Continually gaining in stature as an in person performer and recording artist is versatile Earl Grant. The Decca artist, equally at home vocalizing, performing at the piano or the organ, is currently riding the charts with his hit instrumental LP, "Ebb Tide." His latest single features two sides from his debut film for Fox, "Tender Is The Night"—the title song coupled with "Honey." Grant recently inked a new long-term pact with Decca and is set for nite club engagements coast-to-coast, winding up at N.Y.'s Roundtable, Nov. 20th. He will appear on the Ed Sullivan TV'er Dec. 3rd.

# T'was the month before Christmas and

With the Christmas season rapidly approaching, it is interesting to note how radically the industry has changed its thinking in the area of Yuletide merchandise.

At this time in November some five or six years ago, carloads of Christmas albums and singles were arriving at our offices for review. The advent of stereo kept the Christmas LP picture buzzing for a few years thereafter. But last year, record companies applied the brakes and only a handful of new Yule LP's were added to the list.

This year the same is true. With the exception of a few new albums by the big names, a few specialty items by a wide range of artists, and a few remastered-for-stereo versions of Yule evergreen LP's, very little new Christmas album product has been issued.

This move, undoubtedly, is very healthy for the business. The albums that sold well in recent years can certainly sell well again this year and the dealer or rack jobber now has the advantage of re-stocking his shelves with pre-tested merchandise rather than piling up on untested stock that only results in losses for everyone concerned. At the same time he can sample some

of the new releases.

There is great profit ahead for the progressive dealer and jobber who can merchandise properly the wealth of best selling albums in pop, jazz and classical music along with the special Yule product available today. Yes, it requires an investment of time, money and effort. But now is the time for dealers to act.

The area of Christmas singles has seen little change in the past few years. With radio stations observing an unwritten rule that Christmas programming begins sometime after Thanksgiving, the risk involved in recording a Yule single is high. The time available for building such a disk, in a market which sees some records taking five and six months to develop, is unbelievably short. But the reward for a big Xmas hit is so great that some firms are still taking the chance. We should be receiving most of the Yule singles within the next few weeks. A big Christmas single always boosts sales of all products during the holiday season so let's hope there's another smash the likes of the "Chipmunk Song" in this year's lot.

## "WHEN THE BOY IN YOUR ARMS (IS THE BOY IN YOUR HEART)" (2:40) [Pickwick ASCAP-Tepper, Bennett]

# "BABY'S FIRST CHRISTMAS" (2:20) [Francon BMI-Davis, Murry] CONNIE FRANCIS (MGM 13051)

Lark, whose long, long hit string currently includes her "Dreamboat"— "Hollywood" double-header, should soon be heading to hitsville with "When The Boy In Your Arms (Is The Boy In Your Heart)." Don Costa's ork-chorus supplies the beautifully soft ballad showcase for Connie's heartwarming performance. The charming lilter, "Baby's First Christ-mas," also has what it takes for chartdom—as soon as the season rolls

"REVENGE" (2:37) [Raleigh, Ben Day BMI-Benton, Hall, Ewald] "REALLY, REALLY" (2:38) [Bend Day, Raleigh BMI-Benton, Hall, Ewald]

**BROOK BENTON (Mercury 71903)** 

Benton, who's been turning out the hits at a 'record' clip, can continue his sizzling pace with his latest Mercury stand. It's a hard-hitting Stan Applebaum-led rock-a-string opus, tabbed "Revenge," that can climb all the way to the top of the charts. "Really, Really," puts Brook in his standout beat-ballad style. Top half, tho, carries the sales weight.

"WHEN I FALL IN LOVE" (2:25) [Northern ASCAP—Young, Heyman]

# "SMILE" (2:04) [Bourne ASCAP-Chapli, Turner, Parsons]

THE LETTERMEN (Capitol 4658)

The Lettermen take another evergreen, wrap it up in a beautiful, beat-ballad package and the end result is another 'top ten' outing. Fellas follow their tremendously successful reading of "The Way You Look Tonight" with a superb treatment of "When I Fall In Love." The re-vival of "Smile," on the other end, also takes an ear-pleasing, ultra-lovely ride. Excellent, Jimmie Haskell-string filled backdrops.

# "HEY! LITTLE GIRL" (2:25) [Vicki, MacLaughlin BMI-Shannon] "I DON'T CARE ANY MORE" (2:38)

[Vicki, MacLaughlin BMI-Shannon]

DEL SHANNON (Bigtop 3091)

Shannon, who's been a chart-maker everytime out since bowing on Bigtop with "Runaway" (currently it's "So Long Baby"), can do it again with this one. Titled "Hey! Little Girl," is a quick moving, hard-hitting romancer that has captivating vocal and instrumental sound of his previous hits. Del tastefully shuffles thru a dual-track, country-flavored item on the other end.

# "WHAT A WALK" (2:22) [Darnel BMI-Rene, Adams] "CRY NO MORE" (2:15) [Lescay BMI-Rene, Lewis]

BOBBY LEWIS (Beltone 1015)

Lewis, who now owns two big winners in "Tossin' And Turnin'" and "One Track Mind," can have his third-in-a-row with "What A Walk." It's a sock rock-a-twist'er that sports a catchy teen lyric and a driving Joe Rene ork-choral showcase. Coupler's an inviting blues beat-ballad opus tagged "Cry No More."

# "GOODBYE TO LOVE" (1:56) [Safari BMI-Carroll]

#### "SWING LOW" (2:00) [Odin ASCAP-St. John]

# DICK & DEEDEE (Liberty 55382)

Dick & Deedee are a good bet to click with either end, or both, of this new Liberty offering. It's a newie-oldie combination, "Goodbye To Love" and "Swing Low," that sports the fascinating vocal sounds and drum rolls featured on their debut smash, "The Mountain's High." It's a tossup for honors.

"SONG FOR THE LONELY" "YOU'LL NEVER KNOW" (1:55) (2:27) [Joli-Tinker ASCAP- [Bregman, Vocco & Conn ASCAP Lewis, Wheeler, Carroll]

-Gordon, Warren] THE PLATTERS (Mercury 71904)

and the second of the second second

The Platters are back with two strong contenders for the hit ranks. One half's a touching, beat-ballad romantic newcomer, titled "Song For The Lonely," that the crew puts across with heartfelt emotion. On the other end they come thru with a winning ballad-with-a-beat entry in the "You'll Never Know" revival sweepstakes.

## DALE HAWKINS (Atlantic 2126)

(B+) "STAY AT HOME LULU" (2:23) [Saturday-Walden AS-CAP—Crewe] The exciting blues vet makes a bright-beat debut on Atlantic with a merry ditty that refers to many teen hits. Gal chorus and band back-up with strong teen life. Treat for the teeners.

(B) "I CAN'T ERASE YOU (Out Of My Heart)" (2:04) [Satur-day-Walden ASCAP—Crewe] Tune and arrangement recall Lloyd Price's "Personality" hit.

#### AL BRAGGS (Peacock 1907)

(B+) "WE BELONG TOGETHER" (2:10) [Lion BMI—Braggs, Malone] Strong Latin-blues (not the oldie) date from the songster and the band musicians. Keep tabs on this ex-citing affair. Tune is not the old Rob-ert & Johnny hit.

 $(\mathbf{B})$ "CIGARETTES & COFFEE" (2:12) [Mal-Max, Curtom & Lion BMI—Thomas, Butler, Walker] Wailing wistful from the pro per-former. A moving side.

### JOE TEX (Dial 3002)

(B+) "ONE GIANT STEP" (2:58) [Tree BMI — Crutchfield] Blues vocalist offers a sensitive reading of a romantic whose title is based on the popular kiddie game, "Giant Step." Striking slow-beat combo-chorus setting. Powerful performance.

(B+) "THE RIB" (2:00) [Tree BMI —Tex] An exciting gospel-flavored stint about a fella looking for the gal who has his (Adam's) rib.

## RICK & THE KEENS (Smash 1722)

(B+) "POPCORN" (1:51) [LeBill BMI—Smith, Johnston] Boys, with their distinctive "small-voiced" lead, offer a similar-sounding follow-up to their recent Top 100 noise-maker, "Peanuts." This bouncy nov-olty could also get about coin elty could also get chart coin.

"MAYBE" (2:30) (B) "MAYBE" (2:30) [Figure BMI—Goldner, Casey] A beat-ballad revival of the old hit by The Chantels.

#### ERROLL GARNER (ABC-Paramount 10260)

(B+) "DREAMSTREET" (3:18)(B+) "DREAMSTREET" (3:18) [Octave ASCAP—Garner] Pianist's own composition in an easy-going, well-paced ballad etching. It's his initial AmPar single excursion and could create op activity.

(B+) "WHEN YOU'RE SMILING"

 (3:51) [Mills ASCAP—Fisher,
 Goodwin, Shay] Here's the familiar
 Garner approach to a pop standard.
 Artist's fans have a choice item here.
 Both are from his "Dreamstreet" LP.

## THE FOUR ESQUIRES (Terrace 7502)

(B+) "CAN'T HELP FALLING IN LOVE" (2:03) [Gladys AS-CAP—Creatore, Peretti, Weiss] Ap-pealing church-like sound from the songsters and ork on a touching tune. Lots of deejays will be attracted to the deck's sentiments. Deck rates loads of attention. Watch it.

(B) "THE MERRY-GO-ROUNDS OF HOME" (1:50) [Jack Gold ASCAP—Roberts, Katz] Nice warm continental sound here. Diskery is distributed by London Records.

#### **DENNIS & THE EXPLORERS** (Coral 6295)

(B+) "REMEMBER" (2:56) [Irv-ing Berlin ASCAP—Berlin]
 One of the many Irving Berlin classics to take the teeen beat ballad route is this chart-contending entry turned in by Dennis & the Explorers. Strong side that rates close attention.

(B) "EVERY ROAD (I WALK ALONG)" (2:12) [January BMI—Lowell, Marrow, Kooper] Com-plete about-face in this steady beat rocker that's also right up the teeners' alley. Top notch Dick Jacobs assists.

#### 4 CAL-QUETTES (Capitol 4657)

(B+) "MOST OF ALL" (2:00) [Figure BMI—Freed, Fuqua] Inviting affectionate that was a years-back hit for The Moonglows is very attractively revived by the sound-wise larks. Silken rock-a-string setting. Worth eyeing.

(B+) "I'M GONNA LOVE HIM ANYWAY" (2:08) [Lar-Bell BMI—Kingsford] Off-beat spiritual-flavored romancer from the gals. An original teen-beat affair.

#### FREDDY OWENS (Wall 550)

(B+) "HEAVENLY ONE" (2:20) [Legion, Jalo BMI—Owens, Gale] Owens bows on the Wall label with a looking-for-a-girl beat-ballad survey. Strong ork-choral backdrop supplied by the Jack Gale outfit.

(B+) "THE CHAPEL" (2:18) [Le-gion, Jalo BMI—Owens, Gale] This end's a tale of lost-love told with a sock blues beat by the warbler and the combo-chanting chorus.

#### JIMMY VELVIT (Cub 9100)

(B+) "SOMETIMES AT NIGHT" (2:45) [Gant BMI—Mullins] This deck, a master purchase from Division, features songster Velvit in a down home, slow basic blues stand including a funky harmonica. Haunt-ing sounding that bears watching.

"LOOK AT ME" (1:40) [Gant **(B)** BMI—Mullins] Another real low down blueser, in the up beat, on this side.

#### JOHNNY GIBSON (Bigtop 3088)

(B+) "MIDNIGHT" (2:22) [Vicki BMI—King, Mack, Gibson] A keyboard string section work on an attractive tune with an infectious, at-tention-getting busy-beat sound. This exciting entry should be eyed.

"CHUCK-A-LUCK" (2:25) [Vicki BMI—King, Mack, Gib-Colorful boogie-boogie-slanted (B) son] sound.

#### BOB BECKHAM (Decca 31337)

(B+) "JUST FRIENDS" (2:25) [Robbins ASCAP—Klenner, Lewis] It's good to hear a pleasing singles version of the fine sentimental oldie. Beckham's understanding essay is backed by triplet-included full ork-chorus dressings. Many jocks will take to the treack take to the track.

 (B) "10,000 TEARDROPS (& One Broken Heart)" (2:36) [Vani-dore BMI-Zanetis] Attractive coun-try weeper is handled with sensitivity by the artist.

# "POOR FOOL" (2:25) [Saturn BMI-I. Turner] "YOU CAN'T BLAME ME" (2:05) [Saturn BMI-I. Turner] IKE & TINA TURNER (Sue 753)

Ike & Tina Turner come thru in sensational follow-up (to "It's Gonna Work Out Fine") fashion with this new Sue slice. It's a pounding, chorus-backed rock-a-cha-cha, tabbed "Poor Fool," that vocalist Tina and maestro Ike deck out with sock, dual-mart sales authority. Should spread like wildfire in the days to come. Flip's a fetching thump-a-rhythm entry that highlites a delightful vocal duet by Ike & Tina.

"THE AVENGER" (2:15) [Linduane BMI-Eddy]

"LONDONDERRY AIR" (2:30) [Linduane BMI-Arr: Eddy **DUANE EDDY (Jamie 1206)** 

Eddy & his Rebels, who recently made chart news with "My Blue Heaven," should soon be making this new pairing a topic of teen conver-sation. One half's a funky, steady beat newie, tagged "The Avenger," that has a redskins-on-the-warpath flavor. The other's an ear-appealing, hip-swinging revival of "Londonderry Air" (a current hit for Andy Wil-liams-as "Danny Boy"). Both ends have the goods.

