NUMBER 20

The three artists responsible for Columbia's smash recording of "Shrimp Boats" are pictured here together. While Jo Stafford looks over the music, overlooking her are Paul Weston and Paul Mason Howard, co-authors of the high flying tune. Weston is Columbia's west coast musical director who supplied the backing on the disk and Howard provided the piano-zither accompaniment. "Shrimp Boats" is one of the hottest records in Columbia's current avalanche of hits and puts Jo back at the top of the lists—but good.

# Conventiontime

Hello. Hello. Hello.

By golly, you haven't changed a bit. Don't you ever grow any older?

Well, maybe that is a gray hair or two. But, believe me, you sure don't look a day older to me, anyway.

How've you been?

How's the wife? How're the kids?

What've you been doing?

How's business been treating you?

What're you running now?

Well, whattayaknow. Is that so?

No, I haven't seen that machine yet.

Where's it at?

Well, I'll make it my business to take a look at it. What booth did you say it was in? Uh, huh. Oh, sure.

Well, be seein' y' 'round the show.

Yes, siree, it's conventiontime.

Just listen to the buzz, buzz, buzz.

The clickety-click and the ding, ding, ding of the machines, as they're being played here, there and everywhere, 'round the exhibition hall.

Well, for crying out loud, if it ain't good old Joe.

Say, fella, where y' been all this time?

Ain't seen you in a blue moon.

Is that so?

Well, don't let it get you, boy, we've got the same trouble out 'round my way, but, we're beatin' it. Everything'll be okay. Just keep the old chin up, fella, and keep punchin'.

Slappety-slap and slappety-slap—right on your old, sore back.

H'ya, bill. Whatcha doin'? Ain't it th' truth?

And away you go. Zoomin' 'round the show. Lookin' here. Lookin' there. Seein' if you missed somethin' the first time 'round.

Hey, you old sonofagun. Where were you last night? Well, don't miss it tonight, hear. It's gonna be somethin', believe you me. C'mon up. The party starts at eight.

And again you start. Walkin' around. Looking closely. Listening carefully.

Wondering whether that machine you saw that looks good to you will really work out in your spots.

So you ask. And you hear. Well, I dunno, Joe. It may. I tried something like it years ago. Worked pretty good. Should be much better now. Nah, won't go in my territory. But, should be terrific in yours, boy. Well, see y' later.

And so now you're dizzy.

So what?

So stop for a minute. Get yourself a little refreshment.

Your feet getting tired? Remember, boy, you ain't as young as you used to be. Take it easy. You'll see it all. Got three days to do it in.

What?

That number? Man, she's married and got four kids. Where you been, boy?

Say, y' wanna see something really good? Get over to that booth around the corner. You know the one. Where the guy with the mustache is. Yeh. Looks good, boy.

What?

Y' wanna go home? Whatsa matter? Oh. I see. Yeh, maybe you better. The old lady may get suspicious at that. Didja phone her yet? Oh, brother, better do it quick.

Glad t'see y' anyway. Hope to see y' again soon. If y' come down my way, be sure to look me up, hear.

S'long.

**BANDS GET HOT!**

**Revived Interest In Dancing Creates New Potential For Dance Disks**

The Wall Street Journal recently reported that dance studios are now doing \$100,000,000 a year business and that six to eight million people are currently learning how to dance.

Booking agents reveal that colleges, which recently had been limiting themselves to local talent in the way of dance bands, are once again shelling out two and three thousand dollars for a night of dancing to a name band.

These figures and facts have profound implications for the record business, particularly in their relation to bands.

For several years now, the entire industry has been bewailing the decline of the dance bands. Their records no longer sell the way they did. They no longer draw in person the crowds they once used to attract. They are not as prosperous as they were. In short, their entertainment potential has been thought of as considerably diminished.

Yet here are revealed figures which indicate that millions of people are spending millions of dollars each year learning to dance and enjoying the pleasures of dancing. The demand which these people create, the market they open up for dance records is as great as the market existing for any other type of record—perhaps greater. Why then is this market not being emphasized, exploited, promoted, being supplied with records that those interested in dancing not only would want to buy, but more than that, couldn't resist buying.

Certainly not all of these people's needs can be met by in person orchestras. People interested in dancing dance at home, at parties in schools, in clubs. The only music that can supply them with a steady dancing background is recorded music, records made by our great dance bands.

And certainly we don't lack important organizations to create these dance records. The variety, scope and talent of America's orchestras are unsurpassed. There is no type of music they can't provide; there is no dancing needs they can't satisfy.

Even through the recent period of decreasing dance band record sales, many of our great orchestras have kept intact, turning out wonderful music, listenable music, danceable music.

Now that the draught is over, now that dancing is once again taking an important place in the music entertainment picture, the established bands which have kept going and the newer ones which are just beginning to get a foothold should soon be turning out disks to compete with our current best sellers.

This is the time that the orchestras and record companies have been waiting for, the time when the demand for dance bands is again gaining momentum.

The millions of people who are spending those millions of dollars to learn to dance will certainly spend some fraction of that for records to dance to. And a fraction of \$100,000,000 is nothing to look the other way at.

What must happen now is that the orchestra leaders, their arrangers, and the A & R men put their heads together, combine all their talents to create the most outstanding dance records possible. Such records would establish the push for dozens of future dance disks which would follow in their path. Such records would be swallowed up by the old, new and potential dance enthusiasts throughout this country.

The figures we quoted establish beyond doubt that the potential for a dance band revival exists, just waiting to be tapped. It is up to the record industry now to tap this tremendous market.

## DISK OF THE WEEK

"TEMPTATION" (2:16)

"LYGIA" (3:12)

MARIO LANZA

(RCA Victor 10-3738; 49-3738)

MARIO LANZA

● A standard that has hit the top more than once over a span of many years appears ready to hit the jackpot all over again. The singer who's gonna send it soarin'

this time is Mario Lanza. "Temptation" is a powerful number right up the alley for the dynamic Mario. The tenor uses the song to show off his exceptional singing ability as he builds up to an exciting crescendo. On the basis of his last couple of hits, ops can be sure that this artist is gonna bring in plenty of loot. The under level is a slow number that lacks the appeal of the first side, but here too the melody is used as a showcase for Lanza to display his voice. Both decks get wonderful musical settings that help make each one that more interesting. However, it's the first lid that's loaded and ops would be wise if they followed up their "Temptation."

"THE HEART OF A CLOWN" (2:39)

"UNTIL" (2:49)

TOMMY FURTADO  
(MGM 11157; K11157)

● Tommy Furtado and the LeRoy Holmes orchestra spin through a pleasant ballad in a better than average manner. Tommy offers a soft vocal to the pretty backing supplied by the orchestra. The second dish is a current tune that gets a similar treatment from the artists. Ops oughta look in.

"BE MY LIFE'S COMPANION"  
(2:30)

"TELL ME WHY" (2:44)

SKEETS McDONALD  
(Capitol 1967; F-1967)

● Here are two pop tunes that have already created lots of noise and Skeets McDonald takes them and presents a pair of pleasant folk and western treatments that should prove interesting in the right spots. Both lids have fine melodies and Skeets does a good job in bringing them in.

"MOTHER AT YOUR FEET IS KNEELING" (2:28)

"GENTLE HANDS" (2:44)

SALLY SWEETLAND & JOHANNE MORELAND  
(MGM 11155; K11155)

● A current religious type number is given another once over by Sally Sweetland and Johanne Moreland on the top level. The vocalists continue along the same lines on the under siding with a similar religious number. Both decks offer little juke box wise but may go in specialized spots.

"PLEASE, MR. SUN" (3:05)

"BLUE TANGO" (2:53)

LES BAXTER ORCHESTRA  
(Capitol 1966; F-1966)

● Another waxing of a tune that's destined to happen is presented on the top level by the Les Baxter orchestra. A grand sounding chorus aids this end immeasurably. The second dish offers the group with a pretty tango that's done with a lovely orchestral arrangement. Ops should check both halves.

## BEST BETS

In the opinion of The Cash Box music staff, records listed below, in addition to the "Disk" and "Sleeper" Of The Week, are those most likely to achieve popularity.

- ★ "WHEEL OF FORTUNE"..... Billy Williams Qt....MGM 11172; K11172
- ★ "SINCE MY LOVE HAS GONE".... Alan Dean.....MGM 11156; K11156
- ★ "STOLEN LOVE"..... Guy Lombardo.....Decca 27962; 9-27962
- ★ "THE BLACKSMITH BLUES"..... Art Mooney.....MGM 11171; K11171

"BOURBON POLKA" (2:45)

"OLD WARSAW POLKA" (2:46)  
GENE WISNIEWSKI  
(Dana 3073)

● A pair of happy and lively polkas is belted around by the Harmony Bells orchestra and Gene Wisniewski. Each deck receives the jolly vocalizing of Gene with the fitting musical setting offered by the instrumental group. Ops having the right locations oughta check this new release.

"SPITEFUL GIRL POLKA" (2:31)  
"CHICKEN MARKET-OBEREK"  
(2:49)

BERNARD WITKOWSKI  
(Dana 3070)

● Another coupling of spirited polkas is presented here by the Silver Bells orchestra and Bernard Witkowski. Both orchestra and vocalist go a long way in making the two levels listenable and danceable. This platter needs specialized locations and ops who have them should get on board.

"THE WALTZ OF THE ROSES"  
(2:52)

"AS LONG AS THE RIVER FLOWS ON" (2:31)

REX ALLEN  
(Decca 27952; 9-27952)

● Rex Allen receives a pleasant choral backing on the upper platter and winds up with a simple but listenable half. On the bottom deck Rex is aided by the Anita Kerr Singers and he eases through a light western sounding number. Ops might find them ok for the proper spots.

"THE SINKING OF THE ENTERPRISE" (2:46)

"LITTLE LIZA" (2:51)

WIN STRACKE  
(Mercury 5777; 5777 x 45)

● Taking advantage of the timeliness of the Flying Enterprise's escapades, Win Stracke works his way through a tune that's done in honor of the ship. The lower end is a cute novelty with chorus and guitar to help out. The top half depends on continued interest in the subject to see it through.

"I'M ON A SEESAW OF LOVE"  
(2:30)

"PLAY ME A HURTIN' TUNE"  
(2:26)

ANDREWS SISTERS & GUY LOMBARDO O.  
(Decca 27910; 9-27910)

● A happy novelty done with a polka flavoring is belted out on the top lid by the Andrews Sisters and the Guy Lombardo orchestra. The same artists run through an old music hall sounding number on the second level with Patti doing right by the lyrics. This is a strong combination and ops oughta give a look.

"SINCE MY LOVE HAS GONE"  
(2:55)

"IF YOU GO" (2:39)

ALAN DEAN  
(MGM 11156; K11156)

● English singing star Alan Dean makes his American record debut on this new waxing. Each level shows the vocalist to fine advantage as he glides through a pair of good tunes. The two numbers are heavy ballad-type songs that Alan takes to easily with the help of the Leroy Holmes orchestra. Both decks can go.

"I'M AFRAID" (3:05)

"I NEED A SHOULDER TO CRY ON" (3:04)

BILLY BUNN AND HIS BUDDIES  
(RCA Victor 20-4483; 47-4483)

● Billy Bunn and his Buddies get together on the top level and dole out a slow blues number in a fitting manner. The new voice of Billy is again put to work on the lower half which is another tune that's done with a rhythm and blues treatment. Ops having the right locations oughta take a gander.

"TONIGHT YOU BELONG TO ME"  
(3:00)

"BLUE SMOKE" (2:46)

TEDDY PHILLIPS ORCHESTRA  
(King 15153)

● An oldie is taken for a pleasant spin around the wax by the Teddy Phillips group on the first side. Teddy does some pretty sax blowing and makes this ballad sound ok. The under siding offers Stan Vann and the chorus with the lyrics to a flowing Australian song. Ops should check here.

"TAKE ME HOME" (2:29)

"ALWAYS" (2:42)

MARION MORGAN  
(MGM 11152; K11152)

● A pleasurable ditty is given a first rate treatment on the upper end by Marion Morgan and the Skip Martin orchestra and chorus. The bottom half is an old Irving Berlin standard that's carried smoothly by the same artists. Both halves could make interesting juke box material.

