HEARTBREAK AHEAD

DANGER

Jaye P. Morgan smashed through with a hit on her very first record for RCA Victor. Titled "That's All I Want From You", the tune shot Jaye P. into the top realm of girl singers. Now she comes up with her second Victor disk, "Danger, Heartbreak Ahead", which also is making the best seller lists. The singer has been featured on the Robert Q. Lewis show for more than a year, but will leave shortly to fulfill the demands being made on her for personal appearances across the country.

Whether You Can Attend Or Not

You Can Be Present At The MOA Meet

It may be true that opportunity knocks only once.

But fortunately that old saying isn't quite accurate. For the MOA convention gives opportunity a chance to knock for the music business not once but once a year.

Every year, record company officials, publishers and artists take advantage of that opportunity by going out to Chicago to meet juke box operators from everywhere in the nation gathered there at their annual convention.

Such an opportunity can be had at no other time during the year.

The forthcoming MOA convention takes place next Monday, Tuesday and Wednesday, March 28, 29 and 30 at the Morrison Hotel in Chicago. Representatives from all walks of the music business have already made plans to be there. And we at *The Cash Box* cannot emphasize too strongly the importance of attending the meet. For record firms, it's the opportunity to sell records. For publishers, to promote their tunes. And for artists, the chance to sell themselves to the thousands of juke box operators on whom they must depend to buy their disks.

As we said, it's impossible to overemphasize the importance of attending the MOA convention for anyone in the music busi-

ness. But in the event that you can't attend, then it's imperative that, at the very least, you send your message to the operators who will be there.

The ideal way of sending your message is through *The Cash Box*' special MOA convention issue which will be published next week and distributed at the convention starting on Sunday afternoon when the operators start to arrive.

At this late date, it is almost superfluous to say that *The Cash Box* is the bible of the juke box industry. Everyone knows that. And at the MOA convention it is always and obviously the most widely distributed and read magazine. But more than just reading it, operators keep it, take it home, and refer to it for weeks later. That means that advertising placed in next week's issue will be read not once, but every time the operators look at the magazine in the weeks to come.

The MOA special issue is created for you to reach the operator. Take advantage of it.

Once more we would like to say: If you can possibly attend the MOA convention, make every effort to do so. And if you can't, then be sure that you are represented at the convention by your message in *The Cash Box* MOA special which will be out next Sunday. In that way, whether you are able to attend or not, you can still be present.

KITTY WHITE

(Mercury 70576; 70576 x 45)

B "GIVE ME THIS NIGHT" (2:43) [Brandom ASCAP—Trace, Trace, Stark] Kitty White comes over beautifully on her debut disk for Mercury. Lovely tune and equally outstanding performance. Could make big noise.

B "I CAN'T CHANGE" (2:43) [Brandom ASCAP—Trace, Douglas, Trace] Kitty shows more of her wonderful vocal qualities on this lovely sentimental etching. Polished performer who's gonna do big things.

STEVE ALLEN

(Coral 61375; 9-61375)

B+ "TONIGHT" (3:03) [Rosemeadow ASCAP—Allen] Since TV plays such an important part in a song's success, Steve Allen's theme song for "Tonight" oughta be a real smash. It's a lovely melody presented with a load of strings and some pretty piano work by Allen. Could be a smash instrumental.

B "STAY JUST A LITTLE WHILE" (3:05) [Lion ASCAP—Allen, Parker] Another Allen composition, also used as a theme on the show, comes over beautifully as offered by the entertainer.

EDDIE FONTAINE

("X"-0108; 4X-0108)

B+ "ON BENDED KNEE" (3:10) [United ASCAP—Joran, Bass] Eddie Fontaine who made a strong first showing with his "Rock Love," has another rock 'n roll item that could make a heap of noise. Exciting vocal loaded with zest.

B "I MISS YOU SO" (2:45) [Leeds ASCAP—Henderson, Scott, Robin] The ace songster takes hold of a pop favorite and fashions it to a rhythm and blues reading. Two powerhouse decks. Good nickel grabbers.

JOHNSTON BROTHERS

(London 1545; 45-1545)

B "HEARTBROKEN" (2:15) [True Blue ASCAP—Dumont, Stanton, Fotine] The Johnston Brothers have a commercial new tune with a great old time flavor, on their latest platter. Cute lilter with a pretty melody and lyric.

B "MAJORCA" (2:10) [Eastwick BMI—Caste, Bonnet, Lehman] Another pretty deck is this light melodious number warmly presented. Good coupling.

FRANKIE LAINE

(Columbia 40457; 4-40457)

B+ "COOL WATER" (2:52) [American BMI—Nolan] Paul Weston and the Mellomen give Frankie Laine a big assist on a great Western oldie that always sounds terrific. Laine does a tremendous job on this one. Reminds this reviewer of his fabulous "Lucky Old Sun." Should do well.

B "STRANGE LADY IN TOWN" (2:30) [Witmark ASCAP—Washington, Tiomkin] Laine lets loose on another stirring cowboy type number, the title tune from a soon to be released Warner pic. Dramatic coupling.

THE CASE BOX

DISK OF THE WEEK

"TAKE MY LOVE" (2:40)
[Feist ASCAP—Deutsch, Kaper]

"JUST ONE MORE TIME" (2:25)
[Geo. Paxton ASCAP—Jacobs]

EDDIE FISHER
(RCA Victor 20-6071; 47-6071)

EDDIE FISHER

● Eddie Fisher who has come up with an amazing number of hits

in the past few years, has a fabulous two-sided threat in his latest release that could do big things. Assisted by the incomparable Hugo Winterhalter ork and chorus, Eddie leans into a beautiful new ballad dubbed "Take My Love." It's a tender and penetrating love song set to a slow waltz tempo. One of the young crooner's prettiest numbers in a long time. The coupling is another winner; a lively shuffle item titled "Just One More Time." It's a delightful danceable piece much like Fisher's number one smash "I Need You Now." A two sided threat. It'll be big.

"FOOLISHLY YOURS"
[Shapiro-Bernstein ASCAP—Simms, Joy]

"FOR BETTER OR WORSE"
[Starstan BMI—Stanley, Karl]

KAY STARR
(RCA Victor 20-6079; 47-6079)

KAY STARR

● Kay Starr, by far one of the most exciting song stylists of the

day, has in her latest Victor release, what looks like a smashing success. Two absolutely great dramatic ballads that just can't miss making the charts. One side features the thrush on a dynamic love song dubbed "Foolishly Yours." It's a tormented reading masterfully handled. Great oldie with all the earmarks of a hit. Equally fabulous is the coupling, "For Better Or Worse." It's one of the most intense romantic items of '55, and Miss Starr's penetrating delivery labels this one a solid money earner. Two great sides that the whole country will crave.

"LONELY LIPS" (2:16)
[Teepee ASCAP—Shelly, Winkler, James]

"THE DUDELSACK SONG" (2:37)
[Hill & Range BMI—Neumann, Bleyer]

THE CHORDETTES
(Cadence 1259; 45-1259)

THE CHORDETTES

● Here's the record that the music business has been waiting for. The new Chordettes release. And what

a lulu it is. Two tremendous decks will probably be heading in the direction same as "Mr. Sandman," in just a few weeks. "Lonely Lips" is a lively bouncer full of the girls' beautiful harmony. It's a very contagious pleaser, and the introduction has a new gimmick that sells the side immediately. Should be another sellout. The coupling "The Dudelsack Song," is an equally refreshing and attractive vocal novelty that'll sell a heap. The lyrics are handled in German and English and the results are great. Robert Fraser adds to the inviting effect with his bag-pipe like dudelsack. The Chordettes are here to stay, and there's no doubt about it.

DICK HYMAN TRIO

(MGM-11951; K-11951)

B+ "BESAME MUCHO" (2:55) [Peer Inter'l BMI—Velazquez] A beautiful Latin tempo standard is given a refreshing treatment by the Dick Hyman Trio. This could revive the oldie. Has hit possibilities. Boys work smoothly.

C+ "THE OLD PROFESSOR" (2:04) [Hollis BMI—Hyman] A lively cutie penned by Hyman gets a cornball going-over from the trio. Fits well into the current trend toward tavern-type piano renditions.

LES ELGART ORCH.

(Columbia 40458; 4-40458)

B "CHATTANOOGA LEGION BAND" (2:05) [Summit ASCAP—Roberts, Sier] Les Elgart and the Tattle Tales team up on a clever march-jumper that oughta have the kids hoppin'. Solid waxing with potential.

B "COME TO THE MARDI GRAS" (2:04) [Peer Inter'l BMI—Drake, Shirl, Bulhoes, de Oliveira] Les and the crew work alone on this side and they offer an exciting jump arrangement of a good oldie. Solid jumper.

FREDDIE BELL

(Teen 103; 45-103)

C+ "OLD TOWN HALL" (1:45) [Penn Music] Freddie Bell and the Bell Hops bounce through a cute cornball rendition of a favorite melody with new words. Good job.

C+ "5-10-15 HOURS"—A big rhythm and blues hit of a few years ago, is belted out with more of a pop flavor by Freddie and the gang.

LOU MONTE

(RCA Victor 20-6072; 47-6072)

B+ "THE ITALIAN WALLFLOWER" (2:04) [Modern BMI—Etta, Otis] An Italian version of "Dance With Me Henry" a big r & b tune, and now a smash pop hit, is cleverly handled by Lou Monte. Solid rock and roll novelty that could catch.

B+ "DREAMBOAT" (2:08) [Leeds ASCAP—Hoffman] A lively bouncer that's been recorded by almost every label, has loads of potential under the control of Lou Monte. Happy deck with great lyrics. Commercial ditty that could make the grade.

TOMMY LEONETTI

(Capitol 3065; F-3065)

C+ "EVER SINCE YOU WENT AWAY" (2:23) [Moonlight BM—Galluci] Tommy Leonetti shows his vocal talents on a good jumper that's been making some noise lately. Crooner sounds a lot like Sinatra on this side.

C+ "UNTIED" (2:32) [Central BM—Collins] A lively country tune that's been selling well for a number of weeks, gets a solid treatment from Tommy.

A "NATURAL" HIT!

(MGM 11948; K-11948)

B "MORE THAN YOU KNOW" (3:10) [Miller ASCAP—Youmans, Rose, Eliscu] Billy Eckstine offers a rangey interpretation of a beautiful oldie that'll probably be revived thanks to this recording and to the pic "Hit The Deck," which features the tune. Pretty job.

(New Disc 10020; 45-10020)

C+ "COME BACK MY LOVE" (2:44) [Billy Jr. BMI—Osten, Baer, Sherman] Sy Oliver and the gang set up a dramatic backing for Edna McGruff as she belts out a big bolero production number. Exciting big-voiced offering.

C+ "SAD, SAD, SAD" (2:40) [M & M BMI—McRae, Smith] Edna does a complete about face on this side and really lets loose on a driving rock 'n roll type number. Full of punch. Chorus assists.

THE CASE BOX SLEEPER OF THE WEEK

DeCASTRO SISTERS

"BOOM BOOM BOOMERANG"
(2:14)

[Dandelion BMI—Coleman]

"LET YOUR LOVE WALK IN"
(2:27)

[Teri ASCAP—Greene]

DE CASTRO SISTERS
(Abbott 3003; 45-3003)

● The DeCastro Sisters who, out of nowhere, shot into the limelight with a tremendous ballad called "Teach Me Tonight," get hold of a great new novelty that could be the second top disk of their career. It's a real exciting bouncer dubbed "Boom Boom Boomerang" and it's just chock full of gimmicks that offer two minutes and fourteen seconds of listening pleasure. The juke box will be bouncing when this side is added. Thurl Ravenscroft adds some pleasant effects with his deep voice. The girls have a hot side here. "Let Your Love Walk In," the tune on the lower lid, is a good jump side with commercial appeal. There's no doubt that the top side is the one. Watch it.

CHARLES DICKENS & HIS STRANGERS

(Sandee 312; 45-312)

C+ "FATSO" (2:10) [Sandee BMI—3 Jays] A solid jump item is given a socko reading by Charles "Dowles" Dickens as the ork sends across a real wild backdrop. Tune is about a famous Chicago figure.

C "LONLINESS BLUES" (2:17) [Sandee BMI—3 Jays] Another rhythm item is capably handled by "Dowles." Catchy jumper with an exciting beat.

FRANK SINATRA

"FROM THE BOTTOM TO THE TOP"
(2:19)

[Danby BMI—Wilson]

"TWO HEARTS, TWO KISSES"
(2:21)

[St. Louis BMI—Stone, Williams]
FRANK SINATRA and THE NUGGETS
(Capitol 3084; F-3084)

● Frank Sinatra, who has been doing a tremendous job for Capitol in both the single and packaged goods departments, adds his name to the list of pop artists to record r & b material. And it's a very welcome addition. On one side, Frankie backed by the Nuggets, rocks through a thrilling jumper dubbed "From The Bottom To The Top." Great side with a cute set of lyrics and a sensational beat. The Nuggets assist in top form. On the other side, Sinatra lets loose on "Two Hearts, Two Kisses," an r & b smash that's already flying high in pop. Two tremendous sides for "the voice." His fans will love them.

THE CHEERS

(Capitol 3075; F-3075)

B+ "BLUEBERRIES" (2:09) [Quintet BMI—Stoller, Leiber] The Cheers, better known as the "Bazoom" kids, come up with another beauty rocker loaded with commercial gimmicks. Real zany side full of oomph.

C+ "CAN'T WE BE MORE THAN FRIENDS" (2:22) [Quintet BMI—Stoller, Leiber] The group rides through a more typical shuffle number here. Appealing song on the smoother side.

THE CASE BOX BEST BETS

In the opinion of The Cash Box music staff, records listed below, in addition to the "Disk" and "Sleeper" Of The Week, are those most likely to achieve popularity.

- ★ "ITALIAN WALLFLOWER"/"DREAMBOAT" Lou Monte... RCA Victor 20-6072; 47-6072
- ★ "TONIGHT" Steve Allen... Coral 61375; 9-61375
- ★ "COOL WATER" Frankie Laine... Columbia 40457; 4-40457
- ★ "ALADDIN'S LAMP" Steve Clayton... Columbia 40456; 4-40456

JOE FOLEY

(Jubilee 5182; 45-5182)

B "YOUNG AND FOOLISH" (2:36) [Chappell ASCAP — Herwitz, Haig] From the Broadway smash "Plain and Fancy" comes this beautiful ballad which Joe Foley treats so beautifully on this side. Big arrangement with chorus, etc. Click.