"TURN ON YOUR LOVE LIGHT" (2:30) [Don BMI-Malone, Scott]

"YOU'RE THE ONE (THAT I NEED)" [Lion BMI-Malone]

**BOBBY BLAND (Duke 344)** 

The vet r&b artist, who's becoming a big pop factor with each new re-lease (currently it's "Don't Cry No More") should step out even further with both ends here. Bland comes across with telling blues effect on both the quick moving "Turn On Your Love Light" and the slow beat-ballad "You're The One (That I Need)." Two back-to-back goodies.

#### MACHITO (Roulette 4402)

(B) "TWIST CHANGA—Part 1" (2:13) [Frost—Bauza, Sachs, Glover] Dance-niks have their choice of steps in this catchy, authentic Latin sound from the pro south-of-the-border maestro's ork. For those who sit it out, deck offers fine listen-ing. Has a good airwaves sound.

"TWIST CHANGA-Part 2" **(B)** (2:34) [Frost BMI—Bauza, Sachs, Glover] More of the same. Both sections have chorus stints.

#### THE ESCORTS (Taurus 350)

 (B+) "YOU'RE FOR ME (& I'm For You)" (2:10) [Ampex
 BMI—Dragotto, Palumbo] Lead and fellow songsters display pro teen-ro-mantic sense in this good-sounding speedy-beat Latinish date. Let the bids hear it kids hear it.

(B) "HAPPY" (2:20) [Ampex BMI — Dragotto, Palumbo] Chants throughout highlight another fast-moving stint. Guitars have some original remarks.

#### MATTHEW REID (ABC-Paramount 10259)

(B) "WHY START" (2:29) [Sat-urday ASCAP—L'Heureaux]
 Tuneful romantic ditty is taken for a good-sounding, bright Latinish teen ride by the songster and rhythmic full ork-chorus accompaniment.

(B) "JANE" (2:20) [Saturday ASCAP—L'Heureaux] There's a reverent teen-beat approach to this feelingful love-you-come-what-may opus.

# 33<sup>1</sup>/<sub>3</sub> Thousand Hours Ago

Nashville, Tennessee - August 21, 1958. Archie Bleyer records Johnny Tillotson's first Cadence release. DREAMY EYES. A fabulous new talent handled with the usual Cadence attention to quality that later produced such outstanding hits for Tillotson as JIMMY'S GIRL and POETRY IN MOTION. Now - almost 33<sup>1</sup>/<sub>3</sub> thousand hours later — another Cadence release looks like it will reach the point of great return. DREAMY EYES is back! It has just moved into number one spot in K-POI's (Hawaii) yearly Marathon of Hits tabulation. Last year it was number two and both years out-scored some of the nation's biggest selling singles by Presley, Anka, Avalon, etc. in a poll of over 61,000 listeners. DREAMY EYES even topped Tillotson's own POETRY IN MOTION (the number two record in the country - ran 298 in the K-POI poll.) This certainly proves sales appeal to us. For critical appeal, Bill Gavin says: "Hooray!" Dick Clark says:

"Tillotson's personal appeal plus the wonderful sound on DREAMY EYES could make this another top contender." Neil McIntyre, Music Director, WHK in Cleveland says: "Everything going for it to make it a winner even though it is the second time around." We like to think that a return engagement like this proves our point that the time and care we take to produce quality - not quantity - can pay off in listenable and saleable products for you. This same quality approach can make the new CADENCE LITTLE LP and those by other labels now in production, one of the hottest profit items in the industry if you who are responsible for selling records — sell them. The profits are yours because the job is yours. DREAMY EYES proves to us again that the time and effort we put into producing fewer records can pay off in great return for you with the right selling effort. Now - or 33<sup>1</sup>/<sub>3</sub> thousand hours later!

**POPULAR PICKS OF THE WEEK** 

"HOW TO SUCCEED IN BUSINESS WITHOUT REALLY TRYING"-Original-Cast RCA Victor LSO-1066

LSO-1066 This original-cast version of the show that re-ceived "My Fair Lady"-type reviews can sell itself without really trying (Victor, however, is going all-out for the set promo-wise). Frank Loesser's songs may not be sheet-music stuff, there's not one straight ballad in the score, but they do achieve plot exposition with fine tongue-in-cheek humor. Elliot Lawrence's orchestrations speak perfectly for the score. Performances, headed by Robert Morse, Rudy Vallee and Bonnie Scott, are first-rate first-rate.

# "YOUR TWIST PARTY"—Chubby Checker— Parkway P 7007 Taking advantage of the adult Twist craze Park-

way has repackaged previous Chubby Checker single LP tracks and is assured of both teen and adult reception here. Checker gyrates through such terpsichorean treats as "The Twist," "Let's Twist Again," "The Hucklebuck," "Rock Around The Clock," "Twistin' U.S.A." and "Whole Lotta Shakin' Coin' On" Shakin' Goin' On.'

"RUNAROUND SUE"—DION—Laurie LIP 2009 Dion's deek of "Runaround Sue" is one of the hot-test of the current crop of singles; it opens this new offering from Laurie. Flip side of hit "Run-away Girl" plus ten other r&r tunes are included. Artist's delivery of "Dream Lover," "Somebody Nobody Wants," and "The Majestic" are read with excellent polish and range. Wax could be a run-away hit for Dion.

"I GAWR-ON-TEE"—Justin Wilson Project 8001 For his second entry in the LP field, Justin Wil-son offers more tasty, lovable stories of the Cajuns of Louisiana. Comic's delivery is slow and sprinkled with Cajun expressions and slang. Wil-son is a true story-teller after the Will Rogers school and should again find a national audience for his LP work.

"KERN AND PORTER FAVORITES"—Morton Gould and his Orch.—RCA Victor LM-2559 The two great tunesmiths are well-represented in this superb Gould ork session. Kern: "All The Things You Are," "Smoke Gets In Your Eyes," "Yesterdays"; Porter: "Night And Day," "I Get A Kick Out Of You," "I've Got You Under My Skin." The stylings are of symphonic ork pro-portions and have that special appeal to show music buffs.

"LESLIE UGGAMS ON TV"-Columbia CL 1706 "LESLIE UGGAMS ON TV"—Columbia CL 1706 Cashing in on her rep and popularity earned on Mitch Miller's TV program, Leslie Uggams, aided by the Sing Along Chorus, offers a varied collec-tion of sturdies in her new Columbia disk. Lark turns in an exceptional performance as she belts out lively readings of "Get Happy" and "Birth Of The Blues." LP should be a welcome asset to any appreciator of well done oldies.

Ann, Man!

"ANN, MAN'."—Ann Richards—Atco 33-136 Kicking off her first LP on Atco with a spirited rendition of the evergreen "Yes Sir That's My Baby" Ann Richards demonstrates her superb artistry of reshaping a tune while retaining its essence in both words and music. Lark's delivery is powerful and exciting throughout the disk. Especially noteworthy are the Richards' readings of "An Occasional Man," "Is You Is Or Is You Ain't My Baby," and an up-tempo version of Sis-ter Rosetta Tharpe's "And That's All." LP looms as a natural for sales acceptance.

"TOUCHDOWN, U.S.A."—Univ. of Michigan Band—Vanguard VSD-2100 The U. of Michigan Band is acknowledged to be one of the finest of its kind in the world. The per-formances here emphatically bolster that reputa-tion and should increase the band's standing among discophiles. The band performs on side one the marches of each of the Big Ten teams and then, on side two, graces selected other school, service and general marches. Strong commercial appeal this time of the year.

# "FRANKIE LAINE'S GOLDEN HITS"—Mercury —SR 60587

-SR 60587 Frankie Laine's vibrant voice gets a chance to be heard at its chart-making best in this recap of previous hits. Launching the disk with his fantastic success, "That Lucky Old Sun," Laine belts out other evergreens such as "Mule Train" and "On The Sunny Side Of The Street" with pop artistry and polish. Disk should be hit with Laine fans as well as the mass audience.

"GALAXY OF GOLDEN HITS"-Various Artists -Mercury SRD 11 Mercury offers a package of previous singles hits in this new "Galaxy" collection. Some of the best decks included are the Platters "Smoke Gets In Your Eyes," Dinah Washington's "What A Dif-ference A Day Makes," and Patti Page's "Ten-nessee Waltz." LP seems a good vehicle for holi-day cases ales day season sales.

"A BARREL OF OLDIES"-Various Artists-Del Fi DFLP 1219

Del Fi DFLP 1219 Proof positive that the craze of oldies is still alive is this parcel of past teen chart-makers from Del Fi. The late Richie Valens starts the action off with a spirited reading of his hit deck of "Donna." Other favorites are "Come On Let's Go," "Love You So," and "La Bamba." Wax has the potential to score on the charts.

"A CARLE-LOAD OF HITS"-Frankie Carle-RCA Victor LSP-2148

RCA Victor LSP-2148 In eight specially-titled medleys Frankie Carle directs his appealing pop piano through 25 cher-ished evergreens. There's full ork and sans-lyric chorus along to help set the particular mood. Readings included are "Stardust," "Moonglow," "You're A Sweetheart," "Cabin In The Sky," "I Married An Angel" and "Candy." Relaxing lis-tening. tening.

FRANKIE CARLE

"HANK THOMPSON AT THE GOLDEN NUG-GET"—Capitol ST 1632 The venerable Hank Thompson is one of the most-heard acts at Las Vegas' Golden Nugget, that city's center of country music entertainment. In this set waxed "live" at the club, the singer, with his Brazos Valley Boys in tow, offers such varied items as "Honky Tonk Girl," "Orange Blossoms," "Have I Told You Lately That I Love You," "Steel Guitar Rag" and "A Six Pack To Go." Choice fare for the c&w market.

CONTRACTOR OF CONTRACTOR

"IT'S TWISTIN' TIME"—George Hudson and the Kings of Twist—Capitol T 1578 Capitol's first on the scene with a new Twist package for the current craze. Disk jockey George Hudson heads up a rocking instrumental/vocal combo in sizzling Twist-beat performances of "It's Twistin' Time," "A Little Bit O' Soap," "Blueberry Hill," "Kansas City" and "Doodlin' Twist." Could find strong teen/adult acceptance.

"ENZO STUARTI"—Roulette—R25163 Jumping from obscurity to national prominence after his click at the Persian Room last summer, Enzo Stuarti has cut an impressive premiere LP. Tenor's delivery is dramatic and powerful as he reads "I'd Cry No Tears," "I Run To Be With You," and "Take My Heart." Disk can score.

The Swingin' peters Sisters

'THE SWINGIN' PETERS SISTERS"-Capitol ST 10290

ST 19290 Singing their way through an excellent collec-tion of standards, the Peters Sisters prove that Swing is still alive and kicking. Trio's delivery is warm and natural as are their readings of "Only You," "The Glory Of Love," and "Till." Girls are aided by the Rita Williams Singers and Geoff Love's ork Love's ork.

"ALONE"-David Whitfield-London PS 212 "ALONE"—David Whitfield—London PS 212 One of the few fine concert voices in pop music, Whitfield endows this collection of love songs with his customary meticulousness. Many of the songs here are of an inspirational nature, perfect for Whitfield's rich, well-rounded style. Accompani-ment, by the Paul Conrad ork, is in the appropri-ate full string manner. Sides include "Ramona," "I Believe," "Look For The Silver Lining," "You Are Too Beautiful" and "You'll Never Walk Alone."

"GREAT WALTZES OF THE WORLD"-Vol. 1 -Freddy Martin and his Orch.-Kapp KL-1261 Freddy Martin's shimmering sax section is aug-mented here by a bevy of strings for a lilting dis-play of waltz romanticism. Medleys embrace 27 waltzes in a variety of categories. Included are "The Loveliest Night Of The Year," "Missouri Waltz," "Now Is The Hour," "The Anniversary Song" and many more memorable items. Nostal-gic offering with current adult dance appeal.

"RUSTY & DOUG SING LOUISIANA MAN AND OTHER FAVORITES"—Hickory LPM 103 Country music duo who created some pop noise with "Louisiana Man" (as well as big country music action) stretch out for wider horizons in their first LP date. Tune roundup includes this flavorful Cajun-oriented tune and other clicks: "Diggy Liggy Lo," "Hey Mae," "So Lovely Baby," and several other c&w treats. There could be a lot of interest in the boys' inspired French-Cajun performing style. performing style.

# "JIMMY SINGS ALI BABA"—Jimmy Apostolou —Aristophone LGR 507

Jimmy Apostolou, longtime exponent of Anatolian Jimmy Apostolou, longtime exponent of Anatolian and Arabic songs, gives forth with an interesting group of casbah-type tunes in this entry from Aristophone. Chanter, aided by a bouzoukee-oud-cannon-dumbek instrumental combo, reads "Nina Nae Nae," "My Adored One," and "Sincere Love" with polish and style. LP should be a hit with devotees of this unusual music.

exciting moments.

"MIS'RY AND THE BLUES"—Jack Teagarden and His Sextet—Verve V-8416 The ageless traditional jazz vet creates more musical excitement here than in many recent dates. Reason: the selection of a group of mostly obscure tunes, for which Teagarden musters en-thusiasm and his most soulful vocal attitude— still a charming and reliable mood-setter. Jazz buffs of all styles will thrill to such delicious items as "Don't Tell A Man About A Woman," "I Don't Want To Miss Mississippi," "Mis'ry And The Blues" and "Peaceful Valley."

"BLUE LIGHTS"-Vol. 1-Kenny Burrell-Blue

"THE INDISPENSABLE DUKE ELLINGTON"-RCA Victor LP.41-6 09 From the Victor archives comes 21 tracks cut by the Ellington band during what many con-sider its best years—1940 to 1946. Four of the sides are here for the first time, uncovered by vault housecleaning. Whatever reason for their not being release is lost now, but they're here for evaluation. The others include many now-historic Ellington sides and a lot of brave tries ("The Perfume Suite," e.g.). A two-disk set of high jazz value.

