINGTON—The M. J. Stanley Company, Rock-Ola and 'Foosball' game distributors in this area, uses a Mobile Display Truck to show equipment in the hard-to-reach sections of the northwest here (pictures). President Mike Stanley recently returned from a ten-day trip aboard the two and one-half ton truck with good results.

The truck cost the firm \$10,000, is equipped with an automatic lift gate and a self-contained power unit. The forward section is encased in Armstrong cork and acoustical tile. Green carpeting covers the floor, sliding wardrobe doors separate the forward display section from the rear which is painted green. "The display mobile unit has enabled us to bring our entire showroom to operators who might not otherwise stop by, or more often than not do not stop by at frequent intervals because of the distance," said Stanley discussing the idea with Rock-Ola promotion head George Hincker, last week.

Stanley was recently appointed distributor for the L. T. Patterson European games line. He makes trips with Rock-Ola and Patterson equipment,

as well as parts and supplies, through Montana, Idaho and Washington, President Larry Patterson said that Stanley is the second largest 'Foosball' distributor in the country. "Much of the credit belongs to his aggressive selling techniques," said Patterson referring of course to the mobile unit.

## Sun Develops Simplified Kit For V-200, Model R Juke Boxes

FT. WORTH, TEXAS—Gus Sundman, President of Sun Refinishing Company, here, has announced that the firm's new mobile display truck has resulted in increased sales for the company.

The truck (pictured below) has double doors on each side permitting the display of two cabinets with no unpacking or unloading. Bill Moses, Sun's road sales representative, travels the southwestern area calling on operators in the territory.

The company sells refinishing kits and restyles cabinets on custom order as well. "We feel we have the answer to a greatly improved and simplified kit for the Seeburg V-200 and the Console R models," said Sundman during an interview with Cash Box last week. Sun sells kits throughout the nation and has developed foreign sales as well. The mobile unit is concentrating on the southwestern area in Texas at the moment.

## New Cigarette

Devon, king-size, menthol cigarettes, featuring the exclusive 3-piece Keith filter, are named after the famed county in England, one of the lushest and greenest in all Britain. Green is the color of peppermint, from which menthol is derived; the colors of the Devon package are green and white, with the filter material tinted a light green. The back of the pack (right) shows a cutaway diagram of the well-known Keith filter with this message: "In Devon, menthol blends with rich tobacco for a totally new taste—smoothed through two modern outer filters and an inner chamber of charcoal granules—a basic material science uses to purify air. These granules are activated and specially fortified to bring you the smoothest menthol you've ever tasted."

## Japanese Machine Vends Hot Towels

TOKYO—The variety of products vended from machines never seems to diminish but instead increases. The products from vending machines were increased by at least one last week when C. Itoh & Co., Osaka, Japan, marketed the 'Automatic Oshibori Dispenser' manufactured by Hara Electric Co., Ltd. The machine dispenses a hot towel for use before meals, a popular Japanese custom.

After inserting a coin, the push of a button vends a hot, cold, or dry towel. Itoh officials are expected to attempt to popularize the towel custom in foreign countries.

## Hunter College Names ABC For Concession

NEW YORK—ABC Consolidated Corporation, national food service management company, has been named vending concessionaire at Hunter College, New York City.

Jack Beresin, president of ABC Consolidated, said a three-year contract with the college begins June 29 and covers both its Manhattan and Bronx buildings which have a combined enrollment of 32,500 students. Banks of automatic vending machines will dispense a full line of items including soft drinks, ice cream, coffee, milk, candy, pastry, and cigarettes.

ABC Consolidated maintains a network of 59 food distribution centers in 24 states, the District of Columbia and Puerto Rico. Other major food concessions it now operates in the educational field include athletic stadiums at the University of Pennsylvania, Philadelphia; University of Toledo, Toledo, Ohio; University of Maryland, College Park, Md.; Ohio State University, Columbus, Ohio; and West Virginia University, Morgantown, W. Va.

## NAC To Meet With TONE

CHICAGO—The National Association of Concessionaires will combine its Eastern Regional Conference this year with the annual convention of the Theatre Owners of New England in Plymouth, Mass., August 24-26 at the Mayflower Hotel, it was announced by Edward S. Redstone, NAC President.

"With NAC joining TONE in their convention this year it is anticipated that the attendance will be appreciably increased due to the large NAC membership concentration in the state of New York," said Redstone.

Jack O'Brien, NAC second vice-president, who is also Chairman of NAC regional meetings and Irving Shapiro, NAC regional vice-president are in charge of arrangements and program planning for NAC.