"BABY DOLL" (2:49)

"GREEN ACRES AND PURPLE MOUNTAINS" (2:55)

GORDON MacRAE  
(Capitol 1941; F-1941)

● A cute tune from the picture "Belle Of New York" is given a listenable treatment by Gordon MacRae and the Van Alexander orchestra on the initial end. Gordon and the instrumental group try again on the bottom dish and succeed in bringing in a pleasant sounding half. Ops might take a peek.

"MUSIC MAKIN' MAMA FROM MEMPHIS" (2:40)

"WHEN YOU'RE SMILING" (1:57)

JOE "FINGERS" CARR  
(Capitol 1974; F-1974)

● A honky tonk version of a fast moving western ditty is hammered out on the ivories by Joe "Fingers" Carr. Joe makes merry on this upper lid with the help of the Carr Hopps. The second dish is a similar sounding side that gets the same treatment from the boys. Ops have their choice of either deck.

"THE BLACKSMITH BLUES" (2:34)

"YOU'RE NOT WORTH MY TEARS"  
(2:45)

ART MOONEY ORCHESTRA  
(MGM 11171; K11171)

● Art Mooney and the orchestra, with the vocal assistance of Shorty Long, dish up a terrific arrangement of a slow blues item that may easily kick off. The under siding finds Jan Arden and the Cloverleafs with a tearful ballad that comes out ok. The upper lid is the side to get with.

# ROUND THE WAX CIRCLE

## NEW YORK:

One of the big laughs of the business is the book gotten out by Dave Dreyer titled "A & R Men Are Born, Not Made" or "The Earliest Recollections Of An A & R Man Being Interviewed By A Music Publisher" complete with photographs and funny captions. . . . Prior to a nationwide tour, Johnnie Ray repeats the Ed Sullivan show on Feb. 10 and opens at Chubby's in Camden on the 11th. . . . Jubilee's original promotion on the new Vince (One Man Band)

LES PAUL & MARY FORD

Mondi record was slanted to "Goodbye Maria" but distributor orders are changing all that. It's the other side they want, the old standard "Am I Blue." . . . Columbia says that Johnnie Ray's "Please Mr. Sun" passed the 400,000 figure in just 13 selling days. . . . Elliot Horne of Columbia gets hitched on Feb. 2. . . . Cathy Favaro, Dick Linke's right hand gal at Capitol, promoted to assistant in his promotion department. . . . Derby's record of "Wheel Of Fortune" with Sunny Gale has put Larry Newton, president, into the pop business. Larry just returned from a trip around the country plugging the tune and he announces that he's signed a new pop artist, Jackie Brooks, who's managed by Bob Horne, Philadelphia dj. . . . Kelly Camarata off on New England and Southern trip covering ops and djs on "Blue Smoke" and "I'll Never Let You Cry." . . . Larry Mann's band hitting it up in Newark with successful

engagement at local spots. . . . Sherm Feller is the author of "Everybody's Got A Girl But Me" which already has a Hawkshaw Hawkins recording with more due. . . . A useful book has just been published by Checkerboard entitled "How To Protect and Copyright Your Songs." . . . Norman Granz has signed Anita O'Day and Count Basie to his artist stable. . . . Les Paul and Mary Ford will shortly set up a permanent home in New York.

## CHICAGO:

We agree with our editor, Sid Parnes . . . "there's nothing a hit can't cure." . . . Connee Boswell at the Oriental clicking great. Connee singing the tunes of her new disk, "Believe It Beloved" and "Begin The Beguine", much to audience pleasure. . . . Xavier Cugat back at the Marine Room of the Edgewater Beach and bringin' out the rumba addicts by the crowds. . . . Erv Victor and Bob Broz of Jeb all excited over their new four releases. Bob reports that they've started to get orders in bunches for these. . . . Mitch Miller pops into town in the early dawning hours just as The Sampson Co. covers the city's music biz with copies of Colliers featuring the story of Mitch. . . . By the way, David LeWinter still owes us one of his new albums. Understand it's going great. . . . George Shearing fingering that hottest of hot pianos clicking at the Blue Note. . . . Benny Strong back in town and playing one-niters all about Chicagoland while waiting for his next big date in one of the top spots here. Benny was among the very first to bring back those grand old tunes that are now clicking so well all over the nation. . . . Perry Como's "Tulips & Heather" beginning to break out in more and still more juke boxes 'round town. . . . There's a coin machine convention going on this week, but, many of the juke box ops present have long distance phone arrangements with leaders in Washington to phone them every eve after hearings on the Bryson Bill to learn how things are going. . . . Bud Brandom of Century phones to report that already there are five disks on "Wishin'" and still more on the way with the tune picking up speed each day. . . . Cy House takes over King Records branch here and the place gets into instant action the day Cy steps in. Even to the point where every salesman must have a copy of The Cash Box with him at all times. . . . Cute note from vocalovely Jeri Southern from the Mayflower in Akron where the gal's doin' real great. . . . Danny Parker may have a change of name (and singing style) which, on a test disk, sounds like Dan may go lots of places. . . . Eddie Cantor and Cissie Gersh strolling down State Street over to Marshall Field's where Eddie picks up some new gloves before entraining for Noo Yawk and that \$2 Million birthday dinner.

## LOS ANGELES:

Capitol has pitched in full strength on local March of Dime shows, with its entire Western roster headed by Tennessee Ernie, Merle Travis, Jimmy Wakely and Bucky Tibbs putting on a whinging for the Pacoima Kiwanis Club on Jan. 23. . . . Big doings at Bill Leuenhagen's Jan. 22, when Patti Page got behind the record bar with Mary and Kay Soile to sell platters to the ops. . . . Lunched with Sammy Lane, who wasn't crying about the fast start "Cry"

has had on his International label via Sammy Franklin instrumental with local distribution by Jimmy Warren of Central Records. . . . Don't know the full details yet, but seems blues singer Jimmy Witherspoon wound up scuffed up after a run-in with the local gendarmes en route home from his playing the Club Alabam. . . . Beep Roberts beeped us with news that Cindy Walker was to be Tex Williams' NBC guestar, followed the next week by Tex Ritter. . . . Beep also noted that Smiley Burnette is busy no end while on tour with Gene Autry, what with being made a Moose in Wichita and taking part in the New Orleans Mardi Gras.

Our belated congratulations to Art Rupe of Specialty Records and his beauteous, brainy, blonde secretary Lee, who were married Christmas Day in Las Vegas. Lee will continue on the job, taking orders from the boss, during office hours. . . . Received us a little paper parasol from Paul Mills of Mills Music to go with a plug on "It's Raining," written by friend and top pianist Dave Kenner, Sid Flick and Irving Mills, with a record already out on a RCA via Hugo Winterhalter. . . . Just missed presenting The Cash Box award to Les Paul and Mary Ford their last night at Ciro's, so had same presented to the popular couple in Glenn Wallich's office at Capitol Records.

John Do'phin jumping way up high with Damita Jo's "Way Up High" and "How Long Can I Live." . . . The gal is doing real well these days playing clubs in New York and elsewhere.

# Record Reviews

Only Records Considered Best Suited To The Requirements Of The Trade Are Reviewed On These Pages.

"STOLEN LOVE" (3:11)

"MARSHMALLOW MOON" (2:24)

GUY LOMBARDO

(Decca 27962; 9-27962)

● Guy Lombardo and his orchestra, together with Kenny Gardner and Trio, offer a steady paced folk type tune on the initial end. This level comes out as an extremely listenable end and ops oughta take their cue. The lower level is a novelty number done with the same artists. We like the top one.

"WHEN YOU'RE IN LOVE" (2:59)

"NO OTHER LOVE BUT YOURS"  
(3:13)

DICK HAYMES

(Decca 27953; 9-27953)

● Crooner Dick Haymes, under the baton twirling of Nelson Riddle, works his way through a plain sounding ballad. On the under portion Dick has better material at hand and he proceeds to bring in a good half. The Four Hits and A Miss give the side an added boost and ops oughta get with this level.

"BROKEN HEARTED" (2:57)

"SILVER AND GOLD" (2:37)

ALAN DALE & RAY CHARLES SINGERS

(Decca 27961; 9-27961)

● Alan Dale and the Ray Charles Singers have a grand oldie on the top end. The group handles this tearful ballad in an ok manner. The bottom dish is a new western sounding number that the artist brings home with ease. The lower half appears to be the stronger lid for this group.

"WHEEL OF FORTUNE" (2:56)

"AFTER I SAY I'M SORRY" (2:45)

BILLY WILLIAMS QUARTET

(MGM 11172; K11172)

● A big song is given another ride around the wax by the Billy Williams Quartet. The group treats this lovely melody to a nice rendition and the level might garner some of the coin. The under siding is an old standard that the boys run through with an interesting interpretation. Ops should get with this platter.

"SALTY DOG RAG" (3:06)

"THE BLACKSMITH BLUES" (2:26)

BILL DARNEL

(Decca 27968; 9-27968)

● An ok novelty number is run through easily on the top lid by Bill Darnel and the Danny Mendelsohn orchestra. The lower half is a new plug tune that has an interesting sound to it as dished up by Bill and the orchestra. The arrangement here helps immeasurably. Ops might take a look.

## SLEEPER OF THE WEEK

"BELIEVE IT BELOVED" (2:41)

"BEGIN THE BEGUINE" (2:38)

CONNIE BOSWELL

(Decca 27945; 9-27945)

CONNIE BOSWELL

● Connie Boswell has a double treat in store for ops on this new waxing. Both levels are strong contenders for top honors via Connie's superb vocalizing. The first side is

a grand oldie that the chirp delivers in an exciting manner and the Sy Oliver orchestra goes a long way in giving the song an additional boost. The tune is labeled "Believe It Beloved" and it contains all the ingredients of a top flight seller. The under portion is a pop classic that is given a jump treatment by the vocalist and orchestra and here too the result is wonderful juke box material. Each lid finds Connie offering some cute vocal tricks and stylings that definitely add the necessary essentials in making the sides first raters. Ops can't go wrong with either half and our advice is to stock up fast in order to get the most out of both decks.

"WHEEL OF FORTUNE" (2:31)

"ALL NIGHT LONG" (2:41)

HELEN HUMES

(Decca 48280; 9-48280)

● A current biggie that's makin' lots of noise and getting lots of treatments, receives another one on the top level. Helen Humes and the Gerald Wiggins orchestra come up with a good rendition here. The flip end is a very pretty blues item that gets a first class going over. Ops can choose from either side.

"TULIPS AND HEATHER" (2:52)

"YOU'LL NEVER WALK ALONE"  
(3:14)

FRED WARING PENNSYLVANIANS

(Decca 27964; 9-27964)

● The noted group harmony of the Fred Waring entourage is displayed to fine advantage on the top level. It's a pretty ballad and the choral singers make it sound grand. The under end is an old tune from the Broadway success "Carousel" and here too the ensemble turns in a smooth performance. Ops might be interested.

"FORGOTTEN" (3:15)

"SPRING CAME BACK TO VIENNA"  
(3:20)

ALFRED DRAKE

(Decca 40223; 9-40223)

● Alfred Drake displays a big voice on the top level and manages to bring in a pleasant rendition of an ok tune. The second side is a number that's done with a waltz tempo and here Drake's vocal is shown to greater advantage. This deck offers more juke box wise.

"WHY DO YOU PASS ME BY?"  
(2:48)

"PARIS, OUI! OUI!" (2:33)

DAVID ROSE ORCHESTRA

(MGM 30521; K30521)

● An old melody is given a slow and dreamy instrumental by David Rose and the orchestra on the first level. The arrangement goes a long way in making this a pretty side. The lower end is another instrumental that's done with a French flavoring as an added appeal. Ops have good listenable halves here.

"THINE ALONE" (2:55)

"GENEVA'S MOVE" (2:37)

GEORGE SHEARING QUINTET

(MGM 11153; K11153)

● The distinct piano styling of George Shearing is shown to wonderful advantage as he eases through a light sounding number in his inimitable manner. The second deck is more on the wildish vein as George and the group send this number out with much gusto. Ops oughta check both lids.

