

THE CASH BOX

VOLUME 12, NUMBER 28

APRIL 7, 1951

Tennessee Ernie, whose Capitol waxing of "Shot Gun Boogie" has been hitting the gold dust trail in Country and Western circles, has very little reason to be as frightened of the thing as he appears here. Ernie, who has had a phenomenal rise to the top of the recording ladder, was snapped in *The Cash Box* room at the MOA convention, recently held at the Palmer House in Chicago. With personal appearances, television shots and recording dates keeping him hopping, he and his manager, Cliffie Stone, are having a busy time of it these days.

▶ **WONDERFUL TO LOOK AT**
▶ **GRAND TO LISTEN TO**
▶ **EASY TO SERVICE**

"The new 48-Selection, All-Speed Wurlitzer wowed me. They're wonderful to look at, grand to listen to, easy to service. What really got me were 48 selections and that 30-second changeover from 78 to 45 RPM records. I can go to town with the Wurlitzer Fourteen Hundred."

PLAYS
ALL-SPEED
RECORDS

The fabulous new Wurlitzer Fourteen Hundred plays all speed records—on *one* phonograph—with a 30-second changeover from 78 to 45 or 33½ RPM.

No wonder operators are asking themselves, "Why buy two when one will do?"

And *what* it will do is amazing. Early returns on the first Fourteen Hundreds to go on location indicate that the public is giving them tremendous play.

*Exclusively
and
Confidentially
Yours...*

The Cash Box is exclusively and confidentially yours.

It's the one weekly publication that is devoted to but one idea. One thought. One purpose. And that is how to help you, in this coin operated machines industry exclusively, to better yourself, so that this will, in due course, become a better, more progressive, and more prosperous industry for all concerned.

The Cash Box devotes itself to this one purpose because it sincerely believes that there is a definite need for stimulating entertainment. Especially at this time, with war nerves becoming part and parcel of everyone's future, and most emphasized in the future of America's youth.

Entertainment that stimulates, and that is, at the very same time, extremely economical, has a most definite place in the picture of this nation.

There are no greater business stimulators for the average American merchant than the coin operated entertainment machines being originated, designed and constructed in this nation. These machines have helped thousands on

thousands of retailers, everywhere in the country, to enjoy better business. In fact, to continue in business, in a great many instances.

The music of the juke box (over 550,000 of them in the United States alone) has been of inestimable value to the nation's storekeepers. They have turned drug stores and ice cream parlors into gathering places for the youth of the nation where youth could, under good supervision, enjoy the popular music of the type it best liked.

They have turned taverns and country stores, and dozens on dozens of other retail locations, into better businesses for their owners, and have proved to be the places where Mr. and Mrs. America could relax to enjoy the old and new music which has made the songs of this nation so internationally popular.

These are places for people to relax. These are places for people to enjoy the fraternity of neighbors. These are better business places because of coin operated entertainment.

As definite business stimulators, everyone of the nation's retail merchants will agree that nothing, absolutely nothing, equals coin operated entertainment in its many forms.

This is entertainment that holds the customer and that causes him to become more fond of the establishment. This is the entertainment, therefore, that creates and betters business. And that, today, is extremely important in the future growth and welfare of American business.

But, that isn't all. Because of war nerves. Because of anxiety. Because of problems that arise every minute of the day, people desperately want relaxation and entertainment, but, don't want it at the cost of necessities.

The economical cost of coin operated entertainment remains unequalled in all the entertainment history of this nation.

Yes, *The Cash Box* is exclusively and confidentially yours, because *The Cash Box* believes that this is one industry that will remain necessary entertainment for America's millions of peoples as well as America's business men.

And, therefore, to continue to discuss this industry between ourselves only, within the bounds and limits of this industry, *The Cash Box* will remain . . . *exclusively and confidentially yours!*

THE CASH BOX covers the coin operated machines industry, and all allied to this industry in any fashion whatsoever, throughout the United States, Canada, Central and South America, Africa, Japan, Hawaii, Philippine Islands, and other Asiatic and Pacific countries, as well as certain European nations. *The Cash Box* is on hand at various American consular offices throughout the world. This coverage includes operators, jobbers, distributors and manufacturers and all allied to:—automatic coin operated music equipment; automatic coin operated vending and service machines; as well as coin operated amusement equipment; in all divisions. The music and record fields, recording artists, publishers of music, disc jockeys, radio stations, and all others in any fashion identified with, or allied to, the coin operated music machines industry are completely covered. Manufacturers and distributors

of various merchandise, parts, supplies, components and all materials used in the coin operated vending, music and amusement fields are covered by *The Cash Box*. Banks, finance firms, loan organizations and other financial institutions, expressly interested in the financing of coin operated machines of all types, are covered by *The Cash Box*.

THE CASH BOX IS RECOGNIZED by various associations of coin machine operators throughout the United States as their "official" weekly magazine.

"THE CONFIDENTIAL PRICE LISTS"

"*The Confidential Price Lists*" are the one and only officially recognized price guide of all new and used machines in the United States. "*The Confidential Price Lists*" are an exclusive, copyrighted feature of *The Cash Box*. "*The Confidential Price Lists*" report each week's low and high prices for all new and used coin operated machines, regardless of age, listing all market changes, and continually adding on all the new equipment as this equipment is announced to the industry. "*The Confidential Price Lists*" are recognized by many cities and states throughout the country as the "official price book of the coin operated machines industry". They are an integral part of *The Cash Box* and appear in each week's issue. "*The Confidential Price Lists*" are officially used in the settlement of estates, for buying, selling and trading of all coin operated equipment, and are also officially recognized for taxation purposes. "*The Confidential Price Lists*" are used by finance firms, factors, loan companies, bankers and other financial institutions to guide them in making loans to members of the coin operated machines industry. They have been legally recognized in courts throughout the United States and Canada. "*The Confidential Price Lists*" have been acclaimed by the coin operated machines industry. Entire business transactions and legal cases are based upon the quotations appearing in "*The Confidential Price Lists*".

BOOM PLAY AHEAD

Gradually the nation's operators are beginning to realize the predictions which have been made here these past months. All indications point to one of the biggest play booms in the history of this industry.

As the facts becoming ever more apparent; that there will be a 65,000,000 and even more—workingman and workingwoman army, in addition to a military force of almost 4,000,000 by the end of the year, the biggest play boom becomes ever more certain.

Already in many defense areas, operators report constantly rising collections. And, as they state, this is but the beginning, for more workers are flocking into the area.

Already there is a manpower search under way to assure the new numbers needed to carry out the big all out defense work program which the Federal Government is gradually getting started.

As in World War II, when the military, as well as the war workers jammed into their favorite spots, this is already becoming more noticeable in those areas where defense work is getting well under way and growing bigger as each day passes.

This means, of course, that in the nation's "workingman's clubs," the local taverns, restaurants, drug stores, lunch wagons, and other meeting places of Mr. and Mrs. Worker, play will again zoom to unprecedented heights. Ops will be hard put to continue to handle whatever of these locations they now have.

Of course, with this play boom, much shifting about will result. Neighborhoods, which now hold the major number of machines, may change over into other places in the community, closer to the war workers.

Every operator is alerted to this fact. This publication has warned ops to be prepared to quickly switch machines. There is no doubt that many small businesses are going to be forced to close for lack of merchandise to sell. This will darken off many business sections, now considered among the best coin operated machines locations. But new locations will result.

In turn, of course, businesses will move closer to the defense workers' areas. New locations will come into being which will help zoom collections to new high peaks. These are the spots to which the average operator must be alerted. He must be prepared to switch over to these locations quickly.

One great advantage which this industry holds over every other of the entertainment industries, is the fact that the relaxing play of the machines of this industry are, in themselves, the greatest morale builders Uncle Sam has at this time.

Furthermore, the cost of play is so economical that the average working man and his wife are never in a position where they cannot afford to play one of the games and, at the same time, enjoy the music of the automatic phonograph in the location.

The economical, relaxing and stimulating play of the coin operated machines located in the average "workingman's club" sends workers back to their jobs feeling fresher, more relaxed, and better able to do the work at which they are expected to spend longer and more taxing hours than ever before.

All this is part and parcel of the big play boom which is ahead for the industry. The fact that this business is so portable, makes it possible to follow the work areas, and boom along with the sudden flow of spending which is bound to take place when worker's envelopes become ever more swollen from overtime pay and hiked wages.

Nor is the workingman averse to the juke boxes, games and vending machines of this industry. He realizes that for a few coins he is most completely entertained. Other entertainment fields cannot boast of such economy.

The fact remains, then, that the products of this field will be among the finest morale boosters for the benefit of the nation, just as they were during World War II.

Here, then, as the big play boom gradually gets under way, is many a problem facing the average operator. Among the most important

is to remember to keep equipment looking neat and clean, and always in perfect working order, so that the after-the-war play will continue just as great, for people will long remember neatness, cleanliness, and mechanical perfection.