"GEORGE SHEARING AND THE MONTGOM-ERY BROTHERS"—Jazzland JLP 55 What might at first appear to be an incon-gruous meeting turns out not to be so, as Shear-ing gives out with much more than in recent dates and the Montgomery Brothers tone down to an easy jaunt; they meet on a middle ground in what amounts to pleasant mood jazz. There are, though, a couple of moments of more-than-usual interest. Selections played include "Love Walked In," "Stranger In Paradise," "The Lamp Is Low" and "Darn That Dream."

LISZT: Concerto No. 1 in E Flat Major; Con-certo No. 2 in A Major—Samson Francois, pianist, the Philharmonia Orchestra conducted by Con-stantin Silvestri—Angel S 35901 Samson François' agile fingers treat the difficult "Piano Concert No. 1 In E Flat Major" with a powerful and forceful style in this Angel offer-ing. Pianist captures the concerto's rhapsodic spirit without losing any of its personal notes. François turns in an equally admirable job on the "Concerto No. 2 In A Major." LP should find acceptance with anyone who likes good Liszt.

band at momas Jefferson High, the Brooklyn-born trombone star also led his own dance orchestra at local functions. Studying and mastering a number of instruments, he concen-trated on the trombone and won a Philharmonic scholarship from Gug-genheim Foundation for his trombone artistry. While still in his teens, Zentner played Catskill Mountain re-sorts and soon after became first trombonist with the Jimmy Dorseey, Harry James and Les Brown bands. Exiting the Brown band, Si came to the film capital a few years ago and held the first trombone chair in the MGM Studio orchestra. A little over a year ago, Zentner spread his wings and organized his own orchestra. Re-cording exclusively for Liberty, the Si Zentner band had its first hit single (#73 this week) in "Up A Lazy River."

The week of October 21-28 was, be-lieve-it-or-not, National Cleaner Air Week throughout the country. Ever alert to the needs and desires of its community, WSAI-Cincinnati ob-served the important annual event by removing the **Ron Britain** show from the air that week. A public-spirited move! (Actually, Britain, affection-ately known as the London Chappy, was on vacation that week.)

Ramblin' Randy Mason and the boys at WBCK-Battle Creek, Mich., trick-or-treated their way into the hearts of the children at nearby Fort Custer State Home. By urging listen-ers to donate left over Halloween goodies they came up with a whop-ping 204 pounds of treats for the post-holiday promotion.

# Meet Me In St. Louis | Capitol Bows New Stereo Series With Special Plastic Packaging

NEW YORK—Capitol Records this week bows a new LP series, "Staged for Stereo," with five releases, each housed in a unique plastic container. Listing at \$5.98, the entries are: "Swing! Staged for Stereo!" by Van Alexander's orchestra; "Steinways "Swing! Staged for Stereo!" by Van Alexander's orchestra; "Steinways Staged for Stereo" by duo-pianists Henri Rose and Bobby Stevenson; "Percussion! Staged for Stereo!" by The Mallet Men and their orchestra; "Strings! Staged for Stereo" by Nor-rie Paramor's orchestra; a sampler, "Highlights from Staged for Stereo!"

The gray frame of each box is made of a highly-flexible, light and durable thermoplastic called Polypro-pylene, with the front and back of pylene, with the front and back of the frame's center made of clear styrene, which displays the disk, held in place by a plastic spindle, and 8-page brochure that replaces the tra-ditional liner-notes. Each brochure provides diagramatic illustrations of the stereo effects, positioning of the instruments and other technical as-pects of the stereo interplay orches-trated into each selection.

Pictured above is a sample of the "Staged For Stereo" series presented in a newly-developed "fish bowl" album package—a flexible thermoplastic container said to be dustproof, scratchproof and virtually unbreakable. The record "floats" inside the con-tainer, held in the recessed area by a center spindle; record does not come in contact with the surfaces of the container. Liner notes accompany in a separate folder.

# **Malamud Urges Firms** Act On NARM Membership

PHILADELPHIA—Jules Malamud, executive secretary of the National Association of Record Merchandisers (NARM), urged last week prompt action on the part of labels and rack jobbers who have been contemplating affiliation with NARM, in filing their applications for membership now. Malamud pointed out that because the NARM board of directors meets only quarterly, the board meeting to be held in New York at the Summit Hotel, January 18-20, will be the last opportunity for the acceptance of new NARM affiliates prior to the association's convention, to be held at the Eden Roc Hotel in Miami Beach, April 8-13, 1962. Only those companies who are members of NARM may participate in the convention.

Membership applications are being received in three different categories. Regular membership is open to rack jobbers; associate membership is open for supplier-companies to the rack jobbers. The associate membership is divided between labels, who represent the bulk of the category, and suppliers to rack jobbers of products other than disks, such as display fixtures and material, packaging and ticketing supplies.

Applications are available upon request from the Office of the Executive Secretary, National Association of Record Merchandisers, 112 Beverly Road, Philadelphia 51, Penna.

Don Knotts, an Emmy winner, is a regular member of the Andy Griffith television show, and Kave Ballard, in addition to starring in the Broadway hit, "Carnival," is making frequent appearances on video. # **End Of Victor Pact** Seen As Big Factor In Met Musicians' Strike

NEW YORK-The failure of the musicians of the Metropolitan Opera Orchestra to reach an agreement with RCA Records a year ago figured heavily in the recent strike between the musicians and the Metropolitan Opera Company that almost ended a 1961-62 Met season, according to Herman Krawitz, the Met's business administrator.

Krawitz said that the loss of income resulting from the end of the orchestra's association with Victor was largely responsible for new demands by the musicians when a new contract with the Met began being negotiated for last spring.

Krawitz said that Victor's decision to rely mostly on opera releases cut in Europe meant an average loss of \$1,-000 a year to Met musicians.

Krawitz made this observation in a talk here last week before the National Council of the Metropolitan Opera.

A&R exec Frank Jones then presented a gold guitar award to Marty Robbins for his "Don't Worry," a 10-year award to Ray Price and a special music excellence award to non-Columbia artist Grady Martin. This was followed by an appearance by Johnny Cash & the Tennessee Two and a rendition of the country's #1 tune, "Big John," by Marijohn Wilkin & the Jordanaires (Jimmy Dean, the hit's owner, couldn't appear because of his rehearsal for the next night's Ed Sullivan TV'er). A rousing "When The Saints Go Marchin' In" finish, by the entire cast, was led by Columbia's country A&R topper Don Lawplaying the tambourine.

Capitol's Ken Nelson hosted the reception and buffet that followed at the Andrew Jackson while Columbia's Don Law and Gene Ferguson closed out the activities with a Coffee Clatch held the next morning at the Hermitage Hotel.

#### Thanks Trudy

The Cash Box staff takes this opportunity to extend a special note of thanks to WSM's Trudy Stamper for her great assist in compiling the wealth of material contained in Cash Box's November 4th Country Special edition run in conjunction with the 10th Annual Country Music Festival and the 36th birthday of WSM's "Grand Ole Opry." Her invaluable aid helped make this edition the biggest Country Music issue ever produced by Cash Box.

Neville Marten, European director of Cash Box, on a two days visit in Copenhagen after short visit to Stockholm. A. J. Poole, head of EMI (Skandinavisk Grammophon A/S) in London for biz talks.

A. J. Poole, head of EMI (Skandinavisk Grammophon A/S) in London for biz talks.
Bent Fabricius-Bjerre, head of Metronome, Copenhagen, in Hamburg. He is on his way back to Copenhagen from biz visits in New York and London. November means an unusual jubilee for an artist on the Best Sellers in Scandinavia. The Italian teenage singer Robertino's first EP appeared at the market in Denmark on November 3, 1960. Ever since, the EP has been on the Best Sellers in all or in one or more of the Scandinavia countries every month —and still is. It was Triola, a label from Morks Musikforlag in Copenhagen, which signed a world-covering contract with Robertino, and according to Knut Mork, head of the company, his records have been successfully released not only in Scandinavia, but also have done extremely well in Germany, Benelux, France, Spain, Italy, U.S. and Canada. Releases of Robertino records are now planned in near future in Argentina, Brazil, Chile, Paraguay, Uruguay and other Latin-American countries, and also in England. During the year, Robertino made a film in Germany (in which he sings "Ave Maria" by Shubert), and has also made numerous TV and radio appearances in Scandinavia, Germany, Holland and France. For Christmas, Triola is releasing a new Robertino record, "Little Donkey" and the old Italian Christmas song, "Tu Scendi dalle Stelle."
Italian singers are now very popular in Denmark. The latest discovery, Stefano della Carita, was discovered at last San Remo Song Festival for children, and is only five years old. He is contracted for appearances in Copenhagen in near future.

Children and is only five years old. He is contracted for appearances in Copenhagen in near future.
A song competition arranged every year by the daily paper Ekstrabladet and the record company Tono, will not take place this year. The Musicians Union banned the event because professional musicians would have been working for a record company since the winner would have been offered a recording contract. Since October 1, there have been no recording made in Denmark because demands of the MU were not accepted by the record companies.
American jazz musician, alto saxist Herb Geller has announced that he is planning to settle down in Copenhagen and live here permanently.
Latest jazz event in Denmark was a concert with Dave Brubeck and His Quartet. The concert took place in Radio Merkur City in Copenhagen Nov. 7. Philips is having notable success with its new Danish group, The Clifters, (Five young rock 'n roll Danish singers) who this week appear in the seventh spot on the Danish Best Sellers. Their debut record is "How Wonderful To Know."

#### ICELAND

The two brothers Jónas and Jón Múli Arnasynir have produced a second musical, "Allra meina bót," which is now staged by Leikfélag Reykjavíkur. The show is a big success, and the question is if this musical will have any chance to beat the record of "Delerium Bubonis," their last show which ran for 200 performances, a record very hard to break at Iceland. Islenzkir Tónar, who recorded selections of the pair's last show, is also planning a recording of the songs from their new one, reports Tage Ammendrup, head of the com-pany. pany.

**Ragnar Bjarnason** is planning recordings in English for release outside of Iceland, it was reported here. The singer is very popular here and a frequent artist on the local sales lists.

Lido Restaurant in Reykjavik has Savar Gests and His Orchestra under con-tract now, and also the two popular recording artists, singers Ragnar Bjarna-son and Helena Eyjólfsdóttir.

#### NORWAY

Sverre Dahl, head of A/S Proton told Cash Box that he is very happy to say that the introduction in Norway of the United Artists label resulted in a top seller from the very start. It was (and still is) "Michael" with The High-waymen, for the last two weeks in first spot in the local Best Sellers. Borje Ekberg of Metronome, Stockholm, in Oslo recently for biz talks. Swed-ish publisher Stig Anderson was here to promote the songs of his three Swed-ish publishing houses. New in the charts in Norway this week is "The Green Leaves of Summer" with The Brothers Four on Philips. Swedish singer Lily Berglund has been in Oslo for radio and TV perform-ances. Philips rushed out two of her recent Swedish records. She was accom-panied by Göte Wilhelmsson, her husband. According to Haakon Tveten of Philips, Oslo, the company expects a lot from the release of the Brazilian tune, "Brigitte Bardot," which Philips just released with Achilles and his Heels on a single coupled with "Acapulco." Helge Roundquist, head of Cupol Records in Stockholm, in Oslo for biz talks. He is out on a biz trip around Europe and will continue to London, Brussels and Copenhagen before returning to his desk in Stockholm.

#### SWEDEN

SWEDEN New sheet music released here by Belinda (Scandinavia) AB includes the following numbers: "His Latest Flame" (En viss Marie) with lyrics in Swedish by Adéle, "Little Sister" (Lilla Syster), Swedish lyrics by Majken, and "I'm Gonna Knock On Your Door" (Mina Kärleksbrev Dom Vill Jag Ha Igen:) with Swedish lyrics by Ake Gerhard. Lennart Reuterskiöld, head of Reuter & Reuter Publishing Co. reports that he has just managed to publish "In A Monastery Garden" with lyrics in Swed-ish. The original publisher in England has for years been unwilling to allow foreign lyrics versions of this song. A Swedish recording with Rolf Björling (son of late Jussi B.) has just been released on the Joker label. Simon Brehm, head of Karusell-Joker, told Cash Box that he is making a new EP with Göingeflickorna, a social group from southern Sweden in near future. Only original Swedish songs will be on the EP. The latest EP with same group was a top seller in Sweden for several months. Umberto Marcato, another singer in the Karusell stable, off for Helsinki for TV appearance in Finland. Garusell has also released an EP with old recording with Gunnar Wiklund, and this time the critics have been very kind about the record. When the same recordings were new several years ago, the critics were far less kind. Bo Löfberg, head of record dept. at Philips in London for biz talks. Starting Jan. 1, 1962, Kassner Music to publisher Stig Anderson, who is already running Bens Music AB, Sweden Music and Spanka Music in Scan-dinavia.

Anders Holmstedt, head of EMI (Skandinavisk Grammophon AB) in Sweden, told Cash Box that EMI will start releasing the Liberty label here after Feb. 1, 1962.

Helge Roundquist of Cupol to Brussels, where he will be present during a recording session with Bobbejaan at Palette Records. Cupol handles Palette in Sweden. He told Cash Box that he has a new LP with Käbi Lareti ready for release. The famous pianist plays Beethoven's "Appassionata," among other works.

Bernt Baune of Gehrmans Publishing House phoned me and told me he was very happy that he had followed my suggestion and visited Cash Box head-quarters in New York during his American trip recently.

Metronome recently presented the first of its weekly 15 minutes program over commercial Radio Nord station. According to listeners and critics, it was a very well done program. Next company to produce its own programs over Radio Nord is Karusell.

Arbeiderbladet in Oslo, a daily paper, presented a gold disk to publisher Stig Anderson for the sale of 25,000 copies of the record "Hello Mary Lou" on California in Norway. Two years ago, the paper started to give away silver disks for sale of 25,000 and gold disks for sale of 50,000 records. The number of silver disks has been comparatively many, while so far only two gold disks have been awarded. have been awarded.

