Demo: Watch the Cameo, Biographies (ending stories), and Battle Play for the current Fighter One. Choose Chop-Chop to play “Test Your Might” with the currently selected fighters. Choose Medal to see a pre-match screen for a two-player game using the area and fighters currently selected. Press A, B, or C to begin the demo.

Flag 0: Player Two loses round after being hit once (except Goro, who will only be weakened in the second and third round).

Flag 1: Player 1 loses round after one hit.

Flag 2: Go to Reptile! You’ll see all the different silhouettes that go across the moon. Once this option is activated, you must defeat your opponent at the Pit with a Double Flawless and a Fatality, and then you’ll fight Reptile.

Flag 3: Choose the Pit as your first map background. The initials BYC and a bouncing face scroll across the Pit’s moon. This works only if you choose the Pit for your first background.

Flag 4: This makes the Reptile clue messages appear before every match. It also weakens your opponent in the second and third rounds.

Flag 5: Unlimited continues

Flag 6: CPU fighters always execute Fatalities.

Flag 7: Fight tougher opponents in the Courtyard.

Blood: Turns the blood on and off.

Cheat: Turns the Cheat Mode on and off.

1st Map: Choose the first background for your fight.