In addition, the average operator must, as the boom gets going, enter into every possible effort to help bring victory to Uncle Sam. He must join in the bond drives and have his equipment feature these drives. He must help wherever and whenever possible to bring about a closer unity, so that this nation will go ahead, and prepare itself so much more rapidly.

He will be, because of his equipment, one of the mainstays in many of his community's efforts to help the defense effort and, therefore, he must now prepare to do good for tomorrow.

The big play boom that is getting under way also poses a great problem for the average operator in maintaining and preserving his equipment.

It will pay every operator to think about, study and test 10c play. There is no doubt that there will be just as many 10c players, eventually, as there are now 5c players.

Even if the 10c players are somewhat less in number than the 5c players were, the operator is still better off. Not only will he earn more, but, he will preserve his equipment for so much longer a period of time.

Many other problems may also come about. A dozen and one things that came into being during World War II. But, there is no doubt, that the operators are sure to overcome one and all of the problems as they arise.

Therefore, the operator must prepare himself immediately, if he hasn't already done so, to enjoy one of the greatest play booms this industry has ever had.

Only by being completely prepared with equipment, parts and supplies, good mechanics and servicemen, can he really enjoy the boom, and profit therefrom.

Record Reviews

Only Records Considered Best Suited To The Requirements Of The Trade Are Reviewed On These Pages.

"MY MOM" (2:47)

"PRAY FOR ME" (2:48)

DICK BROWN
(Jubilee 4020)

● A grand oldie is taken to town on the top half by Dick Brown. Turning in his usual sock vocal, Dick has Hal Kanner and his orchestra to back him up on this sentimental piece. Lower half mixes religious overtones with romance and finds Dick doing another good job. This should get a play.

"GREEK BOLERO" (2:56)

"CO-CO-COCONUT" (3:05)

XAVIER CUGAT ORCH.
(Columbia 39256)

● A very melodic bolero makes up the Xavier Cugat offering on the top deck. Cugat and his band make this item sound quite exciting. On the second side, Abbe Lane goes into a rumba, singing out the lyrics in pleasant fashion. Ops whose customers are Cugat fans won't want to miss it.

"ZOOMA, ZOOMA BACALLA" (2:50)

"GOOD-BOOGDI-GOOGI" (2:56)

LOUIS PRIMA ORCH.
(Robin Hood 106)

● Louis Prima and Keely Smith join up to go through an old Italian number. They make it the familiar melody good to hear again while the band comes in for some loud licks. The lower half finds Louis going it alone in his well known style. The top deck could kick off.

"RAMONA" (2:54)

"STRINGBEAN" (2:37)

TEDDY PHILLIPS ORCH.
(London 976)

● Teddy Phillips and his orchestra have two instrumentals to toss around here and they certainly make them worth listening to. Teddy comes up with a sax solo on each end which sound very smooth. With the boys in the band backing him up, there's some fine music to hear on this disk.

"HOW CAN I LEAVE YOU?" (2:54)

"SO GOES MY HEART" (2:48)

VERA LYNN
(London 938)

● Vera Lynn, the English thrush, shows off her grand voice with two ballads here. Both are slow items on which she gets a good assist from Bob Farnon's orchestra and a wonderful chorus. Each end shows a fine production an dops oughta hear it for themselves.

"TAKE TIME TO PRAY" (3:02)

"WHERE THE RED ROSES GROW"
(3:00)

LORRY RAINE
(London 998)

● A religious type tune is sung on the upper level by Lorry Raine. Taking this one very easy and slow, Lorry does a nice job with it. On the lower end, she teams up with herself in the current style and again it comes out ok. Lorry has been turning out some swell disks and this is another one.

DISK OF THE WEEK

"METRO POLKA" (2:53)

"THE JALOPY SONG" (2:52)

FRANKIE LAINE
(Mercury 5581; 5581 x 45)

FRANKIE LAINE

● Frankie Laine has another winner on the top deck. Taking the current item, "Metro Polka", Frankie gives it one of his vibrant interpretations and makes certain that it will be a big thing. Ops should get started with it right away to get

all that they can out of it for it's a novelty that's gonna flare up fast. With Carl Fischer leading the orchestra, Frankie is assured of a first rate musical backing and he certainly makes the most of it. The chorus joins in to help sustain the happy feeling and the net result is a disk which is sure to pull those coins into the machines. The lower end too has great appeal. Another novelty, "The Jalopy Song", it has a charm of its own which could easily gain a place for it. On this one, Harry Geller leads the orchestra while Frankie makes with the words. The top deck is a sure winner and ops are advised to rush right in.

"DID YOU WRITE A LETTER TO YOUR SWEETHEART?" (2:27)

"CRYING JUST FOR YOU" (2:35)

JIMMY WAKELY
(Capitol 1472; F-1472)

● Jimmy Wakely turns in another good vocal on a sentimental ballad. Backed up by a chorus, Jimmy gets some fine feeling into this and makes it a winning item. The lower end is another ballad which he performs with the help of the chorus. Ops who know Jimmy's drawing power will want to take a look at this.

"HEAVEN HELP ME" (2:16)

"HURRY HOME TO ME" (2:10)

AL MARTINO
(Jubilee 4027)

● A singer with a lot of promise, Al Martino, shows up on this platter and makes with some good music. The top deck is a rhythmic item on which Hal Kanner's orchestra helps out while the bottom side is a ballad which also is good to hear. Ops should take a listen to this boy.

"GOODBYE G. I. AL" (2:58)

"GET YOUR PAPER" (2:55)

EDDIE FISHER
(RCA Victor 20-4100; 47-4100)

● A tribute to Al Jolson is offered here by Eddie Fisher. Singing the lyrics to this meaningful tune with lots of feeling, Al gets a wonderful assist from Hugo Winterhalter's orchestra and chorus. The flip is part of an act Eddie's been using and it comes out out well on wax. This one should go over big in the boxes.

"THE LAST ROUNDUP" (3:17)

"WISHING YOU WERE HERE TONIGHT" (3:00)

FOUR TUNES
(RCA Victor 20-4102; 47-4102)

● The smooth harmonizing group, the Four Tunes, have a couple of numbers on this platter which sound very attractive. The first side is a jumpy version of an oldie done in the style of a vocal solo with the rest of the group joining in. The lower half is done in similar style and again comes out good. Ops will want to hear this.

"YOU ARE THE ONE" (3:14)

"MY LOST MELODY" (3:03)

HENRI RENE ORCH.
(RCA Victor 20-4101; 47-4101)

● Two big orchestrations are turned out here by Henri Rene and the orchestra. The upper level is a lovely melody which the orchestra brings out in grand fashion. The bottom side gets a vocal from April Stevens which makes it a winning number too. Ops oughta listen in.

"JALOUSIE" (2:44)

"ESTRALLITA" (3:04)

KORLA PANDIT
(Vita 204)

● Korla Pandit plays two standards on the organ here and makes them both sound very inviting. On each side he shows some fine musicianship and a type of playing which should gain him many fans. Ops who have the proper spots, i.e. the quiet ones, will want to go along with this.

"PRETTY LITTLE BELLS" (2:19)

"ARE YOU SINCERE?" (2:50)

BENNY STRONG
(Capitol 1462; F-1462)

● A cute novelty is given some good treatment by Benny Strong and the orchestra. Benny does the vocal on this number and imparts a happy feeling to it. The second side is a slow ballad on which the band and the chorus come along. This one will do fine as a filler item.

"WHO'S SORRY NOW?" (2:15)

"BESIDE YOU" (2:53)

DEAN MARTIN
(Capitol 1458; F-1458)

● Dean Martin has his own version of an oldie on the upper level. Backed up by Lou Busch's orchestra, Dean gets a rhythmic beat into this. The second half has a Latin American rhythm and again Lou Busch does the orchestrating. Ops might take a listen.

"I'M GETTING SENTIMENTAL OVER YOU" (2:58)

"HE DIDN'T ASK ME" (3:04)

HELEN O'CONNELL
(Capitol 1459; F-1459)

● Doing it very slowly and deliberately, Helen O'Connell, sings an old standard on the top deck. With Harold Mooney's orchestra in the background, Helen comes through ok. The bottom half is a novelty with some cute lyrics which she delivers well. Ops will want to take a peek.

"HAPPINESS" (2:18)

"HERE COMES MY BALL AND CHAIN" (1:41)

PAUL NEIGHBORS
(Capitol 1461; F-1461)

● A very happy sounding calypso type tune shows up here done by Paul Neighbors' orchestra. Paul offers a light hearted vocal on it and the number may develop into something big. The lower level has a jumpy item, a fast novelty. Ops oughta keep their eye on the top deck.