## ARA Elects 3 Vice Presidents

RHOADES

MATHER

KIERNAN

PHILADELPHIA—Carl A. Rhoades, DeWitt V. Kiernan and Richard W. Mather, regional general managers of ARA Slater School and College Services, have been elected corporate vice presidents of the parent company, Automatic Retailers of America, Inc.

In addition to school and college dining programs, ARA provides food and vending services to business offices, industrial plants, hospitals, retirement homes and government installations in 40 states and Puerto Rico.

Rhoades, Kiernan and Mather were vice presidents of Slater Food Service Management when that company joined ARA in 1961. Rhoades now heads the Eastern School and College Region with offices in Baltimore. Kiernan directs Southern Region activities from Atlanta, and Mather, with headquarters in Chicago, is responsible for Midwest Region operations. Together, they direct service to 160 educational clients in 28 states and Puerto Rico.

Rhoades, a graduate of Aristocrat Cooking School, has had experience in virtually every phase of food service. In addition to managing various types of services, Rhoades has planned and supervised the installation of large culinary departments. He has also been a food service instructor. He joined Slater as a cafeteria manager in 1943.

Kiernan served as food service officer during World War II and attained the rank of major. Later as a foreign service staff officer, he was responsible for providing food, recreation and housing for the U. S. High Commissioner's Office in Germany. A graduate of King's College, Windsor, Ont., he joined Slater in 1954.

Mather, a graduate of Cornell University School of Hotel Administration, served as a food service officer in the U. S. Air Force during World War II and the Korean War. He had worked for several restaurant and hotel chains before joining Slater in 1954.

## Dynamic Vending Firm Gets Award

NEW YORK—Dynamic Vending Corporation has received the President's "E" Award for Export Excellence for having "established 'made in U.S.A.' coin-operated machines as part of the daily life of millions of Europeans."

Ernst D. Bechhofer, Dynamic vice president, accepted the award today from Arthur C. Rutzen, director of the New York field office of the U.S. Department of Commerce, at a luncheon of the International Executives Association.

Dynamic, whose sole business is the exporting of commercial and domestic appliances and related products manufactured in the United States, expects to report a record \$3 million volume for the year ended March 31, 1964. The award, consisting of a pennant, pins and certificate signed by Secretary of Commerce Luther H. Hodges, is awarded "for outstanding or noteworthy contributions to the Government's export expansion program."

Bechhofer reported that the company built the first coin-operated dry cleaning and laundry center in Europe and will build South America's first such center in July. It is the leading distributor of this equipment abroad.

In addition, it is the foremost commercial refrigeration and restaurant equipment distributor in Puerto Rico, and one of the major distributors of soft drink dispensers in Germany.

The certificate Dynamic received reads, "Aided by a skillfully conceived and energetic marketing program, Dynamic Vending Corporation has established 'made in U.S.A.' coin-operated machines as part of the daily life of millions of Europeans. Realistic marketing surveys and credit plans, and imaginative promotional activities have supplied a material part in increasing the corporation's exports. The success of these efforts reflects credit on the management, the employees, and the free enterprise system which constitutes an important contribution to the Export Expansion Program of the United States."

NRI has designed a new coinage unit (CB June 20) Model 10-18-000 series for coin-op car washers. Unit accepts nickels, dimes, quarters in any combination to maximum \$1.50. Vends at single settable price or multiple prices to allow for variety of rates in line with promotions, weekend rates, etc. Details appeared in June 20 Cash Box.

## Set A.T.E. Show Dates

LONDON—The dates have been announced for the 1965 Amusement Trades Exhibition—Europe's major coin machine event of the year, opening on Tuesday, January 25th, 1965. The Exhibition will run through to January 28th. The news that once again the event will take place within the limited confines of the New Royal Horticultural Hall, Westminster, will undoubtedly be received with disappointment in many quarters. Mr. John Singleton, Secretary and General Manager of the A.T.E. Board of Directors told the Cash Box, "... the decision was not a very easy one to reach for the Board is all too well aware of the difficulty and inconvenience arising from the fact that the present hall is too small to hold comfortably all who would like to have space. Indeed, had there been a really suitable alternative available, it would have been accepted without question. The sad truth is, however, that we simply cannot find any other premises which would fully meet the many and varied needs of all interested parties. As it happens the only alternative hall that is available in London for the 1965 show is in the outer suburbs and difficult to reach either by public transport or private car." In this respect Singleton pointed out that the A.T.E., besides being an Exhibition, is also an important social occasion for a large proportion of the visitors, especially those who come from the Provinces. It is therefore desirable that the chosen venue is situated as near as possible to the attractions of the west end. It was with this in mind that the Board finally came to the conclusion that, for the time being, the Exhibition must remain at the Royal Horticultural Hall. Notwithstanding the decision, the Board is still considering whether it would be possible, by some different method of allocating space, to ease the pressure, possibly by reducing the amount of duplication that is inevitable. Another suggestion that has been received by the Board is that the event should revert to the pre-War practice of confining the exhibits exclusively to new equipment. However, nowadays, the increasing demand for good-class re-conditioned equipment makes it difficult for the Board to exclude it arbitrarily from the Exhibition. Nevertheless, the suggestion is being considered.