"MISIRLOU" (2:52)

"I'LL NEVER LET YOU CRY"  
(2:38)

THE NOCTURNES

(MGM 11158; K11158)

● An exciting oldie is given a thorough going over by the Nocturnes on the upper siding. The group turns this level out with a Spanish vocal and a fitting musical setting. The under portion is a current slow ballad that gets a smooth and pleasant treatment. Ops might give a listen.

"WORK, BABY, WORK" (2:43)

"LOUISVILLE LODGE MEETING"  
(3:23)

LOUIS JORDAN ORCHESTRA

(Decca 27969; 9-27969)

● Louis Jordan hits home with a loud, raucous number that he delivers in a dynamic fashion. It's a novel sort of rendition that carries lots of listening appeal. Again on the under dish Louis belts out a driving talking affair that carries a steady beat. Ops should check this platter.

"CRY" (3:10)

"ADIOS" (2:40)

JERRY GRAY ORCHESTRA

(Decca 27966; 9-27966)

● Jerry Gray offers a smooth instrumental behind the soothing vocal of Lynn Franklin and makes a current biggie sound ok. On the flip half the orchestra is featured with a good instrumental rendition of a number with a pretty melody. This deck offers more listening pleasure.

"WHEEL OF FORTUNE" (3:10)

"TILL ALL THE STARS FALL IN  
THE OCEAN" (3:08)

ARTHUR PRYSOCK

(Decca 27967; 9-27967)

● Arthur Prysock sends another version of this current biggie into the disk derby. The lovely melody is treated nicely by Prysock but there's lots of competition. The bottom dish is a slow and deliberate ballad that Prysock delivers in a meaningful manner. Ops might take a peek.

"THE BIRTH OF THE BLUES"  
(3:00)

"I HEARD" (2:43)

PEARL BAILEY

(Coral 60645; 9-60645)

● Pearl Bailey takes hold of a gorgeous oldie and delivers it in her characteristic fashion. The song is grand and with Pearl's treatment the lid offers lots of good listening. The second dish is a novelty thing that Pearl doles out in a humorous fashion. This artist's following oughta do the trick.

"GRANADA" (3:13)

"COPACABANA" (2:46)

BING CROSBY

(Decca 27951; 9-27951)

● The master crooner, Bing Crosby has a pair of Spanish numbers working on this new one. The first side is a wonderful oldie that Bing delivers in his usual manner. The under siding carries a Latin beat and here too Bing works through it easily. Ops might want to listen in.

## Columbia And Armstrong Charge Record Pirating In Suit Against "Jolly Roger"

NEW YORK N. Y.—Columbia Records, in conjunction with Louis Armstrong, has initiated the first major court action to stop the alleged pirating of records.

A complaint was filed in New York Supreme Court on January 29 against Paradox Industries, Inc., and its president, Dante Bolletino, who issue records under the "Jolly Roger" label.

Columbia and Armstrong charge that six "Jolly Roger" albums, now being sold in New York and other cities, were dubbed entirely from records made by Armstrong for Columbia between 1925 and 1932.

The complaint charges that:

1) This is a wrongful invasion of Columbia's property rights and unfair competition.

2) Armstrong's privacy is being invaded by the use of his name and picture on the cover of the albums and that he is suffering a loss of income since no royalty is paid on the records.

James Conkling, president of Columbia, claimed that the pirating and bootlegging of records had become a serious problem for the entire recording industry. Records were being pirated quite openly, he said, and he cited as an example the fact that

the "Jolly Roger" label uses the skull and crossbones as its identification.

Norman Adler, attorney for Columbia, explained that the current case was one of alleged pirating as distinct from counterfeiting. Pirating occurs when the original record is dubbed and put out on a different label. Counterfeiting occurs when the original label is duplicated without authority.

Conkling stated that he hoped one of the first tasks of the newly formed Record Industry Association of America would be an attempt to control these practices.

As for the present complaint against "Jolly Roger", he said that the court would be asked on February 6 to grant a temporary injunction pending the trial of the case.

He pointed out that a strong precedent for the current action taken by the company and Armstrong was a recent case in which the same court stopped unauthorized off-the-air recording of Metropolitan Opera broadcasts. Columbia was a party to that action because of its exclusive recording contract with the Metropolitan Opera Association.

# The HALE You Say

by natt hale

Watching a recording session these days doesn't quite give us the boot we used to get out of it some fifteen years ago, we find.

We still observe with cold-eyed amazement the mad scramble of getting set up; the bustle and confusion in the control room; and the cacophonious fantasy of sound.

But the atmosphere and general aura have taken on a new and modern twist. Something that is akin to a change of mood or dress.

Just what it was, and is, we weren't quite able to deduce, until just the other day, when we sat in on a record date for one of the major companies, and watched one of the acknowledged geni of A. & R. conduct a waxing session for the label.

The artists present included a name band, two featured vocalists, and a chorus of eight assorted male and female voices.

In one precise moment, we found the answer.

It's—Youth!

Looking up the fresh, young faces of the people who were about to record their talents for posterity, we took stock of the group and concluded that only about three or four of the performers were older than 25.

This brought to mind our own avocation in the dim, dead past, when we were surrounded by professional musician-colleagues and associates, all of whom had passed the forty-odd mark.

Our own career was oftentimes endangered when some band-leader or radio producer stated:

"Well, we need someone with experience you know. At your age, whom could you possibly have played with?"

While we could have regaled these folks with many an apt answer, it still wouldn't serve a useful purpose, insofar as gaining employment was concerned.

As a matter of fact, the hirsute adornment on our upper lip was suggested by one of our former orkster employers, who felt that it might offset the prying questionnaire-eyes of the Anti-Child Labor Enforcers.

At any rate, it would be interesting to eavesdrop on the interview granted to one of today's musicians by a "name" bandsman.

It would probably run something like the following:

"How old did you say you were? Thirteen?"

"That's right, Pops. I'll be thirteen next month . . ."

"And how long have you been playing trumpet?"

"Trumpet? About six years. Clarinet and saxophone almost four years. And fiddle I just picked up about two years ago."

"How good a reader are you? Think you can cut my stuff?"

"Listen, Pops, your stuff isn't any different from most of the other bands I've worked with. Don't forget, I arrange, too . . ."

"Yeah, you told me. As a matter of fact, I remember your arrangement for Jorge Caramba's band on 'Street Scene'. That was pretty terrific, by the way. Especially for a 13-year-old guy."

"What's age got to do with it? I'm still considered to be a pretty young guy."

"That's what I mean. I'd have thought you were much older."

"Oh—the way you said, 'Thirteen', I thought you meant I might be too old for your group."

"No, it's alright, I guess. You're a bit older than most of the men in the band, but, since you double on all those instruments and can arrange, I think you'll do . . . By the way, can you sing?"

"I did sing, but my voice is changing now. By the way, Pops, who's the cute chick who chirps for you?"

May be a little far-fetched, but that's the trend.

In a few more years, we'll wage that musicians will be applying for old-age pension as soon as they hit twenty-one.

After all, a man can't go on working forever.

Think, maybe, if I shaved the moustache, I could go back to work?

Isn't it a shame that Youth must be wasted on children?

**Spier Trades French Rights To "Cloud" For New Tune**

NEW YORK—Larry Spier has grabbed off the American rights to the current French hit "Escale A Victoria," which will be known as "Be-ware." Bidding for the tune was heavy and at one time Spier had given up when he couldn't meet the price being

offered by other pubs. Finally he came up with the idea exchanging the French rights to "The Little White Cloud" for the tune with no money exchange and the French publisher, Raoul Breton, accepted that proposal.

**CASH BOX SLEEPER** ♦ **AT LAST! AT LAST!** (Duchess) -- "A tune that's tailor made for the big voice of Tony Martin (Vic.) . . . contains the dynamic qualities of a hit tune . . . a must for ops," are terms used by Cash Box to describe this "Sleeper of the Week." Billboard makes it "PICK" of the week and Variety calls it "a lush ballad entry . . . an important contender for top juke plays."

\* \* \* \* \*

**BILLBOARD PICK** ♦ **SILVER AND GOLD** (Blue River) -- ♦ **RAGTIME ANNIE LEE** (Ridgeway) -- Pee Wee King and Redd Stewart (Vic.) have hit the jackpot again. Both tunes rate "Bullseye of the Week" in Cash Box and **SILVER AND GOLD** scores a positive PICK in Billboard. "Solid commercial bet," says Variety. Disc is worthy successor to the team's **SLOW POKE**.

\* \* \* \* \*

**EARN HONORS** ♦ **MOUNTAIN LAUREL** (Piccadilly) -- Jane Turzy (Dec.) and Vaughn Monroe (Vic.) are competing for honors on this sentimental ballad. Variety, Cash Box and Billboard see extreme possibilities in both releases.

\* \* \* \* \*

**SOCK POTENTIAL** ♦ **REGULAR MAN** (Porgie) -- Frances Wayne and the Neal Hefti orch. (Coral) have found a piece of "sock material" aptly suited to the gal's styling. Variety considers it "a first-rate interpretation" with "a break-away potential." Cash Box backs this opinion with its own strong recommendation.

\* \* \* \* \*

**TOP FORM** ♦ **GREEN ACRES AND PURPLE MOUNTAINS** (Hollis) -- Gordon MacRae's (Cap.) rich baritone is in top form as he delivers this effective lyric poem over a handsome haunting melody. Definitely a disc to watch.

\* \* \* \* \*

**HIGH PRAISE** ♦ **BABY WE'RE REALLY IN LOVE** (Acuff Rose) -- Roberta Lee (Dec.) and Helen O'Connell (Cap.) each project another Hank Williams rhythm item in fine style. Each gal earns high trade paper praise. Both discs will be active.

\* \* \* \* \*

**"BEST BET"** ♦ **STOLEN LOVE** (Parliament) -- Eddy Howard (Mer.) strikes a solid "Best Bet" rating from Cash Box for this worthy follow-up to his smash **SIN** waxing. Billboard believes it will "get action in both the pop and c & w markets." Reviewed as "excellent" (88 points) for deejays.

# Best Selling Records

COMPILED BY JACK "ONE SPOT" TUNNIS

• Tunes are listed below in order of their popularity based on a continuing weekly national survey of thousands of record dealers by Jack "One Spot" Tunnis. Each listing includes the name of the song, record number, artists, and tune on the reserve side.  
 • The number underneath the title indicates the actual sale per 1000 records made for the week. If the figure is 67.4, it means that for every 1000 records sold that week, 67.4 were of the tune indicated—a combination of all the records on which it was available.

## Okeh Signs New Pop Artists

NEW YORK—Okeh Records, subsidiary of Columbia, this week announced the signing of three pop artists, Noro Morales, Dolores Hawkins and The Four Lads. The Four Lads, who accompany Johnnie Ray on his recordings, will record by themselves. Okeh scored its first big success

with the Johnnie Ray disk of "Cry" and "Little White Cloud That Cried." Johnnie has since switched over to the Columbia label but the artists who have just been signed will carry on in the pop field for Okeh.

Their first releases are due out shortly.

## McKenzie Switches Stations

DETROIT—Ray Anthony, Capitol recording artist, wishes Ed McKenzie, better known as "Jack The Bellboy," much success on his switch from WJBK to WXYZ in Detroit, Michigan.

McKenzie, one of the key deejays in the country, begins his new duties on February 4th, from 4:00-6:00 PM, Monday through Friday. Station WXYZ, an ABC affiliate, plans an all-out welcome for McKenzie. Record companies are flying name artists from New York to Detroit for special guest appearances on his initial broadcast.

## Ramblings

Danny Kessler, Rhythm and Blues A & R man at Columbia has announced the signing of Hadda Brooks. He's already cut a date with her on the coast and her first Okeh release will appear at the end of February. . . . Danny also has recorded the Angelic Gospel Singers and the Dixie Humming Birds, together for the first time. . . . Bob King, disk jockey at WCAV, Norfolk, Va., getting plenty of backslapping these days, having introduced the Sunny Gale-Eddie Wilcox recording of "Wheel Of Fortune" in his territory. . . . Savoy is excited about a new Billy Wright record "Every Evenin'."