BEST BETS

CHICAGO:

While MOA show was going on, George Miller and other executives present received phone calls to fly to various places and speak on behalf of 10c play. Everyday more and more cities are switching from nickel to dime play, an idea originally suggested by The Cash Box in 1943. (Thanks for your many wonderful letters of commendation.) . . . David Le Winter of Pump Room fame getting more tied up with TV since clicking strong on morning show. . . . Deejay John McCormick going greater than ever on WJJD. His new show from the Vine Gardens getting lots of praise. . . . Woody Herman ork at the Edgewater Beach is tailor made for the younger set of dance fans who flock there nightly. . . . Flip Phillips and Bill Harris really rate the terrific applause they're getting at the Hi-Note. . . . Chester Conn of Bregman, Voceo & Conn in town for a quick looksee. . . . Joe Bennett of the same firm is back on the job after a long illness and rarin' to go. . . . Eddy Howard at his old stompin' grounds, The Aragon, and how those Northsiders love him. . . . Dick Le Palm drops in to advise Peggy Lee's "Rock Me To Sleep" beginning to click. . . . Chick Kardale simply beaming over the way "Gotta Find Someone To Love" is goin gover. . . . Double congrats to orkster Albert Nye, who may soon break with a wax pact, on his second anniversary at Club Hollywood and birth of baby girl, Julie Vivian. . . . Lon Levy stops over on way to California to hook Andrew Sisters for TV shots. . . . Don Terry ork makes its initial Chi appearance when it hows in at the Trianon. . . . Johnny Desmond going great guns at the Oriental. Johnny just waxed the Eddie Ballantine-Paul Salvatore tune, "American Prayer" which looks very good. . . . From Miami Beach we hear that Teddy Powell, who signed for three weeks at The Saxony, and has been there almost three months, is being set up (at long last) for wax. Teddy's grand band is sure-fire for juke boxes 'round the nation.

ANDREWS SISTERS

LOS ANGELES:

Love that Patti Page gal, Harry Bloom of Mercury Distribs tells us, and he doesn't even mind if his wife knows it. . . . Strictly professional, of course, what with Patti coming up with yet another could-be hit in "Down the Trail of Aching Hearts." . . . Noticed while surveying the premises that Mercury has done its bit, too, in glorifying Sen. Dudley LeBlanc's fabulous tonic with the Basin Street Six on "Everybody Loves That Hadaacol." . . . Southern California has certainly become Hadaacol conscious of late, with the stuff being extolled to the skies via newspaper and radio testimonial ads and drug store windows. . . . A cutie came off the eve the good Senator was interviewed hereabouts some weeks back: One of the local news lads maybe thought he was pitching an inside curve at the medicine-hawking legislator when he asked, "And what has Hadaacol done for you, Senator?" . . . The Louisianan boomed back with, "It's made 5 million dollars for me, son." . . . Maybe it won't make him 5 million clams but John Dolphin can't be accused of not trying, what with his keeping that fine big new record shop on E. Vernon open all night and his window dee-jay show extended to an all-nighter. . . . Taking over from Ray Robinson on the spot is a very suave lad named Rohin "King" Bruin, with Jack Lowe on the assist. . . . This gives Dolphin's 53 hours weekly over KGFJ in addition to 12 hours over another station.

PATTI PAGE

Had us a call (that even sounds like Hadaacol, can't escape the stuff) from Earl Schuller, who has taken over the BMI Monmouth Music pubbery from Pat Moran, formerly with the Art Rupe music firms. . . . Schuller will operate the outfit as the blues and rhythm subsidiary of Edwards Music, the first release being the Eddie Beal Trio on "Hungry Man Blues" via Moran's Rim label. . . . Max Feirtag tells us that his first Flip disc, Joe "Mr. G" August's "Strange Things Happening in the Dark" are doing fine things for the new firm.

Record Reviews

Only Records Considered Best Suited To The Requirements Of The Trade Are Reviewed On These Pages.

"DON'T CRY" (3:09)

"DON'T LEAVE ME NOW" (2:58)

DON CHERRY
(Decca 27535; 9-27535)

● A potent new French tune gets an excellent interpretation from Don Cherry which makes this one of the best that Don has turned out. Dave Terry's orchestra comes up with the musical setting to this ballad and the combination looks like a money making one. The flip is another new ballad which could go. The top deck is very strong.

"BE MY LOVE" (3:13)

"IF" (2:59)

ETHEL SMITH
(Decca 27534; 9-27534)

● Two current hits which are at the top of the ladder get a going over on the organ by Ethel Smith. Ethel makes them sound real good as she gives both of these tunes a fine arrangement. Although it may not go all along the line, for the quiet spots, this disk is right.

"MORE I CANNOT WISH YOU"
(3:10)

"SILVER MOON" (2:38)

BING CROSBY
(Decca 27508; 9-27508)

● A grand tune from "Guys and Dolls" gets Bing Crosby's version on the top deck and it's something to hear. With the Jud Conlon Choir and John Scott Trotter's orchestra aiding him, Bing does a beautiful job with this appealing tune. The second half is an oldie with a very easy going vocal and orchestra. Ops shouldn't miss this.

"THE HOT CANARY" (2:14)

"JALOUSIE" (3:16)

FLORIAN ZABACH
(Decca 27509; 9-27509)

● A great violin solo is turned in by Florian Zabach on an instrumental which has been kicking up a lot of fuss. This thing is fun to listen to as Florian goes to town with his fiddle and Al Rickey's orchestra does the backing. The lower end in an oldie which always sounds exciting. This is one for ops.

"PLAY BALL" (2:46)

"FOR JOHN AND MARSHA" (2:18)

FRANK DeVOL ORCH.
(Capitol 1460; F-1460)

● A novelty that's just right for this time of the year is pushed forward on the top deck by Frank DeVol's orchestra. Lindy Doherty, that promising new singer, gives out with the cute lyrics and makes this a likely side. The second half is an instrumental of a pretty melody. The upper half looks good.

SLEEPER OF THE WEEK

"NEVER BEEN KISSED" (2:54)

"JO-ANN" (2:59)

FREDDY MARTIN ORCH.
(RCA Victor 20-4099; 47-4099)

FREDDY MARTIN

● A novelty that is very likely to break out and go wild makes up the Freddy Martin offering on the top deck. Labeled "Never Been Kissed", the lyrics to this are the thing—at least they were penned by Charlie

Green who had a hand in "The Thing". The Martin crew turns in a first rate job on this and makes it an extremely listenable item. Ops who know how their machines can be overwhelmed with coins for the right novelty better take a look at this one in a hurry. Merv Griffin and the Martin Men run through the suggestive lyrics with a lot of verve and end on a hilarious note. There's not too much question about the popularity of this tune. The flip is pleasant little item which also gets a good job from Freddy, Merv and the rest of the boys. The top deck is the one to watch but ops are advised to do more than just watch it. They oughta order fast.

"THAT'S THE ONE FOR ME" (3:19)

"THE SIDEWALK SHUFFLERS"
(2:38)

SONNY BURKE ORCH.
(Decca 27541; 9-27541)

● A tune that looks big for blues and rhythm circles gets going here played by Sonny Burke and his orchestra. With Hub and Hubbie going to town on the vocal, they come up with a fast talky number. The second half finds the same combo taking over on a driving item which features a terrific arrangement. Ops should tune in.

"YOU'RE THE CREAM IN MY COFFEE" (2:47)

"THE BEST THINGS IN LIFE ARE FREE" (2:48)

MINDY CARSON
(RCA Victor 20-4041; 47-4041)

● Two old standards are taken for a ride here by Mindy Carson. Both ends have Andrew Ackers and his orchestra to do the backing and Mindy shows what made these songs great in the first place. As part of the Singers Series, this disk should garner some coins in the machines.

"WHEN I TAKE MY SUGAR TO TEA" (2:56)

"I'LL BE SEEING YOU" (2:47)

DON CORNELL
(RCA Victor 20-4044; 47-4044)

● Two more oldies in the Singers Series are offered by Don Cornell. The top deck is novelty which had a terrific play while the lower half is beautiful ballad, with a lot of charm. Don does a good job with both tunes and makes them worth an ops listening time.

"SMOKE GETS IN YOUR EYES"
(2:43)

"DANCING IN THE DARK" (2:48)

JERRY GRAY ORCH.
(Decca 27450; 9-27450)

● Jerry Gray and his orchestra take two well remembered oldies here and gives them an easy ride. Both ends get a good sax solo which makes them smooth and the orchestra provides some fine musicianship. Ops in the market for good filler items, oughta tune in.

"A HUNDRED YEARS FROM TODAY" (2:55)

"EVERYBODY LOVES MY BABY"
(2:47)

EDDIE CONDON ORCH.
(Decca 27409; 9-27409)

● An interesting tune gives Eddie Condon's orchestra good material to work with on the upper deck. Johnny Windhurst turns in the exciting trumpet work while the rest of the band follows through in good order. The lower half is a jumpy thing, loud and raucous, with a vocal by Cutty Cutshall. This is one for Eddie's fans.