Various types of news was made here recently and much of it effected operators in this section of the country.

As a starter, the Celler Bill came closer to the precipice which leads to music operator royalty payments when Congressmen Celler and Willis both entered length statements for the proponents of the bill (ASCAP, BMI and SESAC). A postponement at the eleventh hour came before the opposition could have its say. NYC and upstate coinmen did manage—via telephone—to prompt enough rebuttal from the constituents of Rep. Katherine St. George to result in a formal news release stating that the Congresswoman is vehemently opposed to the proposal. Al Denver to Millie McCarthy to Lou Werner and an assorted group of upstate coinmen was the way in which the move was played. The Washington, DC end of the phone line was never hotter.

Seeburg introduced its new machine and Atlantic used the Holiday Inn meeting place of MONY as a launching pad for the juke box that flashes a light and gives the player a Little LP for half-price. Showings were also held all week long at the Atlantic showrooms and everyone's awaiting the outcome of this radically new innovation. The new model is out on dozens of locations and early reports are encouraging. Bill Prutting, Seeburg exec who is credited with the basic idea, missed the excitement of a premiere. Before the shows were held, he was on his way to Europe for more goals to conquer.

The New York music operators probably have one of the finest location contracts in the industry. Nevertheless, the insertion of additional clauses which amount to about three and one-half typewritten pages of single spaced type, will make it even stronger. First off, the Cinebox and Scopitone machines, which are now in the process of being introduced throughout the country, with some music ops participating in the pioneering, will meet with opposition on location once a new clause goes into the MONY contract. Just as live music curtails play on a juke box, MONY execs claim that the same thing happens when an audio-visual machine is installed. Besides, they claim that since it is a coin-operated amusement machine they, the operators, should be entitled to operating it, if and when it is decided that this type equipment is desired. Actually, when you consider that the contract already prohibits another music operator from placing a machine, it is merely an extension of the present contract ruling. However, it is a long range move which Al Denver and Attorney Teddy Blatt feel is necessary for the protection of members.

The Credit Bureau idea, whereby ops who have been stuck with bad risk locations, notify MONY and have a card file on the losers in this town, may fall apart. Reason: lack of operator participation. If you feel that you'd like MONY to have a list of bad credit risks on file, at your disposal, in the event you decide to make a deal with a location, call Ben Chicofsky at CI 5-7550 and tell him you'll cooperate.

After almost four years of pioneering the 33-rpm speed record and eventually the Little LP, Seeburg's results have prompted Columbia Records to go into a nationwide program producing Little LP's not only for Seeburg outlets but for Columbia's distributors and of course, the one-stops. It is rumored that RCA Victor will follow and then you can expect the record industry to at last take cognizance of one of the facts of juke box operating life. You need LP artists on juke boxes. This is one way of getting them. Every juke box plays 45-33 rpm disks today and they all offer stereo. Eventually, look for every label producing LP material to press special disks for the juke box operator.

Is it news when Carl Pavesi is re-elected President of the Westchester Operators Guild? Since 1950, the man who headed this newly organized association, has remained its President. Now in his 15th year of service to the operators in Westchester County, we can only say to Carl: Congratulations! (for the 15th time!) Harold Rosenberg is VP Sec; Lou Tartaglia, Treasurer. Seymour Pollak, Eddie Goldberg, Herb Chacon, and Walter Swanson, all elected to the Board. The election took place at the Roger Smith Hotel in White Plains.

Speaking of Westchester ops, several were stricken with food poisoning two weeks ago when they joined the Tartaglias at a Wedding Reception for a friend. Evidently the caterer got his chopped liver mixed up and the result was a sick group of ops. Nothing serious, though.