Larry Douglas, columnist on the New York Age, is the writer of "Laugh" which Ivory Joe Hunter has just recorded for MGM. . . . Jet Magazine, in its January 31 issue, rated Ruth Brown, Atlantic singing star, the best voice since Sarah Vaughan and predicted she would be 1952's top singer. . . . Gene Ammons has signed an exclusive contract with Prestige. . . . Errol Garner opens at the Embers February 19. . . . Sarah Vaughan planning a European tour in the near future—no date set yet. . . . Varetta Dillard, who caused so much excitement with her first disk, has a new one out for Savoy titled "Hung Up" and "Please Tell Me Why." . . . Gene Redd and his band, until last week a fixture at Club 845, in the Bronx, is currently touring the Virginia provinces.

Down in New Orleans, Dr. Daddy-O, who hit the air waves three years ago, has added another program to his repertoire. In addition to his 30 minute show on the ABC station WSMB, he can now be heard every morning on WMRY at 10. The new show is being plugged as "Boogie Beat Breakfast" and lasts two hours. Very shortly, he will join forces with another local dj, "Jack The Cat" and the two will do a two hour show on station WWEZ together. Daddy-O, whose real name is Vernon Wimslow, was recently chosen as "one of the top ten disk jockeys in the USA" by Color Magazine. He and "Jack The Cat" have the highest rated dj show in the city.

A souvenir booklet is in the works to accompany the Billy Eckstine-Count Basie concert tour similar to the one which went out with the Eckstine-Shearing trek. . . . Tab Smith scored at the Apollo last week playing his United hits. Tab moves into Philadelphia's Club Harlem on February 4 for a four day stand. . . . Freddie Mitchell has signed a new chirp, Mildred Anderson. The girl was formerly with "Hot Lips" Page and Albert Ammons. . . . Ella Fitzgerald goes into the N. Y. Paramount March 12. . . . The Moe Gale office is now booking the Dominoes. The group is currently on a one-niter tour through the South.

NEW YORK — Spinning yawns over early morning coffee, Atlantic Records' Joe Turner turned out to be the sleepest guest on the Nipsey Russell a.m. show (WLIB-New York) last week. Joe's guest shot was slotted for the morning following an etching session for Atlantic. The session went overtime—that's the way Joe almost slept. He made it though in time to do "Chains Of Love" for WLIB's early audience.

## Kickin' The Blues Around

with Sam Evans

Lew Simpkins, boss of United Records, Chicago makers of "Sin" and "Because Of You" by Tab Smith, healing nicely at Provident Hospital. Lew will be on the street in a few weeks, in time to kick off his publishing venture. Firm, to be known as Pam-Lee, will be a licensed BMI outlet. . . . Due for an early revival: "I Hear A Rhapsody." With Frank Sinatra handling the vocal of this decade old tune. . . . Fidelity Records sends in a batch of late releases. They have one biscuit, cut with old-timer Bumble Bee Slim, that bids to go places. Tune is titled "Ida Red." . . . Jeri Sothern, the "You Better Go Now" gal, is warblin' to a fare-thee-well at The Deshler-Wallick in Columbus.

Jack Garrett, on WJQS in Jackson, Miss., most unusual deejay. Jack holds down a hot jazz show and, at the same time seems to know lots and lots about country and western. His heart is really with the hot ones. Does bang-up job giving artist backgrounds and, in general, filling in his listeners on history and origin of some of our great tunes. . . . Word from the Memphis area tells of the probable change over of WDIA from its present small wattage to 50,000 watts. Shows what some good blues programs can do for a station, and in a short time. Owners reported to have made it by the buckets-full.

This reporter has, on several occasions, recorded the doings of Jersey Joe Walcott, the heavyweight champ. We reported his slated opening of a nite-club in Philly. We reported his pending tour with Sister Marie Knight and other gospel singers. The question that has come up among certain groups is: "Can Jersey Joe continue his work among Sunday schools and churches while, at the same time, operating a liquor selling nite spot?" Several letters on this arrived at this desk. Opinions are varied. Arnold Raymond Cream, known in the ring as "Jersey Joe Walcott," says in his letter to us: "I think my reputation will stand for itself. I don't want to enter into anything that isn't respectable."

It's almost in the final stage. The opening of Jo Baker's new nite spot in NYC. She is looking closely at La Martinique, of long time fame. Spot shuttered, then glistened for a while as the Celebrity Club. (Hazel Scott is fingered for the rail position in Jo Baker's card of star acts for the club.) . . . Louis Armstrong, and his two-ton singing side-kick, Velma, are tops on their latest pairing: "You're The Apple Of My Eye" with "Big Butter And Egg Man" on the flip. Satchmo has just recently finished playing a featured part in the new MGMer "Glory Alley." Louis has put together a somewhat new outfit for the coming season of tours. Group now boasts: Joe Sullivan, piano; Dale Jones, bass; Russ Phillips, tram; Barney Bigard, the dark stick; Cozy Cole, skins and, of course, Velma Middleton on vocals.

Beale Street still in an uproar as a result of the appearance, last week, of the Lionel Hampton show. The Hamp put on two shows early in the evening. First at 7:30, second at 9:30. Then the house was cleared. And a third show was given. It was a sell out. . . . At Beale Street's Hippodrome "The Howling Wolf" was "Ridin' In The Moonlight" and also moving them with "How Many More Years."

Bill Clayton (KXL, Portland, Oregon) informs that the old standby for many years, "Club 750," has been changed to "The Nite-Owler." Show is heard nitely from 11 'till 2 A.M. By the way, this is another of the many shows cutting out requests. Stations are more and more going in for straight programming. . . . Sunny Gale and her "Wheel Of Fortune" still tops in our book and getting plenty of air play. . . . The Orioles, currently at the Regal in Chi., doing a good selling job for Jerry Blaine and his Jubilee label with their "Trust In Me" b/w "Herring Boats." . . . RCA to give Columbia competition with Billy Bunn. Billy is on the style of Johnnie Ray.

(Sam Evans is the Jazz and Rhythm expert heard nitely on WGN, Chicago's Mutual outlet and on WBKB-TV.)

**Diamond Records Starts  
Suit Against Modern**

JACKSON, MISS.—The Diamond Record Company, with headquarters in this city, instituted suit on January 28 against Modern Records and Jules and Joe Bihari, for allegedly inducing artists who were under exclusive contract to Diamond to break their contract. Diamond is asking \$1,000,000 damages.

It is charged by Diamond that the Biharis persuaded Lonnie Holmes and his Darktown Boys, a group which consists of J. W. Walker, Willie Dotson, Billie Wallace, Otis Green, Jr., T. L. Green and Lonnie Holmes to violate their exclusive contract with Diamond and to make records for Modern.

The complaint also alleges that other artists under contract to Diamond have been approached by the defendants to break their agreements.

A second count of the complaint charges that the Biharis conspired with Lonnie Holmes and his group for the purpose of appropriating songs which were written by members of the group at a time when they were under contract to Diamond, songs, which under the terms of the contract, Diamond Records claims it owns.

For the charged infringements in this count, Diamond is asking \$500,000.

**"KISS ME BABY" (2:30)**  
**"WHEEL OF FORTUNE" (2:49)**

**THE CARDINALS**  
(Atlantic 958)

● The Cardinals stir up some fine harmony on this new release and give two likely numbers royal treatments. Each lid has the potential of taking off and ops oughta be there when they do. The first half is a thing called "Kiss Me Baby" and it's done with an exciting Latin American tempo. The lead vocal carries the melody beautifully while the rest of the crew backs him to the hilt. The flip end is a current plug tune that's a sure

thing to hit the top. "Wheel Of Fortune" offers the boys a chance to display their excellent vocal harmony and the result is a strong contender for top honors. Again on this lid the soloist handles the lyrics well while the boys present a wonderful choral backdrop. Both ends are loaded with juke box appeal and ops will find themselves with a two sided threat if they get with this disk now.

**"CHARMAINE" (2:48)**  
**"JOCK-O-MO" (3:00)**

**LOUMEL MORGAN QUINTET**  
(Atlantic 953)

● A current pop biggie is given a rhythm and blues treatment on the top deck by the Loumel Morgan Quintet. A mellow sax solo marks this end. The bottom dish is an instrumental that shows up a good sounding piano which helps carry this sort of calypso tempo number. Ops might take a peek.

**"JUST A POOR BOY IN LOVE"**  
(2:16)

**"WHY MAKE A FOOL OF ME"**  
(2:38)

**MARSHALL BROTHERS**  
(Savoy 833)

● The Marshall Brothers, featuring Raymond, have an easy time bringing in a pleasurable ballad on the first lid. The lead vocal is grand and the rest of the crew back him all the way. The second end is headed by Maithe and here too the group winds up with a pretty ballad. Ops have good material here.

**"I'M IN THE MOOD FOR LOVE"**  
(2:54)

**"CHARMAINE" (2:44)**

**ARNETT COBB ORCHESTRA**  
(Okeh 6851)

● A wonderful oldie is given a hopped up treatment by the Arnett Cobb group and the result is an earful of listening. An easy going tenor sax sets the mood here. The flip level is another waxing of an oft recorded pop melody and again the boys have listenable material. Ops should take a gander.

**"NO MAIL BLUES" (2:21)**

**"GONNA NEED MY HELP" (2:33)**

**MEMPHIS SLIM ORCHESTRA**  
(Mercury 8266)

● A fast moving, rhythmic number is run through in a light manner by the Memphis Slim orchestra. The whole group sounds ok with some good piano playing standing out. The under siding is a slow but forceful item that the vocalist handles with the multiple voice trick. Either end can go.

**"I'M GONE, BUT I'LL BE BACK"**  
(2:48)

**"DANNY BOY" (3:00)**  
**GEORGE KELLY ORCHESTRA**  
(Wheeler 104)

● The George Kelly orchestra, with George handling the vocal, eases through a ballad type number on the top deck. Carried softly, this end makes for fair listening. The bottom half is an old time favorite that's jumped up and the orchestra gives out with a good instrumental. We like the upper lid.

**"BECAUSE OF RAIN" (2:10)**

**"UNTIL THE REAL THING COMES  
ALONG" (2:40)**

**GENE AMMONS BAND**  
(Prestige 921)

● Gene Ammons with his tenor sax is shown to fine advantage as he blows a pretty tune to a fine finish. This oldie is done slowly and softly and the result is good side. The under level is another slow number that Gene, his sax and band bring home successfully. Both lids oughta be watched.

**"WEE WEE HOURS" Pt. 1 (2:40)**

**"WEE WEE HOURS" Pt. 2 (2:35)**

**STICK MCGHEE**  
(Atlantic 955)

● Two sides are devoted to a low down blues number that's belted home convincingly by Stick McGhee and his Buddies. The first end features the forceful vocalizing of McGhee while the under siding is an instrumental treatment of the same tune. Each deck makes for good listening.

**"LET'S HAVE A BALL TONIGHT"**  
(2:30)

**"SOMEDAY YOU'LL BE SORRY"**  
(3:11)

**JOE MORRIS BLUES CAVALCADE**  
(Atlantic 954)

● The upper level is a wild and raucous tune that's hammered home by Joe Morris with a backdrop of shouting voices. It's different and might prove interesting. The flip deck features Billy Mitchell with the Morris orchestra doing a listenable job on a slow number. We like the first half.

NASHVILLE, TENN.—Don Estes and Beasley Smith are shown giving a hearing to Don's initial RCA Victor record, a dinking of "A Man And A Mountain," which Smith, composer of "Lucky Old Sun" and "The Old Master Painter," wrote for him. Smith is musical director of WSM in Nashville, the station where Don does a turn as a platter spinner in addition to his BC network and video stints. Flip side of Don's debut disk is "Nothing More, Nothing Less," also written especially for him. He is being hailed as one of RCA Victor's most promising singing discoveries.

**Pennsylvania DJs Support  
March of Dimes Drive**

ALLENTOWN, PA.—Deejays in upstate Pennsylvania are setting a strong pace with a series of "Dance of Dimes" affairs for the benefit of the current March of Dimes drive to fight polio.