C+ "DON'T LET THIS NIGHT GET AWAY" (2:48) [Chappell ASCAP—Adamson, Lane] This inviting love song is from "Jupiter's Darling." Pretty, romantic number.

GLORIA DE HAVEN

(Decca 29461; 9-29461)

B "RED HOT PEPPER POT" (2:48) [Gil BMI—Saxon, Gilbert] Film star Gloria De Haven has a real commercial winner on her latest release. Cute Latin beat novelty that makes you wanna dance. Contagious ditty.

B "SAVE ME" (2:52) [Miller ASCAP—Crane, Jacobs] Jack Pleis and the crew set up a pretty backdrop for the thrush's dramatic reading of a tender ballad. Heartbroken delivery. Tune could take off.

LORRY RAINE

(Dot 1205; 45-1205)

B "SHOW ME THE WAY TO FOREGET YOU" (2:45) [Tim Gayle ASCAP—Taggart, Gayle] Lorry Raine gets an interesting instrumental assist on this beauty, driving ballad. Torchy delivery. Potent performance that could click.

C+ "TALK IT OVER WITH YOUR HEART" (2:10) [Tim Gayle ASCAP—Jackson, Miler] Another romantic item vocaled by the chirp. Russ Garcia supplies the beat.

LOUISE CARLYLE

(Double AA 106; 45-106)

B+ "SO MUST I LOVE YOU" (2:35) [Schwartz ASCAP — Charlotte, Chait] Louise Carlyle, a polished performer and an excellent vocalist, comes through with a very strong new ballad that could catch on. Excellent debut on AA.

B "SHOULD I FORGIVE HIM?" (2:40) [Hawthorne ASCAP—Lewis, Stock] Another romantic number is warmly fashioned in a sincere and feelingful manner by the thrush. Miss Carlyle will be heard from.

THE GOOFERS

(Coral 61383; 9-61383)

B+ "FLIP, FLOP AND FLY" (2:36) [Progressive BMI—Turner, Calhoun] The wild Goofers get hold of a rhythm and blues tune that's breaking like crazy, and belt it across for the pop market. Real great jumper. Drives. Could break.

B+ "MY BABE" (2:36) [Ore BMI—DIXON] The boys take off on another smash rock 'n roll number. Punch packed deck with a great beat. Two strong rockers that attract heaps of coin.

Recently a transmitter of WVDA-Boston, Mass., was knocked off the air for 12 minutes. Sherm Feller swears the vibrations from the recorded voice and piano playing of Fats Domino were responsible. Feller said it was the first time in his 14 years of experience that such a mishap had occurred. Domino's Imperial Record "Don't You Know" gave off a heavy reproduction of both voice and piano, causing the freak, according to Feller.

140 West 57th St., New York, N. Y.

The possibility of seeing Doris Day in London (though not on the stage) has started rumours that Dodo will at least appear on television or possibly do a guest spot on the air. She may even be persuaded to agree to one personal appearance for charity. Somehow I feel Doris won't have time for all this as she is really only coming to shoot some scenes for her next picture. Disk jockeys and press men, however, may have the chance of seeing Doris because her agents are trying to lay on some small shindig. They know the gal is so popular over here. Welcome Doris! Hope to see you soon.

Lou Levy breezed into London this week for confabs with Cyril Simons head of Lou's British publishing companies. Lou is taking Cyril back to New York with him and what a treat Cyril has in store. It's his first visit to the States. . . . Also in London is another publishing notable Howie Richmond. . . . The Four Aces, who are due to land at London Airport Wednesday, March 24th at 4 p.m., will be pleased to know that their publicity man, Les Perrin, is organizing coach parties to meet them. The fans who will travel to the Airport will receive a photograph of the Four Aces and a bottle of Pepsi-Cola. So boys get your pencils out to sign those photos and be ready to oblige with a song upon landing. . . . A "London Laurel" to Tennessee Ernie this week for topping the best seller list with his waxing of "Give Me Your Word." . . . Charlie Tobias should be pleased with the new recordings he's gotten on his song "Before We Know It." In addition to the Marion Caruso disk, which is issued here on Brunswick, he has two more; one by Ruby Murray and another by Georgia Brown.

I'm still convinced that Petula Clark is one of the best young record-bets in this country and we'll lay odds she concentrates on the wax side of her career rather than on the cellulose.

"The Record Mirror" a rather new musical paper has gained quite a reputation in the few months of it's inception, paper has interesting features and judging by it's sales figures, has met with general approval from the public and the trade in particular. Keep it up fellas. . . . Eddie Fisher will be appearing before the Queen when he takes part in a Royal Variety show which will be held in Blackpool during the Queen's visit of Lancashire. Also in the show are Joan Regan, Alma Cogan and Geraldo's band.

This week's best selling pop singles:

NEW YORK:

Much of the N. Y. music biz preparing this week for the trek to Chicago to attend the MOA convention. It promises to be the greatest to date. . . . That's a cute gimmick Roncom Music is sending out in connection with Perry Como's "Door Of Dreams." It looks like a card when you receive but if you dip it in

PERRY COMO

water it becomes a sponge. . . . Sammy Kaye has recorded "Impossible" which was written by John Ringling North of the circus family. . . . Henry Okun just returned from a 10-day trip to djs on behalf of Art Mooney's new MGM record, "Honey Babe." He went as far as West Virginia. Lige McKelvey covered the mid-west. . . . Looks like Shapiro-Bernstein has a new hit. Kay Starr, Doris Day and the Four Knights have already recorded "Foolishly Yours." Incidentally Decca has taken over the original recording of the tune on the Sound label and signed the vocalist, Lee Raymond, to a contract. . . . Irving Fields has recorded "Davy Crockett Mambo" for Fiesta Records. . . . The biggest reaction in years to a Bing Crosby record is being felt on his new one "Jim, Johnny and Jonas." . . . That was a wonderfully touching speech Eddy Arnold made after Frank Folsom presented him with a plaque commemorating his 10th year at Victor this week. . . . The Steve Allen show will feature a real recording session next Thursday as Dolores Hawkins cuts a disk on the show. . . . Herb Kessler, manager of the Four Aces, was married last Saturday night to Phoebe Safady at the Hampshire House in New York. . . . Jubilee has signed John Laurenz to a contract. . . . The Four Coins breaking it up at the Roosevelt in New Orleans and have been scheduled for a repeat date. . . . Mel Allen has written a baseball song called "Play Ball, You All."

CHICAGO:

Everybody still raving about terrific performance turned in by Pat Morrissey on the Steve Allen TV'er this past Friday nite. Gal, who continues to improve, opens for a record 16-week stay at the new Royal Nevada Hotel, Las Vegas, April 10. . . . Speaking of Nevada, got a nice card from the Four Aces, telling us they just left Reno and are heading for Europe where they'll play England and Scotland. . . . BMI pubbery and Capitol Records hosted dj luncheon for Bunny Paul (3/17) at the London House, while Bunny was in town plugging her first Capitol waxing titled, "Have Mercy, Baby." . . . Betty Johnson's "Be A Lover" reportedly showing all the earmarks of a hit. . . . Also newly signed by RCA-Victor, The Burton Sisters spent a coupla days in the Windy City with their first waxing, "Doing The French Can Can" b/w "Divided Love." Prior to being signed by Victor, gals had spent six months of each year in Canada, appearing at various clubs up there. . . . All at CBS mighty pleased with first stint by Mahalia Jackson on her brand new CBS TV show. . . . Hats off to one and all connected with the teen-age youth rally held here this past Sunday. Show was a terrific success. And each artist who appeared turned in a stellar performance, for the more than 30,000 teenagers in attendance. Among those who appeared, Eddie Fontaine. Eddie's new one for 'X', the oldie titled, "I Miss You So," is really starting to move. Eddie returns here 3/21 for a week's appearance on the Howard Miller "Close Up" TV Show. . . . Another of the stars, Frankie Lester, stayed over a couple of days to appear on "In Town Tonight" singing his big record, "Wedding Bells." . . . Also the Fontane Sisters who then headed back to the Coast for a session. Gals will be back in the Windy City for the big MOA Show. . . . Richard Maltby also stayed over to visit dee-jays with his "Begin The Beguine March" which has really taken off. . . . Julius LaRosa closed the show. His "Let's Stay At Home Tonight" b/w "Pass It On" is getting lots of air play. . . . Bill Hayes brought the house down singing his verrry big hit, "The Ballad Of Davey Crockett."

JULIUS LA ROSA

HOLLYWOOD:

Little Toni Harper, who in 1948 made such a hit with her waxing of "Candy Store Blues" at the age of 11, is now on the comeback trail, after promising her parents she would graduate from high school before seriously launching a career in the entertainment field. Her Key Records pressing of

TONI HARPER

"One Hamburger to Go" b/w "Just Right For Me" is a good one, and it looks like the gal is off to another great start. Raves are still flying thick and fast in Vick Knight's Key offices after Toni's first playback. . . . The rumor is that Paramount-American Broadcasting Company is thinking about entering the recording field. Because of the closeness of ABC and Paramount to the musical field, they feel that this would be a financial success and a natural outlet. What a tie-in to plug a record! . . . Danny Thomas is recording two sides for Cadence, "Tippy Toes" by Harry Warren, and "It's Wonderful When" by Amos Jacobs (Danny Thomas). Due to be released soon, both numbers were published by Danny's own firm, Dan's Tunes. . . . One of the leading jazz record companies, Bethlehem Records after opening offices here just four months ago, have signed Conte Candoli, Charlie Mariano, Stan Levey, Stu Williamson, Bob Hardaway, Max Bennett and Red Mitchell to exclusive three year contracts. They've also signed a fine new singer, Helen Carr. Bethlehem's distribution now covers the entire United States, Canada, Mexico, as well as all of Europe and Australia. Hatzoff to Red Clyde. West Coast rep for this progressive firm. . . . As a tribute to the ailing Charlie Morrison, Mocambo staffers promoted ten nights of gueststars, with a new star and host or hostess appearing nightly. To date, Gordon MacRae and Eartha Kitt chalked up the largest attendance record in many months. . . . The DeCastro Sisters are now appearing at the Latin Casino in Philly through March 23. The following night (24) they open in the Copa, N'York for an engagement to run through April 22. All indications are that the three vocalovlies have a new smash follow-up to their version of "Teach Me Tonight" in "Boom Boom Boomerang," on the Abbott label.

WNEW Okays Prescott For Boston's WORL

BOSTON—WORL in Boston has announced that Norm Prescott, through special arrangements with station WNEW in New York, will do an hour show from the Boston station Monday through Saturday, 2 to 3 PM, beginning April 1st.

Norm will be doing his program both from New York and "live" from WORL each Wednesday and Thursday. With the aid of a portable mobile unit, Prescott will do a New York correspondent-type show for WORL and New England. His programs will originate from places like Les Paul & Mary Ford's home, Perry Como's show rehearsals, Al & Dick's Restaurant while lunching with Eddie Fisher, directly from Johnnie Ray's recording sessions, or while flying en route from New York to Boston, direct from the plane.

The show will have stars, interviews, music, and stories about what the stars are doing, as Norm covers the Broadway beat for Boston. WORL is convinced that the expense, effort and arrangements which were made to bring this show to New England will be more than rewarded, and that it is the kind of entertainment that will add sparkle and glitter to radio.

Laine Headlines Show at Desert Inn

NIGHTCLUB ROUNDUP

NEW YORK—Recording stars Terri Stevens and the Three Chuckles, opened last Friday at the Boulevard Night Club, this city, March 11th, to a jammed house including a huge audience of leading dee jays from the metropolitan area.

Miss Stevens, donned in a black velvet form fitting gown, beautifully interpreted a number of standards and some special material. Of course her original version of "Unsuspecting Heart" drew raves from the pleased crowd. Throughout her act, her wonderful personality sparkled.

The Three Chuckles, who opened the show, warmed up the crowd with their imitation packed version of "Juke Box Saturday Night" and continued to sail smoothly with their hit "X" records, "Runaround" and "Foolishly." A terrific act. Comic Morey Amsterdam supplied the laughs for the evening's entertainment.

LAS VEGAS, NEVADA—Frankie Laine, "Mr. Rhythm," arrived on the Las Vegas scene March 15th to headline a new show at Wilbur Clark's Desert Inn.

Laine came direct from the biggest success ever scored by an American artist in Australia. His tour "down under" was a real block-bustin' success with traffic snarls, screaming fans and solid sell-out performances in each city.

Laine, who headlines the Painted Desert Room show for one month, tops a program of supporting artists including Bobby Sargent, mimic; Zippy, the monkey, a novelty act and the Donn Arden Dancers in two new stage presentations.

Carlton Hayes and his orchestra provide music for the show and for dancing.

Laine's latest Columbia release features the movie theme from the Paramount pic, "Strange Lady In Town." Flip side features a mighty cool arrangement of the old favorite "Cool Water."

Victor Issues Special EP Packages For Ops

NEW YORK—In order to assist the juke box operator in his move toward ten cent play, RCA Victor will release, at the MOA Convention, two special packages of extended play records on 45 rpm.

Package No. 1 (Order # SPD 7) will include twenty EPs from Victor's "Honor Roll Of Hits" series released last September and will offer four hit tunes for each year from 1926 to 1945 as performed by the diskery's top artists. This set of records will be sold only as a package of 20 pieces and each disk will be enclosed in a plain sleeve as opposed to the colorful jacket in which EP's are sold to the public. Five sets of title strips will be included in each package. The cost to the operator will be \$13.92. Individually ordered, these records would cost \$17.20.

Package No. 2 (Order # SPD 8) will be made up of 25 of Victor's best selling EP's, and each of these records will feature only one artist. Artists included in this series are Wayne King, Artie Shaw, Eddie Fisher, Eddy Arnold, Perez Prado, Perry Como, Frankie Carle, Dinah Shore, Tony Martin, Glenn Miller, Benny Goodman Quartet, Boston Pops Orchestra, Jose Iturbi, Mario Lanza, the Melachrino Strings, Three Suns, Hugo Winterhalter, Henri Rene, Tommy Dorsey, David Róse and others. Songs offered in this package are the biggest hits by the various artists almost all of which have become standards. This package with five sets of title strips in the plain sleeves will sell for \$17.40. Individually ordered, these records would cost the op \$21.50.

Orders are to be placed through local distributors.

Carmichael, Mills Settle Renewal Suit

NEW YORK—The lawsuit instituted by Hoagy Carmichael against Mills Music for the ownership of United States renewal rights to "Stardust" and other Carmichael compositions, first published by Mills has been settled by the two parties out of court.