Greatest sensation of the autumn, at least among record critics, is Sonet Records' release of the Roulette LP "Louis & Duke Recording together for the first time." It is seldom that everybody praises a record so enthusiastically as has happened with this Louis Armstrong-Duke Ellington release.

International Sports Inc., recently debuted in show biz by presenting Fabian, Jay Epae and others. The show did well financially, while the critics were far less enthusiastic. Now the same promotors will present their second try in show biz, this time with only Swedish artists. Starting November 19 in Stock-holm, they plan to present Evert Taube, Ulla Sallert, Olle Björklund, Barbro Hörberg and the Gunnar Hahn Orchestra.

EMI (Skandinavisk Grammophon AB) has contracted a new teenage singer, Ulla Persson, 14, from Stockholm, who was discovered when she sang at the Kingside, a popular dance spot in Stockholm.

The Russian song "Iwan Iwanowitsch" was discovered in Finland, and the Swedish publisher obtained the rights from Germany. Now Metronome, which made the song with the debutant Anna-Lena Löfgren, will return it to Ger-many as they plan to have her making a German recording for release by Metronome in Hamburg.

Arteco, which imports Blue Note records for France, have released Grant Green's latest albums. Jazz fans are going for this well-known rhythm and blues artist. Blue Note pianist Kenny Drew is still playing at Paris' Club Louisiane where he has been held over for an indefinite period. His latest album, "Whistle Stop" is high on the critics' approved list. Two sold-out concerts for The Modern Jazz Quartet at Paris' Olympia theatre last week. No surprise either that the MJQ won the small combo poll whose results were recently announced in Jazz Magazine. in the Holiday-Year end

SPECIAL?

Since Nov. 1, records in Brazil cost 20% more. This is the second raise we have had in less than three months. Once it was noted in this column that the pricing policy of our industry might kill the "hen with the golden eggs," and it can be said again. The retail stores are complaining about these new prices because our public can't afford it. We already had a decrease in all records sales and this decrease should be accentuated with this new price list.

Brazilian Record Companies are now releasing a lot of 33 Compact records, including Columbia, Philips, RCA, RGE. Musidisc, Continental and Odeon. Among the latest releases, RGE issued "Come September" with Billy Vaughn and his Orchestra, Vaughn is very popular, especially in Sao Paulo and the song will be another of his hits.

Speaking about Compacts, Copacabana is preparing its first records of this kind, to be issued later this month. The only important company still pressing EP's instead of Compacts, is Chantecler. About this label, Chantecler has had some personnel losses. A & R director, singer and composer Diogo Mullero (nicknamed Palmeira), quit his job, and signed a contract with Continental Records. It's a big loss for Chantecler's, since Palmeira was responsible for the selection of singers and material and was an expert in these matters. Other directors quit too, and have not been replaced yet.

After the great success of the song title of TV's "Bat Masterson," our public is anxiously waiting for the arrival here of Gene Barry, star of the show. Barry is one of the most popular figures here, especially among our children.

Sao Paulo is waiting for the visit of Anita Bryant, the famous American singer. Miss Bryant will sing for the Brazilian people for five days in Sao Paulo on the Channels 4 and 2 (TV Tupi and TV Cultura) and radio stations Tupi and Difusora.

At this moment, the Brazilian record industry is busy with two important occasions in which music is featured. The first comes in Dec. and, of course, involves Christmas (the weather here at that time, by the way, is very, very hot), and the other comes in Feb., the month for the famed "Carnival." Brazilian composers are writing new songs for both celebrations.

Big news of the weck emanates from impresario Vic Lewis. Following his recent visit to the States, he has announced that plans are in hand for Elvis **Presiev** to come to Britain. Presley has agreed to do a concert on the condi-tion that everything is donated to charity. He will pay all his own expenses and the services of everyone connected with the show, including the arena, must be given free of charge. Presley is not interested in playing a commercial date but wants to reciprocate the Britisn support of his disks and films. It is expected that the concert will take place some time during the summer of 1962.

Other American artists being brought over by Lewis include The Four Freshmen, Jeri Southern and Mel Torme who will have the backing of a British group during their ten-day visit in March. Johnny Mathis has been booked for a two-week tour in May. No confirmation has yet been received for Frank Sinatra and Nat King Cole to appear here.

Agent Tito Burns, who handles many artists. including Billy Fury and The Allisons is currently on a two-week visit to America taking in New York, Philadelphia and Los Angeles. He plans talks with record company executives in connection with his own Lindon Record Company as well as negotiating American appearances for his artists.

Two record companies who are normally competitors are to link up in South Africa. It was announced that Pye Records is to be pressed and dis-tributed in South Africa by the Johannesburg affiliate of EMI under the Parlo-phone label. Artists such as Lonnie Donegan, The Brook Brothers, Clarence 'Frogman' Henry and Benny Hill have already had disks released and further disreleases are planned.

Newcomer Danny Davis has signed a long term contract with Pye Records and makes his bow with "Tell All The World" published by Robbins Music. On the same label Adele Leigh, who is currently appearing at Zurich's Stadt Theatre, has a single release "Marie Marie." Latest Reprise single is Frank Sinatra's "Coffee Song" backed with "A Foggy Day." Piccadilly issue "Don't Get Around Much Any More" by Al Saxon while on the Pye Jazz Series Bob Wallis and his Storyville Jazzmen have "Come Along Please."

Continuing its expansion policy, Oriole Records has signed a contract with London Records of America. This was announced by managing director Morris Levy following his recent visit to America. Levy told Cash Box that this agreement, which is on a selective basis, will ensure the exposure and distri-bution of the Oriole label throughout North America. It will also afford an excellent opportunity for British talent on that label to succeed in the Ameri-can market can market.

Sam Costa, who is better known nowadays as a disk jockey, was at one time one of this country's leading vocalists. He has now turned the clock back and signed with Palette Records as a singer. His first disk just released is "I'm Changing My Hat To A Bowler" on which he is accompanied by Tommy McQuater and The Trad Hatters.

Straight from her American triumph, Shirley Bassey appeared in The Royal Variety Show and topped the bill of Val Parnell's "Sunday Night At The London Palladium."

Also making his fourth appearance in The Royal Show was Frankie Vaughan, whose latest disk "Tower Of Strength" is getting a lot of exposure. Frankie flies to Cologne on Nov. 23 where he will represent Britain in the big NATO show being organized by German Radio.

Versatile Roy Castle has a tour of South Africa and America lined up for early in 1962. His many talents are featured on his Philips L.P. "Castle Wise."

John Barry has returned from the States with the news that he has concluded an agreement with film producer Marty Melcher to write the music for both film and theatrical productions in America. This will necessitate frequent visits to the States—at least four a year. Plans are also being made for a music publishing outlet to be handled here by Melcher's European representative Leslie Conn.

Cameo Records European rep Harry Walters tells us that Chubby Checker is to make a European tour and will arrive in England on December 21 for TV, radio and personal appearances. "The Twist" dance craze sparked off by Checker is currently swinging here and is having a great impact on dance halls up and down the country. Pop singer Bobby Rydell is also expected to visit Europe some time in February.

Latest names to be added to Milton Subotsky's film "It's Trad Dad" are dj's Alan Freeman and Brian Matthew.

From EMI comes news that David Whitfield has been signed up to record for HMV. Previously under contract to Decca, David has many disk hits to his credit including "Answer Me" and "Caria Mia." No titles have yet been selected for his first release on the new label.

"Helen" is the title of Helen Shapiro's first EP on Columbia. 15-year old Helen, who collected a silver disk for her first record "Please Don't Treat Me Like A Child" published by Lorna Music now adds another to her collection for "Walking Back To Happiness" published by Filmusic. A silver disk denotes the sale of 250,000 records.

Other EMI releases include Dinah Washington's "September In The Rain" (Mercury), "Little Shepherd Boy" by Nina & Frederik (Columbia), "The Fly" by Chubby Checker (Columbia), a new Craig Douglas single "No Greater Love" (Top Rank) and "Tonight I Won't Be There" by Adam Wade (HMV).

Publisher Bill Phillips of KPM Music is very excited about his latest number "Little Match Girl Cried" by Neville Russell, who makes his debut on the Polydor label. This could go over very big at Christmas time. Polydor also issue "Hey Man" by Rusty And Doug from the American Hickory label.

Kenny Bally and his traditional jazz group celebrated their third birthday last week with a party held at London's Centre of Sound. Kenny's current disk release on Pye is "Midnight In Moscow."

Miss Joyce Dixey, general manager of The Mechanical Copyright Protection Society, has retired after completing 45 years service. She will be succeeded by B W. Pratt, who joined MCPS in 1948 after several years with The Per-forming Right Society.

#### Cash Box-November 18, 1961-International Section

We have not had too much musical activity in recent weeks because of national holidays (e.g. All Saints' Days with a weekend holiday). Anyhow there is some information:

José de Jesús Hinojosa quit his job as A&R of Columbia Records, and from now on he will work for the new label Discos Alegría (Alegría Records), a new company that probably will work with big capital behind it and will be a tough competitor. So, in less than two weeks, Columbia Records lost two A&R men: Hinojosa and Andre Toffel. General manager J. Manuel Villareal is plan-ning a new comparization and score will approache names in the company ning a new organization and soon will announce new names in the company.

Bill Haley and His Comets, who are working at a theater in the Mexican capital, have recorded a lot of new songs for Orfeon Records and will probably make an LP with his group and Emily Cranz, at the moment one of the most popular figures in theaters and TV here.

After seven performances in the Mexican capital (two at the Terrazza Cassino and five at the National Auditorium), Louis Armstrong returned to the U.S., Louis was not the big success his managers were hoping for.

E. Guillermo Salas, director of the Núcleo Radio Mil (Radio 590, Radio Mil, Radio Eco, Radio Satélite and XEOY FM) returned to Mexico City after spending a two months vacation in Europe in the company of his wife. Salas said he brought a lot of new ideas back and made very valuable contacts during the free moments of his trip.

Big success for Mexican singer César Costa in Venezuela. He broke attend-ance records at the Coney Island, performed in night clubs with full tables and was on TV ("The Renny's Show"). He was also a hit with the teenagers. Costa sings almost all of Paul Anka's repertoire in Spanish and the two best sellers of Venezuela are his versions of "Kisses On The Phone" and "Dance Little Girl." César is at the moment performing on Mexican TV and finishing at Orfeon Records his second LP. He also will have had his first chance in the movies, and Bill Haley's manager wants to take him to the United States. He is also preparing his final law examinations at the University of México.

On Nov. 19, drummer Tino Contreras' jazz combo will debut in Athens, Greece, performing at the Cropol Palace. Raptis was the impresario who signed Tino, the best drummer we have in México. With him will go Mario Contreras (trumpet), Victor Pasos (bass) and Al Zúñiga (piano). Tino made a very interesting album for Musart Records named "Exotic Percussions."

Peerless Records introduced a new rock 'n roll group called Los Santos del Rock (The Rock Saints), who cut "Chapoteando" and "Aprendiendo el Rock" (Learnin' the Rock).

Here by now should be the Spanish group The Iruna-Qo, who signed a con-tract with Pepe León, owner of Social Club, replacing The Platters, who will return to the U.S.

And talking about Spanish artists, Miguel Herrero's show disappointed the Mexican public, because it didn't bring many new acts this time.

New singer Jaime Guzmán Mayer debuted as singer on Tizoc Records, with "Espinas de Amor" and "Salambo." Mario Freidberg, president of this com-pany, sees a great future in Mayer.

María Eugenia Rubia cut "Si Mi Hijita Linda (Yes My Pretty Baby)" and "Starlight, Starbright," for Musart, the vocal group Los Pao recorded at Musart Records Tito Rodriguez's composition "El Rey del Timbal" and "Los Hermanos Pinzón." At the same time, a new rock 'n roll singer Javier Vega, who is exclusive of Gamma Records, made his versions of "Goodbye Again" and "Final Felíz" (Happy End) with Bebo Valdes' orchestra.

We listened to Mercury's album released by David Carroll and dedicated to México under the same name. It's a pity that half of the songs are not Mexican.

#### HOLLAND

Cees Hundepool, Bovema's Capitol label manager, is preparing an extensive sales campaign for the forthcoming release of "The Nat King Cole Story," a luxurious triple-set, featuring Cole s successes. Most dealers already received a personal letter by Cole and the fine, yellow booklet which will also be in-cluded in the album. Capitol-Holland also joined the publicity activities for "Judy Garland At Carnegie Hall." City Films L.C. in The Hague, recently invited the Dutch music-press to inaugurate the U.S. motion picture "Jazz On A Summer's Day," featuring The Newport Jazz Festival 1958, in which Bovema label artists George Shear-ing (Capitol), Chico Hamilton (Warner Bros.) and Mahalia Jackson (Columbia) take their brilliant parts. The film will be released in the New Years-week next to come. next to come.

Bovema's instructive Music Minus One-label recently held a triumphant jazz-performance in Eindhoven, in close collaboration with the city's Jazz Society. Well known Dutch jazz soloists like Tony Vos, Flip van Glabeek and hot violinist Stido Alström shared their spontaneous musical reactions with MMO-backgrounds. The event turned out to be a great success.