In Allentown, George Restum, sales representative for Capitol Records, organized a successful "Dance of Dimes" with the aid of the city's disk jockeys. The affair, held June 23 at the spacious Frolics Ballroom, raised over \$2,000 for the polio fund. From 9 p.m. to the early hours of the morning, deejays alternated on stage with their turntables, spinning disks to the joy of over 2,000 dancers.

In sequence, the following jockeys appeared: Paul Galgon, WKAP; Syd Paul, WHOL; Clem Walters, WAEB; Dopey Duncan, WKAP; Marshall Cleaver, WKAP; Ted Weider, WHOL; Art Getz, WSN; Betty Lou George and Vern Craig; WKAP; and Tom Early and Joe Prentiss, WAEB. For a two-hour period, three of the Allentown stations carried the d.j. proceedings direct from the ballroom.

Whereas the Allentown event was the first of its kind there, deejays in Scranton and Carbondale ran their fourth annual March of Dimes dance Friday, Jan. 25, at the Masonic Temple in Scranton. Jitterbug, waltz and polka contests were held.

**Man-Size "Dog" Builds  
Sales For Atlanta Distrib**

BIRMINGHAM, ALA.—A man-size figure of a dog, approximately six feet tall, which has been seen in many sections of this city during the past three months, was viewed by thousands of Birmingham residents this week when it made its television debut on a charades program originating in the studio of Station WAFM-TV.

The huge "dog" is a papier-mache replica of "Nipper," the world-famous trademark dog of the Radio Corporation of America, and is building considerable sales and goodwill for R. P. McDavid & Co., Inc., RCA Victor distributors in this area.

Built especially for the McDavid company for use in a long-range goodwill and product-identification campaign, the replica has become a regular float attraction in all local parades and has made numerous guest appearances in the display windows and stores of local RCA Victor dealers.

**Bruno Buys Own Building**

NEW YORK — Bruno-New York, Inc., metropolitan distributors for RCA Victor Records, has bought the 21 story building in which it is located at 460-78 West 34 St. Bruno intends to increase its space in the building which has a total of 500,000 square feet and is one of the tallest reinforced concrete structures in the city.

The Yardbird heard on a double-hour spot daily from WIRK in West Palm Beach, Florida is John Wooten of that station. Wooten has his own remote studio from which shows emanate. D. j. also heads "Yardbird's Melody Boys" who play personals and dances in the local area.

Lee Sutton, d. j. and band leader of KMA in Shenandoah, Iowa, has just lost two of his group to Uncle Sam. He's now looking for a Bill Monroe type tenor singer and fiddler. Anybody interested?

WSM's "Grand Ole Opry" NBC spot guest list for coming weeks include Ernest Tubb (Decca) on Feb. 9th; Rod Brasfield and his brother, Boob, on Feb. 16th; and Del Wood (Tennessee) on February 23rd.

Uncle Ezra is the d. j. featuring country records from KCMO in Kansas City each morning from five to six AM six times a week.

Claire Linn of WKMH in Dearborn, Michigan, reports the opening of a new sister station—WKHM in Jackson. Cass Cades is the d. j. man on WKHM. Linn holds down Record Librarian duties along with his record shows on WKMH.

We've heard of a new club that may interest many readers. It's the NATIONAL HILLBILLY RECORD COLLECTORS' EXCHANGE which matches up buy, sell, or swap deals on "out-of-print" records. Maybe this is a chance for you jockeys and collectors to get some of the old copies you have been wanting. Applications for membership can be addressed to Box 1, Palmer, Michigan. Thanks to Clarence Kneeland, WERI, Westerly, R. I., jockey; for this lead. He says he has found it very helpful in his activities.

interesting program each morning on which he also impersonates several characters of his own making.

Bob Tucker heads a group known as "The Sky Riders" currently featured at the Hillcrest Club in Tucumcari, New Mexico. Tucker is being considered by several west coast recording firms for future recording work.

Hy Davis of WJXN in Jackson, Miss., heads what might be an unusual country record show. Davis plays no requests but introduces new records all the time with the idea of building less prominent names when they show up with top material. His success has been outstanding as reported by area distributors. Dealers and ops also say Davis has led many new names to top places in area popularity. More power to a fellow with initiative of his own.

Hank Williams (M-G-M) playing his first dates this week in Virginia after recuperating from his recent spinal operation.

RCA Victor is giving a hypo to the Eddy Arnold recording of "Anytime" which was made 2 years ago and has gone 600,000 to date. Arnold is at the Shamrock Hotel in Houston, having recently completed a stint on the Big Show with Tallulah and also on the Pinza show.

# Folk and Western Record Reviews

"HONKY TONK BLUES" (2:46)

"I'M SORRY FOR YOU, MY FRIEND" (2:30)

HANK WILLIAMS  
(MGM 11160; K11160)

HANK WILLIAMS

● Two more Hank Williams tunes are entered in the disk parade and ops can be sure this is gonna mean lots more coins in the till. Hank is a perennial winner and these numbers should follow right behind his

current hits. The first side titled "Honky Tonk Blues" is a blues item that Hank and the Drifting Cowboys deliver in that low down manner. A feelingful presentation and a yodeling delivery mark the vocal on this end. The fitting back-drop supplied by the instrumental group goes a long way in making this a potent half. The under siding labeled "I'm Sorry For You, My Friend" is a ballad type number that's reminiscent of Hank's big seller "Cold, Cold Heart." Here too Hank works his way through the lyrics in a warm and interesting fashion and makes the lovely melody that more appealing. Ops have a pair that can't miss and our advice is to get with it quick.

"SILVER AND GOLD" (2:38)

"THE SENATOR FROM TENNESSEE" (2:18)

HARDROCK GUNTER  
(Decca 46401; 9-46401)

● A rhythmic plug tune is bounced through easily on the upper level by Hardrock Gunter. The vocalist does a smooth job and makes the most of the hand clappin' backing. The second half finds Hardrock with a simple ditty that comes out as a listenable item. The upper might cash in on the impetus of the original.

"SPRING OF LOVE" (2:35)

"YOU'VE BEEN CHEATING ON ME, DARLING" (2:43)

PAUL & ROY  
(Mercury 6374; 6374 x 45)

● Paul and Roy conjure up some fair harmony and spin through a jumpy tune in an ok style. The Tennessee River Boys back the duo up nicely just as they do on the under portion which is a fast bouncy number that receives a similar treatment from the entire crew. Ops might give a listen.

"COLD, COLD WOMAN" (2:00)

"EDUCATED FOOL" (2:39)

EDDIE HILL  
(Mercury 6375; 6375 x 45)

● Eddie Hill has a cute presentation of an interesting number on the initial lid. He combines talking, singing and some fancy stringing on the guitar and winds up with a pleasant dish. The lower half is a bouncy thing that shows the guitar work to fine advantage. The top one might offer more.

"POSTAGE DUE" (2:42)

"DON'T SAY 'I'M SORRY' ANYMORE" (2:25)

RUSTY McDONALD  
(Intro 6041)

● A pretty tune, some interesting lyrics, a ballad presentation and a good vocal add up to a strong end for Rusty McDonald on the top platter. Rusty continues his fine work on the flip side which is a jumpy item that moves along pleasantly. It's the initial deck that seems more likely.

"SQUARE DANCE POLKA" (2:43)

"PROMENADE INDIAN STYLE" (2:51)

CARSON ROBINSON  
(MGM 11159; K11159)

● Here are a couple of typical square dance numbers that carry that authentic flavor. Carson Robinson moves the two sides along in a pleasant manner with his smooth and understandable calling. The pleasant Valley boys supply the finishing touches with their musical backing. This is specialized material.

"I'M GONNA DRY EVERY TEAR WITH A KISS" (2:40)

"TEN GALLON STETSON" (2:25)

PEE WEE MILLER AND THE BUNK HOUSE BOYS  
(Holiday 112)

● Pee Wee Miller, ably supported by the Bunk House Boys, wends his way through a soft ballad type number on the top level. His soft vocal makes for a pleasurable sound. The under siding is a simple tune that has a nice jump and the group sends it through its paces. Either deck may interest ops.

"HIGH HEELS" (2:13)

"CHARMING BETSY" (2:13)

LONZO & OSCAR  
(Decca 46399; 9-46399)

● The harmonizing duo of Lonzo and Oscar works its way through a simple ditty on the first deck. The bottom dish finds the boys taking off on a fast moving number that has a familiar melody and the result is a strong waxing. We like the under siding.

"I'M GOIN' HOME" (2:45)

"BY MY SIDE" (2:33)

DREW MILLER  
(Mercury 6376; 6376 x 45)

● A pair of similar sounding spirituals are doled out on this waxing by Drew Miller and the Harmony Quintet. Each level is backed adequately by an organ while the boys deliver sincere vocals. These religious type numbers need the proper locations to draw coin and ops are urged to act accordingly.

# Bryson Bill Hearings Get Under Way

**Juke Box Leaders and Attorneys in Washington Waiting to Testify Before Judiciary Sub-Committee in Opposition to Bryson Bill as CMI Convention Opens. Music Biz Anxiously Awaits Results. Many Have Arranged for Long Distance Phone Calls from the Nation's Capital for Quick Reports on This Dangerous Bill's Hearings.**

CHICAGO—As the Coin Machine Institute's convention opened this Monday morning, February 4, 1952, many who attended reported that their minds and hearts were a thousand miles away.

They were hoping for a quick close-out of the Bryson Bill public hearings in Washington, D. C. which started the very same morning as the CMI Convention.

The Sub-Committee of the Committee-On-The-Judiciary opened its hearings on the Bryson Bill (the bill introduced into the House of Representatives by Democratic Representative Joseph A. Bryson of South Carolina, and sponsored by the American Society of Composers, Authors and Publishers) an hour earlier than the CMI Convention officially opened its doors, due to the differential between eastern and central standard time.

The seriousness and danger of the Bryson Bill need not be emphasized here. It has been pointed out to the trade for months by *The Cash Box* which has been highly complimented with running the finest editorials ever to appear to awaken the entire automatic music industry to the danger of this bill.

In fact, compliments as well as great commendation from all the nation's outstanding automatic music leaders have been heaped on *The Cash Box* for its intensive and intelligent work in explaining the danger of the Bryson Bill in detail, and for urging everyone of the nation's juke box operators to instantly write, wire, phone and contact their Congressmen, to halt this bill in the Sub-Committee.

George A. Miller, president of MOA (Music Operators Of America) is reported to be in Washington, as well as Sidney H. Levine, attorney for MOA and also attorney for AMOA of New York.

Counsellor Levine successfully defended the industry once before in such a matter when the Buckley Bill was up for hearings before the Judiciary's Sub-Committee.

There are also attorneys for the juke box manufacturers' association present at the hearings.

Many here at the CMI Convention are anxiously awaiting reports of the results of the hearings and have arranged for instant long distance phone calls from the nation's capital to obtain these reports just as speedily as possible.

Some who are attending the CMI Convention are in constant contact with the juke box men who are at

the Washington hearings. These men say they will instantly fly to Washington should they be needed.

For the music business this is an anxious and serious moment. The music men who are present at the CMI Convention aren't relaxed, nor can anyone blame them for their tenseness at this time.

The Bryson Bill's danger lies in two things which are incorporated into the bill (one of these added into a special Senatorial bill originally introduced by Senator Kefauver.

They are: 1) The fact that this Bill (H.R. 5473) asks that the Copyright Act of 1909 be amended so that juke boxes will have to pay royalties for the use of copyrighted music to the copyright owners. This is what all former Bills attempted to do.

But, the Bryson Bill, 2) Also asks that each juke box operator be made to pay 1c per week per side of each recording (2c per record) royalty for the use of the copyrighted music which is featured on the recordings that appear and are played in his juke boxes.

This, therefore, makes the Bryson Bill a tax bill in every regard. It wants the juke box industry, from which publishers, authors, composers, writers, etc., already indirectly obtain royalty, to pay double royalty-tribute so that ASCAP, and similar organizations, can gather many millions of dollars per year income, on top of the \$14,000,000 income ASCAP received in 1951.

To say that the Bryson Bill is the most dangerous to have ever faced the entire juke box industry, is but putting it mildly.