"LIES" (2:54)

"TOO YOUNG" (2:48)

FRAN ALLISON
(RCA Victor 20-4105; 47-4105)

● A very likely tune is given a pleasant interpretation by Fran Allison with some good piano backing to go along, and it comes out as a very promising side. The lower half is the current ballad which is being recorded all over the place. The upper end looks right to us.

"MY LOVE AN' MY MULE" (2:45)

"PALLADIUM PATROL" (2:57)

TEX BENEKE ORCH.
(MGM 10936; K10936)

● A plug tune from "Mr. Imperium" gets one more good version from Tex Beneke and his crew on the upper level. Tex does the vocalizing with the Crew Chiefs and gives this number another push. Lower half is an instrumental, paced with a military sounding air. Here's a listenable platter.

"THE WILD WILD WOMAN" (2:54)

"THE ABA DABA HONEYMOON"
(2:49)

FREDDIE "SCHNICKELFRITZ" FISHER
(Decca 27510; 9-27510)

● A couple of crazy sounding sides are dished out here by Freddie "Schnickelfritz" Fisher. With their grating instrumentals and inflammatory vocals both ends make for raucous listening. Stan Fritts provides the vocal on the top deck while Freddie Fisher does likewise on the flip. Ops might take a look.

"GOTTA FIND SOMEBODY TO LOVE" (2:25)

"MY LOVE FOR YOU" (2:57)

MARIAN MAYE
(Coral 60437; 9-60437)

● A disk that could break out and fly away is offered by a new singer with a tremendous amount of potential, Marian Maye. This side has been causing a great deal of talk and it's a very catchy tune with much to recommend it. The lower end is a ballad which Marian does in accomplished manner also. Ops shouldn't miss the top deck.

"I'M YOURS TO COMMAND" (3:05)

"LOVE ME" (2:37)

HERB JEFFRIES
(Coral 60425; 9-60425)

● Two dramatic sides done in Herb Jeffries' well known style show up on this disk. Herb does both of them in his usual forthright manner and makes them sound very inviting as Dick Hazard and the orchestra provide the musical setting. Ops will do well to take a listen to this one.

"METRO POLKA" (2:43)

"CHARLIE IS MY DARLING" (2:20)

RUSS MORGAN ORCH.
(Decca 27528; 9-27528)

● A tune that's destined for great things is given a happy going over by Russ Morgan and his orchestra. With Russ and the Gay Sisters singing out the lyrics, this is another good version of a potent item. The lower half is a lively number on which Lou Dinning goes to work. Ops will want to get with this.

"JUMPIN' THE BOOGIE" (2:22)

"JUST RIGHT BOUNCE" (2:20)

PIANO RED

(RCA Victor 22-0118)

PIANO RED

● A side which could easily be a sequel to Piano Red's recent great disk turns up here and is labeled "Just Right Bounce". Red sounds as though he's ready to bounce

right off the platter with this one. Ops will be doing a little bouncing too when they get it into their machines. Red's piano playing is certainly something to hear and when he really gets going, as he does here, the place is just wild. With a shout coming in here and there, just to let you know he's around, Red rounds out this platter in excellent style. The bottom half has another demonstration of his high flying style and a little more of Red on the vocal. The top deck sounds as though it's gonna take off. Ops have an opportunity to take off with it.

"CHEW TOBACCO RAG" (2:35)
 "GEORGIA ROSE" (3:00)

LUCKY MILLINDER ORCH.
 (King 4449)

● A jivy version of a novelty that's been going great guns in western circles is turned up here by Lucky Millinder and his orchestra. John Carol does the vocal in good style and gets some terrific backing. The bottom half is a soft ballad with a very easy going vocal from John and an orchestration to match. Ops oughta get with this.

"THE MAN WITH THE HORN" (3:35)

"COUNTRY GIRL BLUES" (2:35)
 CHRIS POWELL
 (Columbia 39272)

● Some mighty fine trumpet playing is sent our way on this disk by Chris Powell. Taking it very slow, he winds his way through this number while the Five Blues Flames come in for a little vocalizing. The flip is another interesting item, which Vance Wilson sings well. Ops oughta listen in.

"PLEASE SEND ME SOMEONE TO LOVE" (3:01)
 "AIN'T NOBODY'S BUSINESS BUT MY OWN" (3:09)

DINAH WASHINGTON
 (Mercury 8231)

● Dinah Washington's interpretation of the great tune on the upper deck could send it to the top of the lists all over again. Dinah wends her way through this sad item with terrific poise and makes it something to hear. The lower end is another slow thing in which her unusual phrasing stands out. Don't miss this one.

"STAR BOOTLEGGERS" (2:54)
 "NOBODY WANTS ME" (2:56)

ARTHUR "BIG BOY" CRUDUP
 (RCA Victor 22-0117)

● A tune with a driving beat gets pushed around on the upper deck by Arthur "Big Boy" Crudup. With an excellent vocal and a fine instrumental, this side has a lot to offer. The second half is a very slow blues number which that man does just as well. Ops oughtn't to miss it.

"JUSTICE BLUES" (2:46)
 "I LIVE MY LIFE" (2:54)

CLARENCE "GATEMOUTH" BROWN
 (Peacock 1568)

● A shouting blues number is offered on the upper level by Clarence "Gatemouth" Brown. With some excellent guitar work behind him, he puts a terrific amount of stuff into this side. The lower end is a fast paced driving number which is also good to hear. This could be a big one.

"DOWN AND OUT BLUES" (2:56)
 "LONELY NIGHTS BLUES" (2:45)

JIMMY LIGGINS
 (Specialty 397)

● A terrifically low down blues item makes up the Jimmy Liggins offering on the top deck. Jimmy really sends this with a piano backing that's right. The lower end gets an almost talking vocal from Jimmy and once again it's worth hearing. Ops oughta do just that.

"NONE CAN TAKE HIS PLACE" (2:54)
 "MY BABY'S COMING HOME" (2:48)

HARRY "SLICK" JOHNSON
 (Peacock 1560)

● Two exciting sides are turned out on this platter by Harry "Slick" Johnson. Both get some terrific instrumentals by Harry and the boys in the band and each one has a vocal to match. Here's a disk that could work up a lot of interest in the boxes.

"SENDING UP MY TIMBER" (3:03)
 "ON REVIVAL DAY" (2:30)

MARIE KNIGHT
 (Decca 48203)

● Two tunes in a religious vein are turned out here by Marie Knight. Putting her beautiful voice to work on these, she does a slow spiritual type thing on the top deck and a rhythmic number with a beat on the lower. This is definitely worth an ops while.

Members Protest ASCAP Disbursement System

NEW YORK—At this week's closed meeting of ASCAP, writers and publishers protested the new method of royalty distribution which is based upon popularity as determined by performance, it was reported.

The new method was evolved after the courts ruled that only popularity could be the measuring stick by which writers and publishers received ASCAP shares. However under the new system, a few members, whose works are currently popular, receive a major share of the disbursements, while payments to the others have been greatly reduced.

Last year ASCAP's gross income was \$11,874,371, a jump of 11% over 1949.

Kelly Camarata Goes To Fox Publishing

NEW YORK—Sam Fox announces the appointment of Kelly Camarata as General Manager of the newly established Popular Division of the Sam Fox Publishing Company and its affiliated catalogs of Movietone Music Corporation and Hollywood Songs, Inc.

These catalogs include a wealth of material, and the establishment of this new department is for the purpose of reactivating the many popular successes contained in these catalogs and also to publish and exploit new popular material.

Camarata, who takes over as of April 1, was formerly with Abbey and London Records and most recently was doing public relations for Robbins, Feist and Miller.

BMI record report
 AND FORECAST OF TOMORROW'S SONG HITS

HITS THE JACKPOT ★ **I'M YOURS TO COMMAND** (Mellin) - Both Billy Eckstine (MGM 10944) and Sammy Kaye (Col. 39325) hit the jackpot. Tune by Russ Columbo, was recently discovered. Of the Eckstine disc Billboard says, ". . . potently sold." In the Kaye version Billboard writes, "Tony Alamo registers with a big treatment." Both are big "picks."
 * * * * *

"EXCELLENT" ★ **GOTTA FIND SOMEBODY TO LOVE** (Duchess) - Marian Maye (Coral 60437) caused an overnight sensation with her rendition on the Pyramid label. Promptly taken over by Coral Records, the disc is hot. Billboard rates it "excellent," saying, "she has infectious quality, and tune, a brisk waltzer, is a charmer." Variety calls it "solid" and Cash Box gives it a "Best Bet."
 * * * * *

"BULLSEYE OF THE WEEK" ★ **CHEW TOBACCO RAG** (Commodore) - Tune is tremendous in the folk music field with 9 powerful discs in circulation. Cash Box awards "Bullseye of the Week" to Zeb Turner's (King 950) version. Other top platters are by Pee Wee King (Vic. 21-0451), Billy Briggs (Imperial 8104), Buzz Butler (Mer. 6323) and Red Ingle (Cap. 1431) with more coming.
 * * * * *

FINE BALLAD ★ **HURRY HOME TO ME** (Goday) - The Fontane Sisters (Vic. 20-4077) are off on a tune that will show up strong. Billboard sees it as one of "tomorrow's hits" and says, "The Fontane Sisters display a fine blend on a likely new ballad." (Non-exclusive B.M.I.)
 * * * * *

WATCH THIS ★ **SO GOES MY HEART** (Wemar) - Beautiful ballad that gets fresh impetus through Vera Lynn's (Lon. 938) competent rendition. Tune and disc rate special attention.
 * * * * *

STANDS OUT ★ **GOODNIGHT CINCINNATI, GOOD MORNING TENNESSEE** (Tannen) - Stands out in the Folk field as one which may move into the pop group shortly. Louie Innes (Mer. 3612) earns Cash Box "Bull's Eye" and Shorty Long (King 953) is equally tops.