Irving Holzman's wife Ruth is recuperating. . . . Al Simon putting in a long day these days trying to keep Art Daddis' U.S. Billiards road orders filled. . . . Good luck to Clayton Nemeroff on his new appointment with the Irving Kaye firm. . . . Howard Kaye back from a Northern Maine hunting-fishing trip with a few stories right out of Field & Stream. First Coin closed its doors on public notice two weeks ago. . . . Sam Stern's closing the Williams plant for a vacation next week. . . . "Ask Al Simon, he'll tell you," adds Ralph. . . . Joe Nemish, Duncan Sales head, tells us that he's awaiting license on the 'Arizona' gun which Abe Lipsky will distribute once its approved. We goofed. It costs \$50.00 (which ain't bad for a 'nerve-tester'). And that's what it is. . . . Guess who breezed into our London offices? Mr. and Mrs. Larry Feigenbaum, of the Albert Simon Inc. firm, of course. They impressed our London man Neville Marten who is not easily impressed. # Chicago Chatter

Coin biz is beginning to feel the summer "bug" with plans already being set for vacation schedules in some of the factories. The only definite vacation schedule starting this week is at Williams Electronic Mfg. Corp. Although the Williams plant will be shuttered for the vacation hiatus, from June 26 thru July 13, part of the office staff will be on duty. Sales vice prexy Jack Mittel expects to be available in his office throughout the entire vacation period.

A revolving table display with a new Seeburg model LP 480 phono was the center attraction at World Wide Distribs' two-day showing, Tuesday and Wednesday, June 16 & 17, in the firm's showrooms. Seeburg execs popped in regularly during both days. During our visit there we chatted with Seeburg's Bob Dunlap, Stan Jarocki and Dan Sullivan. Harold Schwartz, director of World Wide's music division was the official greeter, along with Nate Feinstein, Irv Ovitz, Fred Skor, Howie Freer and Art Wood. We also chatted with Eve Feinstein and Dorothy Cairns (natch!).

Nate Victor and his staff at S. L. London Music Co. in Milwaukee held their showing of the new Seeburg phono last Sunday, June 11 in the firm's showrooms. . . . Harold Lieberman and Lou Rubin have tentatively set June 23 & 24 as showing dates at Lieberman Music Co. in Minneapolis.

It's still a "mad world" at Bally Mfg. Co., with the popular amusement game still enjoying fine acceptance everywhere, according to Herb Jones.

The pretty gal handling the switchboard at Atlas Music these days is Eddie Ginsburg's daughter, Joan, who's in for vacation from her university studies. The excitement is mounting at Atlas in anticipation of the big, gala anniversary outing, July 10, at the Pheasant Run Lodge & Country Club.

MOA's Fred Granger infos that he has a signed contract for exhibit space from Jerry K. Stein, of Protocision Engineering Co. in Detroit.

While Empire Coin owner Gil Kitt is still dashing about the European Continent calling on the trade vice prexy Joe Robbins, Jack Burns, and Bill Milner are catching the sales brunt on the telephones.

Very much on the scene in Omaha recently for the big C.O.I.N. conclave were Wurlitzer's Bert Davidson, midwest regional manager; and C. B. Ross, director of Field Engineering Services. Davidson departed this week to call on Wurlitzer's distribs in Cincy and Columbus, Ohio.

The big GOP political hassle has its lighter side. T'other day when MOA brass lunched in the Celtic Lounge of the Sherman with NCMDA's Jack Bess and Bob Slifer, and the press, many of the guests in the dining room were shocked when Barry Goldwater look-alike Harry Snodgrass strolled in with his "entourage". To heighten the excitement photog Joe Gino snapped several photos—and, that's when the autograph seekers wanted "Sen. Goldwater's" autograph. Footnote: Harry and his guests came through the ordeal in fine style.

We chatted last week with Bob MacGregor and Paul Huebsch of Rowe AC Mfg., and they advised that the big exec move to the Whippany plant in New Jersey is proceeding well.

MOA Prexy Lou Casola has been a very active missionary of late trying to instill some action among music operators to help combat the Celler Bill. His next address on the subject will be delivered to Illinois operators during the ICMOA meet in the Morrison Hotel on Sunday, June 28. He sez he'll mince no words in spelling it out. . . . Fred Granger informed that more space is available for prospective exhibitors for the forthcoming MOA Convention. Due to heavy demand MOA officials met with the Sherman Hotel staff to arrange for more space on the exhibit floor.

When Jack Bess was in Windy City last week to attend the Moose Convention, Jack, a dedicated Moose official for many years was elevated to Grand North Moose, of the Supreme Lodge of the World Loyal Order.

According to latest reports from the Gottlieb family the \$800,000 fund drive for further expansion of patient care facilities at the Gottlieb Memorial Hospital in Melrose Park is proceeding well. The entire family, which spearheaded the drive with a \$200,000 starter, is dedicated to this institution.

Bill DeSelm, of United Mfg. Co., tells us "Thunder" big ball bowler is enjoying a lot of sales activity all over this country.

The big seller at Chicago Dynamic Industries this week, according to Mort Secore and Ralph Wyckoff, is ChiCoin's "Bronco" 2-player pingame. . . . When we were in Omaha for the recent COIN trade show we wiled away many hours chatting with Sol Lipkin, sales manager of American Shuffleboard Co.

Since Midway's "Trophy Gun" was introduced recently sales have been mushrooming. Hank Ross and Marcine Wolverton advise that the gun should enjoy a long and prosperous run in all markets.

George Hincker tells us most of the execs are in this week at the Rock-Ola Mfg. Corp. plant. The action on "Grand Prix" phono and "Caravelle" cigarette vendor are holding up firmly everywhere. . . . Leo Buntman, director of the Amusement Trades Division of the Combined Jewish Appeal, infos that donations are pouring in from all segments, and the coin machine group is more than holding its own.

# LONDON NEWS

## Betting-Gaming Revisions

LONDON—The Betting, Gaming and Lotteries (Amusements with prizes) Bill to amend the present gaming laws in relation to automatic machines operated in public places such as arcades, shops, cafes, restaurants and public houses under permits issued by Local Authorities is expected to receive the final approval of the House of Commons on the 26th of June. Although it will still have to go before the House of Lords, this is considered to be little more than a formality and the Bill is expected to become law within the next few weeks. Under the present law, although there is a limit of 1/- on cash prizes but no limit at all on the value of prizes that may be given in kind, there has been a considerable amount of criticism in certain quarters that the values of prizes were getting higher and higher. Many public houses, for instance, were offering top prizes of bottles of whisky (with the current price of \$6.20). The main purpose of the Amending Bill is to impose a limit on the value of prizes in kind. This was originally fixed at the ridiculously low level of 1/-. However, as a result of representations by the Trade Organisations the Government has been persuaded to increase this to 5/-. Although not as much as operators would have liked, it is generally agreed that the increase is fairly reasonable. Another purpose of the Bill is to give Local Authorities wider plans of discretion in refusing to grant permits in cases where it is considered inadvisable to allow the installation of machines. They will also be given power for the first time to limit the number of machines to be installed in certain types of premises.

## British Pubs Take To 'Jupiter'

LONDON—Cyril Shack, Managing Director of Phonographic Equipment Limited, very active in the low price juke box market, envisages a swing towards Console models for better type locations. In this respect the latest Seeburg machines are in great demand. Phonographic also report fantastic sales for the French manufactured Jupiter box—with sales exceeding 600 units. A rapidly expanding market both for juke boxes and games is the British 'pub.' The big brewers are beginning to realise the importance of music as an accompaniment to drinking and a means of attracting customers of the twenty-thirty age group into bars. Phonographic are now installing 16' and 30' bowlers (United Bowlers) into public house locations, although the problem here is still one of space. Shack also reports that, in the near future, his Company will be entering the vending field and is negotiating British distribution rights with leading American vending manufacturers. He points out that he is interested only in American equipment as they are the acknowledged leaders in this particular field.

## 100 Rock-Olas Monthly

LONDON—Gordon Walker of Messrs. Ruffler and Walker reports tremendous demand for the six Rock-Ola models with orders steadily mounting week after week. The greatest interest is centered around the new Grand Prix 160 play prestige stereo-monaural phonograph (model 425) with 7" LP feature. Rock-Ola Grand Prix and Rhapsody sales have been running in excess of 100 units each month for more than a year; over one thousand units annually as verified by chartered accountants. It is predicted that, within the next twelve months, sales may be doubled to reach an annual total of two thousand units. The new interest and demand for Rock-Ola instruments has prompted the Rock-Ola factory to plan for quickly expanded production. Increased output will speedily be channelled to Ruffler and Walker, sole importers and distributors for the United Kingdom. Unusual efforts are being made to give would-be buyers early delivery.

### London Court Rules Fruits Are Amusements

LONDON—A recent development of great importance to machine operators in Great Britain was the successful outcome of an appeal heard at Bradford a few weeks ago. Earlier in the year operators in the town had been convicted and fined for operating fruit machines in various premises in the town, mainly cafes and public houses, the magistrates holding that fruit machines were not 'amusements' and could not therefore be operated in public. Had this decision been confirmed it could have had dire consequences for the whole trade. Fortunately, however, it was overruled on appeal, a Quarter Sessions Chairman holding that fruit machines were 'amusements' within the meaning of the Act and that they could therefore be operated quite legally in premises for which the necessary permit had been granted by the local Council.