## Meet The Press in 76

**Nation's Mfrs, Distribs, Ops Invited To  
Grand Opening, Mon. & Tues., Feb. 17 & 18**

KANSAS CITY, MO.—Carl Hoelzel and Irwin Weiler joined hands to form the biggest distributing firm in the midwest when they combined the entire facilities, products and distribution of United Amusement Company and Consolidated Distributing Company of this city into one firm to be known as: Uni-Con Distributing Company at 3410 Main Street, this city.

This news hit the trade thruout this entire territory like a thunderbolt. For years there was keen competition between Weiler and Hoelzel for first place in every regard.

Their combining together as one giant distributing organization absolutely flabbergasted everyone around these parts and, in contrast, brought great glee and much elation to the rest of the industry, for now the nation's leading manufacturers could have the one big firm they have always wanted to represent them in this area.

News was spread this past week that the firm would hold the biggest grand opening in coin machine history of the Midwest on Sunday and Monday, February 17 and 18 at their headquarters here.

There would be door prizes from every leading manufacturer in the industry. These prizes, they stated, would be but one of the features of this great, official grand opening of the firm.

In addition, every record star within miles of this city would also be asked to be present on both of these days to meet with the operators, jobbers, distributors and manufacturers who would attend the official grand opening of Uni-Con Distributing Co.

Both Carl Hoelzel and Irwin Weiler

chored:

"We are going all out to make our official grand opening the most outstanding affair in all the history of the midwest.

"In addition", they stated, "we are also going to give every operator and jobber in this area the finest service he has ever enjoyed, the greatest moneymaking games he has ever purchased, and the greatest setup for his comfort and convenience that was ever presented in the history of the midwestern coin machine industry."

Other members of the organization with the creation of Uni-Con are: Fred Lamb, Jack Sully, Mildred Nelson, Myrtle Nash, John Washington and Bill McMillen.

## They Operate Music In Switzerland On 90% - 10% Basis

NEW YORK — Eric De Stoutz, operator from Geneva, Switzerland, dropped into *The Cash Box* offices here the day before he left for home.

He visited with us for quite a while, but the most interesting statement he made was that his commission arrangement with locations is 90%-10% (10% to the location). Locations are completely sold on the idea that music brings in more customers, and that their gain is thru the added business gained, he stated.

### Introduces Coin-Operated Radio For Hospital Beds

FORT WAYNE, IND.—Introduction of a new coin-operated radio designed specifically for installation in hospitals, convalescent homes and sanitariums was announced last week by Gene A. Phillips, general manager, Phil-tain Electric Division, OK Stamping Corp., this city.

The radio is adaptable to any hospital bed. It mounts on a pivoting bracket that allows it to be moved in a 90° arc so that it will not interfere with staff personnel yet will still be at the patient's fingertips. The coin magazine, which opens on the face of the cabinet, holds up to seven un-played dimes, each of which returns an hour's radio entertainment.

### From Trucking To C. M. Wholesaling

NEW YORK—Harry and Hymie Koepfel, the brothers now running Koepfel Distributing Company, this city, are two men whose experience in the coin machine industry goes away back to the introduction of the first pin ball games into New York City.

At that time the Koepfel brothers were in the trucking business and served all the local firms as well as companies thruout the eastern states by carrying machines these firms either bought or sold. Because of their diligent efforts, integrity and good fellowship, these men were acknowledged the foremost trucking firm in the east specializing in the moving of coin operated equipment.

However, in 1948 the Koepfel brothers decided that instead of moving equipment other wholesale firms were buying and selling, they would open a firm of their own and buy and sell music machines for themselves.

The first function of Koepfel Distributing Company was directed toward the music machine field—buying, reconditioning, and selling. After a year or so, the firm took on an all-inclusive line of bubbler tubes and plastics for phonos. They are now acknowledged the leading firm supplying these items. Another source of much business has been developed by supplying the trade with magnetic speakers, an item most difficult to obtain these days.

### Additional Canadian Copper Wire To U.S.

WASHINGTON, D. C.—The Canadian Government will ship about 750,000 pounds of copper wire into the United States this year.

The general copper and copper alloy shipments expected from Canada, now that tariffs have been removed, is expected to be 16 percent of the total Canadian production.

The action of Congress in removing

the tariff on copper was of great help in maintaining a flow of imports.

A measure now pending before Congress would remove the tariffs on zinc which is necessary to insure a steady flow of this metal into this country.

Arrangements for shipments of copper wire are already being made with Canadian producers by many American manufacturers.

By the time this issue goes to press a number of Dallas and Texas coin machine operators and distributors will be in the big old windy city—Chicago—for the Coin Machine Show at the Sherman Hotel. . . . From Walbox Sales Company George Wrenn and Phil Weinberg are going to the show. They will leave this week end and travel by air. Right now Wrenn is on a business trip in West Texas. He is really a traveling man. . . . General Distributing Company won't have a representative in Chicago this year since George Prock is in Central America. He has been there for the past couple of weeks building up his export and import business. Audry Hunter is holding down the fort in his absence.

Raymond Williams will represent Commercial Music Company at the show. . . . Mr. Price of Green and Price in Italy was in town this week buying pool tables. . . . We also saw Buddy Clem of Paris in town on a buying spree. . . . Another out of town visitor this week was Jimmy Garrett of Longview who usually tries to make a trip to Big "D" every week. He buys records for his many juke boxes and picks up new equipment from the coin machine distributors each time he is in town. . . . Garland Delemar of E. J. Shelby in Waco was in Dallas this week. Of all things he was wearing a coon skin cap. We wonder what for. . . . J. A. Ormand of Longview was in Dallas the other day buying records for his new shop. With his coin machine route he'll get the music lovers coming and going.

**Williams Mfg. Co. Shows**  
**"8-Ball" And Other New Games**

W. J. (BILL) RYAN

CHICAGO—Williams Manufacturing Company is showing its newest game, "8-Ball", and also other new games at its booths here at the CMI Convention in the Sherman Hotel.

Bill Ryan, general sales manager of the firm reports, "We did not want to have any announcements regarding the games we were going to show in our booths until the convention actually got under way.

"We believe that our new '8-Ball' is going to get a lot of attention and, from actual location test reports, will prove one of the outstanding games we've built."

Some of the former games of Williams Manufacturing Co. are also at their booths, but, most interesting to all attending this CMI Convention are the new games which appeared at the firm's booths beginning this Monday morning (Feb. 4) and that will continue to be shown thruout this convention.

Three of the Chez Patee "Adorables" try their skill on Williams' new "Horsefeathers"—(l. to r.) Ruth Clarkson, Lenore Moguire and Rita McLaughlin.

**Capitol Introduces "Bright Eyes"**

NEW YORK—"Bright Eyes", the horse with the flashing eyes, will be introduced at the CMI Convention by Capitol Electro-Pony Corporation, this city.

Heading the Capitol contingent to the CMI Show will be Leo Willens and Sam Goldsmith.

"'Bright Eyes'," states Willens, "is the last word in mechanical perfection

and operational efficiency and is engineered to give years of trouble-free service. At least fifty of these new models have been on location for the past three months. Reports show service calls at absolute zero, everything an operator could ask for. 'Bright Eyes' will be rolling out of our factory in ever increasing numbers as the weeks go by."

Many coinmen here will be attending the CMI Convention. Those who left already are: Mr. and Mrs. Ted Bush; Ozzie Truppman; Joe Mangone; Sam Taran; Willie (Little Napoleon) Blatt; and Burt Lane. Others are leaving so that they arrive in Chicago on Saturday, Sunday and Monday. . . . Manny Ehrenfeld, Passaic, N. J. op, vacationing here. Manny and Willie Blatt get together to rehash old times. Ehrenfeld was Blatt's very first customer when he started to sell equipment in Brooklyn. . . . Nat Bartfield, former Brooklynite, and now operating the B. W. Novelty Co., Cincinnati, O., with Dan Lieberman, relaxes for a few weeks. . . . Harry Rosen reported to have returned to New York for a look-see. . . . Bill Shayne, Dixie Coin off to Chi for the CMI Convention. . . . Burt Blatt, his wife, and youngster drive into town to visit with "Pop" Burt is with Atlantic New York Corp. in New York. . . . Donald Koren, son of Lou Koren, brings his wife and child to Lou's newly remodelled King Cole North Shore Hotel, for a visit and vacation for the winter. . . . Florida "natives" hate to leave their warm sunshine to travel to the windy, cold, cold Chicago—but they're going. "Just to see how the other half lives" they say. . . . The music association had a very interesting meet on Thursday, Jan. 24.

CHICAGO—D. Gottlieb & Company is showing all attending the CMI convention this week its latest five-ball game: "All Star Basketball".

The game was introduced just prior to this convention and is reported to have clicked with all who saw it.

At this showing, execs of the firm who are at the booths here, report that the game has won much good comment and that:

"It looks like another big winner for our firm."

Production is well under way and those placing orders at the show are practically guaranteed speedy delivery of the new "All Star Basketball" game.

"It's no more than right" stated an exec, "that 'All Star Basketball' should be received so enthusiastically by the trade, in view of the fact that the firm is celebrating its 25th Anniversary, and we here at the factory, as well as our distributors thruout the nation, are plugging hard to see that the firm celebrates this great event with a winner."

## United Mfg. Co. Presents New Pin Ball Game "Steeple Chase"

BILL DeSELM

CHICAGO — Bill DeSelm, general sales manager of United Manufacturing Company, is one of the most elated and gleeful members of the industry this week.

United's announcement of its newest one-to-six coin pin ball game, "Steeple Chase", pulled crowds to its factory.

As Bill DeSelm stated, "This is one game that zoomed right into a top spot with rocket speed."

The "Steeple Chase" game features

six miniature horses that run a complete race and that always come up with a finishing horse.

The consecutive succession of winning horses has much to do with the number of replays the player can get, even when playing all six horses.

Whether playing one or six, tho, there is always a finishing horse, so that the player is always sure of replays.

With the convention under way here this week, and with the fact that United's factory is playing host to many, many visitors from all over the country, "Steeple Chase" has received much good comment.

"Looks to me", Bill DeSelm stated, "like we've got a winner of winners in our newest game, 'Steeple Chase'."

## Merry-Go-Round Sales Issues Free Service Policy For Five Years On "Thunderbolt"

### Announces It Will Have New Pin Ball Game Ready Soon

PHILADELPHIA, PA.—Sam Kohn, Merry-Go-Round Sales, this city, manufacturers of the coin-operated mechanical horse "Thunderbolt," announced that the firm is issuing a five year service policy, absolutely free, with every horse sold.

"This policy will entitle every operator free service on every horse for a period of five years," explains Kohn. "Here's the way it works. The operator is entitled to ship a 'Thunderbolt' back to the factory once a year for five years. He ships it to us freight prepaid. We will repaint the horse, refinish the saddle, recondition the piece thoroughly, and repair parts. In the event there is a broken part to replace, we will do so, but the operator will have to pay for the part, altho time consumed in servicing will be absorbed by us. We will then ship the horse back to the operator, freight collect."

At the same time this statement was made, Kohn also announced that in about three or four weeks, the firm will announce the release of its first pin ball game. "This pin ball game," promises Kohn, "will be an entirely new approach to this phase of the amusement machine business. In our opinion, the game will be 100 years ahead of the times."

### Chi Coin Shows New??

CHICAGO—There are plenty of visitors at the Chicago Coin booths if for no other reason than the word which came from this factory prior to the CMI Convention.

Asked about their new game, the one they would show at their booths at this convention, Sam Lewis of the firm stated:

"It's not a horse. It's not a phonograph. It's not a pin ball. It's not a shuffle game. It's not a rebound.

"It is, instead," he said, "the purest form of amusement."

## Coven Letter Campaign To Music Ops On Bryson Bill Brings Action

BEN COVEN

Coven reported, have already written to Rep. Chauncey W. Reed (D., Ill.) who is a member of the Sub-Committee hearing the juke box industry's case right now.

"The seriousness of the Bryson Bill simply had to be brought directly home to many music operators here," Coven reports, "and we believed that the one best way to do this was to give them a most complete explanation of what this bill could mean to them should it ever pass the Sub-Committee and go into the Judiciary Committee for recommendation that it be passed into the House of Representatives for a vote."