Negotiations were conducted between the parties and their attorneys resulting in an agreement whereby all of Carmichael's U. S. renewal rights to "Stardust" and his other songs were assigned to Mills for the United States renewal period.

The parties stated that all disputes and differences had been overcome and they confidently look forward to continued cooperation and mutual successful relationships.

Mercury Announces EP Deal For Ops

NEW YORK—Mercury Records has announced a special deal for juke box operators only and which covers 95 different Mercury extended play records selected for juke box use. Effective immediately, Mercury distributors are making available EP records without sleeves for 60 cents—the usual price for a 78 r.p.m. single. Records will be delivered in kraft envelopes.

Included in the EP selection for operators are disks by such current Mercury best-selling artists as Jan August, David Carroll, the Crew Cuts, Erroll Garner, the Gaylords, Georgia Gibbs, Ralph Marterie, Patti Page and Sarah Vaughan.

The special EP program for operators was announced for the Music Operators of America convention and with an eye to give operators the best possible price so that conversion to 10 cent play could be eased with some key current and standard disk items from the Mercury catalog.

Here is the list of artists and the number of EPs for each artist which is being made available:

Jan August, 11; Basin Street Six, 2; David Carroll Orchestra, 2; Dick Contino, 2; The Crew Cuts, 2; Xavier Cugat Orchestra, 4; Billy Daniels, 2; Jack Fina, 3; Erroll Garner, 4; The Gaylords, 3; Georgia Gibbs, 3; The Harmonicats, 9; Richard Hayman Orchestra, 10; Frankie Laine, 3; Clyde McCoy Orchestra, 1; Ralph Marterie Orchestra, 13; Robert Maxwell, 2; Alfred Newman Orchestra, 4; Patti Page, 12; Muggsy Spanier Combo, 1; and Sarah Vaughan, 4.

The list was selected to offer operators current hits, hits of the past few years, standard songs, jazz, Latin-American music, lush instrumentals and all-time favorites.

Lombardo Concludes Series

NEW YORK—Guy Lombardo has declined to renew his contract with the Lincoln-Mercury Dealers of this area, and will conclude his Friday night WRCA-TV series, seen from 7-7:30 P. M., with the program of April 1.

Lombardo's reason for not renewing is that he wants to do a concert tour this spring, because concerts have become the most lucrative phase of the band business today, and also because he wants more time to devote to the preparation of his extravaganza production, "Arabian Nights," which will again be presented at Jones Beach this summer.

Lombardo's agents, Music Corporation of America, have already begun to set up his concert tour, which will begin April 9 in Jackson, Mississippi.

The demise of Lombardo's Friday night series will in no way affect his filmed TV series which will continue to be sponsored locally by A & P on WRCA-TV, Thursdays, 7 P. M.

Cosnat Group Gathers

NEW YORK—The Casnat organization assembled for a week-end in New York last Friday, Saturday and Sunday, March 18-20. Jerry Blaine, president of the Cosnat chain, brought in his branch managers, promotion men and their wives, from Cleveland, Detroit, Philadelphia, Newark and New York for an all-expense-paid weekend at the Green Acres Lodge in upstate New York.

BROADWAY MUSICAL

COLE PORTER: "SILK STOCKINGS"—An Original Cast Recording—Feuer & Martin presentation starring Hildegard Neff, Don Ameche, Gretchen Wyler and George Tobias—Music and lyrics by Cole Porter—RCA Victor LOC-1016 (12" LP)

All of New York's critics but one raved about the big new Cole Porter musical "Silk Stockings" which opened at the Imperial Theatre just a few weeks ago. It was hailed as one of the most perfectly knit musicals to come along in years. And Hildegard Neff, Don Ameche and Gretchen Wyler all drew fabulous raves. So we can now assume that the show will have long, long run on Broadway and that road companies will soon be on their way across the country. This means, without a doubt, that the RCA Victor original cast LP will be a smash. Although none of the songs from the musical have become tremendous pop smashes, they may very well become standards. His creations get better with age. Of course, under the Victor system, the recording is clear and brilliant as is expected. In addition, the record is housed in a fold open jacket with an attractive four color front face. The inside covers and the back face offer photos and bios of the stars and the people who helped make the show a success. An original cast LP that ranks with the best. Countless thousands will see the show, and each show goer will consider this LP a must.

POPULAR

"MUSIC FOR TONIGHT"—STEVE ALLEN, his piano and orchestra—Coral CRL-57004 (12" LP)

TONIGHT; ISN'T IT ROMANTIC?; IT CAN'T BE WRONG; I'M GLAD THERE IS YOU; FOR THE VERY FIRST TIME; THE MAN WITH A HORN; CANDLELIGHT; I FALL IN LOVE TOO EASILY; IMAGINATION; LONG AGO; WHERE ARE YOU; STAY JUST A LITTLE WHILE

Not only has TV done a great job in the promotion of single records such as "Let Me Go, Lover," "Davy Crockett" and others, but the medium has done much to send albums high up on the lists. Jackie Gleason is one of the biggest LP sellers and thanks to an assist from Godfrey, Don Shirley's "Tonal Expressions" LP is well on its way. Now, one of TV's favorites, Steve Allen, enters into the LP field with a beautiful Coral release of mood music. His delightful piano technique is showcased by a full string ork, and the results are tops. Two "Tonight" themes and another Allen composition, plus nine standards make up the package. Coral has a tremendous smash in this LP and Allen may very well become another Gleason in the long play disk department.

Music from "DISNEYLAND"—Jack Pleis and his Orchestra and Chorus—Decca DL-8105 (12" LP)

"LADY AND THE TRAMP"—Songs from Walt Disney's next full length cartoon—with PEGGY LEE—Decca DL 5557 (10" LP)

Walt Disney, winner of 42 Academy Awards for his music and films, continues to cast a spell over the music loving public. His films have been the source of melodies that are forever on the lips of adults and children alike. On the "Disneyland" LP, Jack Pleis, an orchestra and chorus blend beautifully on a dozen selections that have become standards. Wonderful package for all age groups. Should sell a heap. On the other LP, Peggy Lee sings the songs which she wrote for the forthcoming movie-length cartoon "Lady And The Tramp". Some of the selections are just great. Decca has two disks that'll be fabulous sellers. When the cartoon hits the theatres, the "Lady" long play will be a smash.

"WALTZ TIME"—MANTOVANI ORCHESTRA—London LL 1094 (12" LP)

WILL YOU REMEMBER; OUR DREAM WALTZ; UNDER THE ROOF OF PARIS; THE MELBA WALTZ; JUST FOR A WHILE; WYOMING; CHARMAINE; I LIVE FOR YOU; DIANE; QUEEN ELIZABETH WALTZ; FOR YOU; KISSES IN THE DARK; BABETTE; LITTLE SWISS WALTZ.

Mantovani comes up with another outstanding masterpiece that should attract a heap of loot for all concerned. On this LP he leads his violin dominated aggregation through fourteen beautiful waltzes that'll captivate the adult set. Brilliant orchestral performances with depth and mellowness. In addition to the pleasure packed contents, London has provided an attractive jacket that'll catch many an eye. Monti is currently heading toward the top with a big single release in "Lazy Gondolier". A pop hit while the album is on display never hinders any sales. Should be another top money-maker for Mantovani.

PATTI PAGE: "So Many Memories"—Mercury MG 25210 (10" LP)

DEEP IN A DREAM; SPRING IS HERE; YOU GO TO MY HEAD; I HADN'T ANYONE TILL YOU; DARN THAT DREAM; I DIDN'T KNOW WHAT TIME IT WAS; WHAT'S NEW; I'LL NEVER SMILE AGAIN.

The inimitable Patti Page is at her very best on this LP, a delightful collection of beautiful standards. In her wistful manner, she gives the tunes a romantic and sincere delivery that few other thrushes can ever hope to imitate. Patti is in top form and whoever picked the tunes deserves a pat on the back. An album that'll make the Page followers leap with joy. Great mood music for a dreamy atmosphere.

"LE MOST"—Bernard Peiffer—EmArcy Records MG-26036 (1-10" LP)

I WANT TO BE HAPPY; PARIS, JE T'AIME; WHEN YOU WISH UPON A STAR; WHO IS ME; FROZEN FEET; THERE'S A SMALL HOTEL; STRIP TEASE; DON'T TOUCH THE GRISBI.

Bernard Peiffer, fine French modern pianist, makes his bow to the American audience through EmArcy and if this album is a sample, it won't be his last. The cool enthusiasts will take him to their hearts when they hear his performances. His articulate fingering is accentuated by "Bib" Montville, Bobby Jaspas, tenor saxes; Roger Guerin, trumpet and alto tuba; Jean-Marie Ingrand, bass and MacKac, drums.

Album Reviews

ARTHUR MURRAY Cha-Cha Mambos—BILLY MAY'S Rico Mambo Orchestra—Capitol T 578 (12" LP)

FRENESI; AIN'T SHE SWEET; ARTHUR MURRAY CHA CHA; ADIOS; MANANA; CHA CHA BAMER; UNDECIDED; YA YA YA, CHA CHA CHA; PEANUT VENDOR; CULIACAN; MAMA INEZ; TABOO.

Arthur Murray has chosen twelve tunes best suited for dancing the cha-cha, and Billy May has orchestrated them especially for dancers. They're not overarranged productions which cover up the beat. The simple clear-cut tempo is prominent and Billy May's Rico Mambo Ork handles them smoothly. Great stuff for the student of the dance. Pleasing to the ear too if you're a wallflower. Colorful cover splashes the Arthur Murray name right across the top. Included in each package is an Arthur Murray Dance Lesson certificate good for two free introductory lessons at any studio.

"PEGGY MALONE sings?—an album of sophisticated songs"—Jubilee LP 16 Volume I—(10" LP)

POSING FOR POWERS; LADY POLITICIAN; I COULDN'T SAY YES; VENUS; I'VE GOT IT HIDDEN; LET'S BE NEUROTIC TOGETHER; LADY DETECTIVE.

Peggy Malone, an attractive and interesting personality, offers on this LP, seven spicy double entendre novelties that the folks oughta get a kick out of. It's the type of material that always gets a laugh when a group of people are sitting around at a party. And Miss Malone interprets these clever little ditties in a most inviting manner. In addition to an attractive cover, the linear notes are hilarious. Adults will get a kick out of this one.

BUDDY DE FRANCO WITH STRINGS—MGM E253 (1-10" LP)

SUMMERTIME; THE SONG FROM MOULIN ROUGE; STREET SCENE; I'M GETTING SENTIMENTAL OVER YOU; MANY ARE THE TIMES; KAMASUTRA; LOST IN THE NIGHT; OVER THE RAINBOW.

Buddy De Franco is surrounded with strings for this mood album. It is a different De Franco but a delightful one. His moody, sensitive, exotic and star dusted treatments are a delight to the ear. Could sell big.

CLASSICAL

"A MASKED BALL"—Giuseppe Verdi—Cetra B 1249 (2-12" LPs)

MARY CURTIS VERNA; PIA TASSINARI, FERRUCCIO TAGLIAVINI, GIUSEPPE VALDENGO.

Coming out at practically the same time as the RCA Victor album this makes available to the market two good recordings of the same opera. It is a particular opera that was not too well covered by the record companies. One of Verdi's most melodious works, it should be well received by the public. Ferruccio Tagliavini in the role of Richard; Giuseppe Valdengo as Renato, his best friend who finally murders him; Maria Curtis Verna as Amelia, Renato's wife and loved by Richard; and Pia Tassinari as Ulrica, the fortune teller who predicts Richard's death, perform their difficult roles beautifully and dramatically and with telling effect.

SIBELIUS by Leopold Stokowski—RCA Victor LM-1854 (1-12" LP)

SYMPHONY NO. 2 IN D, OP. 43.

Leopold Stokowski interprets the Sibelius Second Symphony bringing out the drama, the melancholy, the angry winds and the warmth and simplicity of Sibelius' people and country. It is a moving work sensitively projected by Stokowski and members of the NBC Symphony. The cover is simple yet imaginative. The linear notes are reproduced on the front and back of the sleeve, broken by colorful drawings of native Finnish scenes.

TCHAIKOVSKY—"Aurora's Wedding"

ROSSINI-RESPIGHI—"La Boutique Fantasque"—Camden CAL 211 (1-12" LP)

STRATFORD SYMPHONY ORCHESTRA

Camden re-issues the delightful "Aurora's Wedding" by Tchaikovsky backed with the sparkling "La Boutique Fantasque" by Rossini-Respighi. For the economy minded it is an excellent purchase. The recording, billed as performed by the Stratford Symphony Orchestra is in actuality the London Philharmonic Orchestra under the baton of Serge Koussevitzky.

JAZZ

"STAN GETZ AT THE SHRINE"—Nogran Records MG N 2000 (2-12" LPs)

POLKA DOTS AND MOONBEAMS; OPEN COUNTRY; IT DON'T MEAN A THING; WE'LL BE TOGETHER AGAIN; FEATHER MERCHANT; FLAMINGO; LOVER MAN; PERNOD; TASTY PUNNING; I'LL REMEMBER APRIL.

The album was recorded at the closing session of one of Norman Granz' recent jazz concerts. To capture the real excitement of a concert, you hear the crowd noises and introductions by Duke Ellington. Included in the album is a bound pictorial review of the "cool" saxist. Many of these pictures are familiar to those who have been buying previous Getz issues, tho this is the first Getz concert album. Supporting Getz are Bob Brookmeyer on valve trombone; John Williams on piano; Art Mardigan on drums and Bill Anthony on bass.

MARIAN McPARTLAND AT THE HICKORY HOUSE—Capitol Records T574 (1-12" LP)

I HEAR MUSIC; TICKLE-TOE; STREET OF DREAMS; HOW LONG HAS THIS BEEN GOING ON; LET'S CALL THE WHOLE THING OFF; LUSH LIFE; MAD ABOUT THE BOY; LOVE YOU MADLY; SKYLARK; JA-DA; I'VE TOLD EVERY LITTLE STAR; MOON SONG.

Marian McPartland portrays a variety of emotions with her feelings flowing through her sensitive keyboard fingering. Her moody "Lush Live", her happy "I Hear Music", her speedy fingering of "Tickle-Toe" are but samples of her virtuosity. Miss McPartland is assisted by Joe Morello on the drums and Bill Crow on bass. This album should meet with success in the sales department.

HARRY CARNEY WITH STRINGS—Clef MG C-640 (1-12" LP)

I DON'T STAND A GHOST OF A CHANCE WITH YOU; TAKE THE TRAIN; WE'RE IN LOVE AGAIN; CHALMEW; MOONLIGHT ON THE GANGES; IT HAD TO BE YOU; MY FANTASY; I'VE GOT IT BAD AND THAT AIN'T GOOD.

Harry Carney, top-flight saxist with the Duke Ellington band for so many years, fronts his own group on this release. The notes tell us this is Carney's first album in his own name tho he's been part of all the Ellington records. Carney is surrounded by a lush backdrop; 11 strings, french horn, trumpet, clarinet, guitar, piano, bass and drums in addition to Carney's baritone sax and bass clarinet. It is lovely music that will please all facets of music lovers. It is good music, jazz flavored with solos that delight the ear. Heartily recommended.

Pledging Their Support

NEW YORK—As the late Johnny Ace's Duke recording of "Pledging My Love" heads up the charts, local record shops hop on the band wagon with huge display cards in their windows. Viewing the promotion piece in front of the Colony record shop are (l to r) Sid Turk; Nappy Grossblatt, owner; Marty Block, manager; and Irv Marcus, national sales manager of Duke and Peacock Records. Outside the Tin Pan Alley shop are Herb Goldsen, Sid Hechtman, Irv Marcus and Gene St. John.

"X" Signs Artists

NEW YORK—Jimmy Hilliard, A&R head of "X," announced this week that he had signed several new artists to the diskery. Among them are: Bill Kenny, Norman Brooks, Sandy Stewart, Gloria Van and Larry Ferrari, a young organist.

Hilliard is currently reviewing "X"'s roster with an eye to pruning it within the next 90 days.

Wecht, Abend Join Warock Music

NEW YORK—Buddy Wecht and Joe Abend have joined Warock Music. Wecht is the professional manager and Abend will develop the standard catalogue.

Before joining Warock, Wecht was for several years manager of Bob Manning. Abend was a partner in Capri Music for 16 years. He recently sold his interest in that firm to his partner Morty Manus.

Warock has taken new offices in 1780 Broadway.

Ruth Poll Dies

NEW YORK — Songwriter Ruth Poll, a member of ASCAP since 1948, died last Monday afternoon, March 14th, of a heart attack. Funeral services were held on Wednesday.

Miss Poll, who was born on June 10, 1899, penned a number of hit tunes during her career. "Bring Back The Thrill," one of her best known compositions, was also one of Eddie Fisher's first smashes. Her other songs include: "Because Of Rain," "I'm Wearing A New Shade Of Blues," "It Was So Good While It Lasted," "I'm A Military Man," "Weary Little Fellow," "I'd Love To Make Love To You," "Those Things Money Can't Buy," "If Yesterday Could Only Be Tomorrow," "Another November," "I Found A New Love Song" and many others.

Most recently, Miss Poll had been writing songs with Al Goodheart.

RCA Thesaurus Offers Local Promotion Plan

NEW YORK—A newly announced RCA Thesaurus plan makes it possible for local subscribing radio stations to offer their sponsors a completely integrated advertising, promotion and merchandising program.

The theme of the plan, "Shop at the Store with the Mike on the Door," is also the slogan that listeners hear plugged by such names as Nelson Eddy, June Valli, Freddy Martin, Sammy Kaye and George Melachrino. Thesaurus supplied subscribing stations with disks containing these announcements, as well as messages stating that radio sponsors displaying the "Shop at the Store" emblem can be counted on for "quality, value and service."

Retailers who sponsor time on the stations are supplied with decals that tie-in with the theme and also contain the station's call letters and frequency.

In addition to the announcements and decals, RCA Thesaurus also supplied subscribers with many other selling tools. A brochure that effectively points out the advantages of the plan to local sponsors is sent to subscribers. Station ad mats are supplied; art work that sponsors can use in retail ads come with the plan.

A station operating manual, containing completely detailed information on how the promotion operates is supplied to each station taking part; included are many pages suggesting how the promotion can be expanded.

Rounding out the "Shop at the Store with the Mike on the Door" promotion is a Thesaurus supplied promotion kit which shows stations how to publicize the plan locally. Stations also receive a photo montage designed for use in retail store windows. It contains photos of six famous stars who urge consumers to "Shop at the Store with the Mike on the Door."

TORONTO TOPICS:

Toronto has long been a haven for jazz, rhythm and blues with leading exponents and performers in these fields, regularly playing the Bistro Belt. Since this facet of the music business has always had its place here, the current "R & B" fever has not struck this area as seems to be the case south of the border. Thanks to the Telegram's dedicated scribe Helen MacNamara and other interested members of the local press circles, the Toronto patrons have long held an affection for the jazz idiom which has resulted in this music's being regularly aired by the dee-jays on their general programs. Out-and-out R & B air shows are, therefore, not the rule. CKFH's Barry Nesbitt and CBC's "Jazz Unlimited" platter show are the principal R & B programs catching local attention. . . . Headlining the Colonial's current bill is Louis Jordan who's music has always clicked here. He has been blowing up a storm every night to crowded houses, and doing a good advance campaign for his forthcoming platters on Label "X." . . . Webb Pierce and his show from Nashville packed them in last week at the Casino Theatre as expected, but to the amazement of some of the trade folks, the local reviewers weren't aware that Webb's Decca Records rated 1, 2, and 3, etc. in BUP's 1954 Hit List. . . . Over in Hamilton, the Mainstreet Jamboree continues to ride the crest of popularity and was a big assist in making sure that Gene Autry's appearance at the Forum played to standing room only. . . . Incidentally, we hear that the Jamboree's star, Jack Kingston, has another winner in his Sparton platter of "I'm Just A Fool." . . . The folks at Quality Records have every right to be a happy lot with high riding hits on their MGM, Mercury and Quality Labels. The latter record line is repeating its earlier success in the country field with its present emphasis on R & B disks, much to the satisfaction of the teenage platter buyers. . . . The Concord Tavern has latched on to a winning Combo in the Du Droppers (RCA Victor) who are making a lot of friends for themselves in this part of the country. If the group cannot be held over, it looks like an early re-booking for them hereabouts. . . . Andres Segovia, the guitar virtuoso, will guest with Sir Ernest MacMillan and the Toronto Symphony Orchestra at Massey Hall on March 15th and 16th. The two-day date will probably have audiences packed with working musicians who can make it to hear the world famed instrumentalist. . . . Sparton Records doing a good job promotion wise on their Jack Carroll platter of "What's The Weather Like In Paris" tied in with the local runs at the Highland and Christie Theatres of the film "Mr. Hulot's Holiday."

DU DROPPERS

MONTREAL MEMOS:
Jack Newman, manager of the Peer-Southern Canadian operation, pleased to hear of Julius La Rosa's booking at the Seville, April 14th. By that time, La Rosa's current release should just be nicely establishing itself and as both sides are Peer tunes, it will enable him to get some real worthwhile D. J. promotion on both "Pass It On" and "Let's Stay Home Tonight." Incidentally, both tunes were penned by Bob Haymes. . . . Webb Pierce who closed a one-week stand at the Seville Theatre this past week, created a host of new fans during his engagement. Red Sovine, who is now also on the Decca label, was plugging his next release "Lita Rosa," which looks as though it's a big one. Currently at the Seville are the Fontane Sisters whose "Hearts Of Stone" has done so well on the Quality label (Dot in the U. S.). . . . Local critics have been literally raving about Felicia Sanders who is currently holding forth at the Ritz Cafe. In every case, they have praised her to the skies and apparently were not aware of the tremendous talent this gal has. Her stay at the Ritz should enhance her ability to sell records in this area in the future. . . . Bob King, RCA Victor's new country star set to play CFCF Hometown Jamboree March 19th and again April 2nd. . . . Lone Pine and Betty Cody (Victor) slated to be the guests on this show March 26th. . . . The Gallahads due to open the El Morocco on March 21st which means that Capitol Records again has the lead act.

MILDRED PAIGE
(Riviera 988)

B "DON'T YOU BE TOO HASTY, BABY" (2:43) [Wildon BMI—Buddy Lucas] Mildred Paige rocks out for the new diskery. Gal really sells this driving ditty. Eddie Wilcox ork keeps the tempo moving. Good wax.

C+ "HOW COULD YOU DO THIS TO ME" (2:46) [Wildon BMI—Weinstein, Edwards] Miss Paige sings a rhythmic romantic ballad with an emotional delivery that doesn't come off as well as the "Don't Be Hasty" side.

LIGHTNIN' HOPKINS
(Herald 449)

B "THEY WONDER WHO I AM" (2:06) [Angel Music BMI—L. Hopkins] Lightnin' Hopkins rips through a fast moving item in which the guitaring of Lightnin' is heavily featured. Vocal seems in the nature of offhand comments and its casual style comes off well.

B "EVIL HEARTED WOMAN" (2:45) [Angel BMI—L. Hopkins] Hopkins sings a slow country blues in typical Hopkins manner. Good wax for the Lightnin' fans.

THE FIVE ECHOES
(Vee-Jay 129)

B+ "TELL ME BABY" (2:14) [Conrad Music BMI—Johnny Taylor] The Five Echos bounce merrily through a quick beat bouncer that drives. Good teamwork on the part of the group results in an effective evergreen.

B "I REALLY DO" (2:23) [Conrad BMI—Constant Sims] The Echos wail a slow blues ballad with feeling. Romantic ditty projected with warmth. Good coupler.

JOHN GREER
(Groove 0100)

B+ "WILL I BE THE ONE" (2:28) [Coblin BMI—Greer, Thomas] John Greer is tender and romantic on this slow tempo ballad blues. Greer puts a good deal of emotion and warmth in this reading and the side comes off well.

B "LUCKY, LUCKY, ME" (2:28) [Coblin BMI—Greer] Greer swings with this beaty side. A happy wax with lots of bounce and zest. Good dance tempo for the kids.

★ AWARD O' THE WEEK ★

"I LOVE PARIS" (2:30)
[Chappell ASCAP—Cole, Porter]
"ONE KISS" (2:31)
[Quintet BMI—Stoller, Leiber]

THE ROBINS
(Spark 113)

● The Robins come up with a driving reading of the beautiful "I Love Paris" and the hit of a couple of years ago looks like it could be headed for a revival, r & b. This group puts the ditty through more wild gimmicks than all its previous records put together ever had. A goodie that should have

no trouble catching on. It has the tune, quality and humor. The flip, "One Kiss," is another strong rhythmic piece of wax that the boys sell with a strong job. An excellent coupling, though we think the side that could take off is the "I Love Paris" etching.

JAMES WAYNE
(Million 2009)

B "JUNCO'S RETURN" (2:23) [Golden State BMI—James Wayne] A middle beat bounce country item with an infectious lilt. Wayne flavors the ditty with an effective reading.

C+ "GOTTA GOOD GIRL" (2:40) [Golden State BMI—James Wayne] Wayne sings a routine piece of middle beat material in ok style. Wayne tells of his girl who suits him to a T.

THE BARONS
(Imperial 847)

B "ETERNALLY YOURS" (2:15) [Commodore BMI—Gold, Ray] The Barons work together smoothly as they wax a slow tempo ballad blues pretty. Lead singer handles his chore effectively. Relaxing smoothie.

C+ "BOOM BOOM" (2:30) [Commodore BMI—Gold, Ray] The Barons chant their way through a jump item that comes off ok.

JIMMY SCOTT
(Savoy 1154)

B "EVERYBODY NEEDS SOMEBODY" (2:30) [Savoy BMI—McCoy, Biggs, Mendelsohn] Jimmy Scott sings a pretty ditty with a tasty treatment. Tune is melodic, simple and warm.

C+ "WHEN DID YOU LEAVE HEAVEN" (2:40) [Robbins ASCAP—Whiting, Bullock] Flip is a slow tempo blues chanted with feeling. Scott has an unusual voice and emotional manner of presentation.

TOMMY MALONE
(Decca 29442)

C+ "I'M WADING IN DEEP WATER" (3:07) [Champion BMI—Lane] Tommy Malone etches a slow country blues with weeper lyrics. Ok side.

C+ "IT'S BEEN SO LONG, BABY" (2:34) [Champion BMI—Malone, Reese] Another waxing of similar material. Malone sings of his woman woes.

THE ADMIRALS
(King 4782)

B "GIVE ME YOUR LOVE" (2:20) [Stratton BMI—Jay, Deid, Albert] The Admirals blend in a really pop manner with reminiscent characteristics of some of the leading pop groups. Ok quick beat wax.

C+ "CLOSE YOUR EYES" (2:16) [Rush BMI—Chuck Willis] The Admirals blend and effective cover of the current hit.

ROLLEE MCGILL
(Mercury 70582)

B+ "THERE GOES THAT TRAIN" (2:42) [Vir-Cel BMI—Rollee McGill] Here's a sleeper that should be watched very carefully. It is a slow blues done very well by Rollee McGill. Deck has all the merits that might give it the impetus to really take off. McGill gives it an extremely effective reading.

B "YOU LEFT ME HERE TO CRY" (2:43) [Vir-Cel BMI—Rollee McGill] McGill sings a similar piece of material effectively but which doesn't come with the same impact. Ok but routine.

ELLA JOHNSON
(Mercury 70580)

B+ "IF YOU WOULD ONLY SAY YOU'RE SORRY" (3:00) [Munson Music BMI—Wyche, Kirk] Ella Johnson sings with feeling as she handles this slow beat pretty. Ella is very effective as is the strong orking that backs her. A strong item that could become a strong sales puller.

B+ "ALRIGHT, OKAY, YOU WIN" (2:47) [Munson BMI—Wyche] Ella ups the tempo on this side and bounces in happy style through an infectious jump item. The thrush is good and Ella Johnson fans will like it.

WILLIE M. THORNTON
(Peacock 1650)

B+ "LAUGH, LAUGH, LAUGH" (2:41) [Lion BMI—Robey] Willie M. Thornton, "Miss Hounddog," advises us to laugh and be happy. The tune is an uptempo that Miss Thornton drives and embellishes with laughter.

B+ "THE FISH" (2:37) [Oxford ASCAP—Wayne, Springer] Willie Mae rocks out with the pop hit and the item comes out good side. Treatment is entirely different than the original and could rack up a strong sale.

"WHAT DIFFERENCE DOES IT MAKE" (2:30)

[Flair BMI—Gunter]

"BABY, I LOVE YOU SO" (2:20)

[Flair BMI—Davis]

SHIRLEY GUNTER and THE QUEENS
(Flair 1065)

● Shirley Gunter and The Queens come up with two entirely different sides, either of which could prove to be the strong one. Miss Gunter and her harmony come up with a delectable and pleasing item in "What Difference Does It Make". A slow tempo pretty that shows off the quality of the group and the

diversified talent of the lead singer, the wax grows on you with repeated hearings. The flip, "Baby, I Love You So", shows off the group in a change of pace. The Queens rock an exciting background to the zestful chirping of Miss Gunter. Deck moves and the kids will love to bounce to its driving tempo.

PIANO RED

(Groove 0101)

B+ "JUMP MAN JUMP" (2:01) [Raleigh Music BMI — Chick Thompson] That wild man on the keyboard takes off with a wildie for the first try on the rejuvenated label. Piano Red's flying fingers beat out an exciting up tempo as the band behind him keeps the coals hot. Good cornball wax.

B "PAY IT NO MIND" (2:38) [Lowery Music Co. BMI—Snead] Piano Red sings on this side. He dishes u pan infectious gospel sounding middle beat with a tasty reading.

FAMOUS DAVIS SISTERS

(Savoy 4063)

B "HE'LL UNDERSTAND" (And Say Well Done) (2:40) [Savoy BMI—Lucy Campbell] The Davis Sisters perform a middle beat religious item with excellent effect. The lead handles her chore in exciting fashion.

B "HE'S MY KING" (2:40) [Crossroads BMI—Arr. Davis Sisters] Similar comments apply to the flip, a slow, dramatic gospel side.

LATIN

MACHITO

(Tico 10-243)

B "LITTLE BY LITTLE" (2:45) [Rafael Seijo] Machito provides a very pleasing cha-cha-cha mambo that should meet with good acceptance. Strong beat for the dancers who favor the Latin tempo.

B "NIGHT OF NIGHTS" (2:44) [Noche de Farra] Another tasty cha-cha-cha of slow tempo. Machito and his band wax the ditty in appealing manner. Should be well received by the mambo buyer.

BELLS OF JOY

(Peacock 1738)

B+ "SINCE JESUS CHANGED THIS HEART OF MINE" (2:39) The Bells of Joy rock out with a fast beat chant that will stir up an audience. Handclaps, shouty lead and a hard hitting beat make this a strong jubilee wax.

B "IT WILL SOON BE OVER" (2:35) The Bells change pace on the flip and wax a sincere and deeply moving slow spiritual. Good two-sided religious wax.

STARS OVER HARLEM

This place is The Apollo Theatre, Harlem's show place of the stars. The brilliant lights of the marquees are boasting proudly of their showcasing the ever pleasant vocal stylings of two of the nation's top singing stars. In the male department there is Al Hibbler whose latest etchings have been nothing short of sensational plus. There are three going great guns for the personable gent at the moment. His Original records pressings of "Lights Go Down Low" have gotten several pop coverings, while his Decca big ones "Daybreak" and "Unchained Melody" are currently the hottest items being sported by their energetic salesmen all abouts. The female department is represented by Sarah Vaughn, who never fails to give out with a tasty batch of sharps and flats. . . . Sol Rabinowitz, Baton Records, and Lloyd Williams (he's one of the big guns of W.L.I.B.) stop by to exchange chit-chat about the latest Rivleer "Don't Ever Leave Me" item. . . . The Cardinal's "Door" going up, up & up. . . . Carmen McRae and "They All Laughed" getting the many spins and deservedly so. . . . The Stevens Singers "Deliver Me" Harlem's hottest spiritual. . . . Earl Bostic's back, and the juke boxes rock like mad. Lend an ear to his groovy "Night And Day" ditty and you'll see just what we mean. . . . Dean Barlow and "String Along" not to be underrated by a long shot. . . . Joe Petrelia, Jack Walker, Georgia Carr, Leigh Kamman, Max Cole, Hilda Simms, newcomer Ruth Mason over at radio station still doing bang up jobs. . . . Uptown jazz buyers deeply touched by the passing of their idol, alto sax star Charlie "Bird" Parker for whom the jazz spot of the nation Birdland was named. . . . Dakota Staton sales continues to move skyward. . . . Same goes for Ray Charles, The Hearts, The Charms, The Penguins and The 5 Keys. . . . "Tomorrow Night" B/W "Tweedle Dee" still in the top division of things. . . . The Robins & "Whadya Want" should bust loose at any minute. . . . "Whole Lot Of Fish" spotlighting Dolores Ware's fresh new vocal deliverings grabbing nickels right and left. . . . For a change of pace lets move over into the instrumental section of wax happenings where the big tone tenor sax of Jesse Powell continues to demand the attention of the jocks, op's and those who like to dance and swing. The big one for the whailing band master at the moment answers to the name of "Heads Up" B/W "Cool And Blue." Its a real hard driving, spicy item that should go straight to the hearts and charts. . . . Attention gentlemen of the trade. Don't sleep on Clyde McPhatter's "Gone" pressing, this one could very easily be a real winner if given just a wee bit more exposure.

A. V. Bamford, who set the Hank Snow Show starting in Lubbock, Texas and closing in Denver, Colorado February 1 through the 13 reported: "In all of his years of promoting shows we have never had as successful a tour as the tour just completed with Hank Snow. The latter tour set by Jamboree Attractions under the guidance of Col. Tom Parker also broke records for attendance in Roswell and Odessa and Abilene with big turnouts in the other towns.

The Bamford tour included along with Hank Snow—Marty Robbins, T. Texas Tyler, Arlie Duff, Tommy Collins and Curtis Gordon. The Jamboree Attractions tour included with Hank Snow—The Duke of Paducah, Elvis Presley, Charline Arthur and Jimmie Rodgers Snow.

Eddy Arnold Honored On 10th Anniversary With RCA Victor

NEW YORK—A bronze plaque commemorating 10 successful years of recording was presented to balladeer Eddy Arnold last Wednesday, March 16 by Frank Folsom, president and Manie Sacks, vice-president and general manager of RCA Victor at a luncheon for Arnold at the Essex House.

Also in honor of the occasion, RCA Victor issued a special commemorative album titled "Eddy Arnold—An American Institution," which consists of the ten top country tunes from the past ten years. The album was released to pay tribute to Arnold's phenomenal sales performance in ten years. During that time he has sold almost 40 million records.

Ever since Arnold's recording debut, his RCA Victor disks have had unprecedented popularity. His voice is heard on more than 200 songs, and his appeal extends far beyond a group whose interests are centered only in country music. Eddy's "Bouquet of Roses," "Anytime," "I'll Hold You in

My Heart" and several others have hit the million mark in sales.

Arnold was born of farm parents at Henderson, Tennessee. At the age of 8 he got an old mouth harp—the only toy he ever owned—and eventually taught himself to play the tunes he heard his parents and neighbors humming from time to time.

A couple of years later he managed to squeeze enough extra money to buy himself a guitar from an old broken-down fiddle player. The instrument cost him two dollars, and before long he was spending his evenings playing guitar at square dances. After a long series of local personal and radio appearances, his big break came when he got a job as singer with Pee Wee King and his Golden West Cowboys, then appearing on the "Grand Ole Opry" in Nashville. By 1943 Eddy had sufficiently established his popularity to strike out on his own.

In late 1944 RCA Victor heard about his talents and signed him to an exclusive contract. A short time later he made his first record, "Mommy, Please Stay Home With Me," and since then, his name has become a by-word in millions of American homes.

CINCINNATI CUT-UPS

Willie Thall, popular, longtime driver of WLW-TV's "Midwestern Hayride" made his final appearance as m.c. this week end. Willie has been with the show since it started over six years ago, but now must bow out because his physician urged that he pare his activity schedule since he has been under the physician's care for the past ten months. Thall will be replaced by Hugh Cherry who recently came to the nation's station from Nashville where he was a country DJ. We country folks around these parts will sure miss Willie although he will still be seen on the "50-50 Club" and "Bill Thall Show" over WLW Monday through Friday.

Strolled into the Colony the other night to find out that Gil Sheppard is no longer spinning disks at the popular restaurant where all the music folks would gather each week day night. Come on you folks let's get Gil back, drop a line to the management of the Colony for the fellow who was always willing to give your rec-

ord a twirl when you came to town. . . . The Davis Sisters (Victor) are resting this week end after being on the road and appearing on the Grand Ole Opry last week end. . . . Jimmie William (MGM) is appearing on the Randy Atcher show from Louisville this week. . . . Thom Hall C&W deejay at WKYW in Louisville was in town this week. He told me that Neal Burris (Columbia) is doing club dates in Chicago. Also that Big Jim Wilson has moved to Louisville where he now has four hours daily over WAVE as country deejay.

Seems like WSAI will carry the ball games this year instead of WCPO when the first ball is tossed out at Crosley's (Redland) Field. . . . Folks at Jimmie Skinner's record shop tell me they can't keep enough records of Red Foley (Decca) stocked for the demand since his Ozark show. . . . Lee Jordan is the new announcer at WLW radio. . . . Julius La Rosa in town for a one night stand with Clyde Trask at Castle Farm.

32 WEST RANDOLPH ST.,
CHICAGO 1, ILL.

Once upon a time, during the nerve-wracking cold-war, during the stock-booming year of 1955, in fact, in March of that year, there was a little music operator.

He thought, did this little music operator, hidden among his collection slips and his location contracts, seemingly buried away in his own little hometown that no one, but no one, could or would ever upset the equilibrium of his peaceful existence.

As he figured it out, he might not be rich, in what the word "rich" meant during the uranium-booming, hydrogen-bomb year of 1955.

He might not be big, in what the word "big" meant.

In fact, as he thought, everything considered, he probably wasn't even noticed, not a little music operator like himself.

Because, as he thought, after all, he was just a little guy. He and his phonographs. Hidden away in his little hometown. Where the corn grew tall. Where the winters were cold and frosty. Where the summers were hot and humid. Where people just sort of got along. Some made money, some didn't.

He kinda kept his nose above the engulfing financial flood of ever increasing taxation, inflation, continued demands for charitable donations, and so many, many hundreds of other very strong and urgent requests that came along to plague him, as well as all the other little businessmen in his little hometown.

So when someone phoned him, or he read about it, he just doesn't remember now which it actually was, but he does remember that he was very, very strongly urged to quickly wire and write to his Senator and his Congressman. Instead he griped:

"Oh, please! I'm so very, very busy right at this moment. Tony's juke box just went out of order. Mabel's Diner is having trouble with the new speaker. I got too much on my mind right now. I'll do it sometime soon, okay?"

This little music operator was a very nice guy. He could always be depended upon for a few bucks for the Red Cross. The Polio Drive. Even the Community Fund. And maybe a buck or two, now and then, for the church.

He was like lots of other music operators. He, too, felt he was kinda away from things. Out in the tall corn country. Kind of apart from the Big City guys. Just a little guy, like lots of other little guys, tryin' to get along.

So he forgot to remember. He forgot all about sending those wires and writing those letters to his Senator and his Congressman, and to all the other Senators and Congressmen on the Senate and the House Judiciary Committees.

"After all," he argued to himself when he did remember, "what do they think? I got nothin' else t'do but sit me down and write letters and spend money for wires? They ain't got no idea what a wire from my hometown here costs goin' all the way to Washin'ton. Whatsamatter with these big shot music operators anyhow?"

In this way he appeased his inner and, perhaps, guilty conscience. And just continued to wend his own way along his own hometown route. He did what he had been doing. Just what he had been doing for years and years.

One day he received a very angry and desperate phone call from one of his very best locations. This location owner screamed over the telephone:

"Hey, listen here, you, what'd you get me into here, huh?"

He howlingly added, "I got a guy here in my place who says he's from some kinda org'n'zation called a society of music people. Claims I owe him fifty bucks for this here week's fee f'r the juke box. Your juke box. Says he didn't get paid from you

neither. He sure ain't gonna get paid fr'm me. And he's gotta Federal guy along with him. Get y'r juke box outa here quick. Y'hear me?"

Well, the little music operator's heart jumped right up into his throat. Then fell all the way down. Down into the deepest pit of his stomach. But he was still the tough and rugged individualist. He was gonna first find out what the hell this was all about. But quick, too.

So he dashed over to this top spot, where all the trouble was brewing and he learned, to his amazement, that the big man who looked down at him with those baleful, glaring eye-balls was the man from one of the big "non-profit" music collection organizations.

This man, of all wondrous and amazing things wanted him, little Mr. Music Operator, to pay \$50.00 per month per juke box for a thing called "Performance Rights", because little Mr. Music Operator featured certain types of music in his juke boxes copyrighted by this man's "non-profit" outfit.

That wasn't all. This \$50.00 per month juke box was only the beginning. Because little Mr. Operator actually used the copyrighted music of Mr. Big's "non-profit" collection agency he also had to buy a license that would cost him \$50.00 per month, which he would have to renew every month, for the privilege of using this copyrighted music.

When he asked, he was offered no contract. When he begged, he was given no guarantee. When he pleaded, he was offered no time to raise the mony. Just put it up, the Big Man said, or else! And the Big Man pointed to the Federal Man who was, most naturally, there to back up the Federal Law, only because this was his duty.

Little Mr. Music Operator was told that this was now Federal Law because one of the three bills before the first session of the 84th Congress of these United States in 1955 had been passed and had, therefore, become Federal Law.

So little Mr. Music Operator was told he'd better ante up. And he'd also better not lie about the exact number of juke boxes he owned and locations he had. Because if he lied he'd have Uncle Samuel to contend with.

He was also to fill out this long, long questionnaire and tell exactly to the number how many recordings he used each week and each month. Because, maybe, the \$100.00 per month he now had to pay might be much, much too little. He might have to pay \$500.00 per month. Like some of the other music operators now had to pay. Maybe even more.

So little Mr. Operator wailed and raved. And wailed and raved some more. But all to no avail. He guiltily thought, inside himself of course, how he could have helped so that this never would have happened to him, or to anyone else in the business, if he, too, would have sent all the wires and letters he possibly could from himself, his employees, his friends and everyone else he knew and did business with—to the Senators and Congressmen in Washington.

But, it was much too late. So he sold out and left the business.

By the way he's the little guy who filled your gas tank at the little shack with the single little pump as you pulled into town.

The moral of this story is: "If you won't defend your livelihood, the welfare of your family, the well being of your employees and friends and people with whom you do business maybe you, too, should get out of this business right now—before you get TAXED OUT OF BUSINESS should any of the three bills now before the House of Representatives or the Senate pass and become Federal Law.