Larsen & Farrell
At MOA Meet

CHICAGO—"The Cash Box" room, which served as meeting place for many of the visitors to the MOA convention, was place of get together for Bob Larsen and Skip Farrell. Bob is ace dj at WEMP, Milwaukee while Skip is Mercury singing star.

More Notes From MOA Convention

CHICAGO—Interesting to hear Ed Ockel of One Stop Record Service in St. Louis mention how fast the tunes kick off in his territory . . . Swell to see King Records sales manager Howard Kessell and his new promotion man, Jim Wilson. Missed Syd Nathan and his stories. He's in Florida. Hope Mary Lou Smith gets back to her desk real soon. . . . Maurie Hartmann of Cherio Music looking pleased with the jobs being done with his tunes at the Coral and Decca booths. . . . Who's the new record promotion gal covering the djs for Joel Cooper of Tell Music Distributors. . . . Ralph Moffat, dj, switched to station WDGY from WCCO. . . . Norm Wienstroer and Bob Morgan cooked up plenty of deals for Coral with that "Red Silk Stockings" stunt going over terrific. Tell us more on the way. . . . Jerry Blaine of Jubilee came in for only one day and later told us it was certainly worth it. Leaving the announcements of Dick Brown's recording "I Won't Cry Anymore" on the seats at the morning meetings was a humdinger. . . . Harry Kruse and Walt Maguire of London breezed in and out after conferences with Jimmy Martin. . . . Martin took over \$40,000 billing of London releases. . . . Charles Hassin and Harold Drayson pleased as punch at the great reaction to the special screening of MGM picture "Royal Wedding". Ops floated back and forth into the MGM room thanking them and of course getting an earful of Johnny Desmond's latest hits "Mama" and "Too Young". . . . Arnold Shaw of Duchess Music, although a bit disappointed because the music panel didn't go on Tuesday due to lack of time, more than made up for it by the additional friendships cemented with association heads and ops. . . . The gal photog Hy Reitehr had in the BMI room had more pics taken of herself than she took. . . . Bob Shad and Dave Miller in huddles with ops regarding some new hot releases on Sittin' In.

Gould New Manager of Ardmore & Beechwood

HOLLYWOOD—Mike Gould has been appointed Manager of Ardmore Music and Beechwood Music Corp., Glenn E. Wallich, president of Capitol Records announced. "Mike is well known to both music publishers and musicians, for his entire business life has been devoted to their activities. For almost ten years he was in musical instrument sales, working for such companies as Chicago Musical Instrument Company, Wurlitzer's, and New York Band Instrument. He moved to California in 1940, to assume the management of Shirmer's instrument department and later resigned to become West Coast Representative for Mills Music. His next assignment was in the service, where he bought music for over 300 bands and became known as "the only song plugger in the Navy".

In 1946 Gould joined Mutual Music and in '47 he became west coast representative for Bourne Music where he was responsible for developing "A Little Bird Told Me" and other successes.

In his new post, Gould will expand the company's publishing operation, with more intensive exploitation on its present and future properties.

Dot Records To Be Made of New Plastic

GALLATIN, TENN.—Randy Wood, president of Dot Records, announced this week that effective immediately all Dot releases will be manufactured and shipped on their new unbreakable plastic materials.

Due to the rising costs of cardboard and packaging and excessive breakage from post office handling, it was agreed that in the long run it would be cheaper to manufacture Dot Records with this new flex material. Not only will the new material hold up better, but it will cut down the expenses of shipping since it will be lighter in weight.

Dana Records Cuts "Kon-Tiki", Based On Best Selling Book

NEW YORK—Walter Dana, president of Dana Records announced that some time next week his firm will release a record of the song "Kon-Tiki," based on the title of the nation's number one best selling book.

The number is done with a Hawaiian background and counter melody similar to the Third Man Theme. It features the Paulette Sisters on the vocal with Johnny Kamano's Hawaiian orchestra.

Simultaneously with the release of the record, the RKO film "Kon-Tiki," will be shown for the first time in New York. The picture portrays the factual story of Thor Heyderahl and a band of adventurers who took off on a raft for a round the world voyage.

The tune was written by Fred Norman and Al Jacobs and published by Fredbee Music Co.

RKO plans thousands of spot announcements on the nation's radio stations with the Dana record as background music.

Permo Mails 2nd MOA Graphic Souvenir

CHICAGO—Permo, Incorporated is mailing its second annual M.O.A. graphic souvenir to operators and Permo-Point needle distributors all over the country.

Reaction to their first graphic souvenir following the 1950 M.O.A. Convention was so favorable that officials of the needle firm decided to repeat it this year—but on a larger scale. The current folder is laid out on a 17 x 22 sheet and includes more than 40 photos of operators, distributors and recording artists—all visitors in Permo's convention headquarters. It is not designed as advertising matter and should be of interest to all members of the music business, whether or not in attendance at the show.

The M.O.A. graphic souvenirs will be sent in quantity to Permo-Point distributors and extra copies may be obtained from them.

Bonn Appointed M & M Minneapolis Distrib

MINNEAPOLIS—Leo Bonn Co. has been appointed MGM distributor in Minneapolis, replacing Reinhardt Co. Harold Lane, one of the most aggressive record distributors in the business, who was with Reinhardt for four years, has gone over to Bonn and taken his old crew with him including Mel Cardinal and Connie Toomey.

Under the new set up, operators will have the advantage of being serviced on a speed basis. Since the record department is on the street level, ops can get in and out in a few minutes. Bonn also has a free title strip service.

Although Lane was ill in the hospital, he flew out to the MOA convention to visit with the MGM brass and operator friends.

New MGM Star Born

NEW YORK—Dick Lyons, assistant A & R director of MGM Records, became the father of a six pound four ounce baby girl on Easter Sunday, March 25. Dick and his wife have named the little star Lisa Lee, which should come in handy a couple of decades from now.

INCREASE IN COLLECTIONS SEEN

Spring And Summer Seasons Viewed With Great Optimism

NEW YORK—Reports coming in from all over the country indicate that coinmen are looking toward the spring and summer seasons with great optimism.

For many years, the trend has been that fall and winter months brought the biggest collections for the operator, and the largest number of sales for the wholesaler. However, it is quite clear that these conditions have changed, and that better business has switched to the months which bring warm weather and sunshine.

In addition to those resort and seashore locations that are available during spring and summer, which assist numerous operators to enlarge their operations during that period, the feeling today is that good weather brings out more people from their homes to places of entertainment. This condition has come about during the past few years, and it is claimed that television has a lot to do with changing the habits of the country's individuals. Should bad weather prevail, or even somewhat unfavorable weather, it is claimed that rather than leave their comfortable homes, people listen to TV.

Coinmen feel that many people have become satiated with television in their homes, and desire to get out of the house. However, they would prefer pleasant weather for their jaunts. One operator stated "I found that my business during the spring and summer months of last year was the best I ever enjoyed, creating a top collection record of the years spent in the coin machine business. Then during the late fall and winter months, business took quite a drop. I am now cleaning up my equipment on location, and buying additional pieces, as well as seeking more spots, as I anticipate business will once more jump to what I enjoyed during the warm weather months of 1950."

Many coinmen in some of our mid-western states suffered from unusually bad snow storms this past winter, and they, more than any others, state that they're looking forward to warmer weather to bring bigger collections.

In addition to individual location owned spots headed for better business, Arcade Owners anticipate a banner year. Wholesalers have been busy for many months supplying equipment to arcade men preparing for the coming season. Ordinarily buying didn't get going until this month, but arcade owners have been getting ready since the 1st of the year. The influx of men to army camps has made arcades in close proximity very valuable once again. Many new arcades have also been planned to open near camps.

Another reason why coinmen can anticipate increased business is at-

tributed to the many additional people now employed. Government leaders predict that employment in June, 1951, will set an all-time high, with probably 68,000,000 persons drawing down pay envelopes. These people are expected to patronize their local "workmen's clubs" (taverns, restaurants, etc.) where coin operated equipment is available. The economical nature of these machines gives them the necessary relaxation they seek.