Coven also states, "We believe that the many letters and other data which we sent from our offices not only thoroughly explained the danger of the Bryson Bill, but these resulted in many, many letters to the Congressional members of the House Sub-Committee."

In fact, Coven has been in receipt of copies of many letters which were written to Reed and to others in this state.

He feels, because of the letters sent from his firm (and a letter was even sent this past week with a last moment appeal) helped tremendously to bring about the letters which are in the hands of Congressmen of this state protesting the Bryson Bill with great vigor and logic.

CHICAGO—Ben Coven of Coven Distributing Company, this city, has won much favorable comment from music ops in this area for his intensive and intelligent mailings on the seriousness of the Bryson Bill.

The hearings are now under way, many music ops in this area credit letters which have been written to members of the Sub-Committee of the Committee-On-The-Judiciary in Washington, D. C., to the fact that Coven's personal letters to them awoke them to the seriousness of this situation.

Many of the operators in this state,

## Evans To Announce New Phono Prices On February 4

CHICAGO — Richard (Dick) Hood of H. C. Evans & Company, announced this past week that prices of the firm's new "Century," 100 selection 45 rpm phono, and the two new "Jubilee" phonographs, 40 selections at 45 rpm and 78 rpm, would be announced February 4 at the showings being held at the Morrison Hotel by the firm in Room 335.

At the same time, prices of the new phonos are also being announced by Vince Shay of Empire Coin at the Empire suite in the Sherman Hotel and the Empire booths at the CMI convention.

This is in keeping with the plan of the firm to have every music operator see the three new phonos at its special showing in the Morrison Hotel.

By the Spring of 1953, New York's coinrow will probably be one of the busiest—and choicest of the city's locations. Arrangements were completed this week for the construction of a West Side Airlines Terminal—to be located on the southeast corner of 42nd Street and 10th Avenue. Work on the four-story building is scheduled to begin before summer and according to calculations should be ready for operation by spring of 1953. Six major airlines will lease space. Bus departures and arrivals will be discontinued at the terminal at 42nd Street and Park Avenue after the opening of the East Side Airlines Terminal (now under construction) and this West Side Terminal. Very interesting to coinrow is the plan for the construction of a basement parking garage for 150 autos to be included in the terminal building. These parking facilities will mean a great deal to wholesalers along the row, as it will make it possible for visiting operators to avail themselves of a place to leave their cars while they do their buying.

The exodus from the city, heading for the CMI Convention in Chicago, got going—some starting in the middle of the week, most leaving on the week-end. Nothing like the old days, when special cars on the railroads were taken, and planes chartered, but this area should be pretty well represented. (Ed Comment: We'll wager conditions prevailing in the "good old days" can be brought back once again. All that is necessary is that the various branches of the industry agree to hold their conventions at the same time. If they feel it's necessary to keep separated—have the exhibits and meetings set up in different hotels. But run them on the same days). . . . The first coinman to leave for Chi was Barney (Shugy) Sugerman, Runyon Sales Co. Shugy left early Wednesday morning. . . Abe Green, the other half of the Runyon organization, flew out on Sunday. Traveling on the same plane were "Senator" Al Bodkin and his handsome protegy Bob Luttmann. With the "Senator" and Bob around, the Show is assured of being successful. . . . Mike Munves will display, for the first time, a new basketball game "Set Shot" in his booth number 29. Mike is national distributor for this game, and expects to set up distributors at the show. Mike will also have Exhibit's "Big Bronco" and "Jet Gun" on display. Brother Joe Munves leaves early to be in Chicago to set up the booth. Mike will come along on opening day.

Ben Becker, Bally's demon super-salesman and drum beater, comes back to the big city after a trip thru Pennsylvania—then flies out to factory in Chicago. . . . Al Simon, ChiCoin's representative, all enthused over reaction to its current equipment, the pinball "King Pin"; the shuffle game "6-Player Shuffle Alley"; and it's new model "Band Box." Al off to Chicago for the CMI Show in high spirits. . . . Dave Lowy, Dave Lowy & Co., off to Chicago with many plans in mind. . . . Harry Koeppel, Koeppel Distributing Co., has train reservations for Saturday afternoon, but when we last spoke with him, he stated he may not be able to get away as it might be necessary to stay home and help brother Hymie get out the many orders for reconditioned music and plastics. . . . Harold Henry, treasurer of the Automatic Machine Service Employees Union, still out of the office, recuperating from a recent heart attack. . . . Jules Olshin, Olshin Distributing Co., Albany, N. Y. writes us that Walter Boardman is no longer connected with his company, and that he will not accept any responsibility for his actions. . . . Eric De Stoutz, Geneva, Switzerland, leaves for home Tuesday (January 29) after spending a month visiting coin firms here and in Chicago. Originally a music operator, De Stoutz tells us his country recently okayed a certain type amusement machine, and the game is now being constructed in Chicago to meet all specifications. . . . Max Schiffman, local music op, tells us that 1951 was the best of all his operating years. . . . Joe Young, Young Distributing, states that coincidental with the arrival of more Wurlitzer 1400's (which are shipped out immediately), his shop is shipping more reconditioned machines.

**NEW ORLEANS NOTES**

Everyone at Dixie Coin Machine is slightly up in air anticipating the new AMI Model "D-80" Phonograph, which has eighty selections. In describing the new model, Ed Holyfield stressed the fact that there are no cabinet changes in the new model. Announcement of the showing will be forthcoming. Ed also passed on the info that he will probably fly up to the C.M.I. show for one day only because he doesn't want to miss the "Krewe of Bal Masque" on February 5 here in New Orleans. Unfortunately we had to return our invitations but then we will be having our own ball in Chicago. . . . This town is all aglitter with the ball's going in full swing every night. The costumes are beautiful and the queens even more so. Gee, you people have no idea of what you miss during carnival season in New Orleans. . . . Shoon De Launeville also driving up for the C.M.I. show. . . . Abe Kalif, McComb, Miss., recently seen in F.A.B. Distributing. . . . F.A.B. prexy, F. A. Blalock returned from an extensive tour of his territory. . . . And have you heard about Bob Dupue's parakeet named "Pete." Pete eats at the table with the rest of the family and I expect any day, to hear that Pete has learned to say "father." . . . We were sorry to hear about the fire that badly burned the interior of Charlie Livingston's building that housed his Pensacola Amusement Company at Pensacola. Mr. Monk of M & M Amusement Company at Bogalusa, leaving F.A.B. Distributing with a load of 15 1400's.

We want to wish loads of luck to Dick Rising, formerly with Mallory's Distributing Company, who will take over the management of Capitol Records Dallas branch office. We all hate to lose Dick, especially Mel Mallory but we are also proud of his terrific promotion. . . . Bill Maddox returned from a week in Mississippi and immediately took off for a trip through the Louisiana territory. . . . We understand that J. R. Allen of Winnfield has been seriously ill and is still confined to the hospital but on the recuperating list. Allen's brother Warren took over the reins of the business and is doing a terrific job. . . . Mel Mallory back in the office following several days in Natchitoches, Winnfield and Monroe, and while in Monroe Mel was shown the town by Sig Litt.

## CHICAGO CHATTER

You'll be hearing this for the next three days: "Hello!! Hello!! Hello!! Glad to see you. Glad to hear you're feeling swell! And sure glad you could make it here to our Windy City." . . . All you guys and gals from the deep south should dash right out and get yourselves some red flannel underwear. (Geet gehzookt?) . . . This "horse show of '52" will probably result in a return to many new forms of amusements, some claim. . . Lots of guys in town early, awaiting the opening of the convention and, at the same time, taking in the nite spots, shopping at the big stores here and, generally, enjoying themselves. . . Ray Moloney's announcement that Lion will soon have a TV receiver created much interest. There are many, many distributors in the coinbiz who are also distributors for TV receiving sets. . . Bob Gnarro of ABC Music here will buy your music route. Just phone him. . . Much interest since Sunday at the Morrison where Dick Hood is showing his new "Century" 100/45 phono, also his two Jubilees 40/45 and 40/78 phonos. . . Les Rieck was one of the busiest, preparing for the show, and now busier than ever, while the show is under way. . . Vince Shay was also on the job Sunday. Showing the Evans' phonos in his suite. . . Joe Cohen of Ristaurat, Appleton, Wis., came into town early. Wanted to get his booth set up as fast as possible. And enjoy the weekend here. . . Look for Mike Hammergren to return to the coinbiz in an impressive role. . . Lyn Durant, Johnny (Beanbag) Casola, Bill DeSelm, Herb Oettinger, Ray Riehl and the United bunch taking care of their many friends between their Sherman suite and that great factory entertainment circular bar. . . Izz Edelman of Detroit in town since this past Thursday. Contacting around and about the city. . . Joe (Skinny) Kline tells me he loves to work. (That's a hint, Wally Finke, for another week down in Miami). . . That was Willie (Little Napoleon) Blatt who whizzed by, pulling his coat collar over his ears and hollering about the windy cold.

Ray Moloney, Georgie Jenkins, Jack Nelson, Herb Jones, Tom Callaghan, Bill O'Donnell, Art Garvey, Ben Becket, and all the rest of the Bally bunch, spending their time between Bally's Sherman suite and the factory where, by the way, there's plenty of riding. . . During the celebration dinner of a big store here that had reached its hundredth year, the store's top exec got up to thank all the other merchants (their competitors) who were present. He advised that their great progress was due greatly to their competitors. (The Cash Box, too, thanks its competitors). . . That new combo of Carl Hoelzel and Irwin Weiler, Uni-Con Distributing Co., Kansas City, getting lots of compliments from all at the show. Carl's been in the coinbiz since about '32. Irwin has been in since about '35. The combining of United Amusement and Consolidated Distributing resulted in the biggest distrib firm in the country. (Know any bigger one?). . . By the way, Carl Hoelzel and Irwin Weiler asked us to invite you to their big, grand opening party. It'll last two days. Sun. & Mon., Feb. 17 & 18. At their 3410 Main Street headquarters in Kansas City, Mo. . . Very nice letter from oldtimer John A. McIlhenny of Winthrop, Mass. "Mac" telling us how he's faring in the N.E. part of the nation. Also full of that optimism and faith in the coinbiz that characterizes all the old-timers. . . There's many an old-timer present at this convention. . . Just in case you didn't know, E. V. Durling, noted columnar light of "On The Side," reports that bowling was started by the Holland Dutch in New York City down at what is now known as "Bowling Green," about 1732. He reports: "At first bowling was played with nine pins. Then came a gambling scandal and the game of 'nine pins' was made illegal. So one more pin was added. So the game was no longer 'ninepins' but 'tenpins' and therefore legal." (Just a twist we thot some of the boys in the coinbiz might think about when it comes to declaring this or that product this or that side of legal interpretations).

Pat-On-The-Back-Dept.: "Your 'Chicago Chatter' column is the first thing we read when The Cash Box comes into our factory on Monday morning. It's better than anything Walter Winchell or any other bigtime columnist could write for this business." (From one of the top execs of one of the nation's top coinfactories). . . Seems the more horses introduced, Frank Mencuri of Exhibit gets busier. With production stepped up tremendously at the Exhibit plant, and more increases coming into effect right along, Frank is all smiles these days. (The crowd at the Exhibit booths is one indication of the click "Big Bronco" made). . . See those distributors around the convention floor who voted "against a convention this year." . . Ralph Sheffield of Ace Premium Sales is a busy man. Was busy all last week. And even the week before that. Preparing new '52 merchandise for this show. Now he's busy all over again. . . Ben Coven has been complimented by juke box ops 'round these parts. Ben kept the mails busy with letters and other data advising the juke box ops how serious the Bryson Bill was. This resulted in many and many a letter to Congressmen. In fact, just last week, Ben went all out with one of the biggest mailings the firm had ever attempted. To get juke box ops to write, and write quick, to their Congressmen. (By the way, Bryson Bill open public hearings under way right this minute. While you read this. And many here anxiously waiting to hear from leader: now in Washington regarding Sub-Committee's reaction to ops' appeal. . . Nate Gottlieb demonstrates his basketball ability at his booth. He won't be spinning for the basket only. He'll be trying for top score. Gottlieb's newest "All Star Basketball" has clicked well. . . Roy Monroe and George George of Monroe Coin, Cleveland, here to see what new equip't they can order back to their showrooms. The boys are doing a whizz of a job in their territory. . . Roy McGinnis scooted down to his home in Miami Beach and Paul Huebsch simply jammed with more work. Paul's opening the factory to visitors. All can see the Keeney production lines right in operation. While enjoying a drink and a bite.