L.C. Bovema has obtained the exclusive salesrights in Holland for the well-known American Vee Jay-label, featuring stars such as Dee Clark, Jimmy Reedmas well today's greatest stars in jazz: tenor player Wayne Shorter, trumpetter Lee Morgan, pianist Wynton Kelly and bassplayer Paul Chambers.

trumpetter Lee Morgan, pianist Wynton Kelly and bassplayer Paul Chambers. The vocal-instrumental quartet Los Fronterizos—one of the top names in records in their homeland of Argentina—made a sensational debut at the Grand Gala Du Disque. You read about this second annual event in a previous issue of Cash Box. As you may remember, part of this Grand Gala was seen on television. As for Los Fronterizos, they were heard and seen on Dutch TV for the second time on October 21st. These boys, whose recordings come out on the Philips label, are getting more popular day by day. Their first Philips EP was released here a few days ago and will certainly be welcomed by all who have become Fronterizos-fans since the Grand Gala (L.C. Phonogram). have become Fronterizos-fans since the Grand Gala (L.C. Phonogram). For fifteen years conductor Bill Stanford and his show orchestra have been associated with the René Sleeswijk National Musical Show. Therefore, a spe-cial LP was released with medleys of songs played in the style of the twenties. Vocals on this record are by Truus Koopmans and Rens van Dorth (Philips). Another special release is an EP by Willy Alberti (outside Holland best known for his recordings of Italian pop songs). Alberti sings songs by Max Tak, one-time conductor of The Tuschinski Theatre Orchestra, Amsterdam. Tak came over from New York to be present at the festivities of the 40 years jubilee of this theatre (Philips). this theatre (Philips).

Los Cinco Latinos from Argentina, Fontana artists (L.C. Phonogram), were presented with a gold record by the managing director of Philips Records in Spain. Holland is hoping to welcome this ensemble before too long.

Around the middle of November Dave Brubeck and British singer Valerie Masters are to be seen on Dutch TV. Both are Fontana artists. The Johnny Hoes record of "Och Was Ik Maar" (Philips) is well up to 250,-000 sales. Only The Blue Diamonds' Decca recording of "Ramona" has achieved an equal success here.

Dutch version of "Brigitte Bardot" by The Butterflies (Philips) is selling like hot cakes.

#### BELGIUM

Things are really beginning to move for S.A. Gramophone artists Les Chats Sauvages (The Wild Cats). Their 10-inch LP, just released, should be a big seller. The richly illustrated album contains successes such as "What'd I Say", "Theme For A Dream" en "Let's Twist Again."

A sensational EP has just been released by S. A. Gramophone. Title: "Connie Francis In Paris," sung by popular Connie Francis. One of the high-lights on this EP: "Jamais", French version of Freddy's hit "La Paloma."

Picks of the week released by S. A. # **Epae In Sweden**

STOCKHOLM—Among many songsters touring Sweden is Jay Epae (left) who attracted loads of attention with his money-making "Putti Putti" single. He's seen here with music publisher Stig Andersson (center) and Akke Carlsson.

The Commonwealth Statistician recently issued population figures as taken at the nationwide census check in June last. The total population of Australia now stands at a shade over  $10\frac{1}{2}$  million—which shows an increase of 16.93 per cent on the previous census of 1954. The population shows a breakdown of 5,310,000 males and 5,200,000 females, of this total more than eight million people live in the Eastern States of Australia.

people live in the Eastern States of Australia. Leeds Music Pty. Ltd. and its associated companies are currently handling a full hand of hits and feature chart contenders including "Hit The Road Jack," "Goodbye Cruel World," "Runaround Sue," "I Still Love You All," "Romeo," "Tell It," "Big Cold Wind" and the English chart item "My Boomerang Won't Come Back." Jack Argent—who presides over all steady-income material— reports to Cash Box that "When The Girl In Your Arms Is The Girl In Your Heart"—as recorded on Columbia by Cliff Richard—is receiving excellent disk iockey attention and could reach chart status as a result of Cliff's recent Aus jockey attention and could reach chart status as a result of Cliff's recent Australian concert tour.

tralian concert tour. While Johnny O'Keefe is still holding down the coveted number one spot among the best-selling singles right across the nation, our chart this week features three of the hottest new singles to show out for a long while. Of these the outstanding one is James Darren's Pye label release of "Goodbye Cruel World." This one is having a spectacular run at the moment and if the action continues at the present rate, it should easily hit the top position. Close on on its heels is "Hit The Road Jack" by Ray Charles which is released here on Ampar. Many of Ray Charles' previous American hits have only won fair success in Australia, but with "Hit The Road Jack" Ray has really "arrived" as this one is hitting the charts with a king-size wallop. The third of the new big three singles enjoying strong consumer and deejay action is Jimmy Dean's Coronet label slice of "Big Bad John." Over the next few weeks, these three disks should be having an interesting chart tussle for the key position. Cash Box in Australia still hasn't received official advice regarding the rep-

Cash Box in Australia still hasn't received official advice regarding the rep-resentation of Frank Sinatra's Reprise label in this territory but it is strongly believed throughout the trade that Pye Records will handle the Reprise cata-logue. If Pye does win the Reprise material, it will be in the face of strong and financially attractive bids from several major Australian companies.

"Girls, Guitars And Gibson" is the title of the new RCA album release by Don Gibson that has just been released here. Gibson recently struck pay dirt in Australia through "Sea Of Heartbreak"; these fans should create a good market for the album.

The Festival group is out now with its Christmas releases, which include two locally produced packages; "A Merry Christmas With Noeleen Batley" an EP on Festival features Noeleen with four popular Christmas titles. Again on Festival is "Joy To The World," an album of Christmas standards by Col Joye. Another LP on Festival is "Christmas Day With Sammy Kaye" which carries a batch of seasonal favorites and on Top Rank is a package entitled "Silent Night, Holy Night" by The Lamy Children's Choir.
Cashing in on the current big action on James Darren's "Goodbye Cruel World," Pye Records have issued Darren's album "Gidget Goes Hawaiian," which brings some material from the same title.
Australian Record Company's Nov. album releases include "Portrait Of My Love" by Steve Lawrence; "Great Motion Picture Themes"; Soundtrack from "Goodbye Again"; "Charanga Pachanga" by Tito Rodriguez; "Come Sing With Me" by Eydie Gormé—all on the UA label. On Coronet are "Tonight Only" by The Dave Brubeck Quartet; "Showtime" by Doris Day; "Christmas Sing-Along With Mitch"; "To Each His Own" from Ken Griffin. Among new albums on Warner Bros. label are "Jazz Festival In Hi-Fi"; "The Riotous, Raucous, Red-Hot 20's" by Joe "Fingers" Carr and "Strings Over Hawaii" by the 101

The 101 Strings," which is a strong sales package in America. WG also issued the original London cast album of "Salad Days," drawn from the Oriole catalog in England. New singles on W&G are "They're Playing Our Song" by

Ramirez Madrid, who will stay in Buenos Aires for about a month, will arrange the last details for the visit of Los Cuatro Hermanos Silva, the famous Chilean quartet, also established in Mexico; The 4 Silva Brothers have just finished some performances in Los Angeles, California, and are now in Mexico. Before going to Argentina, they'll take part in some programs on Radio Caracas Television, in Venezuela. Buenos Aires, and will perform on TV and nightclubs; after that, will visit Uruguay and Brazil, and in Feb. will be at the Viña del Mar Song Festival, in Chile. Nestor Selasco, president of Sicamericana (Dot, 20th Century Fox, Fonit, Bell, Hispavox, Vanguard and Reprise representative) has just returned from a trip of Brazil, Venezuela, Mexico and the States. He told Cash Box that he is very satisfied with his visit to those countries, and "was happy to see that we are in a very high point in the record scene in this country." He was par-ticularly impressed by the "many offers of technical help we have received." Selasco has arranged the distribution of his local production (Music Hall and Ritmo labels) in many countries, including Turkey, Venezuela, Mexico and Hong Kong. "In some cases," Selasco explained, "we have considered that we must help to promote our records. It isn't only to sign a contract and then re-ceive a certain amount of money; we have to help our representatives, send-ing them all the material that is possible, and cooperating as best as we can." He also said that Sicamericana has several other offers for representation, and that in the next weeks there would be interesting news regarding them. Mauricio Brenner, of Fermata Publishers, must have also already returned from his trip to Brazil, Venezuela and Mexico, but unfortunately up to the moment we couldn't get in touch with him. Next week we'll inform about his comments, which surely will be interesting. Luis Calvo has also returned from a biz trip to chile and Peru. He spent three days in Santiago and five in Lima, and reports that was very well impressed by the success received by Brazilian teen singer Sergio Murilo by Mexico's Trio Los Panchos and by Ray Connif. The general manager of Columbia Ar-gentina said that "Columbia's sales are as we estimated, and are continuously increasing"; he added that the could note that tango music is returning to popu-larity in Peru. #### CHILE

The City of Viña del Mar and Radio Sociedad Nacional de Mineria continue preparing the details of the Third Song Festival of Viña. The contest—which up to date is restricted to Chilean composers—will probably be one of the most important events in Latin America music year. It will take place in the third week of February 1962, and most Chilean recording companies have promised recordings of at least three of the twenty best tunes. Most Argentinian pub-lishers are also looking with big interest at this festival. "Tanto Control" (So Many Rules) is the biggest hit nowadays in Chile. The tune has been recorded in Spanish by Connie Francis (she also sings it in English), in a version made by Argentine composer Felix Villa. Many consider that this proves that Spanish versions for these markets must be made in Argentina or Chile because of some details in the language that are "a must" for customers. Versions made in other countries, in general, are not liked by the public, because in many cases it doesn't understand the sense of the song.

## Berlin Writer-Publisher At Cash Box

NEW YORK-Fred Oldoerp, German songwriter-publisher with headquarters in Berlin, was in the U.S. for two weeks of business negotiations. He's shown here visiting Cash Box just previous to returning to Berlin November 9.

Good-by (sayonara) video cast of "Perry Como Show" was seen here over NTV network Oct. 28. The station claimed this was the last and no more would be telecast in the future. The trouble over the pact terms between producing station (NBC) and receiving station (NTV) was the major cause to have the long-favorite program fade away here.

How do you put on a pop music festival where the actual compositions are judged? That's the question facing the music industry here today. The actual purpose of a pop music festival is to give the local composers the chance to start their numbers off to a flying start via TV with the added publicity bonus of having won a festival or received a top placing. The festival bug hit Germany about 3 years ago when Radio Luxemburg rult on the First German Pop Music Festival in Weisbaden. Different stars were signed up to sing the entries and after all the radio exposure was through, Ruth Fischer and Will Brandes walked away with first prize and Chris Howland won the prize for the most popular song by the audience present on the last evening of the festival. Both of the songs and all the other prize winners of the festival as judged on the strength of the artists rather than the material presented. German TV tried a different approach. Twelve orominent authors were asked to submit songs which were presented to the TV audience again by recording stars. Newcomber Wyn Hoon walked away with first prize and went on to finish 4th in London at the Europe Song Festival, but the record also did not sell more than 45,000 records. The second place song got an additional push through a religious TV program here and went on to sell the magic million by young songstress Heidi Enruhl. However, the industry still was not satis-fresented by just 12 authors. This situation was not remedied in 1960 when the same festival was held, Lale Anderson won, went to Cannes, finished last and the song was never even recorded here until recently when it was given a "B" side treatment. At the time that Lale won the festival she was riding the top of the charts here with her version of "Never On Sunday" and once again the industry cried that an artist local popularity rather than a strong number won the festival. Radio Luxemburg tried a different approach. They signed altrough only 3 artists were presented with over 12 songs, it turned into a sirrus that the final answer has been found as to how to present a festival where the songs are judged and not the artist. Let's hope for the best. Peter Lach writes us that his new Capriccio Publishing House is going great guns with new releases by The Blue Diamonds, Ria Valk, Johnny Hoes and

Ariola has brought out the Dion version of "Runaround Susie" as Laurie rec-ords is now being distributed by the firm. Ariola has also taken over Frank Sinatra's Reprise line for Germany, Austria and Switzerland. Otto Demler, formerly with Aberbach Music and Gerig Music, has taken over as exploitation manager of Edition Accord in Cologne. Otto will be in charge of buying foreign copyrights for his firm and placing recordings. The Edition Ac-cord is part of the EMI publishing group. Otto is also handling artist promo-tion for Electrola Pecords Theo Seeger of Peer Music writes that he's working hard on the new Vanna Olivieri waxing of "Mucho, Mucho, Mucho" and that two of his numbers, "Amor" sung by Ben E. King, and Paul Kuhn as well as the top hit "Pepito," with 12 different versions here, are swinging to ward the top of the charts. Rudi Slezak writes that Aberbach Music is going to town with new waxings on the market of "Jezebel" by Ivo Robic and "Come September" in 6 different versions.

versions. With the Russian claim of inventing jazz in Odessa still in the papers, Polvdor has brought out a Dixie version of "You Were Meant For Me" in old time "ricky-tic" rhythm with a lyric sung Russian???? The record is full of laughs and could make an outside break for the charts here. Solami Music in Munich is hard at work on new recordings by Leo Leandros and Rocco Granata of the hit Italian tune "Signorina Bella." That's it for this week in Commany. Germany.

The Fendermen of "Mule Skinner Blues" have just completed a six week stand at the Esquire Show Bar in Montreal. The seven man band was originally slated for one week at the night spot, but due to their overwhelm-ing success the group was booked in for another five weeks. The only original member of the group is Phil Humphrey. He met the new members of the band while on tour in Northern Alberta, Canada. The new members are all Cana-dians from Edmonton, Alberta. Davey John, who is the bass player in the group, used to run a booking agency in Edmonton and at this formed the group that was later to meet Humphrey. Their contract with Soma Records is terminated and they do not intend to renew it. They were recently signed by Conway Twitty's manager, Don Seat.

Bud Hayden of Select Music in Vancouver writes that Select is now the dis-tributor of Capitol Records. His current hit singles are, "You Mostest Girl" by Bob Lee on Regency, "Mina Bird" by The String-A-Longs on Warwick, and "Steps 1 and 2" by Jack Scott on Capitol. His album clicks include, "Judy At Carnegie Hall" on Capitol, and the new Kingston Trio entry, "Close-Up."