MOA MEET STARTS MAR. 28

Geo. A. Miller, Pres., and Committee in Chicago Making Final Arrangements. Expect Big Crowd. Miller Urges All Ops to Attend.

GEORGE A. MILLER
(President, Music Operators of America)

CHICAGO—With the MOA's Fifth Annual Convention only a week away, Monday, Tuesday and Wednesday, March 28, 29 and 30 at the Morrison Hotel, this city, George A. Miller, national president and business manager, together with a number of other officials, are now set up in the Morrison Hotel to complete all necessary details.

Miller, who left with Larry Marvin, Sacramento; Wes Elster, Fresno; Ben Chemers, Los Angeles; and Walt Hemple, San Fernando, California; will all work with Ray Conliffe, Chicago; Martin Britz, Montana; Jimmy Tolisano, Connecticut; and Los Montooth, Peoria, to take care of final arrangements.

Coimnen who desire to contact any of the above committee officials can reach them at the Morrison Hotel, telephone FRanklin 2-9600.

"This convention, without a question of a doubt, will be the best arranged of any we've held in the past" stated Miller. "And from advance reports, attendance should be far and away the largest of all time. With each succeeding year, those music operators who attend the MOA Convention, find it is to their advantage to be on hand at these meetings. For those who have not as yet decided to be in Chicago for the MOA show, I say that no music operator who values the automatic music he operates can afford to stay away. Altho it is late, and the attendance will be

large, I appeal to every music operator to come to Chicago. If they will phone or wire me at the Morrison Hotel, I will see that hotel accommodations are arranged for them."

As reported in previous issues of *The Cash Box*, a complete agenda has been arranged for the three day meet. Executive meetings will be held in the mornings with the music operators between the hours of 10 A.M. and 12:30 noon. There will be no business meetings in the afternoons. The official exhibit hours will be from 2 P.M. until 8 P.M., with the exception of Tuesday evening, March 29, when all exhibits will close at 6 P.M. so that everyone can attend the annual Banquet and Show in the Terrace Casino Room, which starts at 7 P.M.

Those who attended previous MOA meetings know what a great show is held. Miller believes the show this year will top anything ever held. Hirsh de LaViez, entertainment chairman has advised Miller that the greatest names in the recording industry will be on hand.

Since listing exhibitors (*The Cash Box*, March 12 issue), a number of additional firms have signed up and sent in their checks. A total of 46 exhibit rooms have been sold.

Assemblyman John G. Ryan Intros Bill (H. B. 256) in Ill. State Legislature to Outlaw Monopoly of Music Copyright Societies

Bill Proposes: "For an act to Prohibit Unlawful Monopolies in the Sale or Use of Musical Compositions"

SPRINGFIELD, ILL. — Assemblyman John G. Ryan introduced House Bill No. 256 in the 69th General Assembly of the State of Illinois Legislature which has been referred to the Committee on License and Miscellany and which proposes:

"For an Act to prohibit unlawful monopolies in the sale or use of musical compositions."

Section 1 of this proposed Act reads: "No owners of any copyrighted musical compositions shall form any combination within this State, or, if without this State, shall engage in any business within the state, when the members therein constitute a substantial number of persons within the United States who own or control copyrighted musical compositions and when one of the objects of such combination is the determination and col-

lection of license fees or other exactions in connection with the rendition of copyrighted musical compositions for private or public performance and for profit or otherwise. Combinations formed in violation of this section are declared to be unlawful monopolies."

Section 2 reads: "The fixing of prices for the sale of copyrighted musical compositions or the collection of license fees or other exactions by such a combination in connection with the rendition of copyrighted musical compositions is declared to be in restraint of trade and is prohibited."

In Section 3 the following appears: "Nothing in this Act shall be construed as limiting any right conferred by the copyright laws of the United States upon any person, nor of limiting the right of any owner of copyrighted musical compositions, when acting independently of any such combination, of determining the selling price of such composition, if such price is specified legibly upon every copy of each composition."

Section 4 of this Bill reads: "When any person purchases a copy of a copyrighted musical composition and pays to the owner so specified, the purchaser may render the musical composition individually or with other performers over or through or by means of any transmitting device or otherwise, in public or private and for profit or otherwise. The owner shall be deemed to have received full compensation for the rendition and use of the copyrighted musical composition, and no further license fee or exaction may be made from the purchaser for the use of such composition."

Section 5 reads: "All existing contracts and all contracts hereafter made within this State with any such combination are against public policy and void."

The bill goes on to define representatives of copyright organizations and also gives definitions for the various wordage used thruout the proposed Act.

This bill has, most naturally, attracted much attention and interest among music operators.

for all visitors who will call at our factory during the MOA convention."

Chet has been handling postcards for Exhibit Supply for some years. He is responsible for the many new card series which have appeared and which have clicked so well with postcard machine operators.

He is, in fact, at work right this minute on a brand new series of cards featuring the nation's recording stars.

He hopes, within the near future, to be able to announce the approximate time when this series will be completed.

"In the meantime", Chet reports, "any and all postcard vending machine operators, who will visit in Chicago during the MOA convention, are invited to come out to our factory and see all the new Exhibit postcards arranged in one very attractive setting."

Gottlieb Presents 2 Player Pinball

CHICAGO—Following up on the success of multi-play pinball games, David Gottlieb of D. Gottlieb & Company, this city, announced that the firm had just released a new two-player pinball, "Duette".

"This game", Gottlieb stated, "has proved itself one of the most outstanding we have presented to the field, if actual and extensive location tests all over the country, count for anything at all."

"The play develops such fine competitive spirit that action goes on at a faster pace than any other type pinball yet introduced to the field."

"Reports are absolutely phenomenal from every one of the test locations. All we can hope", he concluded, "is that operators who will purchase 'Duette' will use as good judgment in the placement of this game to help encourage competitive play action and, thereby, enjoy the best profits possible."

Factory engineers explained that not only is "Duette" actually two games in one, but, what is even more important, the multiple play action of this game has such an outstanding competitive quality that the play is actually subjugated to the individual scoring of the players.

As Nate Gottlieb of the firm says, "Even one player gets a real kick out of the action on 'Duette'."

He also advised that the cabinet is one of the finest the firm has introduced and the deluxe model can be compared only to the cabinet that was featured for the "Super Jumbo" four-player game of the firm.

Ops around Boston are converting music boxes to ten cent play left and right following announcement by the Massachusetts Music Operators Association that high costs have made the conversion necessary last Friday. . . . Boston Traveler ran a page one story on the conversion with a cartoon on the carry-over page showing all former 5c items that are now 10c heaped in an ash can. . . . Boston columnists, among them Ted Ashby of the Globe, devoted heavy space to the music machine business and excellent publicity was given to statements of Jim Geracos, president of the MMOA. . . . So many new members have come into the org says Dave Baker, treasurer, that the "Eastern" part of the name will probably be dropped. . . . Enthusiasm for the association and for ten cent play is high in the Bay State. . . . Ray Shea of the Worcester ops attends all sessions of the group and has brought many ops from the heart of the Commonwealth in to the weekly Thursday sessions in Hampton Court Hotel, Brookline. . . . Publicity Chairman Phil Swartz, Winrox Vending, has been holding frequent meetings with his committee, making plans to get the organization known throughout the six-state area. . . . Conversion of boxes in the area is expected to take about 120 days. . . . Word is in from Providence, R. I. that ops are becoming 10c play minded and are beginning conversions.

Howie Freer Joins Simon Dist., L. A. Hirsh deLaViez Writes Senators & Reps

HOWIE FREER

CHICAGO — Howard (Howie) Freer entered into partnership with Jack Simon of Simon Distributing Company, Los Angeles, California.

He officially resigned his position with Empire Coin Machine Exchange of this city as of March 15, and made

his announcement regarding his new connection on that date.

Freer was with Empire for almost ten years. He joined the organization October 21, 1945. He acted in capacity of sales promotion manager as well as export and advertising manager and also handled the mailings of the firm.

Prior to joining Empire Coin Machine Exchange, Freer had been connected with Atlas Novelty Company of this city for a period of three years in a sales capacity.

He reported, "I am convinced that this is the best move I've ever made. As a full partner with Jack Simon in Simon Distributing of Los Angeles, I believe that every opportunity is ahead for us as Los Angeles continues to progress and grow, with the coin machine business in the Southern California area progressing and growing along with the constantly increasing population."

He also reported, "Leaving Empire Coin Machine Exchange was not an easy task. I was with Gil Kitt and his firm so long that it had become part of my business existence. We parted on the very best of terms. Gil wished me every success in my new venture. The marvelous experience

WASHINGTON, D. C.—Hirsh de LaViez, head of Hirsh Coin Machine Corporation, this city, and one of the best known coinmen in the country, is one music operator who wrote the Senators and Congressmen on the Sub-Committee of the Judiciary, expressing his views on the ASCAP Sponsored Bills.

Hirsh's letter, a long single spaced two-and-a-half page affair, used a new approach. He noted that when the original Copyright Act of 1909 was passed (in which coin-operated phonographs are exempted from paying royalties), ASCAP itself was instrumental in getting it written into law. "They (ASCAP) deliberately desired the exemption" wrote Hirsh, "of the coin operated music machine, because it performed an invaluable 'plugging' function as a mechanical salesman of their new tunes. Wherever possible, it replaced the costly pluggers (male or female) in the music shops thruout the country, who pounded a piano or sang the latest tunes in order to sell a record or sheet music to the buyers."

which I gained with Gil Kitt and Empire Coin Machine Exchange will be sure to stand me in good stead in my new partnership with Jack Simon in Los Angeles.

Hirsh points out that in the 1920's radio practically killed the record and sheet music business. "It was the introduction of the modern selective automatic phonograph in 1934 that revived the record business," he relates, "because it purchased most of the record production at that time."

A good part of Hirsh's letter then describes the music publishing and recording business as it now operates, going into detail about how the song writer has to operate to get his tune published and recorded, and then promoted.

In his last few paragraphs, Hirsh writes: "There is no doubt whatsoever in my mind that the coin machines are important to the record business and to the music publisher and the composer. They bring money into the pockets of the publisher and composer by their own purchase of records, by the promotion they give to the sale of sheet music.

"I, therefore, believe that if the Bills before this Committee are going to cut down the number of coin machines or the number of records purchased by the machine operators, it is bad for everyone concerned—publishers, composers, and phonograph record manufacturers."

This week music operators throughout the West are busily getting ready to embark for the big MOA Convention which will be held in the windy city March 28, 29 and 30. For those who decided to go the last minute there's a mad hassle trying to get plane and hotel reservations. Your Cash Box West Coast representative, Carl Taft, is happy to report that he'll be there bringing you a special report direct from the convention. As a special reminder, be sure and drop in at The Cash Box suite in the Morrison Hotel so we can greet you personally.

V. Van Nattan, Sales manager for Auto-Photo Company, announced that they will be present during the three day event with a display of the new Model "11" Auto-Photo Studio in booth 31 of the convention hall. He will be on hand to personally greet all operators as will be the firm's engineer, Roy Heine, and lovely model Lee Mathison. Van Nattan also revealed the formation of their English affiliate "Photome, Ltd." at 25 Manchester Square, London, England. They have set C. W. Clark as general manager of the new plant and will manufacture and distribute the Model "11" throughout Europe, South America and Africa.

NEWS TIDBITS:—Received a long distance phone call last week from George Howard of The Tri-State Amusement Company in Farmington, N. M., inquiring where he could purchase a Keeney Bowler head. We located the item for him and it was shipped out the very next day.—Just another of the many services provided by The Cash Box!

DISTRIBUTOR DOINGS:—As the first days of Spring approach business continues at an all-time high with continued optimism for the Spring and Summer months ahead. Operators and distributors alike expect this season to be one of the biggest in our history. . . . **PAUL A. LAYMON & CO.:**—Last week carpenters were busy building a new and enlarged parts department which will house all game & phono parts and supplies under one set-up thus eliminating the two parts sections which are now in use. Bill Fritz will continue his capable management of the new department. This new arrangement will allow for a larger showroom area. . . . Ed Wilkes says that Bally's "Magic" bowlers are getting more popular with the coin-ops all the time and is one of the biggest sellers that the Bally factory has ever put on the market here in the Southland. . . . With everyone else around the Laymon establishment buying new cars Ed admitted that he finally had to succumb to temptation and buy a shiny new Ford. (We all knew you couldn't hold out for long, Ed). . . . **SIMON DISTRIBUTING CO.:**—Jack Simon announced that Howie Freer, formerly with Empire Coin Machine Company, Chicago, is moving to Los Angeles and will be associated with him. . . . **C. A. ROBINSON & CO.:**—Dave Wallach, Robinson's sales rep., returned from a trip thru Arizona and Texas then took off on a jaunt thru the hinterlands of Southern California. Charley claims that sales on United's new "Manhattan" in-line would be terrific if he could only get enough of them. . . . **SIERRA DISTRIBUTORS:**—Two new employees were added to the sales organization at Sierra last week to take care of the increased demand for used phonos and games. Wayne Copeland announced that new personnel had to be added to handle their enlarged used equipment department. . . . **BADGER SALES COMPANY:**—Bill Happel received visits from several of the large arcade operators last week which, he claims, is a sure sign of Spring. Arcade men from the beach cities were in, getting ready for the big tourist season ahead. . . . Sorry to hear that Fred Gaunt has been having trouble with a painfully infected tooth. . . . Lowell Kwahk, coin machine importer from Korea, was in visiting with Joe Duarte in the Badger export sales department recently. Visitors from abroad are becoming a common sight at the Badger emporium.

OPS JOTS:—Bill Olsen is firmly convinced that the old adage—"When it rains it pours"—is absolutely true. He was trying out his new sports car at 90 per when a gruff cop on a motorcycle pulled him over to the curb. Yep, you guessed it, Bill got a ticket.—His second within a few weeks! Well, don't feel too bad Bill!—Several months ago Lyn Brown gunned his truck thru a red light. He not only got a ticket, but had to spend his free evenings in traffic school for several weeks. . . . Frank Lamb entered the Montebello hospital last week for a minor operation. We're all happy to hear that it wasn't serious and that he's out and on the road to recovery. . . . Fred Shuey, newly elected president of the Shrine Club, recently spent the week-end in Las Vegas with Hal Bowen and other Shrine Club members. . . . Ben Spaulding made another of his regular visits to coinrow this past week. Ben operates in Phoenix. . . . Ken Arnold also trekked in all the way from Barstow. . . . Carl Weber came down from Kernville, a new community just out of Bakersfield on the Kern river. . . . Oh yes! speaking of Bakersfield, Bill Black and Raymond Anderson were both in town from there. . . . Walter Shinkal dropped in from San Diego to buy new parts and supplies to get his route in tip-top shape for Spring business. . . . Roy Jones from Ridgecrest was seen making the rounds of his favorite West Pico establishments. . . . Irv Gayer was in town again from San Bernardino on another of his periodic visits. . . . Other visitors from surrounding Southern communities included Johnny Nelson, Inglewood; Merle Holmes from Valley Vendors, Glendale; Clyde Denlinger, Balboa and Johnny Lantz from South Gate. . . . Fred Burt, Al Reisz, Don Butte and Mr. Finkle all trekked in from the beach city of Santa Monica.