DPA release No. 236 advises that Canadian copper wire now available to U. S. mfrs. 750,000 lbs. will be shipped into U. S. by Canada. . . Ted Ruby set himself up (premiums and all) at the Sherman two weeks before the show. . . Bill Ryan and Sam Stern came up with a very good pic showing three of the Chez Adorables, Ruthie Clarkson, Lenore Moguire and Rita McLaughlin, enjoying Williams' new "Horsefeathers." Pleasure to play games with such cutie-pies. (We had our troubles, tho, recognizing them with their street clothes on). . . Sam Lewis of ChiCoin pulled a real mystery this past week and the gang now at ChiCoin's booths is the answer. Sam advised that their newest game: "Is not a horse. Is not a phono. Is not a pinball. Is not a shuffle. Is not a rebound." . . Art Weinand of Rock-Ola is busier than if he were at the show. Plenty of visitors over at the big Rock-Ola plant talking music,

We still say, in politics, as well as in life, it's the "little things that count." (Like that little "IF" that topped the story). And like the "little 1c per side per week royalty on each record" that the Bryson Bill wants for outfits like ASCAP.

It may not come as big a surprise to his customers and competitors as it does to us, but Bud Parr is going out of the coin machine business after a good many years in it to devote more time to his other enterprises. Fred Gaunt, who has spent 20 years in the business and 10 years with Bud's General Music firm, will stay on the Row, moving across the street to C. A. Robinson where Charlie Robinson and Al Bettelman are doing a real lively job in merchandising all games, new and used. . . . Quite a few of the local lads planning to attend the Coin Machine Institute Show Feb. 4, 5 and 6 at the Hotel Sherman in Chicago. The particular inducement for most of the L. A. regulars this year won't be buying, but selling. . . . Among those planning to go back to introduce a new product are Abe Chapman and Jack Simon, who will be bringing along three or four "Buccaroo" horses with them for the Eastern, Midwestern and Southern boys to see. . . . Both Dan Stewart and Bob Bevers will attend the show, probably directly from Salt Lake City. While at their headquarters there, Joan Lewis is doing a good job of servicing the local trade on new Rock-Olas and with the batch of used 5-balls and music now being stocked at Dan Stewart's on Pico Blvd. Dan also has the local ex, we understand, on Exhibit's "Jet Gun" and Joan tells us ops are really going double for Genco's "Double Action" 5-ball.

Just back from Chicago, where he attended the Houseware Show, was Johnny Hawley who visited with coin men while there. Johnny's still handling all of Gottlieb's games but figures to continue big in the merchandise field until he finds some good reason to get out of it. . . . Over at Badger Sales, the Royal "Mustang" was just in and the boys on deck seemed to be giving it an approving eye. . . . As far as the horses are concerned, Lyn Brown says, "It looks like a 16-horse field and chances are they'll wind up running out of the money". While others may attribute such a remark from Lyn to competition or concern, it strikes us that Lyn honestly believes the easiest money in the horse field in this area has already been skimmed off by Exhibit's "Big Bronco." . . . The point to make for the newcomers, however, is that they are viewing the national market fully as much as the Los Angeles area.

Jim Wilkins of Paul Laymon's tells us that used music is going as never before. He doesn't know just what condition to credit this to, but he does say that the Wurlitzer 1015's and 1100's are really moving along. And he has a similar report for Bally's "Spot-Lite," which has set a new record for itself in moving out upon being shipped in. . . . On the Row: Mr. and Mrs. Stewart Metz of San Bernardino. . . . Frank Christian and Walter Tatum of Anaheim. . . . Jack Spencer of Big Bear. . . . Tex Miller, of Blythe. . . . Perry Irwin of Ventura. . . . Dick Harrison of Fontana and his new partner.

**THRU THE COIN CHUTE**  
**MINNESOTA MUSINGS**

The St. Paul Winter Carnival is in full swing this week and this event is bringing thousands of visitors to the Twin Cities, principally St. Paul to attend the events and with the special added attractions of the Dionne Quintuplets, there are more people than ever taking in the fun of the festivities of the Winter Carnival. . . . The heavy snows on Monday and Tuesday the 21st and 22nd; marooned quite a few people especially the operators who were on their routes and some of them were marooned a long ways from home. . . . Morris Anseau of Minnesota, tried to make it home but decided to return to Minneapolis where it was much safer. . . . Of course, Charles Bohnen of St. Cloud drove like the dickens to get to Minneapolis to find 20 degree below weather. What made it really tough was that Charlie had come up from Florida where he had been basking in the nice warm sunshine two days before. . . . With this cold weather, Al Plotnick of the Anco Sales Company has made plans to go to California for a couple of weeks just to get away from it all.

The annual Booster dinner for the Minneapolis baseball teams was held on Thursday, January 24th and besides having such notables as Leo Durocher, and other prominent baseball figures, quite a few of the operators attended this dinner which was quite an event. Among those present at the dinner were Gabby Clusieu of Grand Rapids; Chet La Doux of Virginia; J. Allen Redding; Fred Kirschman and others. . . . We are very sorry to hear that Carl Rees of Rapid City, S. D., is in the hospital and we certainly hope for his speedy recovery. . . . Some of the operators from Wisconsin who were in the Twin Cities were Gerald Johnson of Menominee; Jim Donatell of Spooner; Frank Coubal of Bloomer; and Harry Galep of Menominee. . . . Don Smith of Sioux Falls, S. D., braved the icy roads and drove into the Twin Cities to pick up some much needed supplies and records for his route. . . . The boys who whizzed into town and out again because of the weather were B. F. Kragtorp of Tracy; Stan Woznak of Little Falls; Pete Wornson of Mankato; James Laraby of Granite Falls; Hank Krueger of Fairfax; Pete Vanderhyde of Dodge Center; Lyle Kesting of Benson; Ted Heil of Gaylord; and Ben Jahnke of Hutchinson. . . . From all indications there will be quite a few people from this area who will attend the coin machine show in Chicago.

## "Rocket Patrol"

Pats. Pend.

Here's our latest... a completely new ride that you can place right next to Thunderbolt on all your locations and double the take. Here's why the kids love it: The completely realistic dashboard lights up with a miniature RADAR SCREEN, left and right bank indicators, altimeter, oil pressure and fuel gauges. The plexiglas nose lights up when the child presses the trigger of the gun built in to the cockpit and

"shoots" out a vivid, death-dealing "ray" (harmless, of course), and, the life-like "Rocket Tubes" light up to simulate actual firing of rockets, too. The ride is noiseless and gives the sensation of swishing thru space with a rudder bar control permitting child to bank ride from left to right at will. There's a real safety belt attached to the seat and backrest which are upholstered with top grain leather.

- LUN-A-RIDE "ROCKET PATROL" IS OUT OF THIS WORLD!
- IT'S A BRAND NEW RIDE THAT OPENS UP BRAND NEW PROFIT FIELDS!

**Here's How You Can Get 40 Classified Ads Absolutely FREE!**

If you plan to use but one classified ad every so often. Let's say only one classified ad per month. Just 12 ads during the entire year. Each ad of 40 words. (40 words has been found to be the size of the average classified ad) These 12 classified ads would cost you \$48.

Each classified ad of 40 words, at the regular rate of 10c per word, would cost you \$4.00. Multiply the \$4.00 by 12 such ads during the year, and you arrive at the total of \$48.00.

For this very same \$48 you can get an additional 40 classified ads, also of 40 words each, absolutely FREE.

In short, by taking immediate advantage today of *The Cash Box* "Special Classified Advertising Subscription" you can get 52 ads of 40 words each (one ad for each week's issue of *The Cash Box* for the full year of 52 weeks' issues) for the very same price of \$48. You are actually getting a \$223.00 value for only \$48. A tremendous savings to you of \$175.00 if you act quick.

Here's how you save that \$175.00: You get 52 classified ads of 40 words each (actual cost of each ad is \$4.00 at regular rate of 10c per word.) This gives you a 40 word ad each week during the full year of 52 weeks' issues (52 times \$4.00) that is worth \$208.00. But, that isn't all, you also get a complete issue of *The Cash Box* each week (not just a tear sheet or a proof showing your ad only) which is worth \$15.00, the regular full year's subscription rate. A grand total value of \$223.00—All for only \$48.

You save \$175.00 and, at the same time, you get 40 more classified ads of 40 words each absolutely FREE—all for the same \$48 that only 12 ads would cost you at regular rate. Take advantage of *The Cash Box* "Special Classified Advertising Subscription" today! (Remember: *The Cash Box* publishes more classified ads each week than all the other magazines in the industry combined print in a month.)

Think! As materials grow shorter in supply. As merchandise and machines grow more and more scarce. You will want to buy merchandise and equipment you will need to continue profitably in business. Likewise, you will want to turn dead merchandise that is gathering dirt, dust and rust into cash. *The Cash Box* "Special Classified Advertising Subscription" gives you the opportunity to both buy and sell each and every week for the full year of 52 weeks' issues.

\* Enclose your first 40 word classified ad with your check for \$48 and mail right now to:

**THE CASH BOX**  
26 W. 47th STREET  
NEW YORK 19, N. Y.

\* If you already have a \$15 subscription you will be given credit for the unused portion toward *The Cash Box* "Special Classified Advertising Subscription."

**THIS WEEK'S USED MACHINE QUOTATIONS**

**How To Use "The Confidential Price Lists"**

**FOREWORD:** Many times, wide differences appear in the high and low prices of certain equipment. Like any true reporter "The Confidential Price Lists" can only feature the market prices as they are quoted. "The Confidential Price Lists" acts exactly the same as the market quotation board at the Stock Exchange—posting the prices as they are quoted for the past week, regardless of how much they may seem to be out of line. Some prices do not change for months. "The Confidential Price Lists," rather than show no price, retain the last known quotations for such equipment so that the subscriber at least has the last known prices as a basis to work with. Prices may be very widely divergent. Someone on the West Coast may feel a certain machine worth \$150.00 whereas someone on the East Coast may think it worth but \$75.00. Of course, serial, appearance, demand, territory, quantity, and condition of equipment must be taken into consideration. (Some equipment offered by outstanding firms, having a reputation for shipping completely reconditioned machines, will be offered at higher prices than others, due to the added costs of reconditioning.) "The Confidential Price Lists" reports each quotation exactly as it is made and depends on the subscriber to make average price adjustments to fit the peculiarities of his territory.

**METHOD:** "The Confidential Price Lists" should be read as follows: First price listed is lowest price for the week; Second price listed is highest price.

**EXPLANATION**

**This Week's Used Market**

This week's trading in the used machine market failed to show any important change as far as activity or price is concerned. This seems to indicate a type of cooling off period that will soon end and once again find prices and action reaching a more normal level. Activity should continue quite heavy as it has proved to be so far and askings are expected to go up since the clearing of old inventory will be completed.

The music division continued to show strongly for the second straight week with quotations coming in large quantities and prices holding on to the level created last week. As was the case last week, the post war pieces proved to be the most active games and in addition were bringing a healthy price. The extremely popular items, that have continually drawn well, maintained their high measure of activity.

Pin games continued along its usual pattern with action being great and prices holding a constant level. The only equipment that showed any noticeable change in price were the old and dormant pieces that have recently entered the market in such large quantities. This is no doubt due to the previously mentioned clearance sales that have been inaugurated since the beginning of the year.

The shuffle games and the arcade pieces garnered a huge share of this week's activity in the used machine market. Almost every shuffle game proved to be strong in the trading and here too the price ranges remained quite constant. Both old and newer games showed well and the indications point to a continuation of this pattern of trading. The arcade games reacted as a representative division of the entire field with nearly all machines holding their own.

The following was the most active equipment in this week's used market:
