It's easy, just look for R.B.I. '93... it's the only game in town.

AMERICAN SAMMY FOOTBALL FURY

CART SIZE	SYSTEM	AVAILABLE
8 MEG	SUPER NES	AUGUST

Set up the tee and prepare for some great football action from American Sammy.

One or two players can select a division with four teams in each. After the kickoff, select from a menu of plays for both offensive and defensive teams. At halftime, sit back to watch a show complete with a band and cheerleaders!

ELECTRONIC ARTS MADDEN CHAMPION EDITION

CART SIZE	SYSTEM	AVAILABLE
8 MEG	GENESIS	NOW

Don't bother looking for this one at your local retail store. Madden Championship Edition was specifically developed for the video game rental market.

The game looks and plays identical to Madden '93, the only difference lies in the teams which have been replaced by the best Super Bowl teams of all time!

ELECTRONIC ARTS MUTANT LEAGUE FOOTBALL

CART SIZE	SYSTEM	AVAILABLE
8 MEG	GENESIS	MAY

What do you get when you cross the fun of Madden Football with the no-holds barred action of robots and mutants? You get Mutant League Football! With plays and controls very similar to EA's earlier efforts (but not related to the EA sports games), Mutant League Football should appeal to those looking for a bit more action in their sports!

Begin by selecting from sixteen tough teams, each with their individual attributes. Names include Sixty Whiners, War Slammers and the Darkstar Dragons. The teams also have star players like Elvis, Snake and Mauler that have special skills above the rest of the players.

If you haven't had enough fun choosing your team, then you can pick from nineteen stadiums complete with hazards like pitfalls and land mines buried within. Choose wisely because the enemy can take advantage of these situations.

Mutant League Football is a very violent game, but there is the option of toning it down a bit. At the bloodiest level, Annihilation, your players can get smashed by others with a full complement of blood accompanying the action!

Time to play! Choose plays just like the Madden games and head onto the field for a real treat. Players can dive, punch, jump and kick opponents to reach the goal for the

touchdown! Beware of trick plays that can turn an entire team against the opposing coach! Although the setting is very futuristic, the game plays just like your typical football game. But if it's a change you're looking for, then MLF is the choice!

Eat dirt, sweat,
scratch and have
every detail.

The action and color of big league baseball. Nobody can call it like Al Michaels. No game captures it like *HardBall III*.