Art Young of Zirkon reports that the label is hot again with "Please Don't Go" by Ral Donner, "Ya Ya" Lee Dorsey, "Til" by The Angels on Caprice, "Stick Shift" by The Duals on Sue, and "Tonight I Won't Be There" b/w "Lin-da" by Adam Wade.

Allison Kennedy is the new librarian at CFUN in Vancouver. She replaces Mike Powley. Another change at the station is George Morris, who takes over the all-night slot from Jerry Landa. Landa has left the station.

Wray Rutledge of Quality Records writes that he has just released these new chart entries, "On Bended Knees" by Clarence Henry on Argo, "Pushing Your Luck" by Sleepy King on Quality, "Wadja Say Mr. K" by The Sicknicks on Reo, and "Little Lonely" by Chad All-n on Mercury. Rutledge reports that his current hot albums are "Quarter To Three" by U.S. Bonds on Reo, "Wooden Heart" by Joe Dowell on Mercury, "Boll Weevil Song and Other Great Hits" by Brook Benton on Mercury, and a hot new entry, "King Of Kings" on MGM, from the motion picture of the same name.

Jim Yaetman of RCA Victor is racking up plenty of sales from the Elvis Presley album, "Blue Hawaii." Singles doing well include, "Language Of Love" by John D. Loudermilk, "Hang On" by Floyd Cramer, and the strong French entry "Meo Penche" by The Jerolas. Yaetman also announced three new albums to its French \$1.98 Gala line. Again Victor introduces top names into the low priced market. Included in this release is a package by one of the big western names Roger Miron and also an album by the Three Bars, who have had sev-eral single hits. Victor put the Gala line on the market about three months ago with six albums. Victor is only one of the big companies to recently enter the \$1.98 derby. Compo introduced its Festival line about six months ago, Trans Canada and Rusticanna have decided to stress their \$1.98 product, Fleur de Lys will be ready to introduce 10 low priced albums within the month. These are only some illustrations of the emphasis companies have laid on their low priced French product.

Most of these albums are by local artists. Never has the French industry seen so much activity in the \$1.98 field. There are many reasons to why the firms are releasing low priced items rather than \$3.98. One is that the diskeries cannot get volume out of a high priced album except for a few name artists. Since the French market is limited to the province of Quebec there are only 350 record dealers available for French sales. Therefore the companies had to look for other outlets. Part of the answer could be found in low priced items for the chain stores and racks. This idea has grown to such an extent that now dealers are beginning to stock low priced French albums in quantity. The only local French artists who can sell well at the \$3.98 level are Michel Louvain, Les Jerolas, Pere Gedeon, Ti-Gus et Ti-Mousse, and Fernand Gignac. This is why companies are now going after quantity with low priced product rather than release no product at all excepting the big names mentioned above.

#### Cash Box-November 18, 1961-International Section

On his return to Milan after fifteen days in New York, Krikor Mintangian, the president of Durium, told Cash Box of the impression his first visit there had left on him, talked of the open-hearted cordiality which emanates from the city of New York and which was symbolized for him in the warm generous hospitality he had received from Joe and Norman Orleck, and George Albert, all of the Cash Box; Paul Marshal of Top Rank, Johanan Vigoda, Lee Hart-stone of London International, Mr. Shein and Nat Shapiro of Columbia records and so many others. He also told me he had flown to Montreal for a very short visit to Mr. Jamieson of London records of Canada.

It was a pleasure to make the acquaintance of Vogue president, Leon Cabat, at the offices of the Mintangians. Cabat said he has been coming to Milan three times a year for business and to see his close friend, Krikor Mintangian, the president of Durium, who represents the Vogue name in Italy. Correspond-ently, Cabat represents the Durium name in France and stated that the most successful Durium singer throughout his country was and goes on being Marino Marini. Cabat added that the young, but well known boy of Durium, Little Tony, is due in December in Paris for appearances on a big show. Vogue can be proud to read his name on the Italian charts, in fact its Brigitte Bardot by Roberto Seto entered the list at the number 7A position. Cabat said his "Brigitte Bardot," got a strong start towards the big success which it has been enjoying in France, just through numerous radio plugs. Cabat has inten-tions to send some of his talent to Italy for theatre and TV appearances in order to promote stronger record sales. order to promote stronger record sales.

We also had the pleasure of meeting Jack Mills, the president of Mills Music Corporation in New York, who told us he flies to Europe twice each year to see his European representatives. In Milan, Mills paid a visit to maestro Robbiani, composer of serious music and president of music and record house Carisch, which has been operating in this business for some one hundred years. Mills is the sub-publisher of the Carisch's music catalog for the States and maestro Robbiani expressed how much he appreciates the cooperation of Mills Company and mainly emphasized the efforts made by Mills in order to promote the Italian serious music in the States. Mills will devote efforts also for the success of the Carisch's light music catalog in his country.

At the offices of Mr. Casetta (Bluebell), we had the pleasure of meeting Bill Grauer, who is on an European trip to visit his representatives on the con-tinent. Grauer produces the following record lines: Riverside (jazz, dance, pop music), Jazzland, Wonderland (children's records), Washington (classical and folk music), Popside. While in Europe, Grauer wants to contact local record lines for representation in the States. He added that the European labels have at the present time more possibilities of succeeding in the States than in the past. Vice versa, American pop labels are no longer so popular in Europe, he said, while American jazz music meets with major appreciation in Europe now than in the past. Questioned about the difference between the European jazz fans possess a refined music taste and buy a jazz record exclusively when it carries highly qualified music; in the States, instead, the public buys jazz records principally to follow a certain fashion, an evidence of this fact, he added, are the record sales of Bill Evans, every disk by whom sells in the States only 5,000 to 6,000 copies, while as soon as the European jazz fans realized and became aware of his skill, every record by him started selling in Europe some 20,000 copies. Grauer also announced that he gave Casetta of Bluebell the Italian representation of the Vee Jay line, which features both jazz & pop pieces and often appears high in the LP charts.

In last week's column, it was incorrectly stated that Mr. Ricordi had joined RCA Italiana as art adviser. Actually, he assumes the post of record creation manager.

#### "I NEED YOU NOW" (2:30) [Miller ASCAP-Crane, Jacobs] "HAPPY JOURNEY" (2:30) [Regent BMI-Nowa, Jay] HANK LOCKLIN (RCA Victor 7965)

Watch Hank Locklin tear up the charts with his outstanding reading of the years-back Eddie Fisher pop hit, "I Need You Now." The Floyd Cramer piano plays a big part in the sensational backdrop and Locklin wails up a storm. Don't overlook the delightful German-inspired "Happy Journey" tearjerker on the lower end. Could also make a stand.

# "THINGS THAT MEAN THE MOST" (2:38) [Cedarwood BMI—Wilkin] "AIR MAIL TO HEAVEN" (3:35) [Cedarwood BMI—Westberry] CARL SMITH (Columbia 42222)

Powerful follow-up stanza to "Kisses Never Lie" is Smith's deeply sincere chanting of the touching "Things That Mean The Most." Warm ballad offering is a sure-fire chart item. Another soulful session, "Air Mail To Heaven," could also come up with the coin.

#### "HELLBOUND TRAIN" (2:23) [Barton BMI-Flood, Erein] "JUDY LYNN" (2:53) [Hemlock BMI-Flood, Wright, Carter] DICK FLOOD (Epic 9479)

Looks like Dick Flood'll be the first to carry the new Epic country banner up the hit ladder. Side to do it is "Hellbound Train," a bristling swift-paced "fire 'n' brimstone" saga with an inspirational theme. Exciting deck with a promising future. Another fascinating, quick-beat tale is told in "Judy Lynn."

#### "TWENTY MILES FROM SHORE" (1:53) [Cedarwood BMI-Graves] "BIG OLE HEARTACHE" (2:18) [Acuff-Rose BMI—Howard] HAWKSHAW HAWKINS (Columbia 42223)

The Hawk's newest entry, "Twenty Miles From Shore," is a bright, bubbly bouncer with an engaging romantic lyric. Deck's long in the charm dept. and should be tabbed as the singer's next click ride. Ricky-tick combo sets the pace for the warm-hearted lament, "Big Ole Heart-ache," on the flipside.

"YOU REMEMBERED ME" (2:15) [Cash BMI-Cash] "HOW MY BABY CAN LOVE" (2:00) [Trickle BMI-Davis, Terry] GORDON TERRY (RCA Victor 7944)

Gordon Terry's jaunty approach to "You Remembered Me," an inviting Johnny Cash-penned blue romantic could turn out his biggest deck to date. He reads it with that appealing Cash-like casualness. Rates heavy airplay. Coupler, "How My Baby Can Love," is a blues-oriented rocker.

"KEEPING MY FINGERS CROSSED" (2:19) [Central Songs BMI—Mize] "IF I LIVE LONG ENOUGH" (2:29) [Pamper BMI—Carter, Carter]

SHIRLEY COLLIE (Liberty 55391)

Here's a tradition-styled, upbeat handclapping affair that the thrush weeps with country authority. Has a friendly, appealing sound that should earn it a quick reception. Gently swaying, multi-tracked opus is the tear-stained coupler.

#### DONNY YOUNG (Mercury 71900)

(B+) "ON SECOND THOUGHT" (2:14) [Tree BMI—Young] Latin-ish beat lament here is huskily whispered by songster Young. Attrac-tive session in which delicate ork/ chorus work is a feature. Could come up with needed exposure.

(B+) "ONE DAY ACTEEK" (2:34) [Tree BMI-Young, Adams] Tradition-oriented separation stanza gets a solid beat, tearfully sincere etching. Two first-class sides that could go on to big things.

#### RUSTY YORK (Capitol 4663)

(B) "THAT'S WHAT I NEED" (2:24) [Pamper BMI—How-ard] Rusty York turns up on this Capitol outing with a familiar blues affair. Date has a pop angle and could get its strength in that field.

(B) "JUST LIKE YOU" (2:29) [Pamper BMI—Howard] An-other familiar melody here in tradi-tional country ballad setting. Listenable wax.

#### WARNER MACK (Kapp 851)

(B+) "FIREBALL MAIL" (2:08) [Milene ASCAP — Jenkins] The oldie is given a rousing sendoff in this new version by the vet songster. Solid accompanying combo/ chorus work neatly wraps up this potential-loaded session.

(B) "SEND ME THE PILLOW YOU DREAM ON" (2:43) [Four Star BMI—Locklin] Here Hank Locklin's sturdy is efficiently weeped by Mack. Could get airplay attention attention.

#### SUSAN YOUNG/ROGER SMITH (Cenla 8210)

(C) "THE EYES OF SANTA CLAUS ARE WATCHING
 YOU" [Wax] Season's first country Christmas deck is this rewrite of "The Eyes Of Texas" chirped by songstress
 Young. Let's hope it's not an indica-tion of things to come.

"I'M GOING BACK TO NEW ORLEANS" [Wax] Roger (C) ORLEANS" [Wax] Roger Smith's turn here to display his vocal wares. Where are they?

More than 1,000 country music fans flocked to Chase City, Va., for the Virginia Folk Music Association's 15th Annual Festival. # The Chicago Loans and Bonus Ordinance

# An Industry Victory

After too many years of bending to the location owners' demands for loans and bonuses, the coin machine operator has taken a stand and it is the hope of the entire industry that the blow dealt this vicious practice in the Chicago council last week will be only the beginning.

The City Council of Chicago voted unanimously (CB Nov. 11 P72) that retail dealers in alcoholic liquor are prohibited from accepting money, etc. for installations of coin-operated or amusement devices on licensed premises. The ordinance amounts to a death blow for the loans and bonus cancer which has crippled the operators of Chicago and the entire nation ever since the first dollar was offered a location many years ago.

The practice of loaning money to locations for consideration started as an innocent business dealing but quickly turned into a hopeless situation whereby operators were pitted against one another by fast-learning location owners with the end result causing almost chaos in certain operating areas in the country. Many operators today continue to offer outlandish sums of money for the right to operate in a location and it has become a question of whether or not this practice in many instances makes sense. To merely refrain from the location loan is to invite disaster since the competition would be quick to offer the assistance to location owners. A bonus, on the other hand, has spiraled into a cost-of-operating figure that puts many top locations on the borderline insofar as profits are concerned. Many an operator has watched money intended for new equipment, a necessary investment, fall into the hands of the location, and with absolutely no prospect of increased income from this location.

Evidently the operators in Chicago were repaid tenfold for their efforts in establishing this ordinance. The result of their continued endeavor over the years may spread throughout the nation. Perhaps the Chicago ruling will someday be recognized as a necessity by local legislators throughout the land.

Let every coin machine association bring the Chicago ruling to the attention of hometown legislators. An organized effort behind this all-important ruling might result in a return to a more stable operating business whereby the operator can offer amusement and nothing else in return for a percentage of the proceeds in the cash box. Let the competitive aspect rest on the merits of service, equipment and quality of entertainment. "I'm sorry but it's against the law," may some day be the slogan of every watchful operator in the business wherever that costly question of loans and bonuses crops up.

The page and one-half layout in the Nov. 5 Magazine Section, com-plete with appropriate illustration, was the result of a report prepared by Philip Benjamin, a New York Times staffer, who gained much of his information from Joe Orleck, Cash Box president. rector Frank Mitchell, and sales manager Lester Rieck were hosts to a group of some 70 people (Rock-Ola distributors and their wives) who are vacationing for about two weeks in the Caribbean Islands.

The new contest, known as Rock-Ola's "Grand National Sweepstakes," offers every operator who purchases a Rock-Ola model 1493 "Princess" compact phonograph, or the new "Empress" model 1496 or 1497, a chance to win one of four "Princess" compacts to be given away free each month to lucky operators. Ralph Wyckoff, Rock-Ola's sales and marketing chief, advised that 12 phonographs will be awarded free from November 8, 1961 through February 8, 1962.

However, the grand prize in the contest is a two week holiday in Hawaii for two. The lucky vacationers will fly in first class jet comfort to Honolulu where they will receive a lei greeting by native Hawaiians.

They will vacation in splendor at the Hawaiian Village in Honolulu, an ocean front view at the Coco Palms in Kauai, the Maui Palms in Maui and the Kamehameha Hotel in Kona.

The entire stay in Hawaii will consist of five days and nights in Honolulu, four nights and five days visiting the neighboring islands of Lauai, Maui and Hawaii.

Included in the holiday is enjoying the festive occasion of a native Hawaiian Luau, sight-seeing by private limousine, and-most important of all-all expenses will be paid by Rock-Ola Manufacturing Corp.

For an operator to become eligible for the Rock-Ola "Grand National Wyckoff, Sweepstakes" Contest, stated, he should contact his local Rock-Ola distributor, with the pur-chase of a "Princess" or "Empress" coin-operated phono the distributor will fill out a "Grand National Sweepstakes" certificate (one certificate for each purchase of one phono).

Four drawings will be held each month. One phonograph for each of four regions of the United Stateseast, north, south and west.

Wyckoff pointed out that the winning ticket holders' monthly tickets will be placed back in the drum so that the winners in the December 8 drawing will have a chance for a triple parlay win by their tickets being in the drum for the December 8, January 8 and February 8 drawings.

Those operators who purchase in the second month of the big promotion have a chance for a double parlay win. Those operators who purchase a phonograph in the third month of the promotion will have a chance to win one of the four phonos to be given away during the February time period.

Finally on February 18, 1962 all of the tickets will be placed into a drum, and one ticket will be drawn to determine the winner of the fabulous fun-packed jet trip to Hawaii for two.

# Western Vending Show A Sellout; Expect 3000 At L.A. Meet Dec. 1-3

CHICAGO-The final booth for displaying merchandise at the forthcoming Western Conference and Exhibit of Automatic Merchandising was sold last week bringing the total number of exhibitors to 65 and the number of booths offering machines and supplies to 103. All prospects point to a record turnout with operators from a twelvestate area expected to fill the Ambassador Hotel in Los Angeles during the 3-day (Dec. 1-3) vending meet. Three thousand are expected. Last year's Western Conference was NAMA's first attempt at staging a west coast show and because of the success of this regional convention the meeting has been included as a permanent part of NAMA's annual convention program. The recent convention in Chicago which was held at McCormick Place attracted 12,000 people. With an additional 3000 expected for the Western Conference, it is assumed that the two shows saturate exposure via annual meets. In a report two weeks ago, conference chairman Charles Mananian advised that ten booths remained unsold. As of last week the show was a sellout.

Workshops and conference sessions are being programmed and official release of these activities will be coming next week. A banquet will be held on Sunday evening at Los Angeles' Co-conut Grove where Nat "King" Cole will be the guest attraction.

The following states will be represented at the show: Calif., Idaho, Nevada, New Mexico, Oregon, Utah, Wash., Alaska, Hawaii, Arizona, Wyoming, Montana and representation from Texas.

Aaron Goldman, Macke president, said that the new firm's \$2.5 million yearly sales, added to current projec-tions, indicate that consolidated sales for the year ending September 30, 1962 would reach about \$30 million. Macke sales for fiscal 1960 were \$14 million and for 1961 approximately \$20.5 million. The firm's principal growth is ex-pected to take place in the field of coin-operated cafeterias for industrial and institutional feeding. Such cafe-terias have been opened within the past few days at the American Vis-cose Plant, Front Royal, Va., and the Brown Instrument Division, Minne-apolis Honeywell, Philadelphia, Pa. ### Continental's Hot Food Principle Explained

In response to requests for an explanation of the Continental-APCO Hot Food Shoppe, new hot food vender exhibited at the NAMA Convention last week, fol-lowing is a prepared explanation of the principle which permits the Conti-nental machine to vend hot meals.

Fully automatic food service, among other facets, involved the development of food which could be handled like a package of cigarettes. Of major im-portance, was the establishing of the right food menu selection and the right quality and size of portion. An-

right food menu selection and the right quality and size of portion. An-other prime requisite was to provide a packaged frozen food which would be able to stand the sustained heat required for vending purposes. Why is this sustained heat neces-sary? Fully automatic service in-volved putting the food in the machine without previous preparation or at-tention and operating the machine in such a manner that the customer could buy a food package either for lunch, dinner, a midnight shift dinner, and utilizing a machine to this pur-pose, without constant attention. The problem was tackled at the source, namely a processing plant in which the food products are produced. Menus that could stand 9-12 hours of heating were required, others were re-jected. Some were modified until this requirement was achieved. Vegetable sizes, sauces, flavoring, cuts of meat, types of preparation all had to be taken into account to de-

#### Univ. Match Declares **Stock Dividend**

ST. LOUIS-Directors of Universal Match Corp. voted a 2 per cent stock dividend last week on its common stock in lieu of cash. The dividend, payable Dec. 15, to holders of record Nov. 24, was the result of the feeling by the directors that "a stock rather than cash dividend would be in the best interest of the company."

John Wilson, president, added that the move will preserve cash for further expansion. The earnings for the nine month period were set at \$2,-965,000, or 58¢ per share, down from \$5,492,000 or \$1.08 per share last year at this time. Sales totaled \$73,-354,000 against \$76,750,000 one year ago. Wilson said that earnings this year were adversely affected by "a series of problems of temporary duration from which the company expects to recover strongly in the year that lies ahead." velop a usable group of menus and

This is an ultimate system. Even the question of transportation from the operator's office to the location was carefully taken into account. At present the technique permits the op-erator to take his food, load it in a truck and deliver it to the location without dangerous thawing.

#### The Vending Machine Itself

The most straight-forward design approach was taken to the vending machine mechanism. The unit itself, in effect, is an automatic electric oven, working the same as an oven that is used at home, and is fitted with auto-matic controls for starting and stop-ping. Only the simplest kind of con-trol is required—just as a housewife adjusts the cooking time to the size of the roast, so the operator sets the control to the number of packages he places in the machine. This is the only adjustment required. The oven has been carefully tested to deliver, with one simple control, a fully prepared and cooked meal, ready to serve at any time, after the dual heating cycle has been completed. The most straight-forward design

any time, after the dual heating cycle has been completed. To maintain the full quality and flavor of the frozen packaged meal, the temperature is quickly raised to 210° and then retained under heat at 160°-170°. We feel the limitations of radar

160°-170°. We feel the limitations of radar cooking were avoided. Just as the oven at home, with a simple thermostatic control, brings all food to the proper cooking temperature, so does the oven in the CONTINENTAL Hot Food Shoppe. Adequate safety controls for loss of heat and power have been in-stalled, minimizing the possibility of over-heating or under-heating. A sim-ple time tested, electrically controlled oven was chosen in the development of this machine. This oven does the heating job and enables the operator to assure his locations proper service. These were the requirements CON-TINENTAL set for itself. These are also the goals we have achieved in our Hot Food Shoppe. The operator need only have the location—the food will be available from one of CONTI-NENTAL'S food distribution points. With these basic components—an op-erator can now be a full-line caterer. The Hot Food Shoppe is presently in production and is available for im-mediate delivery. Every effort will be made to fill each order as promptly as possible.

#### **Officially Dead Coin Machine Council**

Conn Machine Could CHICAGO—Members of the Coin Machine Council voted in a special meeting on November 6 to disband. Attendance was entirely by proxy, explained Secretary Herb Jones. "The vote," he added, "was decisively in fa-vor of discontinuing the effort of the ouncil to serve as public relations agency for the industry, and endorsed a recommendation adopted by the Executive Committee on October 10." Commenting on the end of the founcil's two years of activity, Lou Gauda, who, as President, toured the ountry, seeking to arouse interest in public relations, said, "Mindful of the own tud a public relations pro-gram, the Executive Committee sor-owfully and reluctantly recommended attenuous effort to keep the Council alive. Although enthusiasm was high in the early stages, by the first of this year manufacturing support had windled to three plants—United, Keeney and Bally. #### Silverman To Help Form Texas Assoc.

PHILADELPHIA — Joe Silverman, manager of the Amusement Machine Operators Association of Philadelphia, has advised that he will leave for Houston, Texas on Monday, Nov. 13th, in order to assist coinmen in that area in forming an operator as that area in forming an operator as-sociation. Cash Box will report on the progress of this new association as the news is made.

Cash Box-November 18, 1961

"Our investment in public relations, however, did pay off, and, although limited by our narrow budget, has been a success of which we are within the press, during the brief life of the Council, than during the entire previous existence of coin-machines. Specifically, in Yilwaukee and New York, unwarranted headline blasts at 'jukebox hoodlums' and 'pinball racketeers' within the factual follow-up stories published as a result of prompt and vigor. "On behalf of all the officers and fractural follow-up stories of the Council, I want to thank the hard core of men and wone in the industry who believe is the work of the Council may be to the enduring benefit of the industry."

Most of the vending machine operators in this area were in attendance at the beautiful new McCormick Place Exposition Center in Chi for several days of exciting viewing and inspection of everything new and practical in vend-ing machines on display during the Silver Anniversary of National Association of Manufacturers annual show. Seen walking around taking notes were Bob Cozart, General Robert Macrum, Paul McMurrian, Joe Fernandez, Fred Jensen and General Armstrong, all officials and department heads of the huge Automatic Merchandising organiza-tion of Tampa. Also of that firm, Mr. Henry Schinzel, Sarasota manager was seen with Mr. Arthur Haer, purchasing agent for Florida State University in Tallahassee, both getting a great big eyeful of the full and varied services available through vending machines. From the St. Petersburg area, Jim Tolisano, owner of Modern Music and

available through vending machines. From the St. Petersburg area, Jim Tolisano, owner of Modern Music and Vending, with a great big smile, symbolic of the Sun Coast area he serves, and Mr. Rosenbleeth who owns Barsuda Vending Service, adding to his already firm knowledge of what it takes to operate a successful vending route. Both men report enormous strides in their section toward public recognition and ac-ceptance of each and every service offered by vending machines.

S.D. Ops Meet Dec. 2-3 BROOKINGS, S.D. - Elmer Cummings, South Dakota Photograph Operators Assoc. has advised that the group's next meeting will be held on December 2nd and 3rd at the Sawnee Hotel in Brookings. The quarterly weekend meeting is expected to attract a record turnout of coinmen from this area and complete details will be published by Cash Box following the meet.

#### Shortage Of Used Models Spurs Intro Of Bally "Barrel-O'-Fun '62"

CHICAGO—The 1962 model "Barrel-O'-Fun" will start coming off the production line this week, according to an announcement by Bill O'Donnell, general sales manager of Bally Manufacturing Company.

"Our decision to go back in production on 'Barrel-O'-Fun'," O'Donnell

#### Hiram Roberts Wins AMI October Prize

CHICAGO—Tom Sams, vice president of AC Automatic Services, Incorporated, this city, supervised the October drawing of AMI's "Big Challenge" vacation contest in AC Automatic's offices, Wednesday, November 8. As this contest is arranged, each month a music operator somewhere in the United States has his name drawn by a member of the Cash Box staff and a member of Billboard Music Week during alternate months.

It appears, purely by chance, that southeast coast music operators have been dominating AMI's "Big Challenge" contest the past two months. October's winner is Hiram Roberts of Roberts Amusement Company, Jesup, Georgia. The drawing this month was made by Lee Brooks of Cash Box, in Tom Sams office.

The AMI distributor in that area is Bush International, Inc., 60 Riverside Avenue, Jacksonville, Florida. The manager is Joe Barton.

The September winner was Sol Tabb, Mar-Tabb Co. in Miami, Florida. Due to Tabb's proximity to the Miami said, "was based on the continued strong demand for the game, which in some areas actually rivals the more elaborate bingo games in earning power, and the fact that the game is practically non-existent on the used market.

"Barrel-O'-Fun '62 is the same as the original Barrel-O'-Fun in action, scoring and play-appeal—combining high-score with bingo or light-a-line scoring, plus the extra appeal of Super-Line Score Boosters and the old favorite 'spottem' feature. Full-length chrome rails have been added to the cabinet for protection against soiling and wear, and the new Tuff-Kote finish is applied to the playfield, insuring great durability even with the heavy play that Barrel-O'-Fun invariably attracts.

"Although play is limited to a maximum of 6 coins per game—to select 6 cards—the performance of the original 'Barrel-O'-Fun' is ample proof of the high earning power operators can expect from Barrel-O'-Fun '62.

"Barrel-O'-Fun is available in both replay and non-replay models, and both models are equipped with the convenient 'Auto-Mission' Coin-Divider," concluded O'Donnell.

Beach vacation locale Sams arranged for he and his wife to enjoy the kind of vacation they desire, making the rounds of the shows in New York City. Roberts is scheduled for his vacation in Miami Beach with Mrs. Roberts as guests of AMI.

CHICAGO—Since the beginning of the Fall season, several weeks ago, Williams Electronic Manufacturing Corporation of this city has poured a steady stream of amusement equip-ment into the national and interna-

The second in the current series, "Kismet" four player pinball amuse-ment game, is by far one of the most promising machines during the past several years, according to Sam Stern, president of Williams Electronic Manufacturing Corp. he says creates maximum play in lo-cations everywhere. "Action speaks louder than words," Stern stated, "and we have plenty of action in the center of the playfield with the fabulous moving target for real skill shooting." When the player hits the moving target, Stern explained, he scores 50 or 100 points. A "miss" scores only one point. When the player through skill shooting advances the lights in the circle his high score potential ad-vances also. The circle of lights re-sets with each ball put into play. Other Williams features include: The two way match feature, cyclonic rebounds, flipper control on the play-field, and the game is adjustable to three or five ball play, according to the option of the operator. The beautifully designed cabinet is "de luxe constructed" in every little detail, according to Jack Baigelman, sales manager for Williams Elee-tronic Mfg. Corp. Both, the playfield and lightbox are beautifully illumi-nated for plenty of lighting action when the game is in play. The talk was vending last week and not many coinmen talked of anything else without first mentioning the NAMA show, the machines and the tremen-dous number of coinmen who attended the convention. It was indeed a sight for anyone with an interest in the automatic merchandising business. Many new machines with just as many new ideas for selling the merchandise—some on a grand scale, others with just one machine in one location. But all with the embryo of something that is expected to play a large part in the future growth of America—automatic service via machines. Food, service and enter-tainment—it will all be automatic in not too many years and the operator who does not consider the potential is overlooking an opportunity.

Mike Munves was walking out the door almost as we walked in last week and the reason was an earlier closing because of Election Day. The arcade outlet closed at 4 PM which permitted employees to go home for the day in order to get out the vote. Joe Munves is in town, and that in itself is news. Joe is readying for the Florida showmen's meeting which is held each winter.

Al Simon, looking forward to the big Rock-Ola distributor cruise in a week or so, analyzes as how next year should even be an easier year in which to reach the sales goal. "The first two years are the hardest," sighed Simon, as he prepared to set the program for ChiCoin and Rock-Ola sales while he's away. Al D'Inzillo tells us that the new Chicago Coin game is reported to be a winner but as yet, the game hasn't been delivered.

Irv Holzman is getting to feel like an old man. A year ago his little girl Delores got herself married. This year Irv became a grandfather and now little Arlene, the "baby" of the family, has found herself a handsome boy-friend, Allan Cookler, a fellow student at Ryder College in Trenton. The two were engaged and have set a wedding date for June 1962. Herb Oettinger and Roy Kraehmer were in to visit with Holzman last week and stayed just a short while. Meanwhile, the United "Playboy" is stealing the show at United East Coast Corp. as ops take a liking to the first shuffle-skee ball type game in a long long time. long, long time.

The town's coin machine crowd turned out for the Bar Mitzvah of Bart Herbtsman, Al Denver's grandson, last Sunday (11/5). Distribs and ops alike filled the hall and a grand time was had by all.

Morris Rood, Runyon's reputable sales rep, handling the telephone like a Morris Rood, Runyon's reputable sales rep, handling the telephone like a juggler last week as Rowe candy machines attract a wide audience of ops after the strong NAMA premiere. Irving Kempner tells us he visited with Tony Catonese of Silver King Amusement, while Tony rests in his Suffern, N.Y. home. Tony's wife Charlotte and his brothers Lou and Al, joined Kempy for an evening of laffs while Tony told stories by the hour—one funnier than the last. Irv tells us that jokes were flyin' high and low, with Tony the ultimate winnah. Lou Wolberg, bookworm of the Runyon crew, remarks that while this day was Election Day the ops will lose play on machines until 7 PM that even when the tayerns resonen. eve when the taverns re-open.

What appeared to be a possibility became a sad fact last week when Herb Jones announced that the CMC has officially folded. No support from manu-facturers, distribs nor ops. No money—no program. And that's that. Some day someone will start a public relations program again and perhaps at that time it will be a success. But right now, forget it. A word of thanx to the CMC coinmen who toiled hard and without too much appreciation to accomplish a tremendous amount of progress in such a short time, and without the neces-sary funds. Let's hope the spirit of CMC has not died with it.

Leon Taksen is ready for the big AMOA shindig on Sunday, November 12, at the Holiday Motel West, Rt. 15, Gettysburg Turnpike Exit. Promises to be a big time and quite a few coinmen are expected to attend.

Harry M. Sablosky, manager of the newly formed Eastern Penna. Amusement Machine Assoc., calls to tell us that the next meeting of the association will be on Nov. 15, Wednesday, at the General DeKalf Inn, in Norristown, Pa.

Many New York coinmen were saddened at the news of the death of Max Eisenberg, Royal Coin Machine, Baltimore. Max's wife Anne advised us that he passed away on Oct. 25th. Max leaves his wife, a daughter Marian, and two brothers, Harry and Jules.

Hey, how about that New York Times Sunday Magazine Section writing a story on pinball machines and not tying it in with the usual gangland infer-ences. The reporter, Phil Benjamin, spent several hours with **Joe Orleck**, Cash Box president, and got himself an accelerated course in the coin machine business. The result was an honest and interesting approach to the subject of pingames that any industry PR man would have been proud of. In case you missed it, the two-page article complete with photos, appeared in the Nov. 5th issue of the NY Times Magazine Section, page 74.

Visitors to the Cash Box offices these days are growing in number and whenever a plane arrives from Europe there's bound to be some European coin machine member on it, and within one-half hour he's at Cash Box, natch! Last week the office was filled and among the foreign visitors were William Born-Laudy, Belgium, Norbert Levy and Girard Caen, France.

Hear about the gala ball Joe Silverman and the Philly ops threw for them-selves last week in Philly's Latin Casino? Wow! Every gal at the shindig was handed a mother-of-pearl Waltham clock (List Price \$17) and to top the show off, Jerry Lewis handled the entertainment. Some talent! About 590 people attended and all of the distribs were on hand even after many had spent a week in Chicago attending the NAMA show. Abe Lipsky and Harry Koeppel, Lipsky Distributing, report solid sales on the Smokeshop cig vender as well as an interest in vending proper. Doors closed early here too for Election Day duties.

Si Redd, his hands full with vending and coin machine distributing chores, takes on the presidency of NCMDA and promises a top-flight job and we're sure the industry will get just that. Si's happier than ever after that tremendous reception his Seeburg factory received at the NAMA show. Man, what a crowd!

Another Seeburg distrib who's naturally happier than can be is Meyer Parkoff and his Atlantic New York crew. Bill Schwartz, Seeburg factory rep here on vending is moving a lot faster these days with the Seeburg candy ma-chine keeping things hectic around the sales outlets.

Maury Sykes, Mar-Matic head, in New York with his right hand man, Joe Merenko and ad mgr. Don Berger to talk things over before making the big announcement due any edition.

#### Chicago Chatter

After chinning with many of the vending and coin machine people who attended NAMA's gigantic-and highly successful-convention here, October 28 thru 31, the accumulative consensus of opinion is that it was a "roaring success." ... Due to lack of space, and the scarcity of time to pool our mental resources at such short notice we inadvertently mentioned only a portion of the coinmen who were in town for the big show. Also on hand were R. F. Jones, Tommy Thompson, Harold Lieberman, Si Redd, George Sammons, Eli Ross, Sam Taran, "Big" Joe Mangone, Al Rodstein, Jim Ginsberg, Dave Rosen, Gabe Gabrielsen, Lou Casola, Bert Betti, Marvin Roth, Bert Lane, Carl Lawson, Howard Grant, Shorty Culp, Bill Happel, Joe Auton, Al Siegel, Charley Robinson, Dave Weirs, Joe Westerhaus, Bob Catlin, Abe Witsen, and still more we couldn't keep up with.

Drew Pearson's keynote address during the Silver Anniversary Meeting of NAMA, before a huge turnout, at McCormick Place, received a well rated standing ovation. His syndicated column t'other day was almost entirely devoted to the NAMA conclave. The column was headed "Put A Kopeck In The Slot." He rates another ovation for his efforts and ability to inform the public.

DON MOLONEY

Oops! Our typewriter slipped in last week's Chicago Chatter column: If you look for young William Whalen Prendergast's name in Notre Dame's backfield in about 17 or 18 years from now be sure to spell it correctly (It is this week, Dick!). The husky "blockbuster" (a chip off the old block) is the brand, new son of Dick and Rita Prendergast. Dick is marketing chief for AC Automatic Services, Inc., born, Oct. 29, at Ingalls Memorial Hospital. . . . Oops (again)! We made another boo-boo! In last week's NAMA convention issue of Cash Box we inserted a photo of Charles Brinkmann with his lovely family (all six of them). Everything was hunky-dory until we mentioned Brinky's home away from home. Actually, he is the very enterprising vice president for Automatic Retailers of America-and, we're told-doing a bang-up job there.

As we travel along coin machine trail we note that the big smile on Bill DeSelm's face is put there by the excellent sales figures he's amassing with United Mfg's. new "Playboy" shuffle alley bowler. Bill is joined in the happiness dept. by Herb Oettinger, Roy Kraehmer, Glenn Johnson, Ray Riehl, and the rest of the United gang. Herb and Ray flew into NYC last week to chat with Irv Holzman. . . . Belated congrats to Art Weinand and his lovely Kay on the occasion of their 23rd Wedding Anniversary. The Weinands were feted by their children Sunday, November 5. Ginger Weinand took the weekend away from her extensive studies at St. Xavier College to be at home with mom and dad.

There's very little doubt (if any) that the production lines at Williams Electronic Mfg. Corp. are humming merrily along, what with two such popular amusement games as "Road Racer" and the new pingame "Kismet" (a four player). Prexy Sam Stern and sales manager Jack Baigelman are delighted over the wide acceptance both games are receiving everywhere.

One of the busiest locales here is First Coin Machine Exchange, where Joe Kline, Sam Kolber and Fred Kline are enjoying terrif export biz. Joe was one of the great many coinmen who made the rounds during the NAMA convention and was overwhelmed by the magnitude of this year's conclave at McCormick Place.

Our (comedian) friend, Joe Robbins of Empire Coin, reports that Jack Burns fell into the 15th hole somewhere in Puerto Rico, where he's gallivantin' with the Rock-Ola distrib vacation party. Joe calls it "a hole in one" (anyway you look at it).... While on the subject of the big Rock-Ola Caribbean (jet hop) safari it may as well be revealed that Ed Doris, et al have already set plans to give an operator couple (hubby and wife) a treat with a Hawaiian vacation through Rock-Ola's "Grand National Sweepstakes" contest. Ralph Wyckoff is busy laying plans for the big drawing, which includes the awarding of 12 Rock-Ola "Princess" phonos between Nov. 8, 1961 and Feb. 8, 1962.

Due to the continued strong demand for Bally's "Barrel-O-Fun" amusement games, Bill O'Donnell, general sales manager of Bally Mfg., info'd that the firm is now introducing its new 1962 model for immediate shipment, complete with several new innovations. . . . Herb Jones, Bally vice president, deplores (along with Lou Casola) the demise of the lamented Coin Machine Council, which sadly went by the wayside this past week due to lack of support from the industry.

Nate Gottlieb advised last week that the gorgeous Gottleib Memorial Hospital is always open for inspection by coin machine people whenever they are in this vicinity. In fact, Dave and Alvin Gottlieb are always pleased (along with

Nate and Judd Weinberg) to take any number of coinmen on personally conducted tours of the hospital. Just drop them a line and let them know when you'll be around.

W. R. (Bill) Weikel, sales director for Fischer Sales & Mfg. Co., is making the rounds singing the praises of Fischer's new line of billiard tables, which includes the new "Crown Fiesta" bumper pool table. By the way, Ewald Fischer and Weikel were in at the Morrison Hotel, Oct. 27 thru 29, showing the new Fischer line to visiting distribs and ops.

Some of the busiest bees at the recent NAMA conclave were Joel Stern, Len Micon, Howie Freer, Red Smith and Harold Freeman (all of World Wide Distribs), who headquartered at the busy Seeburg exhibit. . . . The Seeburg booths held constant heavy crowds who poured in to look over Seeburg's new vending models. On hand were prexy Delbert Coleman, Leonard Gross, Tom Herrick, Stan Jarocki, Jr., Jack Gordon, and "barker" John Stuperitz.

Paul Huebsch, vice prexy of J. H. Keeney & Co., is very delighted over the fantastic results he is already enjoying with Keeney's new two-gun and target amusement game, "Two Gun Fun." He is, of course, joined in his delight by prexy Roy McGinnis and Clayton Nemeroff.

New "Top Talent Tunes" 33 rpm records available for music ops in this area at Atlas Music Co., according to Nate Feinstein, are by such recording luminaries as Harry Belafonte, Chet Atkins, Al Hirt, Glenn Miller, the Limeliters, Les Elgart, Marian McPartland, Maury Laws, Jerry Fielding, Julie London, The Brothers Four, Ray Connif, Johnny Cash, Johnny Horton, Buddy Greco and Mitch Miller. . . . A big pat on the back is due photog Joe Gine who performed yeoman duties in shooting all the terrif NAMA pics which appeared in last week's Cash Box.

We looked for Ed Ruber and Milt Wiczer, Wico Corp., during the NAMA show, but Morrie Wiczer tells us they were so "snowed under" with orders at the plant that they just couldn't make the scene. . . . We hear that Don Moloney, prexy of Donan Distribs, was ill recently but is now recuping excellently these days. . . . One of the happiest faces along coinrow of late is Clarence Schuyler, prexy of Games, Inc., who is enjoying great action with his new "Twin Tim-Buc-Too." . . . Marvel Mfg. is still going strong in production of electrical scoreboards for shuffleboards, according to prexy Ted Rubey and Estelle Bye.

# Here is what the WURLITZER TEN TOP TUNES Musical Bargain did for us

"And have stayed at that level for 8 months"

From Washington State Fireside Tavern Reports:

Collections Doubled on Installation still Holding 8 Months Later 80-95% of Take in Half-Dollars

In February the Fireside Tavern on Highway 99 between Seattle and Tacoma, Washington, installed a Wurlitzer 2500 with Ten Top Tunes Play Stimulator.

Immediately collections more than doubled — and have stayed at that high level ever since.

The take has never run less than 80% half-dollars and some weeks up to 95% in fifty-cent pieces.

Needless to say, Ted Foster (owner) and his son Bob (manager) are delighted. So is the operator, Walt Merritt, Manager of Hit Parade Music Co.

How about you? Want to give your location a **shot** in the arm? A Wurlitzer 2500 with Ten Top Tu**nes** Play Stimulator will do just that.