COINROW CHATTER:—Bandleader Chuck Cabot was in at Leuenhagen's Record Bar telling Dean Brown and Ben Chemers about his new Cardinal waxing of "Charley My Boy" and "Sonny's Look." While they were chatting publicist Sam Laine and Sam Brown, LA op, walked in. The two of them started talking and remembered that they had been neighbors in Chicago 20 years ago. They hadn't seen each other since then. To which proprietors Mary Solle and Bill Leuenhagen exclaimed, "Sure a small world, isn't it?" . . . Lyn Brown has been getting all his kiddie rides ready for the Spring rush by paintin' and fixin' and fixin' and paintin' all his equipment. Wow—what a busy guy! . . . The new Aaron Mfg. Corp. that recently opened offices in San Francisco is not a new company as many may surmise. They have a background in the vending machine field that dates back to before the war in LA and St. Louis. Aaron carries a full line of supplies for the bulk vending machine operator and are located at 789 Valencia St., San Francisco. . . . Sam Ricklin of California Music Company has received a flood of phone calls, letters and wires from Northern Calif. ops who are switching their operations over to dime play. "Most of them will program EP albums on their phonos offering two plays to the customer for 10c in order to get them acquainted to dime play," he stated. . . . Phil Robinson, regional rep. for ChiCoin, flew back to the plant last week to confer with factory execs and attend the forthcoming MOA Convention. . . . **DON'T FORGET THE MOA CONVENTION IN CHICAGO NEXT MON., TUES., & WED. DALLAS DOINGS

We cannot advise too strongly, nor too often, that all of you music operators here and everywhere pitch in and see what can be done about defeating those ASCAP sponsored bills that are trying to tax you out of business. We want to urge each and every one of you to get busy and get those wires and telegrams (over a million of them) off to your Senators and Congressmen telling them to condemn and vote against the "Kilgore Bill" (S. 590) and the "Thompson Bill" (H. R. 2677). This must be done immediately! . . . 10c play is gaining momentum daily in these parts. More and more operators are becoming interested in changing to 10c play. Operators polled this week report take on machines changed to 10c play is up 30%. . . . Saul and Joe Bihari of Modern Records were through Dallas this week from Detroit on their way back to the West Coast. Both were sporting brand new cars. . . . Frank Emerson from Greenville is seen in Dallas more frequently buying records and equipment. . . . Carl Lewis of Marlin also in buying and Carl says that business is really good. . . . Harold Strange and Jack Sprout, Jr. of Central Music in Temple were in this week. Harold is getting around fine on his crutches. . . . Glad to hear that Jiggs Hamilton of Ft. Worth is making a quick recovery from his operation. . . . Herb Rippa of Bluebonnet Music buying new equipment.

Boston Changeover to Dime Gets Favorable Newspaper Reaction

BOSTON, MASS.—The music operators in this area are proceeding at a rapid pace in their changeover to 10c, 3 for 25c play.

Newspapers, newscasters, and disk jockeys throught the area were notified thru the offices of Paul Stevens Associates, a public relations firm. As a result a very favorable story appeared on the front page of the Boston Traveler, March 11 issue.

A feature writer, Rolly Charest, treated the subject in a light, humorous vein, which, no doubt, will be exceptionally helpful to the operators of Boston.

Headlines read: "Hang Crepe on the Wallet"—"Juke Boxes Hit Flat Note, Double Rate"—"Music Machines Jump to Dime, But Longer Play, Hi-Fi Due."

The paper quotes James Geracos, president of the Eastern Massachusetts Music Operators Association,

saying "Since 1939, costs in the juke box industry have risen 300 to 400 per cent. But the price has stayed the same. Equipment, service charges, wages have all gone up."

"But, don't step in front of a fast moving train," Charest advises his readers. "Some of the news is good. For one thing, 40 per cent of the dime machines will give six minutes of music, instead of three. For another, high-fidelity is coming in juke boxes."

Charest concludes his story with "But wait a minute! Just think of the poor nickel! He used to buy a cigar, a cup of coffee, a subway ride, a telephone call, etc. Shucks, he's getting almost as extinct as the pal on his back, the buffalo."

To illustrate this last statement, the newspaper ran a cartoon, which we reproduce at the right.

Decca Takes Over Second Place

CHICAGO—Undertones of sadness dampened spirits of bowlers in last nite's (3/14) meet. Bob Clark, member of Mercury's team, and a top salesman for Mercury Records, this city, passed away over the weekend. The Mercury team did not bowl this week. Results of games played as follows:

Oomens took 2 games from ABC #2. Johnny Oomens was high for his team with 494. Red Bale for ABC #2, 470.

Decca swept 3 from Gillette to move into second place. Tony Ignafo spearheaded the Decca team with a score of 539, which included one 233 game. Donald Baxter was high for Gillette with a score of 463.

Coral took 2 games from Coven Music. Al Wesson, a new bowler, was high for Coral with 524. Frank Lantz led the Coven team with a score of 435.

B&B Novelty took 2 from ABC #1. Marino Pieroni was high for B&B with 565, also high for men. 'Fireball Bunk' Perodee was right behind with 522. Lenny Christiansen turned in top score for ABC #1, 522.

Star Music took 2 from Atlas. Charley Alesi was high for Star with 489. Star's Myrtle Sochacki was high for women with 445. Jim Wickman led the Atlas team with 475.

Melody Music took 2 from Paschke. Vic Jaccino, Jr. led the Melody team with 533. Rene Gallet was high for Paschke with 483.

Neither Mercury nor Western Automatic bowled.

Bally Intros New Kiddie Gun

JACK NELSON

CHICAGO—Jack Nelson, general sales manager of Bally Manufacturing Company, this city, announced that its new kiddie-gun "Bull's Eye" is now on display at all its distributors.

Nelson describes the new target game as a flashy, modern unit requiring only 1½ ft. by 3 ft. of floor space, with a step-up platform that permits junior marksmen of various heights to take aim with ease and comfort.

"The swivel-mounted revolver attached to 'Bull's Eye' is an exact replica of the frontier model six-shooter used by favorite heroes in Western movies and television shows," said Nelson. "Youngsters can sight down the barrel of the realistic revolver into the Western panoramic scene

and pick their targets—bears, mountain lions, buffalo and moose.

"Basic play is 10 shots for 5 cents. When hit, each of the 10 targets fall back and disappear. If all 10 targets are knocked down with 10 shots, targets pop up for 10 extra shots. This permits the player to shoot up to 20 shots and score up to 20 hits for a single coin. Another play-stimulating feature of 'Bull's Eye' is the "Automatic Rater" on the illuminated score glass, which works as follows: when 10 targets are hit with the first 10 shots, the word 'Marksman' lights up; then if the first 6 extra shots score hits, a total of 16 hits with 16 shots, the automatic rater moves up to 'Sharpshooter'; a perfect score of 20 hits with 20 shots rates 'Expert' on the illuminated rater. This will keep the youngsters shooting again and again in an effort to become experts.

"'Bull's Eye' has been thoroly tested" continued Nelson, "and the nickel play has far out-earned dime equipment because of the obvious bargain of 10 to 20 shots for a nickel, plus the repeat play created by the eagerness of youngsters to climb the ladder from 'Marksman' to 'Sharpshooter' to 'Expert'. In addition, play is extremely fast, 5 to 15 seconds per game."

Additional production lines have been added at the Bally plant, Nelson advises, to meet the heavy demand for "Bull's Eye" and to insure a steady flow of the new kiddie guns to Bally distributors.

Distrib Goes On All Out Drive to Get Ops to Write and Wire Senators and Congressmen

FAYETTEVILLE, N. C. — Mike Malkin, Music Distributors, Inc., Seeburg distributors in this city and Charlotte, N. C., has gone all-out in an effort to see to it that all operators, their customers and friends in this area write letters to their Senators and Congressmen asking for the defeat of the three ASCAP sponsored Bills.

Malkin advises that he posts each week's editorial of *The Cash Box* on his bulletin boards; has personally instructed his sales personnel to talk to coinmen; has mimeographed letters that operators are asked to sign as they visit his offices; and has reproduced reprints of *The Cash Box*' editorials, which he has sent to all operators in the state of North Carolina.

"The impression I get in speaking with a lot of these operators", states Malkin, "is that 'There is no reason for them to do anything, because the other guy will do it'. We are trying very strongly to change this attitude."

(Ed. comment: They had better change it. Read editorial this week.)

Massachusetts Music Ops Assn. to Aid Cerebral Palsy Fund Drive

BOSTON, MASS.—"Be good—and tell the world about it! That's the secret of public relations!"

So said Nelson Marshman, executive director of the Massachusetts Cerebral Palsy Association, in an address before the newly organized Massachusetts Music Operators Association at Hampton Court Hotel, March 10.

He thanked the association for the interest they have evidenced in the cerebral palsy drive, which will be put on during the month of May, and predicted great success for the group, which he said "has got off to an admirable start."

Marshman said the plan worked out by the music operators group to help cerebral palsy will be a "first in the country." The plan was detailed as follows by James Geracos, National Music Service, and president of the association:

Ops will be furnished posters for their music machines by the association at a pre-determined flat amount. Ops may take as many posters for as many machines as they wish. They will be billed for the number of posters they take.

Posters will bear copy stating that each Friday proceeds from the music machine will be donated to cerebral palsy through the courtesy of the association. There will also be a line

for the operator's name or firm if he wishes to use it.

More than 10,000 music machines are expected to be playing for cerebral palsy during the month of May.

In addition, the four Boston distributors, Music and Television Corp. (Rock-Ola), Atlas Distributors (AMI) Redd Distributors (Wurlitzer), and Trimount Automatic Sales Corp. (Seeburg) will each donate a number of machines which will be placed in public locations in Boston such as hotels, railroad stations, public buildings, etc., and posters on these machines will bear copy reading that entire proceeds of the machines for entire month of May will be contributed to the cerebral palsy fund through the courtesy of the MMOA.

The association will handle the details of the cp fund drive and at the conclusion of the campaign will present one check for the total amount raised to the cerebral palsy fund at appropriate ceremonies, details of which will be worked out later.

A special committee to handle the set-up will be appointed by the association.

The meeting marked the first formal session of the organization. President Geracos presided. A report of the previous session, was read by Marian Sutcliffe, recording secretary.

Treasurer Dave Baker addressed the group and integral matters including ten cent play and ASCAP were discussed.

The publicity committee headed by chairman Phil Swartz reported that the public relations program of the organization was underway and that a report of activities in this phase would be made at the next session.

Many ops from the Worcester and Springfield area attended the session, and it was reported that membership is growing by leaps and bounds.

THRU THE COIN CHUTE
EASTERN FLASHES

While the editorial in this issue "The Fable of The Little Music Operator" details a hypothetical story of a small music operator in a small town, the same theory applies to operators, small and large, in towns and cities, both small and large. Music operators in this area, who haven't as yet taken these few moments off to sit down and write their Congressmen and Senators voicing their objection to the three ASCAP sponsored Bills—SHOULD DO SO IMMEDIATELY!

* * * * *

The service schools conducted by Runyon Sales on the AMI phonograph, in both New York and Newark, N. J., drew a number of music ops and their mechanics. George Klersey, AMI factory field engineer, and Jack Mitnick, AMI regional sales representative, were on hand at both offices. As these schools ran all day, for two days, at both offices, Klersey and Mitnick advised they were able to talk with a large number of coinmen, and in many instances give personal instruction. Klersey, by the way, a member of The Cash Box "20 Year Club," hardly looks more than thirty. However, he tells us he entered the biz in the early days, working for George Ponser, when he opened his jobbing firm in Newark, N. J. Irv (Kempy) Kempner, Runyon roadman, will accompany George to Connecticut for the service school at their Hartford offices, Monday and Tuesday, March 21 and 22. . . . Ever since we've known "Senator" Al Bodkin, we've been a great admirer of his philosophy of living. Had a nice talk with him this week and our admiration keeps mounting. Al, always smiling and cheerful, is a hard worker. "In our business," he said, "the operator can do well, but they must work hard at it." Al's great philosophy is that we must try at all times to help others less fortunate than ourselves—and he practices it. Not only does he contribute his own money to many charities, without discrimination, but goes out and gets others to make contributions. A great guy. . . . Harry Koeppe, Koepel Distributing, made a hurried plane trip to Washington, D. C. to see his old pals, Hirsh de LaViez and Phil Mason last Friday. Some good may come of it yet.

* * * * *

When we dropped in at Young Distributing, we noticed Joe Young with a paint can and brush. The paint—Green, of course. Joe, kiddingly advised, he was painting a Wurlitzer "1800" green, and would push it along Fifth Avenue during the St. Patrick Day parade on Thursday, March 17. . . . Mike Munves so busy preparing and shipping arcade machines already, claims he has enough biz to carry thru the summer. "But," Mike butts, "they all want their machines for the opening of the season." Mike is particularly enthusiastic about the Exhibit new gun "Model 500" Shooting Gallery. A Coney Island arcade owner, anxious to get the gun into his arcade immediately, wouldn't wait for Mike's delivery from the factory—he took the sample off the floor. . . . Teddy Blatt, attorney for the games assn., left Friday (Mar. 18) for a Miami Beach vacation. . . . Also on the same plane was Milty Green, the Brooklyn op. . . . John Bul'ock, Monticello, N. Y. op, on coinrow buying equipment. Looks like a million. . . . With Meyer Parkoff, Atlantic-New York Corp., out of the office, we stop off at Murray Kaye's office for a chat. Biz good, reports Kaye. . . . Iz Edelman tells us he'll be in Chicago for the MOA Convention. Edelman manufacturing shuffle game conversions. . . . Bob Jacobs, National Amusement, says ops are still buying Williams' "Safari" in good quantities. . . . Teddy Seidel says he won't miss attending the MOA Show. . . . Barney (Shugy) Sugerman, Runyon Sales, plans on making a trip to Miami Beach, but can't determine the exact time. If business permits, he will fly down around Mar. 21 or 22, and then leave there with Willie (Little Napoleon) Blatt for the MOA show. If he cannot get to Miami before the show, he'll leave directly from Chicago, and spend several days under the sun and palm trees. . . . From our conversations with coinmen, looks like there'll be plenty of them going to the MOA Convention, from here, Jersey, Pennsylvania and Connecticut. . . . Dime play becoming more and more prevalent here, as ops continue to make changeovers as rapidly as they can—and reports in the great majority of locations are very favorable.

THRU THE COIN CHUTE
UPPER MID-WEST MUSINGS

Harold Theisen of Minneapolis, Minn. is vacationing in Mexico at the present time. . . . Ron Manolis of the M K M Music Company, Huron, S. D. and Tony Ratchford of the M & M Music Company also of Huron, S. D. took time off to make the trip into the Twin Cities together to pick up supplies and records for their route and also to shop around a little. . . . John Czerniak of Duluth, Minn. spent several hours in town shopping around and also laying in a large amount of records for his music machines. . . . Joe Totzke, Totzke Music Company of Fairmont, Minn. is so busy these days with his route and TV biz that when he comes into town he does not know whether to haul coin machines back or load up with TV Sets. . . . Lorando Olson of Grand Forks, N. D. made a quick trip into the Twin Cities to shop for machines for his route. When his business was all done he headed right back for home. Bruce Windhurst of Aberdeen, S. D. is another operator who made a quick trip into the Twin Cities. . . . Seen shopping around and also picking up supplies and records for their routes were Bob Keese of Forest Lake, Minn.; Jerry Hardwig of St. Cloud, Minn.; Jim Donatell of Spooner, Wisc.; Clayton Norberg of Mankato, Minn.; Don Hall of Spencer, Iowa; Andy Benna of Ironwood, Mich.; Gordon Dunn of Moose Lake, Minn.; Con Kaluza, Jr. of Browerville, Minn.; Charles Sersen of St. Cloud, Minn.; Bill Arndt of Sauk Center, Minn. and Jack Tomar of Two Harbors, Minn. . . . The Lieberman Music Company of Minneapolis is getting ready for the Bally service school which is to be held at the Minneapolis office Tuesday and Wednesday, March 22nd and 23rd.

THRU THE COIN CHUTE CHICAGO CHATTER

Hotter than hot, in the opinion of music ops thruout this state, is bill (H.B. 256) introduced into the State Legislature by Assemblyman John G. Ryan asking: "For an Act to prohibit unlawful monopolies in the sale or use of musical composition". This is a bill that ASCAP, and similar such organizations, will have to battle in Springfield. Should this ever be enacted into law, it would mean that payment to any association, organization, or musical copyright society, would be "unlawful". Payments would only have to be made to individual owner of the copyright of a musical composition. (Like someone said, "This could spread and be introduced into every State Legislature in the nation".)

The Cash Box will be able to meet all of its friends in Suite 2331 at the Morrison Hotel beginning late Sunday, March 27. Carl Taft of The Cash Box' Hollywood office will be here, as will be Charlie Lamb of the Nashville office, Bob Austin, Sid Parnes, Norman Orleck from New York headquarters. Also present from these little Chicago offices: Bill Gersh, Dan Parry, Karyl Long.

Howie Freer left on his journey to Los Angeles. Where he joins Jack Simon of Simon Distribs as an equal partner. Sold his furniture here for whatever he could get. Will take furnished apt in L.A. for few months. Until he finds a home he likes. After all these years in Chi will miss Howie. Parted with Gil Kitt of Empire on the very friendliest of terms.

Ops attending MOA Show (and they're flocking into town already) will see three new kiddie products at the Bally booths. "Champion" palomino horse; "Hot Rod", cut down Model T Ford, that is clicking like anything on test location here; and "Bull's Eye" a special sized optical illusion gun for kiddies, that has proved itself sensational in tests. At the Bally booths will be: Jack Nelson, Bill O'Donnell, Art Garvey, George Jenkins, Dan Moloney, Herb Jones, Don Pearl, Carl Knipple. Helping them out their local distribs: Donan Distrib. Co. With Don Moloney, Tom Cath and Mac Brier present. Looks like some terrific old time friendship "hellos" will be going on at the Bally booths all these days of the MOA meeting.

Some old timers believe that MOA should have hired someone to manage this convention. "There'll be plenty of problems", they say, "and someone should have been put in charge who has the iron hand". . . . Al Stern, Joel Stern, Len Micon and Fred Skor, all prepared for some very fine business as ops pull into town. World Wide will be open to greet them. . . . Vince Shay, Stan Levin and Mickey Schaefer buying new ties, shirts and hats. To greet all the people whom they know in the All-States suite at the Morrison.

Bill DeSelm, Ray Riehl, Herb Oettinger and all the other swell guys over at United, chuckling all day long, at the little story brought back from the deep, deep South by Al Thoeke and Johnny Casola. They advised that distribs down yonder add "F.O.B." to everything they receive from the factories up here in the N'oth. Meaning by "F.O.B.", "Effen they don't work 'fetch 'em on back". . . . Nate Feinstein of Atlas Music complimented the entire industry when he stated, "We're tremendously pleased and extremely happy with the growing respectability of the coin machines business. We feel, in a humble way, that the atmosphere created here at Atlas Music Company's new building, has somewhat helped".

Frank Mencuri has this to say, after his first week back with Exhibit, "We've got a really great team here at Exhibit". With Ed Hall and Chet Gore, and all the others at Exhibit, Frank looks forward to the "very greatest year" in the firm's history. "In fact", says Frank, "our 'open house' during the MOA convention will more than prove this statement." . . . Ted Rubenstein received some very fine letters advising that many were coming in to see him about the plastic parts which he has been producing for phonos. Ted believes that no one can equal what he has been shipping and that these letters are another commendation of the fine quality of these parts for the older phonos. . . . As soon as father and son returned (Dave and Alvin Gottlieb) from their Florida sojourn, Nate and Sol Gottlieb, along with Judd Weinberg, got into an immediate conference. The result was the announcement this past week of their new two-player pinball, "Duetto", which has already proved itself one of the best this firm has produced. Just check the test location reports. They're terrific!

With his charming Trudy back home from the hospital, Ben Coven had to break up his very gorgeous bar at his apartment (all by accident) and with his back in bad shape to begin with—went back into the hospital himself. To occupy the bed Trudy Coven just left. . . . Lou Boasberg calling around town and telling how things "Okay in New Orleans". . . . Seeburg men at the MOA booths of the firm will be: Bob Dunlap, Jack Gordon, Al Gange, Reid Whitney, Herb McClellan, Gunnar Gabrielson and Ernie Rizzo. By the way, Ernie is now assistant to C. T. (Mac) McKelvy. . . . Hope is growing greater every second for repeal of the 20% entertainment excise tax with Jimmy (AFM) Petrillo getting the ear of Pres. Eisenhower. All the press favorable to Jimmy. We're behind Jimmy 100% in helping to get this very onerous tax removed.

Certainly happy to hear that Bill FitzGerald, AMI's adman, back in shape again. He, along with the following, will be at AMI's MOA booths: John Hadcock, Ed Ratajack, Jack Mitnick (better known as Jock MacNic), Tom Sams, George Brown, and the bestest of all the joke-tellers: Johnny Stewart. . . . Ed Levin over at ChiCoin so busy, trying to talk on three different phones at the same time, he recommended, "Phone Mr. Wolberg (Sam Wolberg) who has just returned from Florida for the news, please". Ain't that grand? When a factory's so busy even execs haven't the time to give the news. ChiCoin's been but plenty busy these past months.

Just got a call from Rock-Ola factory that those who will be present at the Rock-Ola booths (and who've got something of interest to the trade) are: David C. Rockola, Les Rieck, Wayne Bradfield, Kurt Kluever, Art Janacek, Arthur Ehlert, Ken Miller, Jack Barabash, Frank Schultz. According to execs of the firm, "It'll pay every music operator to visit the Rock-Ola booths". . . . Thanks to Joe Robbins of Empire for stating, "We have The Cash Box to thank for the constantly increasing interest in the coin machine business". . . . Mike Spagnola, AMI's distrib here, said, "We are tremendously pleased with the acceptance of AMI everywhere in this area". . . . Joey Kline, Wally Finke, Sam Kolber, Ruth Warner, all pleased to pose with Veep Frank Mencuri and their new "St. Patrick" ties. . . . George Kozy of ABT feels sure this will be one of the very biggest shows to benefit ABT Mfg. Corp.

HAPPY BIRTHDAY THIS WEEK TO: John J. Elms, New Orleans, La. . . . Leon C. Groves, Cassopolis, Mich. . . . Lloyd R. Warwick, Chattanooga, Tenn. . . . Felice Spinapolice, Beacon, N. Y. . . . N. E. (Bert) Alcott, Abilene, Tex. . . . Hal L. March, Brattleboro, Vt. . . . Tom W. Moody, Austin, Tex. . . . Albert C. Evans, South Bend, Ind. . . . Jerry Livingston, Beverly Hills, Calif. . . . Ben. D. Palastrant, Boston, Mass. . . . Mason L. Colbert, Nebraska City, Nebr.

CHICAGO CHATTER (Cont.)

Mike Malkin of Fayetteville, N. C. sincerely complimented on the very great work he's doing to get all music ops in his state to write and wire their Congressmen and Senators. . . . Sensational success: the new DeLuxe Coffee Vendor of J. H. Keeney & Co., Inc. They've invited so many, many of their friends who will be attending the NATD (Nat'l Assn of Tobacco Distribs) show at the Palmer House (same time as MOA show) to "c'mon over and see it" that this alone should jam up the entire MOA convention. MOA execs should give thanks to Paul Huebsch, John Conroe, Chester Biezad and bossman, Roy McGinnis, for this grand idea.

Talk about enthusiasm—just visit the three boys over at Genco: Avron Gensburg, Sam Lewis and Ralph Sheffield. (And they aren't tellin' yet what great products they've got ready for their production lines). . . . George A. Miller arrived in Chicago on March 18 in case y'wanta ask some questions. . . . Morrie Wiczar advises that they're lookin' for someone to take 'his place' on the West Coast who wants to make a real buck. . . . Watch for the editorial, "Let's Get A Nickel A Play Again". So true. So true. . . . After Tho't: Don't put off for tomorrow what you can do today—by that time they're may be a law passed against it.

This Business of Color

"Color is as important to business as to life itself" says a famous scientist. And AMI says: "Agreed! Our first aim in bringing out Model 'F' was to improve the automatic music business." The "F" not only delivers a new kind of automatic music — Multi-Horn High Fidelity and Sonoramic Sound — but also presents this new music in a startling, potent fashion — with COLOR.

"Color increases the pulse rate!" says another color authority, and what else should a new juke box do but announce its presence with a gorgeous, streamlined cabinet rich in the newest, most dramatic colors?

The "F" brings color showmanship to its theatrical peak, with a choice of 8 spectacular new colors to suit every location and stimulate the public into increased music purchases. Color does the *selling* job, the music *satisfies* the customer.

Let color go to work for you to produce more business and make more money. Locations can't say "NO" when you offer them the irresistible advantages of color showmanship. And the public can't keep away from the new "F," the one juke box that controls their moods, creates and preserves the urge to BUY MUSIC.

COLOR MAKES THE MOOD

Here are some moods, produced by the "F's" 8 Different Colors:

THIS WEEK'S USED MACHINE QUOTATIONS

How To Use "THE CASH BOX PRICE LISTS"

[Also known as the "C. M. I. (Coin Machine Industry) BLUE BOOK" and "The Confidential Price Lists"]

FOREWORD: Many times, wide differences appear in the quotation of high and low prices of certain equipment. Like any true reporter "The Confidential Price Lists" can only feature the market prices as they are quoted. "The Confidential Price Lists" acts exactly the same as the market quotation board at the Stock Exchange—posting the prices as they are quoted for the past week, regardless of how much they may seem to be out of line. Some prices do not change for months. "The Confidential Price Lists," rather than show no price, retain the last known quotations for such equipment so that the subscriber at least has the last known prices as a basis to work with. Prices may be very widely divergent. Someone on the West Coast may feel a certain machine worth \$150.00 whereas someone on the East Coast may think it worth but \$75.00. Of course, serial, appearance, demand, territory, quantity, and condition of equipment must be taken into consideration. (Some equipment offered by outstanding firms, having a reputation for shipping completely reconditioned machines, will be offered at higher prices than others, due to the added cost of reconditioning.) "The Confidential Price Lists" reports each quotation exactly as it is made and depends on the subscriber to make average price adjustments to fit the peculiarities of his territory.

METHOD: "The Confidential Price Lists" should be read as follows: First price listed is lowest price quoted for the week; Second price listed is highest price quoted.

FOREIGN BUYERS: To cover cost of packing, crating, shipping, etc., figure an additional \$20 to \$25 on Pin Games—and \$25 to \$30 on Phonographs.

REGARDING SELLING PRICES

IMPORTANT!

Reports received indicate that, in some cases, purchasers become upset due to the fact that they cannot, many times, buy equipment listed in the lower price brackets. Sometimes sellers of machines listed at from \$10.00 to \$25.00 ask from \$50.00 up to \$75.00 and even more for these very same machines. Purchasers of such equipment must realize that machines in the very low priced categories are buying equipment which is much worn to be priced at these low figures. To completely recondition such machines, the reconditioner must add onto his price the cost of transportation to obtain these machines, the labor, parts and supplies needed to recondition the machines, plus the cost of cartons, crates and labor for packing and shipping of the machines, in addition to a decent profit which will, in most cases, raise the price of a \$10.00 to \$20.00 machine to anywhere from \$50.00 to \$75.00 and up. In the case of arcade and kiddie ride machines these may even be higher due to the fact that many of the parts have to be made by hand or contracted for at some machinist shop, since manufacturers of many of the old arcade machines and kiddie rides are no longer in business, and it is impossible to obtain parts for reconditioning. Purchasers of such equipment should take these facts into consideration and, at the same time, should also realize that many buyers today have their own repair and reconditioning departments as well as experienced mechanics. These buyers will purchase machines "as is" at prices quoted by the trade at large and recondition the machines themselves to meet their own operating standards.