Bulking all reports received at this office, both verbal and written, makes it easy for your editor to predict the next several months will see a boom both for the operator and wholesaler.

Wash. State Governor Vetoes Pin License Bill

TACOMA, WASH.—Governor Langlie vetoed (March 20) a bill passed by the Washington State Legislature which would have permitted city or county governments to boost their revenues by licensing pinball machines.

City and county governments in the state lost their revenue from such devices early last year when the State Supreme Court ruled that pinball machines with payoffs were gambling devices. Many operators of the machines subsequently said they converted them into purely amusement devices. As a result the State Tax Commission reduced the tax levy from 20 per cent of gross income to only 1/2 per cent.

When the measure vetoed by the governor was before the State Legislature, an assistant state attorney general interpreted the bill to mean that pinball machines of all types could be licensed by the city or county governments, including the type banned by the State Supreme Court as gambling devices.

Paul Fuller Dies

ONEIDA, N. Y.—Paul M. Fuller, vice president in charge of Design, Production and Engineering for SuperVend Sales Corporation, Chicago, died of a heart attack at his home, here, on Thursday, March 29.

Fuller had formerly served in the same capacity and was a vice president of The Rudolph Wurlitzer Company, manufacturers of juke boxes.

Funeral services were held on Saturday, March 31, at the Johnson-Wilkins Funeral Parlor in Buffalo, N. Y.

Minnesota Juke Box Tax Bill Tabled Due To Efforts Of One Man

MINNEAPOLIS, MINN.—Music operators were jubilant upon hearing that the bill to tax juke boxes in the state of Minnesota \$10 per year was tabled indefinitely upon the recommendation of the sub-committee on taxation, and the general committee on taxation accepted this recommendation.

Don Leary, local juke box operator, points out that the juke box operators would have been in difficulties were it not for the sole efforts of Thomas Vennum. Vennum appeared at the two meetings with the sub-committee and also at the meeting

of the entire taxation committee. He acquainted these bodies that many cities in the state already tax these machines, that the Federal Government obtains a tax, and that the state levies a personal property tax.

The proposed bill was being backed by some strong interests, and Leary stated "Operators of the state of Minnesota can be very grateful for the work Vennum had done to keep this legislation from going thru, and the legislators can also be complimented that it did not recommend this type of special legislation."

MIAMI, FLA.—Ely Ross, general manager of Taran Distributing, Inc., this city, announced that the firm had been awarded the distributorship for D. Gottlieb & Company's line of pin games for the state of Florida. Current Gottlieb five-ball is "Minstrel Man."

The distributing company is one of the largest in the entire South, handling the lines of various games manufacturers, as well as the AMI phonograph. An office is maintained in Jacksonville to facilitate servicing the trade.

Sam Taran, this week, embarked on a visit thruout the State to visit with coin operating firms.

CALIFORNIA CLIPPINGS

All you have to do these days is ask somebody "What's new?" or even the time of day, and you get an answer, "Who do you think you are, Senator Ke-fauver?" At least that was our experience the past week along the Row, with the boys and girls (even the secretaries) furtively looking around, just for a gag of course, before telling you which way to the bathroom. . . . George Warner of Automatic Games was talking, to anyone who would listen, all about the big auction slated for April 17, 18 and 19 in Las Vegas on 500 assorted games the boys have had in their warehouse up there for some time now. George and Dannie Jackson will be on deck about a week early for preview showing to any interested parties. A condition of sale, of course, is that purchaser certify his intention to keep the games in the state of Nevada. . . . Which reminds us that many people along the Row have been enjoying a good laugh at the expense of the eager beaver newspaper headliners. . . . Seems the scoopers came up with a hot yarn week or two back about the "smuggling" of slot machine parts into this state for assembly into working units. The joke, naturally, is that if there are any games still around this part of the state, at least, their owners are more concerned with getting them out than with importing new ones or parts thereof.

Back from Las Vegas, or Lost Wages, as secy Cele Padwa fondly refers to the place, was Sicking partner Jack Simon, who reports he had a profitable trip. . . . Still in Chicago were Chicago Coin's Phil Robinson and J. Peskin's Joe Peskin, whose gals Phyllis and Dolores are always a refreshing sight for the weary traveler. . . . Hadn't stopped in at Johnny Hawley's for a few weeks, and almost thought we had walked into Bullock's Gift Shop by mistake. Seems the premium business has continued flush. The used game business, Johnny reports, is also holding its own.

Business must have been very good at General Music the past week, judging by the Bud Parr establishment closing its doors at a rather early hour the day we dropped by. . . . Nice line-up of 5-balls at C. Robinson, with Al Bettelman on hand to demonstrate any or all of them with a stogie as stakes. . . . A number of distributors were waiting on what was rumored to be a promising 5-ball in Gottlieb's "Minstrel Man". . . . Paul Laymon told us the samples were down at the station and ops couldn't wait to get at 'em. . . . Other 5-ball holding a lively sales pace was Chicago Coin's "The Thing". . . . Back from a sales jaunt to Colton and Riverside was Laymon Wurlitzer man Stan Turner while outside man Jimmy Wilkins was covering the San Diego area. . . . W. R. Happel, Jr. proudly showed us Keeney's new refrigerated package candy machine on the Badger floor, and we were a little surprised to discover a great resemblance to the Freshway Sandwich machine standing alongside, the reason no doubt being that Keeney built both of them.

On the Row: Norman Hayes and Al Cicero from Santa Maria. . . . Jimmy Humes of Palm Springs. . . . San Jacinto's Al McMahon. . . . Tony L. Simon of Bryn Mawr. . . . Compton's A. De Lura. . . . E. F. Kohl of Coronado. . . . C. C. McGovern from Las Vegas. . . . San Bernardino's Stewart Metz. . . . C. E. Stevens of Duarte. . . . Colton's Lawrence Raya. . . . Tony Gonzalez of Long Beach. . . . Chester Matado from Honolulu. . . . Santa Ana's Bert Hammond. . . . Mrs. Merrill Knapp of Nogales, Arizona. . . . Lena Koch from San Diego. Lloyd Willard of Paso Robles.

MINNEAPOLIS, MINN.

Hallelujh! Hooray! For sunshine! After a record breaking snow fall for this territory the sun is finally coming through and so are few more operators. It seems with the snow the operators were hibernating. There were several areas that were snow bound and Charlie Webber, well known member Minneapolis operator, is a member of the C. A. P. and conducted the Air Lift for persons in need of medical aid and to bring food supplies to the marooned families. . . . Bill Hunder of Wheaton, well known operator from those parts, assisted in the Air Lift also, in fact Bill got quite a write-up in the Minneapolis Tribune on the part that he played in the Air Lift.

John Morton and his wife of Bismarck, N. D. made a quick trip into town to pick up supplies for their route. . . . Some of the operators seen around town were Jack Harrison of Crosby; B. F. Kragtorp of Tracy; Frank Mager of Grand Rapids, Kaiser Savard of Red Lake Falls; and Leonard Worseck of Montivedeo.

Con Kaluza Jr. is now in the Army and is stationed at Fort Lewis, Washington. Con Jr. is the son of Con Kaluza Sr., who is a well-known operator from Browerville. Con has been assisting his father in the operation. . . . Also seen in and around town was Stan Woznak of Little Falls; Ben Jahnke of Hutchinson; Ed Kubes of New Prague; and Bob Waters of the Berkeley Amusement Company in St. Paul. . . . Amos Helicher of the Advance Music Company in Minneapolis attended at the M.O.A. Convention in Chicago and from there went to Florida for a very short vacation.

"VOTE ON THE CODE"

Do You Want "The Confidential Price Lists" to Continue to Appear in "Code" Or Do You Want Them to Appear With Prices as They Formerly Did?

YOUR VOTES WILL DECIDE!

NEW YORK—*The Cash Box* has, since installation of the "code" in "*The Confidential Price Lists*" received dozens and dozens of letters, as well as phone calls and wires, pro and con regarding the use of a "code."

Many have praised the "code." In fact, some entire associations have voted favorably on it, and have sent in letters of commen-

datation.

Others have stated that they do not see any use for the code for, as these coinmen explain, "*The Cash Box* is strictly concerned with this industry. What's more, it's a really confidential magazine and doesn't sell on newsstands.

"We don't see why," these men state, "there is any need to 'code' the price lists which are officially

accepted everywhere. Without any 'code,' it is much easier for all in this industry to more quickly read the prices, especially during long distance phone call transactions."

There is the crux of the entire problem. *The Cash Box* is in business by the grace of its subscribers. It has always, and will always, continue to bow to their wishes.

The Cash Box staff feels, therefore, that the entire problem should be placed in the open before the industry, and allow the members of the industry, by their votes, to decide whether they want "*The Confidential Price Lists*" to continue to appear in "code," or, whether they want "*The Confidential Price Lists*" to discontinue appearing in "code," and appear with regular prices as they formerly did.

This entire matter is being left to the majority decision of the industry. This is the American way.

Let the majority decide, by their votes, over a period of three to four weeks whether they want "*The Confidential Price Lists*" to continue in "code," or not to continue in "code."

The Cash Box most sincerely thanks everyone of those operators, jobbers and distributors who have written, wired or phoned, giving their opinion of the new "code."

In fact, even those who are against the "code," have stated that they consider *The Cash Box*, "The one and only true trade magazine in this industry. A really, fine and completely confidential publication (which does not appear on newsstands) and, therefore, see no use for the 'code.'"

It's up to everyone of the subscribers of *The Cash Box*. This is the American way. This is the way *The Cash Box* would like to have its decision. Let the majority rule.

YOUR VOTE WILL DECIDE. VOTE NOW!!

Much debating regarding "new" products. Seems that all are of the belief that the time has, at long last, arrived when this industry requires entirely new products to restimulate play all over the country. In this regard, these men point out, this industry needs an entirely, new and different amusement game. They say that something like what happened when the very first pin games were introduced, back in 1930 and 1931, would now be just what the industry could use to awaken it all over again. Of course, all realize that the factories now engaged in the manufacture of amusement products for the industry, aren't the tiny assembly plants of yesteryear. Today, some of these large manufactories, could turn out as many as a thousand games per day (of the old type) if they worked three shifts and could get the materials for their production lines fast enough. Another big factor which would hold back the boom over any new product would be the present defense emergency. Whether this emergency will develop into an all out full scale war or a continuous series of warlike actions (as in Korea) isn't known even to the experts. But, the fact remains that, as the weeks go by, and as the larger industrialists of the nation begin to use more and more materials, the smaller plants, not engaged in war work, will either close down, or get so little materials that they might as well close. There is definitely a need for something new and different. Naturally, all would like to see something like the first "Bingo" or "Ballyhoo" or some of the others appear (in modern manner of course) which would entirely revive the entire industry all over again and, probably, boom it to new heights. What can be safely stated is, that whoever does come up with the "idea," on the product itself, is sure to find himself a very wealthy man in a short time.

While we're in the mood to talk about this and that believe that it would appeal (at least nostalgically) to many to recall some of the "old times" in the coinbiz. . . . Can always remember at one convention when Hirsh de LaViez of Washington had bed, dresser, etc., removed from one man's room and advised the hotel that there was to be a special meeting in the room. The hotel loaded the room with chairs in neat rows. Put a blackboard up on the wall. After the hotel porters left, all the light bulbs were removed. And when this old timer staggered into his room, in the early dawning hours, falling over chairs, one right after the other, well, the resultant language can't be printed. . . . And the time when Walter Tratsch was up on a platform making a speech. Earnestly telling us all how much he loved this business and the men in it, and Ray Moloney, very quietly (on hands and knees) sneaking up behind him to give him a hot foot, while the entire hall kept quiet. Oh, well, will those days ever return? . . . Or those firecrackers that would suddenly boom, crack and snap from any and every direction—so suddenly—many a heart beat was missed. . . . The time that Lou Koren, Irv Sommer, Nat Cohn, Joe Fishman and a gang of guys, after a heatie evening, pulled up at Oak Street beach and, without any warning, a few of the guys decided to go in swimming this hot summer eve—in their BVD's. . . . Or the day Si Lynch and Ed Furlow talked Al Douglass into driving over the "Gorgo Diablo" (Devil's Gorge) which Douglass still tells about in his retirement in Miami. . . . When Dave Gottlieb elicked with "Five Star Final" and Bud Lieberman in New York was on the long distance phone four and five times a day yowling for more and still more. . . . When Art Garvey fell on a guy and almost bashed in his ribs just by sheer weight of his body. . . . That Baltimore party for Eddie Ross with dummies covered with catsup to look like blood and with one guy crawling out on the eleventh floor ledge to come into the parlor from the bathroom where the boys had locked him in. . . . When Dave Gensburg drove to visit Meyer Wolf in Philly to show him Genco's "Hearts" counter game and, all the time, in the back compartment of the car had a game called "Jiggers". . . . When Paris began to huy diggers and Pat Buckley quickly learned how to speak French. . . . When England started to go for pin games and the English penny chute became almost as familiar to Americans as their own nickel chutes. . . . Remember the old Rock-Ola plant?

In the meantime, here's what's been happening around Our Town. . . . Sam Lewis, ChiCoin, reports that not only did the firm's "Hit Parade" 45 rpm selective phono, draw tremendous praise at the MOA Show, with the resultant orders, but he's almost buried with letters requesting more information, and arm weary from answering the continual ring of the telephone. . . . Ed Levin of ChiCoin leaving for a month's vacation with his family. . . . Frank Mencuri, Exhibit, out of town for a week. . . . Capt. Tom Callaghan, Bally, recuperating at home very nicely, and should be back in a few weeks. Tom has been ill for quite a spell. . . . Ralph Nicholson bedded at home here with four broken ribs and a battered body as a result of an auto accident coming in from Texas. He'll probably be kept away from business for several weeks. . . . Bill Billheimer, Como Mfg. Corp., is burning the midnight oil working on war orders. Hollycrane production is reported sold out for quite some time to come. . . . A & B Novelty Co., South Bend, Ind., reported representing J. H. Keeney in that territory. . . . Jack Nelson, general sales manager of Bally, also busy on war work, and is commuting back and forth from Como. However, Jack found time to get to the MOA Show, where he met with his many friends from all over the country. . . . Bill DeSelm over at United, kept on the go continuously with the firm's 5-Player Shuffle Alley and the Twin Shuffle-Cade. . . . Sam Stern, Williams, one of the busiest execs here—what with the "Music Mite", 45 rpm phono, in great demand, shipping its latest five-ball "Control Tower", and its defense work.

Tremendously pleased with the success of his recent showing in Peoria, Ill., Ben Coven, Coven Distributing Co., is preparing for another similar showing in South Bend, Ind. on Thursday, April 5, at the Rose Room of the Hotel Oliver. On display will be the Wurlitzer 1400 and 1450 phonos, and Chicago Coin's "Hit Parade". Attending the showing with Ben will be his bw Trudy; salesman Carl Christiansen, Mac Brier and Harold Saul. Lee Taylor of the service department will conduct a session on the mechanics of the new phonos. Also being displayed will be Permo Needles, with Bert Davidson, sales manager of Permo, Inc., on hand to talk with the op. . . . Art Weinand and J. Raymond Bacon, Rock-Ola Mfg., report the "Rock-Ola" phono in big demand. . . . Reports from coinmen attending the MOA show were all highly complimentary, with many quite thrilled over meeting some of the country's leading recording artists. . . . We understand that Fran Warren was a particular favorite, with many commenting about her friendliness.

MIAMI MURMURS

Willie (Little Napoleon Blatt), who can easily be designated as the host to the coin machine trade here, recently welcomed Sam Gensburg back to his DiLido Island home. With Willie, visiting at the Gensburg home, were Mrs. Blatt and Mr. & Mrs. Meyer Gensburg. . . . Later in the week the Blatt's were guests of Meyer Gensburg for dinner at the Roney Plaza. . . . Harry Pearl and son were guests of the Bert Lanes at their waterfront home. . . . Robert Risuli, Dormant, Pa., and Frankie Leon and George Glasser of Pittsburgh, stopping at the Atlantic Towers. . . . Bill Bolles, who is asst. mgr. at the Atlantic Towers, visited by many of the coinmen who come to town. Recent friends who dropped in on Bolles were Art Nagel and Leo Kelly. . . . Morris Hankin's daughter and son-in-law, Mr. & Mrs. Arnold Feldman, and their young daughter, Jana, spent a little time here. Morris expected in town very soon. . . . One of the nicest spots in Miami, the Variety Club, a favorite dining hall for the Willie Blatt's and their guests.

"Bing" Weissman of Atlanta enjoying a long stay on the Beach. . . . Mr. & Mrs. Sam Taran and Mr. & Mrs. Herman Paster of St. Paul relaxing at the Saxony's Shell-i-Mar Room. . . . Samuel Wolberg of Chicago Coin reported back for some more sunshine. His daughters seen at the Royal York. . . . Sam Lewis of Chicago Coin was here for a week, and then rushed back to Chi for the MOA show. His charming wife, Charlotte still here. . . . Willie Levey, who is making this his home, building up quite a music route. . . . Hymie Rosenberg's friends wondering how he and his sons two sons were able to put up with the below zero weather of Chicago this past winter. . . . Lyn Durant of United reported to have become quite a fisherman when here last. Milt Kafka (formerly of Ciro's) was his fishing partner. . . . Roy McGinnis enjoying a rest here at his home—and especially his favorite sport, golf. . . . Mr. and Mrs. Jake Friedman of Atlanta expected for the week. . . . Al Denver of New York resting up after attending the MOA Convention. . . . Jacobs operating shoe shiners. . . . Ron Rood of Orlando reported going very well. . . . Dick Hood of H. C. Evans in Ft. Lauderdale for a short stay. . . . Jake Cohen of Appleton, Wis. (Ristaucrat phonos) spent an enjoyable week here and hated to leave. . . . Davey Friedman seen scooting around town. . . . Herman Perin taking it easy, as is befitting a "native". . . . Joe Mangone doing a big job on the road. . . . Lou Koren, one of the trade's most popular people, busy at his King Cole Hotel. . . . George A. Miller, president of MOA, was expected here after the Chicago Convention. However, a wire from Seattle music ops asking him to speak on 10c play claimed him first. George has never been to Miami, but hopes to get down here.

Bill Shayne very much in the real estate business. . . . Bill Frey's son flying planes for an inde airline. . . . Ely Ross at Taran's reports that AMI phonos going great—all they need is more deliveries from the factory. . . . Johnny Saxon reported to have over 2,400 cig vendors working. Johnny's brother is the new distrib here for National. . . . Lee Rubinow reported to be in Venezuela. . . . Cliff Deale rapidly regaining his health. . . . Jimmy Mullins just married. . . . Ozzie Truppman at Bush Distributing, busy with Wurlitzer's new 1400 and 1450, reports that he's been host to large numbers of friends from the North this season.

(Note to Editor: Majority here suggest return to "figures" in "Confidential Price Lists". Claim "The Cash Box" real trade magazine and completely confidential as it does not go out of trade and especially as it is not sold on newsstands).

EASTERN FLASHES

Quite a bit of activity on coinrow this week. The fine sunshiney weather brought out local as well as out of town coinmen. Collections were on the up-grade on all types of equipment, and optimism seems to be prevalent. Reasons for increased takes are many. Warmer weather has brought out more people; the Lenten season is over; and most important the "big show" (television and radio of Kefauver committee in action) has been terminated. Operators were commenting on the effect of the Kefauver television show in taverns. Phonos were absolutely forbidden to be played by customers, and in many locations, listeners wouldn't permit the playing of shuffle games, claiming it created noise of both the machine and participants. Operators with locations at seashore and mountain resort areas starting to prepare for the season. Some in operation already. Arcades hope for good weather for week-ends from now on, as they intend to open their doors. Then later on, they'll remain open every day.

* * * * *

Mike Munves, the Arcade King, now informs his customers that they'll have to wait four or five weeks for deliveries. It all started about two months ago, when some anticipated difficulty in securing machines. The accumulation of orders continued, until it's almost impossible to handle at this time. In addition to filling orders in this country, Munves has a number of foreign countries to supply. One in Hong Kong, China, has Munves wondering. Shipment won't start until four or five weeks, and then it'll probably take months before the equipment arrives. "Im wondering" wonders Mike, "if Hong Kong will be in existence by that time." . . . Abe Hirshhorn, owner of the Funland Arcade in Petersburg, Va., in town for a few days. Abe getting a big play from service men at Ft. Lee and Camp Pickett. "It'll probably increase" stated Abe, "when these camps take in more men." . . . Otto Steiger, Greenwood Lake, N. Y., in town buying equipment and parts for his resort area route. Otto runs both music and games. . . . Harry Koepfel, Koepfel Distributing Company, back after a hectic week at the MOA Convention in Chicago. Harry reports he did wonderfully well with his display of plastics. However, he explains the "hectic" part was caused by his close association with the fun-loving Hirsh de LaViez. Which reminds us, Hirsh became serious for a few moments recently, and bought another good-sized music route. Harry Koepfel returned just in time to be on hand for his beautiful daughter's (Gilda) sweet sixteen birthday party. . . . Al Simon, Albert Simon, Inc., back on the job, and extremely enthusiastic about Chicago Coin's "Hit Parade" 45 rpm selective phono, which created such a hit at the MOA Show. Al has devised quite a selling program. . . . Willie Aronson, shuffle games operator, working extra hard to be prepared for the coming spring and summer months, when he figures will go to back those good-sized averages.

* * * * *

Nat Cohn, Bowl-O-Matic Sales Co., back after showing his bowling game "Bowl-O-Matic" in Chicago last week, and reports the reception was "just out of this world". Nat completes his lineup of distribs thruout the country (see story elsewhere this issue). . . . Barney (Shugy) Sugarman, Runyon Sales Co., becoming one of the best dressed men in our industry—not only good, well fitting clothes, but combinations of blending colors that are outstanding in appearance. . . . Jack Mitnick, eastern regional representative for AMI, back in town after the MOA Show. Jack, as usual, enjoyed himself to the hilt at the show. . . . Joe Young, Young Distributing, most happy over the delivery of a number of Wurlitzer phonos. Seems that the shipping companies were slow in delivering, and that they all came in on one day. "They didn't last the day out" smiles Joe. "Out they went to our operator customers as quickly as they could be handled." . . . Dave Lowy, Dave Lowy & Company, getting a nice reaction here on the Evans' "Constellation" phono, and expects to do a fine job. In addition, he's working on plans to merchandise the new Keeney candy package vendor. . . . Al Denver vacationing in Miami. . . . Jack Semel flew to Miami and back, spending only a day and a half there. . . . "Happy" Herbie Semel, Jack's son, expects to make him a grandfather around the beginning of May. . . . Harry Pearl back in town after a Miami vacation. . . . Meyer Parkoff and Harry Rosen to be complimented on their donations of used phonos to a number of organizations who use them to fight juvenile delinquency.

ST. PAUL, MINN.

Like the first robin that appears in the spring time, Wally Fischer, Pipestone, picked the first nice day we've had, to drive into the Twin Cities for record supplies. Wally is about the first person we've heard from in that part of the state, which reportedly is still digging out from the snow. . . . Bill Hunder, Wheaton, was called upon to fly food supplies into towns snowed under and isolated by recent snow storms. Some farmers in this area haven't been able to get out of their homes, and Bill is doing a very fine job and is to be congratulated. . . . Jim Lucking, Benson, reports snow drifts as high as some of the buildings in his town. Benson and surrounding communities have only recently opened their highways for use, and as a result Jim wasn't able to get around to quite a few of his spots. . . . We don't see how he made it, but Al Eggermont, Marshall drove in to visit several of the distributors in St. Paul. Marshall was one of the towns hardest hit by snow storms this year.

Earl Fulmer, St. Cloud, stopped in for record supplies. Earl reports business somewhat slack due to weather conditions. . . . Mr. & Mrs. Cecil Terveer, Winona, picked the nicest day we've had in a long while, to drive in for record supplies. They had planned a trip last week, but our unpredictable weather changed their minds in a hurry! It's been a long time since we've had visitors from North Dakota, but Ernie Woytassek of Cayuga, did manage to get through. Ernie claims that he lives in one of the towns in North Dakota that was lucky. Several of their worst storms missed his town. . . . Business is gradually normal again, as the sun has showed itself the last two days in a row and should take care of a lot of snow, that is, if we do not get another storm. A few more days of this good Minnesota sunshine should do the trick, and as we are nearing the end of March, we are hoping for some signs of Spring!

Wolf Roberts Donates Pipes For G. I.'s

DENVER, COLO.—Wolf Roberts, head of the Wolf Distributing Company, this city, has for many years devoted his time and money in assisting many worthy local charities. He recently read in Jane Sterling's column in The Denver Post (Miss Sterling has cooperated with Wolf in some of his other endeavors) that the G. I.'s in Korea were badly in need of pipes.

Roberts immediately undertook to help solve this problem, and with Fred Meyers of Flaks Merchandise, Inc., donated 100 dozen pipes for the boys, Meyers contributing the same number of tobacco pouches plus a large quantity of waterproof matches.

THIS WEEK'S USED MACHINE QUOTATIONS

How To Use "The Confidential Price Lists"

FOREWORD: Many times, wide differences appear in the high and low prices of certain equipment. Like any true reporter "The Confidential Price Lists" can only feature the market prices as they are quoted. "The Confidential Price Lists" acts exactly the same as the market quotation board at the Stock Exchange—posting the prices as they are quoted for the past week, regardless of how much they may seem to be out of line. Some prices do not change for months. "The Confidential Price Lists", rather than show no price, retain the last known quotations for such equipment so that the subscriber at least has the last known prices as a basis to work with. Prices continue to be very widely divergent these days. Someone on the West Coast may feel a certain machine worth \$150.00 whereas someone on the East Coast may think it worth but \$75.00. Of course, condition, serial, appearance, demand, territory, quantity, etc., must all be taken into consideration. "The Confidential Price Lists" reports each quotation exactly as it is made and depends on the subscriber to make average price adjustments to fit the peculiarities of his territory.

METHOD: "The Confidential Price Lists" should be read as follows: First price listed is lowest price for the week; Second price listed is highest price. Where only one price appears this should be considered lowest price.
